S.F. No. 3616 - Polling Places at Postsecondary Institutions

Author: Senator Nicole L. Mitchell

Prepared by: Alexis C. Stangl, Director (651/296-4397)

Date: February 19, 2024

Section 1 [§203B.081; Temporary locations] allows a postsecondary institution to request a polling place to be located at the institution's campus for at least one day prior to election day for purposes of absentee or early voting. If the request is made, the county auditor must establish a polling place on the campus at a location that is mutually agreed upon by the institution and the auditor. The location must be accessible to the public.
