**SF 4070** requires that the commissioner of the Minnesota Department of Agriculture (MDA) provide the pesticide commercial applicator license core examination materials in Spanish by January 1, 2025. Additionally, MDA must inform applicants that the core examination can be taken in Spanish. Currently, each applicant must pass at least two examinations to receive their commercial applicator license. Each applicant must pass the core exam that focuses on the basic principles of pesticide regulation and application and at least one additional exam category.
