7.32 under paragraph (c) and submission requirements under paragraph (d), including requirements

8.1 (g) The attorney general or the commissioner may hold public listening sessions or
8.2 forums to obtain input on the transaction from providers or community members who may
8.3 be impacted by the transaction.

8.4 (h) The attorney general or the commissioner may bring an action in district court to
8.5 compel compliance with the notice, waiting period, disclosure, and submission requirements
8.6 in this subdivision.

8.7 Subd. 3. **Prohibited transactions.** No health care entity may enter into a transaction
8.8 that will:

8.9 (1) substantially lessen competition; or

8.10 (2) tend to create a monopoly or monopsony.

8.11 Subd. 4. **Additional requirements for nonprofit health care entities.** A health care
8.12 entity that is incorporated under chapter 317A or organized under section 322C.1101, or
8.13 that is a subsidiary of any such entity, must, before entering into a transaction, ensure that:

8.14 (1) the transaction complies with chapters 317A and 501B and other applicable laws;

8.15 (2) the transaction does not involve or constitute a breach of charitable trust;

8.16 (3) the nonprofit health care entity will receive full and fair value for its public benefit
8.17 assets, provided that this requirement is waived if application for waiver is made to the
8.18 attorney general and the attorney general determines a waiver from this requirement is in
8.19 the public interest;

8.20 (4) the value of the public benefit assets to be transferred has not been manipulated in
8.21 a manner that causes or has caused the value of the assets to decrease;

8.22 (5) the proceeds of the transaction will be used in a manner consistent with the public
8.23 benefit for which the assets are held by the nonprofit health care entity;

8.24 (6) the transaction will not result in a breach of fiduciary duty; and

8.25 (7) there are procedures and policies in place to prohibit any officer, director, trustee,
8.26 or other executive of the nonprofit health care entity from directly or indirectly benefiting
8.27 from the transaction.

8.28 Subd. 5. **Attorney general enforcement and supplemental authority.** (a) The attorney
8.29 general may bring an action in district court to enjoin or unwind a transaction or seek other
8.30 equitable relief necessary to protect the public interest if a health care entity or transaction
8.31 violates this section, if the transaction is contrary to the public interest, or if both a health
8.32 care entity or transaction violates this section and the transaction is contrary to the public

9.1 interest. Factors informing whether a transaction is contrary to the public interest include
9.2 but are not limited to whether the transaction:

9.3 (1) will harm public health;

9.4 (2) will reduce the affected community's continued access to affordable and quality care
9.5 and to the range of services historically provided by the entities or will prevent members
9.6 in the affected community from receiving a comparable or better patient experience;

9.7 (3) will have a detrimental impact on competing health care options within primary and
9.8 dispersed service areas;

9.9 (4) will reduce delivery of health care to disadvantaged, uninsured, underinsured, and
9.10 underserved populations and to populations enrolled in public health care programs;

9.11 (5) will have a substantial negative impact on medical education and teaching programs,
9.12 health care workforce training, or medical research;

9.13 (6) will have a negative impact on the market for health care services, health insurance
9.14 services, or skilled health care workers;

9.15 (7) will increase health care costs for patients;

9.16 (8) will adversely impact provider cost trends and containment of total health care
9.17 spending;

9.18 (9) will have a negative impact on wages paid by, or the number of employees employed
9.19 by, a health care entity involved in a transaction; or

9.20 (10) will have a negative impact on wages, collective bargaining units, and collective
9.21 bargaining agreements of existing or future workers employed by a health care entity
9.22 involved in a transaction.

9.23 (b) For purposes of this section, there is a rebuttable presumption that it is contrary to
9.24 the public interest for a transaction to result in the University of Minnesota health care
9.25 facilities to:

9.26 (1) no longer remain dedicated, in whole or in part, to the university's public health care
9.27 mission; or

9.28 (2) become owned or controlled, directly or indirectly, in whole or in part, by a for-profit
9.29 entity or an out-of-state entity.

9.30 The attorney general and any court, in making this presumption, must recognize the
9.31 importance of the University of Minnesota health care facilities to the state of Minnesota

10.1 based on their status as publicly supported academic health care facilities; their relationship
10.2 with the University of Minnesota Medical School; the status of the University of Minnesota
10.3 as a constitutionally autonomous state entity; and the university's mission as a land grant
10.4 institution. For purposes of this paragraph, "University of Minnesota health care facilities"
10.5 means the academic health care facilities licensed by the commissioner of health as "M
10.6 Health Fairview University," or any successor name.

10.7 (c) The attorney general may enforce this section under section 8.31.

10.8 (d) Failure of the entities involved in a transaction to provide timely information as
10.9 required by the attorney general or the commissioner shall be an independent and sufficient
10.10 ground for a court to enjoin or unwind the transaction or provide other equitable relief,
10.11 provided the attorney general notified the entities of the inadequacy of the information
10.12 provided and provided the entities with a reasonable opportunity to remedy the inadequacy.

10.13 (e) The attorney general shall consult with the commissioner to determine whether a
10.14 transaction is contrary to the public interest. Any information exchanged between the attorney
10.15 general and the commissioner according to this subdivision is confidential data on individuals
10.16 as defined in section 13.02, subdivision 3, or protected nonpublic data as defined in section
10.17 13.02, subdivision 13. The commissioner may share with the attorney general, according
10.18 to section 13.05, subdivision 9, any not public data, as defined in section 13.02, subdivision
10.19 8a, held by the Department of Health to aid in the investigation and review of the transaction,
10.20 and the attorney general must maintain this data with the same classification according to
10.21 section 13.03, subdivision 4, paragraph (d).

10.22 Subd. 6. **Supplemental authority of commissioner.** (a) Notwithstanding any law to
10.23 the contrary, the commissioner may use data or information submitted under this section,
10.24 section 62U.04, and sections 144.695 to 144.703 to conduct analyses of the aggregate impact
10.25 of health care transactions on access to or the cost of health care services, health care market
10.26 consolidation, and health care quality.

10.27 (b) The commissioner shall issue periodic public reports on the number and types of
10.28 transactions subject to this section and on the aggregate impact of transactions on health
10.29 care cost, quality, and competition in Minnesota.

10.30 Subd. 7. **Classification of data.** Data provided by a health care entity to the attorney
10.31 general and the commissioner under this section is classified as protected nonpublic data
10.32 as defined in section 13.02, subdivision 13, in the case of data not on individuals or
10.33 confidential data on individuals as defined in section 13.02, subdivision 3, in the case of
10.34 data on individuals.

11.1 Subd. 8. **Relation to other law.** (a) The powers and authority under this section are in
 11.2 addition to, and do not affect or limit, all other rights, powers, and authority of the attorney
 11.3 general or the commissioner under chapters 8, 309, 317A, 325D, and 501B, or other law.

11.4 (b) Nothing in this section shall suspend any obligation imposed under chapters 8, 309,
 11.5 317A, 325D, and 501B, or other law on the entities involved in a transaction.

11.6 **EFFECTIVE DATE.** This section is effective the day following final enactment and
 11.7 applies to transactions completed on or after that date. In determining whether an action or
 11.8 series of actions constitutes a transaction subject to this section, any actions or series of
 11.9 actions related to the completion of the transaction that occurred prior to the effective date
 11.10 of this section must be considered.

11.11 Sec. 3. **[309.715] CHARITABLE ASSETS; RETURN TO GENERAL FUND;**
 11.12 **OWNERSHIP OR CONTROL OF UNIVERSITY OF MINNESOTA HEALTH CARE**
 11.13 **FACILITIES.**

11.14 If a nonprofit health maintenance organization licensed under chapter 62D, or a health
 11.15 system organized as a charitable organization, sells or transfers control to an out-of-state,
 11.16 nonprofit entity or to any for-profit entity, the health maintenance organization or health
 11.17 system must return to the general fund an amount equal to the value of any charitable assets
 11.18 the health maintenance organization or health system received from the state.

11.19 **EFFECTIVE DATE.** This section is effective the day following final enactment and
 11.20 applies to transactions completed on or after that date.

11.21 Sec. 4. Laws 2017, First Special Session chapter 6, article 5, section 11, as amended by
 11.22 Laws 2019, First Special Session chapter 9, article 8, section 20, is amended to read:

 11.26 maintenance organization operating under Minnesota Statutes, chapter 62D, as of January
 11.27 1, 2017, may only merge or consolidate with; convert; or transfer, as part of a single
 11.28 transaction or a series of transactions within a 24-month period, all or a material amount of
 11.29 its assets to an entity that is a corporation organized under Minnesota Statutes, chapter
 11.30 317A; or to a Minnesota nonprofit hospital within the same integrated health system as the
 11.31 health maintenance organization. For purposes of this section, "material amount" means

12.1 the lesser of ten percent of such an entity's total admitted net assets as of December 31 of
 12.2 the previous year, or \$50,000,000.

12.3 (b) Paragraph (a) does not apply if the nonprofit service plan corporation or nonprofit

 12.5 corporation in accordance with Minnesota Statutes, chapter 317A, or insolvency proceedings
 12.6 are commenced under Minnesota Statutes, chapter 60B.

12.7 (c) Nothing in this section shall be construed to authorize a nonprofit health maintenance

 12.9 not otherwise permitted under state law.

12.10 (d) This section expires July 1, ~~2023~~ 2026.

12.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

 12.16 regulation of conversions, mergers, transfers of assets, and other transactions affecting
 12.17 Minnesota-domiciled nonprofit health maintenance organizations and for-profit health
 12.18 maintenance organizations. The recommendations must at least address:

12.19 (1) monitoring and regulation of Minnesota-domiciled for-profit health maintenance
 12.20 organizations;

12.21 (2) issues related to public benefit assets held by a nonprofit health maintenance
 12.22 organization, including identifying the portion of the organization's assets that are considered
 12.23 public benefit assets to be protected, establishing a fair and independent process to value
