Dear Honorable Senator Fong Hawj and Members of the Environment, Climate, and Legacy Committee:

On behalf of the entire Appetite For Change team and the community members we serve, I would like to express our sincerest gratitude for your generous funding support of our Community Cooks Program. We are thrilled and honored to have been selected as a Legacy recipient and deeply appreciate the investment you have made in our organization.

Your contribution will enable us to expand and enhance our Community Cooks Program, which serves as a vital resource for our community. With your support, we will be able to provide even more nutritious meals to families, foster a sense of community and belonging, and promote healthy eating habits. Together, we will share and learn about our cultural heritage by breaking bread.

We recognize that your decision to support our organization was not an easy one, and we want to assure you that we will make the most of this opportunity. We are committed to utilizing the funding responsibly and effectively, and we look forward to sharing updates with you and committee members on the progress we make.

Thank you again for recognizing the importance of our mission. Your support will have a positive and lasting impact on the lives of the families we serve.

Sincerely,
