Subject: SF 2995

Dear Finance Committee Members,

I am writing to express my support for SF 2995. The well-being of children of color and American Indian children from prenatal to grade 3 and their families deserve our continued financial support. Please invest heartily in the funding of SF 2995 to ensure quality early learning and health and well-being services are available to the members of our community who need them the most.

Sincerely,

Nancy Klaber
