

S.F. No. 8 – Providing Supplemental Education Aid Appropriations

Author: Senator Mary Kunesh

Prepared by: Jenna Hofer, Fiscal Analyst (651/296-5259)

Date: January 17, 2023

Section 1. Supplemental Pupil Transportation Aid. For fiscal year 2023 only, adjusts the amount of general education aid a school district or charter school receives to be 100 percent of unreimbursed transportation costs for the previous year.

Section 2. Supplemental Nutrition Aid. For fiscal year 2023 only, provides additional school lunch aid and school breakfast aid to participants to cover unreimbursed meal costs for the previous year.

Section 3. Appropriations.

Subdivision 1. Provides appropriations from the General Fund to the Department of Education for specified purposes and amounts for fiscal year 2023.

Subd. 2. Provides an appropriation for supplemental pupil transportation aid under section 1.

Subd. 3. Provides an appropriation supplemental nutrition aid under section 2.

Subd. 4. Provides an appropriation for supplemental English learner cross subsidy aid equal to the difference between the previous year's actual qualifying English learner expenditures and actual English learner revenue.

Subd. 5. Provides an appropriation for supplemental special education cross subsidy reduction aid based on the school district or charter school's portion of the special education cross subsidy for the previous year.
