Dear Chair Hawj:

This letter is written in support of the confirmation of Sarah Stromman as Commissioner of the Minnesota Department of Natural Resources.

Our organization, the Minnesota United Snowmobile Association, has found Commissioner Stromman to be fair minded and accessible in all of our dealings with her. Sarah clearly appreciates snowmobiling's significant economic impact and it's enhancement of the quality of life in Minnesota. Under her leadership, we believe we have a true public/private partnership in promoting and preserving snowmobiling in our state. While from time to time we disagree with the Departments, Commissioner Stromman is always willing to hear our point of view and work out the best solution for snowmobilers and all Minnesota residents.

For the reasons stated above, the Minnesota United Snowmobiler's Association supports the confirmation of Commissioner Sarah Stromman.

Sincerely,

Minnesota United Snowmobilers Association

Scott Wakefield, President
