

1.1 Senator ..... moves to amend the delete-everything amendment (SCS0004A-7)  
1.2 to S.F. No. 4 as follows:

1.3 Page 5, line 25, after the period, insert "If an electric utility provides the commission  
1.4 with substantial evidence demonstrating that the electric utility was unable to generate  
1.5 electricity by an eligible energy technology or carbon-free technology due primarily to a  
1.6 factor beyond the electric utility's control, including but not limited to the unavailability of  
1.7 adequate technology on the market or facility closure required by an entity governing the  
1.8 electric utility, and such inability to generate electricity makes compliance with a standard  
1.9 obligation under subdivision 2a, 2f, or 2g infeasible, the commission must modify or delay  
1.10 implementation of the applicable standard obligation for the electric utility until all such  
1.11 factors preventing the electric utility's compliance with the standard obligation are removed."
