S.F. No. 531 – Specifying procedures for disenrollment and providing continuous eligibility, as proposed to be amended by the A-1 amendment

Author: Senator Melissa H. Wiklund

Prepared by: Aly Hoffman Litchy, Senate Counsel (651/296-4394)

Date: February 15, 2023

Section 1 [256B.04, subd. 26] requires the commissioner of human services to regularly update contact information for medical assistance and MinnesotaCare enrollees in cases of returned mail and nonresponse using information available from other sources. Prohibits the commissioner from disenrolling medical assistance and MinnesotaCare enrollees in cases of returned mail unless the commissioner made two attempts to contact the enrollee and waited at least 30 days for an enrollee to respond.

Section 2 (256B.056, subd. 7) provides for different lengths of continuous eligibility for children under six years of age, for children six years of age but under 21 years of age, and for individuals 21 years of age and older whose eligibility is determined using the modified adjusted gross income methodology. Also provides for when this eligibility may be terminated.

This section has an effective date of January 1, 2024 or upon any necessary federal approval, whichever is later.
