To whom it may concern:

My name is Pastor Luis Rivera. I have pastored the church Ríos de Agua Viva (Church Rivers of Living Water) for more than 20 years with a membership of more than 1000 people and the largest latin church In the state of Minnesota.

We want to thank senator Bobby Joe Champion for his consistent, honest and ethical support of the driver's license for all. Senator Champion has passed this bill two different times in the Senate. We believe he has the ability to do it once more.

We also want to thank Mariano Espinoza and Jovita Francisco Morales. Their voice and work for over two decades has been an inspiration to the Latino community in Minnesota. We here today are excited to see Senator Champion once again author the bill.

We are excited to be part of the amazing coalition coming together to finally get the driver license for all approved in Minnesota.

Sincerely,

Pastor Luis Rivera
