

1.1 Senator ..... moves to amend S.F. No. 1621 as follows:

1.2 Delete everything after the enacting clause and insert:

1.3 "Section 1. TITLE.

1.4 Sections 181.211 to 181.217 shall be known as the "Minnesota Nursing Home Workforce  
1.5 Standards Board Act."

1.6 Sec. 2. Minnesota Statutes 2022, section 177.27, subdivision 4, is amended to read:

1.7 Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an  
1.8 employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032,  
1.9 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.172, paragraph (a) or (d), 181.214  
1.10 to 181.217, 181.275, subdivision 2a, 181.722, 181.79, and 181.939 to 181.943, or with any  
1.11 rule promulgated under section 177.28, 181.213, or 181.215. The commissioner shall issue  
1.12 an order requiring an employer to comply with sections 177.41 to 177.435 if the violation  
1.13 is repeated. For purposes of this subdivision only, a violation is repeated if at any time  
1.14 during the two years that preceded the date of violation, the commissioner issued an order  
1.15 to the employer for violation of sections 177.41 to 177.435 and the order is final or the  
1.16 commissioner and the employer have entered into a settlement agreement that required the  
1.17 employer to pay back wages that were required by sections 177.41 to 177.435. The  
1.18 department shall serve the order upon the employer or the employer's authorized  
1.19 representative in person or by certified mail at the employer's place of business. An employer  
1.20 who wishes to contest the order must file written notice of objection to the order with the  
1.21 commissioner within 15 calendar days after being served with the order. A contested case  
1.22 proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15  
1.23 calendar days after being served with the order, the employer fails to file a written notice  
1.24 of objection with the commissioner, the order becomes a final order of the commissioner.

1.25 Sec. 3. Minnesota Statutes 2022, section 177.27, subdivision 7, is amended to read:

1.26 Subd. 7. **Employer liability.** If an employer is found by the commissioner to have  
1.27 violated a section identified in subdivision 4, or any rule adopted under section 177.28,  
1.28 181.213, or 181.215, and the commissioner issues an order to comply, the commissioner  
1.29 shall order the employer to cease and desist from engaging in the violative practice and to  
1.30 take such affirmative steps that in the judgment of the commissioner will effectuate the  
1.31 purposes of the section or rule violated. The commissioner shall order the employer to pay  
1.32 to the aggrieved parties back pay, gratuities, and compensatory damages, less any amount

2.1 actually paid to the employee by the employer, and for an additional equal amount as  
2.2 liquidated damages. Any employer who is found by the commissioner to have repeatedly  
2.3 or willfully violated a section or sections identified in subdivision 4 shall be subject to a  
2.4 civil penalty of up to \$1,000 for each violation for each employee. In determining the amount  
2.5 of a civil penalty under this subdivision, the appropriateness of such penalty to the size of  
2.6 the employer's business and the gravity of the violation shall be considered. In addition, the  
2.7 commissioner may order the employer to reimburse the department and the attorney general  
2.8 for all appropriate litigation and hearing costs expended in preparation for and in conducting  
2.9 the contested case proceeding, unless payment of costs would impose extreme financial  
2.10 hardship on the employer. If the employer is able to establish extreme financial hardship,  
2.11 then the commissioner may order the employer to pay a percentage of the total costs that  
2.12 will not cause extreme financial hardship. Costs include but are not limited to the costs of  
2.13 services rendered by the attorney general, private attorneys if engaged by the department,  
2.14 administrative law judges, court reporters, and expert witnesses as well as the cost of  
2.15 transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's  
2.16 order from the date the order is signed by the commissioner until it is paid, at an annual rate  
2.17 provided in section 549.09, subdivision 1, paragraph (c). The commissioner may establish  
2.18 escrow accounts for purposes of distributing damages.

4.27 Sec. 6. **[181.213] DUTIES OF THE BOARD; MINIMUM NURSING HOME**  
4.28 **EMPLOYMENT STANDARDS.**

4.29 Subdivision 1. **Authority to establish minimum nursing home employment**  
4.30 **standards.** (a) The board must adopt rules establishing minimum nursing home employment  
4.31 standards that are reasonably necessary and appropriate to protect the health and welfare  
4.32 of nursing home workers, to ensure that nursing home workers are properly trained about

5.1 and fully informed of their rights under sections 181.211 to 181.217, and to otherwise satisfy  
5.2 the purposes of sections 181.211 to 181.217. Standards established by the board must  
5.3 include, as appropriate, standards on compensation, working hours, and other working  
5.4 conditions for nursing home workers. Any standards established by the board under this  
5.5 section must be at least as protective of or beneficial to nursing home workers as any other  
5.6 applicable statute or rule or any standard previously established by the board. In establishing  
5.7 standards under this section, the board may establish statewide standards, standards that  
5.8 apply to specific nursing home occupations, standards that apply to specific geographic  
5.9 areas within the state, or any combination thereof.

5.10 (b) The board must adopt rules establishing initial standards for wages and working  
5.11 hours for nursing home workers no later than August 1, 2024. The board may use the  
5.12 authority in section 14.389 to adopt rules under this paragraph. The board shall consult with  
5.13 the department in the development of these standards prior to beginning the rule adoption  
5.14 process.

5.15 (c) To the extent that any minimum standards that the board finds are reasonably  
5.16 necessary and appropriate to protect the health and welfare of nursing home workers fall  
5.17 within the jurisdiction of chapter 182, the board shall not adopt rules establishing the  
5.18 standards but shall instead recommend the occupational health and safety standards to the  
5.19 commissioner. The commissioner shall adopt nursing home health and safety standards  
5.20 under section 182.655 as recommended by the board, unless the commissioner determines  
5.21 that the recommended standard is outside the statutory authority of the commissioner,  
5.22 presents enforceability challenges, is infeasible to implement, or is otherwise unlawful and  
5.23 issues a written explanation of this determination.

5.24 Subd. 2. **Investigation of market conditions.** The board must investigate market  
5.25 conditions and the existing wages, benefits, and working conditions of nursing home workers  
5.26 for specific geographic areas of the state and specific nursing home occupations. Based on  
5.27 this information, the board must seek to adopt minimum nursing home employment standards  
5.28 that meet or exceed existing industry conditions for a majority of nursing home workers in  
5.29 the relevant geographic area and nursing home occupation. The board must consider the  
5.30 following types of information in making determinations that employment standards are  
5.31 reasonably necessary to protect the health and welfare of nursing home workers:

5.32 (1) wage rate and benefit data collected by or submitted to the board for nursing home  
5.33 workers in the relevant geographic area and nursing home occupations;

6.1 (2) statements showing wage rates and benefits paid to nursing home workers in the  
6.2 relevant geographic area and nursing home occupations;

6.3 (3) signed collective bargaining agreements applicable to nursing home workers in the  
6.4 relevant geographic area and nursing home occupations;

6.5 (4) testimony and information from current and former nursing home workers, worker  
6.6 organizations, nursing home employers, and employer organizations;

6.7 (5) local minimum nursing home employment standards;

6.8 (6) information submitted by or obtained from state and local government entities; and

6.9 (7) any other information pertinent to establishing minimum nursing home employment  
6.10 standards.

6.11 Subd. 3. **Review of standards.** At least once every two years, the board shall:

6.12 (1) conduct a full review of the adequacy of the minimum nursing home employment  
6.13 standards previously established by the board; and

6.14 (2) following that review, adopt new rules, amend or repeal existing rules, or make  
6.15 recommendations to adopt new rules or amend or repeal existing rules for minimum nursing  
6.16 home employment standards using the expedited rulemaking process in section 14.389, as  
6.17 appropriate to meet the purposes of sections 181.211 to 181.217.

6.18 Subd. 4. **Conflict.** (a) In the event of a conflict between a standard established by the  
6.19 board in rule and a rule adopted by another state agency, the rule adopted by the board shall  
6.20 apply to nursing home workers and nursing home employers.

6.21 (b) Notwithstanding paragraph (a), in the event of a conflict between a standard  
6.22 established by the board in rule and a rule adopted by another state agency, the rule adopted  
6.23 by the other state agency shall apply to nursing home workers and nursing home employers  
6.24 if the rule adopted by the other state agency is adopted after the board's standard and the  
6.25 rule adopted by the other state agency is more protective or beneficial than the board's  
6.26 standard.

6.27 (c) Notwithstanding paragraph (a), if the commissioner of health determines that a  
6.28 standard established by the board in rule or recommended by the board conflicts with  
6.29 requirements in federal regulations for nursing home certification or with state statutes or  
6.30 rules governing licensure of nursing homes, the federal regulations or state nursing home  
6.31 licensure statutes or rules shall take precedence, and the conflicting board standard or rule  
6.32 shall not apply to nursing home workers or nursing home employers.

7.1 Subd. 5. **Effect on other agreements.** Nothing in sections 181.211 to 181.217 shall be  
7.2 construed to:

7.3 (1) limit the rights of parties to a collective bargaining agreement to bargain and agree  
7.4 with respect to nursing home employment standards; or

7.5 (2) diminish the obligation of a nursing home employer to comply with any contract,  
7.6 collective bargaining agreement, or employment benefit program or plan that meets or  
7.7 exceeds, and does not conflict with, the minimum standards and requirements in sections  
7.8 181.211 to 181.217 or established by the board.

7.9 Sec. 7. **[181.214] DUTIES OF THE BOARD; TRAINING FOR NURSING HOME**  
7.10 **WORKERS.**

7.11 Subdivision 1. **Certification of worker organizations.** The board shall certify worker  
7.12 organizations that it finds are qualified to provide training to nursing home workers according  
7.13 to this section. The board shall by rule establish certification criteria that a worker  
7.14 organization must meet in order to be certified and provide a process for renewal of  
7.15 certification upon the board's review of the worker organization's compliance with this  
7.16 section. In adopting rules to establish certification criteria under this subdivision, the board  
7.17 may use the authority in section 14.389. The criteria must ensure that a worker organization,  
7.18 if certified, is able to provide:

7.19 (1) effective, interactive training on the information required by this section; and

7.20 (2) follow-up written materials and responses to inquiries from nursing home workers  
7.21 in the languages in which nursing home workers are proficient.

7.22 Subd. 2. **Curriculum.** (a) The board shall establish requirements for the curriculum for  
7.23 the nursing home worker training required by this section. A curriculum must at least provide  
7.24 the following information to nursing home workers:

7.25 (1) the applicable compensation, working hours, and working conditions in the minimum  
7.26 standards or local minimum standards established by the board;

7.27 (2) the antiretaliation protections established in section 181.216;

7.28 (3) information on how to enforce sections 181.211 to 181.217 and on how to report  
7.29 violations of sections 181.211 to 181.217 or of standards established by the board, including  
7.30 contact information for the Department of Labor and Industry, the board, and any local  
7.31 enforcement agencies, and information on the remedies available for violations;

8.1 (4) the purposes and functions of the board and information on upcoming hearings,  
8.2 investigations, or other opportunities for nursing home workers to become involved in board  
8.3 proceedings;

8.4 (5) other rights, duties, and obligations under sections 181.211 to 181.217;

8.5 (6) any updates or changes to the information provided according to clauses (1) to (5)  
8.6 since the most recent training session;

8.7 (7) any other information the board deems appropriate to facilitate compliance with  
8.8 sections 181.211 to 181.217; and

8.9 (8) information on labor standards in other applicable local, state, and federal laws, rules,  
8.10 and ordinances regarding nursing home working conditions or nursing home worker health  
8.11 and safety.

8.12 (b) Before establishing initial curriculum requirements, the board must hold at least one  
8.13 public hearing to solicit input on the requirements.

8.14 Subd. 3. **Topics covered in training session.** A certified worker organization is not  
8.15 required to cover all of the topics listed in subdivision 2 in a single training session. A  
8.16 curriculum used by a certified worker organization may provide instruction on each topic  
8.17 listed in subdivision 2 over the course of up to three training sessions.

8.18 Subd. 4. **Annual review of curriculum requirements.** The board must review the  
8.19 adequacy of its curriculum requirements at least annually and must revise the requirements  
8.20 as appropriate to meet the purposes of sections 181.211 to 181.217. As part of each annual  
8.21 review of the curriculum requirements, the board must hold at least one public hearing to  
8.22 solicit input on the requirements.

8.23 Subd. 5. **Duties of certified worker organizations.** A certified worker organization:

8.24 (1) must use a curriculum for its training sessions that meets requirements established  
8.25 by the board;

8.26 (2) must provide trainings that are interactive and conducted in the languages in which  
8.27 the attending nursing home workers are proficient;

8.28 (3) must, at the end of each training session, provide attending nursing home workers  
8.29 with follow-up written or electronic materials on the topics covered in the training session,  
8.30 in order to fully inform nursing home workers of their rights and opportunities under sections  
8.31 181.211 to 181.217;

9.1 (4) must make itself reasonably available to respond to inquiries from nursing home  
9.2 workers during and after training sessions; and

9.3 (5) may conduct surveys of nursing home workers who attend a training session to assess  
9.4 the effectiveness of the training session and industry compliance with sections 181.211 to  
9.5 181.217 and other applicable laws, rules, and ordinances governing nursing home working  
9.6 conditions or worker health and safety.

9.7 **Subd. 6. Nursing home employer duties regarding training.** (a) A nursing home  
9.8 employer must ensure that every six months each of its nursing home workers completes  
9.9 one hour of training that meets the requirements of this section and is provided by a certified  
9.10 worker organization. The nursing home employer must certify its compliance with this  
9.11 subdivision to the board. A nursing home employer may, but is not required to, host training  
9.12 sessions on the premises of the nursing home.

9.13 (b) If requested by a certified worker organization, a nursing home employer must, after  
9.14 a training session provided by the certified worker organization, provide the certified worker  
9.15 organization with the names and contact information of the nursing home workers who  
9.16 attended the training session, unless a nursing home worker opts out according to paragraph  
9.17 (c).

9.18 (c) A nursing home worker may opt out of having the worker's nursing home employer  
9.19 provide the worker's name and contact information to a certified worker organization that  
9.20 provided a training session attended by the worker by submitting a written statement to that  
9.21 effect to the nursing home employer.

9.22 **Subd. 7. Compensation.** A nursing home employer must compensate its nursing home  
9.23 workers at their regular hourly rate of wages and benefits for each hour of training completed  
9.24 as required by this section and reimburse any travel expenses if the training sessions are  
9.25 not held on the premises of the nursing home.

9.26 **Sec. 8. [181.215] REQUIRED NOTICES.**

9.27 **Subdivision 1. Provision of notice.** (a) Nursing home employers must provide notices  
9.28 informing nursing home workers of the rights and obligations provided under sections  
9.29 181.211 to 181.217 of applicable minimum nursing home employment standards and local  
9.30 minimum standards and that for assistance and information, nursing home workers should  
9.31 contact the Department of Labor and Industry. A nursing home employer must provide  
9.32 notice using the same means that the nursing home employer uses to provide other

10.1 work-related notices to nursing home workers. Provision of notice must be at least as  
10.2 conspicuous as:

10.3 (1) posting a copy of the notice at each work site where nursing home workers work  
10.4 and where the notice may be readily seen and reviewed by all nursing home workers working  
10.5 at the site; or

10.6 (2) providing a paper or electronic copy of the notice to all nursing home workers and  
10.7 applicants for employment as a nursing home worker.

10.8 (b) The notice required by this subdivision must include text provided by the board that  
10.9 informs nursing home workers that they may request the notice to be provided in a particular  
10.10 language. The nursing home employer must provide the notice in the language requested  
10.11 by the nursing home worker. The board must assist nursing home employers in translating  
10.12 the notice in the languages requested by their nursing home workers.

10.13 Subd. 2. **Minimum content and posting requirements.** The board must adopt rules  
10.14 under section 14.389 specifying the minimum content and posting requirements for the  
10.15 notices required in subdivision 1. The board must make available to nursing home employers  
10.16 a template or sample notice that satisfies the requirements of this section and rules adopted  
10.17 under this section.

10.18 **Sec. 9. [181.216] RETALIATION PROHIBITED.**

10.19 (a) A nursing home employer shall not discharge, discipline, penalize, interfere with,  
10.20 threaten, restrain, coerce, or otherwise retaliate or discriminate against a nursing home  
10.21 worker because the person has exercised or attempted to exercise rights protected under  
10.22 this act, including but not limited to:

10.23 (1) exercising any right afforded to the nursing home worker under sections 181.211 to  
10.24 181.217;

10.25 (2) participating in any process or proceeding under sections 181.211 to 181.217,  
10.26 including but not limited to board hearings, board or department investigations, or other  
10.27 related proceedings; or

10.28 (3) attending or participating in the training required by section 181.214.

10.29 (b) It shall be unlawful for an employer to:

10.30 (1) inform another employer that a nursing home worker or former nursing home worker  
10.31 has engaged in activities protected under sections 181.211 to 181.217; or

11.1 (2) report or threaten to report the actual or suspected citizenship or immigration status  
11.2 of a nursing home worker, former nursing home worker, or family member of a nursing  
11.3 home worker to a federal, state, or local agency for exercising or attempting to exercise any  
11.4 right protected under this act.

11.5 (c) A person found to have experienced retaliation in violation of this section shall be  
11.6 entitled to back pay and reinstatement to their previous position, wages, benefits, hours,  
11.7 and other conditions of employment.

11.8 Sec. 10. [181.217] ENFORCEMENT.

11.9 Subdivision 1. Minimum nursing home employment standards. Except as provided  
11.10 in section 181.213, subdivision 4, paragraph (b) or (c), the minimum wages, maximum  
11.11 hours of work, and other working conditions established by the board in rule as minimum  
11.12 nursing home employment standards shall be the minimum wages, maximum hours of work,  
11.13 and standard conditions of labor for nursing home workers or a subgroup of nursing home  
11.14 workers as a matter of state law. Except as provided in section 181.213, subdivision 4,  
11.15 paragraph (b) or (c), it shall be unlawful for a nursing home employer to employ a nursing
