RE: Support HF2687/SF2774

Honorable Labor Committee Members:

The Independent Millwright Contractors Association (IMCA) appreciates the Chair's continued work on this bill, and we ask the Labor Committee to support HF2687/SF2774.

The stakeholders have spent years working to clarify elements of the elevator licensing statute and this amended bill represents an agreement to ensure current law is in line with longstanding construction practices.

Thank you for your service and consideration.

Sincerely,
John Nesse
Administrator, IMCA
