1.2 Page 42, after line 27, insert:

1.3 "Sec. 13. Minnesota Statutes 2022, section 216B.16, subdivision 10, is amended to read:

1.4 Subd. 10. **Intervenor compensation.** (a) A nonprofit organization or an individual
1.5 granted formal intervenor status by the commission is eligible to receive compensation.

1.6 (b) The commission may order a utility to compensate all or part of an eligible intervenor's
1.7 reasonable costs of participation in a general rate case that comes before the commission
1.8 when the commission finds that the intervenor has materially assisted the commission's
1.9 deliberation and when a lack of compensation would present financial hardship to the
1.10 intervenor. Compensation may not exceed \$50,000 for a single intervenor in any proceeding.
1.11 For the purpose of this subdivision, "materially assisted" means that the intervenor's
1.12 participation and presentation was useful and seriously considered, or otherwise substantially
1.13 contributed to the commission's deliberations in the proceeding.

1.14 (c) In determining whether an intervenor has materially assisted the commission's
1.15 deliberation, the commission must consider, among other factors, whether:

1.16 (1) the intervenor represented an interest that would not otherwise have been adequately
1.17 represented;

1.18 (2) the evidence or arguments presented or the positions taken by the intervenor were
1.19 an important factor in producing a fair decision;

1.20 (3) the intervenor's position promoted a public purpose or policy;

1.21 (4) the evidence presented, arguments made, issues raised, or positions taken by the
1.22 intervenor would not have been a part of the record without the intervenor's participation;
1.23 and

1.24 (5) the administrative law judge or the commission adopted, in whole or in part, a position
1.25 advocated by the intervenor.

1.26 (d) In determining whether the absence of compensation would present financial hardship
1.27 to the intervenor, the commission must consider:

1.28 (1) whether the costs presented in the intervenor's claim reflect reasonable fees for
1.29 attorneys and expert witnesses and other reasonable costs; and

1.30 (2) the ratio between the costs of intervention and the intervenor's unrestricted funds.

2.1 (e) An intervenor seeking compensation must file a request and an affidavit of service
2.2 with the commission, and serve a copy of the request on each party to the proceeding. The
2.3 request must be filed 30 days after the later of (1) the expiration of the period within which
2.4 a petition for rehearing, amendment, vacation, reconsideration, or reargument must be filed
2.5 or (2) the date the commission issues an order following rehearing, amendment, vacation,
2.6 reconsideration, or reargument.

2.7 (f) The compensation request must include:

2.8 (1) the name and address of the intervenor or representative of the nonprofit organization
2.9 the intervenor is representing;

2.10 (2) proof of the organization's nonprofit, tax-exempt status;

2.11 (3) the name and docket number of the proceeding for which compensation is requested;

2.12 (4) a list of actual annual revenues and expenses of the organization the intervenor is
2.13 representing for the preceding year and projected revenues, revenue sources, and expenses
2.14 for the current year;

2.15 (5) the organization's balance sheet for the preceding year and a current monthly balance
2.16 sheet;

2.17 (6) an itemization of intervenor costs and the total compensation request; and

2.18 (7) a narrative explaining why additional organizational funds cannot be devoted to the
2.19 intervention.

2.20 (g) Within 30 days after service of the request for compensation, a party may file a
2.21 response, together with an affidavit of service, with the commission. A copy of the response
2.22 must be served on the intervenor and all other parties to the proceeding.

2.23 (h) Within 15 days after the response is filed, the intervenor may file a reply with the
2.24 commission. A copy of the reply and an affidavit of service must be served on all other
2.25 parties to the proceeding.

2.26 (i) If additional costs are incurred as a result of additional proceedings following the
2.27 commission's initial order, the intervenor may file an amended request within 30 days after
2.28 the commission issues an amended order. Paragraphs (e) to (h) apply to an amended request.

2.29 (j) The commission must issue a decision on intervenor compensation within 60 days
2.30 of a filing by an intervenor.

2.31 (k) A party may request reconsideration of the commission's compensation decision
2.32 within 30 days of the decision.

3.1 (l) If the commission issues an order requiring payment of intervenor compensation, the
3.2 utility that was the subject of the proceeding must pay the compensation to the intervenor,
3.3 and file with the commission proof of payment, within 30 days after the later of (1) the
3.4 expiration of the period within which a petition for reconsideration of the commission's
3.5 compensation decision must be filed or (2) the date the commission issues an order following
3.6 reconsideration of its order on intervenor compensation.

3.7 (m) This subdivision is effective only after section 216B.631 expires.

3.8 **EFFECTIVE DATE.** This section is effective the day following final enactment."

4.12 Subd. 2. **Participants; eligibility.** Any of the following participants is eligible to receive
4.13 compensation under this section:

4.14 (1) a nonprofit organization that:

4.29 hardship if the nonprofit organization's participation in the proceeding was not compensated.

4.30 (b) In determining whether a participant has materially assisted the commission's

5.9 (6) the proceeding resulted in a commission order that adopted, in whole or in part, a
5.10 position advocated by the participant.

5.11 (c) In determining whether a nonprofit participant has demonstrated that a lack of
5.12 compensation would present financial hardship, the commission must find that the nonprofit
5.13 participant:

5.14 (1) had an average annual payroll expense less than \$600,000 for participation in
5.15 commission proceedings over the previous three years; and

5.16 (2) has fewer than 30 full-time equivalent employees.

5.17 (d) In reviewing a compensation request, the commission must consider whether the
5.18 costs presented in the participant's claim are reasonable. If the commission determines that
5.19 an eligible participant materially assisted the commission's deliberation, the commission
5.20 may award all or part of the requested compensation, up to the maximum amounts provided
5.21 under subdivision 4.

5.22 Subd. 4. **Compensation; amount.** (a) Compensation must not exceed \$35,000 for a
5.23 single participant in any proceeding, except that:

6.6 year, require a single public utility to pay aggregate compensation under this section that
6.7 exceeds the following amounts:

- 7.13 and other parties or participants. A participant must reply to information requests within
- 7.14 ten calendar days of the date the request is received, unless doing so would place an extreme
- 7.15 hardship upon the replying participant. The replying participant must provide a copy of the
- 7.16 information to any other participant or interested person upon request. Disputes regarding
- 7.17 information requests may be resolved by the commission.
- 7.18 (d) A party or participant objecting to a request for compensation must, within 30 days
- 7.19 after service of the request for compensation, file a response and an affidavit of service with

8.5 pay the full compensation to the participant and file proof of payment with the commission

8.7 (1) the expiration of the period within which a petition for reconsideration of the
8.8 commission's compensation decision must be filed; or

8.9 (2) the date the commission issues an order following reconsideration of the commission's
8.10 order on participant compensation.

8.11 (b) If the commission issues an order requiring payment of participant compensation in
