6.21 an agency awards a competitive, legislatively named, single-source, or sole-source grant,
6.22 the agency must assess the risk that a grantee cannot or would not perform the required
6.23 duties. In making this assessment, the agency must review the following information:

6.24 (1) the grantee's history of performing duties similar to those required by the grant,
6.25 whether the size of the grant requires the grantee to perform services at a significantly
6.26 increased scale, and whether the size of the grant will require significant changes to the
6.27 operation of the grantee's organization;

6.28 (2) for a grantee that is a nonprofit organization, the grantee's Form 990 or Form 990-EZ
6.29 filed with the Internal Revenue Service in each of the prior three years. If the grantee has

7.13 (6) certification, provided by the grantee, that none of its principals have been convicted
7.14 of a financial crime.

7.15 Subd. 3. **Additional measures for some grantees.** The agency may require additional
7.16 information and must provide enhanced oversight for grants that have not previously received
7.17 state or federal grants for similar amounts or similar duties and so have not yet demonstrated
7.18 the ability to perform the duties required under the grant on the scale required.

7.19 Subd. 4. **Assistance from administration.** An agency without adequate resources or
7.20 experience to perform obligations under this section may contract with the commissioner
7.21 of administration to perform the agency's duties under this section.

7.23 an appreciable risk that a grantee receiving a competitive, single-source, or sole-source
7.24 grant cannot or would not perform the required duties under the grant agreement, the agency
7.25 must notify the grantee and the commissioner of administration and give the grantee an
7.26 opportunity to respond to the agency's concerns. If the grantee does not satisfy the agency's
7.27 concerns within 45 days, the agency must not award the grant.

7.28 Subd. 6. **Legislatively named grantees.** If an agency determines that there is an
7.29 appreciable risk that a grantee receiving a legislatively named grant cannot or would not
7.30 perform the required duties under the grant agreement, the agency must notify the grantee,
7.31 the commissioner of administration, the chair and ranking minority member of the Ways
7.32 and Means Committee in the house of representatives, the chair and ranking minority member
7.33 of the Finance Committee in the senate, and the chairs and ranking minority members of

8.1 the committees in the house of representatives and the senate with primary jurisdiction over
 8.2 the bill in which the money for the grant was appropriated. The agency must give the grantee
 8.3 an opportunity to respond to the agency's concerns. If the grantee does not satisfy the agency's
 8.4 concerns within 45 days, the agency must delay award of the grant until adjournment of the
 8.5 next regular or special legislative session.

8.6 Subd. 7. **Subgrants.** If a grantee will disburse the money received from the grant to
 8.7 other organizations to perform duties required under the grant agreement, the agency must
 8.8 be a party to agreements between the grantee and a subgrantee. Before entering agreements
 8.9 for subgrants, the agency must perform the financial review required under this section with
 8.10 respect to the subgrantees.

8.11 Subd. 8. **Effect.** The requirements of this section are in addition to other requirements
