Analysis of H.F. 2217 (Joy) / S.F. 2917 (Kupec)

The bill would authorize the city of Dilworth to impose a general sales and use tax of 0.5%, if approved by voters at a general election. Proceeds would be used to finance the construction of a community and recreational center.

The bill authorizes a bond issuance of up to \$5.4 million plus bond costs. The tax would terminate at the earlier of 25 years after the tax is first imposed or when the city determines that sufficient funds have been received to pay for the costs of the project and bonds. The tax may expire earlier if the city so determines by ordinance.

The bill would have no impact on any state fund.
