Dear Chair Wiklund and Committee Members:

My name is Amina Debel and I am the Owner of Oasis Mediterranean Grill and Big Marina Grill. I am writing in support of SF 2647, which would provide ongoing funds to support the distribution of prepared meals to Minnesotans in need.

We have partnered with Second Harvest Heartland through their Kitchen Coalition program since 2021 to provide halal meals to Islamic Centers and nonprofits. Our team makes around 5,000 meals each week to distribute within our community. Second Harvest Heartland through the Kitchen Coalition program has been a strong partner, listening to our community and making adjustments to best meet the needs of the East African Community.

Our chefs tailor these meals to meet the cultural, religious, and dietary needs of the people we serve, knowing that too many of those facing food insecurity don't have the home, health or ability to cook for themselves with food available at their local food shelf. We are proud to help fill this gap in the emergency food landscape and know that our efforts are contributing to Minnesota's hunger fight.

Our hope is that more kitchen partners like us will get the chance to take part in this work, and ongoing state funding would make that a reality. SF 2647 would allow organizations like Second Harvest Heartland to grow operations in the communities they serve, or even expand into new towns and cities across Minnesota where the greatest disparities in food insecurity exist.

It is vital that this year's budget supports our state's emergency food system to help us end hunger in Minnesota. SF 2647 will ensure that every neighbor has a meal that's right for them.

Thank you for your consideration of this bill and your support for Minnesotans experiencing food insecurity.

Sincerely,

Amina Debel
