RE: Senate File 1728 testimony

Hello, members of the Senate Tax Committee:

My name is Darren Gjerset, and I am a council member for the City of Echo, Minnesota. I apologize that I was unable to attend today's hearing and thank you for reading my testimony.

In 2021, our then city administrator failed to turn in our paperwork to receive our LGA. Our little city of 266 residents really needs the LGA money for the last half of 2021 to help alleviate the tax burden on our residents. Please help us with our situation.

Thank you for considering our request.

Darren Gjerset
