## 2.7 ARTICLE 1

### 2.8 DISABILITY SERVICES

2.9 Section 1. Minnesota Statutes 2022, section 16A.152, subdivision 1b, is amended to read:

2.10 Subd. 1b. **Budget reserve level.** (a) The commissioner of management and budget shall  
 2.11 calculate the budget reserve level by multiplying the current biennium's general fund  
 2.12 nondedicated revenues and the most recent budget reserve percentage under subdivision 8.

2.13 (b) If, on the basis of a November forecast of general fund revenues and expenditures,  
 2.14 the commissioner of management and budget determines that there will be a positive  
 2.15 unrestricted general fund balance at the close of the biennium and that the provisions of  
 2.16 subdivision 2, paragraph (a), clauses ~~(1), (2), (3), and (4)~~ to (5), are satisfied, the  
 2.17 commissioner shall transfer to the budget reserve account in the general fund the amount  
 2.18 necessary to increase the budget reserve to the budget reserve level determined under  
 2.19 paragraph (a). The amount of the transfer authorized in this paragraph shall not exceed 33  
 2.20 percent of the positive unrestricted general fund balance determined in the forecast.

2.21 Sec. 2. Minnesota Statutes 2022, section 16A.152, subdivision 2, is amended to read:

2.22 Subd. 2. **Additional revenues; priority.** (a) If on the basis of a forecast of general fund  
 2.23 revenues and expenditures, the commissioner of management and budget determines that  
 2.24 there will be a positive unrestricted budgetary general fund balance at the close of the  
 2.25 biennium, the commissioner of management and budget must allocate money to the following  
 2.26 funds, accounts, and purposes in priority order:

2.27 (1) the cash flow account established in subdivision 1 until that account reaches  
 2.28 \$350,000,000;

2.29 (2) the long-term care access fund established in section 16A.7241, subdivision 1, until  
 2.30 the allocated amount equals the long-term care access fund contribution amount calculated  
 2.31 in section 16A.7241, subdivision 2;

2.32 ~~(2)~~ (3) the budget reserve account established in subdivision 1a until that account reaches  
 2.33 \$2,377,399,000;

3.1 ~~(3)~~ (4) the amount necessary to increase the aid payment schedule for school district  
3.2 aids and credits payments in section 127A.45 to not more than 90 percent rounded to the  
3.3 nearest tenth of a percent without exceeding the amount available and with any remaining  
3.4 funds deposited in the budget reserve;

3.5 ~~(4)~~ (5) the amount necessary to restore all or a portion of the net aid reductions under  
3.6 section 127A.441 and to reduce the property tax revenue recognition shift under section  
3.7 123B.75, subdivision 5, by the same amount;

3.8 ~~(5)~~ (6) the amount necessary to increase the Minnesota 21st century fund by not more  
3.9 than the difference between \$5,000,000 and the sum of the amounts credited and canceled  
3.10 to it in the previous 12 months under Laws 2020, chapter 71, article 1, section 11, until the  
3.11 sum of all transfers under this section and all amounts credited or canceled under Laws  
3.12 2020, chapter 71, article 1, section 11, equals \$20,000,000; and

3.13 ~~(6)~~ (7) for a forecast in November only, the amount remaining after the transfer under  
3.14 clause (5) must be used to reduce the percentage of accelerated June liability sales tax  
3.15 payments required under section 289A.20, subdivision 4, paragraph (b), until the percentage  
3.16 equals zero, rounded to the nearest tenth of a percent. By March 15 following the November  
3.17 forecast, the commissioner must provide the commissioner of revenue with the percentage  
3.18 of accelerated June liability owed based on the reduction required by this clause. By April  
3.19 15 each year, the commissioner of revenue must certify the percentage of June liability  
3.20 owed by vendors based on the reduction required by this clause.

3.21 (b) The amounts necessary to meet the requirements of this section are appropriated  
3.22 from the general fund within two weeks after the forecast is released or, in the case of  
3.23 transfers under paragraph (a), clauses ~~(3)~~ (4) and ~~(4)~~ (5), as necessary to meet the  
3.24 appropriations schedules otherwise established in statute.

3.25 (c) The commissioner of management and budget shall certify the total dollar amount  
3.26 of the reductions under paragraph (a), clauses ~~(3)~~ (4) and ~~(4)~~ (5), to the commissioner of  
3.27 education. The commissioner of education shall increase the aid payment percentage and  
3.28 reduce the property tax shift percentage by these amounts and apply those reductions to the  
3.29 current fiscal year and thereafter.

3.30 **Sec. 3. [16A.7241] LONG-TERM CARE ACCESS FUND.**

3.31 **Subdivision 1. Long-term care access fund established.** A long-term care access fund  
3.32 is created in the state treasury. The fund is a direct appropriated special revenue fund. The  
3.33 commissioner shall deposit to the credit of the fund money made available to the fund.

4.1 Notwithstanding section 11A.20, all investment income and all investment losses attributable  
 4.2 to the investment of the long-term care access fund not currently needed shall be credited  
 4.3 to the long-term care access fund.

4.4 Subd. 2. **Contribution amount determined.** The commissioner of management and  
 4.5 budget must determine the long-term care access fund contribution amount when preparing  
 4.6 a forecast. The long-term care access fund contribution amount is equal to any amount  
 4.7 greater than zero resulting from subtracting the state share of the projected expenditures for  
 4.8 the long-term care facility and long-term care waiver portions of the medical assistance  
 4.9 program from the state share of the most recently enacted appropriation from the general  
 4.10 fund for these portions of the medical assistance program.

4.11 Subd. 3. **Allocation of contribution amount.** If, on the basis of a forecast of general  
 4.12 fund revenues and expenditures, the commissioner of management and budget determines  
 4.13 that there will be a positive unrestricted budgetary general fund balance at the close of the  
 4.14 biennium and that there will be a long-term care access fund contribution amount at the end  
 4.15 of the biennium, the commissioner of management and budget must transfer the contribution  
 4.16 amount to the long-term care access fund in accordance with the requirements of section  
 4.17 16A.152.

4.18 Subd. 4. **Long-term services and supports funding.** The commissioner of human  
 4.19 services may expend money appropriated from the long-term care access fund for publicly  
 4.20 funded long-term services and supports and for initiatives to prevent or delay the need for  
 4.21 Minnesotans to receive publicly funded long-term care services and supports. Money  
 4.22 appropriated by law must supplement traditional sources of funding for long-term care  
 4.23 services and may not be used as a substitute for forecasted spending.

4.24 Sec. 4. Minnesota Statutes 2022, section 179A.54, is amended by adding a subdivision to  
 4.25 read:

4.26 Subd. 11. **Home Care Orientation Trust.** (a) The state and an exclusive representative  
 4.27 certified pursuant to this section may establish a joint labor and management trust, referred  
 4.28 to as the Home Care Orientation Trust, for the exclusive purpose of rendering voluntary  
 4.29 orientation training to individual providers of direct support services who are represented  
 4.30 by the exclusive representative.

4.31 (b) Financial contributions by the state to the Home Care Orientation Trust shall be made  
 4.32 by the state pursuant to a collective bargaining agreement negotiated under this section. All  
 4.33 such financial contributions by the state shall be held in trust for the purpose of paying,  
 4.34 from principal, from income, or from both, the costs associated with developing, delivering,

5.1 and promoting voluntary orientation training for individual providers of direct support  
 5.2 services working under a collective bargaining agreement and providing services through  
 5.3 a covered program under section 256B.0711. The Home Care Orientation Trust shall be  
 5.4 administered, managed, and otherwise controlled jointly by a board of trustees composed  
 5.5 of an equal number of trustees appointed by the state and trustees appointed by the exclusive  
 5.6 representative under this section. The trust shall not be an agent of either the state or of the  
 5.7 exclusive representative.

5.8 (c) Trust administrative, management, legal, and financial services may be provided to  
 5.9 the board of trustees by a third-party administrator, financial management institution, other  
 5.10 appropriate entity, or any combination thereof, as designated by the board of trustees from  
 5.11 time to time, and those services shall be paid from the money held in trust and created by  
 5.12 the state's financial contributions to the Home Care Orientation Trust.

5.13 (d) The state is authorized to purchase liability insurance for members of the board of  
 5.14 trustees appointed by the state.

5.15 (e) Financial contributions to, participation in, or both contributions to and participation  
 5.16 in the administration, management, or both the administration and management of the Home  
 5.17 Care Orientation Trust shall not be considered an unfair labor practice under section 179A.13  
 5.18 or in violation of Minnesota law.

5.19 Sec. 5. Minnesota Statutes 2022, section 245.945, is amended to read:

5.20 **245.945 REIMBURSEMENT TO OMBUDSMAN FOR MENTAL HEALTH AND**  
 5.21 **DEVELOPMENTAL DISABILITIES.**

5.22 The commissioner of human services shall obtain federal financial participation for  
 5.23 eligible medical assistance administrative activity by the ~~ombudsman for mental health and~~  
 5.24 ~~developmental disabilities~~ Office of Ombudsman for Mental Health and Developmental  
 5.25 Disabilities and remit all such money back to the office. The ombudsman shall maintain  
 5.26 and transmit to the Department of Human Services documentation that is necessary in order  
 5.27 to obtain federal funds.

5.28 Sec. 6. Minnesota Statutes 2022, section 245A.03, subdivision 7, is amended to read:

5.29 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license  
 5.30 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult  
 5.31 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter  
 5.32 for a physical location that will not be the primary residence of the license holder for the

6.1 entire period of licensure. If a family child foster care home or family adult foster care home  
 6.2 license is issued during this moratorium, and the license holder changes the license holder's  
 6.3 primary residence away from the physical location of the foster care license, the  
 6.4 commissioner shall revoke the license according to section 245A.07. The commissioner  
 6.5 shall not issue an initial license for a community residential setting licensed under chapter  
 6.6 245D. When approving an exception under this paragraph, the commissioner shall consider  
 6.7 the resource need determination process in paragraph (h), the availability of foster care  
 6.8 licensed beds in the geographic area in which the licensee seeks to operate, the results of a  
 6.9 person's choices during their annual assessment and service plan review, and the  
 6.10 recommendation of the local county board. The determination by the commissioner is final  
 6.11 and not subject to appeal. Exceptions to the moratorium include:

6.12 (1) foster care settings where at least 80 percent of the residents are 55 years of age or  
 6.13 older;

6.14 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or  
 6.15 community residential setting licenses replacing adult foster care licenses in existence on  
 6.16 December 31, 2013, and determined to be needed by the commissioner under paragraph  
 6.17 (b);

6.18 (3) new foster care licenses or community residential setting licenses determined to be  
 6.19 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,  
 6.20 or regional treatment center; restructuring of state-operated services that limits the capacity  
 6.21 of state-operated facilities; or allowing movement to the community for people who no  
 6.22 longer require the level of care provided in state-operated facilities as provided under section  
 6.23 256B.092, subdivision 13, or 256B.49, subdivision 24;

6.24 (4) new foster care licenses or community residential setting licenses determined to be  
 6.25 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;  
 6.26 ~~or~~

6.27 (5) new foster care licenses or community residential setting licenses for people receiving  
 6.28 customized living or 24-hour customized living services under the brain injury or community  
 6.29 access for disability inclusion waiver plans under section 256B.49 or elderly waiver plan  
 6.30 under chapter 256S and residing in the customized living setting ~~before July 1, 2022~~, for  
 6.31 which a license is required. A customized living service provider subject to this exception  
 6.32 may rebut the presumption that a license is required by seeking a reconsideration of the  
 6.33 commissioner's determination. The commissioner's disposition of a request for

7.1 reconsideration is final and not subject to appeal under chapter 14. The exception is available  
 7.2 until ~~June 30~~ December 31, 2023. This exception is available when:

7.3 (i) the person's customized living services are provided in a customized living service  
 7.4 setting serving four or fewer people ~~under the brain injury or community access for disability~~  
 7.5 ~~inclusion waiver plans under section 256B.49~~ in a single-family home operational on or  
 7.6 before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

7.7 (ii) the person's case manager provided the person with information about the choice of  
 7.8 service, service provider, and location of service, including in the person's home, to help  
 7.9 the person make an informed choice; and

7.10 (iii) the person's services provided in the licensed foster care or community residential  
 7.11 setting are less than or equal to the cost of the person's services delivered in the customized  
 7.12 living setting as determined by the lead agency; or

7.13 (6) new foster care licenses or community residential setting licenses for a customized  
 7.14 living setting that is a single-family home in which customized living or 24-hour customized  
 7.15 living services were authorized and delivered on June 30, 2021, under the brain injury or  
 7.16 community access for disability inclusion waiver plans under section 256B.49 or the elderly  
 7.17 waiver under chapter 256S and for which a license is required. A customized living service  
 7.18 provider subject to this exception may rebut the presumption that a license is required by  
 7.19 seeking a reconsideration of the commissioner's determination. The commissioner's  
 7.20 disposition of a request for reconsideration is final and not subject to appeal under chapter  
 7.21 14. The exception is available for any eligible setting licensed as an assisted living facility  
 7.22 under chapter 144G on or after August 1, 2021, if the assisted living licensee applies for a  
 7.23 license under chapter 245D before December 31, 2023. The initial licensed capacity of the  
 7.24 setting under this exception must be four. This exception is available when:

7.25 (i) the case manager of each resident of the customized living setting provided the person  
 7.26 with information about the choice of service, service provider, and location of service,  
 7.27 including in the person's home, to help the person make an informed choice about remaining  
 7.28 in the newly licensed setting; and

7.29 (ii) the estimated average cost of services provided in the licensed foster care or  
 7.30 community residential setting is less than or equal to the estimated average cost of services  
 7.31 delivered in the customized living setting as determined by the lead agency.

7.32 (b) The commissioner shall determine the need for newly licensed foster care homes or  
 7.33 community residential settings as defined under this subdivision. As part of the determination,  
 7.34 the commissioner shall consider the availability of foster care capacity in the area in which

8.1 the licensee seeks to operate, and the recommendation of the local county board. The  
8.2 determination by the commissioner must be final. A determination of need is not required  
8.3 for a change in ownership at the same address.

8.4 (c) When an adult resident served by the program moves out of a foster home that is not  
8.5 the primary residence of the license holder according to section 256B.49, subdivision 15,  
8.6 paragraph (f), or the adult community residential setting, the county shall immediately  
8.7 inform the Department of Human Services Licensing Division. The department may decrease  
8.8 the statewide licensed capacity for adult foster care settings.

8.9 (d) Residential settings that would otherwise be subject to the decreased license capacity  
8.10 established in paragraph (c) shall be exempt if the license holder's beds are occupied by  
8.11 residents whose primary diagnosis is mental illness and the license holder is certified under  
8.12 the requirements in subdivision 6a or section 245D.33.

8.13 (e) A resource need determination process, managed at the state level, using the available  
8.14 data required by section 144A.351, and other data and information shall be used to determine  
8.15 where the reduced capacity determined under section 256B.493 will be implemented. The  
8.16 commissioner shall consult with the stakeholders described in section 144A.351, and employ  
8.17 a variety of methods to improve the state's capacity to meet the informed decisions of those  
8.18 people who want to move out of corporate foster care or community residential settings,  
8.19 long-term service needs within budgetary limits, including seeking proposals from service  
8.20 providers or lead agencies to change service type, capacity, or location to improve services,  
8.21 increase the independence of residents, and better meet needs identified by the long-term  
8.22 services and supports reports and statewide data and information.

8.23 (f) At the time of application and reapplication for licensure, the applicant and the license  
8.24 holder that are subject to the moratorium or an exclusion established in paragraph (a) are  
8.25 required to inform the commissioner whether the physical location where the foster care  
8.26 will be provided is or will be the primary residence of the license holder for the entire period  
8.27 of licensure. If the primary residence of the applicant or license holder changes, the applicant  
8.28 or license holder must notify the commissioner immediately. The commissioner shall print  
8.29 on the foster care license certificate whether or not the physical location is the primary  
8.30 residence of the license holder.

8.31 (g) License holders of foster care homes identified under paragraph (f) that are not the  
8.32 primary residence of the license holder and that also provide services in the foster care home  
8.33 that are covered by a federally approved home and community-based services waiver, as  
8.34 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human

9.1 services licensing division that the license holder provides or intends to provide these  
9.2 waiver-funded services.

9.3 (h) The commissioner may adjust capacity to address needs identified in section  
9.4 144A.351. Under this authority, the commissioner may approve new licensed settings or  
9.5 delicense existing settings. Delicensing of settings will be accomplished through a process  
9.6 identified in section 256B.493.

9.7 (i) The commissioner must notify a license holder when its corporate foster care or  
9.8 community residential setting licensed beds are reduced under this section. The notice of  
9.9 reduction of licensed beds must be in writing and delivered to the license holder by certified  
9.10 mail or personal service. The notice must state why the licensed beds are reduced and must  
9.11 inform the license holder of its right to request reconsideration by the commissioner. The  
9.12 license holder's request for reconsideration must be in writing. If mailed, the request for  
9.13 reconsideration must be postmarked and sent to the commissioner within 20 calendar days  
9.14 after the license holder's receipt of the notice of reduction of licensed beds. If a request for  
9.15 reconsideration is made by personal service, it must be received by the commissioner within  
9.16 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

9.17 (j) The commissioner shall not issue an initial license for children's residential treatment  
9.18 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter  
9.19 for a program that Centers for Medicare and Medicaid Services would consider an institution  
9.20 for mental diseases. Facilities that serve only private pay clients are exempt from the  
9.21 moratorium described in this paragraph. The commissioner has the authority to manage  
9.22 existing statewide capacity for children's residential treatment services subject to the  
9.23 moratorium under this paragraph and may issue an initial license for such facilities if the  
9.24 initial license would not increase the statewide capacity for children's residential treatment  
9.25 services subject to the moratorium under this paragraph.

9.26 **EFFECTIVE DATE.** This section is effective retroactively from July 1, 2021.

9.27 Sec. 7. Minnesota Statutes 2022, section 245A.11, subdivision 7, is amended to read:

9.28 Subd. 7. **Adult foster care; variance for alternate overnight supervision.** (a) The  
9.29 commissioner may grant a variance under section 245A.04, subdivision 9, to rule parts  
9.30 requiring a caregiver to be present in an adult foster care home during normal sleeping hours  
9.31 to allow for alternative methods of overnight supervision. The commissioner may grant the  
9.32 variance if the local county licensing agency recommends the variance and the county  
9.33 recommendation includes documentation verifying that:

10.1 (1) the county has approved the license holder's plan for alternative methods of providing  
 10.2 overnight supervision and determined the plan protects the residents' health, safety, and  
 10.3 rights;

10.4 (2) the license holder has obtained written and signed informed consent from each  
 10.5 resident or each resident's legal representative documenting the resident's or legal  
 10.6 representative's agreement with the alternative method of overnight supervision; and

10.7 (3) the alternative method of providing overnight supervision, which may include the  
 10.8 use of technology, is specified for each resident in the resident's: (i) individualized plan of  
 10.9 care; (ii) individual service plan under section 256B.092, subdivision 1b, if required; or (iii)  
 10.10 individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart  
 10.11 19, if required.

10.12 (b) To be eligible for a variance under paragraph (a), the adult foster care license holder  
 10.13 must not have had a conditional license issued under section 245A.06, or any other licensing  
 10.14 sanction issued under section 245A.07 during the prior 24 months based on failure to provide  
 10.15 adequate supervision, health care services, or resident safety in the adult foster care home.

10.16 (c) A license holder requesting a variance under this subdivision to utilize technology  
 10.17 as a component of a plan for alternative overnight supervision may request the commissioner's  
 10.18 review in the absence of a county recommendation. Upon receipt of such a request from a  
 10.19 license holder, the commissioner shall review the variance request with the county.

10.20 (d) ~~A variance granted by the commissioner according to this subdivision before January~~  
 10.21 ~~1, 2014, to a license holder for an adult foster care home must transfer with the license when~~  
 10.22 ~~the license converts to a community residential setting license under chapter 245D. The~~  
 10.23 ~~terms and conditions of the variance remain in effect as approved at the time the variance~~  
 10.24 ~~was granted~~ The variance requirements under this subdivision for alternative overnight  
 10.25 supervision do not apply to community residential settings licensed under chapter 245D.

10.26 **EFFECTIVE DATE.** This section is effective January 1, 2024.

10.27 Sec. 8. Minnesota Statutes 2022, section 245A.11, subdivision 7a, is amended to read:

10.28 Subd. 7a. **Alternate overnight supervision technology; adult foster care and**  
 10.29 **community residential setting licenses.** (a) The commissioner may grant an applicant or  
 10.30 license holder an adult foster care ~~or community residential setting~~ license for a residence  
 10.31 that does not have a caregiver in the residence during normal sleeping hours as required  
 10.32 under Minnesota Rules, part 9555.5105, subpart 37, item B, or section 245D.02, subdivision  
 10.33 33b, but uses monitoring technology to alert the license holder when an incident occurs that

11.1 may jeopardize the health, safety, or rights of a foster care recipient. The applicant or license  
11.2 holder must comply with all other requirements under Minnesota Rules, parts 9555.5105  
11.3 to 9555.6265, or applicable requirements under chapter 245D, and the requirements under  
11.4 this subdivision. The license printed by the commissioner must state in bold and large font:

11.5 (1) that the facility is under electronic monitoring; and

11.6 (2) the telephone number of the county's common entry point for making reports of  
11.7 suspected maltreatment of vulnerable adults under section 626.557, subdivision 9.

11.8 (b) Applications for a license under this section must be submitted directly to the  
11.9 Department of Human Services licensing division. The licensing division must immediately  
11.10 notify the county licensing agency. The licensing division must collaborate with the county  
11.11 licensing agency in the review of the application and the licensing of the program.

11.12 (c) Before a license is issued by the commissioner, and for the duration of the license,  
11.13 the applicant or license holder must establish, maintain, and document the implementation  
11.14 of written policies and procedures addressing the requirements in paragraphs (d) through  
11.15 (f).

11.16 (d) The applicant or license holder must have policies and procedures that:

11.17 (1) establish characteristics of target populations that will be admitted into the home,  
11.18 and characteristics of populations that will not be accepted into the home;

11.19 (2) explain the discharge process when a resident served by the program requires  
11.20 overnight supervision or other services that cannot be provided by the license holder due  
11.21 to the limited hours that the license holder is on site;

11.22 (3) describe the types of events to which the program will respond with a physical  
11.23 presence when those events occur in the home during time when staff are not on site, and  
11.24 how the license holder's response plan meets the requirements in paragraph (e), clause (1)  
11.25 or (2);

11.26 (4) establish a process for documenting a review of the implementation and effectiveness  
11.27 of the response protocol for the response required under paragraph (e), clause (1) or (2).

11.28 The documentation must include:

11.29 (i) a description of the triggering incident;

11.30 (ii) the date and time of the triggering incident;

11.31 (iii) the time of the response or responses under paragraph (e), clause (1) or (2);

11.32 (iv) whether the response met the resident's needs;

12.1 (v) whether the existing policies and response protocols were followed; and

12.2 (vi) whether the existing policies and protocols are adequate or need modification.

12.3 When no physical presence response is completed for a three-month period, the license  
12.4 holder's written policies and procedures must require a physical presence response drill to  
12.5 be conducted for which the effectiveness of the response protocol under paragraph (e),  
12.6 clause (1) or (2), will be reviewed and documented as required under this clause; and

12.7 (5) establish that emergency and nonemergency phone numbers are posted in a prominent  
12.8 location in a common area of the home where they can be easily observed by a person  
12.9 responding to an incident who is not otherwise affiliated with the home.

12.10 (e) The license holder must document and include in the license application which  
12.11 response alternative under clause (1) or (2) is in place for responding to situations that  
12.12 present a serious risk to the health, safety, or rights of residents served by the program:

12.13 (1) response alternative (1) requires only the technology to provide an electronic  
12.14 notification or alert to the license holder that an event is underway that requires a response.  
12.15 Under this alternative, no more than ten minutes will pass before the license holder will be  
12.16 physically present on site to respond to the situation; or

12.17 (2) response alternative (2) requires the electronic notification and alert system under  
12.18 alternative (1), but more than ten minutes may pass before the license holder is present on  
12.19 site to respond to the situation. Under alternative (2), all of the following conditions are  
12.20 met:

12.21 (i) the license holder has a written description of the interactive technological applications  
12.22 that will assist the license holder in communicating with and assessing the needs related to  
12.23 the care, health, and safety of the foster care recipients. This interactive technology must  
12.24 permit the license holder to remotely assess the well being of the resident served by the  
12.25 program without requiring the initiation of the foster care recipient. Requiring the foster  
12.26 care recipient to initiate a telephone call does not meet this requirement;

12.27 (ii) the license holder documents how the remote license holder is qualified and capable  
12.28 of meeting the needs of the foster care recipients and assessing foster care recipients' needs  
12.29 under item (i) during the absence of the license holder on site;

12.30 (iii) the license holder maintains written procedures to dispatch emergency response  
12.31 personnel to the site in the event of an identified emergency; and

12.32 (iv) each resident's individualized plan of care, support plan under sections 256B.0913,  
12.33 subdivision 8; 256B.092, subdivision 1b; 256B.49, subdivision 15; and 256S.10, if required,

13.1 or individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart  
13.2 19, if required, identifies the maximum response time, which may be greater than ten minutes,  
13.3 for the license holder to be on site for that resident.

13.4 (f) Each resident's placement agreement, individual service agreement, and plan must  
13.5 clearly state that the adult foster care ~~or community residential setting~~ license category is  
13.6 a program without the presence of a caregiver in the residence during normal sleeping hours;  
13.7 the protocols in place for responding to situations that present a serious risk to the health,  
13.8 safety, or rights of residents served by the program under paragraph (e), clause (1) or (2);  
13.9 and a signed informed consent from each resident served by the program or the person's  
13.10 legal representative documenting the person's or legal representative's agreement with  
13.11 placement in the program. If electronic monitoring technology is used in the home, the  
13.12 informed consent form must also explain the following:

13.13 (1) how any electronic monitoring is incorporated into the alternative supervision system;

13.14 (2) the backup system for any electronic monitoring in times of electrical outages or  
13.15 other equipment malfunctions;

13.16 (3) how the caregivers or direct support staff are trained on the use of the technology;

13.17 (4) the event types and license holder response times established under paragraph (e);

13.18 (5) how the license holder protects each resident's privacy related to electronic monitoring  
13.19 and related to any electronically recorded data generated by the monitoring system. A  
13.20 resident served by the program may not be removed from a program under this subdivision  
13.21 for failure to consent to electronic monitoring. The consent form must explain where and  
13.22 how the electronically recorded data is stored, with whom it will be shared, and how long  
13.23 it is retained; and

13.24 (6) the risks and benefits of the alternative overnight supervision system.

13.25 The written explanations under clauses (1) to (6) may be accomplished through  
13.26 cross-references to other policies and procedures as long as they are explained to the person  
13.27 giving consent, and the person giving consent is offered a copy.

13.28 (g) Nothing in this section requires the applicant or license holder to develop or maintain  
13.29 separate or duplicative policies, procedures, documentation, consent forms, or individual  
13.30 plans that may be required for other licensing standards, if the requirements of this section  
13.31 are incorporated into those documents.

13.32 (h) The commissioner may grant variances to the requirements of this section according  
13.33 to section 245A.04, subdivision 9.

14.1 (i) For the purposes of paragraphs (d) through (h), "license holder" has the meaning  
14.2 under section 245A.02, subdivision 9, and additionally includes all staff, volunteers, and  
14.3 contractors affiliated with the license holder.

14.4 (j) For the purposes of paragraph (e), the terms "assess" and "assessing" mean to remotely  
14.5 determine what action the license holder needs to take to protect the well-being of the foster  
14.6 care recipient.

14.7 (k) The commissioner shall evaluate license applications using the requirements in  
14.8 paragraphs (d) to (f). The commissioner shall provide detailed application forms, including  
14.9 a checklist of criteria needed for approval.

14.10 (l) To be eligible for a license under paragraph (a), the adult foster care ~~or community~~  
14.11 ~~residential setting~~ license holder must not have had a conditional license issued under section  
14.12 245A.06 or any licensing sanction under section 245A.07 during the prior 24 months based  
14.13 on failure to provide adequate supervision, health care services, or resident safety in the  
14.14 adult foster care home ~~or community residential setting~~.

14.15 (m) The commissioner shall review an application for an alternative overnight supervision  
14.16 license within 60 days of receipt of the application. When the commissioner receives an  
14.17 application that is incomplete because the applicant failed to submit required documents or  
14.18 that is substantially deficient because the documents submitted do not meet licensing  
14.19 requirements, the commissioner shall provide the applicant written notice that the application  
14.20 is incomplete or substantially deficient. In the written notice to the applicant, the  
14.21 commissioner shall identify documents that are missing or deficient and give the applicant  
14.22 45 days to resubmit a second application that is substantially complete. An applicant's failure  
14.23 to submit a substantially complete application after receiving notice from the commissioner  
14.24 is a basis for license denial under section 245A.05. The commissioner shall complete  
14.25 subsequent review within 30 days.

14.26 (n) Once the application is considered complete under paragraph (m), the commissioner  
14.27 will approve or deny an application for an alternative overnight supervision license within  
14.28 60 days.

14.29 (o) For the purposes of this subdivision, "supervision" means:

14.30 (1) oversight by a caregiver or direct support staff as specified in the individual resident's  
14.31 place agreement or support plan and awareness of the resident's needs and activities; and

14.32 (2) the presence of a caregiver or direct support staff in a residence during normal sleeping  
14.33 hours, unless a determination has been made and documented in the individual's support

15.1 plan that the individual does not require the presence of a caregiver or direct support staff  
 15.2 during normal sleeping hours.

15.3 **EFFECTIVE DATE.** This section is effective January 1, 2024.

15.4 Sec. 9. **[245D.261] COMMUNITY RESIDENTIAL SETTINGS; REMOTE**  
 15.5 **OVERNIGHT SUPERVISION.**

15.6 Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have  
 15.7 the meanings given, unless otherwise specified.

15.8 (b) "Resident" means an adult residing in a community residential setting.

15.9 (c) "Technology" means:

15.10 (1) enabling technology, which is a device capable of live two-way communication or  
 15.11 engagement between a resident and direct support staff at a remote location; or

15.12 (2) monitoring technology, which is the use of equipment to oversee, monitor, and  
 15.13 supervise an individual who receives medical assistance waiver or alternative care services  
 15.14 under section 256B.0913, 256B.092, or chapter 256S.

15.15 Subd. 2. **Documentation of permissible remote overnight supervision.** A license  
 15.16 holder providing remote overnight supervision in a community residential setting in lieu of  
 15.17 on-site direct support staff must comply with the requirements of this chapter, including  
 15.18 the requirement under section 245D.02, subdivision 33b, paragraph (a), clause (3), that the  
 15.19 absence of direct support staff from the community residential setting while services are  
 15.20 being delivered must be documented in the resident's support plan or support plan addendum.

15.21 Subd. 3. **Provider requirements for remote overnight supervision; commissioner**  
 15.22 **notification.** (a) A license holder providing remote overnight supervision in a community  
 15.23 residential setting must:

15.24 (1) use technology;

15.25 (2) notify the commissioner of the community residential setting's intent to use technology  
 15.26 in lieu of on-site staff. The notification must:

15.27 (i) indicate a start date for the use of technology; and

15.28 (ii) attest that all requirements under this section are met and policies required under  
 15.29 subdivision 4 are available upon request;

15.30 (3) clearly state in each person's support plan addendum that the community residential  
 15.31 setting is a program without the in-person presence of overnight direct support;

16.1 (4) include with each person's support plan addendum the license holder's protocols for  
16.2 responding to situations that present a serious risk to the health, safety, or rights of residents  
16.3 served by the program; and

16.4 (5) include in each person's support plan addendum the person's maximum permissible  
16.5 response time as determined by the person's support team.

16.6 (b) Upon being notified via technology that an incident has occurred that may jeopardize  
16.7 the health, safety, or rights of a resident, the license holder must conduct an evaluation of  
16.8 the need for the physical presence of a staff member. If a physical presence is needed, a  
16.9 staff person, volunteer, or contractor must be on site to respond to the situation within the  
16.10 resident's maximum permissible response time.

16.11 (c) A license holder must notify the commissioner if remote overnight supervision  
16.12 technology will no longer be used by the license holder.

16.13 (d) Upon receipt of notification of use of remote overnight supervision or discontinuation  
16.14 of use of remote overnight supervision by a license holder, the commissioner shall notify  
16.15 the county licensing agency and update the license.

16.16 **Subd. 4. Required policies and procedures for remote overnight supervision.** (a) A  
16.17 license holder providing remote overnight supervision must have policies and procedures  
16.18 that:

16.19 (1) protect the residents' health, safety, and rights;

16.20 (2) explain the discharge process if a person served by the program requires in-person  
16.21 supervision or other services that cannot be provided by the license holder due to the limited  
16.22 hours that direct support staff are on site;

16.23 (3) explain the backup system for technology in times of electrical outages or other  
16.24 equipment malfunctions;

16.25 (4) explain how the license holder trains the direct support staff on the use of the  
16.26 technology; and

16.27 (5) establish a plan for dispatching emergency response personnel to the site in the event  
16.28 of an identified emergency.

16.29 (b) Nothing in this section requires the license holder to develop or maintain separate  
16.30 or duplicative policies, procedures, documentation, consent forms, or individual plans that  
16.31 may be required for other licensing standards if the requirements of this section are  
16.32 incorporated into those documents.

17.1 (c) When no physical presence response is completed for a three-month period, the  
 17.2 license holder must conduct a physical presence response drill. The effectiveness of the  
 17.3 response protocol must be reviewed and documented.

17.4 Subd. 5. **Consent to use of monitoring technology.** If a license holder uses monitoring  
 17.5 technology in a community residential setting, the license holder must obtain a signed  
 17.6 informed consent form from each resident served by the program or the resident's legal  
 17.7 representative documenting the resident's or legal representative's agreement to use of the  
 17.8 specific monitoring technology used in the setting. The informed consent form documenting  
 17.9 this agreement must also explain:

17.10 (1) how the license holder uses monitoring technology to provide remote supervision;

17.11 (2) the risks and benefits of using monitoring technology;

17.12 (3) how the license holder protects each resident's privacy while monitoring technology  
 17.13 is being used in the setting; and

17.14 (4) how the license holder protects each resident's privacy when the monitoring  
 17.15 technology system electronically records personally identifying data.

17.16 **EFFECTIVE DATE.** This section is effective January 1, 2024.

74.23 (4) issue guidance for shared services, including:

74.24 (i) informed choice for all individuals sharing the services;

75.25 Subd. 3. **Stakeholder engagement and consultation.** (a) The commissioner must  
 75.26 proactively solicit participation in the development of the life-sharing medical assistance

77.17 clause (5).

77.18 (d) The commissioner must increase to four the licensed capacity of any setting for  
77.19 which the commissioner issued a license under Minnesota Statutes, section 245A.03,

 79.2 and community-based services in Minnesota in order to:

79.3 (1) reach older adults early in the progression of their need for long-term services and

 79.27 costs including, but not limited to, start-up and training costs, equipment, and supplies  
 79.28 related to older adult services or other residential or service alternatives to nursing facility  
 79.29 care. Grants may also be made to renovate current buildings, provide transportation services,  
 79.30 fund programs that would allow older adults or individuals with a disability to stay in their  
 79.31 own homes by sharing a home, fund programs that coordinate and manage formal and  
 79.32 informal services to older adults in their homes to enable them to live as independently as

80.1 possible in their own homes as an alternative to nursing home care, or expand state-funded  
80.2 programs in the area.

80.3 Subd. 3a. **Priority for other grants.** The commissioner of health shall give priority to  
80.4 a grantee selected under subdivision 3 when awarding technology-related grants, if the  
80.5 grantee is using technology as part of the proposal unless that priority conflicts with existing  
80.6 state or federal guidance related to grant awards by the Department of Health. The  
80.7 commissioner of transportation shall give priority to a grantee under subdivision 3 when  
80.8 distributing transportation-related funds to create transportation options for older adults  
80.9 unless that preference conflicts with existing state or federal guidance related to grant awards  
80.10 by the Department of Transportation.

80.11 Subd. 3b. **State waivers.** The commissioner of health may waive applicable state laws  
80.12 and rules for grantees under subdivision 3 on a time-limited basis if the commissioner of

81.9 individual with dementia.

81.10 (e) Project money may not be used to supplant existing funding sources.

81.11 Subd. 3d. **Core home and community-based services projects.** The commissioner  
81.12 shall select and contract with core home and community-based services providers for projects  
81.13 to provide services and supports to older adults both with and without family and other  
81.14 informal caregivers using a request for proposals process. Projects must:

81.15 (1) have a credible public or private nonprofit sponsor providing ongoing financial  
81.16 support;

81.17 (2) have a specific, clearly defined geographic service area;

81.18 (3) use a practice framework designed to identify high-risk older adults and help them  
81.19 take action to better manage their chronic conditions and maintain their community living;

81.20 (4) have a team approach to coordination and care, ensuring that the older adult  
81.21 participants, their families, and the formal and informal providers are all part of planning  
81.22 and providing services;

81.23 (5) provide information, support services, homemaking services, counseling, and training  
81.24 for the older adults and family caregivers;

81.28 appropriate support to older adults and their caregivers; and

82.1 Subd. 3e. **Community service grants.** The commissioner shall award contracts for  
 82.2 grants to public and private nonprofit agencies to establish services that strengthen a  
 82.3 community's ability to provide a system of home and community-based services for elderly  
 82.4 persons. The commissioner shall use a request for proposals process.

82.5 Subd. 3f. **Live well at home grants extension.** (a) A community or organization that

 82.7 has proven to be successful and that is no longer eligible for funding under subdivision 3c,  
 82.8 3d, or 3e may apply to the commissioner to receive ongoing funding to sustain the project.

82.15 (c) The commissioner shall use a request for proposals process and may use a two-year  
 82.16 grant cycle.

82.17 **Subd. 4. Eligibility.** Grants may be awarded only to communities and providers or to a  
 82.18 consortium of providers that have a local match of 50 percent of the costs for the project in  
 82.19 the form of donations, local tax dollars, in-kind donations, fundraising, or other local matches.

82.20 **Subd. 5. Grant preference.** The commissioner of human services shall give preference  
 82.21 when awarding grants under this section to areas where nursing facility closures have  
 82.22 occurred or are occurring or areas with service needs identified by section 144A.351. The  
 82.23 commissioner may award grants to the extent grant funds are available and to the extent  
 82.24 applications are approved by the commissioner. Denial of approval of an application in one  
 82.25 year does not preclude submission of an application in a subsequent year. The maximum  
 82.26 grant amount is limited to \$750,000.

82.27 **Sec. 2. [256.9756] CAREGIVER RESPITE SERVICES GRANTS.**

82.28 Subdivision 1. **Caregiver respite grant program established.** The commissioner of  
 82.29 human services must establish a caregiver respite services grant program to increase the  
 82.30 availability of respite services for family caregivers of people with dementia and older adults  
 82.31 and to provide information, education, and training to respite caregivers and volunteers  
 82.32 regarding caring for people with dementia. From the money made available for this purpose,

83.1 the commissioner must award grants on a competitive basis to respite service providers,  
 83.2 giving priority to areas of the state where there is a high need of respite services.

83.3 Subd. 2. **Eligible uses.** Grant recipients awarded grant money under this section must  
 83.4 use a portion of the grant award as determined by the commissioner to provide free or  
 83.5 subsidized respite services for family caregivers of people with dementia and older adults.

83.6 Subd. 3. **Report.** By January 15, 2026, and every other January 15 thereafter, the  
 83.7 commissioner shall submit a progress report about the caregiver respite services grants in  
 83.8 this section to the chairs and ranking minority members of the legislative committees and  
 83.9 divisions with jurisdiction over human services. The progress report must include metrics  
 83.10 of the use of grant program money.

83.11 Sec. 3. Minnesota Statutes 2022, section 256B.0913, subdivision 4, is amended to read:

83.12 Subd. 4. **Eligibility for funding for services for nonmedical assistance recipients.** (a)  
 83.13 Funding for services under the alternative care program is available to persons who meet  
 83.14 the following criteria:

83.15 (1) the person is a citizen of the United States or a United States national;

83.16 (2) the person has been determined by a community assessment under section 256B.0911  
 83.17 to be a person who would require the level of care provided in a nursing facility, as  
 83.18 determined under section 256B.0911, subdivision 26, but for the provision of services under  
 83.19 the alternative care program;

83.20 (3) the person is age 65 or older;

83.21 (4) the person would be eligible for medical assistance within 135 days of admission to  
 83.22 a nursing facility;

83.23 (5) the person is not ineligible for the payment of long-term care services by the medical  
 83.24 assistance program due to an asset transfer penalty under section 256B.0595 or equity  
 83.25 interest in the home exceeding \$500,000 as stated in section 256B.056;

83.26 (6) the person needs long-term care services that are not funded through other state or  
 83.27 federal funding, or other health insurance or other third-party insurance such as long-term  
 83.28 care insurance;

83.29 (7) except for individuals described in clause (8), the monthly cost of the alternative  
 83.30 care services funded by the program for this person does not exceed 75 percent of the  
 83.31 monthly limit described under section 256S.18. This monthly limit does not prohibit the  
 83.32 alternative care client from payment for additional services, but in no case may the cost of

84.1 additional services purchased under this section exceed the difference between the client's  
84.2 monthly service limit defined under section 256S.04, and the alternative care program  
84.3 monthly service limit defined in this paragraph. If care-related supplies and equipment or  
84.4 environmental modifications and adaptations are or will be purchased for an alternative  
84.5 care services recipient, the costs may be prorated on a monthly basis for up to 12 consecutive  
84.6 months beginning with the month of purchase. If the monthly cost of a recipient's other  
84.7 alternative care services exceeds the monthly limit established in this paragraph, the annual  
84.8 cost of the alternative care services shall be determined. In this event, the annual cost of  
84.9 alternative care services shall not exceed 12 times the monthly limit described in this  
84.10 paragraph;

84.11 (8) for individuals assigned a case mix classification A as described under section  
84.12 256S.18, with (i) no dependencies in activities of daily living, or (ii) up to two dependencies  
84.13 in bathing, dressing, grooming, walking, and eating when the dependency score in eating  
84.14 is three or greater as determined by an assessment performed under section 256B.0911, the  
84.15 monthly cost of alternative care services funded by the program cannot exceed \$593 per  
84.16 month for all new participants enrolled in the program on or after July 1, 2011. This monthly  
84.17 limit shall be applied to all other participants who meet this criteria at reassessment. This  
84.18 monthly limit shall be increased annually as described in section 256S.18. This monthly  
84.19 limit does not prohibit the alternative care client from payment for additional services, but  
84.20 in no case may the cost of additional services purchased exceed the difference between the  
84.21 client's monthly service limit defined in this clause and the limit described in clause (7) for  
84.22 case mix classification A; ~~and~~

84.23 (9) the person is making timely payments of the assessed monthly fee. A person is  
84.24 ineligible if payment of the fee is over 60 days past due, unless the person agrees to:

84.25 (i) the appointment of a representative payee;

84.26 (ii) automatic payment from a financial account;

84.27 (iii) the establishment of greater family involvement in the financial management of  
84.28 payments; or

84.29 (iv) another method acceptable to the lead agency to ensure prompt fee payments; and

 114.18 Minnesota Statutes, section 256.9756. The commissioner may begin the grant application  
 114.19 process for awarding grants under Minnesota Statutes, section 256.9756, during fiscal year  
 114.20 2024 in order to facilitate the continuity of the grant program during the transition from a  
 114.21 temporary program to a permanent one.

114.22 **Sec. 49. NURSING FACILITY FUNDING.**

114.23 (a) Effective July 1, 2023, through June 30, 2025, the total payment rate for all facilities  
 114.24 reimbursed under Minnesota Statutes, chapter 256R, must be increased by an amount per  
 114.25 resident day equal to a net state general fund expenditure of \$37,045,000 in fiscal year 2024  
 114.26 and \$37,045,000 in fiscal year 2025. Effective July 1, 2025, the total payment rate for all  
 114.27 facilities reimbursed under Minnesota Statutes, chapter 256R, must be increased by an  
 114.28 amount per resident day equal to a net state expenditure of \$23,698,000 per fiscal year. The  
 114.29 rate increases under this paragraph are add-ons to the facilities' rates calculated under  
 114.30 Minnesota Statutes, chapter 256R.

114.31 (b) To be eligible to receive a payment under this section, a nursing facility must attest  
 114.32 to the commissioner of human services that the additional revenue will be used exclusively

115.1 to increase compensation-related costs for employees directly employed by the facility on  
115.2 or after July 1, 2023, excluding:

115.3 (1) owners of the building and operation;

115.4 (2) persons employed in the central office of an entity that has any ownership interest  
115.5 in the nursing facility or exercises control over the nursing facility;

115.6 (3) persons paid by the nursing facility under a management contract; and

115.7 (4) persons providing separately billable services.

115.8 (c) Contracted housekeeping, dietary, and laundry employees providing services on site  
115.9 at the nursing facility are eligible for compensation-related cost increases under this section,  
115.10 provided the agency that employs them submits to the nursing facility proof of the costs of  
115.11 the increases provided to those employees.

115.12 (d) For purposes of this section, compensation-related costs include:

115.13 (1) permanent new increases to wages and salaries implemented on or after July 1, 2023,  
115.14 and before September 1, 2023, for nursing facility employees;

115.15 (2) permanent new increases to wages and salaries implemented on or after July 1, 2023,  
115.16 and before September 1, 2023, for employees in the organization's shared services  
115.17 departments of hospital-attached nursing facilities for the nursing facility allocated share  
115.18 of wages; and

115.19 (3) the employer's share of FICA taxes, Medicare taxes, state and federal unemployment  
115.20 taxes, PERA, workers' compensation, and pension and employee retirement accounts directly  
115.21 associated with the wage and salary increases in clauses (1) and (2) incurred no later than  
115.22 December 31, 2025, and paid for no later than June 30, 2026.

115.23 (e) A facility that receives a rate increase under this section must complete a distribution  
115.24 plan in the form and manner determined by the commissioner. This plan must specify the  
115.25 total amount of money the facility is estimated to receive from this rate increase and how  
115.26 that money will be distributed to increase the allowable compensation-related costs described  
115.27 in paragraph (d) for employees described in paragraphs (b) and (c). This estimate must be  
115.28 computed by multiplying \$28.65 by the sum of the medical assistance and private pay  
115.29 resident days as defined in Minnesota Statutes, section 256R.02, subdivision 45, for the  
115.30 period beginning October 1, 2021, through September 30, 2022, dividing this sum by 365  
115.31 and multiplying the result by 915. A facility must submit its distribution plan to the  
115.32 commissioner by October 1, 2023. The commissioner may review the distribution plan to  
115.33 ensure that the payment rate adjustment per resident day is used in accordance with this

116.1 section. The commissioner may allow for a distribution plan amendment under exceptional  
116.2 circumstances to be determined at the sole discretion of the commissioner.

116.3 (f) By September 1, 2023, a facility must post the distribution plan summary and leave  
116.4 it posted for a period of at least six months in an area of the facility to which all employees  
116.5 have access. The posted distribution plan summary must be in the form and manner  
116.6 determined by the commissioner. The distribution plan summary must include instructions  
116.7 regarding how to contact the commissioner, or the commissioner's representative, if an  
116.8 employee believes the employee is covered by paragraph (b) or (c) and has not received the  
116.9 compensation-related increases described in paragraph (d). The instruction to such employees  
116.10 must include the e-mail address and telephone number that may be used by the employee  
116.11 to contact the commissioner's representative. The posted distribution plan summary must  
116.12 demonstrate how the increase in paragraph (a) received by the nursing facility from July 1,  
116.13 2023, through December 1, 2025, will be used in full to pay the compensation-related costs  
116.14 in paragraph (d) for employees described in paragraphs (b) and (c).

116.15 (g) If the nursing facility expends less on new compensation-related costs than the amount  
116.16 that was made available by the rate increase in this section for that purpose, the amount of  
116.17 this rate adjustment must be reduced to equal the amount utilized by the facility for purposes  
116.18 authorized under this section. If the facility fails to post the distribution plan summary in  
116.19 its facility as required, fails to submit its distribution plan to the commissioner by the due  
116.20 date, or uses the money for unauthorized purposes, these rate increases must be treated as  
116.21 an overpayment and subsequently recovered.

116.22 (h) The commissioner shall not treat payments received under this section as an applicable  
116.23 credit for purposes of setting total payment rates under Minnesota Statutes, chapter 256R.

116.24 **EFFECTIVE DATE.** This section is effective July 1, 2023, or upon federal approval,  
116.25 whichever is later. The commissioner of human services shall notify the revisor of statutes  
116.26 when federal approval is obtained.

116.27 Sec. 50. **INCREASED MEDICAL ASSISTANCE INCOME LIMIT FOR OLDER**  
116.28 **ADULTS AND PERSONS WITH DISABILITIES.**

116.29 Effective July 1, 2023, the commissioner of human services must increase the income  
116.30 limit under Minnesota Statutes, section 256B.056, subdivision 4, paragraph (a), to a level  
116.31 that is projected to result in a net cost to the state of \$5,000,000 for the 2026-2027 biennium.

117.1 **Sec. 51. RETURN FORECASTED FUNDS TO NURSING FACILITIES.**

117.2 (a) The commissioner shall use the estimated total annual payments for nursing facilities  
117.3 from the Department of Human Services February 2023 forecast for fiscal years 2023, 2024,  
117.4 2025, 2026, and 2027 for the rate add-ons as directed in paragraphs (b) to (f). The add-ons  
117.5 described below are only implemented when they result in an increase.

117.6 (b) For the year beginning January 1, 2024, the commissioner shall determine the amount  
117.7 of unspent forecast funds by subtracting the actual total annual state, federal, and county  
117.8 payments for fiscal year 2023 from the amount specified in paragraph (a) for 2023. The  
117.9 amount shall be converted into an equal per resident day increase and applied as an add-on  
117.10 to all nursing facilities' rates.

117.11 (c) For the year beginning January 1, 2025, the commissioner shall determine the amount  
117.12 of unspent forecast funds by subtracting the actual total annual state, federal, and county  
117.13 payments for fiscal year 2024 from the amount specified in paragraph (a) for 2024. The  
117.14 amount shall be converted into an equal per resident day increase and applied as an add-on  
117.15 to all nursing facilities' rates.

117.16 (d) For the year beginning January 1, 2026, the commissioner shall determine the amount  
117.17 of unspent forecast funds by subtracting the actual total annual state, federal, and county  
117.18 payments for fiscal year 2025 from the amount specified in paragraph (a) for 2025. The  
117.19 amount shall be converted into an equal per resident day increase and applied as an add-on  
117.20 to all nursing facilities' rates.

117.21 (e) For the year beginning January 1, 2027, the commissioner shall determine the amount  
117.22 of unspent forecast funds by subtracting the actual total annual state, federal, and county  
117.23 payments for fiscal year 2026 from the amount specified in paragraph (a) for 2026. The  
117.24 amount shall be converted into an equal per resident day increase and applied as an add-on  
117.25 to all nursing facilities' rates.

117.26 (f) For the year beginning January 1, 2028, the commissioner shall determine the amount  
117.27 of unspent forecast funds by subtracting the actual total annual state, federal, and county  
117.28 payments for fiscal year 2027 from the amount specified in paragraph (a) for 2027. The  
117.29 amount shall be converted into an equal per resident day increase and applied as an add-on  
117.30 to all nursing facilities' rates.

118.1 Sec. 52. **SENIOR HOUSING-RELATED STRESS AND MENTAL HEALTH**  
118.2 **PREVENTION.**

118.3 (a) In order to prevent inordinate mental health stress and financial distress for seniors  
118.4 and persons with disabilities, effective for any lease agreement entered into on or after July  
118.5 1, 2023, any properties owned by a corporation founded in 1992; domiciled in Minnesota,  
118.6 with over 38,000 properties in 19 states as of January 1, 2023; and leasing properties in  
118.7 Coon Rapids, Blaine, Champlin, and elsewhere in Minnesota must not increase rents by  
118.8 over three percent per year for any resident.

118.9 (b) Any rent increases for residents of a property described in paragraph (a) exceeding  
118.10 three percent per year effective on or after January 1, 2022, must be credited by the  
118.11 corporation described in paragraph (a) to the affected lessees.

118.12 (c) Any fees charged to residents of a property described in paragraph (a) for repairs  
118.13 occurring on or after July 1, 2023, must not exceed actual costs.

118.26 January 1, 2024.

119.1

**ARTICLE 3**

119.2

**HEALTH CARE**

119.3 Section 1. Minnesota Statutes 2022, section 252.27, subdivision 2a, is amended to read:

119.4 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor child,  
119.5 not including a child determined eligible for medical assistance without consideration of  
119.6 parental income under the Tax Equity and Fiscal Responsibility Act (TEFRA) option or a  
119.7 child accessing home and community-based waiver services, must contribute to the cost of  
119.8 services used by making monthly payments on a sliding scale based on income, unless the  
119.9 child is married or has been married, parental rights have been terminated, or the child's  
119.10 adoption is subsidized according to chapter 259A or through title IV-E of the Social Security  
119.11 Act. The parental contribution is a partial or full payment for medical services provided for  
119.12 diagnostic, therapeutic, curing, treating, mitigating, rehabilitation, maintenance, and personal  
119.13 care services as defined in United States Code, title 26, section 213, needed by the child  
119.14 with a chronic illness or disability.

119.15 (b) For households with adjusted gross income equal to or greater than 275 percent of  
119.16 federal poverty guidelines, the parental contribution shall be computed by applying the  
119.17 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

119.18 (1) if the adjusted gross income is equal to or greater than 275 percent of federal poverty  
119.19 guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental  
119.20 contribution shall be determined using a sliding fee scale established by the commissioner  
119.21 of human services which begins at 1.65 percent of adjusted gross income at 275 percent of  
119.22 federal poverty guidelines and increases to 4.5 percent of adjusted gross income for those  
119.23 with adjusted gross income up to 545 percent of federal poverty guidelines;

119.24 (2) if the adjusted gross income is greater than 545 percent of federal poverty guidelines  
119.25 and less than 675 percent of federal poverty guidelines, the parental contribution shall be  
119.26 4.5 percent of adjusted gross income;

119.27 (3) if the adjusted gross income is equal to or greater than 675 percent of federal poverty  
119.28 guidelines and less than 975 percent of federal poverty guidelines, the parental contribution  
119.29 shall be determined using a sliding fee scale established by the commissioner of human  
119.30 services which begins at 4.5 percent of adjusted gross income at 675 percent of federal  
119.31 poverty guidelines and increases to 5.99 percent of adjusted gross income for those with  
119.32 adjusted gross income up to 975 percent of federal poverty guidelines; and

119.33 (4) if the adjusted gross income is equal to or greater than 975 percent of federal poverty  
119.34 guidelines, the parental contribution shall be 7.49 percent of adjusted gross income.

120.1 If the child lives with the parent, the annual adjusted gross income is reduced by \$2,400  
120.2 prior to calculating the parental contribution. If the child resides in an institution specified  
120.3 in section 256B.35, the parent is responsible for the personal needs allowance specified  
120.4 under that section in addition to the parental contribution determined under this section.  
120.5 The parental contribution is reduced by any amount required to be paid directly to the child  
120.6 pursuant to a court order, but only if actually paid.

120.7 (c) The household size to be used in determining the amount of contribution under  
120.8 paragraph (b) includes natural and adoptive parents and their dependents, including the  
120.9 child receiving services. Adjustments in the contribution amount due to annual changes in  
120.10 the federal poverty guidelines shall be implemented on the first day of July following  
120.11 publication of the changes.

120.12 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the  
120.13 natural or adoptive parents determined according to the previous year's federal tax form,  
120.14 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds  
120.15 have been used to purchase a home shall not be counted as income.

120.16 (e) The contribution shall be explained in writing to the parents at the time eligibility  
120.17 for services is being determined. The contribution shall be made on a monthly basis effective  
120.18 with the first month in which the child receives services. Annually upon redetermination  
120.19 or at termination of eligibility, if the contribution exceeded the cost of services provided,  
120.20 the local agency or the state shall reimburse that excess amount to the parents, either by  
120.21 direct reimbursement if the parent is no longer required to pay a contribution, or by a  
120.22 reduction in or waiver of parental fees until the excess amount is exhausted. All  
120.23 reimbursements must include a notice that the amount reimbursed may be taxable income  
120.24 if the parent paid for the parent's fees through an employer's health care flexible spending  
120.25 account under the Internal Revenue Code, section 125, and that the parent is responsible  
120.26 for paying the taxes owed on the amount reimbursed.

120.27 (f) The monthly contribution amount must be reviewed at least every 12 months; when  
120.28 there is a change in household size; and when there is a loss of or gain in income from one  
120.29 month to another in excess of ten percent. The local agency shall mail a written notice 30  
120.30 days in advance of the effective date of a change in the contribution amount. A decrease in  
120.31 the contribution amount is effective in the month that the parent verifies a reduction in  
120.32 income or change in household size.

120.33 (g) Parents of a minor child who do not live with each other shall each pay the  
120.34 contribution required under paragraph (a). An amount equal to the annual court-ordered

121.1 child support payment actually paid on behalf of the child receiving services shall be deducted  
121.2 from the adjusted gross income of the parent making the payment prior to calculating the  
121.3 parental contribution under paragraph (b).

121.4 (h) The contribution under paragraph (b) shall be increased by an additional five percent  
121.5 if the local agency determines that insurance coverage is available but not obtained for the  
121.6 child. For purposes of this section, "available" means the insurance is a benefit of employment  
121.7 for a family member at an annual cost of no more than five percent of the family's annual  
121.8 income. For purposes of this section, "insurance" means health and accident insurance  
121.9 coverage, enrollment in a nonprofit health service plan, health maintenance organization,  
121.10 self-insured plan, or preferred provider organization.

121.11 Parents who have more than one child receiving services shall not be required to pay  
121.12 more than the amount for the child with the highest expenditures. There shall be no resource  
121.13 contribution from the parents. The parent shall not be required to pay a contribution in  
121.14 excess of the cost of the services provided to the child, not counting payments made to  
121.15 school districts for education-related services. Notice of an increase in fee payment must  
121.16 be given at least 30 days before the increased fee is due.

121.17 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if, in  
121.18 the 12 months prior to July 1:

121.19 (1) the parent applied for insurance for the child;

121.20 (2) the insurer denied insurance;

121.21 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted a  
121.22 complaint or appeal, in writing, to the commissioner of health or the commissioner of  
121.23 commerce, or litigated the complaint or appeal; and

121.24 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

121.25 For purposes of this section, "insurance" has the meaning given in paragraph (h).

121.26 A parent who has requested a reduction in the contribution amount under this paragraph  
121.27 shall submit proof in the form and manner prescribed by the commissioner or county agency,  
121.28 including, but not limited to, the insurer's denial of insurance, the written letter or complaint  
121.29 of the parents, court documents, and the written response of the insurer approving insurance.  
121.30 The determinations of the commissioner or county agency under this paragraph are not rules  
121.31 subject to chapter 14.

122.1 Sec. 2. Minnesota Statutes 2022, section 256B.04, is amended by adding a subdivision to  
122.2 read:

122.3 Subd. 26. **Notice of employed persons with disabilities program.** At the time of initial  
122.4 enrollment and at least annually thereafter, the commissioner shall provide information on  
122.5 the medical assistance program for employed persons with disabilities under section  
122.6 256B.057, subdivision 9, to all medical assistance enrollees who indicate they have a  
122.7 disability.

122.8 Sec. 3. Minnesota Statutes 2022, section 256B.056, subdivision 3, is amended to read:

122.9 Subd. 3. **Asset limitations for certain individuals.** (a) To be eligible for medical  
122.10 assistance, a person must not individually own more than \$3,000 in assets, or if a member  
122.11 of a household with two family members, husband and wife, or parent and child, the  
122.12 household must not own more than \$6,000 in assets, plus \$200 for each additional legal  
122.13 dependent. In addition to these maximum amounts, an eligible individual or family may  
122.14 accrue interest on these amounts, but they must be reduced to the maximum at the time of  
122.15 an eligibility redetermination. The accumulation of the clothing and personal needs allowance  
122.16 according to section 256B.35 must also be reduced to the maximum at the time of the  
122.17 eligibility redetermination. The value of assets that are not considered in determining  
122.18 eligibility for medical assistance is the value of those assets excluded under the Supplemental  
122.19 Security Income program for aged, blind, and disabled persons, with the following  
122.20 exceptions:

122.21 (1) household goods and personal effects are not considered;

122.22 (2) capital and operating assets of a trade or business that the local agency determines  
122.23 are necessary to the person's ability to earn an income are not considered;

122.24 (3) motor vehicles are excluded to the same extent excluded by the Supplemental Security  
122.25 Income program;

122.26 (4) assets designated as burial expenses are excluded to the same extent excluded by the  
122.27 Supplemental Security Income program. Burial expenses funded by annuity contracts or  
122.28 life insurance policies must irrevocably designate the individual's estate as contingent  
122.29 beneficiary to the extent proceeds are not used for payment of selected burial expenses;

122.30 (5) for a person who no longer qualifies as an employed person with a disability due to  
122.31 loss of earnings, assets allowed while eligible for medical assistance under section 256B.057,  
122.32 subdivision 9, are not considered for 12 months, beginning with the first month of ineligibility

123.1 as an employed person with a disability, ~~to the extent that the person's total assets remain~~  
 123.2 ~~within the allowed limits of section 256B.057, subdivision 9, paragraph (d);~~

123.3 (6) a designated employment incentives asset account is disregarded when determining  
 123.4 eligibility for medical assistance for a person age 65 years or older under section 256B.055,  
 123.5 subdivision 7. An employment incentives asset account must only be designated by a person  
 123.6 who has been enrolled in medical assistance under section 256B.057, subdivision 9, for a  
 123.7 24-consecutive-month period. A designated employment incentives asset account contains  
 123.8 qualified assets owned by the person ~~and the person's spouse~~ in the last month of enrollment  
 123.9 in medical assistance under section 256B.057, subdivision 9. Qualified assets include  
 123.10 retirement and pension accounts, medical expense accounts, and up to \$17,000 of the person's  
 123.11 other nonexcluded liquid assets. An employment incentives asset account is no longer  
 123.12 designated when a person loses medical assistance eligibility for a calendar month or more  
 123.13 before turning age 65. A person who loses medical assistance eligibility before age 65 can  
 123.14 establish a new designated employment incentives asset account by establishing a new  
 123.15 24-consecutive-month period of enrollment under section 256B.057, subdivision 9. ~~The~~  
 123.16 ~~income of a spouse of a person enrolled in medical assistance under section 256B.057,~~  
 123.17 ~~subdivision 9, during each of the 24 consecutive months before the person's 65th birthday~~  
 123.18 ~~must be disregarded when determining eligibility for medical assistance under section~~  
 123.19 ~~256B.055, subdivision 7.~~ Persons eligible under this clause are not subject to the provisions  
 123.20 in section 256B.059; and

123.21 (7) effective July 1, 2009, certain assets owned by American Indians are excluded as  
 123.22 required by section 5006 of the American Recovery and Reinvestment Act of 2009, Public  
 123.23 Law 111-5. For purposes of this clause, an American Indian is any person who meets the  
 123.24 definition of Indian according to Code of Federal Regulations, title 42, section 447.50.

123.25 (b) No asset limit shall apply to persons eligible under ~~section~~ sections 256B.055,  
 123.26 subdivision 15, and 256B.057, subdivision 9.

125.1 ~~at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income for~~  
125.2 ~~those with incomes at or above 300 percent of the federal poverty guidelines.~~

125.3 ~~(2) Annual adjustments in the premium schedule based upon changes in the federal~~

125.6 ~~unearned income in addition to the premium amount, except as provided under clause (5).~~

125.7 ~~(4) (d) Increases in benefits under title II of the Social Security Act shall not be counted~~

125.18 ~~(f) Enrollees must report any change in income or household size within ten days of when~~  
125.19 ~~the change occurs. A decreased premium resulting from a reported change in income or~~  
125.20 ~~household size shall be effective the first day of the next available billing month after the~~  
125.21 ~~change is reported. Except for changes occurring from annual cost-of-living increases, a~~

125.27 ~~unless the person demonstrates good cause for nonpayment. "Good cause" means an excuse~~  
125.28 ~~for the enrollee's failure to pay the required premium when due because the circumstances~~  
125.29 ~~were beyond the enrollee's control or not reasonably foreseeable. The commissioner shall~~  
125.30 ~~determine whether good cause exists based on the weight of the supporting evidence~~  
125.31 ~~submitted by the enrollee to demonstrate good cause. Except when an installment agreement~~  
125.32 ~~is accepted by the commissioner, all persons disenrolled for nonpayment of a premium must~~  
125.33 ~~pay any past due premiums as well as current premiums due prior to being reenrolled.~~

126.1 ~~Nonpayment shall include payment with a returned, refused, or dishonored instrument. The~~  
 126.2 ~~commissioner may require a guaranteed form of payment as the only means to replace a~~  
 126.3 ~~returned, refused, or dishonored instrument.~~

126.4 (g) The commissioner is authorized to determine that a premium amount was calculated  
 126.5 or billed in error, make corrections to financial records and billing systems, and refund  
 126.6 premiums collected in error.

126.7 (h) For enrollees whose income does not exceed 200 percent of the federal poverty  
 126.8 guidelines who are: (1) eligible under this subdivision and who are also enrolled in Medicare;  
 126.9 and (2) not eligible for medical assistance reimbursement of Medicare premiums under  
 126.10 subdivisions 3, 3a, 3b, or 4, the commissioner shall reimburse the enrollee for Medicare  
 126.11 part A and Medicare part B premiums under section 256B.0625, subdivision 15, paragraph  
 126.12 (a), and part A and part B coinsurance and deductibles. Reimbursement of the Medicare  
 126.13 coinsurance and deductibles, when added to the amount paid by Medicare, must not exceed  
 126.14 the total rate the provider would have received for the same service or services if the person  
 126.15 was receiving benefits as a qualified Medicare beneficiary.

126.16 (i) The commissioner must permit any individual who was disenrolled for nonpayment  
 126.17 of premiums previously required under this subdivision to reapply for medical assistance  
 126.18 under this subdivision and be reenrolled if eligible without paying past due premiums.

126.19 **EFFECTIVE DATE.** This section is effective January 1, 2024, or upon federal approval,  
 126.20 whichever occurs later. The commissioner of human services shall notify the revisor of  
 126.21 statutes when federal approval is obtained.

126.22 Sec. 5. Minnesota Statutes 2022, section 256B.0625, subdivision 17, is amended to read:

126.23 Subd. 17. **Transportation costs.** (a) "Nonemergency medical transportation service"  
 126.24 means motor vehicle transportation provided by a public or private person that serves  
 126.25 Minnesota health care program beneficiaries who do not require emergency ambulance  
 126.26 service, as defined in section 144E.001, subdivision 3, to obtain covered medical services.

126.27 (b) Medical assistance covers medical transportation costs incurred solely for obtaining  
 126.28 emergency medical care or transportation costs incurred by eligible persons in obtaining  
 126.29 emergency or nonemergency medical care when paid directly to an ambulance company,  
 126.30 nonemergency medical transportation company, or other recognized providers of  
 126.31 transportation services. Medical transportation must be provided by:

126.32 (1) nonemergency medical transportation providers who meet the requirements of this  
 126.33 subdivision;

127.1 (2) ambulances, as defined in section 144E.001, subdivision 2;

127.2 (3) taxicabs that meet the requirements of this subdivision;

127.3 (4) public transit, as defined in section 174.22, subdivision 7; or

127.4 (5) not-for-hire vehicles, including volunteer drivers, as defined in section 65B.472,  
127.5 subdivision 1, paragraph (h).

127.6 (c) Medical assistance covers nonemergency medical transportation provided by  
127.7 nonemergency medical transportation providers enrolled in the Minnesota health care  
127.8 programs. All nonemergency medical transportation providers must comply with the  
127.9 operating standards for special transportation service as defined in sections 174.29 to 174.30  
127.10 and Minnesota Rules, chapter 8840, and all drivers must be individually enrolled with the  
127.11 commissioner and reported on the claim as the individual who provided the service. All  
127.12 nonemergency medical transportation providers shall bill for nonemergency medical  
127.13 transportation services in accordance with Minnesota health care programs criteria. Publicly  
127.14 operated transit systems, volunteers, and not-for-hire vehicles are exempt from the  
127.15 requirements outlined in this paragraph.

127.16 (d) An organization may be terminated, denied, or suspended from enrollment if:

127.17 (1) the provider has not initiated background studies on the individuals specified in  
127.18 section 174.30, subdivision 10, paragraph (a), clauses (1) to (3); or

127.19 (2) the provider has initiated background studies on the individuals specified in section  
127.20 174.30, subdivision 10, paragraph (a), clauses (1) to (3), and:

127.21 (i) the commissioner has sent the provider a notice that the individual has been  
127.22 disqualified under section 245C.14; and

127.23 (ii) the individual has not received a disqualification set-aside specific to the special  
127.24 transportation services provider under sections 245C.22 and 245C.23.

127.25 (e) The administrative agency of nonemergency medical transportation must:

127.26 (1) adhere to the policies defined by the commissioner;

127.27 (2) pay nonemergency medical transportation providers for services provided to  
127.28 Minnesota health care programs beneficiaries to obtain covered medical services;

127.29 (3) provide data monthly to the commissioner on appeals, complaints, no-shows, canceled  
127.30 trips, and number of trips by mode; and

128.1 (4) by July 1, 2016, in accordance with subdivision 18e, utilize a web-based single  
128.2 administrative structure assessment tool that meets the technical requirements established  
128.3 by the commissioner, reconciles trip information with claims being submitted by providers,  
128.4 and ensures prompt payment for nonemergency medical transportation services.

128.5 (f) Until the commissioner implements the single administrative structure and delivery  
128.6 system under subdivision 18e, clients shall obtain their level-of-service certificate from the  
128.7 commissioner or an entity approved by the commissioner that does not dispatch rides for  
128.8 clients using modes of transportation under paragraph (i), clauses (4), (5), (6), and (7).

128.9 (g) The commissioner may use an order by the recipient's attending physician, advanced  
128.10 practice registered nurse, physician assistant, or a medical or mental health professional to  
128.11 certify that the recipient requires nonemergency medical transportation services.

128.12 Nonemergency medical transportation providers shall perform driver-assisted services for  
128.13 eligible individuals, when appropriate. Driver-assisted service includes passenger pickup  
128.14 at and return to the individual's residence or place of business, assistance with admittance  
128.15 of the individual to the medical facility, and assistance in passenger securement or in securing  
128.16 of wheelchairs, child seats, or stretchers in the vehicle.

128.17 Nonemergency medical transportation providers must take clients to the health care  
128.18 provider using the most direct route, and must not exceed 30 miles for a trip to a primary  
128.19 care provider or 60 miles for a trip to a specialty care provider, unless the client receives  
128.20 authorization from the local agency.

128.21 Nonemergency medical transportation providers may not bill for separate base rates for  
128.22 the continuation of a trip beyond the original destination. Nonemergency medical  
128.23 transportation providers must maintain trip logs, which include pickup and drop-off times,  
128.24 signed by the medical provider or client, whichever is deemed most appropriate, attesting  
128.25 to mileage traveled to obtain covered medical services. Clients requesting client mileage  
128.26 reimbursement must sign the trip log attesting mileage traveled to obtain covered medical  
128.27 services.

128.28 (h) The administrative agency shall use the level of service process established by the  
128.29 commissioner to determine the client's most appropriate mode of transportation. If public  
128.30 transit or a certified transportation provider is not available to provide the appropriate service  
128.31 mode for the client, the client may receive a onetime service upgrade.

128.32 (i) The covered modes of transportation are:

129.1 (1) client reimbursement, which includes client mileage reimbursement provided to  
129.2 clients who have their own transportation, or to family or an acquaintance who provides  
129.3 transportation to the client;

129.4 (2) volunteer transport, which includes transportation by volunteers using their own  
129.5 vehicle;

129.6 (3) unassisted transport, which includes transportation provided to a client by a taxicab  
129.7 or public transit. If a taxicab or public transit is not available, the client can receive  
129.8 transportation from another nonemergency medical transportation provider;

129.9 (4) assisted transport, which includes transport provided to clients who require assistance  
129.10 by a nonemergency medical transportation provider;

129.11 (5) lift-equipped/ramp transport, which includes transport provided to a client who is  
129.12 dependent on a device and requires a nonemergency medical transportation provider with  
129.13 a vehicle containing a lift or ramp;

129.14 (6) protected transport, which includes transport provided to a client who has received  
129.15 a prescreening that has deemed other forms of transportation inappropriate and who requires  
129.16 a provider: (i) with a protected vehicle that is not an ambulance or police car and has safety  
129.17 locks, a video recorder, and a transparent thermoplastic partition between the passenger and  
129.18 the vehicle driver; and (ii) who is certified as a protected transport provider; and

129.19 (7) stretcher transport, which includes transport for a client in a prone or supine position  
129.20 and requires a nonemergency medical transportation provider with a vehicle that can transport  
129.21 a client in a prone or supine position.

129.22 (j) The local agency shall be the single administrative agency and shall administer and  
129.23 reimburse for modes defined in paragraph (i) according to paragraphs (m) and (n) when the  
129.24 commissioner has developed, made available, and funded the web-based single administrative  
129.25 structure, assessment tool, and level of need assessment under subdivision 18e. The local  
129.26 agency's financial obligation is limited to funds provided by the state or federal government.

129.27 (k) The commissioner shall:

129.28 (1) verify that the mode and use of nonemergency medical transportation is appropriate;

129.29 (2) verify that the client is going to an approved medical appointment; and

129.30 (3) investigate all complaints and appeals.

129.31 (l) The administrative agency shall pay for the services provided in this subdivision and  
129.32 seek reimbursement from the commissioner, if appropriate. As vendors of medical care,

130.1 local agencies are subject to the provisions in section 256B.041, the sanctions and monetary  
 130.2 recovery actions in section 256B.064, and Minnesota Rules, parts 9505.2160 to 9505.2245.

130.3 (m) Payments for nonemergency medical transportation must be paid based on the client's  
 130.4 assessed mode under paragraph (h), not the type of vehicle used to provide the service. The  
 130.5 medical assistance reimbursement rates for nonemergency medical transportation services  
 130.6 that are payable by or on behalf of the commissioner for nonemergency medical  
 130.7 transportation services are:

130.8 (1) \$0.22 per mile for client reimbursement;

130.9 (2) up to 100 percent of the Internal Revenue Service business deduction rate for volunteer  
 130.10 transport;

130.11 (3) equivalent to the standard fare for unassisted transport when provided by public  
 130.12 transit, and ~~\$11~~ \$12.93 for the base rate and ~~\$1.30~~ \$1.53 per mile when provided by a  
 130.13 nonemergency medical transportation provider;

130.14 (4) ~~\$13~~ \$15.28 for the base rate and ~~\$1.30~~ \$1.53 per mile for assisted transport;

130.15 (5) ~~\$18~~ \$21.15 for the base rate and ~~\$1.55~~ \$1.82 per mile for lift-equipped/ramp transport;

130.16 (6) \$75 for the base rate and \$2.40 per mile for protected transport; and

130.17 (7) \$60 for the base rate and \$2.40 per mile for stretcher transport, and \$9 per trip for  
 130.18 an additional attendant if deemed medically necessary.

130.19 (n) The base rate for nonemergency medical transportation services in areas defined  
 130.20 under RUCA to be super rural is equal to 111.3 percent of the respective base rate in  
 130.21 paragraph (m), clauses (1) to (7). The mileage rate for nonemergency medical transportation  
 130.22 services in areas defined under RUCA to be rural or super rural areas is:

130.23 (1) for a trip equal to 17 miles or less, equal to 125 percent of the respective mileage  
 130.24 rate in paragraph (m), clauses (1) to (7); and

130.25 (2) for a trip between 18 and 50 miles, equal to 112.5 percent of the respective mileage  
 130.26 rate in paragraph (m), clauses (1) to (7).

130.27 (o) For purposes of reimbursement rates for nonemergency medical transportation  
 130.28 services under paragraphs (m) and (n), the zip code of the recipient's place of residence  
 130.29 shall determine whether the urban, rural, or super rural reimbursement rate applies.

130.30 (p) For purposes of this subdivision, "rural urban commuting area" or "RUCA" means  
 130.31 a census-tract based classification system under which a geographical area is determined  
 130.32 to be urban, rural, or super rural.

131.1 (q) The commissioner, when determining reimbursement rates for nonemergency medical  
 131.2 transportation under paragraphs (m) and (n), shall exempt all modes of transportation listed  
 131.3 under paragraph (i) from Minnesota Rules, part 9505.0445, item R, subitem (2).

131.4 (r) Effective for the first day of each calendar quarter in which the price of gasoline as  
 131.5 posted publicly by the United States Energy Information Administration exceeds \$3.00 per  
 131.6 gallon, the commissioner shall adjust the rate paid per mile in paragraph (m) by one percent  
 131.7 up or down for every increase or decrease of ten cents for the price of gasoline. The increase  
 131.8 or decrease must be calculated using a base gasoline price of \$3.00. The percentage increase  
 131.9 or decrease must be calculated using the average of the most recently available price of all  
 131.10 grades of gasoline for Minnesota as posted publicly by the United States Energy Information  
 131.11 Administration.

131.12 **EFFECTIVE DATE.** This section is effective July 1, 2023, or upon federal approval,  
 131.13 whichever is later. The commissioner of human services shall notify the revisor of statutes  
 131.14 when federal approval is obtained.

131.15 Sec. 6. Minnesota Statutes 2022, section 256B.0625, subdivision 17a, is amended to read:

131.16 Subd. 17a. **Payment for ambulance services.** (a) Medical assistance covers ambulance  
 131.17 services. Providers shall bill ambulance services according to Medicare criteria.  
 131.18 Nonemergency ambulance services shall not be paid as emergencies. Effective for services  
 131.19 rendered on or after July 1, 2001, medical assistance payments for ambulance services shall  
 131.20 be paid at the Medicare reimbursement rate or at the medical assistance payment rate in  
 131.21 effect on July 1, 2000, whichever is greater.

131.22 (b) Effective for services provided on or after July 1, 2016, medical assistance payment  
 131.23 rates for ambulance services identified in this paragraph are increased by five percent.  
 131.24 Capitation payments made to managed care plans and county-based purchasing plans for  
 131.25 ambulance services provided on or after January 1, 2017, shall be increased to reflect this  
 131.26 rate increase. The increased rate described in this paragraph applies to ambulance service  
 131.27 providers whose base of operations as defined in section 144E.10 is located:

131.28 (1) outside the metropolitan counties listed in section 473.121, subdivision 4, and outside  
 131.29 the cities of Duluth, Mankato, Moorhead, St. Cloud, and Rochester; or

131.30 (2) within a municipality with a population of less than 1,000.

131.31 (c) Effective for the first day of each calendar quarter in which the price of gasoline as  
 131.32 posted publicly by the United States Energy Information Administration exceeds \$3.00 per  
 131.33 gallon, the commissioner shall adjust the rate paid per mile in paragraphs (a) and (b) by one

132.1 percent up or down for every increase or decrease of ten cents for the price of gasoline. The  
 132.2 increase or decrease must be calculated using a base gasoline price of \$3.00. The percentage  
 132.3 increase or decrease must be calculated using the average of the most recently available  
 132.4 price of all grades of gasoline for Minnesota as posted publicly by the United States Energy  
 132.5 Information Administration.

132.6 **EFFECTIVE DATE.** This section is effective July 1, 2023, or upon federal approval,  
 132.7 whichever is later. The commissioner of human services shall notify the revisor of statutes  
 132.8 when federal approval is obtained.

132.9 Sec. 7. Minnesota Statutes 2022, section 256B.0625, subdivision 22, is amended to read:

132.10 Subd. 22. **Hospice care.** Medical assistance covers hospice care services under Public  
 132.11 Law 99-272, section 9505, to the extent authorized by rule, except that a recipient age 21  
 132.12 or under who elects to receive hospice services does not waive coverage for services that  
 132.13 are related to the treatment of the condition for which a diagnosis of terminal illness has  
 132.14 been made. Hospice respite and end-of-life care under subdivision 22a are not hospice care  
 132.15 services under this subdivision.

132.16 **EFFECTIVE DATE.** This section is effective January 1, 2024.

132.17 Sec. 8. Minnesota Statutes 2022, section 256B.0625, is amended by adding a subdivision  
 132.18 to read:

132.19 Subd. 22a. **Residential hospice facility; hospice respite and end-of-life care for**  
 132.20 **children.** (a) Medical assistance covers hospice respite and end-of-life care if the care is  
 132.21 for recipients age 21 or under who elect to receive hospice care delivered in a facility that  
 132.22 is licensed under sections 144A.75 to 144A.755 and that is a residential hospice facility  
 132.23 under section 144A.75, subdivision 13, paragraph (a). Hospice care services under  
 132.24 subdivision 22 are not hospice respite or end-of-life care under this subdivision.

132.25 (b) The payment rates for coverage under this subdivision must be 100 percent of the  
 132.26 Medicare rate for continuous home care hospice services as published in the Centers for  
 132.27 Medicare and Medicaid Services annual final rule updating payments and policies for hospice  
 132.28 care. Payment for hospice respite and end-of-life care under this subdivision must be made  
 132.29 from state money, though the commissioner must seek to obtain federal financial participation  
 132.30 for the payments. Payment for hospice respite and end-of-life care must be paid to the  
 132.31 residential hospice facility and are not included in any limit or cap amount applicable to  
 132.32 hospice services payments to the elected hospice services provider.

133.1 (c) Certification of the residential hospice facility by the federal Medicare program must  
133.2 not be a requirement of medical assistance payment for hospice respite and end-of-life care  
133.3 under this subdivision.

133.4 **EFFECTIVE DATE.** This section is effective January 1, 2024.

133.5 Sec. 9. Minnesota Statutes 2022, section 256B.073, subdivision 3, is amended to read:

133.6 Subd. 3. **Requirements.** (a) In developing implementation requirements for electronic  
133.7 visit verification, the commissioner shall ensure that the requirements:

138.33 five different providers for a product or supply that does not meet the requirements of clause

143.27 A comprehensive assessment must also include:

143.28 (1) a diagnosis of a substance use disorder or a finding that the client does not meet the  
 143.29 criteria for a substance use disorder;

 144.12 be provided at that point. The license holder must use the educational materials that are  
 144.13 approved by the commissioner to comply with this requirement.

144.15 Sec. 9. Minnesota Statutes 2022, section 245G.06, subdivision 1, is amended to read:

144.16 Subdivision 1. **General.** Each client must have a person-centered individual treatment  
 144.17 plan developed by an alcohol and drug counselor within ten days from the day of service  
 144.18 initiation for a residential program ~~and within five calendar days~~ by the end of the tenth day  
 144.19 on which a treatment session has been provided from the day of service initiation for a client  
 144.20 in a nonresidential program, not to exceed 30 days. Opioid treatment programs must complete  
 144.21 the individual treatment plan within 21 days from the day of service initiation. The number  
 144.22 of days to complete the individual treatment plan excludes the day of service initiation.

144.23 The individual treatment plan must be signed by the client and the alcohol and drug counselor  
 144.24 and document the client's involvement in the development of the plan. The individual

 144.26 planning must include ongoing assessment of client needs. An individual treatment plan  
 144.27 must be updated based on new information gathered about the client's condition, the client's

 144.30 chooses to have family or others involved in treatment services, the client's individual  
 144.31 treatment plan must include how the family or others will be involved in the client's treatment.  
 144.32 If a client is receiving treatment services or an assessment via telehealth and the alcohol

145.1 and drug counselor documents the reason the client's signature cannot be obtained, the  
145.2 alcohol and drug counselor may document the client's verbal approval or electronic written  
145.3 approval of the treatment plan or change to the treatment plan in lieu of the client's signature.

145.4 **EFFECTIVE DATE.** This section is effective January 1, 2024.

145.5 Sec. 10. Minnesota Statutes 2022, section 245G.06, is amended by adding a subdivision

145.8 client's comprehensive assessment, the license holder must complete an individual treatment

145.13 services, assessments, and treatment planning;

145.14 (3) identify the client's treatment goals in relation to any or all of the applicable ASAM  
145.15 six dimensions identified in section 254B.04, subdivision 4, to ensure measurable treatment  
145.16 objectives, a treatment strategy, and a schedule for accomplishing the client's treatment

145.18 (4) document in the treatment plan the ASAM level of care identified in section 254B.19,  
145.19 subdivision 1, that the client is receiving services under;

145.20 (5) identify the participants involved in the client's treatment planning. The client must  
145.21 be a participant in the client's treatment planning. If applicable, the license holder must  
145.22 document the reasons that the license holder did not involve the client's family or other  
145.23 natural supports in the client's treatment planning;

145.24 (6) identify resources to refer the client to when the client's needs are to be addressed

177.33 license the same aspects of similar types of correctional facilities, although at different  
177.34 correctional facilities.

178.1 (d) Nothing in this section shall be construed to limit the commissioner of corrections'  
178.2 authority to promulgate rules establishing standards of eligibility for counties to receive  
178.3 funds under sections 401.01 to 401.16, or to require counties to comply with operating  
178.4 standards the commissioner establishes as a condition precedent for counties to receive that  
178.5 funding.

178.6 (e) The department's inspection unit must report directly to a division head outside of

### **245G.05 COMPREHENSIVE ASSESSMENT AND ASSESSMENT SUMMARY.**

Subd. 2. **Assessment summary.** (a) An alcohol and drug counselor must complete an assessment summary within three calendar days from the day of service initiation for a residential program and within three calendar days on which a treatment session has been provided from the day of service initiation for a client in a nonresidential program. The comprehensive assessment summary is complete upon a qualified staff member's dated signature. If the comprehensive assessment is used to authorize the treatment service, the alcohol and drug counselor must prepare an assessment summary on the same date the comprehensive assessment is completed. If the comprehensive assessment and assessment summary are to authorize treatment services, the assessor must determine appropriate services for the client using the dimensions in Minnesota Rules, part 9530.6622, and document the recommendations.

(b) An assessment summary must include:

- (1) a risk description according to section 245G.05 for each dimension listed in paragraph (c);
- (2) a narrative summary supporting the risk descriptions; and
- (3) a determination of whether the client has a substance use disorder.

(c) An assessment summary must contain information relevant to treatment service planning and recorded in the dimensions in clauses (1) to (6). The license holder must consider:

(1) Dimension 1, acute intoxication/withdrawal potential; the client's ability to cope with withdrawal symptoms and current state of intoxication;

(2) Dimension 2, biomedical conditions and complications; the degree to which any physical disorder of the client would interfere with treatment for substance use, and the client's ability to tolerate any related discomfort. The license holder must determine the impact of continued substance use on the unborn child, if the client is pregnant;

(3) Dimension 3, emotional, behavioral, and cognitive conditions and complications; the degree to which any condition or complication is likely to interfere with treatment for substance use or with functioning in significant life areas and the likelihood of harm to self or others;

(4) Dimension 4, readiness for change; the support necessary to keep the client involved in treatment service;

(5) Dimension 5, relapse, continued use, and continued problem potential; the degree to which the client recognizes relapse issues and has the skills to prevent relapse of either substance use or mental health problems; and

(6) Dimension 6, recovery environment; whether the areas of the client's life are supportive of or antagonistic to treatment participation and recovery.

### **246.18 DISPOSAL OF FUNDS.**

Subd. 2. **Behavioral health fund.** Money received by a substance use disorder treatment facility operated by a regional treatment center or nursing home under the jurisdiction of the commissioner of human services must be deposited in the state treasury and credited to the behavioral health fund. Subd. 2a. **Disposition of interest for the behavioral health fund.** Beginning July 1, 1991, interest earned on cash balances on deposit with the commissioner of management and budget derived from receipts from substance use disorder programs affiliated with state-operated facilities under the commissioner of human services must be deposited in the state treasury and credited to a substance use disorder account under subdivision 2. Any interest earned is appropriated to the commissioner to operate substance use disorder programs according to subdivision 2.

(5) ensure cost-effective use of financial and human resources;

APPENDIX  
Repealed Minnesota Statutes: S2934-1

(6) build community-based approaches and community commitment to delivering long-term services and supports for older adults in their own homes;

(7) achieve a broad awareness and use of lower-cost in-home services as an alternative to nursing homes and other residential services;

(6) demonstrate the need in the proposed service area particularly where nursing facility closures have occurred or are occurring or areas with service needs identified by section 144A.351. Preference must be given for projects that reach underserved populations.

(b) Projects must clearly describe:

(1) how they will achieve their purpose;

(2) the process for recruiting, training, and retraining volunteers; and

(3) a plan to promote the project in the designated community, including outreach to persons needing the services.

(c) Funds for all projects under this subdivision may be used to:

(1) hire a coordinator to develop a coordinated network of volunteer and paid respite care services and assign workers to clients;

(2) recruit and train volunteer providers;

(3) provide information, training, and education to caregivers;

(b) Component values for respite services are:

(1) competitive workforce factor: 4.7 percent;

(2) supervisory span of control ratio: 11 percent;

(3) employee vacation, sick, and training allowance ratio: 8.71 percent;

(c) A unit of service for respite services is 15 minutes.

(d) Payments for respite services must be calculated as follows unless the service is reimbursed separately as part of a residential support services or day program payment rate:

(1) determine the number of units of service to meet an individual's needs;

(2) determine the appropriate hourly staff wage rates derived by the commissioner as provided in subdivisions 5 and 5a;

(3) except for subdivision 5a, clauses (1) to (4), multiply the result of clause (2) by the product of one plus the competitive workforce factor;

(9) this is the subtotal rate;
