S.F. No. 1040 – Insurance Mandate for Dental Care (as amended by the A-1)

Author: Senator Liz Boldon

Prepared by: Olivia Syverson, Senate Counsel (651/296-4397)

Date: March 7, 2024

S.F. 1040 amends the definition of covered services for dental care services to now include reimbursed in whole or in part under a dental provider agreement. The bill prohibits dentists from charging more than the dentist's usual rate for services or procedures that are not covered. Prior to providing services that are not covered under the terms of the dental plan contract, the dentist shall provide a treatment plan that includes each anticipated service or procedure, and the estimated cost.
