

SF 63: Trans Refuge Bill

Judiciary Committee 2.10.23

Definitions

Sex assigned at birth: sex assigned to a child when they are born typically based on external genitalia

Transgender: An umbrella term for anyone whose gender differs from the one they were assigned at birth

Gender Identity: A person's internal and individual experience of gender. The sense of being a woman, man, both, neither, or anywhere along the spectrum.

***Roughly 12% of Minnesota High School Students identify as something other than their sex assigned at birth**

Definitions

Gender Affirming Care: a wide range of social and medical interventions to affirm someone's internal gender identity. This can include:

- Changing clothes, hairstyles or appearance
- Receiving counseling to affirm gender identity
- Puberty blockers, hormone therapy
- Hair removal
- Voice therapy
- Surgery

Care practices are guided by the World Professional Association of Transgender Health standards of care. Gender affirming practices are **widely supported by**

- The American Medical Association
- American Psychological Association
- American Association of Pediatrics
- The Endocrine Society
