86.17 **FINANCIAL REVIEW OF NONPROFIT GRANT RECIPIENTS**

86.18 Section 1. **FINANCIAL REVIEW OF NONPROFIT GRANT RECIPIENTS**
 86.19 **REQUIRED.**

86.20 (a) Before awarding a competitive, legislatively named, single-source, or sole-source
 86.21 grant to a nonprofit organization under this act, the grantor must require the applicant to
 86.22 submit financial information sufficient for the grantor to determine and document whether
 86.23 awarding the grant is reasonable and appropriate given the grantee's current financial standing
 86.24 and management. Items of significant concern must be addressed with the applicant and
 86.25 resolved to the satisfaction of the grantor before a grant is awarded. The grantor must
 86.26 document the material requested and reviewed, whether the applicant had a significant
 86.27 operating deficit or a deficit in unrestricted net assets, whether and how the applicant resolved
 86.28 the grantor's concerns, and the grantor's final decision. This documentation must be
 86.29 maintained in the grantor's files.

86.30 (b) At a minimum, the grantor must require each applicant to provide the following
 86.31 information:

86.32 (1) the applicant's Form 990 or Form 990-EZ filed with the Internal Revenue Service
 86.33 in each of the prior three years. If the applicant has not been in existence long enough or is

87.1 not required to file Form 990 or Form 990-EZ, the applicant must demonstrate to the grantor's
87.2 satisfaction that the applicant is exempt and must instead submit the applicant's most recent
87.3 board-reviewed financial statements and documentation of internal controls;

87.4 (2) evidence of registration and good standing with the secretary of state under Minnesota
87.5 Statutes, chapter 317A, or other applicable law; and

87.6 (3) if the applicant's total annual revenue exceeds \$750,000, the applicant's most recent
87.7 financial audit performed by an independent third party in accordance with generally accepted
87.8 accounting principles.

87.9 (c) A grantor that identifies an area of significant concern regarding an applicant's
87.10 financial standing or management may award a grant to the applicant if the grantor provides
87.11 additional technical assistance, as needed, and imposes additional reasonable requirements
87.12 in the grant agreement, including but not limited to enhanced monitoring or reporting
87.13 requirements.

87.14 (d) The requirements in this section are in addition to any other requirements imposed
87.15 by law; the commissioner of administration under Minnesota Statutes, sections 16B.97 and
