33.6 or business entity; the office or position held by each person; each person's percentage  
33.7 ownership interest, if any; and, if the business has a parent company, the name of each  
33.8 owner, board member, and officer of the parent company and the owner's, board member's,  
33.9 or officer's percentage ownership interest in the parent company and the cannabis business;
- 33.10 (2) a statement from the applicant and, if the applicant is a business, from every officer,  
33.11 director, manager, and general partner of the business, indicating whether that person has  
33.12 previously held, or currently holds, an ownership interest in a cannabis business in Minnesota,  
33.13 any other state or territory of the United States, or any other country;
- 33.14 (3) if the applicant is a corporation, copies of its articles of incorporation and bylaws  
33.15 and any amendments to its articles of incorporation or bylaws;
- 33.16 (4) copies of any partnership agreement, operating agreement, or shareholder agreement;
- 33.17 (5) copies of any promissory notes, security instruments, or other similar agreements;
- 33.18 (6) explanation detailing the funding sources used to finance the business;
- 33.19 (7) a list of operating and investment accounts for the business, including any applicable  
33.20 financial institution and account number; and
- 33.21 (8) a list of each outstanding loan and financial obligation obtained for use in the business,  
33.22 including the loan amount, loan terms, and name and address of the creditor.
- 33.23 (c) An application may include:
- 33.24 (1) proof that the applicant is a social equity applicant;
- 33.25 (2) a diversity plan that establishes a goal of diversity in ownership, management,  
33.26 employment, and contracting;
- 33.27 (3) a description of the training and education that will be provided to any employee;  
33.28 or
- 33.29 (4) a copy of business policies governing operations to ensure compliance with this  
33.30 chapter.

34.1 (d) Commitments made by an applicant in its application, including but not limited to  
34.2 the maintenance of a labor peace agreement, shall be an ongoing material condition of  
34.3 maintaining and renewing the license.

34.4 (e) An application on behalf of a corporation or association shall be signed by at least  
34.5 two officers or managing agents of that entity.

34.6 Subd. 2. **Application; process.** (a) An applicant must submit all required information  
34.7 to the office on the forms and in the manner prescribed by the office.

34.8 (b) If the office receives an application that fails to provide the required information,  
34.9 the office shall issue a deficiency notice to the applicant. The applicant shall have ten  
34.10 business days from the date of the deficiency notice to submit the required information.

34.11 (c) Failure by an applicant to submit all required information will result in the application  
34.12 being rejected.

34.13 (d) Upon receipt of a completed application and fee, the office shall forward a copy of  
34.14 the application to the local unit of government in which the business operates or intends to  
34.15 operate with a form for certification as to whether a proposed cannabis business complies  
34.16 with local zoning ordinances and, if applicable, whether the proposed business complies  
34.17 with the state fire code and building code.

34.18 (e) Within 90 days of receiving a completed application, the office shall issue the  
34.19 appropriate license or send the applicant a notice of rejection setting forth specific reasons  
34.20 that the office did not approve the application.

34.21 Subd. 3. **Criminal history check.** A license applicant or, in the case of a business entity,  
34.22 every cooperative member or director, manager, and general partner of the business entity,  
34.23 must submit a completed criminal history records check consent form, a full set of classifiable  
34.24 fingerprints, and the required fees to the office. Upon receipt of this information, the office  
34.25 must submit the completed criminal history records check consent form, full set of classifiable  
34.26 fingerprints, and required fees to the Bureau of Criminal Apprehension. After receiving this  
34.27 information, the bureau must conduct a Minnesota criminal history records check of the  
34.28 license applicant. The bureau may exchange a license applicant's fingerprints with the  
34.29 Federal Bureau of Investigation to obtain the applicant's national criminal history record  
34.30 information. The bureau must return the results of the Minnesota and federal criminal history  
34.31 records checks to the director to determine if the applicant is disqualified under section  
34.32 342.20.

35.1 Subd. 4. **Application; fees.** The office may charge a nonrefundable fee, not to exceed  
35.2 \$250, to cover the costs associated with reviewing and processing applications.

35.3 Sec. 15. **[342.16] SOCIAL EQUITY APPLICANTS.**

35.4 An individual qualifies as a social equity applicant if the individual is:

35.5 (1) a military veteran who lost honorable status due to a cannabis-related offense;

35.6 (2) a resident for the last five years of one or more subareas, such as census tracts or  
35.7 neighborhoods, that experienced a disproportionately large amount of cannabis enforcement  
35.8 as determined by the study conducted by the office pursuant to section 342.04, paragraph  
35.9 (b), and reported in the preliminary report, final report, or both; or

35.10 (3) a resident for the last five years of one or more census tracts where, as reported in  
35.11 the most recently completed decennial census published by the United States Bureau of the  
35.12 Census, either:

35.13 (i) the poverty rate was 20 percent or more; or

35.14 (ii) the median family income did not exceed 80 percent of statewide median family  
35.15 income or, if in a metropolitan area, did not exceed the greater of 80 percent of the statewide  
35.16 median family income or 80 percent of the median family income for that metropolitan  
35.17 area.

35.18 Sec. 16. **[342.17] LICENSE SELECTION CRITERIA.**

35.19 Subdivision 1. **Market stability.** The office shall issue the necessary number of licenses  
35.20 in order to ensure the sufficient supply of cannabis flower and cannabinoid products to meet  
35.21 demand, provide market stability, and limit the sale of unregulated cannabis flower and  
35.22 cannabinoid products.

35.23 Subd. 2. **Craft cultivation priority.** (a) The office shall prioritize issuance of  
35.24 microbusiness licenses with an endorsement to cultivate cannabis flower and craft cultivator  
35.25 licenses.

35.26 (b) Unless the office determines that the issuance of bulk cultivator licenses is necessary  
35.27 to ensure a sufficient supply of cannabis flower and cannabinoid products, the office shall  
35.28 not issue a bulk cultivator license before July 1, 2028.

35.29 Subd. 3. **Vertical integration prohibited; exceptions.** (a) Except as otherwise provided  
35.30 in this subdivision, the office shall not issue licenses to a single applicant that would result  
35.31 in the applicant being vertically integrated in violation of the provisions of this chapter.

36.1 (b) Nothing in this section prohibits or limits the issuance of microbusiness licenses.

36.2 (c) If the office determines that the issuance of multiple licenses resulting in a single  
 36.3 applicant being vertically integrated is necessary to ensure a sufficient supply of cannabis  
 36.4 flower and cannabinoid products during the first calendar year in which cannabis flower  
 36.5 and cannabinoid products are lawfully sold to customers, the office may authorize one or  
 36.6 more applicants to be fully vertically integrated. Regardless of when the licenses were  
 36.7 issued, licenses issued under the terms of this paragraph expire one year after the first day  
 36.8 on which cannabis flower and cannabinoid products are lawfully sold to customers and the  
 36.9 office may not issue multiple licenses resulting in a single applicant being vertically  
 36.10 integrated after that date.

36.11 Subd. 4. **Application score; license priority.** (a) The office shall award points to each  
 36.12 completed application in the following categories:

36.13 (1) status as a social equity applicant or as an applicant who is substantially similar to  
 36.14 a social equity applicant as described in paragraph (c);

36.15 (2) status as a veteran applicant;

36.16 (3) security and record keeping;

36.17 (4) employee training plan;

36.18 (5) business plan and financial situation;

36.19 (6) diversity plan;

36.20 (7) labor and employment practices;

36.21 (8) knowledge and experience; and

36.22 (9) environmental plan.

36.23 (b) The office may award additional points to an application if the license holder would  
 36.24 expand service to an underrepresented market including but not limited to participation in  
 36.25 the medical cannabis program.

36.26 (c) The office shall establish application materials permitting individual applicants to  
 36.27 demonstrate the impact that cannabis prohibition has had on that applicant including but  
 36.28 not limited to the arrest or imprisonment of the applicant or a member of the applicant's  
 36.29 immediate family, and the office may award points to such applicants in the same manner  
 36.30 as points are awarded to social equity applicants.

37.1 (d) The office shall establish policies and guidelines, which shall be made available to  
 37.2 the public, regarding the number of points available in each category and the basis for  
 37.3 awarding those points. Status as a social equity applicant must account for at least 20 percent  
 37.4 of the total available points. In determining the number of points to award to a cooperative  
 37.5 or business applying as a social equity applicant, the office shall consider the number or  
 37.6 ownership percentage of cooperative members, officers, directors, managers, and general  
 37.7 partners who qualify as social equity applicants.

37.8 (e) Consistent with the goals identified in subdivision 1, the office shall issue licenses  
 37.9 in each license category, giving priority to applicants who receive the highest score under  
 37.10 paragraphs (a) and (b). If there are insufficient licenses available for entities that receive  
 37.11 identical scores, the office shall utilize a lottery to randomly select license recipients from  
 37.12 among those entities.

37.13 **Sec. 17. [342.18] INSPECTION; LICENSE VIOLATIONS; PENALTIES.**

37.14 Subdivision 1. Authority to inspect. (a) In order to carry out the purposes of this chapter,  
 37.15 the office, upon presenting appropriate credentials to the owner, operator, or agent in charge,  
 37.16 is authorized to:

37.17 (1) enter any cannabis business without delay and at reasonable times;

37.18 (2) inspect and investigate during regular working hours and at other reasonable times,  
 37.19 within reasonable limits and in a reasonable manner, any cannabis business and all relevant  
 37.20 conditions, equipment, records, and materials therein; and

37.21 (3) question privately any employer, owner, operator, agent, or employee of a cannabis  
 37.22 business.

37.23 (b) An employer, owner, operator, agent, or employee must not refuse the office entry  
 37.24 or otherwise deter or prohibit the office from taking action under paragraph (a).

37.25 Subd. 2. Powers of office. (a) In making inspections and investigations under this chapter,  
 37.26 the office shall have the power to administer oaths, certify as to official acts, take and cause  
 37.27 to be taken depositions of witnesses, issue subpoenas, and compel the attendance of witnesses  
 37.28 and production of papers, books, documents, records, and testimony. In case of failure of  
 37.29 any person to comply with any subpoena lawfully issued, or on the refusal of any witness  
 37.30 to produce evidence or to testify to any matter regarding which the person may be lawfully  
 37.31 interrogated, the district court shall, upon application of the office, compel obedience  
 37.32 proceedings for contempt, as in the case of disobedience of the requirements of a subpoena  
 37.33 issued by the court or a refusal to testify therein.

38.1 (b) If the office finds probable cause to believe that any cannabis plant, cannabis flower,  
38.2 artificially derived cannabinoid, or cannabinoid product is being distributed in violation of  
38.3 this chapter or rules adopted under this chapter, the office shall affix to the cannabis plant,  
38.4 cannabis flower, artificially derived cannabinoid, or cannabinoid product a tag, withdrawal  
38.5 from distribution order, or other appropriate marking providing notice that the cannabis  
38.6 plant, cannabis flower, artificially derived cannabinoid, or cannabinoid product is, or is  
38.7 suspected of being, distributed in violation of this chapter, and has been detained or  
38.8 embargoed, and warning all persons not to remove or dispose of the cannabis plant, cannabis  
38.9 flower, artificially derived cannabinoid, or cannabinoid product by sale or otherwise until  
38.10 permission for removal or disposal is given by the office or the court. It is unlawful for a  
38.11 person to remove or dispose of detained or embargoed cannabis plant, cannabis flower,  
38.12 artificially derived cannabinoid, or cannabinoid product by sale or otherwise without the  
38.13 office's or a court's permission and each transaction is a separate violation of this section.

38.14 (c) If any cannabis plant, cannabis flower, artificially derived cannabinoid, or cannabinoid  
38.15 product has been found by the office to be in violation of this chapter, the office shall petition  
38.16 the district court in the county in which the cannabis plant, cannabis flower, artificially  
38.17 derived cannabinoid, or cannabinoid product is detained or embargoed for an order and  
38.18 decree for the condemnation of the cannabis plant, cannabis flower, artificially derived  
38.19 cannabinoid, or cannabinoid product. The office shall release the cannabis plant, cannabis  
38.20 flower, artificially derived cannabinoid, or cannabinoid product when this chapter and rules  
38.21 adopted under this chapter have been complied with or the cannabis plant, cannabis flower,  
38.22 artificially derived cannabinoid, or cannabinoid product is found not to be in violation of  
38.23 this chapter or rules adopted under this chapter.

38.24 (d) If the court finds that detained or embargoed cannabis plant, cannabis flower,  
38.25 artificially derived cannabinoid, or cannabinoid product is in violation of this chapter or  
38.26 rules adopted under this chapter, the following remedies are available:

38.27 (1) after entering a decree, the cannabis plant, cannabis flower, artificially derived  
38.28 cannabinoid, or cannabinoid product may be destroyed at the expense of the claimant under  
38.29 the supervision of the office, and all court costs, fees, storage, and other proper expenses  
38.30 must be assessed against the claimant of the cannabis plant, cannabis flower, artificially  
38.31 derived cannabinoid, or cannabinoid product or the claimant's agent; and

38.32 (2) if the violation can be corrected by proper labeling or processing of the cannabis  
38.33 plant, cannabis flower, artificially derived cannabinoid, or cannabinoid product, the court,  
38.34 after entry of the decree and after costs, fees, and expenses have been paid, and a good and  
38.35 sufficient bond conditioned that the cannabis plant, cannabis flower, artificially derived

39.1 cannabinoid, or cannabinoid product must be properly labeled or processed has been  
 39.2 executed, may by order direct that the cannabis plant, cannabis flower, artificially derived  
 39.3 cannabinoid, or cannabinoid product be delivered to the claimant for proper labeling or  
 39.4 processing under the supervision of the office. The office's supervision expenses must be  
 39.5 paid by the claimant. The cannabis plant, cannabis flower, artificially derived cannabinoid,  
 39.6 or cannabinoid product must be returned to the claimant and the bond must be discharged  
 39.7 on representation to the court by the office that the cannabis plant, cannabis flower, artificially  
 39.8 derived cannabinoid, or cannabinoid product is no longer in violation and that the office's  
 39.9 supervision expenses have been paid.

39.10 (e) If the office finds in any room, building, piece of equipment, vehicle of transportation,  
 39.11 or other structure any cannabis plant, cannabis flower, artificially derived cannabinoid, or  
 39.12 cannabinoid product that is unsound or contains any filthy, decomposed, or putrid substance,  
 39.13 or that may be poisonous or deleterious to health or otherwise unsafe, the office shall  
 39.14 condemn or destroy the item or in any other manner render the item as unsalable, and no  
 39.15 one has any cause of action against the office on account of the office's action.

39.16 (f) The office may enter into an agreement with the commissioner of agriculture to  
 39.17 analyze and examine samples or other articles furnished by the office for the purpose of  
 39.18 determining whether the sample or article violates this chapter or rules adopted under this  
 39.19 chapter. A copy of the examination or analysis report for any such article, duly authenticated  
 39.20 under oath by the laboratory analyst making the determination or examination, shall be  
 39.21 prima facie evidence in all courts of the matters and facts contained in the report.

39.22 Subd. 3. **Aiding of inspection.** Subject to rules issued by the office, a representative of  
 39.23 a cannabis business shall be given an opportunity to accompany the office during the physical  
 39.24 inspection of any cannabis business for the purpose of aiding such inspection.

39.25 Subd. 4. **Complaints and reports; priority of inspection.** (a) The office may conduct  
 39.26 inspections of any licensed cannabis business at any time to ensure compliance with the  
 39.27 ownership and operation requirements of this chapter.

39.28 (b) Any person may report a suspected violation of a safety or health standard. If upon  
 39.29 receipt of such notification the office determines that there are reasonable grounds to believe  
 39.30 that such violation or danger exists, the office shall make a special inspection as soon as  
 39.31 practicable to determine if such danger or violation exists.

39.32 (c) The office shall prioritize inspections of cannabis businesses where there are  
 39.33 reasonable grounds to believe that a violation poses imminent danger to the public or  
 39.34 customers.

40.1 (d) The office shall promptly inspect cannabis businesses that are the subject of complaint  
 40.2 by a local unit of government.

40.3 Subd. 5. **Violations; administrative orders and penalties.** (a) The office may issue an  
 40.4 administrative order to any licensed cannabis business that the office determines has  
 40.5 committed a violation of this chapter or rules adopted pursuant to this chapter. The  
 40.6 administrative order may require the business to correct the violation or to cease and desist  
 40.7 from committing the violation. The order must state the deficiencies that constitute the  
 40.8 violation and the time by which the violation must be corrected. If the business believes  
 40.9 that the information in the administrative order is in error, the person may ask the office to  
 40.10 consider the parts of the order that are alleged to be in error. The request must be in writing,  
 40.11 delivered to the office by certified mail within seven days after receipt of the order, and  
 40.12 provide documentation to support the allegation of error. The office must respond to a  
 40.13 request for reconsideration within 15 days after receiving the request. A request for  
 40.14 reconsideration does not stay the correction order unless the office issues a supplemental  
 40.15 order granting additional time. The office's disposition of a request for reconsideration is  
 40.16 final.

40.17 (b) For each violation of this chapter or rules adopted pursuant to this chapter, the office  
 40.18 may issue to each business a monetary penalty of up to \$10,000, an amount that deprives  
 40.19 the business of any economic advantage gained by the violation, or both.

40.20 (c) An administrative penalty may be recovered in a civil action in the name of the state  
 40.21 brought in the district court of the county where the violation is alleged to have occurred  
 40.22 or the district court where the office is housed.

40.23 (d) In addition to penalties listed in this subdivision, a person or business who violates  
 40.24 the provisions of this chapter is subject to any applicable criminal penalty.

40.25 Subd. 6. **Nonpublic data.** (a) The following data collected, created, or maintained by  
 40.26 the office is classified as nonpublic data, as defined in section 13.02, subdivision 9, or as  
 40.27 private data on individuals, as defined in section 13.02, subdivision 12:

40.28 (1) data submitted by an applicant for a cannabis business license, other than the  
 40.29 applicant's name and designated address;

40.30 (2) the identity of a complainant who has made a report concerning a license holder or  
 40.31 applicant that appears in inactive complaint data unless the complainant consents to the  
 40.32 disclosure;

41.1 (3) the nature or content of unsubstantiated complaints when the information is not  
 41.2 maintained in anticipation of legal action;

41.3 (4) the record of any disciplinary proceeding except as limited by paragraph (b);

41.4 (5) data identifying retail or wholesale customers of a cannabis business; and

41.5 (6) data identifying cannabis workers.

41.6 (b) Minutes, application data on license holders except nondesignated addresses, orders  
 41.7 for hearing, findings of fact, conclusions of law, and specification of the final disciplinary  
 41.8 action contained in the record of the disciplinary action are classified as public, pursuant to  
 41.9 section 13.02, subdivision 15. If there is a public hearing concerning the disciplinary action,  
 41.10 the entire record concerning the disciplinary proceeding is public data pursuant to section  
 41.11 13.02, subdivision 15. If the license holder and the office agree to resolve a complaint  
 41.12 without a hearing, the agreement and the specific reasons for the agreement are public data.

41.13 (c) The office must establish written procedures to ensure that only individuals authorized  
 41.14 by law may enter, update, or access the data classified as nonpublic or private data on  
 41.15 individuals in this subdivision. An authorized individual's ability to enter, update, or access  
 41.16 data in the system must correspond to the official duties or training level of the individual  
 41.17 and to the statutory authorization granting access for that purpose. All queries and responses,  
 41.18 and all actions in which not public data are entered, updated, accessed, shared, or  
 41.19 disseminated, must be recorded in a data audit trail. Data contained in the audit trail have  
 41.20 the same classification as the underlying data tracked by the audit trail.

41.21 (d) The office must not share data classified as private under this subdivision or other  
 41.22 data identifying an individual applicant or license holder with any federal agency, federal  
 41.23 department, or federal entity unless specifically ordered to do so by a state or federal court.

41.24 **Sec. 18. [342.19] LICENSE SUSPENSION OR REVOCATION; HEARING.**

41.25 Subdivision 1. **License revocation and nonrenewal.** The office may revoke or not  
 41.26 renew a license when the office has cause to believe that a cannabis business has violated  
 41.27 an ownership or operational requirement in this chapter or rules adopted pursuant to this  
 41.28 chapter. The office must notify the license holder in writing, specifying the grounds for  
 41.29 revocation or nonrenewal and fixing a time of at least 20 days thereafter for a hearing on  
 41.30 the matter.

41.31 Subd. 2. **Hearing; written findings.** (a) Before the office revokes or does not renew a  
 41.32 license, the office must provide the license holder with a statement of the complaints made  
 41.33 against the license holder, and the office must hold a hearing to determine whether the office

42.1 should revoke the license or deny renewal of the license. The license holder shall receive  
 42.2 notice at least 20 days before the date of the hearing and notice may be served either by  
 42.3 certified mail addressed to the address of the license holder as shown in the license  
 42.4 application or in the manner provided by law for the service of a summons. At the time and  
 42.5 place fixed for the hearing, the office, or any office employee or agent authorized by the  
 42.6 office to conduct the hearing, shall receive evidence, administer oaths, and examine witnesses.

42.7 (b) After the hearing held pursuant to paragraph (a), or upon the failure of the license  
 42.8 holder to appear at the hearing, the office must take action as is deemed advisable and issue  
 42.9 written findings that the office must mail to the license holder. An action of the office under  
 42.10 this paragraph is subject to judicial review pursuant to chapter 14.

42.11 Subd. 3. **Temporary suspension.** The office may temporarily, without hearing, suspend  
 42.12 the license and operating privilege of any business licensed under this chapter for up to 90  
 42.13 days if continuing the operation of the business would threaten the health or safety of any  
 42.14 person. The office may extend the period for an additional 90 days if the office notified the  
 42.15 business that the office intends to revoke or not renew a license and the hearing required  
 42.16 under subdivision 2 has not taken place.

42.17 Sec. 19. **[342.20] ADULT-USE CANNABIS BUSINESS; GENERAL OWNERSHIP**  
 42.18 **DISQUALIFICATIONS AND REQUIREMENTS.**

42.19 Subdivision 1. **Criminal history check.** Every license applicant and prospective cannabis  
 42.20 worker must submit a completed criminal history records check consent form, a full set of  
 42.21 classifiable fingerprints, and the required fees to the office. Upon receipt of this information,  
 42.22 the office must submit the completed criminal history records check consent form, full set  
 42.23 of classifiable fingerprints, and required fees to the Bureau of Criminal Apprehension. After  
 42.24 receiving this information, the bureau must conduct a Minnesota criminal history records  
 42.25 check of the license applicant. The bureau may exchange a license applicant's fingerprints  
 42.26 with the Federal Bureau of Investigation to obtain the applicant's national criminal history  
 42.27 record information. The bureau must return the results of the Minnesota and federal criminal  
 42.28 history records checks to the director to determine if the applicant is disqualified under this  
 42.29 section.

42.30 Subd. 2. **Criminal offenses; disqualifications.** (a) No person may hold or receive a  
 42.31 license issued under this chapter or work for a cannabis business if the person has been  
 42.32 convicted of, or received a stay of adjudication for, a violation of a state or federal controlled  
 42.33 substance law that is a felony under Minnesota law or would be a felony if committed in

43.1 Minnesota, regardless of the sentence imposed, unless the office determines that the person's  
43.2 conviction was for the possession or sale of cannabis.

43.3 (b) A person who has been convicted of, or received a stay of adjudication for, a violation  
43.4 of Minnesota Statutes 2022, section 152.023, subdivision 1, clause (3), or a state or federal  
43.5 law in conformity with that provision, for the sale of cannabis to a person under the age of  
43.6 18 may hold or receive a license issued under this chapter, or work for a cannabis business,  
43.7 if 20 years have passed since the date the person was convicted or adjudication was stayed.

43.8 (c) Except as provided in paragraph (a), (b), or (d), a person who has been convicted of,  
43.9 or received a stay of adjudication for, a violation of a state or federal law that is a felony  
43.10 under Minnesota law or would be a felony if committed in Minnesota, regardless of the  
43.11 sentence imposed, may hold or receive a license issued under this chapter, or work for a  
43.12 cannabis business, if five years have passed since the discharge of the sentence.

43.13 (d) No license holder or applicant may hold or receive a license issued under this chapter,  
43.14 or work for a cannabis business, if the person has been convicted of a sale of cannabis in

47.31 Subd. 11. **Financial relationship.** (a) Except for the lawful sale of cannabis plants,  
47.32 cannabis flower, cannabinoid products, and artificially derived cannabinoids in the ordinary  
47.33 course of business and as otherwise provided in this subdivision, no cannabis business may

48.1 offer, give, accept, receive, or borrow money or anything else of value or accept or receive  
48.2 credit from any other cannabis business. This prohibition applies to offering or receiving a  
48.3 benefit in exchange for preferential placement by a cannabis retailer, including preferential

48.18 sample provided for these purposes may not contain more than eight grams of useable  
48.19 cannabis flower, eight grams of a cannabis concentrate, or an edible cannabinoid product  
48.20 infused with 100 milligrams of tetrahydrocannabinol.

48.21 (e) This prohibition does not apply to any fee charged by a licensed cannabis event  
48.22 organizer to a cannabis business for participation in a cannabis event.

48.32 office.

48.33 (b) The office may issue an applicant either of the following types of cultivator licenses:

49.1 (1) a craft cultivator license, which allows cultivation by a license holder of not more  
49.2 than 10,000 feet of plant canopy unless the office, by rule, increases that limit; or

49.26 (b) Except as provided in paragraph (a), no person, cooperative, or business holding a  
49.27 cannabis cultivator license may own or operate any other cannabis business. This prohibition  
49.28 does not prevent the transportation of cannabis flower from a cannabis cultivator to a cannabis  
49.29 manufacturer licensed to the same person, cooperative, or business and located on the same  
49.30 premises.

49.31 (c) The office by rule may limit the number of cannabis cultivator licenses a person,  
49.32 cooperative, or business may hold.

50.1 (d) For purposes of this subdivision, a restriction on the number or type of license a

87.11 (3) the medical cannabis retailer does not store medical cannabis flower or medical  
87.12 cannabinoid products outside a restricted access area and staff transport medical cannabis  
87.13 flower and medical cannabinoid products from a restricted access area to the designated  
87.14 zone for distribution only after confirming that the patient, designated caregiver, or parent,  
87.15 guardian, or spouse has arrived in the designated zone;

87.16 (4) the payment and distribution of medical cannabis flower and medical cannabinoid  
87.17 products take place only after a pharmacist consultation takes place, if required under

87.20 products, staff enter the transaction in the statewide monitoring system; and

87.21 (6) immediately following distribution of medical cannabis flower and medical  
87.22 cannabinoid products, staff take the payment received into the facility.

87.23 Subd. 6. **Physical separation required.** A medical cannabis retailer that is also a cannabis  
87.24 retailer must distribute medical cannabis flower and medical cannabinoid products provided  
87.25 that the portion of the premises in which medical cannabis flower and medical cannabinoid  
87.26 products are sold is definite and distinct from all other areas of the cannabis retailer, is  
87.27 accessed through a distinct entrance, and provides an appropriate space for a pharmacist  
87.28 employee of the medical cannabis retailer to consult with the patient to determine the proper  
87.29 type of medical cannabis flower and medical cannabinoid products and proper dosage for  
87.30 the patient.

87.31 **EFFECTIVE DATE.** This section is effective January 1, 2024.

88.1 Sec. 46. [342.47] PATIENT REGISTRY PROGRAM.

88.2 Subdivision 1. Administration. The Division of Medical Cannabis must administer the  
88.3 medical cannabis registry program.

88.4 Subd. 2. Application procedure for patients. (a) A patient seeking to enroll in the  
88.5 registry program must submit to the Division of Medical Cannabis an application established  
88.6 by the Division of Medical Cannabis and a copy of the certification specified in paragraph  
88.7 (b) or, if the patient is a veteran who receives care from the United States Department of  
88.8 Veterans Affairs, the information required pursuant to subdivision 3. The patient must  
88.9 provide at least the following information in the application:

88.12 practitioner;

88.13 (3) the name, mailing address, and date of birth of the patient's registered designated  
88.14 caregiver, if any, or the patient's parent, legal guardian, or spouse if the parent, legal guardian,  
88.15 or spouse will be acting as the patient's caregiver;

88.16 (4) a disclosure signed by the patient that includes:

88.17 (i) a statement that, notwithstanding any law to the contrary, the Office of Cannabis  
88.18 Management, the Division of Medical Cannabis, or an employee of the Office of Cannabis  
88.19 Management or Division of Medical Cannabis may not be held civilly or criminally liable  
88.20 for any injury, loss of property, personal injury, or death caused by an act or omission while  
88.21 acting within the employee's scope of office or employment under this section; and

88.22 (ii) the patient's acknowledgment that enrollment in the registry program is conditional  
88.23 on the patient's agreement to meet all other requirements of this section; and

88.24 (5) all other information required by the Division of Medical Cannabis.

88.25 (b) As part of the application under this subdivision, a patient must submit a copy of a  
88.26 certification from the patient's health care practitioner that is dated within 90 days prior to  
88.27 the submission of the application and that certifies that the patient has been diagnosed with  
88.28 a qualifying medical condition.

88.29 (c) A patient's health care practitioner may submit a statement to the Division of Medical  
88.30 Cannabis declaring that the patient is no longer diagnosed with a qualifying medical  
88.31 condition. Within 30 days after receipt of a statement from a patient's health care practitioner,  
88.32 the Division of Medical Cannabis must provide written notice to a patient stating that the

89.1 patient's enrollment in the registry program will be revoked in 30 days unless the patient  
89.2 submits a certification from a health care practitioner that the patient is currently diagnosed  
89.3 with a qualifying medical condition or, if the patient is a veteran, the patient submits  
89.4 confirmation that the patient is currently diagnosed with a qualifying medical condition in  
89.5 a form and manner consistent with the information required for an application made pursuant  
89.6 to subdivision 3. If the Division of Medical Cannabis revokes a patient's enrollment in the  
89.7 registry program pursuant to this paragraph, the division must provide notice to the patient  
89.8 and to the patient's health care practitioner.

89.9 Subd. 3. **Application procedure for veterans.** (a) The Division of Medical Cannabis  
89.10 shall establish an alternative certification procedure for veterans who receive care from the  
89.11 United States Department of Veterans Affairs to confirm that the veteran has been diagnosed  
89.12 with a qualifying medical condition.

89.13 (b) A patient who is also a veteran and is seeking to enroll in the registry program must  
89.14 submit to the Division of Medical Cannabis an application established by the Division of  
89.15 Medical Cannabis that includes the information identified in subdivision 2, paragraph (a),  
89.16 and the additional information required by the Division of Medical Cannabis to certify that  
89.17 the patient has been diagnosed with a qualifying medical condition.

89.18 Subd. 4. **Enrollment; denial of enrollment; revocation.** (a) Within 30 days after the  
89.19 receipt of an application and certification or other documentation of a diagnosis with a  
89.20 qualifying medical condition, the Division of Medical Cannabis must approve or deny a  
89.21 patient's enrollment in the registry program. If the Division of Medical Cannabis approves  
89.22 a patient's enrollment in the registry program, the office must provide notice to the patient  
89.23 and to the patient's health care practitioner.

89.24 (b) A patient's enrollment in the registry program must only be denied if the patient:

89.25 (1) does not submit a certification from a health care practitioner or, if the patient is a  
89.26 veteran, the documentation required under subdivision 3 that the patient has been diagnosed  
89.27 with a qualifying medical condition;

89.28 (2) has not signed the disclosure required in subdivision 2;

89.29 (3) does not provide the information required by the Division of Medical Cannabis;

89.30 (4) provided false information on the application; or

89.31 (5) at the time of application, is also enrolled in a federally approved clinical trial for  
89.32 the treatment of a qualifying medical condition with medical cannabis.

90.1 (c) If the Division of Medical Cannabis denies a patient's enrollment in the registry  
 90.2 program, the Division of Medical Cannabis must provide written notice to a patient of all  
 90.3 reasons for denying enrollment. Denial of enrollment in the registry program is considered  
 90.4 a final decision of the office and is subject to judicial review under chapter 14.

90.5 (d) A patient's enrollment in the registry program may be revoked only:

90.6 (1) pursuant to subdivision 2, paragraph (c);

90.7 (2) upon the death of the patient;

90.8 (3) if the patient's certifying health care practitioner has filed a declaration under  
 90.9 subdivision 2, paragraph (c), that the patient's qualifying diagnosis no longer exists and the  
 90.10 patient does not submit another certification within 30 days;

90.11 (4) if the patient does not comply with subdivision 6; or

90.12 (5) if the patient intentionally sells or diverts medical cannabis flower or medical  
 90.13 cannabinoid products in violation of this chapter.

90.14 If a patient's enrollment in the registry program has been revoked due to a violation of  
 90.15 subdivision 6, the patient may apply for enrollment 12 months after the date on which the  
 90.16 patient's enrollment was revoked. The office must process such an application in accordance  
 90.17 with this subdivision.

90.18 Subd. 5. **Registry verification.** When a patient is enrolled in the registry program, the  
 90.19 Division of Medical Cannabis must assign the patient a patient registry number and must  
 90.20 issue the patient and the patient's registered designated caregiver, parent, legal guardian, or  
 90.21 spouse, if applicable, a registry verification. The Division of Medical Cannabis must also  
 90.22 make the registry verification available to medical cannabis retailers. The registry verification  
 90.23 must include:

90.24 (1) the patient's name and date of birth;

90.25 (2) the patient registry number assigned to the patient; and

90.26 (3) the name and date of birth of the patient's registered designated caregiver, if any, or  
 90.27 the name of the patient's parent, legal guardian, or spouse if the parent, legal guardian, or  
 90.28 spouse will act as a caregiver.

90.29 Subd. 6. **Conditions of continued enrollment.** As conditions of continued enrollment,  
 90.30 a patient must:

90.31 (1) continue to receive regularly scheduled treatment for the patient's qualifying medical  
 90.32 condition from the patient's health care practitioner; and

91.1 (2) report changes in the patient's qualifying medical condition to the patient's health  
91.2 care practitioner.

91.3 Subd. 7. **Enrollment period.** Enrollment in the registry program is valid for one year.  
91.4 To re-enroll, a patient must submit the information required in subdivision 2 and a patient  
91.5 who is also a veteran must submit the information required in subdivision 3.

91.6 Subd. 8. **Medical cannabis flower and medical cannabinoid products; allowable**  
91.7 **delivery methods.** Medical cannabis flower and medical cannabinoid products may be  
91.8 delivered in the form of:

91.9 (1) a liquid, including but not limited to oil;

91.10 (2) a pill;

91.12 (4) a water-soluble cannabinoid multiparticulate, including granules, powder, and  
91.13 sprinkles;

91.14 (5) an orally dissolvable product, including lozenges, gum, mints, buccal tablets, and  
91.15 sublingual tablets;

91.16 (6) edible products in the form of gummies and chews;

91.17 (7) a topical formulation;

91.18 (8) combustion with the use of dried raw cannabis; or

91.19 (9) any other method approved by the office.

91.20 Subd. 9. **Registered designated caregiver.** (a) The Division of Medical Cannabis must  
91.21 register a designated caregiver for a patient if the patient requires assistance in administering  
91.22 medical cannabis flower or medical cannabinoid products or in obtaining medical cannabis  
91.23 flower, medical cannabinoid products, or medical cannabis paraphernalia from a medical  
91.24 cannabis retailer.

91.25 (b) In order to serve as a designated caregiver, a person must:

91.26 (1) be at least 18 years of age;

91.27 (2) agree to only possess the patient's medical cannabis flower and medical cannabinoid  
91.28 products for purposes of assisting the patient; and

91.29 (3) agree that if the application is approved, the person will not serve as a registered  
91.30 designated caregiver for more than six registered patients at one time. Patients who reside  
91.31 in the same residence count as one patient.

92.1 (c) The office shall conduct a criminal background check on the designated caregiver  
 92.2 prior to registration to ensure that the person does not have a conviction for a disqualifying  
 92.3 felony offense. Any cost of the background check shall be paid by the person seeking  
 92.4 registration as a designated caregiver. A designated caregiver must have the criminal  
 92.5 background check renewed every two years.

92.6 (d) Nothing in this section shall be construed to prevent a registered designated caregiver  
 92.7 from being enrolled in the registry program as a patient and possessing and administering  
 92.8 medical cannabis as a patient.

92.9 Subd. 10. **Parents, legal guardians, spouses.** A parent, legal guardian, or spouse of a  
 92.10 patient may act as the caregiver for a patient. The parent, legal guardian, or spouse who is  
 92.11 acting as a caregiver must follow all requirements for parents, legal guardians, and spouses  
 92.12 under this chapter. Nothing in this section limits any legal authority that a parent, legal  
 92.13 guardian, or spouse may have for the patient under any other law.

92.14 Subd. 11. **Enrollment fee.** (a) The Division of Cannabis Management must collect an  
 92.15 enrollment fee of \$40 from a patient enrolled under this section.

92.16 (b) Revenue collected under this subdivision shall deposit to a dedicated account in the  
 92.17 special revenue fund. The balance of the account shall be appropriated annually to the  
 92.18 administrator of the office for program operations.

92.19 Subd. 12. **Notice of change of name or address.** Patients and registered designated  
 92.20 caregivers must notify the Division of Medical Cannabis of any address or name change  
 92.21 within 30 days of the change having occurred. A patient or registered designated caregiver  
 92.22 is subject to a \$100 fine for failure to notify the office of the change.

92.23 **EFFECTIVE DATE.** This section is effective January 1, 2024.

92.24 Sec. 47. **[342.48] DUTIES OF OFFICE OF CANNABIS MANAGEMENT;**  
 92.25 **REGISTRY PROGRAM.**

92.26 The office may add an allowable form of medical cannabinoid product, and may add or  
 92.27 modify a qualifying medical condition upon its own initiative, upon a petition from a member  
 92.28 of the public or from the Cannabis Advisory Council or as directed by law. The office must  
 92.29 evaluate all petitions and must make the addition or modification if the office determines  
 92.30 that the addition or modification is warranted by the best available evidence and research.  
 92.31 If the office wishes to add an allowable form or add or modify a qualifying medical condition,  
 92.32 the office must notify the chairs and ranking minority members of the legislative committees  
 92.33 and divisions with jurisdiction over health finance and policy by January 15 of the year in

93.1 which the change becomes effective. In this notification, the office must specify the proposed  
 93.2 addition or modification, the reasons for the addition or modification, any written comments  
 93.3 received by the office from the public about the addition or modification, and any guidance  
 93.4 received from the Cannabis Advisory Council. An addition or modification by the office  
 93.5 under this subdivision becomes effective on August 1 of that year unless the legislature by  
 93.6 law provides otherwise.

93.7 **EFFECTIVE DATE.** This section is effective January 1, 2024.

93.8 Sec. 48. **[342.49] DUTIES OF DIVISION OF MEDICAL CANNABIS; REGISTRY**  
 93.9 **PROGRAM.**

93.10 Subdivision 1. **Duties related to health care practitioners.** The Division of Medical  
 93.11 Cannabis must:

93.12 (1) provide notice of the registry program to health care practitioners in the state;

93.13 (2) allow health care practitioners to participate in the registry program if they request  
 93.14 to participate and meet the program's requirements;

93.15 (3) provide explanatory information and assistance to health care practitioners to  
 93.16 understand the nature of the therapeutic use of medical cannabis within program  
 93.17 requirements;

93.18 (4) make available to participating health care practitioners a certification form in which  
 93.19 a health care practitioner certifies that a patient has a qualifying medical condition; and

93.20 (5) supervise the participation of health care practitioners in the registry reporting system  
 93.21 in which health care practitioners report patient treatment and health records information  
 93.22 to the office in a manner that ensures stringent security and record keeping requirements  
 93.23 and that prevents the unauthorized release of private data on individuals as defined in section  
 93.24 13.02.

93.25 Subd. 2. **Duties related to the registry program.** The Division of Medical Cannabis  
 93.26 must:

93.27 (1) administer the registry program according to section 342.47;

93.28 (2) provide information to patients enrolled in the registry program on the existence of  
 93.29 federally approved clinical trials for the treatment of the patient's qualifying medical condition  
 93.30 with medical cannabis flower or medical cannabinoid products as an alternative to enrollment  
 93.31 in the registry program;

94.1 (3) maintain safety criteria with which patients must comply as a condition of participation  
94.2 in the registry program to prevent patients from undertaking any task under the influence  
94.3 of medical cannabis flower or medical cannabinoid products that would constitute negligence  
94.4 or professional malpractice;

94.5 (4) review and publicly report on existing medical and scientific literature regarding the  
94.6 range of recommended dosages for each qualifying medical condition, the range of chemical  
94.7 compositions of medical cannabis flower and medical cannabinoid products that will likely  
94.8 be medically beneficial for each qualifying medical condition, and any risks of noncannabis  
94.9 drug interactions. This information must be updated by December 1 of each year. The office  
94.10 may consult with an independent laboratory under contract with the office or other experts  
94.11 in reporting and updating this information; and

94.12 (5) annually consult with cannabis businesses about medical cannabis that the businesses  
94.13 cultivate, manufacture, and offer for sale and post on the Division of Medical Cannabis  
94.14 website a list of the medical cannabis flower and medical cannabinoid products offered for  
94.15 sale by each medical cannabis retailer.

94.16 Subd. 3. **Research.** (a) The Division of Medical Cannabis must conduct or contract with  
94.17 a third party to conduct research and studies using data from health records submitted to  
94.18 the registry program under section 342.50, subdivision 2, and data submitted to the registry  
94.19 program under section 342.47, subdivisions 2 and 3. If the division contracts with a third  
94.20 party for research and studies, the third party must provide the division with access to all  
94.21 research and study results. The division must submit reports on intermediate or final research  
94.22 results to the legislature and major scientific journals. All data used by the division or a  
94.23 third party under this subdivision must be used or reported in an aggregated nonidentifiable  
94.24 form as part of a scientific peer-reviewed publication of research or in the creation of  
94.25 summary data, as defined in section 13.02, subdivision 19.

94.26 (b) The Division of Medical Cannabis may submit medical research based on the data  
94.27 collected under sections 342.50, subdivision 2, and data collected through the statewide  
94.28 monitoring system to any federal agency with regulatory or enforcement authority over  
94.29 medical cannabis to demonstrate the effectiveness of medical cannabis flower or medical  
94.30 cannabinoid products for treating or alleviating the symptoms of a qualifying medical  
94.31 condition.

94.32 **EFFECTIVE DATE.** This section is effective January 1, 2024.

95.1 Sec. 49. **[342.50] DUTIES OF HEALTH CARE PRACTITIONERS; REGISTRY**  
95.2 **PROGRAM.**

95.3 **Subdivision 1. Health care practitioner duties before patient enrollment.** Before a  
95.4 patient's enrollment in the registry program, a health care practitioner must:

95.5 (1) determine, in the health care practitioner's medical judgment, whether a patient has  
95.6 a qualifying medical condition and, if so determined, provide the patient with a certification  
95.7 of that diagnosis;

95.8 (2) advise patients, registered designated caregivers, and parents, legal guardians, and  
95.9 spouses acting as caregivers of any nonprofit patient support groups or organizations;

95.10 (3) provide to patients explanatory information from the Division of Medical Cannabis,  
95.11 including information about the experimental nature of the therapeutic use of medical  
95.12 cannabis flower and medical cannabinoid products; the possible risks, benefits, and side  
95.13 effects of the proposed treatment; and the application and other materials from the office;

95.14 (4) provide to patients a Tennessee warning as required under section 13.04, subdivision  
95.15 2; and

95.16 (5) agree to continue treatment of the patient's qualifying medical condition and to report  
95.17 findings to the Division of Medical Cannabis.

95.18 **Subd. 2. Duties upon patient's enrollment in registry program.** Upon receiving  
95.19 notification from the Division of Medical Cannabis of the patient's enrollment in the registry  
95.20 program, a health care practitioner must:

95.21 (1) participate in the patient registry reporting system under the guidance and supervision  
95.22 of the Division of Medical Cannabis;

95.23 (2) report to the Division of Medical Cannabis patient health records throughout the  
95.24 patient's ongoing treatment in a manner determined by the office and in accordance with  
95.25 subdivision 4;

95.26 (3) determine on a yearly basis if the patient continues to have a qualifying medical  
95.27 condition and, if so, issue the patient a new certification of that diagnosis. The patient  
95.28 assessment conducted under this clause may be conducted via telemedicine, as defined in  
95.29 section 62A.671, subdivision 9; and

95.30 (4) otherwise comply with requirements established by the Office of Cannabis  
95.31 Management and the Division of Medical Cannabis.

96.1 Subd. 3. **Participation not required.** Nothing in this section requires a health care  
 96.2 practitioner to participate in the registry program.

96.3 Subd. 4. **Data.** Data on patients collected by a health care practitioner and reported to  
 96.4 the registry program, including data on patients who are veterans who receive care from  
 96.5 the United States Department of Veterans Affairs, are health records under section 144.291  
 96.6 and are private data on individuals under section 13.02 but may be used or reported in an  
 96.7 aggregated nonidentifiable form as part of a scientific peer-reviewed publication of research  
 96.8 conducted under section 342.49 or in the creation of summary data, as defined in section  
 96.9 13.02, subdivision 19.

96.10 Subd. 5. **Exception.** The requirements of this section do not apply to a patient who is a  
 96.11 veteran who receives care from the United States Department of Veterans Affairs or a health  
 96.12 care practitioner employed by the United States Department of Veterans Affairs. Such a  
 96.13 patient must meet the certification requirements developed pursuant to section 342.47,  
 96.14 subdivision 3, before the patient's enrollment in the registry program. The Division of  
 96.15 Medical Cannabis may establish policies and procedures to obtain medical records and other  
 96.16 relevant data from a health care practitioner employed by the United States Department of  
 96.17 Veterans Affairs, provided that those policies and procedures are consistent with this section.

96.18 **EFFECTIVE DATE.** This section is effective January 1, 2024.

96.19 Sec. 50. **[342.51] LIMITATIONS.**

96.20 Subdivision 1. **Limitations on consumption; locations of consumption.** Nothing in  
 96.21 sections 342.42 to 342.56 permits any person to engage in, and does not prevent the  
 96.22 imposition of any civil, criminal, or other penalties for:

96.23 (1) undertaking a task under the influence of medical cannabis that would constitute  
 96.24 negligence or professional malpractice;

96.25 (2) possessing or consuming medical cannabis:

96.26 (i) on a school bus or van;

96.27 (ii) in a correctional facility; or

96.28 (iii) on the grounds of a child care facility or family or group family day care program;

96.29 (3) vaporizing or smoking medical cannabis:

96.30 (i) on any form of public transportation;

97.1 (ii) where the vapor would be inhaled by a nonpatient minor or where the smoke would  
97.2 be inhaled by a minor; or

97.3 (iii) in any public place, including any indoor or outdoor area used by or open to the  
97.4 general public or a place of employment, as defined in section 144.413, subdivision 1b; and

97.5 (4) operating, navigating, or being in actual physical control of a motor vehicle, aircraft,  
97.6 train, or motorboat or working on transportation property, equipment, or facilities while  
97.7 under the influence of medical cannabis or a medical cannabis product.

97.8 Subd. 2. **Health care facilities.** (a) Health care facilities licensed under chapter 144A;  
97.9 hospice providers licensed under chapter 144A; boarding care homes or supervised living  
97.10 facilities licensed under section 144.50; assisted living facilities under chapter 144G; facilities  
97.11 owned, controlled, managed, or under common control with hospitals licensed under chapter  
97.12 144; and other health care facilities licensed by the commissioner of health may adopt  
97.13 reasonable restrictions on the use of medical cannabis flower or medical cannabinoid products  
97.14 by a patient enrolled in the registry program who resides at or is actively receiving treatment  
97.15 or care at the facility. The restrictions may include a provision that the facility must not  
97.16 store or maintain a patient's supply of medical cannabis flower or medical cannabinoid  
97.17 products, that the facility is not responsible for providing medical cannabis for patients, and  
97.18 that medical cannabis flower or medical cannabinoid products are used only in a location  
97.19 specified by the facility or provider.

97.20 (b) An employee or agent of a facility or provider listed in this subdivision or a person  
97.21 licensed under chapter 144E is not violating this chapter or chapter 152 for the possession  
97.22 of medical cannabis flower or medical cannabinoid products while carrying out employment  
97.23 duties, including providing or supervising care to a patient enrolled in the registry program,  
97.24 or distribution of medical cannabis flower or medical cannabinoid products to a patient  
97.25 enrolled in the registry program who resides at or is actively receiving treatment or care at  
97.26 the facility or from the provider with which the employee or agent is affiliated. Nothing in  
97.27 this subdivision requires facilities and providers listed in this subdivision to adopt such  
97.28 restrictions. No facility or provider listed in this subdivision may unreasonably limit a  
97.29 patient's access to or use of medical cannabis flower or medical cannabinoid products to  
97.30 the extent that such use is authorized under sections 342.42 to 342.56.

97.31 **EFFECTIVE DATE.** This section is effective January 1, 2024.

98.1 Sec. 51. **[342.52] PROTECTIONS FOR REGISTRY PROGRAM PARTICIPANTS.**

98.2 Subdivision 1. **Presumption.** There is a presumption that a patient enrolled in the registry  
 98.3 program is engaged in the authorized use of medical cannabis flower and medical cannabinoid  
 98.4 products. This presumption may be rebutted by evidence that the patient's use of medical  
 98.5 cannabis flower or medical cannabinoid products was not for the purpose of treating or  
 98.6 alleviating the patient's qualifying medical condition or symptoms associated with the  
 98.7 patient's qualifying medical condition.

98.8 Subd. 2. **Criminal and civil protections.** (a) Subject to section 342.51, the following  
 98.9 are not violations of this chapter or chapter 152:

98.10 (1) use or possession of medical cannabis flower, medical cannabinoid products, or  
 98.11 medical cannabis paraphernalia by a patient enrolled in the registry program or by a visiting  
 98.12 patient to whom medical cannabis is distributed under section 342.46, subdivision 5;

98.13 (2) possession of medical cannabis flower, medical cannabinoid products, or medical  
 98.14 cannabis paraphernalia by a registered designated caregiver or a parent, legal guardian, or  
 98.15 spouse of a patient enrolled in the registry program; or

98.16 (3) possession of medical cannabis flower, medical cannabinoid products, or medical  
 98.17 cannabis paraphernalia by any person while carrying out duties required under sections  
 98.18 342.42 to 342.56.

98.19 (b) The Office of Cannabis Management, members of the Cannabis Advisory Council,  
 98.20 Office of Cannabis Management employees, agents or contractors of the Office of Cannabis  
 98.21 Management, and health care practitioners participating in the registry program are not  
 98.22 subject to any civil penalties or disciplinary action by the Board of Medical Practice, the  
 98.23 Board of Nursing, or any business, occupational, or professional licensing board or entity  
 98.24 solely for participating in the registry program either in a professional capacity or as a  
 98.25 patient. A pharmacist licensed under chapter 151 is not subject to any civil penalties or  
 98.26 disciplinary action by the Board of Pharmacy when acting in accordance with sections  
 98.27 342.42 to 342.56 either in a professional capacity or as a patient. Nothing in this section  
 98.28 prohibits a professional licensing board from taking action in response to a violation of law.

98.29 (c) Notwithstanding any law to the contrary, a Cannabis Advisory Council member, the  
 98.30 governor, or an employee of a state agency must not be held civilly or criminally liable for  
 98.31 any injury, loss of property, personal injury, or death caused by any act or omission while  
 98.32 acting within the scope of office or employment under sections 342.42 to 342.56.

99.1 (d) Federal, state, and local law enforcement authorities are prohibited from accessing  
 99.2 the registry except when acting pursuant to a valid search warrant. Notwithstanding section  
 99.3 13.09, a violation of this paragraph is a gross misdemeanor.

99.4 (e) Notwithstanding any law to the contrary, the office and employees of the office must  
 99.5 not release data or information about an individual contained in any report or document or  
 99.6 in the registry and must not release data or information obtained about a patient enrolled in  
 99.7 the registry program, except as provided in sections 342.42 to 342.56. Notwithstanding  
 99.8 section 13.09, a violation of this paragraph is a gross misdemeanor.

99.9 (f) No information contained in a report or document, contained in the registry, or  
 99.10 obtained from a patient under sections 342.42 to 342.56 may be admitted as evidence in a  
 99.11 criminal proceeding, unless:

99.12 (1) the information is independently obtained; or

99.13 (2) admission of the information is sought in a criminal proceeding involving a criminal  
 99.14 violation of sections 342.42 to 342.56.

99.15 (g) Possession of a registry verification or an application for enrollment in the registry  
 99.16 program:

99.17 (1) does not constitute probable cause or reasonable suspicion;

99.18 (2) must not be used to support a search of the person or property of the person with a  
 99.19 registry verification or application to enroll in the registry program; and

99.20 (3) must not subject the person or the property of the person to inspection by any  
 99.21 government agency.

99.22 Subd. 3. **School enrollment; rental property.** (a) No school may refuse to enroll a  
 99.23 patient as a pupil or otherwise penalize a patient solely because the patient is enrolled in  
 99.24 the registry program, unless failing to do so would violate federal law or regulations or  
 99.25 cause the school to lose a monetary or licensing-related benefit under federal law or  
 99.26 regulations.

99.27 (b) No landlord may refuse to lease to a patient or otherwise penalize a patient solely  
 99.28 because the patient is enrolled in the registry program, unless failing to do so would violate  
 99.29 federal law or regulations or cause the landlord to lose a monetary or licensing-related  
 99.30 benefit under federal law or regulations.

99.31 Subd. 4. **Medical care.** For purposes of medical care, including organ transplants, a  
 99.32 patient's use of medical cannabis according to sections 342.42 to 342.56 is considered the

100.1 equivalent of the authorized use of a medication used at the discretion of a health care  
 100.2 practitioner and does not disqualify a patient from needed medical care.

100.3 Subd. 5. **Employment.** (a) Unless a failure to do so would violate federal or state law  
 100.4 or regulations or cause an employer to lose a monetary or licensing-related benefit under  
 100.5 federal law or regulations, an employer may not discriminate against a person in hiring,  
 100.6 termination, or any term or condition of employment, or otherwise penalize a person, if the  
 100.7 discrimination is based on:

100.8 (1) the person's status as a patient enrolled in the registry program; or

100.9 (2) a patient's positive drug test for cannabis components or metabolites, unless the  
 100.10 patient used, possessed, sold, transported, or was impaired by medical cannabis flower or  
 100.11 a medical cannabinoid product on work premises, during working hours, or while operating  
 100.12 an employer's machinery, vehicle, or equipment.

100.13 (b) An employee who is a patient and whose employer requires the employee to undergo  
 100.14 drug testing according to section 181.953 may present the employee's registry verification  
 100.15 as part of the employee's explanation under section 181.953, subdivision 6.

100.16 Subd. 6. **Custody; visitation; parenting time.** A person must not be denied custody of  
 100.17 a minor child or visitation rights or parenting time with a minor child based solely on the  
 100.18 person's status as a patient enrolled in the registry program. There must be no presumption  
 100.19 of neglect or child endangerment for conduct allowed under sections 342.42 to 342.56,  
 100.20 unless the person's behavior creates an unreasonable danger to the safety of the minor as  
 100.21 established by clear and convincing evidence.

100.22 Subd. 7. **Action for damages.** In addition to any other remedy provided by law, a patient  
 100.23 may bring an action for damages against any person who violates subdivision 3, 4, or 5. A  
 100.24 person who violates subdivision 3, 4, or 5 is liable to a patient injured by the violation for  
 100.25 the greater of the person's actual damages or a civil penalty of \$100 and reasonable attorney  
 100.26 fees.

100.27 **EFFECTIVE DATE.** This section is effective January 1, 2024.

100.28 Sec. 52. **[342.54] VIOLATION BY HEALTH CARE PRACTITIONER; CRIMINAL**  
 100.29 **PENALTY.**

100.30 A health care practitioner who knowingly refers patients to a medical cannabis business  
 100.31 or to a designated caregiver, who advertises as a retailer or producer of medical cannabis  
 100.32 flower or medical cannabinoid products, or who issues certifications while holding a financial  
 100.33 interest in a cannabis retailer or medical cannabis business is guilty of a misdemeanor and

101.1 may be sentenced to imprisonment for not more than 90 days or to payment of not more  
101.2 than \$1,000, or both.

101.3 **EFFECTIVE DATE.** This section is effective January 1, 2024.

101.4 Sec. 53. **[342.55] DATA PRACTICES.**

101.5 Subdivision 1. **Data classification.** Patient health records maintained by the Office of  
101.6 Cannabis Management or the Division of Medical Cannabis and government data in patient  
101.7 health records maintained by a health care practitioner are classified as private data on  
101.8 individuals, as defined in section 13.02, subdivision 12, or nonpublic data, as defined in  
101.9 section 13.02, subdivision 9.

101.10 Subd. 2. **Allowable use; prohibited use.** Data specified in subdivision 1 may be used  
101.11 to comply with chapter 13, to comply with a request from the legislative auditor or the state  
101.12 auditor in the performance of official duties, and for purposes specified in sections 342.42  
101.13 to 342.56. Data specified in subdivision 1 and maintained by the Office of Cannabis  
101.14 Management or Division of Medical Cannabis must not be used for any purpose not specified  
101.15 in sections 342.42 to 342.56 and must not be combined or linked in any manner with any  
101.16 other list, dataset, or database. Data specified in subdivision 1 must not be shared with any  
101.17 federal agency, federal department, or federal entity unless specifically ordered to do so by  
101.18 a state or federal court.

101.19 **EFFECTIVE DATE.** This section is effective January 1, 2024.

101.20 Sec. 54. **[342.56] CLINICAL TRIALS.**

101.21 The Division of Medical Cannabis may conduct, or award grants to health care providers  
101.22 or research organizations to conduct, clinical trials on the safety and efficacy of using  
101.23 medical cannabis flower or medical cannabinoid products to treat a specific health condition.  
101.24 A health care provider or research organization receiving a grant under this section must  
101.25 provide the office with access to all data collected in a clinical trial funded under this section.  
101.26 The office may use data from clinical trials conducted or funded under this section as  
101.27 evidence to approve additional qualifying medical conditions or additional allowable forms  
101.28 of medical cannabis.

101.29 **EFFECTIVE DATE.** This section is effective January 1, 2024.

102.1 Sec. 55. **[342.60] TESTING.**

102.2 **Subdivision 1. Testing required.** A cannabis business shall not sell or offer for sale  
102.3 cannabis flower, cannabinoid products, artificially derived cannabinoids, or hemp-derived  
102.4 consumer products to another cannabis business or to a customer or patient, or otherwise  
102.5 transfer cannabis flower, cannabinoid products, artificially derived cannabinoids, or  
102.6 hemp-derived consumer products to another cannabis business, unless:

102.7 (1) a representative sample of the batch of cannabis flower, cannabinoid product,  
102.8 artificially derived cannabinoid, or hemp-derived consumer product has been tested according  
102.9 to this section and rules adopted under this chapter;

102.10 (2) the testing was completed by a cannabis testing facility licensed under this chapter;  
102.11 and

102.12 (3) the tested sample of cannabis flower, cannabinoid product, artificially derived  
102.13 cannabinoid, or hemp-derived consumer product was found to meet testing standards  
102.14 established by the office.

102.15 **Subd. 2. Procedures and standards established by office.** (a) The office shall by rule  
102.16 establish procedures governing the sampling, handling, testing, storage, and transportation  
102.17 of cannabis flower, cannabinoid products, artificially derived cannabinoids, and hemp-derived  
102.18 consumer products tested under this section; the contaminants for which cannabis flower,  
102.19 cannabinoid products, artificially derived cannabinoids, and hemp-derived consumer products  
102.20 must be tested; standards for potency and homogeneity testing; and procedures applicable  
102.21 to cannabis businesses and cannabis testing facilities regarding cannabis flower, cannabinoid  
102.22 products, artificially derived cannabinoids, and hemp-derived consumer products that fail  
102.23 to meet the standards for allowable levels of contaminants established by the office, that  
102.24 fail to meet the potency limits in this chapter or that do not conform with the content of the  
102.25 cannabinoid profile listed on the label.

102.26 (b) All testing required under this section must be performed in a manner that is consistent  
102.27 with general requirements for testing and calibration activities.

102.28 **Subd. 3. Standards established by Office of Cannabis Management.** The office shall  
102.29 by rule establish standards for allowable levels of contaminants in cannabis flower,  
102.30 cannabinoid products, artificially derived cannabinoids, hemp-derived consumer products,  
102.31 and growing media. Contaminants for which the office must establish allowable levels must  
102.32 include but are not limited to residual solvents, foreign material, microbiological  
102.33 contaminants, heavy metals, pesticide residue, and mycotoxins.

103.1 Subd. 4. Testing of samples; disclosures. (a) On a schedule determined by the office,  
103.2 every cannabis cultivator, cannabis manufacturer, cannabis wholesaler with an endorsement  
103.3 to import products, cannabis microbusiness, or medical cannabis business shall make each  
103.4 batch of cannabis flower, cannabinoid products, artificially derived cannabinoids, or  
103.5 hemp-derived consumer products grown, manufactured, or imported by the cannabis  
103.6 cultivator, cannabis manufacturer, cannabis wholesaler with an endorsement to import  
103.7 products, cannabis microbusiness, or medical cannabis business available to a cannabis  
103.8 testing facility.

103.9 (b) A cannabis cultivator, cannabis manufacturer, cannabis wholesaler with an  
103.10 endorsement to import products, cannabis microbusiness, or medical cannabis business  
103.11 must disclose all known information regarding pesticides, fertilizers, solvents, or other  
103.12 foreign materials, including but not limited to catalysts used in creating artificially derived  
103.13 cannabinoids, applied or added to the batch of cannabis flower, cannabinoid products,  
103.14 artificially derived cannabinoids, or hemp-derived consumer products subject to testing.  
103.15 Disclosure must be made to the cannabis testing facility and must include information about  
103.16 all applications by any person, whether intentional or accidental.

103.17 (c) The cannabis testing facility shall select one or more representative samples from  
103.18 each batch, test the samples for the presence of contaminants, and test the samples for  
103.19 potency and homogeneity and to allow the cannabis flower, cannabinoid product, artificially  
103.20 derived cannabinoid, or hemp-derived consumer product to be accurately labeled with its  
103.21 cannabinoid profile. Testing for contaminants must include testing for residual solvents,  
103.22 foreign material, microbiological contaminants, heavy metals, pesticide residue, mycotoxins,  
103.23 and any items identified pursuant to paragraph (b), and may include testing for other  
103.24 contaminants. A cannabis testing facility must destroy or return to the cannabis cultivator,  
103.25 cannabis manufacturer, cannabis wholesaler with an endorsement to import products,  
103.26 cannabis microbusiness, or medical cannabis business any part of the sample that remains  
103.27 after testing.

103.28 Subd. 5. Test results. (a) If a sample meets the applicable testing standards, a cannabis  
103.29 testing facility shall issue a certification to a cannabis cultivator, cannabis manufacturer,  
103.30 cannabis wholesaler with an endorsement to import products, cannabis microbusiness, or  
103.31 medical cannabis business, and the cannabis cultivator, cannabis manufacturer, cannabis  
103.32 wholesaler with an endorsement to import products, cannabis microbusiness, or medical  
103.33 cannabis business may then sell or transfer the batch of cannabis flower, cannabinoid  
103.34 products, artificially derived cannabinoids, or hemp-derived consumer products from which  
103.35 the sample was taken to another cannabis business or offer the cannabis flower, cannabinoid

104.1 products, or hemp-derived consumer products for sale to customers or patients. If a sample  
 104.2 does not meet the applicable testing standards or if the testing facility is unable to test for  
 104.3 a substance identified pursuant to subdivision 4, paragraph (b), the batch from which the  
 104.4 sample was taken shall be subject to procedures established by the office for such batches,  
 104.5 including destruction, remediation, or retesting. A cannabis cultivator, cannabis manufacturer,  
 104.6 cannabis wholesaler with an endorsement to import products, cannabis microbusiness, or  
 104.7 medical cannabis business must maintain the test results for cannabis flower, cannabinoid  
 104.8 products, artificially derived cannabinoids, or hemp-derived consumer products grown,  
 104.9 manufactured, or imported by that cannabis cultivator, cannabis manufacturer, cannabis  
 104.10 wholesaler with an endorsement to import products, cannabis microbusiness, or medical  
 104.11 cannabis business for at least five years after the date of testing.

104.12 (b) A cannabis cultivator, cannabis manufacturer, cannabis wholesaler with an  
 104.13 endorsement to import products, cannabis microbusiness, or medical cannabis business  
 104.14 shall make test results maintained by that cannabis cultivator, cannabis manufacturer,  
 104.15 cannabis wholesaler with an endorsement to import products, cannabis microbusiness, or  
 104.16 medical cannabis business available for review by any member of the public, upon request.  
 104.17 Test results made available to the public must be in plain language.

105.6 that includes more than a single serving, each serving must be indicated by scoring, wrapping,  
105.7 or other indicators designating the individual serving size. If the item is a lower potency  
105.8 edible product, any indicator other than individual wrapping that designates the individual  
105.9 serving size must appear on the edible cannabinoid product.

105.10 (d) An edible cannabinoid product containing more than a single serving must be

105.13 hemp-derived consumer products sold to customers or patients must not be packaged in a  
105.14 manner that:

105.16 contain cannabinoids, whether the manufacturer of the product holds a registered trademark  
105.17 or has registered the trade dress; or

105.18 (2) is designed to appeal to persons under 21 years of age.

123.10 Subd. 24. **Class 3.** Commercial and industrial property and utility real and personal  
 123.11 property is class 3a.

123.12 (1) Except as otherwise provided, each parcel of commercial, industrial, or utility real  
 123.13 property has a classification rate of 1.5 percent of the first tier of market value, and 2.0

 123.15 by the same person or entity, only the value equal to the first-tier value of the contiguous  
 123.16 parcels qualifies for the reduced classification rate, except that contiguous parcels owned  
 123.17 by the same person or entity shall be eligible for the first-tier value classification rate on  
 123.18 each separate business operated by the owner of the property, provided the business is  
 123.19 housed in a separate structure. For the purposes of this subdivision, the first tier means the  
 123.20 first \$150,000 of market value. Real property owned in fee by a utility for transmission line  
 123.21 right-of-way shall be classified at the classification rate for the higher tier.

 123.24 of property. Connections between parcels that consist of power lines or pipelines do not  
 123.25 cause the parcels to be contiguous. Property owners who have contiguous parcels of property  
 123.26 that constitute separate businesses that may qualify for the first-tier classification rate shall  
 123.27 notify the assessor by July 1, for treatment beginning in the following taxes payable year.

 123.31 operating property has a classification rate as provided under clause (1) for the first tier of  
 123.32 market value and the remaining market value. In the case of multiple parcels in one county

124.1 that are owned by one person or entity, only one first tier amount is eligible for the reduced  
124.2 rate.

124.3 (3) The entire market value of personal property that is: (i) tools, implements, and  
124.4 machinery of an electric generation, transmission, or distribution system; (ii) tools,  
124.5 implements, and machinery of a pipeline system transporting or distributing water, gas,  
124.6 crude oil, or petroleum products; or (iii) the mains and pipes used in the distribution of  
124.7 steam or hot or chilled water for heating or cooling buildings, has a classification rate as  
124.8 provided under clause (1) for the remaining market value in excess of the first tier.

124.9 (4) Property used for raising, cultivating, processing, or storing cannabis plants, cannabis  
124.10 flower, or cannabinoid products for sale has a classification rate as provided under clause  
124.11 (1) for the first tier of market value and the remaining market value. As used in this  
124.12 paragraph, "cannabis plant" has the meaning given in section 342.01, subdivision 19;

163.16 (1) may order intermediate sanctions without placing the defendant on probation; or

163.17 (2) may place the defendant on probation with or without supervision and on the terms  
 163.18 the court prescribes, including intermediate sanctions when practicable. The court may order  
 163.19 the supervision to be under the probation officer of the court, or, if there is none and the  
 163.20 conviction is for a felony or gross misdemeanor, by the commissioner of corrections, or in  
 163.21 any case by some other suitable and consenting person. Unless the court directs otherwise,

166.25 the presence of a controlled substance or intoxicating substance by trained law enforcement  
166.26 personnel. The project is further intended to gain a better assessment of the prevalence of  
166.27 drug-impaired drivers on Minnesota roads and to evaluate and validate the appropriate  
166.28 device that could be authorized for use.

166.29 (b) The results of this preliminary oral fluid test must not be used in any court action.

166.30 (c) Following the screening test, additional tests may be required of the driver pursuant

167.5 Section 1. Minnesota Statutes 2022, section 609A.01, is amended to read:

167.6 **609A.01 EXPUNGEMENT OF CRIMINAL RECORDS.**

167.7 This chapter provides the grounds and procedures for expungement of criminal records  
167.8 under section 13.82; 152.18, subdivision 1; 299C.11, where a petition is authorized under  
167.9 section 609A.02, subdivision 3; expungement is automatic under section 609A.05;  
167.10 expungement is considered by a panel under section 609A.06; or other applicable law. The  
167.11 remedy available is limited to a court order sealing the records and prohibiting the disclosure  
167.12 of their existence or their opening except under court order or statutory authority. Nothing  
167.13 in this chapter authorizes the destruction of records or their return to the subject of the  
167.14 records.

167.15 **EFFECTIVE DATE.** This section is effective August 1, 2023.

167.16 Sec. 2. Minnesota Statutes 2022, section 609A.03, subdivision 5, is amended to read:

167.17 Subd. 5. **Nature of remedy; standard.** (a) Except as otherwise provided by paragraph  
167.18 (b), expungement of a criminal record under this section is an extraordinary remedy to be  
167.19 granted only upon clear and convincing evidence that it would yield a benefit to the petitioner  
167.20 commensurate with the disadvantages to the public and public safety of:

167.21 (1) sealing the record; and

167.22 (2) burdening the court and public authorities to issue, enforce, and monitor an  
167.23 expungement order.

167.24 (b) Except as otherwise provided by this paragraph, if the petitioner is petitioning for  
167.25 the sealing of a criminal record under section 609A.02, subdivision 3, paragraph (a), clause  
167.26 (1) or (2), the court shall grant the petition to seal the record unless the agency or jurisdiction  
167.27 whose records would be affected establishes by clear and convincing evidence that the  
167.28 interests of the public and public safety outweigh the disadvantages to the petitioner of not  
167.29 sealing the record.

167.30 (c) In making a determination under this subdivision, the court shall consider:

167.31 (1) the nature and severity of the underlying crime, the record of which would be sealed;

- 168.1 (2) the risk, if any, the petitioner poses to individuals or society;
- 168.2 (3) the length of time since the crime occurred;
- 168.3 (4) the steps taken by the petitioner toward rehabilitation following the crime;
- 168.4 (5) aggravating or mitigating factors relating to the underlying crime, including the  
168.5 petitioner's level of participation and context and circumstances of the underlying crime;
- 168.6 (6) the reasons for the expungement, including the petitioner's attempts to obtain  
168.7 employment, housing, or other necessities;
- 168.8 (7) the petitioner's criminal record;
- 168.9 (8) the petitioner's record of employment and community involvement;
- 168.10 (9) the recommendations of interested law enforcement, prosecutorial, and corrections  
168.11 officials;
- 168.12 (10) the recommendations of victims or whether victims of the underlying crime were  
168.13 minors;
- 168.14 (11) the amount, if any, of restitution outstanding, past efforts made by the petitioner  
168.15 toward payment, and the measures in place to help ensure completion of restitution payment  
168.16 after expungement of the record if granted; and
- 168.17 (12) other factors deemed relevant by the court.

168.18 (d) Notwithstanding section 13.82, 13.87, or any other law to the contrary, if the court  
168.19 issues an expungement order it may require that the criminal record be sealed, the existence  
168.20 of the record not be revealed, and the record not be opened except as required under  
168.21 subdivision 7. Records must not be destroyed or returned to the subject of the record.

168.22 (e) Information relating to a criminal history record of an employee, former employee,  
168.23 or tenant that has been expunged before the occurrence of the act giving rise to the civil  
168.24 action may not be introduced as evidence in a civil action against a private employer or  
168.25 landlord or its employees or agents that is based on the conduct of the employee, former  
168.26 employee, or tenant.

168.27 **EFFECTIVE DATE.** This section is effective August 1, 2023, and applies to crimes  
168.28 committed on or after that date.

168.29 Sec. 3. Minnesota Statutes 2022, section 609A.03, subdivision 9, is amended to read:

168.30 Subd. 9. **Stay of order; appeal.** An expungement order issued under this section shall  
168.31 be stayed automatically for 60 days after the order is filed and, if the order is appealed,

169.1 during the appeal period. A person or an agency or jurisdiction whose records would be  
169.2 affected by the order may appeal the order within 60 days of service of notice of filing of  
169.3 the order. An agency or jurisdiction or its officials or employees need not file a cost bond  
169.4 or supersedeas bond in order to further stay the proceedings or file an appeal.

169.5 **EFFECTIVE DATE.** This section is effective August 1, 2023.

169.6 Sec. 4. **[609A.05] AUTOMATIC EXPUNGEMENT OF CERTAIN CANNABIS**  
169.7 **OFFENSES.**

169.9 **offenses.** (a) A person is eligible for an order of expungement:

169.11 152.18, subdivision 1, for violation of section 152.024, 152.025, or 152.027 for possession  
169.12 of marijuana or tetrahydrocannabinols;

169.13 (2) if the person was convicted of or received a stayed sentence for a violation of section  
169.14 152.027, subdivision 3 or 4;

169.15 (3) if the person was arrested for possession of marijuana or tetrahydrocannabinols and  
169.16 all charges were dismissed prior to a determination of probable cause; or

169.17 (4) if all pending actions or proceedings involving the possession of marijuana or  
169.18 tetrahydrocannabinols were resolved in favor of the person.

169.19 (b) For purposes of this section:

169.20 (1) a verdict of not guilty by reason of mental illness is not a resolution in favor of the  
169.21 person; and

169.22 (2) an action or proceeding is resolved in favor of the person if the person received an  
169.23 order under section 590.11 determining that the person is eligible for compensation based  
169.24 on exoneration.

169.25 Subd. 2. **Bureau of Criminal Apprehension to identify eligible individuals.** (a) The  
169.26 Bureau of Criminal Apprehension shall identify records that qualify for an order of  
169.27 expungement pursuant to subdivision 1.

169.28 (b) The Bureau of Criminal Apprehension shall notify the judicial branch of:

169.29 (1) the name and date of birth of an individual whose record is eligible for an order of  
169.30 expungement; and

169.31 (2) the case number of the eligible record.

170.1 (c) The Bureau of Criminal Apprehension shall grant an expungement to each qualifying  
170.2 person whose records the bureau possesses and shall seal the bureau's records without

170.4 expungement within 60 days after the bureau sent notice of the expungement to the judicial  
170.5 branch pursuant to paragraph (b) unless an order of the judicial branch prohibits sealing the  
170.6 records or additional information establishes that the records are not eligible for expungement.

170.12 has been granted. The bureau shall notify each arresting or citing law enforcement agency  
170.13 of an expungement within 60 days after the bureau sent notice of the expungement to the  
170.14 judicial branch. The bureau may notify each law enforcement agency using electronic means.

170.16 records related to the expungement, including the records of the person's arrest, indictment,  
170.17 trial, verdict, and dismissal or discharge of the case.

170.18 (f) The Bureau of Criminal Apprehension shall make a reasonable and good faith effort  
170.19 to notify any person whose record qualifies for an order of expungement or a grant of  
170.20 expungement that the offense qualifies and notice is being sent to the judicial branch. Notice  
170.21 sent pursuant to this paragraph shall inform the person that, following the order of

170.25 the bureau shall send the commissioner of human services a list identifying the name and  
170.26 case number or, if no case number is available, the citation number of each person who  
170.27 received a grant of expungement.

170.28 (h) Data on a person whose offense has been expunged under this subdivision, including  
170.29 any notice sent pursuant to paragraph (e), (f), or (g), are private data on individuals as defined  
170.30 in section 13.02, subdivision 12.

170.31 Subd. 3. **Order of expungement.** (a) Upon receiving notice that an offense qualifies  
170.32 for expungement, or upon entering an order dismissing charges prior to a determination of  
170.33 probable cause, the court shall issue an order vacating the conviction, if any, discharging  
170.34 the person from any form of supervision, dismissing the proceedings against that person,

171.1 and sealing all records relating to an arrest, indictment or information, trial, verdict, or  
171.2 dismissal and discharge for an offense described in subdivision 1.

171.3 (b) Section 609A.03, subdivision 6, applies to an order issued under this section sealing  
171.4 the record of proceedings under section 152.18.

171.5 (c) The limitations under section 609A.03, subdivision 7a, paragraph (b), do not apply  
171.6 to an order issued under this section.

171.7 (d) The court administrator shall send a copy of an expungement order issued under this  
171.8 section to each agency and jurisdiction whose records are affected by the terms of the order  
171.9 and send a letter to the last known address of the person whose offense has been expunged  
171.10 identifying each agency to which the order was sent.

171.11 (e) In consultation with the commissioner of human services, the court shall establish a  
171.12 schedule on which the court shall provide the commissioner of human services and the  
171.13 Professional Educator Licensing and Standards Board a list identifying the name and case  
171.14 number or if no case number is available, the citation number of each person who received  
171.15 an expungement order issued under this section.

171.16 (f) Data on the person whose offense has been expunged contained in a letter or other  
171.17 notification sent under this subdivision are private data on individuals as defined in section  
171.18 13.02.

171.19 **EFFECTIVE DATE.** This section is effective August 1, 2023.

172.16 Subd. 2. **Eligibility; possession of cannabis.** (a) A person is eligible for an expungement  
172.17 or resentencing to a lesser offense if:

172.18 (1) the person was convicted of, or adjudication was stayed for, a violation of any of the

172.29 (4) the person did not appeal the sentence, any appeal was denied, or the deadline to file  
172.30 an appeal has expired.

173.1 (b) For purposes of this subdivision, a "lesser offense" means a nonfelony offense if the  
173.2 person was charged with a felony.

173.3 Subd. 3. **Bureau of Criminal Apprehension to identify eligible records.** (a) The  
173.4 Bureau of Criminal Apprehension shall identify convictions and sentences where adjudication  
173.5 was stayed that qualify for review under subdivision 2, paragraph (a), clause (1).

173.6 (b) The Bureau of Criminal Apprehension shall notify the Cannabis Expungement Board  
173.7 of:

173.8 (1) the name and date of birth of a person whose record is eligible for review; and

173.9 (2) the case number of the eligible conviction or stay of adjudication.

173.10 Subd. 4. **Access to records.** The Cannabis Expungement Board shall have free access  
173.11 to records, including but not limited to all matters, files, documents, and papers incident to  
173.12 the arrest, indictment, information, trial, appeal, or dismissal and discharge that relate to a  
173.13 charge and conviction or stay of adjudication for possession of a controlled substance held  
173.14 by law enforcement agencies, prosecuting authorities, and court administrators. The Cannabis  
173.15 Expungement Board may issue subpoenas for and compel the production of books, records,  
173.16 accounts, documents, and papers. If any person fails or refuses to produce any books, records,  
173.17 accounts, documents, or papers material in the matter under consideration after having been  
173.18 lawfully required by order or subpoena, any judge of the district court in any county of the  
173.19 state where the order or subpoena was made returnable, on application of the commissioner  
173.20 of management and budget or commissioner of administration, as the case may be, shall  
173.21 compel obedience or punish disobedience as for contempt, as in the case of disobedience  
173.22 of a similar order or subpoena issued by such court.

173.23 Subd. 5. **Meetings; anonymous identifier.** (a) The Cannabis Expungement Board shall  
173.24 hold meetings at least monthly and shall hold a meeting whenever the board takes formal  
173.25 action on a review of a conviction or stay of adjudication for an offense involving the  
173.26 possession of marijuana or tetrahydrocannabinols. All board meetings shall be open to the  
173.27 public and subject to chapter 13D.

173.28 (b) Any victim of a crime being reviewed and any law enforcement agency may submit  
173.29 an oral or written statement at the meeting, giving a recommendation on whether a person's  
173.30 record should be expunged or the person should be resentenced to a lesser offense. The  
173.31 board must consider the victim's and the law enforcement agency's statement when making  
173.32 the board's decision.

174.1 (c) Section 13D.05 governs the board's treatment of not public data, as defined by section  
174.2 13.02, subdivision 8a, discussed at open meetings of the board. Notwithstanding section  
174.3 13.03, subdivision 11, the board shall assign an anonymous, unique identifier to each victim  
174.4 of a crime and person whose conviction or stay of adjudication the board reviews. The  
174.5 identifier shall be used in any discussion in a meeting open to the public and on any records  
174.6 available to the public to protect the identity of the person whose records are being  
174.7 considered.

174.8 Subd. 6. **Review and determination.** (a) The Cannabis Expungement Board shall review  
174.9 all available records to determine whether the conviction or stay of adjudication is eligible  
174.10 for an expungement or resentencing to a lesser offense. An expungement under this section  
174.11 is presumed to be in the public interest unless there is clear and convincing evidence that  
174.12 an expungement or resentencing to a lesser offense would create a risk to public safety.

174.13 (b) If the Cannabis Expungement Board determines that an expungement is in the public  
174.14 interest, the board shall determine whether a person's conviction should be vacated and  
174.15 charges should be dismissed.

174.16 (c) If the Cannabis Expungement Board determines that an expungement is in the public  
174.17 interest, the board shall determine whether the limitations under section 609A.03, subdivision  
174.18 5a, apply.

174.19 (d) If the Cannabis Expungement Board determines that an expungement is in the public  
174.20 interest, the board shall determine whether the limitations under section 609A.03, subdivision  
174.21 7a, paragraph (b), clause (4) or (5), apply.

174.22 (e) If the Cannabis Expungement Board determines that an expungement is not in the  
174.23 public interest, the board shall determine whether the person is eligible for resentencing to  
174.24 a lesser offense.

174.25 (f) In making a determination under this subdivision, the Cannabis Expungement Board  
174.26 shall consider:

174.27 (1) the nature and severity of the underlying crime, including but not limited to the total  
174.28 amount of marijuana or tetrahydrocannabinols possessed by the person and whether the  
174.29 offense involved a dangerous weapon, the intentional infliction of bodily harm on another,  
174.30 an attempt to inflict bodily harm on another, or an act committed with the intent to cause  
174.31 fear in another of immediate bodily harm or death;

174.32 (2) whether an expungement or resentencing the person a lesser offense would increase  
174.33 the risk, if any, the person poses to other individuals or society;

175.1 (3) if the person is under sentence, whether an expungement or resentencing to a lesser  
175.2 offense would result in the release of the person and whether release earlier than the date  
175.3 that the person would be released under the sentence currently being served would present  
175.4 a danger to the public or would be compatible with the welfare of society;

175.5 (4) aggravating or mitigating factors relating to the underlying crime, including the  
175.6 person's level of participation and the context and circumstances of the underlying crime;

175.7 (5) statements from victims and law enforcement, if any;

175.8 (6) if an expungement or resentencing the person to a lesser offense is considered,  
175.9 whether there is good cause to restore the person's right to possess firearms and ammunition;

175.10 (7) if an expungement is considered, whether an expunged record of a conviction or stay  
175.11 of adjudication may be opened for purposes of a background study under section 245C.08;

175.12 (8) if an expungement is considered, whether an expunged record of a conviction or stay  
175.13 of adjudication may be opened for purposes of a background check required under section  
175.14 122A.18, subdivision 8; and

175.15 (9) other factors deemed relevant by the Cannabis Expungement Board.

175.16 (g) The affirmative vote of three members is required for action taken at any meeting.

175.17 Subd. 7. **Notice to judicial branch and offenders.** (a) The Cannabis Expungement  
175.18 Board shall identify any conviction or stay of adjudication that qualifies for an order of  
175.19 expungement or resentencing to a lesser offense and notify the judicial branch of:

175.20 (1) the name and date of birth of a person whose conviction or stay of adjudication is  
175.21 eligible for an order of expungement or resentencing to a lesser offense;

175.22 (2) the case number of the eligible conviction or stay of adjudication;

175.23 (3) whether the person is eligible for an expungement;

175.24 (4) if the person is eligible for an expungement, whether the person's conviction should  
175.25 be vacated and charges should be dismissed;

175.26 (5) if the person is eligible for an expungement, whether there is good cause to restore  
175.27 the offender's right to possess firearms and ammunition;

175.28 (6) if the person is eligible for an expungement, whether the limitations under section  
175.29 609A.03, subdivision 7a, clause (4) or (5), apply; and

175.30 (7) if the person is eligible for resentencing to a lesser offense, the lesser sentence to be  
175.31 imposed.

176.1 (b) The Cannabis Expungement Board shall make a reasonable and good faith effort to  
176.2 notify any person whose conviction or stay of adjudication qualifies for an order of  
176.3 expungement that the offense qualifies and notice is being sent to the judicial branch. Notice  
176.4 sent pursuant to this paragraph shall inform the person that, following the order of  
176.5 expungement, any records of an arrest, conviction, or incarceration should not appear on  
176.6 any background check or study.

176.7 Subd. 8. **Data classification.** All data collected, created, received, maintained, or  
176.8 disseminated by the Cannabis Expungement Board in which each victim of a crime and  
176.9 person whose conviction or stay of adjudication that the Cannabis Expungement Board  
176.10 reviews is or can be identified as the subject of the data is classified as private data on  
176.11 individuals, as defined by section 13.02, subdivision 12.

176.12 Subd. 9. **Order of expungement.** (a) Upon receiving notice that an offense qualifies  
176.13 for expungement, the court shall issue an order sealing all records relating to an arrest,  
176.14 indictment or information, trial, verdict, or dismissal and discharge for an offense described  
176.15 in subdivision 1. If the Cannabis Expungement Board determined that the person's conviction  
176.16 should be vacated and charges should be dismissed, the order shall vacate and dismiss the  
176.17 charges.

176.18 (b) If the Cannabis Expungement Board determined that there is good cause to restore  
176.19 the person's right to possess firearms and ammunition, the court shall issue an order pursuant  
176.20 to section 609.165, subdivision 1d.

176.21 (c) If the Cannabis Expungement Board determined that an expunged record of a  
176.22 conviction or stay of adjudication may not be opened for purposes of a background study  
176.23 under section 245C.08, the court shall direct the order specifically to the commissioner of  
176.24 human services.

176.25 (d) If the Cannabis Expungement Board determined that an expunged record of a  
176.26 conviction or stay of adjudication may not be opened for purposes of a background check  
176.27 required under section 122A.18, subdivision 8, the court shall direct the order specifically  
176.28 to the Professional Educator Licensing and Standards Board.

176.29 (e) The court administrator shall send a copy of an expungement order issued under this  
176.30 section to each agency and jurisdiction whose records are affected by the terms of the order

176.32 identifying each agency to which the order was sent.

176.33 (f) Data on the person whose offense has been expunged in a letter sent under this  
176.34 subdivision are private data on individuals as defined in section 13.02.

177.1 Subd. 10. **Resentencing.** (a) If the Cannabis Expungement Board determined that a  
 177.2 person is eligible for resentencing to a lesser offense and the person is currently under  
 177.3 sentence, the court shall proceed as if the appellate court directed a reduction of the conviction  
 177.4 to an offense of lesser degree pursuant to rule 28.02, subdivision 12 of the Rules of Criminal  
 177.5 Procedure.

177.6 (b) If the Cannabis Expungement Board determined that a person is eligible for  
 177.7 resentencing to a lesser offense and the person completed or has been discharged from the  
 177.8 sentence, the court may issue an order amending the conviction to an offense of lesser degree  
 177.9 without holding a hearing.

177.10 (c) If the Cannabis Expungement Board determined that there is good cause to restore  
 177.11 the person's right to possess firearms and ammunition, the court shall, as necessary, issue  
 177.12 an order pursuant to section 609.165, subdivision 1d.

189.19 may not request or require an employee or job applicant to contribute to, or pay the cost of,  
189.20 drug or alcohol testing or cannabis testing under sections 181.950 to 181.954.

189.21 Subd. 5. **Employer chain-of-custody procedures.** An employer shall establish its own  
189.22 reliable chain-of-custody procedures to ensure proper record keeping, handling, labeling,  
189.23 and identification of the samples to be tested. The procedures must require the following:

189.24 (1) possession of a sample must be traceable to the employee from whom the sample is  
189.25 collected, from the time the sample is collected through the time the sample is delivered to  
189.26 the laboratory;

189.27 (2) the sample must always be in the possession of, must always be in view of, or must  
189.28 be placed in a secured area by a person authorized to handle the sample;

189.29 (3) a sample must be accompanied by a written chain-of-custody record; and

189.30 (4) individuals relinquishing or accepting possession of the sample must record the time  
189.31 the possession of the sample was transferred and must sign and date the chain-of-custody  
189.32 record at the time of transfer.

190.1 Subd. 6. **Rights of employees and job applicants.** (a) Before requesting an employee  
190.2 or job applicant to undergo drug or alcohol testing or requesting cannabis testing, an employer  
190.3 shall provide the employee or job applicant with a form, developed by the employer, on  
190.4 which to acknowledge that the employee or job applicant has seen the employer's drug and  
190.5 alcohol testing or cannabis testing policy.

190.6 (b) If an employee or job applicant tests positive for drug use, the employee must be  
190.7 given written notice of the right to explain the positive test and the employer may request  
190.8 that the employee or job applicant indicate any over-the-counter or prescription medication  
190.9 that the individual is currently taking or has recently taken and any other information relevant  
190.10 to the reliability of, or explanation for, a positive test result.

190.11 (c) Within three working days after notice of a positive test result on a confirmatory test,  
190.12 the employee or job applicant may submit information to the employer, in addition to any  
190.13 information already submitted under paragraph (b), to explain that result, or may request a  
190.14 confirmatory retest of the original sample at the employee's or job applicant's own expense  
190.15 as provided under subdivision 9.

190.16 Subd. 7. **Notice of test results.** Within three working days after receipt of a test result  
190.17 report from the testing laboratory, an employer shall inform in writing an employee or job  
190.18 applicant who has undergone drug or alcohol testing or cannabis testing of (1) a negative  
190.19 test result on an initial screening test or of a negative or positive test result on a confirmatory  
190.20 test and (2) the right provided in subdivision 8. In the case of a positive test result on a  
190.21 confirmatory test, the employer shall also, at the time of this notice, inform the employee  
190.22 or job applicant in writing of the rights provided in subdivisions 6, paragraph (b), 9, and  
190.23 either subdivision 10 or 11, whichever applies.

190.24 Subd. 8. **Right to test result report.** An employee or job applicant has the right to  
190.25 request and receive from the employer a copy of the test result report on any drug or alcohol  
190.26 test or cannabis test.

190.27 Subd. 9. **Confirmatory retests.** An employee or job applicant may request a confirmatory  
190.28 retest of the original sample at the employee's or job applicant's own expense after notice  
190.29 of a positive test result on a confirmatory test. Within five working days after notice of the  
190.30 confirmatory test result, the employee or job applicant shall notify the employer in writing  
190.31 of the employee's or job applicant's intention to obtain a confirmatory retest. Within three  
190.32 working days after receipt of the notice, the employer shall notify the original testing  
190.33 laboratory that the employee or job applicant has requested the laboratory to conduct the  
190.34 confirmatory retest or transfer the sample to another laboratory licensed under subdivision

191.1 1 to conduct the confirmatory retest. The original testing laboratory shall ensure that the  
191.2 chain-of-custody procedures in subdivision 3 are followed during transfer of the sample to  
191.3 the other laboratory. The confirmatory retest must use the same drug ~~or~~<sub>2</sub> alcohol, or cannabis  
191.4 threshold detection levels as used in the original confirmatory test. If the confirmatory retest  
191.5 does not confirm the original positive test result, no adverse personnel action based on the  
191.6 original confirmatory test may be taken against the employee or job applicant.

191.7 Subd. 10. **Limitations on employee discharge, discipline, or discrimination.** (a) An  
191.8 employer may not discharge, discipline, discriminate against, or request or require  
191.9 rehabilitation of an employee on the basis of a positive test result from an initial screening  
191.10 test that has not been verified by a confirmatory test.

191.11 (b) In addition to the limitation under paragraph (a), an employer may not discharge an  
191.12 employee for whom a positive test result on a confirmatory test was the first such result for  
191.13 the employee on a drug or alcohol test or cannabis test requested by the employer unless  
191.14 the following conditions have been met:

191.15 (1) the employer has first given the employee an opportunity to participate in, at the  
191.16 employee's own expense or pursuant to coverage under an employee benefit plan, either a  
191.17 drug ~~or~~<sub>2</sub> alcohol, or cannabis counseling or rehabilitation program, whichever is more  
191.18 appropriate, as determined by the employer after consultation with a certified chemical use  
191.19 counselor or a physician trained in the diagnosis and treatment of substance use disorder;  
191.20 and

191.21 (2) the employee has either refused to participate in the counseling or rehabilitation  
191.22 program or has failed to successfully complete the program, as evidenced by withdrawal  
191.23 from the program before its completion or by a positive test result on a confirmatory test  
191.24 after completion of the program.

191.25 (c) Notwithstanding paragraph (a), an employer may temporarily suspend the tested  
191.26 employee or transfer that employee to another position at the same rate of pay pending the  
191.27 outcome of the confirmatory test and, if requested, the confirmatory retest, provided the  
191.28 employer believes that it is reasonably necessary to protect the health or safety of the  
191.29 employee, coemployees, or the public. An employee who has been suspended without pay  
191.30 must be reinstated with back pay if the outcome of the confirmatory test or requested  
191.31 confirmatory retest is negative.

191.32 (d) An employer may not discharge, discipline, discriminate against, or request or require  
191.33 rehabilitation of an employee on the basis of medical history information revealed to the

192.1 employer pursuant to subdivision 6 unless the employee was under an affirmative duty to  
192.2 provide the information before, upon, or after hire.

192.3 (e) An employee must be given access to information in the employee's personnel file  
192.4 relating to positive test result reports and other information acquired in the drug and alcohol  
192.5 testing process or cannabis testing process and conclusions drawn from and actions taken  
192.6 based on the reports or other acquired information.

192.7 Subd. 10a. **Additional limitations for cannabis.** An employer may discipline, discharge,  
192.8 or take other adverse personnel action against an employee for cannabis flower or  
192.9 cannabinoid product use, possession, impairment, sale, or transfer while an employee is  
192.10 working, on the employer's premises, or operating the employer's vehicle, machinery, or  
192.11 equipment as follows:

192.12 (1) if, as the result of consuming cannabis flower or a cannabinoid product, the employee  
192.13 does not possess that clearness of intellect and control of self that the employee otherwise  
192.14 would have;

192.15 (2) if cannabis testing that the employer requested or required pursuant to section 181.951,  
192.16 subdivision 8, paragraphs (d) and (e), verifies the presence of cannabis following a  
192.17 confirmatory test;

192.18 (3) as provided in the employer's written work rules for cannabis and cannabis testing,  
192.19 provided that the rules are in writing and in a written policy that contains the minimum  
192.20 information required by section 181.952; or

192.21 (4) as otherwise authorized under state or federal law.

192.22 Subd. 11. **Limitation on withdrawal of job offer.** If a job applicant has received a job  
192.23 offer made contingent on the applicant passing drug and alcohol testing, the employer may  
192.24 not withdraw the offer based on a positive test result from an initial screening test that has  
192.25 not been verified by a confirmatory test.

192.26 Sec. 20. Minnesota Statutes 2022, section 181.954, is amended to read:

192.27 **181.954 PRIVACY, CONFIDENTIALITY, AND PRIVILEGE SAFEGUARDS.**

192.28 Subdivision 1. **Privacy limitations.** A laboratory may only disclose to the employer test  
192.29 result data regarding the presence or absence of drugs, alcohol, or their metabolites in a  
192.30 sample tested.

192.31 Subd. 2. **Confidentiality limitations.** Test result reports and other information acquired  
192.32 in the drug or alcohol testing or cannabis testing process are, with respect to private sector

193.1 employees and job applicants, private and confidential information, and, with respect to  
193.2 public sector employees and job applicants, private data on individuals as that phrase is  
193.3 defined in chapter 13, and may not be disclosed by an employer or laboratory to another  
193.4 employer or to a third-party individual, governmental agency, or private organization without  
193.5 the written consent of the employee or job applicant tested.

193.6       Subd. 3. **Exceptions to privacy and confidentiality disclosure**  
193.7 **limitations.** Notwithstanding subdivisions 1 and 2, evidence of a positive test result on a  
193.8 confirmatory test may be: (1) used in an arbitration proceeding pursuant to a collective  
193.9 bargaining agreement, an administrative hearing under chapter 43A or other applicable state  
193.10 or local law, or a judicial proceeding, provided that information is relevant to the hearing  
193.11 or proceeding; (2) disclosed to any federal agency or other unit of the United States  
193.12 government as required under federal law, regulation, or order, or in accordance with  
193.13 compliance requirements of a federal government contract; and (3) disclosed to a substance  
193.14 abuse treatment facility for the purpose of evaluation or treatment of the employee.

193.15       Subd. 4. **Privilege.** Positive test results from an employer drug or alcohol testing or  
193.16 cannabis testing program may not be used as evidence in a criminal action against the  
193.17 employee or job applicant tested.

193.18       Sec. 21. Minnesota Statutes 2022, section 181.955, is amended to read:

193.19       **181.955 CONSTRUCTION.**

193.20       Subdivision 1. **Freedom to collectively bargain.** Sections 181.950 to 181.954 shall not  
193.21 be construed to limit the parties to a collective bargaining agreement from bargaining and  
193.22 agreeing with respect to a drug and alcohol testing or a cannabis testing policy that meets  
193.23 or exceeds, and does not otherwise conflict with, the minimum standards and requirements  
193.24 for employee protection provided in those sections.

193.25       Subd. 2. **Employee protections under existing collective bargaining**  
193.26 **agreements.** Sections 181.950 to 181.954 shall not be construed to interfere with or diminish  
193.27 any employee protections relating to drug and alcohol testing or cannabis testing already  
193.28 provided under collective bargaining agreements in effect on the effective date of those  
193.29 sections that exceed the minimum standards and requirements for employee protection  
193.30 provided in those sections.

193.31       Subd. 3. **Professional athletes.** Sections 181.950 to 181.954 shall not be construed to  
193.32 interfere with the operation of a drug and alcohol testing or cannabis testing program if:

194.1 (1) the drug and alcohol testing program is permitted under a contract between the  
194.2 employer and employees; and

194.3 (2) the covered employees are employed as professional athletes.

194.4 Upon request of the commissioner of labor and industry, the exclusive representative  
194.5 of the employees and the employer shall certify to the commissioner of labor and industry  
194.6 that the drug and alcohol testing or cannabis testing program permitted under the contract  
194.7 should operate without interference from the sections specified in this subdivision. This  
194.8 subdivision must not be construed to create an exemption from controlled substance crimes  
194.9 in chapter 152.

194.10 Sec. 22. Minnesota Statutes 2022, section 181.957, subdivision 1, is amended to read:

194.11 Subdivision 1. **Excluded employees and job applicants.** Except as provided under  
194.12 subdivision 2, the employee and job applicant protections provided under sections 181.950  
194.13 to 181.956 do not apply to employees and job applicants where the specific work performed  
194.14 requires those employees and job applicants to be subject to drug and alcohol testing pursuant  
194.15 to:

194.16 (1) federal regulations that specifically preempt state regulation of drug and alcohol  
194.17 testing or cannabis testing with respect to those employees and job applicants;

194.18 (2) federal regulations or requirements necessary to operate federally regulated facilities;

194.19 (3) federal contracts where the drug and alcohol testing or cannabis testing is conducted

194.21 (4) state agency rules that adopt federal regulations applicable to the interstate component  
194.22 of a federally regulated industry, and the adoption of those rules is for the purpose of  
194.23 conforming the nonfederally regulated intrastate component of the industry to identical  
194.24 regulation.

194.25 Sec. 23. Minnesota Statutes 2022, section 245C.08, subdivision 1, is amended to read:

194.26 Subdivision 1. **Background studies conducted by Department of Human Services.** (a)

195.10 fingerprints for a national criminal history record check, as defined in section 245C.02,

195.12 record check as defined under section 245C.02, subdivision 15a, or as required under section  
195.13 144.057, subdivision 1, clause (2);

195.14 (6) for a background study related to a child foster family setting application for licensure,  
195.15 foster residence settings, children's residential facilities, a transfer of permanent legal and  
195.16 physical custody of a child under sections 260C.503 to 260C.515, or adoptions, and for a  
195.17 background study required for family child care, certified license-exempt child care, child

195.30 the background study subject resided for the past five years and information from the national  
195.31 crime information database and the national sex offender registry; and

195.32 (7) for a background study required for family child care, certified license-exempt child  
195.33 care centers, licensed child care centers, and legal nonlicensed child care authorized under

196.2 and date-of-birth search of the National Sex Offender Public website.

196.3 (b) Except as otherwise provided in this paragraph, notwithstanding expungement by a  
196.4 court, the commissioner may consider information obtained under paragraph (a), clauses  
196.5 (3) and (4), unless the commissioner received notice of the petition for expungement and  
196.6 the court order for expungement is directed specifically to the commissioner. The  
196.7 commissioner may not consider information obtained under paragraph (a), clauses (3) and  
196.8 (4), or from any other source that identifies a violation of chapter 152 without determining  
196.9 if the offense involved the possession of marijuana or tetrahydrocannabinol and, if so,  
196.10 whether the person received a grant of expungement or order of expungement, or the person  
196.11 was resentenced to a lesser offense. If the person received a grant of expungement or order  
196.12 of expungement, the commissioner may not consider information related to that violation  
196.13 but may consider any other relevant information arising out of the same incident.

196.14 (c) The commissioner shall also review criminal case information received according  
196.15 to section 245C.04, subdivision 4a, from the Minnesota court information system that relates  
196.16 to individuals who have already been studied under this chapter and who remain affiliated  
196.17 with the agency that initiated the background study.

196.18 (d) When the commissioner has reasonable cause to believe that the identity of a  
196.19 background study subject is uncertain, the commissioner may require the subject to provide  
196.20 a set of classifiable fingerprints for purposes of completing a fingerprint-based record check  
196.21 with the Bureau of Criminal Apprehension. Fingerprints collected under this paragraph  
196.22 shall not be saved by the commissioner after they have been used to verify the identity of  
196.23 the background study subject against the particular criminal record in question.

196.24 (e) The commissioner may inform the entity that initiated a background study under  
196.25 NETStudy 2.0 of the status of processing of the subject's fingerprints.

196.26 Sec. 24. Minnesota Statutes 2022, section 256.01, subdivision 18c, is amended to read:

196.30 number, date of the sentence, effective date of the sentence, and county in which the  
196.31 conviction occurred, of each person convicted of a felony under chapter 152, except for  
196.32 convictions under section 152.0263 or 152.0264, during the previous six months.

197.1 (b) The commissioner shall determine whether the individuals who are the subject of

 197.4 commissioner shall instruct the county to proceed under section 256D.024 or 256J.26,  
 197.5 whichever is applicable, for this individual.

197.6 (c) The commissioner shall not retain any data received under paragraph (a) ~~or (d)~~ that  
 197.7 does not relate to an individual receiving publicly funded assistance under chapter 256D or  
 197.8 256J.

197.9 ~~(d) In addition to the routine data transfer under paragraph (a), the state court~~  
 197.10 ~~administrator shall provide a onetime report of the data fields under paragraph (a) for~~  
 197.11 ~~individuals with a felony drug conviction under chapter 152 dated from July 1, 1997, until~~

 197.19 contents.

197.20 (b) The formulary shall not include:

197.24 (3) drugs or active pharmaceutical ingredients when used for the treatment of impotence  
 197.25 or erectile dysfunction;

197.26 (4) drugs or active pharmaceutical ingredients for which medical value has not been  
 197.27 established;

197.28 (5) drugs from manufacturers who have not signed a rebate agreement with the

198.4 (c) If a single-source drug used by at least two percent of the fee-for-service medical  
 198.5 assistance recipients is removed from the formulary due to the failure of the manufacturer  
 198.6 to sign a rebate agreement with the Department of Health and Human Services, the  
 198.7 commissioner shall notify prescribing practitioners within 30 days of receiving notification  
 198.8 from the Centers for Medicare and Medicaid Services (CMS) that a rebate agreement was  
 198.9 not signed.

199.1 ~~from which the individual flees, or in the case of New Jersey, is a high misdemeanor, would~~  
199.2 be a felony if committed in Minnesota, is ineligible to receive benefits under this chapter.

199.3 Sec. 28. Minnesota Statutes 2022, section 256J.26, subdivision 1, is amended to read:

199.4 Subdivision 1. **Person convicted of drug offenses.** (a) An individual who has been  
199.5 convicted of a felony level drug offense committed during the previous ten years from the  
199.6 date of application or recertification, except for convictions related to cannabis, marijuana,  
199.7 or tetrahydrocannabinols, is subject to the following:

199.8 (1) Benefits for the entire assistance unit must be paid in vendor form for shelter and  
199.9 utilities during any time the applicant is part of the assistance unit.

199.10 (2) The convicted applicant or participant shall be subject to random drug testing as a  
199.11 condition of continued eligibility and following any positive test for an illegal controlled  
199.12 substance under chapter 152 is subject to the following sanctions:

199.13 (i) for failing a drug test the first time, the residual amount of the participant's grant after  
199.14 making vendor payments for shelter and utility costs, if any, must be reduced by an amount  
199.15 equal to 30 percent of the MFIP standard of need for an assistance unit of the same size.  
199.16 When a sanction under this subdivision is in effect, the job counselor must attempt to meet  
199.17 with the person face-to-face. During the face-to-face meeting, the job counselor must explain  
199.18 the consequences of a subsequent drug test failure and inform the participant of the right to  
199.19 appeal the sanction under section 256J.40. If a face-to-face meeting is not possible, the  
199.20 county agency must send the participant a notice of adverse action as provided in section  
199.21 256J.31, subdivisions 4 and 5, and must include the information required in the face-to-face  
199.22 meeting; or

199.23 (ii) for failing a drug test two times, the participant is permanently disqualified from  
199.24 receiving MFIP assistance, both the cash and food portions. The assistance unit's MFIP  
199.25 grant must be reduced by the amount which would have otherwise been made available to  
199.26 the disqualified participant. Disqualification under this item does not make a participant  
199.27 ineligible for the Supplemental Nutrition Assistance Program (SNAP). Before a  
199.28 disqualification under this provision is imposed, the job counselor must attempt to meet  
199.29 with the participant face-to-face. During the face-to-face meeting, the job counselor must  
199.30 identify other resources that may be available to the participant to meet the needs of the  
199.31 family and inform the participant of the right to appeal the disqualification under section  
199.32 256J.40. If a face-to-face meeting is not possible, the county agency must send the participant  
199.33 a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must  
199.34 include the information required in the face-to-face meeting.

200.1 (3) A participant who fails a drug test the first time and is under a sanction due to other  
200.2 MFIP program requirements is considered to have more than one occurrence of  
200.3 noncompliance and is subject to the applicable level of sanction as specified under section  
200.4 256J.46, subdivision 1, paragraph (d).

200.5 (b) Applicants requesting only SNAP benefits or participants receiving only SNAP  
200.6 benefits, who have been convicted of a drug offense that occurred after July 1, 1997, except  
200.7 for convictions related to cannabis, marijuana, or tetrahydrocannabinols, may, if otherwise  
200.8 eligible, receive SNAP benefits if the convicted applicant or participant is subject to random  
200.9 drug testing as a condition of continued eligibility. Following a positive test for an illegal  
200.10 controlled substance under chapter 152, the applicant is subject to the following sanctions:

200.11 (1) for failing a drug test the first time, SNAP benefits shall be reduced by an amount  
200.12 equal to 30 percent of the applicable SNAP benefit allotment. When a sanction under this  
200.13 clause is in effect, a job counselor must attempt to meet with the person face-to-face. During  
200.14 the face-to-face meeting, a job counselor must explain the consequences of a subsequent  
200.15 drug test failure and inform the participant of the right to appeal the sanction under section  
200.16 256J.40. If a face-to-face meeting is not possible, a county agency must send the participant  
200.17 a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must  
200.18 include the information required in the face-to-face meeting; and

200.19 (2) for failing a drug test two times, the participant is permanently disqualified from  
200.20 receiving SNAP benefits. Before a disqualification under this provision is imposed, a job  
200.21 counselor must attempt to meet with the participant face-to-face. During the face-to-face  
200.22 meeting, the job counselor must identify other resources that may be available to the  
200.23 participant to meet the needs of the family and inform the participant of the right to appeal  
200.24 the disqualification under section 256J.40. If a face-to-face meeting is not possible, a county  
200.25 agency must send the participant a notice of adverse action as provided in section 256J.31,  
200.26 subdivisions 4 and 5, and must include the information required in the face-to-face meeting.

200.27 (c) For the purposes of this subdivision, "drug offense" means an offense that occurred

208.4 applicant is a danger to self or the public if authorized to carry a pistol under a permit.

208.5 (b) Failure of the sheriff to notify the applicant of the denial of the application within  
208.6 30 days after the date of receipt of the application packet constitutes issuance of the permit  
208.7 to carry and the sheriff must promptly fulfill the requirements under paragraph (c). To deny  
208.8 the application, the sheriff must provide the applicant with written notification and the  
208.9 specific factual basis justifying the denial under paragraph (a), clause (2) or (3), including

216.32 artificially derived cannabinoid. Edible cannabinoid products are prohibited from containing

217.1 any other artificially derived cannabinoid, including but not limited to THC-P, THC-O, and  
217.2 HHC, unless the commissioner authorizes use of the artificially derived cannabinoid in

Temporary suspension proceedings.** The commissioner may institute proceedings to temporarily suspend the registration of a medical cannabis manufacturer for a period of up to 90 days by notifying the manufacturer in writing if any action by an employee, agent, officer, director, or controlling person of the manufacturer:

- (1) violates any of the requirements of sections 152.21 to 152.37 or the rules adopted thereunder;
- (2) permits, aids, or abets the commission of any violation of state law at the manufacturer's location for cultivation, harvesting, manufacturing, packaging, and processing or at any site for distribution of medical cannabis;
- (3) performs any act contrary to the welfare of a registered patient or registered designated caregiver; or
- (4) obtains, or attempts to obtain, a registration by fraudulent means or misrepresentation.

APPENDIX  
Repealed Minnesota Statutes: S0073-2

Subd. 1c. **Notice to patients.** Upon the revocation or nonrenewal of a manufacturer's registration under subdivision 1a or implementation of an enforcement action under subdivision 1b that may affect the ability of a registered patient, registered designated caregiver, or a registered patient's parent, legal guardian, or spouse to obtain medical cannabis from the manufacturer subject to the enforcement action, the commissioner shall notify in writing each registered patient and the patient's registered designated caregiver or registered patient's parent, legal guardian, or spouse about the outcome of the proceeding and information regarding alternative registered manufacturers. This notice must be provided two or more business days prior to the effective date of the revocation, nonrenewal, or other enforcement action.

Subd. 2. **Range of compounds and dosages; report.** The commissioner shall review and publicly report the existing medical and scientific literature regarding the range of recommended dosages for each qualifying condition and the range of chemical compositions of any plant of the genus cannabis that will likely be medically beneficial for each of the qualifying medical conditions. The commissioner shall make this information available to patients with qualifying medical conditions beginning December 1, 2014, and update the information annually. The commissioner may consult with the independent laboratory under contract with the manufacturer or other experts in reporting the range of recommended dosages for each qualifying medical condition, the range of chemical compositions that will likely be medically beneficial, and any risks of noncannabis drug interactions. The commissioner shall consult with each manufacturer on an annual basis on medical cannabis offered by the manufacturer. The list of medical cannabis offered by a manufacturer shall be published on the Department of Health website.

Subd. 3. **Deadlines.** The commissioner shall adopt rules necessary for the manufacturer to begin distribution of medical cannabis to patients under the registry program by July 1, 2015, and have notice of proposed rules published in the State Register prior to January 1, 2015.

Subd. 4. **Reports.** (a) The commissioner shall provide regular updates to the task force on medical cannabis therapeutic research and to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services, public safety, judiciary, and civil law regarding: (1) any changes in federal law or regulatory restrictions regarding the use of medical cannabis or hemp; and (2) the market demand and supply in this state for products made from hemp that can be used for medicinal purposes.

(b) The commissioner may submit medical research based on the data collected under sections 152.22 to 152.37 to any federal agency with regulatory or enforcement authority over medical cannabis to demonstrate the effectiveness of medical cannabis for treating a qualifying medical condition.

**152.26 RULEMAKING.**

(a) The commissioner may adopt rules to implement sections 152.22 to 152.37. Rules for which notice is published in the State Register before January 1, 2015, may be adopted using the process in section 14.389.

(b) The commissioner may adopt or amend rules, using the procedure in section 14.386, paragraph (a), to implement the addition of dried raw cannabis as an allowable form of medical cannabis under section 152.22, subdivision 6, paragraph (a), clause (4). Section 14.386, paragraph (b), does not apply to these rules.

**152.261 RULES; ADVERSE INCIDENTS.**

(a) The commissioner of health shall adopt rules to establish requirements for reporting incidents when individuals who are not authorized to possess medical cannabis under sections 152.22 to 152.37 are found in possession of medical cannabis. The rules must identify professionals required to report, the information they are required to report, and actions the reporter must take to secure the medical cannabis.

(b) The commissioner of health shall adopt rules to establish requirements for law enforcement officials and health care professionals to report incidents involving an overdose of medical cannabis to the commissioner of health.

(c) Rules must include the method by which the commissioner will collect and tabulate reports of unauthorized possession and overdose.

**152.27 PATIENT REGISTRY PROGRAM ESTABLISHED.**

Subdivision 1. **Patient registry program; establishment.** (a) The commissioner shall establish a patient registry program to evaluate data on patient demographics, effective treatment options,

APPENDIX  
Repealed Minnesota Statutes: S0073-2

clinical outcomes, and quality-of-life outcomes for the purpose of reporting on the benefits, risks, and outcomes regarding patients with a qualifying medical condition engaged in the therapeutic use of medical cannabis.

(b) The establishment of the registry program shall not be construed or interpreted to condone or promote the illicit recreational use of marijuana.

Subd. 2. **Commissioner duties.** (a) The commissioner shall:

(1) give notice of the program to health care practitioners in the state who are eligible to serve as health care practitioners and explain the purposes and requirements of the program;

(2) allow each health care practitioner who meets or agrees to meet the program's requirements and who requests to participate, to be included in the registry program to collect data for the patient registry;

(3) provide explanatory information and assistance to each health care practitioner in understanding the nature of therapeutic use of medical cannabis within program requirements;

(4) create and provide a certification to be used by a health care practitioner for the practitioner to certify whether a patient has been diagnosed with a qualifying medical condition and include in the certification an option for the practitioner to certify whether the patient, in the health care practitioner's medical opinion, is developmentally or physically disabled and, as a result of that disability, the patient requires assistance in administering medical cannabis or obtaining medical cannabis from a distribution facility;

(5) supervise the participation of the health care practitioner in conducting patient treatment and health records reporting in a manner that ensures stringent security and record-keeping requirements and that prevents the unauthorized release of private data on individuals as defined by section 13.02;

(6) develop safety criteria for patients with a qualifying medical condition as a requirement of the patient's participation in the program, to prevent the patient from undertaking any task under the influence of medical cannabis that would constitute negligence or professional malpractice on the part of the patient; and

(7) conduct research and studies based on data from health records submitted to the registry program and submit reports on intermediate or final research results to the legislature and major scientific journals. The commissioner may contract with a third party to complete the requirements of this clause. Any reports submitted must comply with section 152.28, subdivision 2.

(b) The commissioner may add a delivery method under section 152.22, subdivision 6, or add, remove, or modify a qualifying medical condition under section 152.22, subdivision 14, upon a petition from a member of the public or the task force on medical cannabis therapeutic research or as directed by law. The commissioner shall evaluate all petitions to add a qualifying medical condition or to remove or modify an existing qualifying medical condition submitted by the task force on medical cannabis therapeutic research or as directed by law and may make the addition, removal, or modification if the commissioner determines the addition, removal, or modification is warranted based on the best available evidence and research. If the commissioner wishes to add a delivery method under section 152.22, subdivision 6, or add or remove a qualifying medical condition under section 152.22, subdivision 14, the commissioner must notify the chairs and ranking minority members of the legislative policy committees having jurisdiction over health and public safety of the addition or removal and the reasons for its addition or removal, including any written comments received by the commissioner from the public and any guidance received from the task force on medical cannabis research, by January 15 of the year in which the commissioner wishes to make the change. The change shall be effective on August 1 of that year, unless the legislature by law provides otherwise.

Subd. 3. **Patient application.** (a) The commissioner shall develop a patient application for enrollment into the registry program. The application shall be available to the patient and given to health care practitioners in the state who are eligible to serve as health care practitioners. The application must include:

(1) the name, mailing address, and date of birth of the patient;

(2) the name, mailing address, and telephone number of the patient's health care practitioner;

APPENDIX  
Repealed Minnesota Statutes: S0073-2

(3) the name, mailing address, and date of birth of the patient's designated caregiver, if any, or the patient's parent, legal guardian, or spouse if the parent, legal guardian, or spouse will be acting as a caregiver;

(4) a copy of the certification from the patient's health care practitioner that is dated within 90 days prior to submitting the application that certifies that the patient has been diagnosed with a qualifying medical condition; and

(5) all other signed affidavits and enrollment forms required by the commissioner under sections 152.22 to 152.37, including, but not limited to, the disclosure form required under paragraph (c).

(b) The commissioner shall require a patient to resubmit a copy of the certification from the patient's health care practitioner on a yearly basis and shall require that the recertification be dated within 90 days of submission.

(c) The commissioner shall develop a disclosure form and require, as a condition of enrollment, all patients to sign a copy of the disclosure. The disclosure must include:

(1) a statement that, notwithstanding any law to the contrary, the commissioner, or an employee of any state agency, may not be held civilly or criminally liable for any injury, loss of property, personal injury, or death caused by any act or omission while acting within the scope of office or employment under sections 152.22 to 152.37; and

(2) the patient's acknowledgment that enrollment in the patient registry program is conditional on the patient's agreement to meet all of the requirements of sections 152.22 to 152.37.

**Subd. 4. Registered designated caregiver.** (a) The commissioner shall register a designated caregiver for a patient if the patient requires assistance in administering medical cannabis or obtaining medical cannabis from a distribution facility and the caregiver has agreed, in writing, to be the patient's designated caregiver. As a condition of registration as a designated caregiver, the commissioner shall require the person to:

(1) be at least 18 years of age;

(2) agree to only possess the patient's medical cannabis for purposes of assisting the patient; and

(3) agree that if the application is approved, the person will not be a registered designated caregiver for more than six registered patients at one time. Patients who reside in the same residence shall count as one patient.

(b) The commissioner shall conduct a criminal background check on the designated caregiver prior to registration to ensure that the person does not have a conviction for a disqualifying felony offense. Any cost of the background check shall be paid by the person seeking registration as a designated caregiver. A designated caregiver must have the criminal background check renewed every two years.

(c) Nothing in sections 152.22 to 152.37 shall be construed to prevent a person registered as a designated caregiver from also being enrolled in the registry program as a patient and possessing and using medical cannabis as a patient.

**Subd. 5. Parents, legal guardians, and spouses.** A parent, legal guardian, or spouse of a patient may act as the caregiver to the patient without having to register as a designated caregiver. The parent, legal guardian, or spouse shall follow all of the requirements of parents, legal guardians, and spouses listed in sections 152.22 to 152.37. Nothing in sections 152.22 to 152.37 limits any legal authority a parent, legal guardian, or spouse may have for the patient under any other law.

**Subd. 6. Patient enrollment.** (a) After receipt of a patient's application, application fees, and signed disclosure, the commissioner shall enroll the patient in the registry program and issue the patient and patient's registered designated caregiver or parent, legal guardian, or spouse, if applicable, a registry verification. The commissioner shall approve or deny a patient's application for participation in the registry program within 30 days after the commissioner receives the patient's application and application fee. The commissioner may approve applications up to 60 days after the receipt of a patient's application and application fees until January 1, 2016. A patient's enrollment in the registry program shall only be denied if the patient:

(1) does not have certification from a health care practitioner that the patient has been diagnosed with a qualifying medical condition;

APPENDIX  
Repealed Minnesota Statutes: S0073-2

(2) has not signed and returned the disclosure form required under subdivision 3, paragraph (c), to the commissioner;

(3) does not provide the information required;

(4) has previously been removed from the registry program for violations of section 152.30 or 152.33; or

(5) provides false information.

(b) The commissioner shall give written notice to a patient of the reason for denying enrollment in the registry program.

(c) Denial of enrollment into the registry program is considered a final decision of the commissioner and is subject to judicial review under the Administrative Procedure Act pursuant to chapter 14.

(d) A patient's enrollment in the registry program may only be revoked upon the death of the patient or if a patient violates a requirement under section 152.30 or 152.33.

(e) The commissioner shall develop a registry verification to provide to the patient, the health care practitioner identified in the patient's application, and to the manufacturer. The registry verification shall include:

(1) the patient's name and date of birth;

(2) the patient registry number assigned to the patient; and

(3) the name and date of birth of the patient's registered designated caregiver, if any, or the name of the patient's parent, legal guardian, or spouse if the parent, legal guardian, or spouse will be acting as a caregiver.

Subd. 7. **Notice requirements.** Patients and registered designated caregivers shall notify the commissioner of any address or name change within 30 days of the change having occurred. A patient or registered designated caregiver is subject to a \$100 fine for failure to notify the commissioner of the change.

**152.28 HEALTH CARE PRACTITIONER DUTIES.**

Subdivision 1. **Health care practitioner duties.** (a) Prior to a patient's enrollment in the registry program, a health care practitioner shall:

(1) determine, in the health care practitioner's medical judgment, whether a patient suffers from a qualifying medical condition, and, if so determined, provide the patient with a certification of that diagnosis;

(2) advise patients, registered designated caregivers, and parents, legal guardians, or spouses who are acting as caregivers of the existence of any nonprofit patient support groups or organizations;

(3) provide explanatory information from the commissioner to patients with qualifying medical conditions, including disclosure to all patients about the experimental nature of therapeutic use of medical cannabis; the possible risks, benefits, and side effects of the proposed treatment; the application and other materials from the commissioner; and provide patients with the Tennessee warning as required by section 13.04, subdivision 2; and

(4) agree to continue treatment of the patient's qualifying medical condition and report medical findings to the commissioner.

(b) Upon notification from the commissioner of the patient's enrollment in the registry program, the health care practitioner shall:

(1) participate in the patient registry reporting system under the guidance and supervision of the commissioner;

(2) report health records of the patient throughout the ongoing treatment of the patient to the commissioner in a manner determined by the commissioner and in accordance with subdivision 2;

(3) determine, on a yearly basis, if the patient continues to suffer from a qualifying medical condition and, if so, issue the patient a new certification of that diagnosis; and

(4) otherwise comply with all requirements developed by the commissioner.

APPENDIX  
Repealed Minnesota Statutes: S0073-2

(c) A health care practitioner may conduct a patient assessment to issue a recertification as required under paragraph (b), clause (3), via telehealth, as defined in section 62A.673, subdivision 2.

(d) Nothing in this section requires a health care practitioner to participate in the registry program.

Subd. 2. **Data.** Data collected on patients by a health care practitioner and reported to the patient registry are health records under section 144.291, and are private data on individuals under section 13.02, but may be used or reported in an aggregated, nonidentifiable form as part of a scientific, peer-reviewed publication of research conducted under section 152.25 or in the creation of summary data, as defined in section 13.02, subdivision 19.

Subd. 3. **Advertising restrictions.** (a) A health care practitioner shall not publish or cause to be published any advertisement that:

(1) contains false or misleading statements about medical cannabis or about the medical cannabis registry program;

(2) uses colloquial terms to refer to medical cannabis, such as pot, weed, or grass;

(3) states or implies the health care practitioner is endorsed by the Department of Health or by the medical cannabis registry program;

(4) includes images of cannabis in its plant or leaf form or of cannabis-smoking paraphernalia; or

(5) contains medical symbols that could reasonably be confused with symbols of established medical associations or groups.

(b) A health care practitioner found by the commissioner to have violated this subdivision is prohibited from certifying that patients have a qualifying medical condition for purposes of patient participation in the registry program. The commissioner's decision that a health care practitioner has violated this subdivision is a final decision of the commissioner and is not subject to the contested case procedures in chapter 14.

**152.29 MANUFACTURER OF MEDICAL CANNABIS DUTIES.**

Subdivision 1. **Manufacturer; requirements.** (a) A manufacturer may operate eight distribution facilities, which may include the manufacturer's single location for cultivation, harvesting, manufacturing, packaging, and processing but is not required to include that location. The commissioner shall designate the geographical service areas to be served by each manufacturer based on geographical need throughout the state to improve patient access. A manufacturer shall not have more than two distribution facilities in each geographical service area assigned to the manufacturer by the commissioner. A manufacturer shall operate only one location where all cultivation, harvesting, manufacturing, packaging, and processing of medical cannabis shall be conducted. This location may be one of the manufacturer's distribution facility sites. The additional distribution facilities may dispense medical cannabis and medical cannabis products but may not contain any medical cannabis in a form other than those forms allowed under section 152.22, subdivision 6, and the manufacturer shall not conduct any cultivation, harvesting, manufacturing, packaging, or processing at the other distribution facility sites. Any distribution facility operated by the manufacturer is subject to all of the requirements applying to the manufacturer under sections 152.22 to 152.37, including, but not limited to, security and distribution requirements.

(b) A manufacturer may acquire hemp grown in this state from a hemp grower, and may acquire hemp products produced by a hemp processor. A manufacturer may manufacture or process hemp and hemp products into an allowable form of medical cannabis under section 152.22, subdivision 6. Hemp and hemp products acquired by a manufacturer under this paragraph are subject to the same quality control program, security and testing requirements, and other requirements that apply to medical cannabis under sections 152.22 to 152.37 and Minnesota Rules, chapter 4770.

(c) A medical cannabis manufacturer shall contract with a laboratory approved by the commissioner, subject to any additional requirements set by the commissioner, for purposes of testing medical cannabis manufactured or hemp or hemp products acquired by the medical cannabis manufacturer as to content, contamination, and consistency to verify the medical cannabis meets the requirements of section 152.22, subdivision 6. The cost of laboratory testing shall be paid by the manufacturer.

(d) The operating documents of a manufacturer must include:

APPENDIX  
Repealed Minnesota Statutes: S0073-2

(1) procedures for the oversight of the manufacturer and procedures to ensure accurate record keeping;

(2) procedures for the implementation of appropriate security measures to deter and prevent the theft of medical cannabis and unauthorized entrance into areas containing medical cannabis; and

(3) procedures for the delivery and transportation of hemp between hemp growers and manufacturers and for the delivery and transportation of hemp products between hemp processors and manufacturers.

(e) A manufacturer shall implement security requirements, including requirements for the delivery and transportation of hemp and hemp products, protection of each location by a fully operational security alarm system, facility access controls, perimeter intrusion detection systems, and a personnel identification system.

(f) A manufacturer shall not share office space with, refer patients to a health care practitioner, or have any financial relationship with a health care practitioner.

(g) A manufacturer shall not permit any person to consume medical cannabis on the property of the manufacturer.

(h) A manufacturer is subject to reasonable inspection by the commissioner.

(i) For purposes of sections 152.22 to 152.37, a medical cannabis manufacturer is not subject to the Board of Pharmacy licensure or regulatory requirements under chapter 151.

(j) A medical cannabis manufacturer may not employ any person who is under 21 years of age or who has been convicted of a disqualifying felony offense. An employee of a medical cannabis manufacturer must submit a completed criminal history records check consent form, a full set of classifiable fingerprints, and the required fees for submission to the Bureau of Criminal Apprehension before an employee may begin working with the manufacturer. The bureau must conduct a Minnesota criminal history records check and the superintendent is authorized to exchange the fingerprints with the Federal Bureau of Investigation to obtain the applicant's national criminal history record information. The bureau shall return the results of the Minnesota and federal criminal history records checks to the commissioner.

(k) A manufacturer may not operate in any location, whether for distribution or cultivation, harvesting, manufacturing, packaging, or processing, within 1,000 feet of a public or private school existing before the date of the manufacturer's registration with the commissioner.

(l) A manufacturer shall comply with reasonable restrictions set by the commissioner relating to signage, marketing, display, and advertising of medical cannabis.

(m) Before a manufacturer acquires hemp from a hemp grower or hemp products from a hemp processor, the manufacturer must verify that the hemp grower or hemp processor has a valid license issued by the commissioner of agriculture under chapter 18K.

(n) Until a state-centralized, seed-to-sale system is implemented that can track a specific medical cannabis plant from cultivation through testing and point of sale, the commissioner shall conduct at least one unannounced inspection per year of each manufacturer that includes inspection of:

(1) business operations;

(2) physical locations of the manufacturer's manufacturing facility and distribution facilities;

(3) financial information and inventory documentation, including laboratory testing results; and

(4) physical and electronic security alarm systems.

**Subd. 2. Manufacturer; production.** (a) A manufacturer of medical cannabis shall provide a reliable and ongoing supply of all medical cannabis needed for the registry program through cultivation by the manufacturer and through the purchase of hemp from hemp growers.

(b) All cultivation, harvesting, manufacturing, packaging, and processing of medical cannabis must take place in an enclosed, locked facility at a physical address provided to the commissioner during the registration process.

(c) A manufacturer must process and prepare any medical cannabis plant material or hemp plant material into a form allowable under section 152.22, subdivision 6, prior to distribution of any medical cannabis.

APPENDIX  
Repealed Minnesota Statutes: S0073-2

Subd. 3. **Manufacturer; distribution.** (a) A manufacturer shall require that employees licensed as pharmacists pursuant to chapter 151 be the only employees to give final approval for the distribution of medical cannabis to a patient. A manufacturer may transport medical cannabis or medical cannabis products that have been cultivated, harvested, manufactured, packaged, and processed by that manufacturer to another registered manufacturer for the other manufacturer to distribute.

(b) A manufacturer may distribute medical cannabis products, whether or not the products have been manufactured by that manufacturer.

(c) Prior to distribution of any medical cannabis, the manufacturer shall:

(1) verify that the manufacturer has received the registry verification from the commissioner for that individual patient;

(2) verify that the person requesting the distribution of medical cannabis is the patient, the patient's registered designated caregiver, or the patient's parent, legal guardian, or spouse listed in the registry verification using the procedures described in section 152.11, subdivision 2d;

(3) assign a tracking number to any medical cannabis distributed from the manufacturer;

(4) ensure that any employee of the manufacturer licensed as a pharmacist pursuant to chapter 151 has consulted with the patient to determine the proper dosage for the individual patient after reviewing the ranges of chemical compositions of the medical cannabis and the ranges of proper dosages reported by the commissioner. For purposes of this clause, a consultation may be conducted remotely by secure videoconference, telephone, or other remote means, so long as the employee providing the consultation is able to confirm the identity of the patient and the consultation adheres to patient privacy requirements that apply to health care services delivered through telehealth. A pharmacist consultation under this clause is not required when a manufacturer is distributing medical cannabis to a patient according to a patient-specific dosage plan established with that manufacturer and is not modifying the dosage or product being distributed under that plan and the medical cannabis is distributed by a pharmacy technician;

(5) properly package medical cannabis in compliance with the United States Poison Prevention Packing Act regarding child-resistant packaging and exemptions for packaging for elderly patients, and label distributed medical cannabis with a list of all active ingredients and individually identifying information, including:

(i) the patient's name and date of birth;

(ii) the name and date of birth of the patient's registered designated caregiver or, if listed on the registry verification, the name of the patient's parent or legal guardian, if applicable;

(iii) the patient's registry identification number;

(iv) the chemical composition of the medical cannabis; and

(v) the dosage; and

(6) ensure that the medical cannabis distributed contains a maximum of a 90-day supply of the dosage determined for that patient.

(d) A manufacturer shall require any employee of the manufacturer who is transporting medical cannabis or medical cannabis products to a distribution facility or to another registered manufacturer to carry identification showing that the person is an employee of the manufacturer.

(e) A manufacturer shall distribute medical cannabis in dried raw cannabis form only to a patient age 21 or older, or to the registered designated caregiver, parent, legal guardian, or spouse of a patient age 21 or older.

Subd. 3a. **Transportation of medical cannabis; staffing.** (a) A medical cannabis manufacturer may staff a transport motor vehicle with only one employee if the medical cannabis manufacturer is transporting medical cannabis to either a certified laboratory for the purpose of testing or a facility for the purpose of disposal. If the medical cannabis manufacturer is transporting medical cannabis for any other purpose or destination, the transport motor vehicle must be staffed with a minimum of two employees as required by rules adopted by the commissioner.

(b) Notwithstanding paragraph (a), a medical cannabis manufacturer that is only transporting hemp for any purpose may staff the transport motor vehicle with only one employee.

APPENDIX  
Repealed Minnesota Statutes: S0073-2

Subd. 4. **Report.** Each manufacturer shall report to the commissioner on a monthly basis the following information on each individual patient for the month prior to the report:

- (1) the amount and dosages of medical cannabis distributed;
- (2) the chemical composition of the medical cannabis; and
- (3) the tracking number assigned to any medical cannabis distributed.

**152.30 PATIENT DUTIES.**

(a) A patient shall apply to the commissioner for enrollment in the registry program by submitting an application as required in section 152.27 and an annual registration fee as determined under section 152.35.

(b) As a condition of continued enrollment, patients shall agree to:

- (1) continue to receive regularly scheduled treatment for their qualifying medical condition from their health care practitioner; and
- (2) report changes in their qualifying medical condition to their health care practitioner.

(c) A patient shall only receive medical cannabis from a registered manufacturer but is not required to receive medical cannabis products from only a registered manufacturer.

**152.31 DATA PRACTICES.**

(a) Government data in patient files maintained by the commissioner and the health care practitioner, and data submitted to or by a medical cannabis manufacturer, are private data on individuals, as defined in section 13.02, subdivision 12, or nonpublic data, as defined in section 13.02, subdivision 9, but may be used for purposes of complying with chapter 13 and complying with a request from the legislative auditor or the state auditor in the performance of official duties. The provisions of section 13.05, subdivision 11, apply to a registration agreement entered between the commissioner and a medical cannabis manufacturer under section 152.25.

(b) Not public data maintained by the commissioner may not be used for any purpose not provided for in sections 152.22 to 152.37, and may not be combined or linked in any manner with any other list, dataset, or database.

(c) The commissioner may execute data sharing arrangements with the commissioner of agriculture to verify licensing, inspection, and compliance information related to hemp growers and hemp processors under chapter 18K.

**152.32 PROTECTIONS FOR REGISTRY PROGRAM PARTICIPATION.**

Subdivision 1. **Presumption.** (a) There is a presumption that a patient enrolled in the registry program under sections 152.22 to 152.37 is engaged in the authorized use of medical cannabis.

(b) The presumption may be rebutted by evidence that conduct related to use of medical cannabis was not for the purpose of treating or alleviating the patient's qualifying medical condition or symptoms associated with the patient's qualifying medical condition.

Subd. 2. **Criminal and civil protections.** (a) Subject to section 152.23, the following are not violations under this chapter:

- (1) use or possession of medical cannabis or medical cannabis products by a patient enrolled in the registry program, or possession by a registered designated caregiver or the parent, legal guardian, or spouse of a patient if the parent, legal guardian, or spouse is listed on the registry verification;
- (2) possession, dosage determination, or sale of medical cannabis or medical cannabis products by a medical cannabis manufacturer, employees of a manufacturer, a laboratory conducting testing on medical cannabis, or employees of the laboratory; and
- (3) possession of medical cannabis or medical cannabis products by any person while carrying out the duties required under sections 152.22 to 152.37.

(b) Medical cannabis obtained and distributed pursuant to sections 152.22 to 152.37 and associated property is not subject to forfeiture under sections 609.531 to 609.5316.

(c) The commissioner, the commissioner's staff, the commissioner's agents or contractors, and any health care practitioner are not subject to any civil or disciplinary penalties by the Board of

APPENDIX  
Repealed Minnesota Statutes: S0073-2

Medical Practice, the Board of Nursing, or by any business, occupational, or professional licensing board or entity, solely for the participation in the registry program under sections 152.22 to 152.37. A pharmacist licensed under chapter 151 is not subject to any civil or disciplinary penalties by the Board of Pharmacy when acting in accordance with the provisions of sections 152.22 to 152.37. Nothing in this section affects a professional licensing board from taking action in response to violations of any other section of law.

(d) Notwithstanding any law to the contrary, the commissioner, the governor of Minnesota, or an employee of any state agency may not be held civilly or criminally liable for any injury, loss of property, personal injury, or death caused by any act or omission while acting within the scope of office or employment under sections 152.22 to 152.37.

(e) Federal, state, and local law enforcement authorities are prohibited from accessing the patient registry under sections 152.22 to 152.37 except when acting pursuant to a valid search warrant.

(f) Notwithstanding any law to the contrary, neither the commissioner nor a public employee may release data or information about an individual contained in any report, document, or registry created under sections 152.22 to 152.37 or any information obtained about a patient participating in the program, except as provided in sections 152.22 to 152.37.

(g) No information contained in a report, document, or registry or obtained from a patient under sections 152.22 to 152.37 may be admitted as evidence in a criminal proceeding unless independently obtained or in connection with a proceeding involving a violation of sections 152.22 to 152.37.

(h) Notwithstanding section 13.09, any person who violates paragraph (e) or (f) is guilty of a gross misdemeanor.

(i) An attorney may not be subject to disciplinary action by the Minnesota Supreme Court or professional responsibility board for providing legal assistance to prospective or registered manufacturers or others related to activity that is no longer subject to criminal penalties under state law pursuant to sections 152.22 to 152.37.

(j) Possession of a registry verification or application for enrollment in the program by a person entitled to possess or apply for enrollment in the registry program does not constitute probable cause or reasonable suspicion, nor shall it be used to support a search of the person or property of the person possessing or applying for the registry verification, or otherwise subject the person or property of the person to inspection by any governmental agency.

**Subd. 3. Discrimination prohibited.** (a) No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for the person's status as a patient enrolled in the registry program under sections 152.22 to 152.37, unless failing to do so would violate federal law or regulations or cause the school or landlord to lose a monetary or licensing-related benefit under federal law or regulations.

(b) For the purposes of medical care, including organ transplants, a registry program enrollee's use of medical cannabis under sections 152.22 to 152.37 is considered the equivalent of the authorized use of any other medication used at the discretion of a physician, advanced practice registered nurse, or physician assistant and does not constitute the use of an illicit substance or otherwise disqualify a patient from needed medical care.
