The space must be designed to ensure that the voter provides the same type of identification as provided on the voter's absentee ballot application for purposes of comparison. The certificate must also contain a statement to be signed and sworn by the voter indicating that the voter meets all of the requirements established by law for voting by absentee ballot and space for a statement signed by a person who is ~~registered to vote in Minnesota~~ at least 18 years of age on or before the day of the election and a citizen of the United States or by a notary public or other individual authorized to administer oaths stating that:

(1) the ballots were displayed to that individual unmarked;

(2) the voter marked the ballots in that individual's presence without showing how they were marked, or, if the voter was physically unable to mark them, that the voter directed another individual to mark them; and

(3) if the voter was not previously registered, the voter has provided proof of residence as required by section 201.061, subdivision 3.

EFFECTIVE DATE. This section is effective for elections for which the absentee ballot period begins on or after January 1, 2025.

Sec. 3. Minnesota Statutes 2022, section 204C.06, subdivision 1, is amended to read:

Subdivision 1. **Persons allowed near polling place.** An individual shall be allowed to go to and from the polling place for the purpose of voting without unlawful interference. No one except an election official or an individual who is waiting to register or to vote or an individual who is conducting exit polling shall stand within 100 feet of the building in which a polling place is located. ~~"Exit polling" is defined as approaching voters in a predetermined pattern as they leave the polling place after they have voted and asking voters to fill out an anonymous, written questionnaire.~~

Sec. 4. Minnesota Statutes 2022, section 204C.06, is amended by adding a subdivision to read:

Subd. 1a. Exit polling. (a) "Exit polling" is defined as approaching voters in a predetermined pattern as they leave the polling place after they have voted and asking voters to fill out an anonymous, written questionnaire.

(b) An individual conducting exit polling must present photo identification to the head judge upon arrival at the polling place, along with a letter or credential from the news media.

(c) A person must not conduct exit polling in a manner that unlawfully interferes with a person going to or from the polling place or allows any person to view another person's responses to the poll.

Sec. 5. Minnesota Statutes 2022, section 204C.19, subdivision 3, is amended to read:

Subd. 3. **Premature disclosure of count results.** No count results from any precinct shall be disclosed by any election judge or other individual until all count results from that precinct are available, nor shall the public media disclose any count results from any precinct before the time when voting is scheduled to end in the state. Count results from absentee

ballots received by the county after 3:00 p.m. on election day may be added to the total count results after the initial results reporting of the precinct. If the precinct results do not include all absentee ballots, the county must report to the secretary of state and on the county's website the number of absentee ballots remaining to be processed. After processing the remaining ballots, the county must post on the county's website how many of the remaining ballots were accepted and added to the totals and how many were rejected and therefore not counted.

Sec. 6. Minnesota Statutes 2023 Supplement, section 204C.28, subdivision 1, is amended to read:

Subdivision 1. **County auditor.** (a) Every county auditor must remain at the auditor's office to receive delivery of the returns, to permit public inspection of the summary statements, and to tabulate the votes ~~until all have been tabulated and the results made known, or~~ until 24 hours have elapsed since the end of the hours for voting, ~~whichever occurs first~~ unless the county auditor adjourns absentee ballot counting. Every county auditor must, in the presence of the municipal clerk or the election judges who deliver the returns, make a record of all materials delivered, the time of delivery, and the names of the municipal clerk or election judges who made delivery. The record must include the number of ballots delivered to the precinct, as certified by section 204B.28, and the total number of ballots returned, as certified by the election judges under section 204C.24. A discrepancy between the number of ballots delivered to the precinct and the number of total ballots returned by election judges that cannot be reconciled by taking into account the adjustments made by the election judge counts and any unofficial ballots must be noted, but does not necessarily require disqualification of the votes from that precinct or invalidation of the election. The county auditor must file the record and all envelopes containing ballots in a safe and secure place with envelope seals unbroken. Access to the record and ballots must be strictly controlled. Accountability and a record of access must be maintained by the county auditor during the period for contesting elections or, if a contest is filed, until the contest has been finally determined. Thereafter, the record must be retained in the auditor's office for the same period as the ballots as provided in section 204B.40.

(b) The county auditor must file all envelopes containing ballots in a safe place with seals unbroken. If the envelopes are opened by proper authority for examination or recount as specifically authorized by a court or statute, the county auditor must have the envelopes sealed again and signed by the individuals who made the inspection or recount. The envelopes may be opened by the county auditor if necessary to procure election returns that the election judges inadvertently may have sealed in the envelopes with the ballots. In that case, the

5.1 envelopes must be sealed again and signed in the same manner as otherwise provided in
5.2 this subdivision.

5.3 Sec. 7. **REPEALER.**

5.4 Minnesota Statutes 2022, section 383B.031, is repealed."
