Process considerations and adjustments

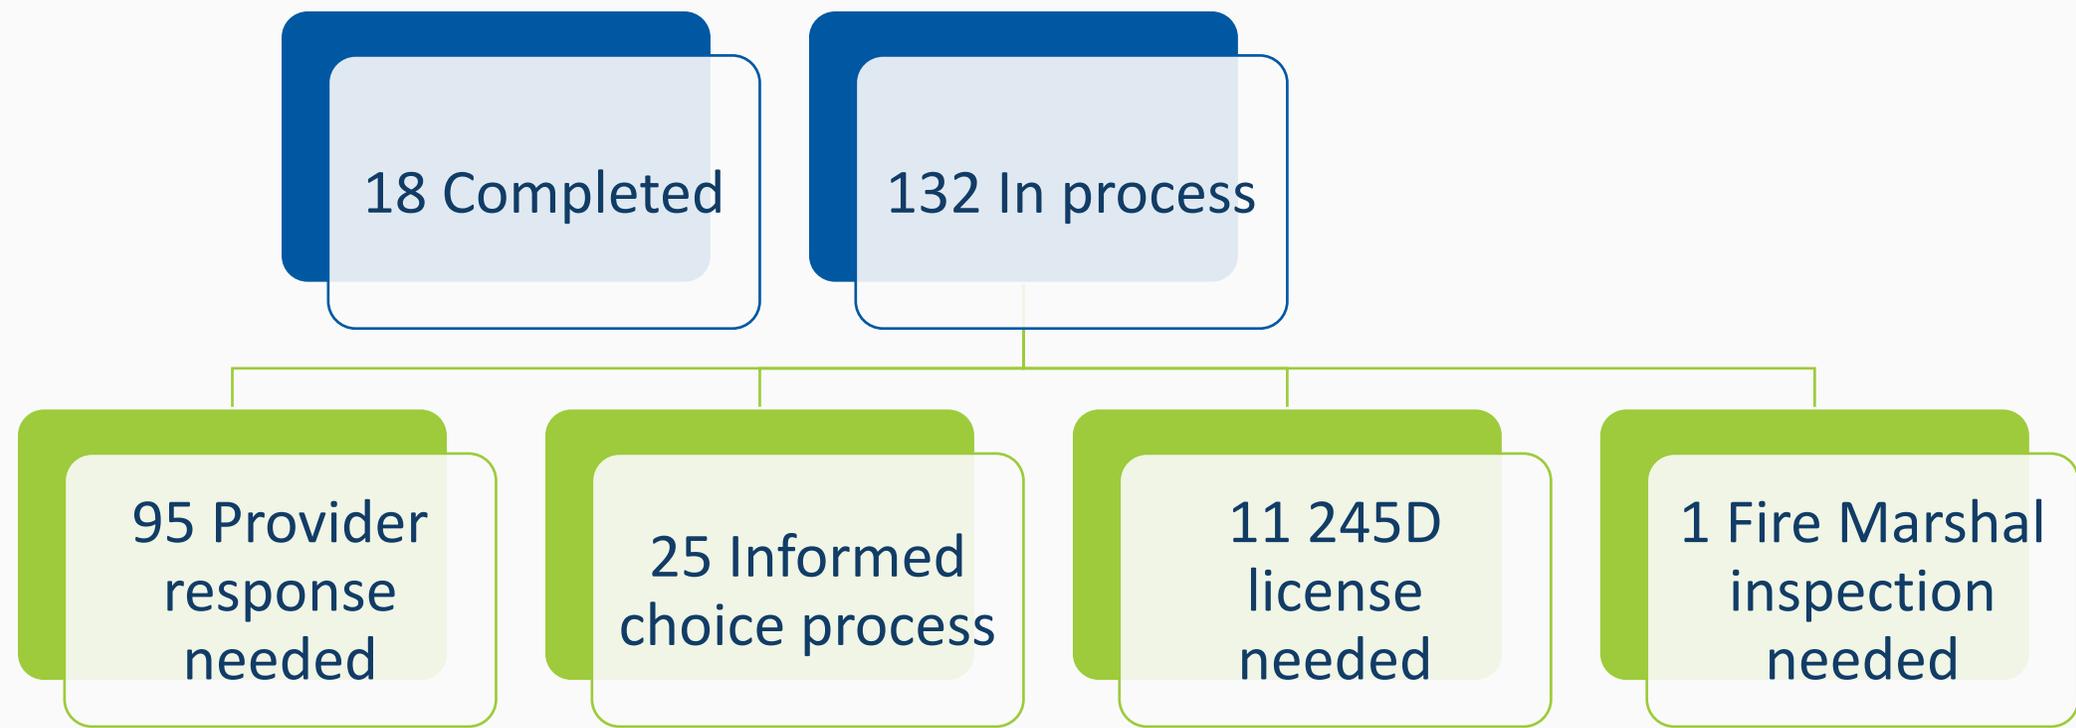

Moratorium exception requests

- Adjusted process; submit before 245D license

Timely licensing

- Hennepin County process – commitment to timely completion of paperwork and site visit
- Considered adjusting practice to complete the CRS licensing visit before 245D licensing is obtained
 - Partner timelines (DHS, fire marshal)
- Positions to support communication & tracking

CL to CRS transition data (Hennepin County)

Hennepin County support for CL to CRS conversion
