Dear Senator Latz and Senate Judiciary and Public Safety Committee Members,

On behalf of the Minnesota Fire Chiefs Association, the Minnesota Chapter of the International Association of Arson Investigators, the Fire Marshals Association of Minnesota, and the Minnesota State Fire Department Association I writing you about the confirmation of Department of Public Safety Commissioner Bob Jacobson.

We feel that Commissioner Jacobson is qualified for the position of Public Safety Commissioner given his vast and diverse public safety background. Commissioner Jacobson has already shown to be a great partner to the fire service both in his words and his actions. We look forward to working with Commissioner Jacobson in the future to continue to improve the public safety services provided throughout the state of Minnesota.

Sincerely,
