S.F. No. xxxx (SC1445) – Notice of State Contributions for Capital Projects

Author: Senator Sandra L. Pappas

Prepared by: Stephanie James, Senate Counsel (651/296-0103)

Date: March 14, 2024

Section 1 [Notice of State Contribution;16A.865] requires grant recipients of state bond proceeds for a capital project to provide notice that the project is funded with state taxes collected statewide.

Subd. 1 [Notice required] requires, when practicable, for a recipient of a grant of state money for a capital project to prominently display a notice on the property stating that the project was funded with state taxes collected statewide.

Subd. 2 [Content of notice] specifies content for the notices.

Subd. 3 [Water infrastructure project] specifies that the notice must be on utility billing statements for projects for drinking water or wastewater infrastructure.

Subd. 4 [Performance venues] specifies that notices for performance venue projects be printed in programs as well as on the venue's website.

Subd. 5 [Logo] requires the commissioner of management and budget to develop a logo to be used in notices under this section.

Subd. 6 [Sign templates] requires the commissioner of management and budget to post on its website downloadable, print-ready PDF sign templates for the notices required by this section.

Effective date. This section is effective the day after enactment and applies to project receiving a grant from an appropriation enacted after January 1, 2024.
