Dear Chair Wiklund,

I would like to express my gratitude to you, your staff and the Health and Human Services Committee for including SF 1620 in your omnibus budget bill. This support for transportation, nutrition, and student learning bolsters our work to the middle and high school students who are addressing critical emotional health issues.

On behalf of our students and their families, thank you again for your support. Let me know if you would like more information or have questions related to SF 1620.

Sincerely,

A handwritten signature in black ink, appearing to read "Patrick Dale".
