

The Supplemental Nonprofit Security Grant Program (NSGP) protects vulnerable communities from threats through security enhancements.

Minnesota receives less than its proportional share of federal dollars in this program (less than \$1 million in 2022 out of \$270 million), so we need supplemental state dollars to close the gap.

How the Supplemental NSGP works in Minnesota

Who benefits?

Houses of Worship

Schools

Summer Camps

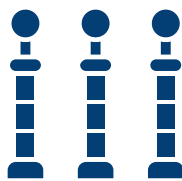

Social Services

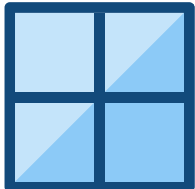

Example Enhancements

Bollards

Ballistic Window Film

Access Control

Video Monitoring
