Sec. 28. POSTSECONDARY STUDENT BASIC NEEDS WORKING GROUP;

53.2	REPORT.
53.3	Subdivision 1. Direction. By September 1, 2023, the commissioner of the Office of
53.4	Higher Education shall convene a working group on postsecondary student basic needs.
53.5	The commissioner shall invite representatives from Minnesota State Colleges and
53.6	Universities, the University of Minnesota, nonprofit private colleges, Tribal colleges and
53.7	universities, student organizations, faculty and staff bargaining units, state agencies, and
53.8	other interested parties as determined by the commissioner to participate in the working
53.9	group.
53.10	Subd. 2. Duties. The working group must review, assess, and make specific
53.11	recommendations on strategies to meet the basic needs of higher education students. The
53.12	report must include a comprehensive plan on how to identify, assess, and support students
53.13	who are experiencing housing and food insecurity. The report may also include proposals

53.15	any other laws that relate to higher education. The working group may also make specific
53.16	recommendations with regard to policy changes for the Office of Higher Education and
53.17	postsecondary institutions.
53.18	Subd. 3. Report to legislature. The commissioner of higher education shall submit a
53.19	report detailing the working group's findings and recommendations to the chairs and ranking
53.20	minority members of the legislative committees having jurisdiction over higher education
53.21	policy and finance by September 1, 2024.
53.22	Sec. 29. REPORT ON MINNESOTA STATE COLLEGES AND UNIVERSITIES
53.23	COURSE PLACEMENT PRACTICES.
53.24	Subdivision 1. Review. (a) The Office of Higher Education shall document, review, and
53.25	analyze college admission and course placement policies, practices, and assessments used
53.26	by the Minnesota State Colleges and Universities system. The review shall seek to determine
53.27	if policies, practices, and assessments used have:
53.28	(1) adverse consequences for a student and their family, including burdensome economic
53.29	and related costs of delaying their degree plans;
53.30	(2) hindered the participation of students;
53.31	(3) hindered the placement, retention, or timely college graduation of students; and
53.32	(4) excluded students from admission thereby hindering their full participation in higher
53.33	education.

54.1	(b) The review must consider impacts for various student communities, including but
54.2	not limited to Indigenous students, English as a second language (ESL) students, and students
54.3	of color.
54.4	Subd. 2. Determination. Utilizing the review conducted under subdivision 1, the
54.5	commissioner shall determine whether:
54.6	(1) students, including Indigenous students, ESL students, and students of color, are:
54.7	(i) denied admission;
54.8	(ii) disproportionately assigned to enroll in developmental courses; or
54.9	(iii) delayed or deterred in their educational progress; and
54.10	(2) policies, practices, and instruments:
54.11	(i) are disproportionately reliant on test scores;
54.12	(ii) impose barriers for students in terms of enrollment, retention, and completion; and
54.13	(iii) may be culturally biased.
54.14	Subd. 3. Recommendation. The commissioner shall recommend changes based on the
54.15	information obtained in subdivisions 1 and 2 to existing measures, instruments, and placement
54.16	practices. By February 1, 2024, the commissioner shall provide a preliminary report and
54.17	by February 1, 2025, report the recommendations and findings to the chairs and ranking
54.18	minority members of the legislative committees with jurisdiction over higher education.
54.19	The commissioner shall seek external advice and expertise to address the above reviews,
54.20	determinations, findings, and recommendations.
54.21	Sec. 30. FINANCIAL REVIEW OF GRANT AND BUSINESS SUBSIDY
54.22	RECIPIENTS.
54.23	Subdivision 1. Definitions. (a) As used in this section, the following terms have the
54.24	meanings given.
54.25	(b) "Grant" means a grant or business subsidy funded by an appropriation in this act.
54.26	(c) "Grantee" means a business entity as defined in Minnesota Statutes, section 5.001.
54.27	Subd. 2. Financial information required; determination of ability to perform. Before
54.28	an agency awards a competitive, legislatively-named, single source, or sole source grant,
54.29	the agency must assess the risk that a grantee cannot or would not perform the required
54.30	duties. In making this assessment, the agency must review the following information:

55.1	(1) the grantee's history of performing duties similar to those required by the grant,
55.2	whether the size of the grant requires the grantee to perform services at a significantly
55.3	increased scale, and whether the size of the grant will require significant changes to the
55.4	operation of the grantee's organization;
55.5	(2) for a grantee that is a nonprofit organization, the grantee's Form 990 or Form 990-EZ
55.6	filed with the Internal Revenue Service in each of the prior three years. If the grantee has
55.7	not been in existence long enough or is not required to file Form 990 or Form 990-EZ, the
55.8	grantee must demonstrate to the grantor's satisfaction that the grantee is exempt and must
55.9	instead submit the grantee's most recent board-reviewed financial statements and
55.10	documentation of internal controls;
55.11	(3) for a for-profit business, three years of federal and state tax returns, current financial
55.12	statements, certification that the business is not under bankruptcy proceedings, and disclosure
55.13	of any liens on its assets. If a business has not been in business long enough to have three
55.14	years of tax returns, the grantee must demonstrate to the grantor's satisfaction that the grantee
55.15	has appropriate internal financial controls;
55.16	(4) evidence of registration and good standing with the secretary of state under Minnesota
55.17	Statutes, chapter 317A, or other applicable law;
55.18	(5) if the grantee's total annual revenue exceeds \$750,000, the grantee's most recent
55.19	financial audit performed by an independent third party in accordance with generally accepted
55.20	accounting principles; and
55.21	(6) certification, provided by the grantee, that none of its principals have been convicted
55.22	of a financial crime.
55.23	Subd. 3. Additional measures for some grantees. The agency may require additional
55.24	information and must provide enhanced oversight for grants that have not previously received
55.25	state or federal grants for similar amounts or similar duties and so have not yet demonstrated
55.26	the ability to perform the duties required under the grant on the scale required.
55.27	Subd. 4. Assistance from administration. An agency without adequate resources or
55.28	experience to perform obligations under this section may contract with the commissioner
55.29	of administration to perform the agency's duties under this section.
55.30	Subd. 5. Agency authority to not award grant. If an agency determines that there is
55.31	an appreciable risk that a grantee receiving a competitive, single source, or sole source grant
55.32	cannot or would not perform the required duties under the grant agreement, the agency must
55.33	notify the grantee and the commissioner of administration and give the grantee an opportunity

04/14/23 SENATEE SS SH2073R

to respond to the agency's concerns. If the grantee does not satisfy the agency's concerns within 45 days, the agency must not award the grant.

Subd. 6. Legislatively-named grantees. If an agency determines that there is an appreciable risk that a grantee receiving a legislatively-named grant cannot or would not perform the required duties under the grant agreement, the agency must notify the grantee, the commissioner of administration, and the chair and ranking minority members of Ways and Means Committee in the house of representatives, the chairs and ranking minority members of the Finance Committee in the senate, and the chairs and ranking minority members of the committees in the house of representatives and the senate with primary jurisdiction over the bill in which the money for the grant was appropriated. The agency must give the grantee an opportunity to respond to the agency's concerns. If the grantee does not satisfy the agency's concerns within 45 days, the agency must delay award of the grant until adjournment of the next regular or special legislative session.

Subd. 7. Subgrants. If a grantee will disburse the money received from the grant to other organizations to perform duties required under the grant agreement, the agency must be a party to agreements between the grantee and a subgrantee. Before entering agreements for subgrants, the agency must perform the financial review required under this section with respect to the subgrantees.

Subd. 8. Effect. The requirements of this section are in addition to other requirements imposed by law, the commissioner of administration under Minnesota Statutes, sections 16B.97 to 16B.98, or agency grant policy."
