S.F. No. 2030 – Extending Anoka County Public Safety Levy Authority (as proposed to be amended by A-1)

Author: Senator Heather Gustafson

Prepared by: Eric Silvia, Senate Counsel (651/296-1771)

Date: April 3, 2023

SF 2030 extends, by ten years, the authority for Anoka County to levy for public safety improvements and equipment. This proposal also provides that Anoka County shall separately certify any property tax levied under this section to the county auditor. Under existing law, Anoka County may report any tax authorized under this section as a separate line item on the proposed property tax statement (truth in taxation) and the property tax statement.

Effective upon approval by Anoka County.
