1.21 Subd. 3. **Generic or off-patent drug.** "Generic or off-patent drug" means any prescription

1.22 drug for which any exclusive marketing rights granted under the Federal Food, Drug, and

1.24 have expired, including any drug-device combination product for the delivery of a generic

1.25 drug.

2.1 Subd. 4. **Manufacturer.** "Manufacturer" has the meaning provided in section 151.01,

2.14 delivered to any consumer in the state.

2.15 Subd. 2. **Excessive price increase.** A price increase is excessive for purposes of this
2.16 section when:

10.26 or by more than \$3,000 during any 12-month period or course of treatment if less than 12
10.27 months, after adjusting for changes in the consumer price index (CPI);

10.28 (2) brand name drugs or biologics with a WAC of \$60,000 or more per calendar year
10.29 or per course of treatment;

10.30 (3) biosimilar drugs that have a WAC that is not at least 20 percent lower than the
10.31 referenced brand name biologic at the time the biosimilar is introduced; and

10.32 (4) generic drugs for which the WAC:

11.1 (i) is \$100 or more, after adjusting for changes in the CPI, for:

11.2 (A) a 30-day supply lasting a patient for 30 consecutive days based on the recommended
 11.3 dosage approved for labeling by the United States Food and Drug Administration (FDA);

11.4 (B) a supply lasting a patient for fewer than 30 days based on recommended dosage
 11.5 approved for labeling by the FDA; or

11.6 (C) one unit of the drug if the labeling approved by the FDA does not recommend a
 11.7 finite dosage; and

11.8 (ii) is increased by 200 percent or more during the immediate preceding 12-month period,
 11.9 as determined by the difference between the resulting WAC and the average of the WAC
 11.10 reported over the preceding 12 months, after adjusting for changes in the CPI.

11.11 (b) The board, in consultation with the advisory council and the commissioner of health,
 11.12 may identify prescription drug products not described in paragraph (a) that may impose
 11.13 costs that create significant affordability challenges for the state health care system or for
 11.14 patients, including but not limited to drugs to address public health emergencies.

11.15 (c) The board shall make available to the public the names and related price information
 11.16 of the prescription drug products identified under this subdivision, with the exception of
 11.17 information determined by the board to be proprietary under the standards developed by
 11.18 the board under section 62J.91, subdivision 3, and information provided by the commissioner
 11.19 of health classified as not public data under section 13.02, subdivision 8a, or as trade secret
 11.20 information under section 13.37, subdivision 1, paragraph (b), or as trade secret information

11.31 Subdivision 1. **General.** Once a decision by the board has been made to proceed with
 11.32 a cost review of a prescription drug product, the board shall conduct the review and make

12.1 a determination as to whether appropriate utilization of the prescription drug under review,
12.2 based on utilization that is consistent with the United States Food and Drug Administration
12.3 (FDA) label or standard medical practice, has led or will lead to affordability challenges
12.4 for the state health care system or for patients.

12.5 Subd. 2. **Review considerations.** In reviewing the cost of a prescription drug product,
12.6 the board may consider the following factors:

12.7 (1) the price at which the prescription drug product has been and will be sold in the state;

12.8 (2) manufacturer monetary price concessions, discounts, or rebates, and drug-specific
12.9 patient assistance;

12.10 (3) the price of therapeutic alternatives;

12.11 (4) the cost to group purchasers based on patient access consistent with the FDA-labeled
12.12 indications and standard medical practice;

12.13 (5) measures of patient access, including cost-sharing and other metrics;

12.14 (6) the extent to which the attorney general or a court has determined that a price increase
12.15 for a generic or off-patent prescription drug product was excessive under sections 62J.842
12.16 and 62J.844;

12.17 (7) any information a manufacturer chooses to provide; and

12.18 (8) any other factors as determined by the board.

12.19 Subd. 3. **Public data; proprietary information.** (a) Any submission made to the board
12.20 related to a drug cost review must be made available to the public with the exception of
12.21 information determined by the board to be proprietary and information provided by the
12.22 commissioner of health classified as not public data under section 13.02, subdivision 8a, or

12.27 under paragraph (a) and section 62J.90, subdivision 2, including standards for heightened
12.28 consideration of proprietary information for submissions for a cost review of a drug that is
12.29 not yet approved by the FDA.

12.30 (c) Prior to the board establishing the standards under paragraph (b), the public shall be
12.31 provided notice and the opportunity to submit comments.

13.1 (d) The establishment of standards under this subdivision is exempt from the rulemaking

13.3 **Sec. 14. [62J.92] DETERMINATIONS; COMPLIANCE; REMEDIES.**

13.4 Subdivision 1. **Upper payment limit.** (a) In the event the board finds that the spending
13.5 on a prescription drug product reviewed under section 62J.91 creates an affordability
13.6 challenge for the state health care system or for patients, the board shall establish an upper
13.7 payment limit after considering:

13.8 (1) extraordinary supply costs, if applicable;

13.9 (2) the range of prices at which the drug is sold in the United States according to one or
13.10 more pricing files accessed under section 62J.90, subdivision 1, and the range at which
13.11 pharmacies are reimbursed in Canada; and

13.12 (3) any other relevant pricing and administrative cost information for the drug.

13.13 (b) An upper payment limit applies to all purchases of, and payer reimbursements for,
13.14 a prescription drug that is dispensed or administered to individuals in the state in person,
13.15 by mail, or by other means, and for which an upper payment limit has been established.

13.16 Subd. 2. **Implementation and administration of the upper payment limit.** (a) An
13.17 upper payment limit may take effect no sooner than 120 days following the date of its public
13.18 release by the board.

13.19 (b) When setting an upper payment limit for a drug subject to the Medicare maximum
13.20 fair price under United States Code, title 42, section 1191(c), the board shall set the upper
13.21 payment limit at the Medicare maximum fair price.

13.22 (c) Health plan companies and pharmacy benefit managers shall report annually to the
13.23 board, in the form and manner specified by the board, on how cost savings resulting from
13.24 the establishment of an upper payment limit have been used by the health plan company or
13.25 pharmacy benefit manager to benefit enrollees, including but not limited to reducing enrollee
13.26 cost-sharing.

13.27 Subd. 3. **Noncompliance.** (a) The board shall, and other persons may, notify the Office
13.28 of the Attorney General of a potential failure by an entity subject to an upper payment limit
13.29 to comply with that limit.

13.30 (b) If the Office of the Attorney General finds that an entity was noncompliant with the
13.31 upper payment limit requirements, the attorney general may pursue remedies consistent
13.32 with chapter 8 or appropriate criminal charges if there is evidence of intentional profiteering.

14.1 (c) An entity who obtains price concessions from a drug manufacturer that result in a
14.2 lower net cost to the stakeholder than the upper payment limit established by the board is
14.3 not considered noncompliant.

14.4 (d) The Office of the Attorney General may provide guidance to stakeholders concerning
14.5 activities that could be considered noncompliant.

14.6 Subd. 4. **Appeals.** (a) Persons affected by a decision of the board may request an appeal
14.7 of the board's decision within 30 days of the date of the decision. The board shall hear the

14.10 **Sec. 15. [62J.93] REPORTS.**

14.11 Beginning March 1, 2024, and each March 1 thereafter, the board shall submit a report
14.12 to the governor and legislature on general price trends for prescription drug products and
14.13 the number of prescription drug products that were subject to the board's cost review and
14.14 analysis, including the result of any analysis as well as the number and disposition of appeals
14.15 and judicial reviews.

14.16 **Sec. 16. [62J.94] ERISA PLANS AND MEDICARE DRUG PLANS.**

14.17 (a) Nothing in sections 62J.85 to 62J.95 shall be construed to require ERISA plans or
14.18 Medicare Part D plans to comply with decisions of the board. ERISA plans or Medicare
14.19 Part D plans are free to choose to exceed the upper payment limit established by the board
14.20 under section 62J.92.

14.21 (b) Providers who dispense and administer drugs in the state must bill all payers no more
14.22 than the upper payment limit without regard to whether an ERISA plan or Medicare Part
14.23 D plan chooses to reimburse the provider in an amount greater than the upper payment limit
14.24 established by the board.

14.25 (c) For purposes of this section, an ERISA plan or group health plan is an employee
14.26 welfare benefit plan established by or maintained by an employer or an employee
14.27 organization, or both, that provides employer sponsored health coverage to employees and
14.28 the employee's dependents and is subject to the Employee Retirement Income Security Act
14.29 of 1974 (ERISA).

15.1 Sec. 17. **[62J.95] SEVERABILITY.**

15.2 If any provision of sections 62J.85 to 62J.94 or the application thereof to any person or
15.3 circumstance is held invalid for any reason in a court of competent jurisdiction, the invalidity
15.4 does not affect other provisions or any other application of sections 62J.85 to 62J.94 that
15.5 can be given effect without the invalid provision or application.

15.6 Sec. 18. Minnesota Statutes 2022, section 151.071, subdivision 1, is amended to read:

15.15 not limited to: the limitation of practice to designated settings; the limitation of the scope
15.16 of practice within designated settings; the imposition of retraining or rehabilitation
15.17 requirements; the requirement of practice under supervision; the requirement of participation
15.18 in a diversion program such as that established pursuant to section 214.31 or the conditioning
15.19 of continued practice on demonstration of knowledge or skills by appropriate examination
15.20 or other review of skill and competence;

15.21 (6) impose a civil penalty not exceeding \$10,000 for each separate violation, except that
15.22 a civil penalty not exceeding \$25,000 may be imposed for each separate violation of section
15.23 62J.842, the amount of the civil penalty to be fixed so as to deprive a licensee or registrant
15.24 of any economic advantage gained by reason of the violation, to discourage similar violations
15.25 by the licensee or registrant or any other licensee or registrant, or to reimburse the board
15.26 for the cost of the investigation and proceeding, including but not limited to, fees paid for
15.27 services provided by the Office of Administrative Hearings, legal and investigative services
15.28 provided by the Office of the Attorney General, court reporters, witnesses, reproduction of
