**S.F. 3087** appropriates money for transportation management organizations (“TMOs”) in Minneapolis and St. Paul. Funds appropriated under the section are available for programming and service expansion to assist commuters with carpool, vanpool, bicycle commuting, telework, and transit. The St. Paul TMO must provide public education about reducing vehicle miles traveled in the metropolitan area. The Minneapolis TMO must provide a hybrid commuter education program. Sets the annual base for this appropriation.
