S.F. No. 1213 – Public employee definition exclusions modifications (as proposed to be amended by the A-1 amendment)

Author: Senator Clare Oumou Verbeten

Prepared by: Joan White, Senate Counsel (651/296-3814)

Date: February 14, 2023

SF 1213 amends the Public Employment Labor Relations chapter of law, specifically the definition of the term “public employee.” The bill modifies the definition of public employee by striking an exclusion for an individual hired by the Board of Trustees of the Minnesota State Colleges and Universities (MinnState) to teach one course for three or fewer credits and adding to the definition an individual hired by MinnState to teach one class for more than three credits or two or more classes.
