Dear Chair Wiklund and Members of the Senate HHS Committee:

I respectfully encourage you to vote in favor of Dr. Brooke Cunningham's nomination to lead the Minnesota Department of Health.

Dr. Cunningham's impressive combination of advanced education and real-world work experience give her a unique perspective on the pressing public health issues facing Minnesotans. Her academic training has instilled in her an awareness of the importance of evidence-based solutions, and her work as an internist providing care to Minnesotans gives her practical insights into the daily challenges facing Minnesotans and their communities. Since joining MDH last year, she has shown deep respect for mission of advancing the health of all Minnesotans and strong awareness of the importance of working in partnership with those the department is seeking to serve.

Dr. Cunningham's skills, experience and focus on collaboration will be invaluable as we work together to maximize the health of all Minnesotans while reducing the troubling health disparities in our state.

I encourage members of the Senate to support her confirmation.

Sincerely,

Rena Moran
Commissioner, District 4
