

HELMETS TO HARDHATS

ABOUT THE PROGRAM

Working in tandem with the national office of Helmets to Hardhats, CCF has built the Minnesota H2H program. H2H strives to connect National Guard, Reserve, retired and transitioning active-duty military service members with skilled training and quality career opportunities in the construction industry.

H2H partners with other veteran organizations such as the VA Hospital, MAC-V, and DEED along with many others to help veterans who may be unemployed or underemployed.

The program also networks with veteran support groups such as the Eagle Group of MN Veterans, Beyond the Yellow Ribbon, and the veteran Resource Group.

OUTCOMES

137 VETERANS SERVED

Between January and December 2022, 137 MN veterans received support from the H2H program.

40 PLACEMENTS

Between January and December 2022, 40 MN veterans were placed in construction careers.

1024 SERVED IN TOTAL

1024 MN veterans have been served by the H2H program since its start.
