Alcohol and Gambling Enforcement

Director Carla Cincotta

Mission

To protect and serve the public through uniform interpretation, regulation and enforcement of the state's liquor and gambling laws and rules.

To provide stability and integrity in the alcoholic beverage and gaming industries through the management of licensing, education, regulation and enforcement.

Alcohol and Gambling Enforcement

Minnesota Department of Public Safety

Alcohol

- Provides education, regulation and enforcement of alcohol laws.
- Issues and approves alcohol licenses and permits.
- Conduct pre-license and compliance inspections.
- Investigates trade practice and other industry complaints.

Alcohol and Gambling Enforcement

Minnesota Department of Public Safety

Gambling

- Provides education, regulation and enforcement of gambling laws.
- Verifies compliance with Tribal/State compacts.
- Investigates and enforces lawful gambling fraud and illegal gambling.
- Conduct background investigations and licensing for the gambling industry.

Alcohol and Gambling Enforcement

Minnesota Department of Public Safety

Recent achievements

- AGE added K-9 Bia to the team. Bia is the only currency detection K-9 in Minnesota.
- Trained and equipped all AGE agents with body worn cameras.
- At the conclusion of the second fiscal year with the Responsible Beverage Service Train the Trainer program we can proudly say that we have 176 trainers certified to deliver the program across 56 of Minnesota's 87 counties.

State Fire Marshal

State Fire Marshal Jim Smith

Mission

The State Fire Marshal Division (SFMD) strengthens Minnesota fire-safe environments by providing statewide leadership and guidance in support of fire and life safety policy, enforcement, prevention and education.

State Fire Marshal

Minnesota Department of Public Safety

The SFMD supports local fire and law enforcement authorities, other agencies and the general public with:

- Fire/arson investigation training for local public safety personnel.
- Fire investigations and fire death investigations.
- Materials, training and assistance to implement fire safety education programs.
- Fire inspections in public and charter schools, hotels/motels and health care facilities.
- Development and adoption of state fire code.
- The SFMD collects and maintains fire incident data and uses it to strengthen our state fire code, code enforcement and fire safety education programs.

State Fire Marshal

Minnesota Department of Public Safety

Recent Achievements

Year four of a five-year campaign to reduce smoking-related fire fatalities. In support of the goal, the SFMD launched a predictive model and risk mapping tool in November to fire departments to assist in targeting high-risk areas with fire prevention and risk reduction.

Completion of:

- 572 school inspections and 691 follow-up inspections.
- 625 health care facility inspections which included 215 follow-up inspections, and 6 post-fire inspections..
- 336 adult foster care/community residential setting inspections
- 128 correctional facility inspections.
- 663 hotel/motel inspections.
- 1,047 DHS pre-licensing inspections.

Office of Justice Programs

Minnesota Department of Public Safety

Recent Achievements

- Established the Missing and Murdered Indigenous Relatives Office. Assisted families and advocates with numerous cases.
- Worked with more than 1,000 victims, criminal justice professionals, and members of the public, and opened 16 formal cases through the Minnesota Crime Victim Justice Unit.
- Received nearly 2,000 new crime victim reparations claims and coordinated payment of over \$3.2 million for medical dental care, mental health counseling, funeral and burial expenses, lost wages, and survivor benefits through the Minnesota Crime Victim Reparations program.
- Support the work of Minnesota's Juvenile Justice Advisory Committee (JJAC).

Emergency Communication Networks

Director Dana Wahlberg

Mission

Utilize emerging technologies to provide the most reliable and comprehensive emergency communication networks available.

Emergency Communication Networks

Minnesota Department of Public Safety

911 call initiated to include physical address or Lat/Long coordinates

911 network provider uses location to determine where to route the caller

911 call center answers call and coordinates dispatch of first responders

ECN Services

- The **911 Program** coordinates the design, maintenance, and management for 911 call delivery at 103 “911 call centers” across the state.
- Responsible for ensuring the contracted 911 network provider maintains real-time connectivity for the transport of all 911 calls and texts.

Emergency Communication Networks

Minnesota Department of Public Safety

ECN Services

- The **ARMER (Allied Radio Matrix for Emergency Response) Program** oversees the usage of the statewide land mobile radio system for public safety in partnership with MnDOT.
- The **Wireless Broadband Program** in collaboration with FirstNet provides emergency responders with a dedicated 'fast lane' for mission-critical voice and data communication.
- The **Integrated Public Alert and Warning System (IPAWS) Program** supports local jurisdictions improve IPAWS capabilities.

Emergency Communication Networks

Minnesota Department of Public Safety

ECN Recent Achievements

- Continued migration from legacy 911 network to end-to-end IP next generation 911 platform that can transport calls and texts in addition to photos, telematics and video.
- Deployed innovative PSAP technology system that provides for more precise location of 911 caller in addition to intelligence such as indoor mapping and two-way texting capabilities with language translation.
- Partnership with the Minnesota Department of Health on rollout of 988 and continued development of policy towards 988/911 interactions.
- Supporting the Statewide Emergency Communications Board efforts to plan for ARMER network FBI encryption requirements.

Homeland Security and Emergency Management

**Interim HSEM Director
Kevin Reed**

Mission

To help Minnesota prepare for, respond to, and recover from emergencies and disasters.

Homeland Security and Emergency
Management

Minnesota Department of Public Safety

Preparedness

- Minnesota School Safety Center
- Radiological Emergency Preparedness
- HSEM training

Response
