S.F. No. 2048 – Medical Cannabis Transport

Author: Senator Melissa H. Wiklund

Prepared by: Alexis C. Stangl, Director (651/296-4397)

Date: March 13, 2023

Sec. 1. [Transportation of medical cannabis; transport staffing] allows a medical cannabis manufacturer to contract with a third party for armored car services to deliver medical cannabis from the production facility to the distribution facility. The manufacturer is still responsible for the transportation manifest and inventory tracking requirements. Department of Health staff may deliver medical cannabis to a lab for testing and in cases of special investigations. The transport vehicle must be staffed with a minimum of two department staff.
