2.6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

## 2.7 ARTICLE 1

### 2.8 DISABILITY SERVICES

2.9 Section 1. Minnesota Statutes 2022, section 179A.54, is amended by adding a subdivision  
 2.10 to read:

2.11 Subd. 11. Home Care Orientation Trust. (a) The state and an exclusive representative  
 2.12 certified pursuant to this section may establish a joint labor and management trust, referred  
 2.13 to as the Home Care Orientation Trust, for the exclusive purpose of rendering voluntary  
 2.14 orientation training to individual providers of direct support services who are represented  
 2.15 by the exclusive representative.

2.16 (b) Financial contributions by the state to the Home Care Orientation Trust must be  
 2.17 made by the state pursuant to a collective bargaining agreement negotiated under this section.  
 2.18 All such financial contributions by the state must be held in trust for the purpose of paying,  
 2.19 from principal, from income, or from both, the costs associated with developing, delivering,  
 2.20 and promoting voluntary orientation training for individual providers of direct support  
 2.21 services working under a collective bargaining agreement and providing services through  
 2.22 a covered program under section 256B.0711. The Home Care Orientation Trust must be  
 2.23 administered, managed, and otherwise controlled jointly by a board of trustees composed  
 2.24 of an equal number of trustees appointed by the state and trustees appointed by the exclusive  
 2.25 representative under this section. The trust shall not be an agent of either the state or of the  
 2.26 exclusive representative.

2.27 (c) Trust administrative, management, legal, and financial services may be provided to  
 2.28 the board of trustees by a third-party administrator, financial management institution, other  
 2.29 appropriate entity, or any combination thereof, as designated by the board of trustees from  
 2.30 time to time, and those services must be paid from the money held in trust and created by  
 2.31 the state's financial contributions to the Home Care Orientation Trust.

2.32 (d) The state is authorized to purchase liability insurance for members of the board of  
 2.33 trustees appointed by the state.

3.1 (e) Financial contributions to or participation in the management or administration of  
3.2 the Home Care Orientation Trust must not be considered an unfair labor practice under  
3.3 section 179A.13, or a violation of Minnesota law.

3.4 Sec. 2. Minnesota Statutes 2022, section 245A.03, subdivision 7, is amended to read:

3.5 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license  
3.6 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult  
3.7 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter  
3.8 for a physical location that will not be the primary residence of the license holder for the  
3.9 entire period of licensure. If a family child foster care home or family adult foster care home  
3.10 license is issued during this moratorium, and the license holder changes the license holder's  
3.11 primary residence away from the physical location of the foster care license, the  
3.12 commissioner shall revoke the license according to section 245A.07. The commissioner  
3.13 shall not issue an initial license for a community residential setting licensed under chapter  
3.14 245D. When approving an exception under this paragraph, the commissioner shall consider  
3.15 the resource need determination process in paragraph (h), the availability of foster care  
3.16 licensed beds in the geographic area in which the licensee seeks to operate, the results of a  
3.17 person's choices during their annual assessment and service plan review, and the  
3.18 recommendation of the local county board. The determination by the commissioner is final  
3.19 and not subject to appeal. Exceptions to the moratorium include:

3.20 (1) foster care settings where at least 80 percent of the residents are 55 years of age or  
3.21 older;

3.22 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or  
3.23 community residential setting licenses replacing adult foster care licenses in existence on  
3.24 December 31, 2013, and determined to be needed by the commissioner under paragraph  
3.25 (b);

3.26 (3) new foster care licenses or community residential setting licenses determined to be  
3.27 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,  
3.28 or regional treatment center; restructuring of state-operated services that limits the capacity  
3.29 of state-operated facilities; or allowing movement to the community for people who no  
3.30 longer require the level of care provided in state-operated facilities as provided under section  
3.31 256B.092, subdivision 13, or 256B.49, subdivision 24;

3.32 (4) new foster care licenses or community residential setting licenses determined to be  
3.33 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;  
3.34 or

4.1 (5) new foster care licenses or community residential setting licenses for people receiving  
4.2 customized living or 24-hour customized living services under the brain injury or community  
4.3 access for disability inclusion waiver plans under section 256B.49 or elderly waiver plan  
4.4 under chapter 256S and residing in the customized living setting ~~before July 1, 2022~~, for  
4.5 which a license is required. A customized living service provider subject to this exception  
4.6 may rebut the presumption that a license is required by seeking a reconsideration of the  
4.7 commissioner's determination. The commissioner's disposition of a request for  
4.8 reconsideration is final and not subject to appeal under chapter 14. The exception is available  
4.9 until ~~June 30~~ December 31, 2023. This exception is available when:

4.10 (i) the person's customized living services are provided in a customized living service  
4.11 setting serving four or fewer people ~~under the brain injury or community access for disability~~  
4.12 ~~inclusion waiver plans under section 256B.49~~ in a single-family home operational on or  
4.13 before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

4.14 (ii) the person's case manager provided the person with information about the choice of  
4.15 service, service provider, and location of service, including in the person's home, to help  
4.16 the person make an informed choice; and

4.17 (iii) the person's services provided in the licensed foster care or community residential  
4.18 setting are less than or equal to the cost of the person's services delivered in the customized  
4.19 living setting as determined by the lead agency.

4.20 (b) The commissioner shall determine the need for newly licensed foster care homes or  
4.21 community residential settings as defined under this subdivision. As part of the determination,  
4.22 the commissioner shall consider the availability of foster care capacity in the area in which  
4.23 the licensee seeks to operate, and the recommendation of the local county board. The  
4.24 determination by the commissioner must be final. A determination of need is not required  
4.25 for a change in ownership at the same address.

4.26 (c) When an adult resident served by the program moves out of a foster home that is not  
4.27 the primary residence of the license holder according to section 256B.49, subdivision 15,  
4.28 paragraph (f), or the adult community residential setting, the county shall immediately  
4.29 inform the Department of Human Services Licensing Division. The department may decrease  
4.30 the statewide licensed capacity for adult foster care settings.

4.31 (d) Residential settings that would otherwise be subject to the decreased license capacity  
4.32 established in paragraph (c) shall be exempt if the license holder's beds are occupied by  
4.33 residents whose primary diagnosis is mental illness and the license holder is certified under  
4.34 the requirements in subdivision 6a or section 245D.33.

5.1 (e) A resource need determination process, managed at the state level, using the available  
5.2 data required by section 144A.351, and other data and information shall be used to determine  
5.3 where the reduced capacity determined under section 256B.493 will be implemented. The  
5.4 commissioner shall consult with the stakeholders described in section 144A.351, and employ  
5.5 a variety of methods to improve the state's capacity to meet the informed decisions of those  
5.6 people who want to move out of corporate foster care or community residential settings,  
5.7 long-term service needs within budgetary limits, including seeking proposals from service  
5.8 providers or lead agencies to change service type, capacity, or location to improve services,  
5.9 increase the independence of residents, and better meet needs identified by the long-term  
5.10 services and supports reports and statewide data and information.

5.11 (f) At the time of application and reapplication for licensure, the applicant and the license  
5.12 holder that are subject to the moratorium or an exclusion established in paragraph (a) are  
5.13 required to inform the commissioner whether the physical location where the foster care  
5.14 will be provided is or will be the primary residence of the license holder for the entire period  
5.15 of licensure. If the primary residence of the applicant or license holder changes, the applicant  
5.16 or license holder must notify the commissioner immediately. The commissioner shall print  
5.17 on the foster care license certificate whether or not the physical location is the primary  
5.18 residence of the license holder.

5.19 (g) License holders of foster care homes identified under paragraph (f) that are not the  
5.20 primary residence of the license holder and that also provide services in the foster care home  
5.21 that are covered by a federally approved home and community-based services waiver, as  
5.22 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human  
5.23 services licensing division that the license holder provides or intends to provide these  
5.24 waiver-funded services.

5.25 (h) The commissioner may adjust capacity to address needs identified in section  
5.26 144A.351. Under this authority, the commissioner may approve new licensed settings or  
5.27 delicense existing settings. Delicensing of settings will be accomplished through a process  
5.28 identified in section 256B.493.

5.29 (i) The commissioner must notify a license holder when its corporate foster care or  
5.30 community residential setting licensed beds are reduced under this section. The notice of  
5.31 reduction of licensed beds must be in writing and delivered to the license holder by certified  
5.32 mail or personal service. The notice must state why the licensed beds are reduced and must  
5.33 inform the license holder of its right to request reconsideration by the commissioner. The  
5.34 license holder's request for reconsideration must be in writing. If mailed, the request for  
5.35 reconsideration must be postmarked and sent to the commissioner within 20 calendar days

6.1 after the license holder's receipt of the notice of reduction of licensed beds. If a request for  
 6.2 reconsideration is made by personal service, it must be received by the commissioner within  
 6.3 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

6.4 (j) The commissioner shall not issue an initial license for children's residential treatment  
 6.5 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter  
 6.6 for a program that Centers for Medicare and Medicaid Services would consider an institution  
 6.7 for mental diseases. Facilities that serve only private pay clients are exempt from the  
 6.8 moratorium described in this paragraph. The commissioner has the authority to manage  
 6.9 existing statewide capacity for children's residential treatment services subject to the  
 6.10 moratorium under this paragraph and may issue an initial license for such facilities if the  
 6.11 initial license would not increase the statewide capacity for children's residential treatment  
 6.12 services subject to the moratorium under this paragraph.

6.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.14 Sec. 3. Minnesota Statutes 2022, section 245A.11, subdivision 7, is amended to read:

6.15 Subd. 7. **Adult foster care; variance for alternate overnight supervision.** (a) The  
 6.16 commissioner may grant a variance under section 245A.04, subdivision 9, to rule parts  
 6.17 requiring a caregiver to be present in an adult foster care home during normal sleeping hours  
 6.18 to allow for alternative methods of overnight supervision. The commissioner may grant the  
 6.19 variance if the local county licensing agency recommends the variance and the county  
 6.20 recommendation includes documentation verifying that:

6.21 (1) the county has approved the license holder's plan for alternative methods of providing  
 6.22 overnight supervision and determined the plan protects the residents' health, safety, and  
 6.23 rights;

6.24 (2) the license holder has obtained written and signed informed consent from each  
 6.25 resident or each resident's legal representative documenting the resident's or legal  
 6.26 representative's agreement with the alternative method of overnight supervision; and

6.27 (3) the alternative method of providing overnight supervision, which may include the  
 6.28 use of technology, is specified for each resident in the resident's: (i) individualized plan of  
 6.29 care; (ii) individual service plan under section 256B.092, subdivision 1b, if required; or (iii)  
 6.30 individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart  
 6.31 19, if required.

6.32 (b) To be eligible for a variance under paragraph (a), the adult foster care license holder  
 6.33 must not have had a conditional license issued under section 245A.06, or any other licensing

7.1 sanction issued under section 245A.07 during the prior 24 months based on failure to provide  
7.2 adequate supervision, health care services, or resident safety in the adult foster care home.

7.3 (c) A license holder requesting a variance under this subdivision to utilize technology  
7.4 as a component of a plan for alternative overnight supervision may request the commissioner's  
7.5 review in the absence of a county recommendation. Upon receipt of such a request from a  
7.6 license holder, the commissioner shall review the variance request with the county.

7.7 (d) ~~A variance granted by the commissioner according to this subdivision before January~~  
7.8 ~~1, 2014, to a license holder for an adult foster care home must transfer with the license when~~  
7.9 ~~the license converts to a community residential setting license under chapter 245D. The~~  
7.10 ~~terms and conditions of the variance remain in effect as approved at the time the variance~~  
7.11 ~~was granted~~ The variance requirements under this subdivision for alternative overnight  
7.12 supervision do not apply to community residential settings licensed under chapter 245D.

7.13 **EFFECTIVE DATE.** This section is effective January 1, 2024.

7.14 Sec. 4. Minnesota Statutes 2022, section 245A.11, subdivision 7a, is amended to read:

7.15 Subd. 7a. **Alternate overnight supervision technology; adult foster care and**  
7.16 **community residential setting licenses.** (a) The commissioner may grant an applicant or  
7.17 license holder an adult foster care ~~or community residential setting~~ license for a residence  
7.18 that does not have a caregiver in the residence during normal sleeping hours as required  
7.19 under Minnesota Rules, part 9555.5105, subpart 37, item B, or section 245D.02, subdivision  
7.20 33b, but uses monitoring technology to alert the license holder when an incident occurs that  
7.21 may jeopardize the health, safety, or rights of a foster care recipient. The applicant or license  
7.22 holder must comply with all other requirements under Minnesota Rules, parts 9555.5105  
7.23 to 9555.6265, or applicable requirements under chapter 245D, and the requirements under  
7.24 this subdivision. The license printed by the commissioner must state in bold and large font:

7.25 (1) that the facility is under electronic monitoring; and

7.26 (2) the telephone number of the county's common entry point for making reports of  
7.27 suspected maltreatment of vulnerable adults under section 626.557, subdivision 9.

7.28 (b) Applications for a license under this section must be submitted directly to the  
7.29 Department of Human Services licensing division. The licensing division must immediately  
7.30 notify the county licensing agency. The licensing division must collaborate with the county  
7.31 licensing agency in the review of the application and the licensing of the program.

7.32 (c) Before a license is issued by the commissioner, and for the duration of the license,  
7.33 the applicant or license holder must establish, maintain, and document the implementation

8.1 of written policies and procedures addressing the requirements in paragraphs (d) through  
8.2 (f).

8.3 (d) The applicant or license holder must have policies and procedures that:

8.4 (1) establish characteristics of target populations that will be admitted into the home,  
8.5 and characteristics of populations that will not be accepted into the home;

8.6 (2) explain the discharge process when a resident served by the program requires  
8.7 overnight supervision or other services that cannot be provided by the license holder due  
8.8 to the limited hours that the license holder is on site;

8.9 (3) describe the types of events to which the program will respond with a physical  
8.10 presence when those events occur in the home during time when staff are not on site, and  
8.11 how the license holder's response plan meets the requirements in paragraph (e), clause (1)  
8.12 or (2);

8.13 (4) establish a process for documenting a review of the implementation and effectiveness  
8.14 of the response protocol for the response required under paragraph (e), clause (1) or (2).

8.15 The documentation must include:

8.16 (i) a description of the triggering incident;

8.17 (ii) the date and time of the triggering incident;

8.18 (iii) the time of the response or responses under paragraph (e), clause (1) or (2);

8.19 (iv) whether the response met the resident's needs;

8.20 (v) whether the existing policies and response protocols were followed; and

8.21 (vi) whether the existing policies and protocols are adequate or need modification.

8.22 When no physical presence response is completed for a three-month period, the license  
8.23 holder's written policies and procedures must require a physical presence response drill to  
8.24 be conducted for which the effectiveness of the response protocol under paragraph (e),  
8.25 clause (1) or (2), will be reviewed and documented as required under this clause; and

8.26 (5) establish that emergency and nonemergency phone numbers are posted in a prominent  
8.27 location in a common area of the home where they can be easily observed by a person  
8.28 responding to an incident who is not otherwise affiliated with the home.

8.29 (e) The license holder must document and include in the license application which  
8.30 response alternative under clause (1) or (2) is in place for responding to situations that  
8.31 present a serious risk to the health, safety, or rights of residents served by the program:

9.1 (1) response alternative (1) requires only the technology to provide an electronic  
9.2 notification or alert to the license holder that an event is underway that requires a response.  
9.3 Under this alternative, no more than ten minutes will pass before the license holder will be  
9.4 physically present on site to respond to the situation; or

9.5 (2) response alternative (2) requires the electronic notification and alert system under  
9.6 alternative (1), but more than ten minutes may pass before the license holder is present on  
9.7 site to respond to the situation. Under alternative (2), all of the following conditions are  
9.8 met:

9.9 (i) the license holder has a written description of the interactive technological applications  
9.10 that will assist the license holder in communicating with and assessing the needs related to  
9.11 the care, health, and safety of the foster care recipients. This interactive technology must  
9.12 permit the license holder to remotely assess the well being of the resident served by the  
9.13 program without requiring the initiation of the foster care recipient. Requiring the foster  
9.14 care recipient to initiate a telephone call does not meet this requirement;

9.15 (ii) the license holder documents how the remote license holder is qualified and capable  
9.16 of meeting the needs of the foster care recipients and assessing foster care recipients' needs  
9.17 under item (i) during the absence of the license holder on site;

9.18 (iii) the license holder maintains written procedures to dispatch emergency response  
9.19 personnel to the site in the event of an identified emergency; and

9.20 (iv) each resident's individualized plan of care, support plan under sections 256B.0913,  
9.21 subdivision 8; 256B.092, subdivision 1b; 256B.49, subdivision 15; and 256S.10, if required,  
9.22 or individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart  
9.23 19, if required, identifies the maximum response time, which may be greater than ten minutes,  
9.24 for the license holder to be on site for that resident.

9.25 (f) Each resident's placement agreement, individual service agreement, and plan must  
9.26 clearly state that the adult foster care ~~or community residential setting~~ license category is  
9.27 a program without the presence of a caregiver in the residence during normal sleeping hours;  
9.28 the protocols in place for responding to situations that present a serious risk to the health,  
9.29 safety, or rights of residents served by the program under paragraph (e), clause (1) or (2);  
9.30 and a signed informed consent from each resident served by the program or the person's  
9.31 legal representative documenting the person's or legal representative's agreement with  
9.32 placement in the program. If electronic monitoring technology is used in the home, the  
9.33 informed consent form must also explain the following:

9.34 (1) how any electronic monitoring is incorporated into the alternative supervision system;

10.1 (2) the backup system for any electronic monitoring in times of electrical outages or  
10.2 other equipment malfunctions;

10.3 (3) how the caregivers or direct support staff are trained on the use of the technology;

10.4 (4) the event types and license holder response times established under paragraph (e);

10.5 (5) how the license holder protects each resident's privacy related to electronic monitoring  
10.6 and related to any electronically recorded data generated by the monitoring system. A  
10.7 resident served by the program may not be removed from a program under this subdivision  
10.8 for failure to consent to electronic monitoring. The consent form must explain where and  
10.9 how the electronically recorded data is stored, with whom it will be shared, and how long  
10.10 it is retained; and

10.11 (6) the risks and benefits of the alternative overnight supervision system.

10.12 The written explanations under clauses (1) to (6) may be accomplished through  
10.13 cross-references to other policies and procedures as long as they are explained to the person  
10.14 giving consent, and the person giving consent is offered a copy.

10.15 (g) Nothing in this section requires the applicant or license holder to develop or maintain  
10.16 separate or duplicative policies, procedures, documentation, consent forms, or individual  
10.17 plans that may be required for other licensing standards, if the requirements of this section  
10.18 are incorporated into those documents.

10.19 (h) The commissioner may grant variances to the requirements of this section according  
10.20 to section 245A.04, subdivision 9.

10.21 (i) For the purposes of paragraphs (d) through (h), "license holder" has the meaning  
10.22 under section 245A.02, subdivision 9, and additionally includes all staff, volunteers, and  
10.23 contractors affiliated with the license holder.

10.24 (j) For the purposes of paragraph (e), the terms "assess" and "assessing" mean to remotely  
10.25 determine what action the license holder needs to take to protect the well-being of the foster  
10.26 care recipient.

10.27 (k) The commissioner shall evaluate license applications using the requirements in  
10.28 paragraphs (d) to (f). The commissioner shall provide detailed application forms, including  
10.29 a checklist of criteria needed for approval.

10.30 (l) To be eligible for a license under paragraph (a), the adult foster care ~~or community~~  
10.31 ~~residential setting~~ license holder must not have had a conditional license issued under section  
10.32 245A.06 or any licensing sanction under section 245A.07 during the prior 24 months based

11.1 on failure to provide adequate supervision, health care services, or resident safety in the  
 11.2 adult foster care home ~~or community residential setting.~~

11.3 (m) The commissioner shall review an application for an alternative overnight supervision  
 11.4 license within 60 days of receipt of the application. When the commissioner receives an  
 11.5 application that is incomplete because the applicant failed to submit required documents or  
 11.6 that is substantially deficient because the documents submitted do not meet licensing  
 11.7 requirements, the commissioner shall provide the applicant written notice that the application  
 11.8 is incomplete or substantially deficient. In the written notice to the applicant, the  
 11.9 commissioner shall identify documents that are missing or deficient and give the applicant  
 11.10 45 days to resubmit a second application that is substantially complete. An applicant's failure  
 11.11 to submit a substantially complete application after receiving notice from the commissioner  
 11.12 is a basis for license denial under section 245A.05. The commissioner shall complete  
 11.13 subsequent review within 30 days.

11.14 (n) Once the application is considered complete under paragraph (m), the commissioner  
 11.15 will approve or deny an application for an alternative overnight supervision license within  
 11.16 60 days.

11.17 (o) For the purposes of this subdivision, "supervision" means:

11.18 (1) oversight by a caregiver or direct support staff as specified in the individual resident's  
 11.19 place agreement or support plan and awareness of the resident's needs and activities; and

11.20 (2) the presence of a caregiver or direct support staff in a residence during normal sleeping  
 11.21 hours, unless a determination has been made and documented in the individual's support  
 11.22 plan that the individual does not require the presence of a caregiver or direct support staff  
 11.23 during normal sleeping hours.

68.7 a temporary stay of demission, when requested by the disability waiver recipient, consistent  
68.8 with the provisions of section 256.045, subdivisions 4a and 6, paragraph (c). The temporary

 98.18 a grantee selected under subdivision 3 when awarding technology-related grants, if the  
 98.19 grantee is using technology as part of the proposal unless that priority conflicts with existing  
 98.20 state or federal guidance related to grant awards by the Department of Health. The  
 98.21 commissioner of transportation shall give priority to a grantee under subdivision 3 when

98.25 Subd. 3b. **State waivers.** The commissioner of health may waive applicable state laws  
 98.26 and rules for grantees under subdivision 3 on a time-limited basis if the commissioner of

 100.4 participants, participants families, and the formal and informal providers are all part of

 101.9 commissioner may award grants to the extent grant funds are available and to the extent  
 101.10 applications are approved by the commissioner. Denial of approval of an application in one  
 101.11 year does not preclude submission of an application in a subsequent year. The maximum  
 101.12 grant amount is limited to \$750,000.

101.13 Sec. 3. **[256.9756] CAREGIVER RESPITE SERVICES GRANTS.**

101.14 **Subdivision 1. Caregiver respite services grant program established.** The Minnesota  
 101.15 Board on Aging must establish a caregiver respite services grant program to increase the  
 101.16 availability of respite services for family caregivers of people with dementia and older adults  
 101.17 and to provide information, education, and training to respite caregivers and volunteers  
 101.18 regarding caring for people with dementia. From the money made available for this purpose,  
 101.19 the board must award grants on a competitive basis to respite service providers, giving  
 101.20 priority to areas of the state where there is a high need of respite services.

101.21 **Subd. 2. Eligible uses.** Grant recipients awarded grant money under this section must  
 101.22 use a portion of the grant award as determined by the board to provide free or subsidized

102.1 Sec. 4. Minnesota Statutes 2022, section 256B.0913, subdivision 4, is amended to read:

102.2 Subd. 4. **Eligibility for funding for services for nonmedical assistance recipients.** (a)

102.3 Funding for services under the alternative care program is available to persons who meet  
102.4 the following criteria:

102.5 (1) the person is a citizen of the United States or a United States national;

102.6 (2) the person has been determined by a community assessment under section 256B.0911  
102.7 to be a person who would require the level of care provided in a nursing facility, as  
102.8 determined under section 256B.0911, subdivision 26, but for the provision of services under  
102.9 the alternative care program;

102.10 (3) the person is age 65 or older;

102.11 (4) the person would be eligible for medical assistance within 135 days of admission to  
102.12 a nursing facility;

102.13 (5) the person is not ineligible for the payment of long-term care services by the medical  
102.14 assistance program due to an asset transfer penalty under section 256B.0595 or equity  
102.15 interest in the home exceeding \$500,000 as stated in section 256B.056;

102.16 (6) the person needs long-term care services that are not funded through other state or  
102.17 federal funding, or other health insurance or other third-party insurance such as long-term  
102.18 care insurance;

102.19 (7) except for individuals described in clause (8), the monthly cost of the alternative  
102.20 care services funded by the program for this person does not exceed 75 percent of the  
102.21 monthly limit described under section 256S.18. This monthly limit does not prohibit the  
102.22 alternative care client from payment for additional services, but in no case may the cost of  
102.23 additional services purchased under this section exceed the difference between the client's  
102.24 monthly service limit defined under section 256S.04, and the alternative care program  
102.25 monthly service limit defined in this paragraph. If care-related supplies and equipment or  
102.26 environmental modifications and adaptations are or will be purchased for an alternative  
102.27 care services recipient, the costs may be prorated on a monthly basis for up to 12 consecutive  
102.28 months beginning with the month of purchase. If the monthly cost of a recipient's other  
102.29 alternative care services exceeds the monthly limit established in this paragraph, the annual  
102.30 cost of the alternative care services shall be determined. In this event, the annual cost of  
102.31 alternative care services shall not exceed 12 times the monthly limit described in this  
102.32 paragraph;

103.1 (8) for individuals assigned a case mix classification A as described under section  
 103.2 256S.18, with (i) no dependencies in activities of daily living, or (ii) up to two dependencies  
 103.3 in bathing, dressing, grooming, walking, and eating when the dependency score in eating  
 103.4 is three or greater as determined by an assessment performed under section 256B.0911, the  
 103.5 monthly cost of alternative care services funded by the program cannot exceed \$593 per  
 103.6 month for all new participants enrolled in the program on or after July 1, 2011. This monthly  
 103.7 limit shall be applied to all other participants who meet this criteria at reassessment. This  
 103.8 monthly limit shall be increased annually as described in section 256S.18. This monthly  
 103.9 limit does not prohibit the alternative care client from payment for additional services, but  
 103.10 in no case may the cost of additional services purchased exceed the difference between the  
 103.11 client's monthly service limit defined in this clause and the limit described in clause (7) for  
 103.12 case mix classification A; ~~and~~

103.13 (9) the person is making timely payments of the assessed monthly fee. A person is  
 103.14 ineligible if payment of the fee is over 60 days past due, unless the person agrees to:

103.15 (i) the appointment of a representative payee;

103.16 (ii) automatic payment from a financial account;

103.17 (iii) the establishment of greater family involvement in the financial management of  
 103.18 payments; or

103.19 (iv) another method acceptable to the lead agency to ensure prompt fee payments; and

103.20 (10) for a person participating in consumer-directed community supports, the person's  
 103.21 monthly service limit must be equal to the monthly service limits in clause (7), except that  
 103.22 a person assigned a case mix classification L must receive the monthly service limit for  
 103.23 case mix classification A.

103.24 (b) The lead agency may extend the client's eligibility as necessary while making  
 103.25 arrangements to facilitate payment of past-due amounts and future premium payments.  
 103.26 Following disenrollment due to nonpayment of a monthly fee, eligibility shall not be  
 103.27 reinstated for a period of 30 days.

103.28 (c) Alternative care funding under this subdivision is not available for a person who is  
 103.29 a medical assistance recipient or who would be eligible for medical assistance without a  
 103.30 spenddown or waiver obligation. A person whose initial application for medical assistance  
 103.31 and the elderly waiver program is being processed may be served under the alternative care  
 103.32 program for a period up to 60 days. If the individual is found to be eligible for medical  
 103.33 assistance, medical assistance must be billed for services payable under the federally

104.1 approved elderly waiver plan and delivered from the date the individual was found eligible  
104.2 for the federally approved elderly waiver plan. Notwithstanding this provision, alternative  
104.3 care funds may not be used to pay for any service the cost of which: (i) is payable by medical  
104.4 assistance; (ii) is used by a recipient to meet a waiver obligation; or (iii) is used to pay a  
104.5 medical assistance income spenddown for a person who is eligible to participate in the  
104.6 federally approved elderly waiver program under the special income standard provision.

104.7 (d) Alternative care funding is not available for a person who resides in a licensed nursing  
104.8 home, certified boarding care home, hospital, or intermediate care facility, except for case  
104.9 management services which are provided in support of the discharge planning process for  
104.10 a nursing home resident or certified boarding care home resident to assist with a relocation  
104.11 process to a community-based setting.

104.12 (e) Alternative care funding is not available for a person whose income is greater than  
104.13 the maintenance needs allowance under section 256S.05, but equal to or less than 120 percent  
104.14 of the federal poverty guideline effective July 1 in the fiscal year for which alternative care  
104.15 eligibility is determined, who would be eligible for the elderly waiver with a waiver  
104.16 obligation.

104.17 **EFFECTIVE DATE.** This section is effective January 1, 2024, or upon federal approval,  
104.18 whichever is later. The commissioner of human services shall notify the revisor of statutes  
104.19 when approval is obtained.

134.11 Section 1. Minnesota Statutes 2022, section 252.27, subdivision 2a, is amended to read:

134.12 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor child,  
134.13 not including a child determined eligible for medical assistance without consideration of  
134.14 parental income under the Tax Equity and Fiscal Responsibility Act (TEFRA) option or a  
134.15 child accessing home and community-based waiver services, must contribute to the cost of  
134.16 services used by making monthly payments on a sliding scale based on income, unless the  
134.17 child is married or has been married, parental rights have been terminated, or the child's  
134.18 adoption is subsidized according to chapter 259A or through title IV-E of the Social Security  
134.19 Act. The parental contribution is a partial or full payment for medical services provided for  
134.20 diagnostic, therapeutic, curing, treating, mitigating, rehabilitation, maintenance, and personal  
134.21 care services as defined in United States Code, title 26, section 213, needed by the child  
134.22 with a chronic illness or disability.

134.23 (b) For households with adjusted gross income equal to or greater than 275 percent of  
134.24 federal poverty guidelines, the parental contribution shall be computed by applying the  
134.25 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

134.26 (1) if the adjusted gross income is equal to or greater than 275 percent of federal poverty  
134.27 guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental  
134.28 contribution shall be determined using a sliding fee scale established by the commissioner  
134.29 of human services which begins at 1.65 percent of adjusted gross income at 275 percent of  
134.30 federal poverty guidelines and increases to 4.5 percent of adjusted gross income for those  
134.31 with adjusted gross income up to 545 percent of federal poverty guidelines;

135.1 (2) if the adjusted gross income is greater than 545 percent of federal poverty guidelines  
135.2 and less than 675 percent of federal poverty guidelines, the parental contribution shall be  
135.3 4.5 percent of adjusted gross income;

135.4 (3) if the adjusted gross income is equal to or greater than 675 percent of federal poverty  
135.5 guidelines and less than 975 percent of federal poverty guidelines, the parental contribution  
135.6 shall be determined using a sliding fee scale established by the commissioner of human  
135.7 services which begins at 4.5 percent of adjusted gross income at 675 percent of federal  
135.8 poverty guidelines and increases to 5.99 percent of adjusted gross income for those with  
135.9 adjusted gross income up to 975 percent of federal poverty guidelines; and

135.10 (4) if the adjusted gross income is equal to or greater than 975 percent of federal poverty  
135.11 guidelines, the parental contribution shall be 7.49 percent of adjusted gross income.

135.12 If the child lives with the parent, the annual adjusted gross income is reduced by \$2,400  
135.13 prior to calculating the parental contribution. If the child resides in an institution specified  
135.14 in section 256B.35, the parent is responsible for the personal needs allowance specified  
135.15 under that section in addition to the parental contribution determined under this section.  
135.16 The parental contribution is reduced by any amount required to be paid directly to the child  
135.17 pursuant to a court order, but only if actually paid.

135.18 (c) The household size to be used in determining the amount of contribution under  
135.19 paragraph (b) includes natural and adoptive parents and their dependents, including the  
135.20 child receiving services. Adjustments in the contribution amount due to annual changes in  
135.21 the federal poverty guidelines shall be implemented on the first day of July following  
135.22 publication of the changes.

135.23 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the  
135.24 natural or adoptive parents determined according to the previous year's federal tax form,  
135.25 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds  
135.26 have been used to purchase a home shall not be counted as income.

135.27 (e) The contribution shall be explained in writing to the parents at the time eligibility  
135.28 for services is being determined. The contribution shall be made on a monthly basis effective  
135.29 with the first month in which the child receives services. Annually upon redetermination  
135.30 or at termination of eligibility, if the contribution exceeded the cost of services provided,  
135.31 the local agency or the state shall reimburse that excess amount to the parents, either by  
135.32 direct reimbursement if the parent is no longer required to pay a contribution, or by a  
135.33 reduction in or waiver of parental fees until the excess amount is exhausted. All  
135.34 reimbursements must include a notice that the amount reimbursed may be taxable income

136.1 if the parent paid for the parent's fees through an employer's health care flexible spending  
136.2 account under the Internal Revenue Code, section 125, and that the parent is responsible  
136.3 for paying the taxes owed on the amount reimbursed.

136.4 (f) The monthly contribution amount must be reviewed at least every 12 months; when  
136.5 there is a change in household size; and when there is a loss of or gain in income from one  
136.6 month to another in excess of ten percent. The local agency shall mail a written notice 30  
136.7 days in advance of the effective date of a change in the contribution amount. A decrease in  
136.8 the contribution amount is effective in the month that the parent verifies a reduction in  
136.9 income or change in household size.

136.10 (g) Parents of a minor child who do not live with each other shall each pay the  
136.11 contribution required under paragraph (a). An amount equal to the annual court-ordered  
136.12 child support payment actually paid on behalf of the child receiving services shall be deducted  
136.13 from the adjusted gross income of the parent making the payment prior to calculating the  
136.14 parental contribution under paragraph (b).

136.15 (h) The contribution under paragraph (b) shall be increased by an additional five percent  
136.16 if the local agency determines that insurance coverage is available but not obtained for the  
136.17 child. For purposes of this section, "available" means the insurance is a benefit of employment  
136.18 for a family member at an annual cost of no more than five percent of the family's annual  
136.19 income. For purposes of this section, "insurance" means health and accident insurance  
136.20 coverage, enrollment in a nonprofit health service plan, health maintenance organization,  
136.21 self-insured plan, or preferred provider organization.

136.22 Parents who have more than one child receiving services shall not be required to pay  
136.23 more than the amount for the child with the highest expenditures. There shall be no resource  
136.24 contribution from the parents. The parent shall not be required to pay a contribution in  
136.25 excess of the cost of the services provided to the child, not counting payments made to  
136.26 school districts for education-related services. Notice of an increase in fee payment must  
136.27 be given at least 30 days before the increased fee is due.

136.28 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if, in  
136.29 the 12 months prior to July 1:

136.30 (1) the parent applied for insurance for the child;

136.31 (2) the insurer denied insurance;

137.1 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted a  
137.2 complaint or appeal, in writing, to the commissioner of health or the commissioner of  
137.3 commerce, or litigated the complaint or appeal; and

137.4 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

137.5 For purposes of this section, "insurance" has the meaning given in paragraph (h).

137.6 A parent who has requested a reduction in the contribution amount under this paragraph  
137.7 shall submit proof in the form and manner prescribed by the commissioner or county agency,  
137.8 including, but not limited to, the insurer's denial of insurance, the written letter or complaint  
137.9 of the parents, court documents, and the written response of the insurer approving insurance.  
137.10 The determinations of the commissioner or county agency under this paragraph are not rules  
137.11 subject to chapter 14.

137.12 Sec. 2. Minnesota Statutes 2022, section 256B.04, is amended by adding a subdivision to  
137.13 read:

137.17 256B.057, subdivision 9, to all medical assistance enrollees who indicate they have a  
137.18 disability.

137.19 Sec. 3. Minnesota Statutes 2022, section 256B.056, subdivision 3, is amended to read:

137.20 Subd. 3. **Asset limitations for certain individuals.** (a) To be eligible for medical  
137.21 assistance, a person must not individually own more than \$3,000 in assets, or if a member  
137.22 of a household with two family members, husband and wife, or parent and child, the  
137.23 household must not own more than \$6,000 in assets, plus \$200 for each additional legal  
137.24 dependent. In addition to these maximum amounts, an eligible individual or family may  
137.25 accrue interest on these amounts, but they must be reduced to the maximum at the time of  
137.26 an eligibility redetermination. The accumulation of the clothing and personal needs allowance  
137.27 according to section 256B.35 must also be reduced to the maximum at the time of the  
137.28 eligibility redetermination. The value of assets that are not considered in determining  
137.29 eligibility for medical assistance is the value of those assets excluded under the Supplemental  
137.30 Security Income program for aged, blind, and disabled persons, with the following  
137.31 exceptions:

137.32 (1) household goods and personal effects are not considered;

138.1 (2) capital and operating assets of a trade or business that the local agency determines  
138.2 are necessary to the person's ability to earn an income are not considered;

138.3 (3) motor vehicles are excluded to the same extent excluded by the Supplemental Security  
138.4 Income program;

138.5 (4) assets designated as burial expenses are excluded to the same extent excluded by the  
138.6 Supplemental Security Income program. Burial expenses funded by annuity contracts or  
138.7 life insurance policies must irrevocably designate the individual's estate as contingent  
138.8 beneficiary to the extent proceeds are not used for payment of selected burial expenses;

138.9 (5) for a person who no longer qualifies as an employed person with a disability due to  
138.10 loss of earnings, assets allowed while eligible for medical assistance under section 256B.057,  
138.11 subdivision 9, are not considered for 12 months, beginning with the first month of ineligibility  
138.12 as an employed person with a disability, ~~to the extent that the person's total assets remain~~  
138.13 ~~within the allowed limits of section 256B.057, subdivision 9, paragraph (d);~~

138.14 (6) a designated employment incentives asset account is disregarded when determining  
138.15 eligibility for medical assistance for a person age 65 years or older under section 256B.055,  
138.16 subdivision 7. An employment incentives asset account must only be designated by a person  
138.17 who has been enrolled in medical assistance under section 256B.057, subdivision 9, for a  
138.18 24-consecutive-month period. A designated employment incentives asset account contains  
138.19 qualified assets owned by the person ~~and the person's spouse~~ in the last month of enrollment  
138.20 in medical assistance under section 256B.057, subdivision 9. Qualified assets include  
138.21 retirement and pension accounts, medical expense accounts, and up to \$17,000 of the person's  
138.22 other nonexcluded liquid assets. An employment incentives asset account is no longer  
138.23 designated when a person loses medical assistance eligibility for a calendar month or more  
138.24 before turning age 65. A person who loses medical assistance eligibility before age 65 can  
138.25 establish a new designated employment incentives asset account by establishing a new  
138.26 24-consecutive-month period of enrollment under section 256B.057, subdivision 9. ~~The~~  
138.27 ~~income of a spouse of a person enrolled in medical assistance under section 256B.057,~~  
138.28 ~~subdivision 9, during each of the 24 consecutive months before the person's 65th birthday~~  
138.29 ~~must be disregarded when determining eligibility for medical assistance under section~~  
138.30 ~~256B.055, subdivision 7. Persons eligible under this clause are not subject to the provisions~~  
138.31 ~~in section 256B.059; and~~

138.32 (7) effective July 1, 2009, certain assets owned by American Indians are excluded as  
138.33 required by section 5006 of the American Recovery and Reinvestment Act of 2009, Public

139.1 Law 111-5. For purposes of this clause, an American Indian is any person who meets the  
 139.2 definition of Indian according to Code of Federal Regulations, title 42, section 447.50.

139.3 (b) No asset limit shall apply to persons eligible under ~~section~~ sections 256B.055,  
 139.4 subdivision 15, and 256B.057, subdivision 9.

139.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

139.6 Sec. 4. Minnesota Statutes 2022, section 256B.057, subdivision 9, is amended to read:

139.7 Subd. 9. **Employed persons with disabilities.** (a) Medical assistance may be paid for  
 139.8 a person who is employed and who:

139.9 (1) but for excess earnings or assets, meets the definition of disabled under the  
 139.10 Supplemental Security Income program; and

139.11 (2) ~~meets the asset limits in paragraph (d); and~~

139.12 ~~(3)~~ pays a premium and other obligations under paragraph (e).

139.13 (b) For purposes of eligibility, there is a \$65 earned income disregard. To be eligible  
 139.14 for medical assistance under this subdivision, a person must have more than \$65 of earned  
 139.15 income. Earned income must have Medicare, Social Security, and applicable state and  
 139.16 federal taxes withheld. The person must document earned income tax withholding. Any  
 139.17 spousal income ~~or assets~~ shall be disregarded for purposes of eligibility and premium  
 139.18 determinations.

139.19 (c) After the month of enrollment, a person enrolled in medical assistance under this  
 139.20 subdivision who:

139.21 (1) is temporarily unable to work and without receipt of earned income due to a medical  
 139.22 condition, as verified by a physician, advanced practice registered nurse, or physician  
 139.23 assistant; or

139.24 (2) loses employment for reasons not attributable to the enrollee, and is without receipt  
 139.25 of earned income may retain eligibility for up to four consecutive months after the month  
 139.26 of job loss. To receive a four-month extension, enrollees must verify the medical condition  
 139.27 or provide notification of job loss. All other eligibility requirements must be met and the  
 139.28 enrollee must pay all calculated premium costs for continued eligibility.

139.29 ~~(d) For purposes of determining eligibility under this subdivision, a person's assets must~~  
 139.30 ~~not exceed \$20,000, excluding:~~

139.31 ~~(1) all assets excluded under section 256B.056;~~

140.1 ~~(2) retirement accounts, including individual accounts, 401(k) plans, 403(b) plans, Keogh~~  
140.2 ~~plans, and pension plans;~~

140.3 ~~(3) medical expense accounts set up through the person's employer; and~~

140.4 ~~(4) spousal assets, including spouse's share of jointly held assets.~~

140.5 ~~(e)~~ All enrollees must pay a premium to be eligible for medical assistance under this  
140.6 subdivision, except as provided under clause (5).

140.7 (1) An enrollee must pay the greater of a \$35 premium or the premium calculated based  
140.8 on the person's gross earned and unearned income and the applicable family size using a  
140.9 sliding fee scale established by the commissioner, which begins at one percent of income  
140.10 at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income for  
140.11 those with incomes at or above 300 percent of the federal poverty guidelines.

140.12 (2) Annual adjustments in the premium schedule based upon changes in the federal  
140.13 poverty guidelines shall be effective for premiums due in July of each year.

140.14 (3) All enrollees who receive unearned income must pay one-half of one percent of  
140.15 unearned income in addition to the premium amount, except as provided under clause (5).

140.16 (4) Increases in benefits under title II of the Social Security Act shall not be counted as  
140.17 income for purposes of this subdivision until July 1 of each year.

140.18 (5) Effective July 1, 2009, American Indians are exempt from paying premiums as  
140.19 required by section 5006 of the American Recovery and Reinvestment Act of 2009, Public  
140.20 Law 111-5. For purposes of this clause, an American Indian is any person who meets the  
140.21 definition of Indian according to Code of Federal Regulations, title 42, section 447.50.

140.22 ~~(f)~~ (e) A person's eligibility and premium shall be determined by the local county agency.  
140.23 Premiums must be paid to the commissioner. All premiums are dedicated to the  
140.24 commissioner.

140.25 ~~(g)~~ (f) Any required premium shall be determined at application and redetermined at the  
140.26 enrollee's six-month income review or when a change in income or household size is reported.  
140.27 Enrollees must report any change in income or household size within ten days of when the  
140.28 change occurs. A decreased premium resulting from a reported change in income or  
140.29 household size shall be effective the first day of the next available billing month after the  
140.30 change is reported. Except for changes occurring from annual cost-of-living increases, a  
140.31 change resulting in an increased premium shall not affect the premium amount until the  
140.32 next six-month review.

141.1 ~~(h)~~ (g) Premium payment is due upon notification from the commissioner of the premium  
 141.2 amount required. Premiums may be paid in installments at the discretion of the commissioner.

141.3 ~~(i)~~ (h) Nonpayment of the premium shall result in denial or termination of medical  
 141.4 assistance unless the person demonstrates good cause for nonpayment. "Good cause" means  
 141.5 an excuse for the enrollee's failure to pay the required premium when due because the  
 141.6 circumstances were beyond the enrollee's control or not reasonably foreseeable. The  
 141.7 commissioner shall determine whether good cause exists based on the weight of the  
 141.8 supporting evidence submitted by the enrollee to demonstrate good cause. Except when an  
 141.9 installment agreement is accepted by the commissioner, all persons disenrolled for  
 141.10 nonpayment of a premium must pay any past due premiums as well as current premiums  
 141.11 due prior to being reenrolled. Nonpayment shall include payment with a returned, refused,  
 141.12 or dishonored instrument. The commissioner may require a guaranteed form of payment as  
 141.13 the only means to replace a returned, refused, or dishonored instrument.

141.14 ~~(j)~~ (i) For enrollees whose income does not exceed 200 percent of the federal poverty  
 141.15 guidelines and who are also enrolled in Medicare, the commissioner shall reimburse the  
 141.16 enrollee for Medicare part B premiums under section 256B.0625, subdivision 15, paragraph  
 141.17 (a).

141.18 (j) The commissioner is authorized to determine that a premium amount was calculated  
 141.19 or billed in error, make corrections to financial records and billing systems, and refund  
 141.20 premiums collected in error.

141.21 **EFFECTIVE DATE.** This section is effective January 1, 2024, or upon federal approval,  
 141.22 whichever occurs later, except that paragraph (j) is effective the day following final  
 141.23 enactment. The commissioner of human services shall notify the revisor of statutes when  
 141.24 federal approval is obtained.

141.25 Sec. 5. Minnesota Statutes 2022, section 256B.0625, subdivision 17, is amended to read:

141.26 Subd. 17. **Transportation costs.** (a) "Nonemergency medical transportation service"  
 141.27 means motor vehicle transportation provided by a public or private person that serves  
 141.28 Minnesota health care program beneficiaries who do not require emergency ambulance  
 141.29 service, as defined in section 144E.001, subdivision 3, to obtain covered medical services.

141.30 (b) Medical assistance covers medical transportation costs incurred solely for obtaining  
 141.31 emergency medical care or transportation costs incurred by eligible persons in obtaining  
 141.32 emergency or nonemergency medical care when paid directly to an ambulance company,

142.1 nonemergency medical transportation company, or other recognized providers of  
142.2 transportation services. Medical transportation must be provided by:

142.3 (1) nonemergency medical transportation providers who meet the requirements of this  
142.4 subdivision;

142.5 (2) ambulances, as defined in section 144E.001, subdivision 2;

142.6 (3) taxicabs that meet the requirements of this subdivision;

142.7 (4) public transit, as defined in section 174.22, subdivision 7; or

142.8 (5) not-for-hire vehicles, including volunteer drivers, as defined in section 65B.472,  
142.9 subdivision 1, paragraph (h).

142.10 (c) Medical assistance covers nonemergency medical transportation provided by  
142.11 nonemergency medical transportation providers enrolled in the Minnesota health care  
142.12 programs. All nonemergency medical transportation providers must comply with the  
142.13 operating standards for special transportation service as defined in sections 174.29 to 174.30  
142.14 and Minnesota Rules, chapter 8840, and all drivers must be individually enrolled with the  
142.15 commissioner and reported on the claim as the individual who provided the service. All  
142.16 nonemergency medical transportation providers shall bill for nonemergency medical  
142.17 transportation services in accordance with Minnesota health care programs criteria. Publicly  
142.18 operated transit systems, volunteers, and not-for-hire vehicles are exempt from the  
142.19 requirements outlined in this paragraph.

142.20 (d) An organization may be terminated, denied, or suspended from enrollment if:

142.21 (1) the provider has not initiated background studies on the individuals specified in  
142.22 section 174.30, subdivision 10, paragraph (a), clauses (1) to (3); or

142.23 (2) the provider has initiated background studies on the individuals specified in section  
142.24 174.30, subdivision 10, paragraph (a), clauses (1) to (3), and:

142.25 (i) the commissioner has sent the provider a notice that the individual has been  
142.26 disqualified under section 245C.14; and

142.27 (ii) the individual has not received a disqualification set-aside specific to the special  
142.28 transportation services provider under sections 245C.22 and 245C.23.

142.29 (e) The administrative agency of nonemergency medical transportation must:

142.30 (1) adhere to the policies defined by the commissioner;

143.1 (2) pay nonemergency medical transportation providers for services provided to  
143.2 Minnesota health care programs beneficiaries to obtain covered medical services;

143.3 (3) provide data monthly to the commissioner on appeals, complaints, no-shows, canceled  
143.4 trips, and number of trips by mode; and

143.5 (4) by July 1, 2016, in accordance with subdivision 18e, utilize a web-based single  
143.6 administrative structure assessment tool that meets the technical requirements established  
143.7 by the commissioner, reconciles trip information with claims being submitted by providers,  
143.8 and ensures prompt payment for nonemergency medical transportation services.

143.9 (f) Until the commissioner implements the single administrative structure and delivery  
143.10 system under subdivision 18e, clients shall obtain their level-of-service certificate from the  
143.11 commissioner or an entity approved by the commissioner that does not dispatch rides for  
143.12 clients using modes of transportation under paragraph (i), clauses (4), (5), (6), and (7).

143.13 (g) The commissioner may use an order by the recipient's attending physician, advanced  
143.14 practice registered nurse, physician assistant, or a medical or mental health professional to  
143.15 certify that the recipient requires nonemergency medical transportation services.

143.16 Nonemergency medical transportation providers shall perform driver-assisted services for  
143.17 eligible individuals, when appropriate. Driver-assisted service includes passenger pickup  
143.18 at and return to the individual's residence or place of business, assistance with admittance  
143.19 of the individual to the medical facility, and assistance in passenger securement or in securing  
143.20 of wheelchairs, child seats, or stretchers in the vehicle.

143.21 Nonemergency medical transportation providers must take clients to the health care  
143.22 provider using the most direct route, and must not exceed 30 miles for a trip to a primary  
143.23 care provider or 60 miles for a trip to a specialty care provider, unless the client receives  
143.24 authorization from the local agency.

143.25 Nonemergency medical transportation providers may not bill for separate base rates for  
143.26 the continuation of a trip beyond the original destination. Nonemergency medical  
143.27 transportation providers must maintain trip logs, which include pickup and drop-off times,  
143.28 signed by the medical provider or client, whichever is deemed most appropriate, attesting  
143.29 to mileage traveled to obtain covered medical services. Clients requesting client mileage  
143.30 reimbursement must sign the trip log attesting mileage traveled to obtain covered medical  
143.31 services.

143.32 (h) The administrative agency shall use the level of service process established by the  
143.33 commissioner to determine the client's most appropriate mode of transportation. If public

144.1 transit or a certified transportation provider is not available to provide the appropriate service  
144.2 mode for the client, the client may receive a onetime service upgrade.

144.3 (i) The covered modes of transportation are:

144.4 (1) client reimbursement, which includes client mileage reimbursement provided to  
144.5 clients who have their own transportation, or to family or an acquaintance who provides  
144.6 transportation to the client;

144.7 (2) volunteer transport, which includes transportation by volunteers using their own  
144.8 vehicle;

144.9 (3) unassisted transport, which includes transportation provided to a client by a taxicab  
144.10 or public transit. If a taxicab or public transit is not available, the client can receive  
144.11 transportation from another nonemergency medical transportation provider;

144.12 (4) assisted transport, which includes transport provided to clients who require assistance  
144.13 by a nonemergency medical transportation provider;

144.14 (5) lift-equipped/ramp transport, which includes transport provided to a client who is  
144.15 dependent on a device and requires a nonemergency medical transportation provider with  
144.16 a vehicle containing a lift or ramp;

144.17 (6) protected transport, which includes transport provided to a client who has received  
144.18 a prescreening that has deemed other forms of transportation inappropriate and who requires  
144.19 a provider: (i) with a protected vehicle that is not an ambulance or police car and has safety  
144.20 locks, a video recorder, and a transparent thermoplastic partition between the passenger and  
144.21 the vehicle driver; and (ii) who is certified as a protected transport provider; and

144.22 (7) stretcher transport, which includes transport for a client in a prone or supine position  
144.23 and requires a nonemergency medical transportation provider with a vehicle that can transport  
144.24 a client in a prone or supine position.

144.25 (j) The local agency shall be the single administrative agency and shall administer and  
144.26 reimburse for modes defined in paragraph (i) according to paragraphs (m) and (n) when the  
144.27 commissioner has developed, made available, and funded the web-based single administrative  
144.28 structure, assessment tool, and level of need assessment under subdivision 18e. The local  
144.29 agency's financial obligation is limited to funds provided by the state or federal government.

144.30 (k) The commissioner shall:

144.31 (1) verify that the mode and use of nonemergency medical transportation is appropriate;

144.32 (2) verify that the client is going to an approved medical appointment; and

145.1 (3) investigate all complaints and appeals.

145.2 (l) The administrative agency shall pay for the services provided in this subdivision and  
145.3 seek reimbursement from the commissioner, if appropriate. As vendors of medical care,  
145.4 local agencies are subject to the provisions in section 256B.041, the sanctions and monetary  
145.5 recovery actions in section 256B.064, and Minnesota Rules, parts 9505.2160 to 9505.2245.

145.6 (m) Payments for nonemergency medical transportation must be paid based on the client's  
145.7 assessed mode under paragraph (h), not the type of vehicle used to provide the service. The  
145.8 medical assistance reimbursement rates for nonemergency medical transportation services  
145.9 that are payable by or on behalf of the commissioner for nonemergency medical  
145.10 transportation services are:

145.11 (1) \$0.22 per mile for client reimbursement;

145.12 (2) up to 100 percent of the Internal Revenue Service business deduction rate for volunteer  
145.13 transport;

145.14 (3) equivalent to the standard fare for unassisted transport when provided by public  
145.15 transit, and ~~\$11~~ \$12.10 for the base rate and ~~\$1.30~~ \$1.43 per mile when provided by a  
145.16 nonemergency medical transportation provider;

145.17 (4) ~~\$13~~ \$14.30 for the base rate and ~~\$1.30~~ \$1.43 per mile for assisted transport;

145.18 (5) ~~\$18~~ \$19.80 for the base rate and ~~\$1.55~~ \$1.70 per mile for lift-equipped/ramp transport;

145.19 (6) \$75 for the base rate and \$2.40 per mile for protected transport; and

145.20 (7) \$60 for the base rate and \$2.40 per mile for stretcher transport, and \$9 per trip for  
145.21 an additional attendant if deemed medically necessary.

145.22 (n) The base rate for nonemergency medical transportation services in areas defined  
145.23 under RUCA to be super rural is equal to 111.3 percent of the respective base rate in  
145.24 paragraph (m), clauses (1) to (7). The mileage rate for nonemergency medical transportation  
145.25 services in areas defined under RUCA to be rural or super rural areas is:

145.26 (1) for a trip equal to 17 miles or less, equal to 125 percent of the respective mileage  
145.27 rate in paragraph (m), clauses (1) to (7); and

145.28 (2) for a trip between 18 and 50 miles, equal to 112.5 percent of the respective mileage  
145.29 rate in paragraph (m), clauses (1) to (7).

145.30 (o) For purposes of reimbursement rates for nonemergency medical transportation  
145.31 services under paragraphs (m) and (n), the zip code of the recipient's place of residence  
145.32 shall determine whether the urban, rural, or super rural reimbursement rate applies.

146.1 (p) For purposes of this subdivision, "rural urban commuting area" or "RUCA" means  
146.2 a census-tract based classification system under which a geographical area is determined  
146.3 to be urban, rural, or super rural.

146.4 (q) The commissioner, when determining reimbursement rates for nonemergency medical  
146.5 transportation under paragraphs (m) and (n), shall exempt all modes of transportation listed  
146.6 under paragraph (i) from Minnesota Rules, part 9505.0445, item R, subitem (2).

146.7 (r) Effective for the first day of each calendar quarter in which the price of gasoline as  
146.8 posted publicly by the United States Energy Information Administration exceeds \$3.00 per  
146.9 gallon, the commissioner shall adjust the rate paid per mile in paragraph (m) by one percent  
146.10 up or down for every increase or decrease of ten cents for the price of gasoline. The increase  
146.11 or decrease must be calculated using a base gasoline price of \$3.00. The percentage increase  
146.12 or decrease must be calculated using the average of the most recently available price of all  
146.13 grades of gasoline for Minnesota as posted publicly by the United States Energy Information  
146.14 Administration.

146.15 **EFFECTIVE DATE.** This section is effective January 1, 2024, or upon federal approval,  
146.16 whichever is later. The commissioner of human services shall notify the revisor of statutes  
146.17 when federal approval is obtained.

146.18 Sec. 6. Minnesota Statutes 2022, section 256B.0625, subdivision 17a, is amended to read:

146.19 Subd. 17a. **Payment for ambulance services.** (a) Medical assistance covers ambulance  
146.20 services. Providers shall bill ambulance services according to Medicare criteria.  
146.21 Nonemergency ambulance services shall not be paid as emergencies. Effective for services  
146.22 rendered on or after July 1, 2001, medical assistance payments for ambulance services shall  
146.23 be paid at the Medicare reimbursement rate or at the medical assistance payment rate in  
146.24 effect on July 1, 2000, whichever is greater.

146.25 (b) Effective for services provided on or after July 1, 2016, medical assistance payment  
146.26 rates for ambulance services identified in this paragraph are increased by five percent.  
146.27 Capitation payments made to managed care plans and county-based purchasing plans for  
146.28 ambulance services provided on or after January 1, 2017, shall be increased to reflect this  
146.29 rate increase. The increased rate described in this paragraph applies to ambulance service  
146.30 providers whose base of operations as defined in section 144E.10 is located:

146.31 (1) outside the metropolitan counties listed in section 473.121, subdivision 4, and outside  
146.32 the cities of Duluth, Mankato, Moorhead, St. Cloud, and Rochester; or

146.33 (2) within a municipality with a population of less than 1,000.

147.1 (c) Effective for the first day of each calendar quarter in which the price of gasoline as  
 147.2 posted publicly by the United States Energy Information Administration exceeds \$3.00 per  
 147.3 gallon, the commissioner shall adjust the rate paid per mile in paragraph (a) by one percent

176.22 the minimum standards established according to this subdivision or other Minnesota statute  
176.23 related to minimum standards and conditions of confinement.

176.24 The commissioner shall grant a license to any facility found to conform to minimum  
176.25 standards or to any facility which, in the commissioner's judgment, is making satisfactory  
176.26 progress toward substantial conformity and the standards not being met do not impact the  
176.27 interests and well-being of the persons confined or incarcerated in the facility. A limited  
176.28 license under subdivision 1a may be issued for purposes of effectuating a facility closure.  
176.29 The commissioner may grant licensure up to two years. Unless otherwise specified by  
176.30 statute, all licenses issued under this chapter expire at 12:01 a.m. on the day after the

177.6 individuals who died while committed to the custody of the facility, regardless of whether  
177.7 the death occurred at the facility or after removal from the facility for medical care stemming

177.19 reporting purposes.

177.20 The commissioner may require that any or all such information be provided through the  
177.21 Department of Corrections detention information system. The commissioner shall post each

177.26 (b) For juvenile facilities licensed by the commissioner of human services, the  
177.27 commissioner may inspect and certify programs based on certification standards set forth  
177.28 in Minnesota Rules. For the purpose of this paragraph, "certification" has the meaning given  
177.29 it in section 245A.02.

177.30 (c) Any state agency which regulates, inspects, or licenses certain aspects of correctional  
177.31 facilities shall, insofar as is possible, ensure that the minimum standards it requires are  
177.32 substantially the same as those required by other state agencies which regulate, inspect, or  
177.33 license the same aspects of similar types of correctional facilities, although at different  
177.34 correctional facilities.

178.1 (d) Nothing in this section shall be construed to limit the commissioner of corrections'  
178.2 authority to promulgate rules establishing standards of eligibility for counties to receive  
178.3 funds under sections 401.01 to 401.16, or to require counties to comply with operating  
178.4 standards the commissioner establishes as a condition precedent for counties to receive that  
178.5 funding.

178.6 (e) The department's inspection unit must report directly to a division head outside of  
178.7 the correctional institutions division.

178.31 surrounding area. The alert system may include other forms of electronic alerts. The

179.1 commissioner may collaborate with local agencies, other state agencies, and harm reduction

- 196.7 (b) The commissioner may issue a license for a period not to exceed two years if:
- 196.8 (1) the commissioner is unable to conduct the evaluation or observation required by
- 196.9 subdivision 4, paragraph (a), clause (4), because the program is not yet operational;
- 196.10 (2) certain records and documents are not available because persons are not yet receiving
- 196.11 services from the program; and
- 196.12 (3) the applicant complies with applicable laws and rules in all other respects.
- 196.13 (c) A decision by the commissioner to issue a license does not guarantee that any person
- 196.14 or persons will be placed or cared for in the licensed program.
- 196.15 (d) Except as provided in paragraphs ~~(f) and (g)~~ (i) and (j), the commissioner shall not
- 196.16 issue ~~or reissue~~ a license if the applicant, license holder, or an affiliated controlling individual
- 196.17 has:
- 196.18 (1) been disqualified and the disqualification was not set aside and no variance has been
- 196.19 granted;
- 196.20 (2) been denied a license under this chapter, within the past two years;
- 196.21 (3) had a license issued under this chapter revoked within the past five years; or
- 196.22 ~~(4) an outstanding debt related to a license fee, licensing fine, or settlement agreement~~
- 196.23 ~~for which payment is delinquent; or~~
- 196.24 ~~(5)~~ (4) failed to submit the information required of an applicant under subdivision 1,
- 196.25 paragraph (f) or (g), after being requested by the commissioner.
- 196.26 When a license issued under this chapter is revoked ~~under clause (1) or (3)~~, the license
- 196.27 holder and each affiliated controlling individual with a revoked license may not hold any
- 196.28 license under chapter 245A for five years following the revocation, and other licenses held
- 196.29 by the applicant; or license holder; or licenses affiliated with each controlling individual
- 196.30 shall also be revoked.

197.1 (e) Notwithstanding paragraph (d), the commissioner may elect not to revoke a license  
197.2 affiliated with a license holder or controlling individual that had a license revoked within  
197.3 the past five years if the commissioner determines that (1) the license holder or controlling  
197.4 individual is operating the program in substantial compliance with applicable laws and rules,  
197.5 and (2) the program's continued operation is in the best interests of the community being  
197.6 served.

197.7 (f) Notwithstanding paragraph (d), the commissioner may issue a new license in response  
197.8 to an application that is affiliated with an applicant, license holder, or controlling individual  
197.9 that had an application denied within the past two years or a license revoked within the past  
197.10 five years if the commissioner determines that (1) the applicant or controlling individual  
197.11 has operated one or more programs in substantial compliance with applicable laws and  
197.12 rules, and (2) the program's operation would be in the best interests of the community to be  
197.13 served.

197.14 (g) In determining whether a program's operation would be in the best interests of the  
197.15 community to be served, the commissioner shall consider factors such as the number of  
197.16 persons served, the availability of alternative services available in the surrounding  
197.17 community, the management structure of the program, whether the program provides  
197.18 culturally specific services, and other relevant factors.

197.19 ~~(e)~~ (h) The commissioner shall not issue or reissue a license under this chapter if an  
197.20 individual living in the household where the services will be provided as specified under  
197.21 section 245C.03, subdivision 1, has been disqualified and the disqualification has not been  
197.22 set aside and no variance has been granted.

197.23 ~~(f)~~ (i) Pursuant to section 245A.07, subdivision 1, paragraph (b), when a license issued  
197.24 under this chapter has been suspended or revoked and the suspension or revocation is under  
197.25 appeal, the program may continue to operate pending a final order from the commissioner.  
197.26 If the license under suspension or revocation will expire before a final order is issued, a  
197.27 temporary provisional license may be issued provided any applicable license fee is paid  
197.28 before the temporary provisional license is issued.

197.29 ~~(g)~~ (j) Notwithstanding paragraph ~~(f)~~ (i), when a revocation is based on the  
197.30 disqualification of a controlling individual or license holder, and the controlling individual  
197.31 or license holder is ordered under section 245C.17 to be immediately removed from direct  
197.32 contact with persons receiving services or is ordered to be under continuous, direct  
197.33 supervision when providing direct contact services, the program may continue to operate  
197.34 only if the program complies with the order and submits documentation demonstrating

198.1 compliance with the order. If the disqualified individual fails to submit a timely request for  
 198.2 reconsideration, or if the disqualification is not set aside and no variance is granted, the  
 198.3 order to immediately remove the individual from direct contact or to be under continuous,  
 198.4 direct supervision remains in effect pending the outcome of a hearing and final order from  
 198.5 the commissioner.

198.6 ~~(h)~~ (k) For purposes of reimbursement for meals only, under the Child and Adult Care  
 198.7 Food Program, Code of Federal Regulations, title 7, subtitle B, chapter II, subchapter A,  
 198.8 part 226, relocation within the same county by a licensed family day care provider, shall  
 198.9 be considered an extension of the license for a period of no more than 30 calendar days or  
 198.10 until the new license is issued, whichever occurs first, provided the county agency has  
 198.11 determined the family day care provider meets licensure requirements at the new location.

198.12 ~~(i)~~ (l) Unless otherwise specified by statute, all licenses issued under this chapter expire  
 198.13 at 12:01 a.m. on the day after the expiration date stated on the license. A license holder must  
 198.14 apply for and be granted a new license to operate the program or the program must not be  
 198.15 operated after the expiration date.

198.16 ~~(j)~~ (m) The commissioner shall not issue or reissue a license under this chapter if it has  
 198.17 been determined that a tribal licensing authority has established jurisdiction to license the  
 198.18 program or service.

198.19 Sec. 2. Minnesota Statutes 2022, section 245A.07, is amended by adding a subdivision to  
 198.20 read:

198.21 Subd. 2b. **Immediate suspension of residential programs.** For suspensions issued to  
 198.22 a licensed residential program as defined in section 245A.02, subdivision 14, the effective  
 198.23 date of the order may be delayed for up to 30 calendar days to provide for the continuity of  
 198.24 care of service recipients. The license holder must cooperate with the commissioner to  
 198.25 ensure service recipients receive continued care during the period of the delay and to facilitate  
 198.26 the transition of service recipients to new providers. In these cases, the suspension order  
 198.27 takes effect when all service recipients have been transitioned to a new provider or 30 days  
 198.28 after the suspension order was issued, whichever comes first.

198.29 Sec. 3. Minnesota Statutes 2022, section 245A.07, is amended by adding a subdivision to  
 198.30 read:

198.31 Subd. 2c. **Immediate suspension for programs with multiple licensed service sites.** (a)  
 198.32 For license holders that operate more than one service site under a single license, the  
 198.33 suspension order must be specific to the service site or sites where the commissioner

199.1 determines an order is required under subdivision 2. The order must not apply to other  
 199.2 service sites operated by the same license holder unless the commissioner has included in  
 199.3 the order an articulable basis for applying the order to other service sites.

199.4 (b) If the commissioner has issued more than one license to the license holder under this  
 199.5 chapter, the suspension imposed under this section must be specific to the license for the  
 199.6 program at which the commissioner determines an order is required under subdivision 2.  
 199.7 The order must not apply to other licenses held by the same license holder if those programs  
 199.8 are being operated in substantial compliance with applicable law and rules.

199.9 Sec. 4. Minnesota Statutes 2022, section 245A.10, subdivision 6, is amended to read:

199.10 Subd. 6. **License not issued until license or certification fee is paid.** The commissioner  
 199.11 shall not issue or reissue a license or certification until the license or certification fee is paid.  
 199.12 The commissioner shall send a bill for the license or certification fee to the billing address  
 199.13 identified by the license holder. If the license holder does not submit the license or  
 199.14 certification fee payment by the due date, the commissioner shall send the license holder a  
 199.15 past due notice. If the license holder fails to pay the license or certification fee by the due  
 199.16 date on the past due notice, the commissioner shall send a final notice to the license holder  
 199.17 informing the license holder that the program license will expire on December 31 unless  
 199.18 the license fee is paid before December 31. If a license expires, the program is no longer  
 199.19 licensed and, unless exempt from licensure under section 245A.03, subdivision 2, must not  
 199.20 operate after the expiration date. After a license expires, if the former license holder wishes  
 199.21 to provide licensed services, the former license holder must submit a new license application  
 199.22 and application fee under subdivision 3.

199.23 Sec. 5. Minnesota Statutes 2022, section 245A.10, is amended by adding a subdivision to  
 199.24 read:

199.25 Subd. 9. **License not reissued until outstanding debt is paid.** The commissioner shall  
 199.26 not reissue a license or certification until the license holder has paid all outstanding debts  
 199.27 related to a licensing fine or settlement agreement for which payment is delinquent. If the  
 199.28 payment is past due, the commissioner shall send a past due notice informing the license  
 199.29 holder that the program license will expire on December 31 unless the outstanding debt is  
 199.30 paid before December 31. If a license expires, the program is no longer licensed and must  
 199.31 not operate after the expiration date. After a license expires, if the former license holder  
 199.32 wishes to provide licensed services, the former license holder must submit a new license  
 199.33 application and application fee under subdivision 3.

200.1 Sec. 6. Minnesota Statutes 2022, section 245A.13, subdivision 1, is amended to read:

200.2 Subdivision 1. **Application.** (a) In addition to any other remedy provided by law, the  
200.3 commissioner may petition the district court in Ramsey County for an order directing the  
200.4 controlling individuals of a residential or nonresidential program licensed or certified by  
200.5 the commissioner to show cause why the commissioner should not be appointed receiver  
200.6 to operate the program. The petition to the district court must contain proof by affidavit that  
200.7 one or more of the following circumstances exists: (1) that the commissioner has either  
200.8 begun proceedings to suspend or revoke a license or certification, has suspended or revoked  
200.9 a license or certification, or has decided to deny an application for licensure or certification  
200.10 of the program; or (2) it appears to the commissioner that the health, safety, or rights of the  
200.11 residents or persons receiving care from the program may be in jeopardy because of the  
200.12 manner in which the program may close, the program's financial condition, or violations  
200.13 committed by the program of federal or state laws or rules. If the license holder, applicant,  
200.14 or controlling individual operates more than one program, the commissioner's petition must  
200.15 specify and be limited to the program for which it seeks receivership. The affidavit submitted  
200.16 by the commissioner must set forth alternatives to receivership that have been considered,  
200.17 including rate adjustments. The order to show cause is returnable not less than five days  
200.18 after service is completed and must provide for personal service of a copy to the program  
200.19 administrator and to the persons designated as agents by the controlling individuals to accept  
200.20 service on their behalf.

200.21 (1) the commissioner has commenced proceedings to suspend or revoke the program's  
200.22 license or refused to renew the program's license;

200.23 (2) there is a threat of imminent abandonment by the program or its controlling  
200.24 individuals;

200.25 (3) the program has shown a pattern of failure to meet ongoing financial obligations  
200.26 such as failing to pay for food, pharmaceuticals, personnel costs, or required insurance;

200.27 (4) the health, safety, or rights of the residents or persons receiving care from the program  
200.28 appear to be in jeopardy due to the manner in which the program may close, the program's  
200.29 financial condition, or violations of federal or state law or rules committed by the program;  
200.30 or

200.31 (5) the commissioner has notified the program or its controlling individuals that the  
200.32 program's federal Medicare or Medicaid provider agreement will be terminated, revoked,  
200.33 canceled, or not renewed.

201.1 (b) If the license holder, applicant, or controlling individual operates more than one  
201.2 program, the commissioner's petition must specify and be limited to the program for which  
201.3 it seeks receivership.

201.4 (c) The order to show cause shall be personally served on the program through its  
201.5 authorized agent or, in the event the authorized agent cannot be located, on any controlling  
201.6 individual for the program.

201.7 Sec. 7. Minnesota Statutes 2022, section 245A.13, subdivision 2, is amended to read:

201.8 Subd. 2. **Appointment of receiver.** (a) If the court finds that involuntary receivership  
201.9 is necessary as a means of protecting the health, safety, or rights of persons being served  
201.10 by the program, the court shall appoint the commissioner as receiver to operate the program.  
201.11 The commissioner as receiver may contract with another entity or group to act as the  
201.12 managing agent during the receivership period. The managing agent will be responsible for  
201.13 the day-to-day operations of the program subject at all times to the review and approval of  
201.14 the commissioner. A managing agent shall not:

201.15 (1) be the license holder or controlling individual of the program;

201.16 (2) have a financial interest in the program at the time of the receivership;

201.17 (3) be otherwise affiliated with the program; or

201.18 (4) have had a licensed program that has been ordered into receivership.

201.19 (b) Notwithstanding state contracting requirements in chapter 16C, the commissioner  
201.20 shall establish and maintain a list of qualified persons or entities with experience in delivering  
201.21 services and with winding down programs under chapter 245A, 245D, or 245G, or other  
201.22 service types licensed by the commissioner. The list shall be a resource for selecting a  
201.23 managing agent, and the commissioner may update the list at any time.

201.24 Sec. 8. Minnesota Statutes 2022, section 245A.13, subdivision 3, is amended to read:

201.25 Subd. 3. **Powers and duties of receiver.** ~~Within 36 months after the receivership order,~~  
201.26 ~~the receiver shall provide for the orderly transfer of the persons served by the program to~~  
201.27 ~~other programs or make other provisions to protect their health, safety, and rights. The~~  
201.28 ~~receiver or the managing agent shall correct or eliminate deficiencies in the program that~~  
201.29 ~~the commissioner determines endanger the health, safety, or welfare of the persons being~~  
201.30 ~~served by the program unless the correction or elimination of deficiencies at a residential~~  
201.31 ~~program involves major alteration in the structure of the physical plant. If the correction or~~  
201.32 ~~elimination of the deficiencies at a residential program requires major alterations in the~~

202.1 ~~structure of the physical plant, the receiver shall take actions designed to result in the~~  
202.2 ~~immediate transfer of persons served by the residential program. During the period of the~~  
202.3 ~~receivership, the receiver and the managing agent shall operate the residential or~~  
202.4 ~~nonresidential program in a manner designed to preserve the health, safety, rights, adequate~~  
202.5 ~~care, and supervision of the persons served by the program. The receiver or the managing~~  
202.6 ~~agent may make contracts and incur lawful expenses. The receiver or the managing agent~~  
202.7 ~~shall collect incoming payments from all sources and apply them to the cost incurred in the~~  
202.8 ~~performance of the functions of the receivership including the fee set under subdivision 4.~~  
202.9 ~~No security interest in any real or personal property comprising the program or contained~~  
202.10 ~~within it, or in any fixture of the physical plant, shall be impaired or diminished in priority~~  
202.11 ~~by the receiver or the managing agent. (a) A receiver appointed pursuant to this section~~  
202.12 ~~shall, within 18 months after the receivership order, determine whether to close the program~~  
202.13 ~~or to make other provisions with the intent to keep the program open. If the receiver~~  
202.14 ~~determines that program closure is appropriate, the commissioner shall provide for the~~  
202.15 ~~orderly transfer of individuals served by the program to other programs or make other~~  
202.16 ~~provisions to protect the health, safety, and rights of individuals served by the program.~~

202.17 (b) During the receivership, the receiver or the managing agent shall correct or eliminate  
202.18 deficiencies in the program that the commissioner determines endanger the health, safety,  
202.19 or welfare of the persons being served by the program unless the correction or elimination  
202.20 of deficiencies at a residential program involves major alteration in the structure of the  
202.21 physical plant. If the correction or elimination of the deficiencies at a residential program  
202.22 requires major alterations in the structure of the physical plant, the receiver shall take actions  
202.23 designed to result in the immediate transfer of persons served by the residential program.  
202.24 During the period of the receivership, the receiver and the managing agent shall operate the  
202.25 residential or nonresidential program in a manner designed to preserve the health, safety,  
202.26 rights, adequate care, and supervision of the persons served by the program.

202.27 (c) The receiver or the managing agent may make contracts and incur lawful expenses.

202.28 (d) The receiver or the managing agent shall use the building, fixtures, furnishings, and  
202.29 any accompanying consumable goods in the provision of care and services to the clients  
202.30 during the receivership period. The receiver shall take action as is reasonably necessary to  
202.31 protect or conserve the tangible assets or property during receivership.

202.32 (e) The receiver or the managing agent shall collect incoming payments from all sources  
202.33 and apply them to the cost incurred in the performance of the functions of the receivership,  
202.34 including the fee set under subdivision 4. No security interest in any real or personal property

203.1 comprising the program or contained within it, or in any fixture of the physical plant, shall  
 203.2 be impaired or diminished in priority by the receiver or the managing agent.

203.3 (f) The receiver has authority to hire, direct, manage, and discharge any employees of  
 203.4 the program, including management level staff for the program.

203.5 (g) The commissioner, as the receiver appointed by the court, may hire a managing agent  
 203.6 to work on the commissioner's behalf to operate the program during the receivership. The  
 203.7 managing agent is entitled to a reasonable fee. The receiver and managing agent shall be  
 203.8 liable only in an official capacity for injury to persons and property by reason of the  
 203.9 conditions of the program. The receiver and managing agent shall not be personally liable,  
 203.10 except for gross negligence or intentional acts. The commissioner shall assist the managing  
 203.11 agent in carrying out the managing agent's duties.

203.12 Sec. 9. Minnesota Statutes 2022, section 245A.13, subdivision 5, is amended to read:

203.13 Subd. 5. **Termination.** An involuntary receivership terminates ~~36~~ 18 months after the  
 203.14 date on which it was ordered or at any other time designated by the court or when any of  
 203.15 the following events occurs:

203.16 (1) the commissioner determines that the program's license or certification application  
 203.17 should be granted or should not be suspended or revoked;

203.18 (2) a new license or certification is granted to the program;

203.19 (3) the commissioner determines that all persons residing in a residential program have  
 203.20 been provided with alternative residential programs or that all persons receiving services  
 203.21 in a nonresidential program have been referred to other programs; or

203.22 (4) the court determines that the receivership is no longer necessary because the conditions  
 203.23 which gave rise to the receivership no longer exist.

203.24 Sec. 10. Minnesota Statutes 2022, section 245A.13, subdivision 6, is amended to read:

203.25 Subd. 6. **Emergency procedure.** (a) If it appears from the petition filed under subdivision  
 203.26 1, from an affidavit or affidavits filed with the petition, or from testimony of witnesses  
 203.27 under oath if the court determines it necessary, that there is probable cause to believe that  
 203.28 an emergency exists in a residential or nonresidential program, the court shall issue a  
 203.29 temporary order for appointment of a receiver within ~~five~~ two days after receipt of the  
 203.30 petition. ~~Notice of the petition must be served on the program administrator and on the~~  
 203.31 ~~persons designated as agents by the controlling individuals to accept service on their behalf.~~  
 203.32 ~~A hearing on the petition must be held within five days after notice is served unless the~~

 204.2 ~~continue, modify, or terminate the temporary order.~~

204.3 (b) Notice of the petition must be served on the authorized agent of the program that is  
 204.4 subject to the receivership petition or, if the authorized agent is not immediately available  
 204.5 for service, on at least one of the controlling individuals for the program. A hearing on the  
 204.6 petition must be held within five days after notice is served unless the authorized agent or  
 204.7 other controlling individual consents to a later date. After the hearing, the court may continue,  
 204.8 modify, or terminate the temporary order.

204.9 Sec. 11. Minnesota Statutes 2022, section 245A.13, subdivision 7, is amended to read:

(2) determine the appropriate hourly staff wage rates derived by the commissioner as provided in subdivisions 5 and 5a;

(3) except for subdivision 5a, clauses (1) to (4), multiply the result of clause (2) by the product of one plus the competitive workforce factor;

(4) for a recipient requiring customization for deaf and hard-of-hearing language accessibility under subdivision 12, add the customization rate provided in subdivision 12 to the result of clause (3);

(5) multiply the number of shared direct staffing and individual direct staffing hours provided on site or through monitoring technology and nursing hours by the appropriate staff wages;

(12) sum the standard general administrative support ratio, the program-related expense ratio, and the absence and utilization factor ratio;

(13) divide the result of clause (11) by one minus the result of clause (12). This is the total payment rate; and

(14) adjust the result of clause (13) by a factor to be determined by the commissioner to adjust for regional differences in the cost of providing services.

**Subd. 9a. Respite services; component values and calculation of payment rates.** (a) For the purposes of this section, respite services include respite services provided to an individual outside of any service plan for a day program or residential support service.

- (2) determine the appropriate hourly staff wage rates derived by the commissioner as provided in subdivisions 5 and 5a;
- (3) except for subdivision 5a, clauses (1) to (4), multiply the result of clause (2) by the product of one plus the competitive workforce factor;
- (4) for a recipient requiring deaf and hard-of-hearing customization under subdivision 12, add the customization rate provided in subdivision 12 to the result of clause (3);
- (5) multiply the number of direct staffing hours by the appropriate staff wage;
- (6) multiply the number of direct staffing hours by the product of the supervisory span of control ratio and the appropriate supervisory staff wage in subdivision 5a, clause (1);
- (7) combine the results of clauses (5) and (6), and multiply the result by one plus the employee vacation, sick, and training allowance ratio. This is defined as the direct staffing rate;
- (8) for employee-related expenses, multiply the result of clause (7) by one plus the employee-related cost ratio;
- (9) this is the subtotal rate;
- (10) sum the standard general administrative support ratio, the program-related expense ratio, and the absence and utilization factor ratio;
- (11) divide the result of clause (9) by one minus the result of clause (10). This is the total payment amount;
- (12) for respite services provided in a shared manner, divide the total payment amount in clause (11) by the number of service recipients, not to exceed three; and
