MISSION STATEMENT:

- **WE** are a grassroots organization of mothers and fathers, who are united in our efforts to address the “root causes” affecting African American families, our youth and people of color.
- **WE** seek to address the causes, plaguing our community to include:

- **WE** operate from a lens that unites partners, and resources with families, to ensure the best outcome. As a “Boots on the Ground” organization our mission is data and resource driven, and connects the most vulnerable to resources.
