1.2 Page 5, after line 2, insert:

1.3 "Sec. 5. Minnesota Statutes 2022, section 216B.2402, is amended by adding a subdivision  
1.4 to read:

1.5 Subd. 19a. **Pipeline pumping station.** "Pipeline pumping station" means an industrial  
1.6 facility that uses electricity to maintain the desired flow and pressure of oil as it is moved  
1.7 through the pipeline."

1.8 Page 11, after line 29, insert:

1.9 "Sec. 12. Minnesota Statutes 2022, section 216B.2403, is amended by adding a subdivision  
1.10 to read:

1.11 Subd. 11. **Aggregated pumping stations.** (a) This subdivision applies to pumping  
1.12 stations that are:

1.13 (1) served by consumer owned utilities that are members of a generation and transmission  
1.14 electric cooperative; and

1.15 (2) when aggregated, meet the definition of a large customer facility.

1.16 (b) If the criteria in paragraph (a) apply, the owners of the aggregated pumping stations  
1.17 may follow the criteria and procedures under section 216B.241, subdivision 1a, to petition  
1.18 the commissioner to exempt the electric sales associated with these facilities from  
1.19 contributing to the investments and expenditures made under an energy and conservation  
1.20 optimization plan filed under subdivision 3, with respect to retail revenues attributable to  
1.21 the large customer facility. If approved by the commissioner, the electric sales to these  
1.22 pumping stations are excluded from the gross annual retail electric sales of the consumer  
1.23 owned utility serving the facility."

1.24 Renumber the sections in sequence and correct the internal references
