25.20 meanings provided in section 342.01.

25.21 Subd. 2. Approval of products. (a) The office shall approve types of cannabis flower,
25.22 cannabis products, lower-potency hemp edibles, and hemp-derived consumer products other
25.23 than hemp-derived topical products for retail sale. The office shall not require reapproval

26.4 (5) contains an artificial cannabinoid;

26.5 (6) is made by applying a cannabinoid, including but not limited to a synthetically derived
 26.6 cannabinoid, to a finished food product that does not contain cannabinoids and is sold to
 26.7 consumers, including but not limited to a candy or snack food; or

26.8 (7) if the product is an edible cannabis product or lower-potency hemp edible, contains
 26.9 an ingredient, other than a cannabinoid, that is not approved by the United States Food and
 26.10 Drug Administration for use in food.

26.11 (c) The office must not approve any cannabis flower, cannabis product, or hemp-derived
 26.12 consumer product that:

27.17 handler endorsements with the term and renewal period of the license issued by the office;
27.18 and

27.19 (5) an edible cannabis product or lower-potency hemp edible must not be considered
27.20 adulterated solely because the product contains tetrahydrocannabinol, cannabis concentrate,
27.21 hemp concentrate, synthetically derived cannabinoids, or any other material extracted or
27.22 derived from a cannabis plant, cannabis flower, hemp plant, or hemp plant parts.

27.23 (d) The edible cannabis product handler endorsement must prohibit the manufacture of
27.24 edible cannabis products at the same premises where food is manufactured, except for the
27.25 limited production of edible products produced solely for product development, sampling,
27.26 or testing. This limitation does not apply to the manufacture of lower-potency hemp edibles.

 28.16 subjects of subdivisions 1 to 4.

28.17 (b) The office must coordinate and consult with a department or agency of the state
 28.18 regarding the development and implementation of a rule under this section if the department
 28.19 or agency has expertise or a regulatory interest in the subject matter of the rule.

36.11 Sec. 13. [342.13] LOCAL CONTROL.

36.12 (a) A local unit of government may not prohibit the possession, transportation, or use
36.13 of cannabis flower, cannabis products, lower-potency hemp edibles, or hemp-derived
36.14 consumer products or cannabinoid products authorized under this chapter.

36.15 (b) A local unit of government may not prohibit the establishment or operation of a
36.16 cannabis business licensed under this chapter.

36.17 (c) A local unit of government may adopt reasonable restrictions on the time, place, and
36.18 manner of the operation of a cannabis business provided that such restrictions do not prohibit
36.19 the establishment or operation of cannabis businesses. A local unit of government may
36.20 prohibit the operation of a cannabis business within 500 feet of a school, day care, or park.

36.21 (d) The office shall work with local units of government to develop model ordinances
36.22 for reasonable restrictions on the time, place, and manner of the operation of a cannabis
36.23 business.

36.24 (e) If a local unit of government is conducting studies or has authorized a study to be
36.25 conducted or has held or has scheduled a hearing for the purpose of considering adoption
36.26 or amendment of reasonable restrictions on the time, place, and manner of the operation of
36.27 a cannabis business, the governing body of the local unit of government may adopt an
36.28 interim ordinance applicable to all or part of its jurisdiction for the purpose of protecting
36.29 the planning process and the health, safety, and welfare of its citizens. Before adopting the
36.30 interim ordinance, the governing body must hold a public hearing. The interim ordinance
36.31 may regulate, restrict, or prohibit the operation of a cannabis business within the jurisdiction
36.32 or a portion thereof until January 1, 2025.

37.1 (f) Within 30 days of receiving a copy of an application for a cannabis business license

 37.4 applicable, whether the proposed business complies with the state fire code and building
 37.5 code.

37.6 (g) Upon receipt of an application for a license issued under this chapter, the office shall
 37.7 contact the local unit of government in which the business would be located and provide
 37.8 the local unit of government with 30 days in which to provide input on the application. The
 37.9 local unit of government may provide the office with any additional information it believes
 37.10 is relevant to the office's decision on whether to issue a license, including but not limited
 37.11 to identifying concerns about the proposed location of a cannabis business or sharing public
 37.12 information about an applicant.

 37.16 At a minimum, the expedited complaint process shall require the office to provide an initial
 37.17 response to the complaint within seven days and perform any necessary inspections within
 37.18 30 days. Nothing in this paragraphs prohibits a local unit of government from enforcing a
 37.19 local ordinance.

37.26 (2) in cities of the second class, at least four licenses plus one for every 5,000 over 45,000
 37.27 population;

37.28 (3) in cities of the third class, at least two licenses;

37.29 (4) in cities of 5,000 to 10,000 population, at least one license; and

37.30 (5) in cities under 5,000 population, at least one license.

39.1 (b) An applicant must file and update as necessary a disclosure of ownership and control.
39.2 The office by rule shall establish the contents and form of the disclosure. At a minimum,
39.3 the disclosure shall include the following:

39.31 maintaining and renewing the license.

40.1 (e) An application on behalf of a corporation or association shall be signed by at least
 40.2 two officers or managing agents of that entity.

40.3 Subd. 2. **Application; process.** (a) An applicant must submit all required information
 40.4 to the office on the forms and in the manner prescribed by the office.

40.5 (b) If the office receives an application that fails to provide the required information,
 40.6 the office shall issue a deficiency notice to the applicant. The applicant shall have ten
 40.7 business days from the date of the deficiency notice to submit the required information.

40.8 (c) Failure by an applicant to submit all required information will result in the application
 40.9 being rejected.

40.10 (d) Upon receipt of a completed application and fee, or a site permit application, the
 40.11 office shall forward a copy of the application to the local unit of government in which the
 40.12 business operates or intends to operate with a form for certification as to whether a proposed
 40.13 cannabis business complies with local zoning ordinances and, if applicable, whether the
 40.14 proposed business complies with the state fire code and building code.

40.15 (e) Within 90 days of receiving a completed application, the office shall issue the
 40.16 appropriate license or send the applicant a notice of rejection setting forth specific reasons
 40.17 that the office did not approve the application.

40.18 Subd. 3. **Criminal history check.** A license applicant or, in the case of a business entity,
 40.19 every cooperative member or director, manager, and general partner of the business entity,
 40.20 must submit a completed criminal history records check consent form, a full set of classifiable
 40.21 fingerprints, and the required fees to the office. Upon receipt of this information, the office
 40.22 must submit the completed criminal history records check consent form, full set of classifiable
 40.23 fingerprints, and required fees to the Bureau of Criminal Apprehension. After receiving this
 40.24 information, the bureau must conduct a Minnesota criminal history records check of the
 40.25 license applicant. The bureau may exchange a license applicant's fingerprints with the
 40.26 Federal Bureau of Investigation to obtain the applicant's national criminal history record
 40.27 information. The bureau must return the results of the Minnesota and federal criminal history
 40.28 records checks to the director to determine if the applicant is disqualified under section
 40.29 342.19.

40.30 Sec. 16. **[342.15] SOCIAL EQUITY APPLICANTS.**

40.31 An individual qualifies as a social equity applicant if the individual is:

40.32 (1) a military veteran who lost honorable status due to a cannabis-related offense;

41.1 (2) a resident for the last five years of one or more subareas, such as census tracts or
 41.2 neighborhoods, that experienced a disproportionately large amount of cannabis enforcement
 41.3 as determined by the study conducted by the office pursuant to section 342.04, paragraph
 41.4 (b), and reported in the preliminary report, final report, or both; or

41.5 (3) a resident for the last five years of one or more census tracts where, as reported in
 41.6 the most recently completed decennial census published by the United States Bureau of the
 41.7 Census, either:

41.8 (i) the poverty rate was 20 percent or more; or

41.9 (ii) the median family income did not exceed 80 percent of statewide median family
 41.10 income or, if in a metropolitan area, did not exceed the greater of 80 percent of the statewide
 41.11 median family income or 80 percent of the median family income for that metropolitan
 41.12 area.

41.13 Sec. 17. **[342.16] LICENSE SELECTION CRITERIA.**

41.14 Subdivision 1. **Market stability.** The office shall issue the necessary number of licenses
 41.15 in order to ensure the sufficient supply of cannabis flower and cannabis products to meet
 41.16 demand, provide market stability, ensure a competitive market, and limit the sale of
 41.17 unregulated cannabis flower and cannabis products. The office shall annually complete a
 41.18 market analysis to determine whether it is fulfilling the four requirements listed in this
 41.19 subdivision. The office shall hold public hearings as part of the market analysis to hear from
 41.20 consumers, market stakeholders, and potential new applicants.

41.21 Subd. 2. **Vertical integration prohibited; exceptions.** (a) Except as otherwise provided
 41.22 in this subdivision, the office shall not issue licenses to a single applicant that would result
 41.23 in the applicant being vertically integrated in violation of the provisions of this chapter.

41.24 (b) Nothing in this section prohibits or limits the issuance of microbusiness licenses or
 41.25 mezzobusiness licenses or the issuance of both lower-potency hemp edible manufacturer
 41.26 and lower-potency hemp edible retailer licenses to the same person or entity.

41.27 (c) Nothing in this section prohibits or limits the two medical cannabis licensees licensed
 41.28 as of January 1, 2023, from being vertically integrated through its existing cultivation,
 41.29 processing, and dispensaries.

41.30 Subd. 3. **Application score; license priority.** (a) The office shall award points to each
 41.31 completed application for a license to operate a cannabis business in the following categories:

42.1 (1) status as a social equity applicant or as an applicant who is substantially similar to
42.2 a social equity applicant as described in paragraph (c);

42.3 (2) status as a veteran applicant;

42.4 (3) security and record keeping;

42.5 (4) employee training plan;

42.6 (5) business plan and financial situation;

42.7 (6) diversity plan;

42.8 (7) labor and employment practices;

42.9 (8) knowledge and experience; and

42.10 (9) environmental plan.

42.11 (b) The office may award additional points to an application if the license holder would
42.12 expand service to an underrepresented market including but not limited to participation in
42.13 the medical cannabis program.

42.14 (c) The office shall establish application materials permitting individual applicants to
42.15 demonstrate the impact that cannabis prohibition has had on that applicant including but
42.16 not limited to the arrest or imprisonment of the applicant or a member of the applicant's
42.17 immediate family, and the office may award points to such applicants in the same manner
42.18 as points are awarded to social equity applicants.

42.19 (d) The office shall establish policies and guidelines, which shall be made available to
42.20 the public, regarding the number of points available in each category and the basis for
42.21 awarding those points. Status as a social equity applicant must account for at least 20 percent
42.22 of the total available points. In determining the number of points to award to a cooperative
42.23 or business applying as a social equity applicant, the office shall consider the number or
42.24 ownership percentage of cooperative members, officers, directors, managers, and general
42.25 partners who qualify as social equity applicants.

42.26 (e) Consistent with the goals identified in subdivision 1, the office shall issue licenses
42.27 in each license category, giving priority to applicants who receive the highest score under
42.28 paragraphs (a) and (b). If there are insufficient licenses available for entities that receive
42.29 identical scores, the office shall utilize a lottery to randomly select license recipients from
42.30 among those entities.

42.31 Subd. 4. **Local land use compatibility statement.** (a) Prior to the issuance of a license,
42.32 the office shall request a land use compatibility statement from the city, town, or county

43.1 that authorizes the land use. The land use compatibility statement must demonstrate that
 43.2 the requested license is for a land use that is allowable within the given zoning designation
 43.3 where the land is located. The office may not issue a license if the land use compatibility
 43.4 statement shows that the proposed land use is prohibited in the applicable zone or if the
 43.5 applicant has failed to meet the land use requirements of the jurisdiction.

43.6 (b) A city, town, or county that receives a request from the office for a land use
 43.7 compatibility statement under this section must act on that request within 21 days of receipt
 43.8 of the request if the land use is allowable and the applicant has applied for and received all
 43.9 necessary land use approvals.

43.10 (c) The office shall not issue a license to an applicant who has failed to receive a local
 43.11 land use compatibility statement approval from a local unit of government or to an applicant
 43.12 whose local approvals have been suspended or revoked.

43.13 **Sec. 18. [342.17] INSPECTION; LICENSE VIOLATIONS; PENALTIES.**

43.14 Subdivision 1. **Authority to inspect.** (a) In order to carry out the purposes of this chapter,
 43.15 the office, upon presenting appropriate credentials to the owner, operator, or agent in charge,
 43.16 is authorized to:

43.17 (1) enter any cannabis business or hemp business without delay and at reasonable times;

43.18 (2) inspect and investigate during regular working hours and at other reasonable times,
 43.19 within reasonable limits and in a reasonable manner, any cannabis business or hemp business
 43.20 and all relevant conditions, equipment, records, and materials therein; and

43.21 (3) question privately any employer, owner, operator, agent, or employee of a cannabis
 43.22 business or hemp business.

43.23 (b) An employer, owner, operator, agent, or employee must not refuse the office entry
 43.24 or otherwise deter or prohibit the office from taking action under paragraph (a).

43.25 Subd. 2. **Powers of office.** (a) In making inspections and investigations under this chapter,
 43.26 the office shall have the power to administer oaths, certify as to official acts, take and cause
 43.27 to be taken depositions of witnesses, issue subpoenas, and compel the attendance of witnesses
 43.28 and production of papers, books, documents, records, and testimony. In case of failure of
 43.29 any person to comply with any subpoena lawfully issued, or on the refusal of any witness
 43.30 to produce evidence or to testify to any matter regarding which the person may be lawfully
 43.31 interrogated, the district court shall, upon application of the office, compel obedience
 43.32 proceedings for contempt, as in the case of disobedience of the requirements of a subpoena
 43.33 issued by the court or a refusal to testify therein.

44.1 (b) If the office finds probable cause to believe that any cannabis plant, cannabis flower,
44.2 cannabis product, synthetically derived cannabinoid, lower-potency hemp edible, or
44.3 hemp-derived consumer product is being distributed in violation of this chapter or rules
44.4 adopted under this chapter, the office shall affix to the item a tag, withdrawal from
44.5 distribution order, or other appropriate marking providing notice that the cannabis plant,
44.6 cannabis flower, cannabis product, synthetically derived cannabinoid, lower-potency hemp
44.7 edible, hemp-derived consumer product, or cannabinoid product is, or is suspected of being,
44.8 distributed in violation of this chapter and has been detained or embargoed, and warning
44.9 all persons not to remove or dispose of the item by sale or otherwise until permission for
44.10 removal or disposal is given by the office or the court. It is unlawful for a person to remove
44.11 or dispose of detained or embargoed cannabis plant, cannabis flower, cannabis product,
44.12 synthetically derived cannabinoid, lower-potency hemp edible, or hemp-derived consumer
44.13 product by sale or otherwise without the office's or a court's permission and each transaction
44.14 is a separate violation of this section.

44.15 (c) Notwithstanding subdivision 5, if any cannabis plant, cannabis flower, cannabis
44.16 product, synthetically derived cannabinoid, lower-potency hemp edible, or hemp-derived
44.17 consumer product has been found by the office to be in violation of this chapter, the office
44.18 shall petition the district court in the county in which the item is detained or embargoed for
44.19 an order and decree for the condemnation of the item. The office shall release the cannabis
44.20 plant, cannabis flower, cannabis product, synthetically derived cannabinoid, lower-potency
44.21 hemp edible, or hemp-derived consumer product when this chapter and rules adopted under
44.22 this chapter have been complied with or the item is found not to be in violation of this
44.23 chapter or rules adopted under this chapter.

44.24 (d) If the court finds that detained or embargoed cannabis plant, cannabis flower,
44.25 synthetically derived cannabinoid, or cannabinoid product is in violation of this chapter or
44.26 rules adopted under this chapter, the following remedies are available:

44.27 (1) after entering a decree, the cannabis plant, cannabis flower, cannabis product,
44.28 synthetically derived cannabinoid, lower-potency hemp edible, or hemp-derived consumer
44.29 product may be destroyed at the expense of the claimant under the supervision of the office,
44.30 and all court costs, fees, storage, and other proper expenses must be assessed against the
44.31 claimant of the cannabis plant, cannabis flower, cannabis product, synthetically derived
44.32 cannabinoid, lower-potency hemp edible, or hemp-derived consumer product or the claimant's
44.33 agent; and

44.34 (2) if the violation can be corrected by proper labeling or processing of the cannabis
44.35 plant, cannabis flower, cannabis product, synthetically derived cannabinoid, lower-potency

45.1 hemp edible, or hemp-derived consumer product, the court, after entry of the decree and
45.2 after costs, fees, and expenses have been paid, and a good and sufficient bond conditioned
45.3 that the cannabis plant, cannabis flower, synthetically derived cannabinoid, or cannabinoid
45.4 product must be properly labeled or processed has been executed, may by order direct that
45.5 the cannabis plant, cannabis flower, cannabis product, synthetically derived cannabinoid,
45.6 lower-potency hemp edible, or hemp-derived consumer product be delivered to the claimant
45.7 for proper labeling or processing under the supervision of the office. The office's supervision
45.8 expenses must be paid by the claimant. The cannabis plant, cannabis flower, cannabis
45.9 product, synthetically derived cannabinoid, lower-potency hemp edible, or hemp-derived
45.10 consumer product must be returned to the claimant and the bond must be discharged on
45.11 representation to the court by the office that the cannabis plant, cannabis flower, cannabis
45.12 product, synthetically derived cannabinoid, lower-potency hemp edible, or hemp-derived
45.13 consumer product is no longer in violation and that the office's supervision expenses have
45.14 been paid.

45.15 (e) If the office finds in any room, building, piece of equipment, vehicle of transportation,
45.16 or other structure any cannabis plant, cannabis flower, cannabis product, synthetically
45.17 derived cannabinoid, lower-potency hemp edible, or hemp-derived consumer product that
45.18 is unsound or contains any filthy, decomposed, or putrid substance, or that may be poisonous
45.19 or deleterious to health or otherwise unsafe, the office shall condemn or destroy the item
45.20 or in any other manner render the item as unsalable, and no one has any cause of action
45.21 against the office on account of the office's action.

45.22 (f) The office may enter into an agreement with the commissioner of agriculture to
45.23 analyze and examine samples or other articles furnished by the office for the purpose of
45.24 determining whether the sample or article violates this chapter or rules adopted under this
45.25 chapter. A copy of the examination or analysis report for any such article, duly authenticated
45.26 under oath by the laboratory analyst making the determination or examination, shall be
45.27 prima facie evidence in all courts of the matters and facts contained in the report.

45.28 Subd. 3. **Aiding of inspection.** Subject to rules issued by the office, a representative of
45.29 a cannabis business or hemp business shall be given an opportunity to accompany the office
45.30 during the physical inspection of any cannabis business for the purpose of aiding such
45.31 inspection.

45.32 Subd. 4. **Complaints and reports; priority of inspection.** (a) The office may conduct
45.33 inspections of any licensed cannabis business or hemp business at any time to ensure
45.34 compliance with the ownership and operation requirements of this chapter.

46.1 (b) Any person may report a suspected violation of a safety or health standard. If upon
46.2 receipt of such notification the office determines that there are reasonable grounds to believe
46.3 that such violation or danger exists, the office shall make a special inspection as soon as
46.4 practicable to determine if such danger or violation exists.

46.5 (c) The office shall prioritize inspections of cannabis businesses or hemp businesses
46.6 where there are reasonable grounds to believe that a violation poses imminent danger to the
46.7 public or customers.

46.8 (d) The office shall promptly inspect cannabis businesses or hemp businesses that are
46.9 the subject of complaint by a local unit of government.

46.10 Subd. 5. **Violations; administrative orders and penalties.** (a) The office may issue an
46.11 administrative order to any licensed cannabis business or hemp business that the office
46.12 determines has committed a violation of this chapter or rules adopted pursuant to this chapter.
46.13 The administrative order may require the business to correct the violation or to cease and
46.14 desist from committing the violation. The order must state the deficiencies that constitute
46.15 the violation and the time by which the violation must be corrected. If the business believes
46.16 that the information in the administrative order is in error, the business may ask the office
46.17 to consider the parts of the order that are alleged to be in error. The request must be in
46.18 writing, delivered to the office by certified mail within seven days after receipt of the order,
46.19 and provide documentation to support the allegation of error. The office must respond to a
46.20 request for reconsideration within 15 days after receiving the request. A request for
46.21 reconsideration does not stay the correction order unless the office issues a supplemental
46.22 order granting additional time. The office's disposition of a request for reconsideration is
46.23 final.

46.24 (b) For each violation of this chapter or rules adopted pursuant to this chapter, the office
46.25 may issue to each business a monetary penalty of up to \$10,000, an amount that deprives
46.26 the business of any economic advantage gained by the violation, or both.

46.27 (c) An administrative penalty may be recovered in a civil action in the name of the state
46.28 brought in the district court of the county where the violation is alleged to have occurred
46.29 or the district court where the office is housed.

46.30 (d) In addition to penalties listed in this subdivision, a person or business who violates
46.31 the provisions of this chapter is subject to any applicable criminal penalty.

46.32 Subd. 6. **Nonpublic data.** (a) The following data collected, created, or maintained by
46.33 the office is classified as nonpublic data, as defined in section 13.02, subdivision 9, or as
46.34 private data on individuals, as defined in section 13.02, subdivision 12:

47.1 (1) data submitted by an applicant for a cannabis business license, other than the
 47.2 applicant's name and designated address;

47.3 (2) the identity of a complainant who has made a report concerning a license holder or
 47.4 applicant that appears in inactive complaint data unless the complainant consents to the
 47.5 disclosure;

47.6 (3) the nature or content of unsubstantiated complaints when the information is not
 47.7 maintained in anticipation of legal action;

47.8 (4) the record of any disciplinary proceeding except as limited by paragraph (b);

47.9 (5) data identifying retail or wholesale customers of a cannabis business; and

47.10 (6) data identifying cannabis workers.

47.11 (b) Minutes, application data on license holders except nondesignated addresses, orders
 47.12 for hearing, findings of fact, conclusions of law, and specification of the final disciplinary
 47.13 action contained in the record of the disciplinary action are classified as public, pursuant to
 47.14 section 13.02, subdivision 15. If there is a public hearing concerning the disciplinary action,
 47.15 the entire record concerning the disciplinary proceeding is public data pursuant to section
 47.16 13.02, subdivision 15. If the license holder and the office agree to resolve a complaint
 47.17 without a hearing, the agreement and the specific reasons for the agreement are public data.

47.18 (c) The office must establish written procedures to ensure that only individuals authorized
 47.19 by law may enter, update, or access the data classified as nonpublic or private data on
 47.20 individuals in this subdivision. An authorized individual's ability to enter, update, or access
 47.21 data in the system must correspond to the official duties or training level of the individual
 47.22 and to the statutory authorization granting access for that purpose. All queries and responses,
 47.23 and all actions in which not public data are entered, updated, accessed, shared, or
 47.24 disseminated, must be recorded in a data audit trail. Data contained in the audit trail have
 47.25 the same classification as the underlying data tracked by the audit trail.

47.26 (d) The office must not share data classified as private under this subdivision or other
 47.27 data identifying an individual applicant or license holder with any federal agency, federal
 47.28 department, or federal entity unless specifically ordered to do so by a state or federal court.

47.29 **Sec. 19. [342.18] LICENSE SUSPENSION OR REVOCATION; HEARING.**

47.30 Subdivision 1. **License revocation and nonrenewal.** The office may revoke or not
 47.31 renew a license when the office has cause to believe that a cannabis business has violated
 47.32 an ownership or operational requirement in this chapter or rules adopted pursuant to this

48.1 chapter. The office must notify the license holder in writing, specifying the grounds for
 48.2 revocation or nonrenewal and fixing a time of at least 20 days thereafter for a hearing on
 48.3 the matter.

48.4 Subd. 2. **Hearing; written findings.** (a) Before the office revokes or does not renew a
 48.5 license, the office must provide the license holder with a statement of the complaints made
 48.6 against the license holder, and the office must hold a hearing to determine whether the office
 48.7 should revoke the license or deny renewal of the license. The license holder shall receive
 48.8 notice at least 20 days before the date of the hearing and notice may be served either by
 48.9 certified mail addressed to the address of the license holder as shown in the license
 48.10 application or in the manner provided by law for the service of a summons. At the time and
 48.11 place fixed for the hearing, the office, or any office employee or agent authorized by the
 48.12 office to conduct the hearing, shall receive evidence, administer oaths, and examine witnesses.

48.13 (b) After the hearing held pursuant to paragraph (a), or upon the failure of the license
 48.14 holder to appear at the hearing, the office must take action as is deemed advisable and issue
 48.15 written findings that the office must mail to the license holder. An action of the office under
 48.16 this paragraph is subject to judicial review pursuant to chapter 14.

48.17 Subd. 3. **Temporary suspension.** The office may temporarily, without hearing, suspend
 48.18 the license and operating privilege of any business licensed under this chapter for up to 90
 48.19 days if continuing the operation of the business would threaten the health or safety of any
 48.20 person. The office may extend the period for an additional 90 days if the office notified the
 48.21 business that the office intends to revoke or not renew a license and the hearing required
 48.22 under subdivision 2 has not taken place.

48.23 Sec. 20. **[342.19] ADULT-USE CANNABIS BUSINESS; GENERAL OWNERSHIP**
 48.24 **DISQUALIFICATIONS AND REQUIREMENTS.**

48.25 Subdivision 1. **Criminal history check.** Every license applicant and prospective cannabis
 48.26 worker must submit a completed criminal history records check consent form, a full set of
 48.27 classifiable fingerprints, and the required fees to the office. Upon receipt of this information,
 48.28 the office must submit the completed criminal history records check consent form, full set
 48.29 of classifiable fingerprints, and required fees to the Bureau of Criminal Apprehension. After
 48.30 receiving this information, the bureau must conduct a Minnesota criminal history records
 48.31 check of the license applicant. The bureau may exchange a license applicant's fingerprints
 48.32 with the Federal Bureau of Investigation to obtain the applicant's national criminal history
 48.33 record information. The bureau must return the results of the Minnesota and federal criminal

49.1 history records checks to the director to determine if the applicant is disqualified under this
49.2 section.

49.3 Subd. 2. **Criminal offenses; disqualifications.** (a) No person may hold or receive a
49.4 license issued under this chapter or work for a cannabis business if the person has been
49.5 convicted of, or received a stay of adjudication for, a violation of a state or federal controlled
49.6 substance law that is a felony under Minnesota law or would be a felony if committed in
49.7 Minnesota, regardless of the sentence imposed, unless the office determines that the person's
49.8 conviction was for the possession or sale of cannabis.

49.9 (b) A person who has been convicted of, or received a stay of adjudication for, a violation
49.10 of Minnesota Statutes 2022, section 152.023, subdivision 1, clause (3), or a state or federal
49.11 law in conformity with that provision, for the sale of cannabis to a person under the age of

49.18 cannabis business, if five years have passed since the discharge of the sentence.

49.29 section 152.0264, subdivision 5, may hold or receive a license issued under this chapter or
49.30 work for a cannabis business if one year has passed since the discharge of the sentence.

49.31 (h) If the license holder or applicant is a business entity, the disqualifications under this
49.32 subdivision apply to every cooperative member or every director, manager, and general
49.33 partner of the business entity.

50.1 Subd. 3. Risk of harm; set aside. The office may set aside a disqualification under
50.2 subdivision 2 if the office finds that the person has submitted sufficient information to
50.3 demonstrate that the person does not pose a risk of harm to any person served by the
50.4 applicant, license holder, or other entities as provided in this chapter.

50.5 Subd. 4. General requirements. (a) A license holder or applicant must meet each of

 51.6 employ an individual under 21 years of age and may not contract with an individual under
 51.7 21 years of age if the individual's scope of work involves the handling of cannabis plants,
 51.8 cannabis flower, synthetically derived cannabinoids, or cannabinoid products.

 51.32 system.

52.1 Subd. 3. **Restricted access.** (a) Except as otherwise provided in this subdivision, a
52.2 cannabis business may not permit any individual to enter a restricted area unless the cannabis
52.3 business records the individual's name, time of entry, time of exit, and authorization to enter
52.4 the restricted area through use of an electronic or manual entry log and the individual:

52.5 (1) is a cannabis worker employed by or contracted with the cannabis business;

52.6 (2) is an employee of the office or another enforcement agency;

52.7 (3) is a contractor of the cannabis business, including but not limited to an electrician,
52.8 a plumber, an engineer, or an alarm technician, whose scope of work will not involve the
52.9 handling of cannabis flower, cannabis products, or hemp-derived consumer products and,
52.10 if the individual is working in an area with immediate access to cannabis flower, cannabis
52.11 products, or hemp-derived consumer products, the individual is supervised at all times by
52.12 a cannabis worker employed by or contracted with the cannabis business; or

52.20 Subd. 4. **Ventilation and filtration.** A cannabis business must maintain a ventilation
52.21 and filtration system sufficient to meet the requirements for odor control established by the
52.22 office.

52.23 Subd. 5. **Records.** (a) A cannabis business must retain financial records for the current
52.24 and previous tax year at the primary business location and must make those records available
52.25 for inspection by the office at any time during regular business hours.

52.26 (b) When applicable, a cannabis business must maintain financial records for the previous
52.27 ten tax years and must make those records available for inspection within one business day
52.28 of receiving a request for inspection by the office.

52.29 (c) The office may require a cannabis business to submit to an audit of its business
52.30 records. The office may select or approve the auditor and the cannabis business must provide
52.31 the auditor with access to all business records. The cost of the audit must be paid by the
52.32 cannabis business.

53.1 Subd. 6. **Diversity report.** A cannabis business shall provide an annual report on the

 53.8 sale.

53.9 (b) For the purposes of this subdivision, a cannabis business possesses the cannabis
 53.10 plants and cannabis flower that the business cultivates from seed or immature plant, if
 53.11 applicable, or receives from another cannabis business and possesses the cannabis products

 53.13 another cannabis business.

53.14 (c) Sale and transfer of cannabis plants, cannabis flower, cannabis products, and

 53.16 within the time established by rule.

53.17 Subd. 8. **Disposal; loss documentation.** (a) A cannabis business must dispose of cannabis
 53.18 plants, cannabis flower, cannabinoid products, and synthetically derived cannabinoids that

53.22 (c) Disposed products must be documented in the statewide monitoring system.

53.23 (d) Any lost or stolen products must be reported to local law enforcement and a cannabis
 53.24 business must log any lost or stolen products in the statewide monitoring system as soon
 53.25 as the loss is discovered.

53.26 Subd. 9. **Sale of approved products.** A cannabis business may only sell cannabis plants,
 53.27 cannabis flower, cannabinoid products, and synthetically derived cannabinoids that are
 53.28 approved by the office and that comply with this chapter and rules adopted pursuant to this
 53.29 chapter regarding the testing, packaging, and labeling of cannabis plants, cannabis flower,
 53.30 cannabinoid products, and synthetically derived cannabinoids.

53.31 Subd. 10. **Security.** A cannabis business must maintain and follow a security plan to
 53.32 deter and prevent the theft or diversion of cannabis plants, cannabis flower, cannabis products,

54.1 or hemp-derived consumer products; unauthorized entry into the cannabis business; and the
54.2 theft of currency.

54.3 Subd. 11. **Financial relationship.** (a) Except for the lawful sale of cannabis plants,
54.4 cannabis flower, cannabinoid products, and synthetically derived cannabinoids in the ordinary
54.5 course of business and as otherwise provided in this subdivision, no cannabis business may
54.6 offer, give, accept, receive, or borrow money or anything else of value or accept or receive
54.7 credit from any other cannabis business. This prohibition applies to offering or receiving a
54.8 benefit in exchange for preferential placement by a cannabis retailer, including preferential
54.9 placement on the cannabis retailer's shelves, display cases, or website. This prohibition
54.10 applies to every cooperative member or every director, manager, and general partner of a
54.11 cannabis business.

54.12 (b) This prohibition does not apply to merchandising credit in the ordinary course of
54.13 business for a period not to exceed 30 days or for marketing or consumer education materials
54.14 made available in a retail location.

54.15 (c) This prohibition does not apply to free samples of useable cannabis flower or
54.16 cannabinoid products packaged in a sample jar protected by a plastic or metal mesh screen
54.17 to allow customers to smell the cannabis flower or cannabinoid product before purchase.
54.18 A sample jar may not contain more than eight grams of useable cannabis flower, eight grams
54.19 of a cannabis concentrate, or an edible cannabinoid product infused with 100 milligrams of
54.20 tetrahydrocannabinol.

54.21 (d) This prohibition does not apply to free samples of cannabis flower or cannabinoid
54.22 products provided to a cannabis retailer or cannabis wholesaler for the purposes of quality
54.23 control and to allow cannabis retailers to determine whether to offer a product for sale. A
54.24 sample provided for these purposes may not contain more than eight grams of useable
54.25 cannabis flower, eight grams of a cannabis concentrate, or an edible cannabinoid product
54.26 infused with 100 milligrams of tetrahydrocannabinol.

54.27 (e) This prohibition does not apply to any fee charged by a licensed cannabis event
54.28 organizer to a cannabis business for participation in a cannabis event.

54.29 Subd. 12. **Exclusive contracts.** A cannabis business may not directly or indirectly make
54.30 an agreement with a cannabis retailer that binds the cannabis retailer to purchase the products
54.31 of one cannabis cultivator or cannabis manufacturer to the exclusion of the products of other
54.32 cannabis cultivators or cannabis manufacturers. A cannabis retailer who is a party to a
54.33 violation of this section or who receives the benefits of a violation is equally guilty of a
54.34 violation.

55.1 Subd. 13. **Customer privacy.** A cannabis business must not share data on retail or
 55.2 wholesale customers with any federal agency, federal department, or federal entity unless
 55.3 specifically ordered by a state or federal court.

55.4 Sec. 22. **[342.21] CANNABIS CULTIVATOR LICENSING AND OPERATIONS.**

55.5 Subdivision 1. **Authorized actions.** A cannabis cultivator license entitles the license
 55.6 holder to grow cannabis plants within the approved amount of space from seed or immature
 55.7 plant to mature plant, harvest cannabis flower from a mature plant, package and label
 55.8 cannabis flower for sale to other cannabis businesses, transport cannabis flower to a cannabis
 55.9 manufacturer located on the same premises, and perform other actions approved by the
 55.10 office.

55.11 Subd. 2. **Size limitations.** A cannabis cultivator may cultivate up to 15,000 square feet
 55.12 of plant canopy unless the office, by rule, increases that limit. The office may, by rule,
 55.13 increase the limit on plant canopy to no more than 30,000 cubic feet if the office determines
 55.14 that expansion is consistent with the goals identified in section 342.02, subdivision 1. A
 55.15 cannabis cultivator may not operate multiple tiers of cultivation unless authorized by the
 55.16 office.

55.17 Subd. 3. **Additional information required.** In addition to the information required to
 55.18 be submitted under section 342.14, subdivision 1, and rules adopted pursuant to that section,
 55.19 a person, cooperative, or business seeking a cannabis cultivator license must submit the
 55.20 following information in a form approved by the office:

55.21 (1) an operating plan demonstrating the proposed size and layout of the cultivation
 55.22 facility; plans for wastewater and waste disposal for the cultivation facility; plans for
 55.23 providing electricity, water, and other utilities necessary for the normal operation of the
 55.24 cultivation facility; and plans for compliance with the applicable building code and federal
 55.25 and state environmental and workplace safety requirements;

55.26 (2) a cultivation plan demonstrating the proposed size and layout of the cultivation
 55.27 facility that will be used exclusively for cultivation including the total amount of plant
 55.28 canopy; and

55.29 (3) evidence that the business will comply with the applicable operation requirements

56.3 (b) Except as provided in paragraph (a), no person, cooperative, or business holding a
 56.4 cannabis cultivator license may own or operate any other cannabis business or hemp business.
 56.5 This prohibition does not prevent the transportation of cannabis flower from a cannabis
 56.6 cultivator to a cannabis manufacturer licensed to the same person, cooperative, or business
 56.7 and located on the same premises.

56.8 (c) The office by rule may limit the number of cannabis cultivator licenses a person,
 56.9 cooperative, or business may hold.

56.26 Sec. 23. **[342.22] RETAILERS; LOCAL REGISTRATION AND ENFORCEMENT.**

56.27 Subdivision 1. **Registration required.** Before making retail sales to customers or patients,
 56.28 a cannabis microbusiness with a retail operations endorsement, cannabis mezzobusiness
 56.29 with a retail operations endorsement, cannabis retailer, medical cannabis retailer, or
 56.30 lower-potency hemp edible retailer must register with the city, town, or county in which

57.1 the retail establishment is located. A county may issue a registration in cases where a city
57.2 or town has provided consent for the county to issue the registration for the jurisdiction.

57.3 Subd. 2. **Registration fee.** (a) A local unit of government may impose an initial retail
57.4 registration fee of up to half the amount of the applicable initial license fee under section
57.5 342.11. The local unit of government may also impose a renewal retail registration fee of
57.6 up to half the amount of the applicable renewal license fee under section 342.11. The initial
57.7 license fee shall include the fee for initial registration and the first annual renewal. Any

57.13 (d) Registration fees are nonrefundable.

57.14 Subd. 3. **Issuance of registration.** (a) A local unit of government shall issue a retail
57.15 registration to a cannabis microbusiness with a retail operations endorsement, cannabis
57.16 mezzobusiness with a retail operations endorsement, cannabis retailer, medical cannabis
57.17 retailer, or lower-potency hemp edible retailer that:

57.18 (1) has a valid license issued by the office;

57.19 (2) has paid the registration fee or renewal fee pursuant to subdivision 2;

57.20 (3) is found to be in compliance with the requirements of this chapter at any preliminary
57.21 compliance check that the local unit of government performs; and

57.22 (4) if applicable, is current on all property taxes and assessments at the location where
57.23 the retail establishment is located.

57.24 (b) Before issuing a retail registration, the local unit of government may conduct a
57.25 preliminary compliance check to ensure that the cannabis business or hemp business is in
57.26 compliance with the applicable operation requirements and the limits on the types of cannabis
57.27 flower, cannabinoid products, and hemp-derived consumer products that may be sold.

57.28 (c) A local unit of government shall renew the retail registration of a cannabis business
57.29 or hemp business when the office renews the license of the cannabis business or hemp
57.30 business.

57.31 (d) A retail registration issued under this section may not be transferred.

58.1 Subd. 4. **Compliance checks.** (a) A local unit of government shall conduct compliance
58.2 checks of every cannabis business and hemp business with a retail registration issued by
58.3 the local unit of government. The checks shall assess compliance with age verification
58.4 requirements, the applicable operation requirements, and the applicable limits on the types
58.5 of cannabis flower, cannabis products, lower-potency hemp edibles, and hemp-derived
58.6 consumer products being sold.

58.7 (b) The local unit of government must conduct unannounced age verification compliance
58.8 checks at least once each calendar year. Age verification compliance checks must involve
58.9 persons at least 17 years of age, but under the age of 21, who, with the prior written consent
58.10 of a parent or guardian if the person is under the age of 18, attempt to purchase cannabis
58.11 flower, cannabis products, lower-potency hemp edibles, or hemp-derived consumer products
58.12 under the direct supervision of a law enforcement officer or an employee of the local unit
58.13 of government.

58.14 (c) Checks to ensure compliance with the applicable operation requirements and the
58.15 limits on the types of cannabis flower, cannabis products, lower-potency hemp edibles, and
58.16 hemp-derived consumer products that may be sold must be performed at least once each
58.17 calendar year and may be performed by a law enforcement officer or an employee of the
58.18 local unit of government.

58.19 Subd. 5. **Registration suspension and cancellation; notice to office; penalties.** (a) If
58.20 a local unit of government determines that a cannabis business or hemp business with a
58.21 retail registration issued by the local unit of government is not operating in compliance with
58.22 the requirements of this chapter or that the operation of the business poses an immediate
58.23 threat to the health or safety of the public, the local unit of government may suspend the
58.24 retail registration of the cannabis business or hemp business. The local unit of government
58.25 must immediately notify the office of the suspension and shall include a description of the
58.26 grounds for the suspension.

58.27 (b) The office shall review the retail registration suspension and may order reinstatement
58.28 of the retail registration or take any action described in section 342.17 or 342.18.

58.29 (c) The retail registration suspension must be for up to 30 days unless the office suspends
58.30 the license and operating privilege of the cannabis business or hemp business for a longer
58.31 period or revokes the license.

58.32 (d) The local unit of government may reinstate the retail registration if the local unit of
58.33 government determines that any violation has been cured. The local unit of government
58.34 must reinstate the retail registration if the office orders reinstatement.

59.1 (e) No cannabis microbusiness with a retail operations endorsement, cannabis
 59.2 mezzobusiness with a retail operations endorsement, cannabis retailer, medical cannabis
 59.3 retailer, or lower-potency hemp edible retailer may make any sale to a customer or patient
 59.4 without a valid retail registration. A local unit of government may impose a civil penalty

 59.14 within one business day of receiving a request for inspection by the office.

59.15 (c) The office may require a cannabis business or hemp business to submit to an audit
 59.16 of its business records. The office may select or approve the auditor and the cannabis business

 59.18 the audit must be paid by the cannabis business or hemp business.

59.19 Subd. 2. **Diversity report.** Cannabis businesses and hemp businesses shall provide an
 59.20 annual report on the status of diversity in the business ownership, management, and
 59.21 employment and in services for which the business contracts.

59.22 Subd. 3. **Disposal; loss documentation.** (a) Cannabis businesses and hemp businesses
 59.23 must dispose of cannabis plants, cannabis flower, cannabis products, artificially derived
 59.24 cannabinoids, lower-potency hemp edibles, and hemp-derived consumer products that are

 59.26 date on the label.

59.27 (b) Disposal must be conducted in a manner approved by the office.

59.28 (c) Disposal of any cannabis plants, cannabis flower, cannabis products, artificially
 59.29 derived cannabinoids, and hemp-derived consumer products that are required to be entered
 59.30 into the statewide monitoring system must be documented in the statewide monitoring
 59.31 system.

59.32 (d) Loss or theft of any cannabis plants, cannabis flower, cannabis products, synthetically

60.1 into the statewide monitoring system must be reported to local law enforcement and a
60.2 business must log any such loss or theft in the statewide monitoring system as soon as the
60.3 loss or theft is discovered.

60.4 Subd. 4. **Sale of approved products.** Cannabis businesses and hemp businesses may
60.5 only sell cannabis plants, cannabis flower, cannabis products, synthetically derived
60.6 cannabinoids, lower-potency hemp edibles, and hemp-derived consumer products that are
60.7 a type approved by the office and that comply with this chapter and rules adopted pursuant
60.8 to this chapter regarding the testing, packaging, and labeling of cannabis plants, cannabis

60.25 sample jar protected by a plastic or metal mesh screen to allow customers to smell the
60.26 cannabis flower, cannabis product, lower-potency hemp edible, or hemp-derived consumer
60.27 product before purchase. A sample jar may not contain more than eight grams of useable
60.28 cannabis flower, eight grams of a cannabis concentrate, an edible cannabis product infused
60.29 with 100 milligrams of tetrahydrocannabinol, a lower-potency hemp edible infused with
60.30 50 milligrams of tetrahydrocannabinol, or a hemp-derived consumer product with a total

 61.16 mezzobusiness, a cannabis cultivator, another cannabis manufacturer, a cannabis wholesaler,
 61.17 or an industrial hemp grower;

61.18 (2) accept cannabis flower from unlicensed persons who are at least 21 years of age

62.3 of cannabis products, lower-potency hemp edibles, or hemp-derived consumer products a
62.4 cannabis manufacturer may perform. The limit must be equivalent to the amount of cannabis
62.5 flower that can be harvested from a facility with a plant canopy of 15,000 square feet in a
62.6 year, but may be increased to the amount that can be harvested from a facility with up to

112.12 must include:

112.13 (1) the patient's name and date of birth;

112.14 (2) the patient registry number assigned to the patient; and

112.15 (3) the name and date of birth of the patient's registered designated caregiver, if any, or
112.16 the name of the patient's parent, legal guardian, or spouse if the parent, legal guardian, or
112.17 spouse will act as a caregiver.

112.18 Subd. 6. **Conditions of continued enrollment.** As conditions of continued enrollment,
112.19 a patient must:

112.20 (1) continue to receive regularly scheduled treatment for the patient's qualifying medical
112.21 condition from the patient's health care practitioner; and

112.22 (2) report changes in the patient's qualifying medical condition to the patient's health
112.23 care practitioner.

112.24 Subd. 7. **Enrollment period.** Enrollment in the registry program is permanent.

112.25 Subd. 8. **Medical cannabis flower and medical cannabinoid products; allowable**
112.26 **delivery methods.** Medical cannabis flower and medical cannabinoid products may be
112.27 delivered in the form of:

112.28 (1) a liquid, including but not limited to oil;

112.29 (2) a pill;

112.30 (3) a vaporized delivery method with the use of liquid or oil;

113.1 (4) a water-soluble cannabinoid multiparticulate, including granules, powder, and
113.2 sprinkles;

113.3 (5) an orally dissolvable product, including lozenges, gum, mints, buccal tablets, and
113.4 sublingual tablets;

113.5 (6) edible products in the form of gummies and chews;

113.6 (7) a topical formulation;

113.7 (8) combustion with the use of dried raw cannabis; or

113.8 (9) any other method approved by the office.

113.9 Subd. 9. Registered designated caregiver. (a) The Division of Medical Cannabis must
113.10 register a designated caregiver for a patient if the patient requires assistance in administering
113.11 medical cannabis flower or medical cannabinoid products or in obtaining medical cannabis
113.12 flower, medical cannabinoid products, or medical cannabis paraphernalia from a medical
113.13 cannabis retailer.

113.14 (b) In order to serve as a designated caregiver, a person must:

113.15 (1) be at least 18 years of age;

113.16 (2) agree to only possess the patient's medical cannabis flower and medical cannabinoid
113.17 products for purposes of assisting the patient; and

113.18 (3) agree that if the application is approved, the person will not serve as a registered
113.19 designated caregiver for more than six registered patients at one time. Patients who reside
113.20 in the same residence count as one patient.

113.21 (c) The office shall conduct a criminal background check on the designated caregiver
113.22 prior to registration to ensure that the person does not have a conviction for a disqualifying
113.23 felony offense. Any cost of the background check shall be paid by the person seeking
113.24 registration as a designated caregiver. A designated caregiver must have the criminal
113.25 background check renewed every two years.

113.26 (d) Nothing in this section shall be construed to prevent a registered designated caregiver
113.27 from being enrolled in the registry program as a patient and possessing and administering
113.28 medical cannabis as a patient.

113.29 Subd. 10. Parents, legal guardians, spouses. A parent, legal guardian, or spouse of a
113.30 patient may act as the caregiver for a patient. The parent, legal guardian, or spouse who is
113.31 acting as a caregiver must follow all requirements for parents, legal guardians, and spouses

114.1 under this chapter. Nothing in this section limits any legal authority that a parent, legal
114.2 guardian, or spouse may have for the patient under any other law.

114.3 Subd. 11. **Enrollment fee.** (a) The Division of Cannabis Management must collect an
114.4 enrollment fee of \$40 from a patient enrolled under this section.

114.5 (b) Revenue collected under this subdivision shall deposit to a dedicated account in the
114.6 special revenue fund. The balance of the account shall be appropriated annually to the
114.7 administrator of the office for program operations.

114.8 Subd. 12. **Notice of change of name or address.** Patients and registered designated
114.9 caregivers must notify the Division of Medical Cannabis of any address or name change
114.10 within 30 days of the change having occurred. A patient or registered designated caregiver
114.11 is subject to a \$100 fine for failure to notify the office of the change.

114.12 **EFFECTIVE DATE.** This section is effective January 1, 2024.

114.13 Sec. 53. **[342.52] DUTIES OF OFFICE OF CANNABIS MANAGEMENT;**
114.14 **REGISTRY PROGRAM.**

114.15 The office may add an allowable form of medical cannabinoid product, and may add or
114.16 modify a qualifying medical condition upon its own initiative, upon a petition from a member
114.17 of the public or from the Cannabis Advisory Council or as directed by law. The office must
114.18 evaluate all petitions and must make the addition or modification if the office determines
114.19 that the addition or modification is warranted by the best available evidence and research.
114.20 If the office wishes to add an allowable form or add or modify a qualifying medical condition,
114.21 the office must notify the chairs and ranking minority members of the legislative committees
114.22 and divisions with jurisdiction over health finance and policy by January 15 of the year in
114.23 which the change becomes effective. In this notification, the office must specify the proposed
114.24 addition or modification, the reasons for the addition or modification, any written comments
114.25 received by the office from the public about the addition or modification, and any guidance
114.26 received from the Cannabis Advisory Council. An addition or modification by the office
114.27 under this subdivision becomes effective on August 1 of that year unless the legislature by
114.28 law provides otherwise.

114.29 **EFFECTIVE DATE.** This section is effective January 1, 2024.

115.1 Sec. 54. **[342.53] DUTIES OF DIVISION OF MEDICAL CANNABIS; REGISTRY**
115.2 **PROGRAM.**

115.3 Subdivision 1. Duties related to health care practitioners. The Division of Medical
115.4 Cannabis must:

115.5 (1) provide notice of the registry program to health care practitioners in the state;

115.6 (2) allow health care practitioners to participate in the registry program if they request
115.7 to participate and meet the program's requirements;

115.8 (3) provide explanatory information and assistance to health care practitioners to
115.9 understand the nature of the therapeutic use of medical cannabis within program
115.10 requirements;

115.11 (4) make available to participating health care practitioners a certification form in which
115.12 a health care practitioner certifies that a patient has a qualifying medical condition; and

115.13 (5) supervise the participation of health care practitioners in the registry reporting system
115.14 in which health care practitioners report patient treatment and health records information
115.15 to the office in a manner that ensures stringent security and record keeping requirements
115.16 and that prevents the unauthorized release of private data on individuals as defined in section
115.17 13.02.

115.18 Subd. 2. Duties related to the registry program. The Division of Medical Cannabis
115.19 must:

115.20 (1) administer the registry program according to section 342.51;

115.21 (2) provide information to patients enrolled in the registry program on the existence of
115.22 federally approved clinical trials for the treatment of the patient's qualifying medical condition
115.23 with medical cannabis flower or medical cannabinoid products as an alternative to enrollment
115.24 in the registry program;

115.25 (3) maintain safety criteria with which patients must comply as a condition of participation
115.26 in the registry program to prevent patients from undertaking any task under the influence
115.27 of medical cannabis flower or medical cannabinoid products that would constitute negligence
115.28 or professional malpractice;

115.29 (4) review and publicly report on existing medical and scientific literature regarding the
115.30 range of recommended dosages for each qualifying medical condition, the range of chemical
115.31 compositions of medical cannabis flower and medical cannabinoid products that will likely
115.32 be medically beneficial for each qualifying medical condition, and any risks of noncannabis

116.1 drug interactions. This information must be updated by December 1 of each year. The office
 116.2 may consult with an independent laboratory under contract with the office or other experts
 116.3 in reporting and updating this information; and

116.4 (5) annually consult with cannabis businesses about medical cannabis that the businesses
 116.5 cultivate, manufacture, and offer for sale and post on the Division of Medical Cannabis
 116.6 website a list of the medical cannabis flower and medical cannabinoid products offered for
 116.7 sale by each medical cannabis retailer.

116.8 Subd. 3. **Research.** (a) The Division of Medical Cannabis must conduct or contract with
 116.9 a third party to conduct research and studies using data from health records submitted to
 116.10 the registry program under section 342.54, subdivision 2, and data submitted to the registry
 116.11 program under section 342.51, subdivisions 2 and 3. If the division contracts with a third
 116.12 party for research and studies, the third party must provide the division with access to all
 116.13 research and study results. The division must submit reports on intermediate or final research
 116.14 results to the legislature and major scientific journals. All data used by the division or a
 116.15 third party under this subdivision must be used or reported in an aggregated nonidentifiable
 116.16 form as part of a scientific peer-reviewed publication of research or in the creation of
 116.17 summary data, as defined in section 13.02, subdivision 19.

116.18 (b) The Division of Medical Cannabis may submit medical research based on the data
 116.19 collected under sections 342.54, subdivision 2, and data collected through the statewide
 116.20 monitoring system to any federal agency with regulatory or enforcement authority over
 116.21 medical cannabis to demonstrate the effectiveness of medical cannabis flower or medical
 116.22 cannabinoid products for treating or alleviating the symptoms of a qualifying medical
 116.23 condition.

116.24 **EFFECTIVE DATE.** This section is effective January 1, 2024.

116.25 Sec. 55. **[342.54] DUTIES OF HEALTH CARE PRACTITIONERS; REGISTRY**
 116.26 **PROGRAM.**

116.27 Subdivision 1. **Health care practitioner duties before patient enrollment.** Before a
 116.28 patient's enrollment in the registry program, a health care practitioner must:

116.29 (1) determine, in the health care practitioner's medical judgment, whether a patient has
 116.30 a qualifying medical condition and, if so determined, provide the patient with a certification
 116.31 of that diagnosis;

116.32 (2) advise patients, registered designated caregivers, and parents, legal guardians, and
 116.33 spouses acting as caregivers of any nonprofit patient support groups or organizations;

117.1 (3) provide to patients explanatory information from the Division of Medical Cannabis,
117.2 including information about the experimental nature of the therapeutic use of medical
117.3 cannabis flower and medical cannabinoid products; the possible risks, benefits, and side
117.4 effects of the proposed treatment; and the application and other materials from the office;

117.5 (4) provide to patients a Tennessee warning as required under section 13.04, subdivision
117.6 2; and

117.7 (5) agree to continue treatment of the patient's qualifying medical condition and to report
117.8 findings to the Division of Medical Cannabis.

117.9 Subd. 2. **Duties upon patient's enrollment in registry program.** Upon receiving
117.10 notification from the Division of Medical Cannabis of the patient's enrollment in the registry
117.11 program, a health care practitioner must:

117.12 (1) participate in the patient registry reporting system under the guidance and supervision
117.13 of the Division of Medical Cannabis;

117.14 (2) report to the Division of Medical Cannabis patient health records throughout the
117.15 patient's ongoing treatment in a manner determined by the office and in accordance with
117.16 subdivision 4;

117.17 (3) determine on a yearly basis if the patient continues to have a qualifying medical
117.18 condition and, if so, issue the patient a new certification of that diagnosis. The patient
117.19 assessment conducted under this clause may be conducted via telehealth, as defined in
117.20 section 62A.673, subdivision 2; and

117.21 (4) otherwise comply with requirements established by the Office of Cannabis
117.22 Management and the Division of Medical Cannabis.

117.23 Subd. 3. **Participation not required.** Nothing in this section requires a health care
117.24 practitioner to participate in the registry program.

117.25 Subd. 4. **Data.** Data on patients collected by a health care practitioner and reported to
117.26 the registry program, including data on patients who are veterans who receive care from
117.27 the United States Department of Veterans Affairs, are health records under section 144.291
117.28 and are private data on individuals under section 13.02 but may be used or reported in an
117.29 aggregated nonidentifiable form as part of a scientific peer-reviewed publication of research
117.30 conducted under section 342.53 or in the creation of summary data, as defined in section
117.31 13.02, subdivision 19.

117.32 Subd. 5. **Exception.** The requirements of this section do not apply to a patient who is a
117.33 veteran who receives care from the United States Department of Veterans Affairs or a health

118.1 care practitioner employed by the United States Department of Veterans Affairs. Such a
 118.2 patient must meet the certification requirements developed pursuant to section 342.51,
 118.3 subdivision 3, before the patient's enrollment in the registry program. The Division of
 118.4 Medical Cannabis may establish policies and procedures to obtain medical records and other
 118.5 relevant data from a health care practitioner employed by the United States Department of
 118.6 Veterans Affairs, provided that those policies and procedures are consistent with this section.

118.7 **EFFECTIVE DATE.** This section is effective January 1, 2024.

118.8 Sec. 56. **[342.55] LIMITATIONS.**

118.9 Subdivision 1. **Limitations on consumption; locations of consumption.** Nothing in
 118.10 sections 342.47 to 342.59 permits any person to engage in, and does not prevent the
 118.11 imposition of any civil, criminal, or other penalties for:

118.12 (1) undertaking a task under the influence of medical cannabis that would constitute
 118.13 negligence or professional malpractice;

118.14 (2) possessing or consuming medical cannabis:

118.15 (i) on a school bus or van; or

118.16 (ii) in a correctional facility;

118.17 (3) vaporizing or smoking medical cannabis:

118.18 (i) on any form of public transportation;

118.19 (ii) where the vapor would be inhaled by a nonpatient minor or where the smoke would
 118.20 be inhaled by a minor; or

118.21 (iii) in any public place, including any indoor or outdoor area used by or open to the
 118.22 general public or a place of employment, as defined in section 144.413, subdivision 1b; and

118.23 (4) operating, navigating, or being in actual physical control of a motor vehicle, aircraft,
 118.24 train, or motorboat or working on transportation property, equipment, or facilities while
 118.25 under the influence of medical cannabis or a medical cannabis product.

118.26 Subd. 2. **Health care facilities.** (a) Health care facilities licensed under chapter 144A;
 118.27 hospice providers licensed under chapter 144A; boarding care homes or supervised living
 118.28 facilities licensed under section 144.50; assisted living facilities under chapter 144G; facilities
 118.29 owned, controlled, managed, or under common control with hospitals licensed under chapter
 118.30 144; and other health care facilities licensed by the commissioner of health or the
 118.31 commissioner of human services may adopt reasonable restrictions on the use of medical

119.1 cannabis flower or medical cannabinoid products by a patient enrolled in the registry program
119.2 who resides at or is actively receiving treatment or care at the facility. The restrictions may
119.3 include a provision that the facility must not store or maintain a patient's supply of medical
119.4 cannabis flower or medical cannabinoid products on behalf of the patient; that a patient
119.5 store the patient's supply of medical cannabis flower or medicinal cannabinoid products in
119.6 a locked container accessible only to the patient, the patient's designated caregiver, or the
119.7 patient's parent, legal guardian, or spouse; that the facility is not responsible for providing
119.8 medical cannabis for patients; and that medical cannabis flower or medical cannabinoid
119.9 products are used only in a location specified by the facility or provider. Nothing in this
119.10 subdivision requires facilities and providers listed in this subdivision to adopt such
119.11 restrictions.

119.12 (b) No facility or provider listed in this subdivision may unreasonably limit a patient's
119.13 access to or use of medical cannabis flower or medical cannabinoid products to the extent
119.14 that such use is authorized under sections 342.47 to 342.59. No facility or provider listed
119.15 in this subdivision may prohibit a patient access to or use of medical cannabis flower or
119.16 medical cannabinoid products due solely to the fact that cannabis is a Schedule I drug
119.17 pursuant to the federal Uniform Controlled Substances Act. If a federal regulatory agency,
119.18 the United States Department of Justice, or the federal Centers for Medicare and Medicaid
119.19 Services takes one of the following actions, a facility or provider may suspend compliance
119.20 with this paragraph until the regulatory agency, the United States Department of Justice, or
119.21 the federal Centers for Medicare and Medicaid Services notifies the facility or provider that
119.22 it may resume permitting the use of medical cannabis flower or medical cannabinoid products
119.23 within the facility or in the provider's service setting:

119.24 (1) a federal regulatory agency or the United States Department of Justice initiates
119.25 enforcement action against a facility or provider related to the facility's compliance with
119.26 the medical cannabis program; or

119.27 (2) a federal regulatory agency, the United States Department of Justice, or the federal
119.28 Centers for Medicare and Medicaid Services issues a rule or otherwise provides notification
119.29 to the facility or provider that expressly prohibits the use of medical cannabis in health care
119.30 facilities or otherwise prohibits compliance with the medical cannabis program.

119.31 (c) An employee or agent of a facility or provider listed in this subdivision or a person
119.32 licensed under chapter 144E is not violating this chapter or chapter 152 for the possession
119.33 of medical cannabis flower or medical cannabinoid products while carrying out employment
119.34 duties, including providing or supervising care to a patient enrolled in the registry program,
119.35 or distribution of medical cannabis flower or medical cannabinoid products to a patient

120.1 enrolled in the registry program who resides at or is actively receiving treatment or care at
 120.2 the facility or from the provider with which the employee or agent is affiliated.

120.3 Subd. 3. **Child care facilities.** A proprietor of a family or group family day care program
 120.4 must disclose to parents or guardians of children cared for on the premises of the family or
 120.5 group family day care program, if the proprietor permits the smoking or use of medical
 120.6 cannabis on the premises, outside of its hours of operation. Disclosure must include posting
 120.7 on the premises a conspicuous written notice and orally informing parents or guardians.

120.8 **EFFECTIVE DATE.** This section is effective January 1, 2024.

120.9 Sec. 57. **[342.56] PROTECTIONS FOR REGISTRY PROGRAM PARTICIPANTS.**

120.10 Subdivision 1. **Presumption.** There is a presumption that a patient enrolled in the registry
 120.11 program is engaged in the authorized use of medical cannabis flower and medical cannabinoid
 120.12 products. This presumption may be rebutted by evidence that the patient's use of medical
 120.13 cannabis flower or medical cannabinoid products was not for the purpose of treating or
 120.14 alleviating the patient's qualifying medical condition or symptoms associated with the
 120.15 patient's qualifying medical condition.

120.16 Subd. 2. **Criminal and civil protections.** (a) Subject to section 342.55, the following
 120.17 are not violations of this chapter or chapter 152:

120.18 (1) use or possession of medical cannabis flower, medical cannabinoid products, or
 120.19 medical cannabis paraphernalia by a patient enrolled in the registry program or by a visiting
 120.20 patient to whom medical cannabis is distributed under section 342.49, subdivision 5;

120.21 (2) possession of medical cannabis flower, medical cannabinoid products, or medical
 120.22 cannabis paraphernalia by a registered designated caregiver or a parent, legal guardian, or
 120.23 spouse of a patient enrolled in the registry program; or

120.24 (3) possession of medical cannabis flower, medical cannabinoid products, or medical
 120.25 cannabis paraphernalia by any person while carrying out duties required under sections
 120.26 342.47 to 342.59.

120.27 (b) The Office of Cannabis Management, members of the Cannabis Advisory Council,
 120.28 Office of Cannabis Management employees, agents or contractors of the Office of Cannabis
 120.29 Management, and health care practitioners participating in the registry program are not
 120.30 subject to any civil penalties or disciplinary action by the Board of Medical Practice, the
 120.31 Board of Nursing, or any business, occupational, or professional licensing board or entity
 120.32 solely for participating in the registry program either in a professional capacity or as a
 120.33 patient. A pharmacist licensed under chapter 151 is not subject to any civil penalties or

121.1 disciplinary action by the Board of Pharmacy when acting in accordance with sections
 121.2 342.47 to 342.59 either in a professional capacity or as a patient. Nothing in this section
 121.3 prohibits a professional licensing board from taking action in response to a violation of law.

121.4 (c) Notwithstanding any law to the contrary, a Cannabis Advisory Council member, the
 121.5 governor, or an employee of a state agency must not be held civilly or criminally liable for
 121.6 any injury, loss of property, personal injury, or death caused by any act or omission while
 121.7 acting within the scope of office or employment under sections 342.47 to 342.59.

121.8 (d) Federal, state, and local law enforcement authorities are prohibited from accessing
 121.9 the registry except when acting pursuant to a valid search warrant. Notwithstanding section
 121.10 13.09, a violation of this paragraph is a gross misdemeanor.

121.11 (e) Notwithstanding any law to the contrary, the office and employees of the office must
 121.12 not release data or information about an individual contained in any report or document or
 121.13 in the registry and must not release data or information obtained about a patient enrolled in
 121.14 the registry program, except as provided in sections 342.47 to 342.59. Notwithstanding
 121.15 section 13.09, a violation of this paragraph is a gross misdemeanor.

121.16 (f) No information contained in a report or document, contained in the registry, or
 121.17 obtained from a patient under sections 342.47 to 342.59 may be admitted as evidence in a
 121.18 criminal proceeding, unless:

121.19 (1) the information is independently obtained; or

121.20 (2) admission of the information is sought in a criminal proceeding involving a criminal
 121.21 violation of sections 342.47 to 342.59.

121.22 (g) Possession of a registry verification or an application for enrollment in the registry
 121.23 program:

121.24 (1) does not constitute probable cause or reasonable suspicion;

121.25 (2) must not be used to support a search of the person or property of the person with a
 121.26 registry verification or application to enroll in the registry program; and

121.27 (3) must not subject the person or the property of the person to inspection by any
 121.28 government agency.

121.29 **Subd. 3. School enrollment; rental property.** (a) No school may refuse to enroll a
 121.30 patient as a pupil or otherwise penalize a patient solely because the patient is enrolled in
 121.31 the registry program, unless failing to do so would violate federal law or regulations or

122.1 cause the school to lose a monetary or licensing-related benefit under federal law or
122.2 regulations.

122.3 (b) No landlord may refuse to lease to a patient or otherwise penalize a patient solely
122.4 because the patient is enrolled in the registry program, unless failing to do so would violate
122.5 federal law or regulations or cause the landlord to lose a monetary or licensing-related
122.6 benefit under federal law or regulations.

122.7 Subd. 4. **Medical care.** For purposes of medical care, including organ transplants, a
122.8 patient's use of medical cannabis according to sections 342.47 to 342.59 is considered the
122.9 equivalent of the authorized use of a medication used at the discretion of a health care
122.10 practitioner and does not disqualify a patient from needed medical care.

122.11 Subd. 5. **Employment.** (a) Unless a failure to do so would violate federal or state law
122.12 or regulations or cause an employer to lose a monetary or licensing-related benefit under
122.13 federal law or regulations, an employer may not discriminate against a person in hiring,
122.14 termination, or any term or condition of employment, or otherwise penalize a person, if the
122.15 discrimination is based on:

122.16 (1) the person's status as a patient enrolled in the registry program; or

122.17 (2) a patient's positive drug test for cannabis components or metabolites, unless the
122.18 patient used, possessed, sold, transported, or was impaired by medical cannabis flower or
122.19 a medical cannabinoid product on work premises, during working hours, or while operating
122.20 an employer's machinery, vehicle, or equipment.

122.21 (b) An employee who is a patient and whose employer requires the employee to undergo
122.22 drug testing according to section 181.953 may present the employee's registry verification
122.23 as part of the employee's explanation under section 181.953, subdivision 6.

122.24 Subd. 6. **Custody; visitation; parenting time.** A person must not be denied custody of
122.25 a minor child or visitation rights or parenting time with a minor child based solely on the
122.26 person's status as a patient enrolled in the registry program. There must be no presumption
122.27 of neglect or child endangerment for conduct allowed under sections 342.47 to 342.59,
122.28 unless the person's behavior creates an unreasonable danger to the safety of the minor as
122.29 established by clear and convincing evidence.

122.30 Subd. 7. **Action for damages.** In addition to any other remedy provided by law, a patient
122.31 may bring an action for damages against any person who violates subdivision 3, 4, or 5. A
122.32 person who violates subdivision 3, 4, or 5 is liable to a patient injured by the violation for

123.1 the greater of the person's actual damages or a civil penalty of \$100 and reasonable attorney
 123.2 fees.

123.3 **EFFECTIVE DATE.** This section is effective January 1, 2024.

145.14 **ARTICLE 2**

145.15 **TAXES**

145.16 Section 1. Minnesota Statutes 2022, section 273.13, subdivision 24, is amended to read:

145.17 Subd. 24. **Class 3.** Commercial and industrial property and utility real and personal
 145.18 property is class 3a.

145.19 (1) Except as otherwise provided, each parcel of commercial, industrial, or utility real
 145.20 property has a classification rate of 1.5 percent of the first tier of market value, and 2.0
 145.21 percent of the remaining market value. In the case of contiguous parcels of property owned
 145.22 by the same person or entity, only the value equal to the first-tier value of the contiguous
 145.23 parcels qualifies for the reduced classification rate, except that contiguous parcels owned
 145.24 by the same person or entity shall be eligible for the first-tier value classification rate on
 145.25 each separate business operated by the owner of the property, provided the business is
 145.26 housed in a separate structure. For the purposes of this subdivision, the first tier means the
 145.27 first \$150,000 of market value. Real property owned in fee by a utility for transmission line
 145.28 right-of-way shall be classified at the classification rate for the higher tier.

145.29 For purposes of this subdivision, parcels are considered to be contiguous even if they
 145.30 are separated from each other by a road, street, waterway, or other similar intervening type
 145.31 of property. Connections between parcels that consist of power lines or pipelines do not
 145.32 cause the parcels to be contiguous. Property owners who have contiguous parcels of property

146.1 that constitute separate businesses that may qualify for the first-tier classification rate shall
146.2 notify the assessor by July 1, for treatment beginning in the following taxes payable year.

146.3 (2) All personal property that is: (i) part of an electric generation, transmission, or
146.4 distribution system; or (ii) part of a pipeline system transporting or distributing water, gas,
146.5 crude oil, or petroleum products; and (iii) not described in clause (3), and all railroad
146.6 operating property has a classification rate as provided under clause (1) for the first tier of
146.7 market value and the remaining market value. In the case of multiple parcels in one county
146.8 that are owned by one person or entity, only one first tier amount is eligible for the reduced
146.9 rate.

146.10 (3) The entire market value of personal property that is: (i) tools, implements, and
146.11 machinery of an electric generation, transmission, or distribution system; (ii) tools,
146.12 implements, and machinery of a pipeline system transporting or distributing water, gas,
146.13 crude oil, or petroleum products; or (iii) the mains and pipes used in the distribution of
146.14 steam or hot or chilled water for heating or cooling buildings, has a classification rate as
146.15 provided under clause (1) for the remaining market value in excess of the first tier.

146.16 (4) Property used for raising, cultivating, processing, or storing cannabis plants, cannabis
146.17 flower, or cannabinoid products for sale has a classification rate as provided under clause
146.18 (1) for the first tier of market value and the remaining market value. As used in this
146.19 paragraph, "cannabis plant" has the meaning given in section 342.01, subdivision 19;
146.20 "cannabis flower" has the meaning given in section 342.01, subdivision 16; "cannabinoid
146.21 product" has the meaning given in section 342.01, subdivision 12; and "lower potency edible
146.22 product" has the meaning given in section 342.01, subdivision 49.

146.23 **EFFECTIVE DATE.** This section is effective beginning with property taxes payable
146.24 in 2024 and thereafter.

146.27 "commercial-industrial tax capacity" means the tax capacity of all taxable property classified
146.28 as class 3 or class 5(1) under section 273.13, excluding:

146.29 (1) the tax capacity attributable to the first \$150,000 of market value of each parcel of
146.30 commercial-industrial property as defined under section 273.13, subdivision 24, clauses (1)
146.31 ~~and~~, (2), and (4);

146.32 (2) electric generation attached machinery under class 3; and

146.33 (3) property described in section 473.625.

147.1 County commercial-industrial tax capacity amounts are not adjusted for the captured
 147.2 net tax capacity of a tax increment financing district under section 469.177, subdivision 2,
 147.3 the net tax capacity of transmission lines deducted from a local government's total net tax
 147.4 capacity under section 273.425, or fiscal disparities contribution and distribution net tax
 147.5 capacities under chapter 276A or 473F. For purposes of this subdivision, the procedures
 147.6 for determining eligibility for tier 1 under section 273.13, subdivision 24, clauses (1) and
 147.7 (2), shall apply in determining the portion of a property eligible to be considered within the
 147.8 first \$150,000 of market value.

166.28 to the commissioner using a form developed by the commissioner.

166.29 (d) In awarding grants under this subdivision, the commissioner shall give weight to
166.30 whether the nonprofit corporation:

167.1 (1) has a board of directors that includes citizens experienced in business and community

187.16 state parole and probation agents and probation officers may impose community work
187.17 service or probation violation sanctions, consistent with section 243.05, subdivision 1;
187.18 sections 244.196 to 244.199; or 401.02, subdivision 5.

187.19 No intermediate sanction may be ordered performed at a location that fails to observe
187.20 applicable requirements or standards of chapter 181A or 182, or any rule promulgated under
187.21 them.

187.22 (b) For purposes of this subdivision, subdivision 6, and section 609.14, the term
187.23 "intermediate sanctions" includes but is not limited to incarceration in a local jail or
187.24 workhouse, home detention, electronic monitoring, intensive probation, sentencing to service,

187.29 (c) A court may not stay the revocation of the driver's license of a person convicted of
187.30 violating the provisions of section 169A.20.

187.31 (d) If the court orders a fine, day-fine, or restitution as an intermediate sanction, payment
187.32 is due on the date imposed unless the court otherwise establishes a due date or a payment
187.33 plan.

188.1 (e) The court may prohibit a defendant from using adult-use cannabis flower as defined
188.2 in section 342.01, subdivision 4, or adult-use cannabinoid products as defined in section
188.3 342.01, subdivision 2, if the defendant undergoes a chemical use assessment and abstinence
188.4 is consistent with a recommended level of care for the defendant in accordance with the
188.5 criteria in rules adopted by the commissioner of human services under section 254A.03,
188.6 subdivision 3. The assessment must be conducted by an assessor qualified under rules
188.7 adopted by the commissioner of human services under section 254A.03, subdivision 3. An
188.8 assessor providing a chemical use assessment may not have any direct or shared financial
188.9 interest or referral relationship resulting in shared financial gain with a treatment provider,
188.10 except as authorized under section 254A.19, subdivision 3. If an independent assessor is
188.11 not available, the probation officer may use the services of an assessor authorized to perform
188.12 assessments for the county social services agency under a variance granted under rules

189.10 controlled substance, if possession or sale of the controlled substance would be a felony
189.11 under chapter 152.

189.12 (b) The Department of Corrections Fugitive Apprehension Unit shall not seize items
189.13 listed in paragraph (a), clauses (3) and (4), for the purposes of forfeiture.

189.14 (c) Money is the property of an appropriate agency and may be seized and recovered by
189.15 the appropriate agency if:

190.1 contraband and must be seized and summarily forfeited. Controlled substances listed in
190.2 Schedule I that are seized or come into the possession of peace officers, the owners of which
190.3 are unknown, are contraband and must be summarily forfeited.

190.4 (b) Species of plants from which controlled substances in Schedules I and II may be
190.5 derived that have been planted or cultivated in violation of chapter 152 or of which the
190.6 owners or cultivators are unknown, or that are wild growths, may be seized and summarily
190.7 forfeited to the state. The appropriate agency or its authorized agent may seize the plants if
190.8 the person in occupancy or in control of land or premises where the plants are growing or

190.17 substance or intoxicating substance in individuals stopped or arrested for driving while
190.18 impaired offenses. The pilot project must determine the practicality, accuracy, and efficacy
190.19 of these testing instruments and determine and make recommendations on the best instrument
190.20 or instruments to pursue in the future.

190.21 (b) The pilot project must begin on September 1, 2023, and continue until August 31,
190.22 2024.

190.23 (c) The commissioner must consult with law enforcement officials, prosecutors, criminal
190.24 defense attorneys, and other interested and knowledgeable parties when designing,
190.25 implementing, and evaluating the pilot project.

190.26 (d) All oral fluid samples obtained for the purpose of this pilot project must be obtained
190.27 by a certified drug recognition evaluator and may only be collected with the express voluntary
190.28 consent of the person stopped or arrested for suspicion of driving while impaired. Results
190.29 of tests conducted under the pilot project are to be used for the purpose of analyzing the
190.30 practicality, accuracy, and efficacy of the instrument. Results may not be used to decide
190.31 whether an arrest should be made and are not admissible in any legal proceeding.

190.32 (e) By February 1, 2025, the commissioner must report to the chairs and ranking minority

191.11

EXPUNGEMENT

191.12 Section 1. Minnesota Statutes 2022, section 609A.01, is amended to read:

191.13 **609A.01 EXPUNGEMENT OF CRIMINAL RECORDS.**

191.14 This chapter provides the grounds and procedures for expungement of criminal records
 191.15 under section 13.82; 152.18, subdivision 1; 299C.11, where a petition is authorized under
 191.16 section 609A.02, subdivision 3; expungement is automatic under section 609A.05;
 191.17 expungement is considered by a panel under section 609A.06; or other applicable law. The
 191.18 remedy available is limited to a court order sealing the records and prohibiting the disclosure
 191.19 of their existence or their opening except under court order or statutory authority. Nothing
 191.20 in this chapter authorizes the destruction of records or their return to the subject of the
 191.21 records.

191.22 **EFFECTIVE DATE.** This section is effective August 1, 2023.

191.23 Sec. 2. Minnesota Statutes 2022, section 609A.03, subdivision 5, is amended to read:

191.24 Subd. 5. **Nature of remedy; standard.** (a) Except as otherwise provided by paragraph
 191.25 (b), expungement of a criminal record under this section is an extraordinary remedy to be
 191.26 granted only upon clear and convincing evidence that it would yield a benefit to the petitioner
 191.27 commensurate with the disadvantages to the public and public safety of:

191.28 (1) sealing the record; and

191.29 (2) burdening the court and public authorities to issue, enforce, and monitor an
 191.30 expungement order.

192.1 (b) Except as otherwise provided by this paragraph, if the petitioner is petitioning for
192.2 the sealing of a criminal record under section 609A.02, subdivision 3, paragraph (a), clause
192.3 (1) or (2), the court shall grant the petition to seal the record unless the agency or jurisdiction
192.4 whose records would be affected establishes by clear and convincing evidence that the
192.5 interests of the public and public safety outweigh the disadvantages to the petitioner of not
192.6 sealing the record.

192.7 (c) In making a determination under this subdivision, the court shall consider:

192.8 (1) the nature and severity of the underlying crime, the record of which would be sealed;

192.9 (2) the risk, if any, the petitioner poses to individuals or society;

192.10 (3) the length of time since the crime occurred;

192.11 (4) the steps taken by the petitioner toward rehabilitation following the crime;

192.12 (5) aggravating or mitigating factors relating to the underlying crime, including the
192.13 petitioner's level of participation and context and circumstances of the underlying crime;

192.14 (6) the reasons for the expungement, including the petitioner's attempts to obtain
192.15 employment, housing, or other necessities;

192.16 (7) the petitioner's criminal record;

192.17 (8) the petitioner's record of employment and community involvement;

192.18 (9) the recommendations of interested law enforcement, prosecutorial, and corrections
192.19 officials;

192.20 (10) the recommendations of victims or whether victims of the underlying crime were
192.21 minors;

192.22 (11) the amount, if any, of restitution outstanding, past efforts made by the petitioner
192.23 toward payment, and the measures in place to help ensure completion of restitution payment
192.24 after expungement of the record if granted; and

192.25 (12) other factors deemed relevant by the court.

192.26 (d) Notwithstanding section 13.82, 13.87, or any other law to the contrary, if the court
192.27 issues an expungement order it may require that the criminal record be sealed, the existence
192.28 of the record not be revealed, and the record not be opened except as required under
192.29 subdivision 7. Records must not be destroyed or returned to the subject of the record.

192.30 (e) Information relating to a criminal history record of an employee, former employee,
192.31 or tenant that has been expunged before the occurrence of the act giving rise to the civil

193.1 action may not be introduced as evidence in a civil action against a private employer or
193.2 landlord or its employees or agents that is based on the conduct of the employee, former
193.3 employee, or tenant.

193.4 **EFFECTIVE DATE.** This section is effective August 1, 2023, and applies to crimes
193.5 committed on or after that date.

193.6 Sec. 3. Minnesota Statutes 2022, section 609A.03, subdivision 9, is amended to read:

193.7 Subd. 9. **Stay of order; appeal.** An expungement order issued under this section shall
193.8 be stayed automatically for 60 days after the order is filed and, if the order is appealed,
193.9 during the appeal period. A person or an agency or jurisdiction whose records would be
193.10 affected by the order may appeal the order within 60 days of service of notice of filing of
193.11 the order. An agency or jurisdiction or its officials or employees need not file a cost bond
193.12 or supersedeas bond in order to further stay the proceedings or file an appeal.

193.13 **EFFECTIVE DATE.** This section is effective August 1, 2023.

193.14 Sec. 4. **[609A.05] AUTOMATIC EXPUNGEMENT OF CERTAIN CANNABIS**
193.15 **OFFENSES.**

193.16 Subdivision 1. **Eligibility; dismissal, exoneration, or conviction of nonfelony cannabis**
193.17 **offenses.** (a) A person is eligible for an order of expungement:

193.18 (1) upon the dismissal and discharge of proceedings against a person under section
193.19 152.18, subdivision 1, for violation of section 152.024, 152.025, or 152.027 for possession
193.20 of marijuana or tetrahydrocannabinols;

193.21 (2) if the person was convicted of or received a stayed sentence for a violation of section
193.22 152.027, subdivision 3 or 4;

193.23 (3) if the person was arrested for possession of marijuana or tetrahydrocannabinols and
193.24 all charges were dismissed prior to a determination of probable cause; or

193.25 (4) if all pending actions or proceedings involving the possession of marijuana or
193.26 tetrahydrocannabinols were resolved in favor of the person.

193.27 (b) For purposes of this section:

193.28 (1) a verdict of not guilty by reason of mental illness is not a resolution in favor of the
193.29 person; and

194.1 (2) an action or proceeding is resolved in favor of the person if the person received an
194.2 order under section 590.11 determining that the person is eligible for compensation based
194.3 on exoneration.

194.4 Subd. 2. Bureau of Criminal Apprehension to identify eligible individuals. (a) The
194.5 Bureau of Criminal Apprehension shall identify records that qualify for an order of
194.6 expungement pursuant to subdivision 1.

194.7 (b) The Bureau of Criminal Apprehension shall notify the judicial branch of:

194.8 (1) the name and date of birth of an individual whose record is eligible for an order of
194.9 expungement; and

194.10 (2) the case number of the eligible record.

194.11 (c) The Bureau of Criminal Apprehension shall grant an expungement to each qualifying
194.12 person whose records the bureau possesses and shall seal the bureau's records without
194.13 requiring an application, petition, or motion. The bureau shall seal records related to an
194.14 expungement within 60 days after the bureau sent notice of the expungement to the judicial
194.15 branch pursuant to paragraph (b) unless an order of the judicial branch prohibits sealing the
194.16 records or additional information establishes that the records are not eligible for expungement.

194.17 (d) Nonpublic criminal records maintained by the bureau and subject to a grant of
194.18 expungement relief must display a notation stating "expungement relief granted pursuant
194.19 to section 609A.05."

194.20 (e) The bureau shall inform each arresting or citing law enforcement agency with records
194.21 affected by the grant of expungement relief issued pursuant to paragraph (c) that expungement
194.22 has been granted. The bureau shall notify each arresting or citing law enforcement agency
194.23 of an expungement within 60 days after the bureau sent notice of the expungement to the
194.24 judicial branch. The bureau may notify each law enforcement agency using electronic means.
194.25 Upon receiving notification of an expungement, a law enforcement agency shall seal all
194.26 records related to the expungement, including the records of the person's arrest, indictment,
194.27 trial, verdict, and dismissal or discharge of the case.

194.28 (f) The Bureau of Criminal Apprehension shall make a reasonable and good faith effort
194.29 to notify any person whose record qualifies for an order of expungement or a grant of
194.30 expungement that the offense qualifies and notice is being sent to the judicial branch. Notice
194.31 sent pursuant to this paragraph shall inform the person that, following the order of
194.32 expungement, any records of an arrest, conviction, or incarceration should not appear on
194.33 any background check or study performed in Minnesota.

195.1 (g) On a schedule and in a manner established by the commissioner of human services,
195.2 the bureau shall send the commissioner of human services a list identifying the name and
195.3 case number or, if no case number is available, the citation number of each person who
195.4 received a grant of expungement.

195.5 (h) Data on a person whose offense has been expunged under this subdivision, including
195.6 any notice sent pursuant to paragraph (e), (f), or (g), are private data on individuals as defined
195.7 in section 13.02, subdivision 12.

195.8 **Subd. 3. Order of expungement.** (a) Upon receiving notice that an offense qualifies
195.9 for expungement, or upon entering an order dismissing charges prior to a determination of
195.10 probable cause, the court shall issue an order vacating the conviction, if any, discharging
195.11 the person from any form of supervision, dismissing the proceedings against that person,
195.12 and sealing all records relating to an arrest, indictment or information, trial, verdict, or
195.13 dismissal and discharge for an offense described in subdivision 1.

195.14 (b) Section 609A.03, subdivision 6, applies to an order issued under this section sealing
195.15 the record of proceedings under section 152.18.

195.16 (c) The limitations under section 609A.03, subdivision 7a, paragraph (b), do not apply
195.17 to an order issued under this section.

195.18 (d) The court administrator shall send a copy of an expungement order issued under this
195.19 section to each agency and jurisdiction whose records are affected by the terms of the order
195.20 and send a letter to the last known address of the person whose offense has been expunged
195.21 identifying each agency to which the order was sent.

195.22 (e) In consultation with the commissioner of human services, the court shall establish a
195.23 schedule on which the court shall provide the commissioner of human services and the
195.24 Professional Educator Licensing and Standards Board a list identifying the name and case
195.25 number or if no case number is available, the citation number of each person who received
195.26 an expungement order issued under this section.

195.27 (f) Data on the person whose offense has been expunged contained in a letter or other
195.28 notification sent under this subdivision are private data on individuals as defined in section
195.29 13.02.

195.30 **EFFECTIVE DATE.** This section is effective August 1, 2023.

196.18 (2) to determine whether a person committed an act involving the possession of cannabis
196.19 flower or cannabinoid products that would either be a lesser offense or no longer be a crime
196.20 after August 1, 2023;

196.21 (3) to determine whether a person's conviction should be vacated, charges should be
196.22 dismissed, and records should be expunged, or whether the person should be resentenced
196.23 to a lesser offense; and

198.4 possession of marijuana or tetrahydrocannabinols. All board meetings shall be open to the
198.5 public and subject to chapter 13D.

198.6 (b) Any victim of a crime being reviewed and any law enforcement agency may submit
198.7 an oral or written statement at the meeting, giving a recommendation on whether a person's

198.9 board must consider the victim's and the law enforcement agency's statement when making
198.10 the board's decision.

198.11 (c) Section 13D.05 governs the board's treatment of not public data, as defined by section

198.19 all available records to determine whether the conviction or stay of adjudication is eligible
198.20 for an expungement or resentencing to a lesser offense. An expungement under this section
198.21 is presumed to be in the public interest unless there is clear and convincing evidence that
198.22 an expungement or resentencing to a lesser offense would create a risk to public safety.

198.23 (b) If the Cannabis Expungement Board determines that an expungement is in the public
198.24 interest, the board shall determine whether a person's conviction should be vacated and
198.25 charges should be dismissed.

198.26 (c) If the Cannabis Expungement Board determines that an expungement is in the public
198.27 interest, the board shall determine whether the limitations under section 609A.03, subdivision
198.28 5a, apply.

198.29 (d) If the Cannabis Expungement Board determines that an expungement is in the public
198.30 interest, the board shall determine whether the limitations under section 609A.03, subdivision

198.34 a lesser offense.

199.1 (f) In making a determination under this subdivision, the Cannabis Expungement Board
199.2 shall consider:

199.3 (1) the nature and severity of the underlying crime, including but not limited to the total
199.4 amount of marijuana or tetrahydrocannabinols possessed by the person and whether the
199.5 offense involved a dangerous weapon, the intentional infliction of bodily harm on another,
199.6 an attempt to inflict bodily harm on another, or an act committed with the intent to cause
199.7 fear in another of immediate bodily harm or death;

199.8 (2) whether an expungement or resentencing the person a lesser offense would increase
199.9 the risk, if any, the person poses to other individuals or society;

199.10 (3) if the person is under sentence, whether an expungement or resentencing to a lesser
199.11 offense would result in the release of the person and whether release earlier than the date
199.12 that the person would be released under the sentence currently being served would present
199.13 a danger to the public or would be compatible with the welfare of society;

199.14 (4) aggravating or mitigating factors relating to the underlying crime, including the
199.15 person's level of participation and the context and circumstances of the underlying crime;

199.16 (5) statements from victims and law enforcement, if any;

199.17 (6) if an expungement or resentencing the person to a lesser offense is considered,
199.18 whether there is good cause to restore the person's right to possess firearms and ammunition;

199.19 (7) if an expungement is considered, whether an expunged record of a conviction or stay
199.20 of adjudication may be opened for purposes of a background study under section 245C.08;

199.21 (8) if an expungement is considered, whether an expunged record of a conviction or stay
199.22 of adjudication may be opened for purposes of a background check required under section
199.23 122A.18, subdivision 8; and

199.24 (9) other factors deemed relevant by the Cannabis Expungement Board.

199.25 (g) The affirmative vote of three members is required for action taken at any meeting.

199.26 **Subd. 7. Notice to judicial branch and offenders.** (a) The Cannabis Expungement
199.27 Board shall identify any conviction or stay of adjudication that qualifies for an order of

200.5 the offender's right to possess firearms and ammunition;

200.6 (6) if the person is eligible for an expungement, whether the limitations under section
200.7 609A.03, subdivision 7a, clause (4) or (5), apply; and

200.8 (7) if the person is eligible for resentencing to a lesser offense, the lesser sentence to be
200.9 imposed.

200.10 (b) The Cannabis Expungement Board shall make a reasonable and good faith effort to
200.11 notify any person whose conviction or stay of adjudication qualifies for an order of
200.12 expungement that the offense qualifies and notice is being sent to the judicial branch. Notice
200.13 sent pursuant to this paragraph shall inform the person that, following the order of
200.14 expungement, any records of an arrest, conviction, or incarceration should not appear on
200.15 any background check or study.

200.16 Subd. 8. **Data classification.** All data collected, created, received, maintained, or
200.17 disseminated by the Cannabis Expungement Board in which each victim of a crime and

200.23 indictment or information, trial, verdict, or dismissal and discharge for an offense described
200.24 in subdivision 1. If the Cannabis Expungement Board determined that the person's conviction
200.25 should be vacated and charges should be dismissed, the order shall vacate and dismiss the
200.26 charges.

200.27 (b) If the Cannabis Expungement Board determined that there is good cause to restore

200.32 under section 245C.08, the court shall direct the order specifically to the commissioner of
200.33 human services.

201.1 (d) If the Cannabis Expungement Board determined that an expunged record of a
 201.2 conviction or stay of adjudication may not be opened for purposes of a background check

218.21 cannabis testing or drug and alcohol testing on a random selection basis only if (1) they are
218.22 employed in safety-sensitive positions, or (2) they are employed as professional athletes if
218.23 the professional athlete is subject to a collective bargaining agreement permitting random
218.24 testing but only to the extent consistent with the collective bargaining agreement.

218.25 Sec. 30. Minnesota Statutes 2022, section 181.951, is amended by adding a subdivision
218.26 to read:

218.27 Subd. 8. **Limitations on cannabis testing.** (a) An employer must not request or require

218.29 or absence of cannabis as a condition of employment unless otherwise required by state or
218.30 federal law.

219.1 (b) Unless otherwise required by state or federal law, an employer must not refuse to

219.3 by this section and the results of the test indicate the presence of cannabis.

219.4 (c) An employer must not request or require an employee or job applicant to undergo
219.5 cannabis testing on an arbitrary or capricious basis.

219.6 (d) An employer may request or require an employee to undergo cannabis testing
219.7 conducted by a testing laboratory that participates in one of the programs listed in section
219.8 181.953, subdivision 1, if the employer has a reasonable suspicion that while the employee
219.9 is working or while the employee is on the employer's premises or operating the employer's
219.10 vehicle, machinery, or equipment, the employee:

219.11 (1) as the result of consuming cannabis flower or a cannabinoid product, does not possess
219.12 that clearness of intellect and control of self that the employee otherwise would have;

219.13 (2) has violated the employer's written work rules prohibiting cannabis use, possession,
219.14 impairment, sale, or transfer, provided that the work rules for cannabis and cannabis testing
219.15 are in writing and in a written policy that contains the minimum information required in
219.16 section 181.952; or

219.17 (3) has sustained a personal injury or has a caused a work-related accident as provided
219.18 in subdivision 5, clauses (3) and (4).

219.22 to read:

219.23 Subd. 9. **Cannabis testing exceptions.** For the following positions, cannabis and its
219.24 metabolites are considered a drug and subject to the drug and alcohol testing provisions in
219.25 sections 181.950 to 181.957:

219.26 (1) a safety-sensitive position, as defined in section 181.950, subdivision 13;

- 220.6 applicant or an employee;
- 220.7 (6) a position of employment funded by a federal grant; or
- 220.8 (7) any other position for which state or federal law requires testing of a job applicant
- 220.9 or an employee for cannabis.

220.10 Sec. 32. Minnesota Statutes 2022, section 181.952, is amended by adding a subdivision

220.11 to read:

220.12 Subd. 3. **Cannabis policy.** (a) Unless otherwise provided by state or federal law, an

220.13 employer is not required to permit or accommodate cannabis flower or cannabinoid product

220.14 use, possession, impairment, sale, or transfer while an employee is working or while an

220.15 employee is on the employer's premises or operating the employer's vehicle, machinery, or

220.16 equipment.

220.17 (b) An employer may only enact and enforce written work rules prohibiting cannabis

220.18 flower and cannabinoid product use, possession, impairment, sale, or transfer while an

220.19 employee is working or while an employee is on the employer's premises or operating the

220.20 employer's vehicle, machinery, or equipment in a written policy that contains the minimum

220.21 information required by this section.

220.22 Sec. 33. Minnesota Statutes 2022, section 181.953, is amended to read:

220.23 **181.953 RELIABILITY AND FAIRNESS SAFEGUARDS.**

220.24 **Subdivision 1. Use of licensed, accredited, or certified laboratory required.** (a) An

220.25 employer who requests or requires an employee or job applicant to undergo drug or alcohol

220.26 testing or cannabis testing shall use the services of a testing laboratory that meets one of

220.27 the following criteria for drug testing:

- 220.28 (1) is certified by the National Institute on Drug Abuse as meeting the mandatory
- 220.29 guidelines published at 53 Federal Register 11970 to 11989, April 11, 1988;

221.1 (2) is accredited by the College of American Pathologists, 325 Waukegan Road,
221.2 Northfield, Illinois, 60093-2750, under the forensic urine drug testing laboratory program;
221.3 or

221.4 (3) is licensed to test for drugs by the state of New York, Department of Health, under
221.5 Public Health Law, article 5, title V, and rules adopted under that law.

221.6 (b) For alcohol testing, the laboratory must either be:

221.7 (1) licensed to test for drugs and alcohol by the state of New York, Department of Health,

221.9 (2) accredited by the College of American Pathologists, 325 Waukegan Road, Northfield,
221.10 Illinois, 60093-2750, in the laboratory accreditation program.

221.11 Subd. 3. **Laboratory testing, reporting, and sample retention requirements.** A testing
221.12 laboratory that is not certified by the National Institute on Drug Abuse according to
221.13 subdivision 1 shall follow the chain-of-custody procedures prescribed for employers in
221.14 subdivision 5. A testing laboratory shall conduct a confirmatory test on all samples that
221.15 produced a positive test result on an initial screening test. A laboratory shall disclose to the
221.16 employer a written test result report for each sample tested within three working days after
221.17 a negative test result on an initial screening test or, when the initial screening test produced
221.18 a positive test result, within three working days after a confirmatory test. A test report must
221.19 indicate the drugs, alcohol, ~~or~~ drug or alcohol metabolites, or cannabis or cannabis
221.20 metabolites tested for and whether the test produced negative or positive test results. A
221.21 laboratory shall retain and properly store for at least six months all samples that produced
221.22 a positive test result.

221.23 Subd. 4. **Prohibitions on employers.** An employer may not conduct drug or alcohol
221.24 testing or cannabis testing of its own employees and job applicants using a testing laboratory
221.25 owned and operated by the employer; except that, one agency of the state may test the
221.26 employees of another agency of the state. Except as provided in subdivision 9, an employer
221.27 may not request or require an employee or job applicant to contribute to, or pay the cost of,
221.28 drug or alcohol testing or cannabis testing under sections 181.950 to 181.954.

221.29 Subd. 5. **Employer chain-of-custody procedures.** An employer shall establish its own
221.30 reliable chain-of-custody procedures to ensure proper record keeping, handling, labeling,
221.31 and identification of the samples to be tested. The procedures must require the following:

222.1 (1) possession of a sample must be traceable to the employee from whom the sample is
222.2 collected, from the time the sample is collected through the time the sample is delivered to
222.3 the laboratory;

222.4 (2) the sample must always be in the possession of, must always be in view of, or must
222.5 be placed in a secured area by a person authorized to handle the sample;

222.6 (3) a sample must be accompanied by a written chain-of-custody record; and

222.7 (4) individuals relinquishing or accepting possession of the sample must record the time
222.8 the possession of the sample was transferred and must sign and date the chain-of-custody
222.9 record at the time of transfer.

222.10 Subd. 6. **Rights of employees and job applicants.** (a) Before requesting an employee
222.11 or job applicant to undergo drug or alcohol testing or requesting cannabis testing, an employer
222.12 shall provide the employee or job applicant with a form, developed by the employer, on
222.13 which to acknowledge that the employee or job applicant has seen the employer's drug and
222.14 alcohol testing or cannabis testing policy.

222.15 (b) If an employee or job applicant tests positive for drug use, the employee must be
222.16 given written notice of the right to explain the positive test and the employer may request
222.17 that the employee or job applicant indicate any over-the-counter or prescription medication
222.18 that the individual is currently taking or has recently taken and any other information relevant
222.19 to the reliability of, or explanation for, a positive test result.

222.20 (c) Within three working days after notice of a positive test result on a confirmatory test,
222.21 the employee or job applicant may submit information to the employer, in addition to any
222.22 information already submitted under paragraph (b), to explain that result, or may request a
222.23 confirmatory retest of the original sample at the employee's or job applicant's own expense
222.24 as provided under subdivision 9.

222.25 Subd. 7. **Notice of test results.** Within three working days after receipt of a test result
222.26 report from the testing laboratory, an employer shall inform in writing an employee or job
222.27 applicant who has undergone drug or alcohol testing or cannabis testing of (1) a negative
222.28 test result on an initial screening test or of a negative or positive test result on a confirmatory
222.29 test and (2) the right provided in subdivision 8. In the case of a positive test result on a
222.30 confirmatory test, the employer shall also, at the time of this notice, inform the employee
222.31 or job applicant in writing of the rights provided in subdivisions 6, paragraph (b), 9, and
222.32 either subdivision 10 or 11, whichever applies.

223.1 Subd. 8. **Right to test result report.** An employee or job applicant has the right to
223.2 request and receive from the employer a copy of the test result report on any drug or alcohol
223.3 test or cannabis test.

223.4 Subd. 9. **Confirmatory retests.** An employee or job applicant may request a confirmatory
223.5 retest of the original sample at the employee's or job applicant's own expense after notice
223.6 of a positive test result on a confirmatory test. Within five working days after notice of the
223.7 confirmatory test result, the employee or job applicant shall notify the employer in writing
223.8 of the employee's or job applicant's intention to obtain a confirmatory retest. Within three
223.9 working days after receipt of the notice, the employer shall notify the original testing
223.10 laboratory that the employee or job applicant has requested the laboratory to conduct the
223.11 confirmatory retest or transfer the sample to another laboratory licensed under subdivision
223.12 1 to conduct the confirmatory retest. The original testing laboratory shall ensure that the
223.13 chain-of-custody procedures in subdivision 3 are followed during transfer of the sample to
223.14 the other laboratory. The confirmatory retest must use the same drug ~~or~~, alcohol, or cannabis
223.15 threshold detection levels as used in the original confirmatory test. If the confirmatory retest
223.16 does not confirm the original positive test result, no adverse personnel action based on the
223.17 original confirmatory test may be taken against the employee or job applicant.

223.18 Subd. 10. **Limitations on employee discharge, discipline, or discrimination.** (a) An
223.19 employer may not discharge, discipline, discriminate against, or request or require
223.20 rehabilitation of an employee on the basis of a positive test result from an initial screening
223.21 test that has not been verified by a confirmatory test.

223.22 (b) In addition to the limitation under paragraph (a), an employer may not discharge an
223.23 employee for whom a positive test result on a confirmatory test was the first such result for
223.24 the employee on a drug or alcohol test or cannabis test requested by the employer unless
223.25 the following conditions have been met:

223.26 (1) the employer has first given the employee an opportunity to participate in, at the
223.27 employee's own expense or pursuant to coverage under an employee benefit plan, either a
223.28 drug ~~or~~, alcohol, or cannabis counseling or rehabilitation program, whichever is more
223.29 appropriate, as determined by the employer after consultation with a certified chemical use
223.30 counselor or a physician trained in the diagnosis and treatment of substance use disorder;
223.31 and

223.32 (2) the employee has either refused to participate in the counseling or rehabilitation
223.33 program or has failed to successfully complete the program, as evidenced by withdrawal

224.1 from the program before its completion or by a positive test result on a confirmatory test
224.2 after completion of the program.

224.3 (c) Notwithstanding paragraph (a), an employer may temporarily suspend the tested
224.4 employee or transfer that employee to another position at the same rate of pay pending the
224.5 outcome of the confirmatory test and, if requested, the confirmatory retest, provided the
224.6 employer believes that it is reasonably necessary to protect the health or safety of the
224.7 employee, coemployees, or the public. An employee who has been suspended without pay
224.8 must be reinstated with back pay if the outcome of the confirmatory test or requested
224.9 confirmatory retest is negative.

224.10 (d) An employer may not discharge, discipline, discriminate against, or request or require
224.11 rehabilitation of an employee on the basis of medical history information revealed to the
224.12 employer pursuant to subdivision 6 unless the employee was under an affirmative duty to
224.13 provide the information before, upon, or after hire.

224.14 (e) An employee must be given access to information in the employee's personnel file
224.15 relating to positive test result reports and other information acquired in the drug and alcohol
224.16 testing process or cannabis testing process and conclusions drawn from and actions taken
224.17 based on the reports or other acquired information.

224.18 Subd. 10a. **Additional limitations for cannabis.** An employer may discipline, discharge,
224.19 or take other adverse personnel action against an employee for cannabis flower or
224.20 cannabinoid product use, possession, impairment, sale, or transfer while an employee is
224.21 working, on the employer's premises, or operating the employer's vehicle, machinery, or
224.22 equipment as follows:

224.23 (1) if, as the result of consuming cannabis flower or a cannabinoid product, the employee
224.24 does not possess that clearness of intellect and control of self that the employee otherwise
224.25 would have;

224.26 (2) if cannabis testing that the employer requested or required pursuant to section 181.951,
224.27 subdivision 8, paragraphs (d) and (e), verifies the presence of cannabis following a
224.28 confirmatory test;

224.29 (3) as provided in the employer's written work rules for cannabis and cannabis testing,
224.30 provided that the rules are in writing and in a written policy that contains the minimum
224.31 information required by section 181.952; or

224.32 (4) as otherwise authorized under state or federal law.

225.1 Subd. 11. **Limitation on withdrawal of job offer.** If a job applicant has received a job
225.2 offer made contingent on the applicant passing drug and alcohol testing, the employer may
225.3 not withdraw the offer based on a positive test result from an initial screening test that has
225.4 not been verified by a confirmatory test.

225.5 Sec. 34. Minnesota Statutes 2022, section 181.954, is amended to read:

225.6 **181.954 PRIVACY, CONFIDENTIALITY, AND PRIVILEGE SAFEGUARDS.**

225.7 Subdivision 1. **Privacy limitations.** A laboratory may only disclose to the employer test
225.8 result data regarding the presence or absence of drugs, alcohol, or their metabolites in a
225.9 sample tested.

225.10 Subd. 2. **Confidentiality limitations.** Test result reports and other information acquired
225.11 in the drug or alcohol testing or cannabis testing process are, with respect to private sector
225.12 employees and job applicants, private and confidential information, and, with respect to
225.13 public sector employees and job applicants, private data on individuals as that phrase is
225.14 defined in chapter 13, and may not be disclosed by an employer or laboratory to another
225.15 employer or to a third-party individual, governmental agency, or private organization without
225.16 the written consent of the employee or job applicant tested.

225.17 Subd. 3. **Exceptions to privacy and confidentiality disclosure**
225.18 **limitations.** Notwithstanding subdivisions 1 and 2, evidence of a positive test result on a
225.19 confirmatory test may be: (1) used in an arbitration proceeding pursuant to a collective
225.20 bargaining agreement, an administrative hearing under chapter 43A or other applicable state
225.21 or local law, or a judicial proceeding, provided that information is relevant to the hearing
225.22 or proceeding; (2) disclosed to any federal agency or other unit of the United States
225.23 government as required under federal law, regulation, or order, or in accordance with
225.24 compliance requirements of a federal government contract; and (3) disclosed to a substance
225.25 abuse treatment facility for the purpose of evaluation or treatment of the employee.

225.26 Subd. 4. **Privilege.** Positive test results from an employer drug or alcohol testing or
225.27 cannabis testing program may not be used as evidence in a criminal action against the
225.28 employee or job applicant tested.

225.29 Sec. 35. Minnesota Statutes 2022, section 181.955, is amended to read:

225.30 **181.955 CONSTRUCTION.**

225.31 Subdivision 1. **Freedom to collectively bargain.** Sections 181.950 to 181.954 shall not
225.32 be construed to limit the parties to a collective bargaining agreement from bargaining and

226.1 agreeing with respect to a drug and alcohol testing or a cannabis testing policy that meets
226.2 or exceeds, and does not otherwise conflict with, the minimum standards and requirements
226.3 for employee protection provided in those sections.

226.4 Subd. 2. **Employee protections under existing collective bargaining**
226.5 **agreements.** Sections 181.950 to 181.954 shall not be construed to interfere with or diminish
226.6 any employee protections relating to drug and alcohol testing or cannabis testing already
226.7 provided under collective bargaining agreements in effect on the effective date of those
226.8 sections that exceed the minimum standards and requirements for employee protection
226.9 provided in those sections.

226.10 Subd. 3. **Professional athletes.** Sections 181.950 to 181.954 shall not be construed to
226.11 interfere with the operation of a drug and alcohol testing or cannabis testing program if:

226.12 (1) the drug and alcohol testing program is permitted under a contract between the
226.13 employer and employees; and

226.14 (2) the covered employees are employed as professional athletes.

226.15 Upon request of the commissioner of labor and industry, the exclusive representative
226.16 of the employees and the employer shall certify to the commissioner of labor and industry
226.17 that the drug and alcohol testing or cannabis testing program permitted under the contract
226.18 should operate without interference from the sections specified in this subdivision. This
226.19 subdivision must not be construed to create an exemption from controlled substance crimes
226.20 in chapter 152.

226.21 Sec. 36. Minnesota Statutes 2022, section 181.957, subdivision 1, is amended to read:

226.22 Subdivision 1. **Excluded employees and job applicants.** Except as provided under
226.23 subdivision 2, the employee and job applicant protections provided under sections 181.950
226.24 to 181.956 do not apply to employees and job applicants where the specific work performed
226.25 requires those employees and job applicants to be subject to drug and alcohol testing or
226.26 cannabis testing pursuant to:

226.27 (1) federal regulations that specifically preempt state regulation of drug and alcohol
226.28 testing or cannabis testing with respect to those employees and job applicants;

226.29 (2) federal regulations or requirements necessary to operate federally regulated facilities;

226.30 (3) federal contracts where the drug and alcohol testing or cannabis testing is conducted
226.31 for security, safety, or protection of sensitive or proprietary data; or

227.1 (4) state agency rules that adopt federal regulations applicable to the interstate component
227.2 of a federally regulated industry, and the adoption of those rules is for the purpose of
227.3 conforming the nonfederally regulated intrastate component of the industry to identical
227.4 regulation.

227.5 Sec. 37. Minnesota Statutes 2022, section 245C.08, subdivision 1, is amended to read:

227.6 Subdivision 1. **Background studies conducted by Department of Human Services.** (a)

227.7 For a background study conducted by the Department of Human Services, the commissioner
227.8 shall review:

227.9 (1) information related to names of substantiated perpetrators of maltreatment of
227.10 vulnerable adults that has been received by the commissioner as required under section
227.11 626.557, subdivision 9c, paragraph (j);

227.12 (2) the commissioner's records relating to the maltreatment of minors in licensed
227.13 programs, and from findings of maltreatment of minors as indicated through the social
227.14 service information system;

227.15 (3) information from juvenile courts as required in subdivision 4 for individuals listed
227.16 in section 245C.03, subdivision 1, paragraph (a), when there is reasonable cause;

227.17 (4) information from the Bureau of Criminal Apprehension, including information
227.18 regarding a background study subject's registration in Minnesota as a predatory offender
227.19 under section 243.166;

227.20 (5) except as provided in clause (6), information received as a result of submission of
227.21 fingerprints for a national criminal history record check, as defined in section 245C.02,
227.22 subdivision 13c, when the commissioner has reasonable cause for a national criminal history
227.23 record check as defined under section 245C.02, subdivision 15a, or as required under section
227.24 144.057, subdivision 1, clause (2);

227.25 (6) for a background study related to a child foster family setting application for licensure,
227.26 foster residence settings, children's residential facilities, a transfer of permanent legal and
227.27 physical custody of a child under sections 260C.503 to 260C.515, or adoptions, and for a
227.28 background study required for family child care, certified license-exempt child care, child
227.29 care centers, and legal nonlicensed child care authorized under chapter 119B, the
227.30 commissioner shall also review:

227.31 (i) information from the child abuse and neglect registry for any state in which the
227.32 background study subject has resided for the past five years;

228.1 (ii) when the background study subject is 18 years of age or older, or a minor under
228.2 section 245C.05, subdivision 5a, paragraph (c), information received following submission
228.3 of fingerprints for a national criminal history record check; and

228.4 (iii) when the background study subject is 18 years of age or older or a minor under
228.5 section 245C.05, subdivision 5a, paragraph (d), for licensed family child care, certified
228.6 license-exempt child care, licensed child care centers, and legal nonlicensed child care
228.7 authorized under chapter 119B, information obtained using non-fingerprint-based data
228.8 including information from the criminal and sex offender registries for any state in which
228.9 the background study subject resided for the past five years and information from the national
228.10 crime information database and the national sex offender registry; and

228.11 (7) for a background study required for family child care, certified license-exempt child
228.12 care centers, licensed child care centers, and legal nonlicensed child care authorized under
228.13 chapter 119B, the background study shall also include, to the extent practicable, a name
228.14 and date-of-birth search of the National Sex Offender Public website.

228.15 (b) Except as otherwise provided in this paragraph, notwithstanding expungement by a
228.16 court, the commissioner may consider information obtained under paragraph (a), clauses
228.17 (3) and (4), unless the commissioner received notice of the petition for expungement and
228.18 the court order for expungement is directed specifically to the commissioner. The
228.19 commissioner may not consider information obtained under paragraph (a), clauses (3) and
228.20 (4), or from any other source that identifies a violation of chapter 152 without determining
228.21 if the offense involved the possession of marijuana or tetrahydrocannabinol and, if so,
228.22 whether the person received a grant of expungement or order of expungement, or the person
228.23 was resentenced to a lesser offense. If the person received a grant of expungement or order
228.24 of expungement, the commissioner may not consider information related to that violation
228.25 but may consider any other relevant information arising out of the same incident.

228.26 (c) The commissioner shall also review criminal case information received according
228.27 to section 245C.04, subdivision 4a, from the Minnesota court information system that relates
228.28 to individuals who have already been studied under this chapter and who remain affiliated
228.29 with the agency that initiated the background study.

228.30 (d) When the commissioner has reasonable cause to believe that the identity of a
228.31 background study subject is uncertain, the commissioner may require the subject to provide
228.32 a set of classifiable fingerprints for purposes of completing a fingerprint-based record check
228.33 with the Bureau of Criminal Apprehension. Fingerprints collected under this paragraph

229.1 shall not be saved by the commissioner after they have been used to verify the identity of

231.1 (b) For the purposes of this subdivision, "drug offense" means a conviction that occurred
 231.2 after July 1, 1997, of sections 152.021 to 152.025, 152.0261, 152.0262, or 152.096. Drug
 231.3 offense also means a conviction in another jurisdiction of the possession, use, or distribution
 231.4 of a controlled substance, or conspiracy to commit any of these offenses, if the offense
 231.5 occurred after July 1, 1997, and the conviction is ~~a felony offense in that jurisdiction, or in~~
 231.6 ~~the case of New Jersey, a high misdemeanor~~ for a crime that would be a felony if committed
 231.7 in Minnesota.

231.8 Sec. 41. Minnesota Statutes 2022, section 256D.024, subdivision 3, is amended to read:

231.9 Subd. 3. **Fleeing felons.** An individual who is fleeing to avoid prosecution, or custody,

 231.19 utilities during any time the applicant is part of the assistance unit.

231.20 (2) The convicted applicant or participant shall be subject to random drug testing as a
 231.21 condition of continued eligibility and following any positive test for an illegal controlled
 231.22 substance under chapter 152 is subject to the following sanctions:

231.23 (i) for failing a drug test the first time, the residual amount of the participant's grant after
 231.24 making vendor payments for shelter and utility costs, if any, must be reduced by an amount
 231.25 equal to 30 percent of the MFIP standard of need for an assistance unit of the same size.

231.26 When a sanction under this subdivision is in effect, the job counselor must attempt to meet
 231.27 with the person face-to-face. During the face-to-face meeting, the job counselor must explain
 231.28 the consequences of a subsequent drug test failure and inform the participant of the right to
 231.29 appeal the sanction under section 256J.40. If a face-to-face meeting is not possible, the
 231.30 county agency must send the participant a notice of adverse action as provided in section

232.3 grant must be reduced by the amount which would have otherwise been made available to

232.5 ineligible for the Supplemental Nutrition Assistance Program (SNAP). Before a
232.6 disqualification under this provision is imposed, the job counselor must attempt to meet
232.7 with the participant face-to-face. During the face-to-face meeting, the job counselor must
232.8 identify other resources that may be available to the participant to meet the needs of the

232.12 include the information required in the face-to-face meeting.

232.15 noncompliance and is subject to the applicable level of sanction as specified under section
232.16 256J.46, subdivision 1, paragraph (d).

232.17 (b) Applicants requesting only SNAP benefits or participants receiving only SNAP
232.18 benefits, who have been convicted of a drug offense that occurred after July 1, 1997, except
232.19 for convictions related to cannabis, marijuana, or tetrahydrocannabinols, may, if otherwise
232.20 eligible, receive SNAP benefits if the convicted applicant or participant is subject to random
232.21 drug testing as a condition of continued eligibility. Following a positive test for an illegal
232.22 controlled substance under chapter 152, the applicant is subject to the following sanctions:

232.23 (1) for failing a drug test the first time, SNAP benefits shall be reduced by an amount
232.24 equal to 30 percent of the applicable SNAP benefit allotment. When a sanction under this
232.25 clause is in effect, a job counselor must attempt to meet with the person face-to-face. During
232.26 the face-to-face meeting, a job counselor must explain the consequences of a subsequent
232.27 drug test failure and inform the participant of the right to appeal the sanction under section
232.28 256J.40. If a face-to-face meeting is not possible, a county agency must send the participant
232.29 a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must
232.30 include the information required in the face-to-face meeting; and

232.31 (2) for failing a drug test two times, the participant is permanently disqualified from
232.32 receiving SNAP benefits. Before a disqualification under this provision is imposed, a job
232.33 counselor must attempt to meet with the participant face-to-face. During the face-to-face
232.34 meeting, the job counselor must identify other resources that may be available to the
232.35 participant to meet the needs of the family and inform the participant of the right to appeal

233.1 the disqualification under section 256J.40. If a face-to-face meeting is not possible, a county
 233.2 agency must send the participant a notice of adverse action as provided in section 256J.31,

239.31 committed by the individual who is the subject of the certificate.

239.32 The prohibition in this subdivision relating to the possession of firearms other than
239.33 pistols and semiautomatic military-style assault weapons does not apply retroactively to

240.1 persons who are prohibited from possessing a pistol or semiautomatic military-style assault

240.5 (2), applies only to offenders who are discharged from sentence or court supervision for a
240.6 crime of violence on or after August 1, 1993.

240.7 Participation as a patient in the registry program or use of adult-use cannabis flower or
240.8 adult-use cannabinoid products by a person 21 years of age or older does not disqualify the

240.14 date of receipt of the application packet described in subdivision 3:

240.15 (1) issue the permit to carry;

240.16 (2) deny the application for a permit to carry solely on the grounds that the applicant
240.17 failed to qualify under the criteria described in subdivision 2, paragraph (b); or

240.18 (3) deny the application on the grounds that there exists a substantial likelihood that the
240.19 applicant is a danger to self or the public if authorized to carry a pistol under a permit.

240.20 (b) Failure of the sheriff to notify the applicant of the denial of the application within
240.21 30 days after the date of receipt of the application packet constitutes issuance of the permit
240.22 to carry and the sheriff must promptly fulfill the requirements under paragraph (c). To deny
240.23 the application, the sheriff must provide the applicant with written notification and the
240.24 specific factual basis justifying the denial under paragraph (a), clause (2) or (3), including
240.25 the source of the factual basis. The sheriff must inform the applicant of the applicant's right
240.26 to submit, within 20 business days, any additional documentation relating to the propriety
240.27 of the denial. Upon receiving any additional documentation, the sheriff must reconsider the
240.28 denial and inform the applicant within 15 business days of the result of the reconsideration.
240.29 Any denial after reconsideration must be in the same form and substance as the original
240.30 denial and must specifically address any continued deficiencies in light of the additional
240.31 documentation submitted by the applicant. The applicant must be informed of the right to
240.32 seek de novo review of the denial as provided in subdivision 12.

241.1 (c) Upon issuing a permit to carry, the sheriff must provide a laminated permit card to
 241.2 the applicant by first class mail unless personal delivery has been made. Within five business
 241.3 days, the sheriff must submit the information specified in subdivision 7, paragraph (a), to
 241.4 the commissioner for inclusion solely in the database required under subdivision 15,
 241.5 paragraph (a). The sheriff must transmit the information in a manner and format prescribed
 241.6 by the commissioner.

241.7 (d) Within five business days of learning that a permit to carry has been suspended or
 241.8 revoked, the sheriff must submit information to the commissioner regarding the suspension
 241.9 or revocation for inclusion solely in the databases required or permitted under subdivision
 241.10 15.

241.11 (e) Notwithstanding paragraphs (a) and (b), the sheriff may suspend the application
 241.12 process if a charge is pending against the applicant that, if resulting in conviction, will
 241.13 prohibit the applicant from possessing a firearm.

241.14 (f) A sheriff shall not deny an application for a permit to carry solely because the applicant
 241.15 is a patient enrolled in the registry program and uses medical cannabis flower or medical
 241.16 cannabinoid products for a qualifying medical condition or because the person is 21 years
 241.17 of age or older and uses adult-use cannabis flower or adult-use cannabinoid products.

241.18 Sec. 57. Minnesota Statutes 2022, section 624.7142, subdivision 1, is amended to read:

 241.24 elements named in clauses (1) and (4);

 241.26 section 169A.03, subdivision 11a, and the person knows or has reason to know that the
 241.27 substance has the capacity to cause impairment;

241.28 (4) when the person is under the influence of alcohol;

241.29 (5) when the person's alcohol concentration is 0.10 or more; ~~or~~

241.30 (6) when the person's alcohol concentration is less than 0.10, but more than 0.04; or

241.31 (7) when the person is enrolled as a patient in the registry program, uses medical cannabis
 241.32 flower or medical cannabinoid products, and knows or has reason to know that the medical

242.13 must meet the statewide standards adopted by the commissioner. Notwithstanding the
242.14 previous sentence, neither failure of the Department of Public Safety to adopt standards nor
242.15 failure of the police chief or county sheriff to meet them shall delay the timely processing
242.16 of applications nor invalidate permits issued on other forms meeting the requirements of
242.17 sections 624.7131 to 624.714.

242.18 Any form used for the purpose of approving or disapproving a person from purchasing,
242.19 owning, possessing, or carrying a firearm that inquires about the applicant's use of controlled
242.20 substances shall specifically authorize a patient in the registry program to refrain from
242.21 reporting the use of medical cannabis flower and medical cannabinoid products and shall
242.22 specifically authorize a person 21 years of age or older from refraining from reporting the

 243.2 the identities of patients in the registry program to obtain information for the purpose of
 243.3 approving or disapproving a person from purchasing, owning, possessing, or carrying a
 243.4 firearm.

243.5 (e) A state or local agency may not inquire about a person's status as a patient in the

248.5 that page contains all of the information required by this subdivision.

248.6 (d) The label must also include a statement stating that the product does not claim to
248.7 diagnose, treat, cure, or prevent any disease and has not been evaluated or approved by the

152.23 LIMITATIONS.

(a) Nothing in sections 152.22 to 152.37 permits any person to engage in and does not prevent the imposition of any civil, criminal, or other penalties for:

- (1) undertaking any task under the influence of medical cannabis that would constitute negligence or professional malpractice;
- (2) possessing or engaging in the use of medical cannabis:
 - (i) on a school bus or van;

(b) Nothing in sections 152.22 to 152.37 require the medical assistance and MinnesotaCare programs to reimburse an enrollee or a provider for costs associated with the medical use of cannabis. Medical assistance and MinnesotaCare shall continue to provide coverage for all services related to treatment of an enrollee's qualifying medical condition if the service is covered under chapter 256B or 256L.

152.24 FEDERALLY APPROVED CLINICAL TRIALS.

The commissioner may prohibit enrollment of a patient in the registry program if the patient is simultaneously enrolled in a federally approved clinical trial for the treatment of a qualifying medical condition with medical cannabis. The commissioner shall provide information to all patients enrolled in the registry program on the existence of federally approved clinical trials for the treatment of the patient's qualifying medical condition with medical cannabis as an alternative to enrollment in the patient registry program.

152.25 COMMISSIONER DUTIES.

Subdivision 1. **Medical cannabis manufacturer registration.** (a) The commissioner shall register two in-state manufacturers for the production of all medical cannabis within the state. A registration agreement between the commissioner and a manufacturer is nontransferable. The commissioner shall register new manufacturers or reregister the existing manufacturers by December

APPENDIX
Repealed Minnesota Statutes: S0073-8

1 every two years, using the factors described in this subdivision. The commissioner shall accept applications after December 1, 2014, if one of the manufacturers registered before December 1, 2014, ceases to be registered as a manufacturer. The commissioner's determination that no manufacturer exists to fulfill the duties under sections 152.22 to 152.37 is subject to judicial review in Ramsey County District Court. Data submitted during the application process are private data on individuals or nonpublic data as defined in section 13.02 until the manufacturer is registered under this section. Data on a manufacturer that is registered are public data, unless the data are trade secret or security information under section 13.37.

(b) As a condition for registration, a manufacturer must agree to:

- (1) begin supplying medical cannabis to patients by July 1, 2015; and
- (2) comply with all requirements under sections 152.22 to 152.37.

(c) The commissioner shall consider the following factors when determining which manufacturer to register:

- (1) the technical expertise of the manufacturer in cultivating medical cannabis and converting the medical cannabis into an acceptable delivery method under section 152.22, subdivision 6;
- (2) the qualifications of the manufacturer's employees;
- (3) the long-term financial stability of the manufacturer;
- (4) the ability to provide appropriate security measures on the premises of the manufacturer;
- (5) whether the manufacturer has demonstrated an ability to meet the medical cannabis production needs required by sections 152.22 to 152.37; and
- (6) the manufacturer's projection and ongoing assessment of fees on patients with a qualifying medical condition.

(d) If an officer, director, or controlling person of the manufacturer pleads or is found guilty of intentionally diverting medical cannabis to a person other than allowed by law under section 152.33, subdivision 1, the commissioner may decide not to renew the registration of the manufacturer, provided the violation occurred while the person was an officer, director, or controlling person of the manufacturer.

(e) The commissioner shall require each medical cannabis manufacturer to contract with an independent laboratory to test medical cannabis produced by the manufacturer. The commissioner shall approve the laboratory chosen by each manufacturer and require that the laboratory report testing results to the manufacturer in a manner determined by the commissioner.

Subd. 1a. Revocation or nonrenewal of a medical cannabis manufacturer registration. If the commissioner intends to revoke or not renew a registration issued under this section, the commissioner must first notify in writing the manufacturer against whom the action is to be taken and provide the manufacturer with an opportunity to request a hearing under the contested case provisions of chapter 14. If the manufacturer does not request a hearing by notifying the commissioner in writing within 20 days after receipt of the notice of proposed action, the commissioner may proceed with the action without a hearing. For revocations, the registration of a manufacturer is considered revoked on the date specified in the commissioner's written notice of revocation.

Subd. 1b. Temporary suspension proceedings. The commissioner may institute proceedings to temporarily suspend the registration of a medical cannabis manufacturer for a period of up to 90 days by notifying the manufacturer in writing if any action by an employee, agent, officer, director, or controlling person of the manufacturer:

- (1) violates any of the requirements of sections 152.21 to 152.37 or the rules adopted thereunder;
- (2) permits, aids, or abets the commission of any violation of state law at the manufacturer's location for cultivation, harvesting, manufacturing, packaging, and processing or at any site for distribution of medical cannabis;
- (3) performs any act contrary to the welfare of a registered patient or registered designated caregiver; or
- (4) obtains, or attempts to obtain, a registration by fraudulent means or misrepresentation.

APPENDIX
Repealed Minnesota Statutes: S0073-8

Subd. 1c. **Notice to patients.** Upon the revocation or nonrenewal of a manufacturer's registration under subdivision 1a or implementation of an enforcement action under subdivision 1b that may affect the ability of a registered patient, registered designated caregiver, or a registered patient's parent, legal guardian, or spouse to obtain medical cannabis from the manufacturer subject to the enforcement action, the commissioner shall notify in writing each registered patient and the patient's registered designated caregiver or registered patient's parent, legal guardian, or spouse about the outcome of the proceeding and information regarding alternative registered manufacturers. This notice must be provided two or more business days prior to the effective date of the revocation, nonrenewal, or other enforcement action.

Subd. 2. **Range of compounds and dosages; report.** The commissioner shall review and publicly report the existing medical and scientific literature regarding the range of recommended dosages for each qualifying condition and the range of chemical compositions of any plant of the genus cannabis that will likely be medically beneficial for each of the qualifying medical conditions. The commissioner shall make this information available to patients with qualifying medical conditions beginning December 1, 2014, and update the information annually. The commissioner may consult with the independent laboratory under contract with the manufacturer or other experts in reporting the range of recommended dosages for each qualifying medical condition, the range of chemical compositions that will likely be medically beneficial, and any risks of noncannabis drug interactions. The commissioner shall consult with each manufacturer on an annual basis on medical cannabis offered by the manufacturer. The list of medical cannabis offered by a manufacturer shall be published on the Department of Health website.

Subd. 3. **Deadlines.** The commissioner shall adopt rules necessary for the manufacturer to begin distribution of medical cannabis to patients under the registry program by July 1, 2015, and have notice of proposed rules published in the State Register prior to January 1, 2015.

Subd. 4. **Reports.** (a) The commissioner shall provide regular updates to the task force on medical cannabis therapeutic research and to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services, public safety, judiciary, and civil law regarding: (1) any changes in federal law or regulatory restrictions regarding the use of medical cannabis or hemp; and (2) the market demand and supply in this state for products made from hemp that can be used for medicinal purposes.

(b) The commissioner may submit medical research based on the data collected under sections 152.22 to 152.37 to any federal agency with regulatory or enforcement authority over medical cannabis to demonstrate the effectiveness of medical cannabis for treating a qualifying medical condition.

152.26 RULEMAKING.

(a) The commissioner may adopt rules to implement sections 152.22 to 152.37. Rules for which notice is published in the State Register before January 1, 2015, may be adopted using the process in section 14.389.

(b) The commissioner may adopt or amend rules, using the procedure in section 14.386, paragraph (a), to implement the addition of dried raw cannabis as an allowable form of medical cannabis under section 152.22, subdivision 6, paragraph (a), clause (4). Section 14.386, paragraph (b), does not apply to these rules.

152.261 RULES; ADVERSE INCIDENTS.

(a) The commissioner of health shall adopt rules to establish requirements for reporting incidents when individuals who are not authorized to possess medical cannabis under sections 152.22 to 152.37 are found in possession of medical cannabis. The rules must identify professionals required to report, the information they are required to report, and actions the reporter must take to secure the medical cannabis.

(b) The commissioner of health shall adopt rules to establish requirements for law enforcement officials and health care professionals to report incidents involving an overdose of medical cannabis to the commissioner of health.

(c) Rules must include the method by which the commissioner will collect and tabulate reports of unauthorized possession and overdose.

152.27 PATIENT REGISTRY PROGRAM ESTABLISHED.

Subdivision 1. **Patient registry program; establishment.** (a) The commissioner shall establish a patient registry program to evaluate data on patient demographics, effective treatment options,

APPENDIX
Repealed Minnesota Statutes: S0073-8

clinical outcomes, and quality-of-life outcomes for the purpose of reporting on the benefits, risks, and outcomes regarding patients with a qualifying medical condition engaged in the therapeutic use of medical cannabis.

(b) The establishment of the registry program shall not be construed or interpreted to condone or promote the illicit recreational use of marijuana.

Subd. 2. **Commissioner duties.** (a) The commissioner shall:

(1) give notice of the program to health care practitioners in the state who are eligible to serve as health care practitioners and explain the purposes and requirements of the program;

(2) allow each health care practitioner who meets or agrees to meet the program's requirements and who requests to participate, to be included in the registry program to collect data for the patient registry;

(3) provide explanatory information and assistance to each health care practitioner in understanding the nature of therapeutic use of medical cannabis within program requirements;

(4) create and provide a certification to be used by a health care practitioner for the practitioner to certify whether a patient has been diagnosed with a qualifying medical condition and include in the certification an option for the practitioner to certify whether the patient, in the health care practitioner's medical opinion, is developmentally or physically disabled and, as a result of that disability, the patient requires assistance in administering medical cannabis or obtaining medical cannabis from a distribution facility;

(5) supervise the participation of the health care practitioner in conducting patient treatment and health records reporting in a manner that ensures stringent security and record-keeping requirements and that prevents the unauthorized release of private data on individuals as defined by section 13.02;

(6) develop safety criteria for patients with a qualifying medical condition as a requirement of the patient's participation in the program, to prevent the patient from undertaking any task under the influence of medical cannabis that would constitute negligence or professional malpractice on the part of the patient; and

(7) conduct research and studies based on data from health records submitted to the registry program and submit reports on intermediate or final research results to the legislature and major scientific journals. The commissioner may contract with a third party to complete the requirements of this clause. Any reports submitted must comply with section 152.28, subdivision 2.

(b) The commissioner may add a delivery method under section 152.22, subdivision 6, or add, remove, or modify a qualifying medical condition under section 152.22, subdivision 14, upon a petition from a member of the public or the task force on medical cannabis therapeutic research or as directed by law. The commissioner shall evaluate all petitions to add a qualifying medical condition or to remove or modify an existing qualifying medical condition submitted by the task force on medical cannabis therapeutic research or as directed by law and may make the addition, removal, or modification if the commissioner determines the addition, removal, or modification is warranted based on the best available evidence and research. If the commissioner wishes to add a delivery method under section 152.22, subdivision 6, or add or remove a qualifying medical condition under section 152.22, subdivision 14, the commissioner must notify the chairs and ranking minority members of the legislative policy committees having jurisdiction over health and public safety of the addition or removal and the reasons for its addition or removal, including any written comments received by the commissioner from the public and any guidance received from the task force on medical cannabis research, by January 15 of the year in which the commissioner wishes to make the change. The change shall be effective on August 1 of that year, unless the legislature by law provides otherwise.

Subd. 3. **Patient application.** (a) The commissioner shall develop a patient application for enrollment into the registry program. The application shall be available to the patient and given to health care practitioners in the state who are eligible to serve as health care practitioners. The application must include:

(1) the name, mailing address, and date of birth of the patient;

(2) the name, mailing address, and telephone number of the patient's health care practitioner;

APPENDIX
Repealed Minnesota Statutes: S0073-8

(3) the name, mailing address, and date of birth of the patient's designated caregiver, if any, or the patient's parent, legal guardian, or spouse if the parent, legal guardian, or spouse will be acting as a caregiver;

(4) a copy of the certification from the patient's health care practitioner that is dated within 90 days prior to submitting the application that certifies that the patient has been diagnosed with a qualifying medical condition; and

(5) all other signed affidavits and enrollment forms required by the commissioner under sections 152.22 to 152.37, including, but not limited to, the disclosure form required under paragraph (c).

(b) The commissioner shall require a patient to resubmit a copy of the certification from the patient's health care practitioner on a yearly basis and shall require that the recertification be dated within 90 days of submission.

(c) The commissioner shall develop a disclosure form and require, as a condition of enrollment, all patients to sign a copy of the disclosure. The disclosure must include:

(1) a statement that, notwithstanding any law to the contrary, the commissioner, or an employee of any state agency, may not be held civilly or criminally liable for any injury, loss of property, personal injury, or death caused by any act or omission while acting within the scope of office or employment under sections 152.22 to 152.37; and

(2) the patient's acknowledgment that enrollment in the patient registry program is conditional on the patient's agreement to meet all of the requirements of sections 152.22 to 152.37.

Subd. 4. Registered designated caregiver. (a) The commissioner shall register a designated caregiver for a patient if the patient requires assistance in administering medical cannabis or obtaining medical cannabis from a distribution facility and the caregiver has agreed, in writing, to be the patient's designated caregiver. As a condition of registration as a designated caregiver, the commissioner shall require the person to:

(1) be at least 18 years of age;

(2) agree to only possess the patient's medical cannabis for purposes of assisting the patient; and

(3) agree that if the application is approved, the person will not be a registered designated caregiver for more than six registered patients at one time. Patients who reside in the same residence shall count as one patient.

(b) The commissioner shall conduct a criminal background check on the designated caregiver prior to registration to ensure that the person does not have a conviction for a disqualifying felony offense. Any cost of the background check shall be paid by the person seeking registration as a designated caregiver. A designated caregiver must have the criminal background check renewed every two years.

(c) Nothing in sections 152.22 to 152.37 shall be construed to prevent a person registered as a designated caregiver from also being enrolled in the registry program as a patient and possessing and using medical cannabis as a patient.

Subd. 5. Parents, legal guardians, and spouses. A parent, legal guardian, or spouse of a patient may act as the caregiver to the patient without having to register as a designated caregiver. The parent, legal guardian, or spouse shall follow all of the requirements of parents, legal guardians, and spouses listed in sections 152.22 to 152.37. Nothing in sections 152.22 to 152.37 limits any legal authority a parent, legal guardian, or spouse may have for the patient under any other law.

Subd. 6. Patient enrollment. (a) After receipt of a patient's application, application fees, and signed disclosure, the commissioner shall enroll the patient in the registry program and issue the patient and patient's registered designated caregiver or parent, legal guardian, or spouse, if applicable, a registry verification. The commissioner shall approve or deny a patient's application for participation in the registry program within 30 days after the commissioner receives the patient's application and application fee. The commissioner may approve applications up to 60 days after the receipt of a patient's application and application fees until January 1, 2016. A patient's enrollment in the registry program shall only be denied if the patient:

(1) does not have certification from a health care practitioner that the patient has been diagnosed with a qualifying medical condition;

APPENDIX
Repealed Minnesota Statutes: S0073-8

(2) has not signed and returned the disclosure form required under subdivision 3, paragraph (c), to the commissioner;

(3) does not provide the information required;

(4) has previously been removed from the registry program for violations of section 152.30 or 152.33; or

(5) provides false information.

(b) The commissioner shall give written notice to a patient of the reason for denying enrollment in the registry program.

(c) Denial of enrollment into the registry program is considered a final decision of the commissioner and is subject to judicial review under the Administrative Procedure Act pursuant to chapter 14.

(d) A patient's enrollment in the registry program may only be revoked upon the death of the patient or if a patient violates a requirement under section 152.30 or 152.33.

(e) The commissioner shall develop a registry verification to provide to the patient, the health care practitioner identified in the patient's application, and to the manufacturer. The registry verification shall include:

(1) the patient's name and date of birth;

(2) the patient registry number assigned to the patient; and

(3) the name and date of birth of the patient's registered designated caregiver, if any, or the name of the patient's parent, legal guardian, or spouse if the parent, legal guardian, or spouse will be acting as a caregiver.

Subd. 7. **Notice requirements.** Patients and registered designated caregivers shall notify the commissioner of any address or name change within 30 days of the change having occurred. A patient or registered designated caregiver is subject to a \$100 fine for failure to notify the commissioner of the change.

Subdivision 1. **Health care practitioner duties.** (a) Prior to a patient's enrollment in the registry program, a health care practitioner shall:

(2) advise patients, registered designated caregivers, and parents, legal guardians, or spouses who are acting as caregivers of the existence of any nonprofit patient support groups or organizations;

(3) provide explanatory information from the commissioner to patients with qualifying medical conditions, including disclosure to all patients about the experimental nature of therapeutic use of medical cannabis; the possible risks, benefits, and side effects of the proposed treatment; the application and other materials from the commissioner; and provide patients with the Tennessee warning as required by section 13.04, subdivision 2; and

(4) agree to continue treatment of the patient's qualifying medical condition and report medical findings to the commissioner.

(b) Upon notification from the commissioner of the patient's enrollment in the registry program, the health care practitioner shall:

(2) report health records of the patient throughout the ongoing treatment of the patient to the commissioner in a manner determined by the commissioner and in accordance with subdivision 2;

(3) determine, on a yearly basis, if the patient continues to suffer from a qualifying medical condition and, if so, issue the patient a new certification of that diagnosis; and

(4) otherwise comply with all requirements developed by the commissioner.

APPENDIX
Repealed Minnesota Statutes: S0073-8

(c) A health care practitioner may conduct a patient assessment to issue a recertification as required under paragraph (b), clause (3), via telehealth, as defined in section 62A.673, subdivision 2.

(d) Nothing in this section requires a health care practitioner to participate in the registry program.

Subd. 2. **Data.** Data collected on patients by a health care practitioner and reported to the patient registry are health records under section 144.291, and are private data on individuals under section 13.02, but may be used or reported in an aggregated, nonidentifiable form as part of a scientific, peer-reviewed publication of research conducted under section 152.25 or in the creation of summary data, as defined in section 13.02, subdivision 19.

(3) states or implies the health care practitioner is endorsed by the Department of Health or by the medical cannabis registry program;

(4) includes images of cannabis in its plant or leaf form or of cannabis-smoking paraphernalia; or

(5) contains medical symbols that could reasonably be confused with symbols of established medical associations or groups.

(b) A health care practitioner found by the commissioner to have violated this subdivision is prohibited from certifying that patients have a qualifying medical condition for purposes of patient participation in the registry program. The commissioner's decision that a health care practitioner has violated this subdivision is a final decision of the commissioner and is not subject to the contested case procedures in chapter 14.

152.29 MANUFACTURER OF MEDICAL CANNABIS DUTIES.

Subdivision 1. **Manufacturer; requirements.** (a) A manufacturer may operate eight distribution facilities, which may include the manufacturer's single location for cultivation, harvesting, manufacturing, packaging, and processing but is not required to include that location. The commissioner shall designate the geographical service areas to be served by each manufacturer based on geographical need throughout the state to improve patient access. A manufacturer shall not have more than two distribution facilities in each geographical service area assigned to the manufacturer by the commissioner. A manufacturer shall operate only one location where all cultivation, harvesting, manufacturing, packaging, and processing of medical cannabis shall be conducted. This location may be one of the manufacturer's distribution facility sites. The additional distribution facilities may dispense medical cannabis and medical cannabis products but may not contain any medical cannabis in a form other than those forms allowed under section 152.22, subdivision 6, and the manufacturer shall not conduct any cultivation, harvesting, manufacturing, packaging, or processing at the other distribution facility sites. Any distribution facility operated by the manufacturer is subject to all of the requirements applying to the manufacturer under sections 152.22 to 152.37, including, but not limited to, security and distribution requirements.

(b) A manufacturer may acquire hemp grown in this state from a hemp grower, and may acquire hemp products produced by a hemp processor. A manufacturer may manufacture or process hemp and hemp products into an allowable form of medical cannabis under section 152.22, subdivision 6. (c) A medical cannabis manufacturer shall contract with a laboratory approved by the commissioner, subject to any additional requirements set by the commissioner, for purposes of testing medical cannabis manufactured or hemp or hemp products acquired by the medical cannabis manufacturer as to content, contamination, and consistency to verify the medical cannabis meets the requirements of section 152.22, subdivision 6. The cost of laboratory testing shall be paid by the manufacturer.

(d) The operating documents of a manufacturer must include:

APPENDIX
Repealed Minnesota Statutes: S0073-8

An employee of a medical cannabis manufacturer must submit a completed criminal history records check consent form, a full set of classifiable fingerprints, and the required fees for submission to the Bureau of Criminal Apprehension before an employee may begin working with the manufacturer. The bureau must conduct a Minnesota criminal history records check and the superintendent is authorized to exchange the fingerprints with the Federal Bureau of Investigation to obtain the applicant's national criminal history record information. The bureau shall return the results of the Minnesota and federal criminal history records checks to the commissioner.

(k) A manufacturer may not operate in any location, whether for distribution or cultivation, harvesting, manufacturing, packaging, or processing, within 1,000 feet of a public or private school existing before the date of the manufacturer's registration with the commissioner.

(l) A manufacturer shall comply with reasonable restrictions set by the commissioner relating to signage, marketing, display, and advertising of medical cannabis.

(m) Before a manufacturer acquires hemp from a hemp grower or hemp products from a hemp processor, the manufacturer must verify that the hemp grower or hemp processor has a valid license issued by the commissioner of agriculture under chapter 18K.

(n) Until a state-centralized, seed-to-sale system is implemented that can track a specific medical cannabis plant from cultivation through testing and point of sale, the commissioner shall conduct at least one unannounced inspection per year of each manufacturer that includes inspection of:

(1) business operations;

(2) physical locations of the manufacturer's manufacturing facility and distribution facilities;

(3) financial information and inventory documentation, including laboratory testing results; and

(4) physical and electronic security alarm systems.

Subd. 2. Manufacturer; production. (a) A manufacturer of medical cannabis shall provide a reliable and ongoing supply of all medical cannabis needed for the registry program through cultivation by the manufacturer and through the purchase of hemp from hemp growers.

(b) All cultivation, harvesting, manufacturing, packaging, and processing of medical cannabis must take place in an enclosed, locked facility at a physical address provided to the commissioner during the registration process.

(c) A manufacturer must process and prepare any medical cannabis plant material or hemp plant material into a form allowable under section 152.22, subdivision 6, prior to distribution of any medical cannabis.

APPENDIX
Repealed Minnesota Statutes: S0073-8

Subd. 3. **Manufacturer; distribution.** (a) A manufacturer shall require that employees licensed as pharmacists pursuant to chapter 151 be the only employees to give final approval for the distribution of medical cannabis to a patient. A manufacturer may transport medical cannabis or medical cannabis products that have been cultivated, harvested, manufactured, packaged, and processed by that manufacturer to another registered manufacturer for the other manufacturer to distribute.

(b) A manufacturer may distribute medical cannabis products, whether or not the products have been manufactured by that manufacturer.

(c) Prior to distribution of any medical cannabis, the manufacturer shall:

(1) verify that the manufacturer has received the registry verification from the commissioner for that individual patient;

(2) verify that the person requesting the distribution of medical cannabis is the patient, the patient's registered designated caregiver, or the patient's parent, legal guardian, or spouse listed in the registry verification using the procedures described in section 152.11, subdivision 2d;

(3) assign a tracking number to any medical cannabis distributed from the manufacturer;

(4) ensure that any employee of the manufacturer licensed as a pharmacist pursuant to chapter 151 has consulted with the patient to determine the proper dosage for the individual patient after reviewing the ranges of chemical compositions of the medical cannabis and the ranges of proper dosages reported by the commissioner. For purposes of this clause, a consultation may be conducted remotely by secure videoconference, telephone, or other remote means, so long as the employee providing the consultation is able to confirm the identity of the patient and the consultation adheres to patient privacy requirements that apply to health care services delivered through telehealth. A pharmacist consultation under this clause is not required when a manufacturer is distributing medical cannabis to a patient according to a patient-specific dosage plan established with that manufacturer and is not modifying the dosage or product being distributed under that plan and the medical cannabis is distributed by a pharmacy technician;

(5) properly package medical cannabis in compliance with the United States Poison Prevention Packing Act regarding child-resistant packaging and exemptions for packaging for elderly patients, and label distributed medical cannabis with a list of all active ingredients and individually identifying information, including:

(i) the patient's name and date of birth;

(ii) the name and date of birth of the patient's registered designated caregiver or, if listed on the registry verification, the name of the patient's parent or legal guardian, if applicable;

(iii) the patient's registry identification number;

(iv) the chemical composition of the medical cannabis; and

(v) the dosage; and

(6) ensure that the medical cannabis distributed contains a maximum of a 90-day supply of the dosage determined for that patient.

(d) A manufacturer shall require any employee of the manufacturer who is transporting medical cannabis or medical cannabis products to a distribution facility or to another registered manufacturer to carry identification showing that the person is an employee of the manufacturer.

(e) A manufacturer shall distribute medical cannabis in dried raw cannabis form only to a patient age 21 or older, or to the registered designated caregiver, parent, legal guardian, or spouse of a patient age 21 or older.

Subd. 3a. **Transportation of medical cannabis; staffing.** (a) A medical cannabis manufacturer may staff a transport motor vehicle with only one employee if the medical cannabis manufacturer is transporting medical cannabis to either a certified laboratory for the purpose of testing or a facility for the purpose of disposal. If the medical cannabis manufacturer is transporting medical cannabis for any other purpose or destination, the transport motor vehicle must be staffed with a minimum of two employees as required by rules adopted by the commissioner.

(b) Notwithstanding paragraph (a), a medical cannabis manufacturer that is only transporting hemp for any purpose may staff the transport motor vehicle with only one employee.

APPENDIX
Repealed Minnesota Statutes: S0073-8

Subd. 4. **Report.** Each manufacturer shall report to the commissioner on a monthly basis the following information on each individual patient for the month prior to the report:

- (1) the amount and dosages of medical cannabis distributed;
- (2) the chemical composition of the medical cannabis; and
- (3) the tracking number assigned to any medical cannabis distributed.

152.30 PATIENT DUTIES.

(a) A patient shall apply to the commissioner for enrollment in the registry program by submitting an application as required in section 152.27 and an annual registration fee as determined under section 152.35.

(b) As a condition of continued enrollment, patients shall agree to:

(1) continue to receive regularly scheduled treatment for their qualifying medical condition from their health care practitioner; and

(d) Notwithstanding any law to the contrary, the commissioner, the governor of Minnesota, or an employee of any state agency may not be held civilly or criminally liable for any injury, loss of property, personal injury, or death caused by any act or omission while acting within the scope of office or employment under sections 152.22 to 152.37.

(j) Possession of a registry verification or application for enrollment in the program by a person entitled to possess or apply for enrollment in the registry program does not constitute probable cause or reasonable suspicion, nor shall it be used to support a search of the person or property of the person possessing or applying for the registry verification, or otherwise subject the person or property of the person to inspection by any governmental agency.

Subd. 3. Discrimination prohibited. (a) No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for the person's status as a patient enrolled in the registry program under sections 152.22 to 152.37, unless failing to do so would violate federal law or regulations or cause the school or landlord to lose a monetary or licensing-related benefit under federal law or regulations.

(b) For the purposes of medical care, including organ transplants, a registry program enrollee's use of medical cannabis under sections 152.22 to 152.37 is considered the equivalent of the authorized use of any other medication used at the discretion of a physician, advanced practice registered nurse, or physician assistant and does not constitute the use of an illicit substance or otherwise disqualify a patient from needed medical care.

(c) Unless a failure to do so would violate federal law or regulations or cause an employer to lose a monetary or licensing-related benefit under federal law or regulations, an employer may not discriminate against a person in hiring, termination, or any term or condition of employment, or otherwise penalize a person, if the discrimination is based upon either of the following:

(1) the person's status as a patient enrolled in the registry program under sections 152.22 to 152.37; or

(2) a patient's positive drug test for cannabis components or metabolites, unless the patient used, possessed, or was impaired by medical cannabis on the premises of the place of employment or during the hours of employment.

The penalty is in addition to any other penalties that may apply for making a false statement or for the possession, cultivation, or sale of cannabis not protected by sections 152.22 to 152.37.
