LEGACY APPROPRIATION FUNDING

MHC requests \$2 million in FY24 and \$2 million in FY25 to expand and grow Legacy programming statewide.

Through responsible fiscal management and deep community investment, MHC leverages state and federal funding to amplify our impact and better serve all Minnesotans.

BRIDGE CREATOR

Bringing Minnesotans Together

When introduced to the Vision Trust I sensed that connection immediately. I recollected my military service. I recollected receiving the Veterans' Voices Award, and the values placed upon that recognition by the MHC. I was reminded of the trust that I held growing up within my community, and how vital that was to my development. I was reminded of my present family who sacrificed so much in my absence. But there is still more work to do.

Dr. David Hamlar – retired Two-Star General, 2016 Veterans' Voices Awardee, and current MHC board member – practices medicine in Mpls.
