

Angel Tax Credit

Reinstating the Angel Tax Credit is critical to cultivating Minnesota's startup ecosystem and generating economic growth for decades to come. Without renewed support for this program, investment dollars will go elsewhere, and innovators will struggle to reach their full potential.

Funding the Angel Tax Credit at \$10 million per year through 2027 will keep Minnesota a destination for innovation.

560+ businesses have benefitted from the Angel Tax Credit

Since 2010

\$498 M

Invested in startup and early-stage companies via Angel Tax Credit

2,200+ jobs created since 2010

\$10M+ invested in women, minority, or Greater Minnesota-owned businesses in 2022

The **Angel Tax Credit** is a useful tool for entrepreneurs from all over the state in many different industries. Half of each year's fund are reserved for minority- and women-owned businesses, as well as businesses located in Greater Minnesota.
