S.F. No. 1398 – Eliminating Requirement for New Minnesota Residents to Take Driver’s License Examinations

Author: Senator Founq Hawj

Prepared by: Tim Greenfield, Senate Counsel (651/296-3801)

Date: March 1, 2023

S.F. 1398 eliminates the written examination requirement for new Minnesota residents applying for a driver’s license if the applicant has a valid driver’s license issued by another state with comparable examination requirements. The bill further waives both examination requirements for a driver’s license with a two-wheeled vehicle endorsement if the applicant has a valid driver’s license with a two-wheeled vehicle endorsement issued by a state or jurisdiction with comparable examination requirements.
