Dear Chair Hawj,

On behalf of the City of Silver Bay, thank you for including a \$400,000 Get Out MORE grant for our regional trailhead project in you're A-3 amendment to Senate File 2438. This investment will be the final piece of funding needed to construct this new facility that will serve hikers, bikers, ATV riders, snowmobilers, and more.

Our small community on the North Shore of Lake Superior is proud to host visitors from across our state and country. This new amenity will help us welcome guests to enjoy the great Northwoods and beautiful North Shore and will make their journey more comfortable.

Thank you again for including this funding for Silver Bay.

Sincerely,

Lana Fralich
