

1.1 Senator moves to amend S.F. No. 4784 as follows:

1.2 Page 31, after line 19, insert:

1.3 "(c) The commission of the Public Utilities Commission must amend Minnesota Rules,
1.4 chapter 7850 to authorize applicants for site and route permits to begin submitting
1.5 preconstruction compliance filings to commission staff for review immediately following
1.6 the commission's vote for granting the applicant a site or route permit but prior to the issuance
1.7 of a written commission order."
