

To the Chair and Committee,

My Name is Sara Bertschinger and I am writing in

Opposition to SF 70

There is so much wrong with this proposed legislation. But it can be summed up in one phrase; "Valuing life". This bill de-humanizes and devalues the life of the unborn. History tells us what happens when a group of individuals is dehumanized, devalued, marginalized and is used as a scape goat. This bill leads us further down a dark path and will be on the wrong side of history.
