MCPA Supports Senate File 27

The Minnesota Chiefs of Police Association, representing approximately 300 Police Chiefs throughout Minnesota, is writing to you today to offer our support for Senate File 27.

We believe it will make our roads safer for everyone as it requires written and driving tests to obtain a license, ensuring that all drivers are certified to drive. Drivers' licenses for all will make our roads and highways safer for everyone and could lower the rate of uninsured drivers.

This bill provides a process for verifying everyone's identity and give law enforcement a greater ability to protect the public's safety.

For the above reasons, MCPA supports Senate File 27.
