RE: Complaint Evaluation Number(s) HL007885060C

Dear Administrator:

The Minnesota Department of Health, State Rapid Response Team, completed a follow-up evaluation on October 19, 2022 to determine correction of orders found at the time of the initial evaluation completed on October 12, 2022 with orders received by you on October 13, 2022.

State licensing orders issued pursuant to the last evaluation completed on October 13, 2022, found not corrected at the time of this follow-up evaluation and subject to penalty assessment are as follows:

0945-Adequate Care; Care In General-Mn Rule 4655.6400 Subp. 1 - \$250.00

The details of the violations noted at the time of this follow-up evaluation completed on October 19, 2022 (listed above), are delineated on the attached Minnesota Department of Health state form. Brackets around the ID Prefix Tag in the left hand column, e.g., {2 ----} will identify the uncorrected tags. It is not necessary to develop a plan of correction, sign and date this form or return it to the Minnesota Department of Health if there are no new orders issued.

Therefore, in accordance with Minnesota Statutes, § 144.653, **the total amount you are assessed is \$250.00.** You will be invoiced after 15 days of the receipt of this notice, subject to appeal.

You may request a hearing of any of the above noted penalty assessments provided that a written request is made within 15 days of the receipt of this Notice. Please email your hearing request to: **Health.HRD.Appeals@state.mn.us**. Please address your cover letter to:
