BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

ARTICLE 1

DEPARTMENT OF HUMAN SERVICES HEALTH CARE FINANCE

Section 1. Minnesota Statutes 2022, section 256.9657, is amended by adding a subdivision to read:

Subd. 2a. Teaching hospital surcharge. (a) Each teaching hospital shall pay to the medical assistance account a surcharge equal to 0.01 percent of net non-Medicare patient

care revenue. The initial surcharge must be paid 60 days after both this subdivision and section 256.969, subdivision 2g, have received federal approval, and subsequent surcharge payments must be made annually in the form and manner specified by the commissioner.

(b) The commissioner shall use revenue from the surcharge only to pay the nonfederal share of the medical assistance supplemental payments described in section 256.969, subdivision 2g, and to supplement, and not supplant, medical assistance reimbursement to teaching hospitals. The surcharge must comply with Code of Federal Regulations, title 42, section 433.63.

(c) For purposes of this subdivision, "teaching hospital" means any Minnesota hospital, except facilities of the federal Indian Health Service and regional treatment centers, with a Centers for Medicare and Medicaid Services designation of "teaching hospital" as reported on form CMS-2552-10, worksheet S-2, line 56, that is eligible for reimbursement under section 256.969, subdivision 2g.

EFFECTIVE DATE. This section is effective January 1, 2025, or upon federal approval of this section, the amendment in this act to section 256.969, subdivision 2b, and section 256.969, subdivision 2g, whichever is later. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 2. Minnesota Statutes 2023 Supplement, section 256.969, subdivision 2b, is amended to read:

Subd. 2b. **Hospital payment rates.** (a) For discharges occurring on or after November 1, 2014, hospital inpatient services for hospitals located in Minnesota shall be paid according to the following:

(1) critical access hospitals as defined by Medicare shall be paid using a cost-based methodology;

(2) long-term hospitals as defined by Medicare shall be paid on a per diem methodology under subdivision 25;

(3) rehabilitation hospitals or units of hospitals that are recognized as rehabilitation distinct parts as defined by Medicare shall be paid according to the methodology under subdivision 12; and

(4) all other hospitals shall be paid on a diagnosis-related group (DRG) methodology.

(b) For the period beginning January 1, 2011, through October 31, 2014, rates shall not be rebased, except that a Minnesota long-term hospital shall be rebased effective January

1, 2011, based on its most recent Medicare cost report ending on or before September 1, 2008, with the provisions under subdivisions 9 and 23, based on the rates in effect on December 31, 2010. For rate setting periods after November 1, 2014, in which the base years are updated, a Minnesota long-term hospital's base year shall remain within the same period as other hospitals.

(c) Effective for discharges occurring on and after November 1, 2014, payment rates for hospital inpatient services provided by hospitals located in Minnesota or the local trade area, except for the hospitals paid under the methodologies described in paragraph (a), clauses (2) and (3), shall be rebased, incorporating cost and payment methodologies in a manner similar to Medicare. The base year or years for the rates effective November 1, 2014, shall be calendar year 2012. The rebasing under this paragraph shall be budget neutral, ensuring that the total aggregate payments under the rebased system are equal to the total aggregate payments that were made for the same number and types of services in the base year. Separate budget neutrality calculations shall be determined for payments made to critical access hospitals and payments made to hospitals paid under the DRG system. Only the rate increases or decreases under subdivision 3a or 3c that applied to the hospitals being rebased during the entire base period shall be incorporated into the budget neutrality calculation.

(d) For discharges occurring on or after November 1, 2014, through the next rebasing that occurs, the rebased rates under paragraph (c) that apply to hospitals under paragraph (a), clause (4), shall include adjustments to the projected rates that result in no greater than a five percent increase or decrease from the base year payments for any hospital. Any adjustments to the rates made by the commissioner under this paragraph and paragraph (e) shall maintain budget neutrality as described in paragraph (c).

(e) For discharges occurring on or after November 1, 2014, the commissioner may make additional adjustments to the rebased rates, and when evaluating whether additional adjustments should be made, the commissioner shall consider the impact of the rates on the following:

(1) pediatric services;

(2) behavioral health services;

(3) trauma services as defined by the National Uniform Billing Committee;

(4) transplant services;

(5) obstetric services, newborn services, and behavioral health services provided by hospitals outside the seven-county metropolitan area;

(6) outlier admissions;

(7) low-volume providers; and

(8) services provided by small rural hospitals that are not critical access hospitals.

(f) Hospital payment rates established under paragraph (c) must incorporate the following:

(1) for hospitals paid under the DRG methodology, the base year payment rate per admission is standardized by the applicable Medicare wage index and adjusted by the hospital's disproportionate population adjustment;

(2) for critical access hospitals, payment rates for discharges between November 1, 2014, and June 30, 2015, shall be set to the same rate of payment that applied for discharges on October 31, 2014;

(3) the cost and charge data used to establish hospital payment rates must only reflect inpatient services covered by medical assistance; and

(4) in determining hospital payment rates for discharges occurring on or after the base year beginning January 1, 2011, through December 31, 2012, the hospital payment rate per discharge shall be based on the cost-finding methods and allowable costs of the Medicare program in effect during the base year or years. In determining hospital payment rates for discharges in subsequent base years, the per discharge rates shall be based on the cost-finding methods and allowable costs of the Medicare program in effect during the base year or years.

(g) The commissioner shall validate the rates effective November 1, 2014, by applying the rates established under paragraph (c), and any adjustments made to the rates under paragraph (d) or (e), to hospital claims paid in calendar year 2013 to determine whether the total aggregate payments for the same number and types of services under the rebased rates are equal to the total aggregate payments made during calendar year 2013.

(h) Effective for discharges occurring on or after July 1, 2017, and every two years thereafter, payment rates under this section shall be rebased to reflect only those changes in hospital costs between the existing base year or years and the next base year or years. In any year that inpatient claims volume falls below the threshold required to ensure a statistically valid sample of claims, the commissioner may combine claims data from two consecutive years to serve as the base year. Years in which inpatient claims volume is reduced or altered due to a pandemic or other public health emergency shall not be used as

a base year or part of a base year if the base year includes more than one year. Changes in costs between base years shall be measured using the lower of the hospital cost index defined in subdivision 1, paragraph (a), or the percentage change in the case mix adjusted cost per claim. The commissioner shall establish the base year for each rebasing period considering the most recent year or years for which filed Medicare cost reports are available, except that the base years for the rebasing effective July 1, 2023, are calendar years 2018 and 2019. The estimated change in the average payment per hospital discharge resulting from a scheduled rebasing must be calculated and made available to the legislature by January 15 of each year in which rebasing is scheduled to occur, and must include by hospital the differential in payment rates compared to the individual hospital's costs.

(i) Effective for discharges occurring on or after July 1, 2015, inpatient payment rates for critical access hospitals located in Minnesota or the local trade area shall be determined using a new cost-based methodology. The commissioner shall establish within the methodology tiers of payment designed to promote efficiency and cost-effectiveness. Payment rates for hospitals under this paragraph shall be set at a level that does not exceed the total cost for critical access hospitals as reflected in base year cost reports. Until the next rebasing that occurs, the new methodology shall result in no greater than a five percent decrease from the base year payments for any hospital, except a hospital that had payments that were greater than 100 percent of the hospital's costs in the base year shall have their rate set equal to 100 percent of costs in the base year. The rates paid for discharges on and after July 1, 2016, covered under this paragraph shall be increased by the inflation factor in subdivision 1, paragraph (a). The new cost-based rate shall be the final rate and shall not be settled to actual incurred costs. Hospitals shall be assigned a payment tier based on the following criteria:

(1) hospitals that had payments at or below 80 percent of their costs in the base year shall have a rate set that equals 85 percent of their base year costs;

(2) hospitals that had payments that were above 80 percent, up to and including 90 percent of their costs in the base year shall have a rate set that equals 95 percent of their base year costs; and

(3) hospitals that had payments that were above 90 percent of their costs in the base year shall have a rate set that equals 100 percent of their base year costs.

(j) The commissioner may refine the payment tiers and criteria for critical access hospitals to coincide with the next rebasing under paragraph (h). The factors used to develop the new methodology may include, but are not limited to:

(1) the ratio between the hospital's costs for treating medical assistance patients and the hospital's charges to the medical assistance program;

(2) the ratio between the hospital's costs for treating medical assistance patients and the hospital's payments received from the medical assistance program for the care of medical assistance patients;

(3) the ratio between the hospital's charges to the medical assistance program and the hospital's payments received from the medical assistance program for the care of medical assistance patients;

(4) the statewide average increases in the ratios identified in clauses (1), (2), and (3);

(5) the proportion of that hospital's costs that are administrative and trends in administrative costs; and

(6) geographic location.

(k) Subject to section 256.969, subdivision 2g, paragraph (i), effective for discharges occurring on or after January 1, 2024, the rates paid to hospitals described in paragraph (a), clauses (2) to (4), must include a rate factor specific to each hospital that qualifies for a medical education and research cost distribution under section 62J.692, subdivision 4, paragraph (a).

EFFECTIVE DATE. This section is effective January 1, 2025, or upon federal approval of this section, section 256.969, subdivision 2g, and the teaching hospital surcharge described in section 256.9657, subdivision 2a, whichever is later. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 3. Minnesota Statutes 2022, section 256.969, is amended by adding a subdivision to read:

Subd. 2g. Annual supplemental payments; direct and indirect physician graduate medical education. (a) For discharges occurring on or after January 1, 2025, the commissioner shall determine and pay annual supplemental payments to all eligible hospitals as provided in this subdivision for direct and indirect physician graduate medical education cost reimbursement. A hospital must be an eligible hospital to receive an annual supplemental payment under this subdivision.

(b) The commissioner must use the following information to calculate the total cost of direct graduate medical education incurred by each eligible hospital:

9.1 (1) the total allowable direct graduate medical education cost, as calculated by adding
9.2 form CMS-2552-10, worksheet B, part 1, columns 21 and 22, line 202; and

9.3 (2) the Medicaid share of total allowable direct graduate medical education cost
9.4 percentage, representing the allocation of total graduate medical education costs to Medicaid
9.5 based on the share of all Medicaid inpatient days, as reported on form CMS-2552-10,
9.6 worksheets S-2 and S-3, divided by the hospital's total inpatient days, as reported on
9.7 worksheet S-3.

9.8 (c) The commissioner may obtain the information in paragraph (b) from an eligible
9.9 hospital upon request by the commissioner or from the eligible hospital's most recently filed
9.10 form CMS-2552-10.

9.11 (d) The commissioner must use the following information to calculate the total allowable
9.12 indirect cost of graduate medical education incurred by each eligible hospital:

9.13 (1) for eligible hospitals that are not children's hospitals, the indirect graduate medical
9.14 education amount attributable to Medicaid, calculated based on form CMS-2552-10,
9.15 worksheet E, part A, including:

9.16 (i) the Medicare indirect medical education formula, using Medicaid variables;

9.17 (ii) Medicaid payments for inpatient services under fee-for-service and managed care,
9.18 as determined by the commissioner in consultation with each eligible hospital;

9.19 (iii) total inpatient beds available, as reported on form CMS-2552-10, worksheet E, part
9.20 A, line 4; and

9.21 (iv) full-time employees, as determined by adding form CMS-2552-10, worksheet E,
9.22 part A, lines 10 and 11; and

9.23 (2) for eligible hospitals that are children's hospitals:

9.24 (i) the Medicare indirect medical education formula, using Medicaid variables;

9.25 (ii) Medicaid payments for inpatient services under fee-for-service and managed care,
9.26 as determined by the commissioner in consultation with each eligible hospital;

9.27 (iii) total inpatient beds available, as reported on form CMS-2552-10, worksheet S-3,
9.28 part 1; and

9.29 (iv) full-time equivalent interns and residents, as determined by adding form
9.30 CMS-2552-10, worksheet E-4, lines 6, 10.01, and 15.01.

10.1 (e) The commissioner shall determine each eligible hospital's maximum allowable
10.2 Medicaid direct graduate medical education supplemental payment amount by calculating
10.3 the sum of:

10.4 (1) the total allowable direct graduate medical education costs determined under paragraph
10.5 (b), clause (1), multiplied by the Medicaid share of total allowable direct graduate medical
10.6 education cost percentage in paragraph (b), clause (2); and

10.7 (2) the total allowable direct graduate medical education costs determined under paragraph
10.8 (b), clause (1), multiplied by the most recently updated Medicaid utilization percentage
10.9 from form CMS-2552-10, as submitted to Medicare by each eligible hospital.

10.10 (f) The commissioner shall determine each eligible hospital's indirect graduate medical
10.11 education supplemental payment amount by multiplying the total allowable indirect cost
10.12 of graduate medical education amount calculated in paragraph (d) by:

10.13 (1) 0.95 for prospective payment system, for hospitals that are not children's hospitals
10.14 and have fewer than 50 full-time equivalent trainees;

10.15 (2) 1.0 for prospective payment system, for hospitals that are not children's hospitals
10.16 and have equal to or greater than 50 full-time equivalent trainees; and

10.17 (3) 1.05 for children's hospitals.

10.18 (g) An eligible hospital's annual supplemental payment under this subdivision equals
10.19 the sum of the amount calculated for the eligible hospital under paragraph (e) and the amount
10.20 calculated for the eligible hospital under paragraph (f).

10.21 (h) The annual supplemental payments under this subdivision are contingent upon federal
10.22 approval and must conform with the requirements for permissible supplemental payments
10.23 for direct and indirect graduate medical education under all applicable federal laws.

10.24 (i) An eligible hospital is only eligible for reimbursement under section 62J.692 for
10.25 nonphysician graduate medical education training costs that are not accounted for in the
10.26 calculation of an annual supplemental payment under this section. An eligible hospital must
10.27 not accept reimbursement under section 62J.692 for physician graduate medical education
10.28 training costs that are accounted for in the calculation of an annual supplemental payment
10.29 under this section.

10.30 (j) For purposes of this subdivision, "children's hospital" means a Minnesota hospital
10.31 designated as a children's hospital under Medicare.

11.1 (k) For purposes of this subdivision, "eligible hospital" means a hospital located in
11.2 Minnesota:

11.3 (1) participating in Minnesota's medical assistance program;

11.4 (2) that has received fee-for-service medical assistance payments in the payment year;
11.5 and

11.6 (3) that is either:

11.7 (i) eligible to receive graduate medical education payments from the Medicare program
11.8 under Code of Federal Regulations, title 42, section 413.75; or

11.9 (ii) a children's hospital.

11.10 **EFFECTIVE DATE.** This section is effective January 1, 2025, or upon federal approval
11.11 of this section, the amendment in this act to section 256.969, subdivision 2b, and the teaching
11.12 hospital surcharge described in section 256.9657, subdivision 2a, whichever is later. The
11.13 commissioner of human services shall notify the revisor of statutes when federal approval
11.14 is obtained.

11.15 Sec. 4. Minnesota Statutes 2022, section 256.969, is amended by adding a subdivision to
11.16 read:

11.17 Subd. 32. **Biological products for cell and gene therapy.** (a) Effective July 1, 2024,
11.18 the commissioner shall provide separate reimbursement to hospitals for biological products
11.19 provided in the inpatient hospital setting as part of cell or gene therapy to treat rare diseases,
11.20 as defined in United States Code, title 21, section 360bb. This payment must be separate
11.21 from the diagnostic related group reimbursement for the inpatient admission or discharge
11.22 associated with a stay during which the patient received a product subject to this paragraph.

11.23 (b) The commissioner shall establish the separate reimbursement rate for biological
11.24 products provided under paragraph (a) based on the methodology used for drugs administered
11.25 in an outpatient setting under section 256B.0625, subdivision 13e, paragraph (e).

11.26 (c) Upon necessary federal approval of documentation required to enter into a value-based
11.27 arrangement under section 256B.0625, subdivision 13k, a drug manufacturer must enter
11.28 into a value-based arrangement with the commissioner in order for a biological product
11.29 provided in the inpatient hospital setting as part of cell or gene therapy to treat rare diseases
11.30 to remain paid under paragraph (a). Any such value-based arrangement that replaces the
11.31 payment in paragraph (a) will be effective 120 days after the date of the necessary federal

12.1 approval required to enter into the value-based arrangement under section 256B.0625,
12.2 subdivision 13k.

12.3 **EFFECTIVE DATE.** This section is effective July 1, 2024.

12.4 Sec. 5. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13e, as
12.5 amended by Laws 2024, chapter 85, section 66, is amended to read:

12.6 Subd. 13e. **Payment rates.** (a) The basis for determining the amount of payment shall
12.7 be the lower of the ingredient costs of the drugs plus the professional dispensing fee; or the
12.8 usual and customary price charged to the public. The usual and customary price means the
12.9 lowest price charged by the provider to a patient who pays for the prescription by cash,
12.10 check, or charge account and includes prices the pharmacy charges to a patient enrolled in
12.11 a prescription savings club or prescription discount club administered by the pharmacy or
12.12 pharmacy chain. The amount of payment basis must be reduced to reflect all discount
12.13 amounts applied to the charge by any third-party provider/insurer agreement or contract for
12.14 submitted charges to medical assistance programs. The net submitted charge may not be
12.15 greater than the patient liability for the service. The professional dispensing fee shall be
12.16 ~~\$10.77~~ \$11.55 for prescriptions filled with legend drugs meeting the definition of "covered
12.17 outpatient drugs" according to United States Code, title 42, section 1396r-8(k)(2). The
12.18 dispensing fee for intravenous solutions that must be compounded by the pharmacist shall
12.19 be ~~\$10.77~~ \$11.55 per claim. The professional dispensing fee for prescriptions filled with
12.20 over-the-counter drugs meeting the definition of covered outpatient drugs shall be ~~\$10.77~~
12.21 \$11.55 for dispensed quantities equal to or greater than the number of units contained in
12.22 the manufacturer's original package. The professional dispensing fee shall be prorated based
12.23 on the percentage of the package dispensed when the pharmacy dispenses a quantity less
12.24 than the number of units contained in the manufacturer's original package. The pharmacy
12.25 dispensing fee for prescribed over-the-counter drugs not meeting the definition of covered
12.26 outpatient drugs shall be \$3.65 for quantities equal to or greater than the number of units
12.27 contained in the manufacturer's original package and shall be prorated based on the
12.28 percentage of the package dispensed when the pharmacy dispenses a quantity less than the
12.29 number of units contained in the manufacturer's original package. The National Average
12.30 Drug Acquisition Cost (NADAC) shall be used to determine the ingredient cost of a drug.
12.31 For drugs for which a NADAC is not reported, the commissioner shall estimate the ingredient
12.32 cost at the wholesale acquisition cost minus two percent. The ingredient cost of a drug for
12.33 a provider participating in the federal 340B Drug Pricing Program shall be either the 340B
12.34 Drug Pricing Program ceiling price established by the Health Resources and Services
12.35 Administration or NADAC, whichever is lower. Wholesale acquisition cost is defined as

the manufacturer's list price for a drug or biological to wholesalers or direct purchasers in the United States, not including prompt pay or other discounts, rebates, or reductions in price, for the most recent month for which information is available, as reported in wholesale price guides or other publications of drug or biological pricing data. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to the actual acquisition cost of the drug product and no higher than the NADAC of the generic product. Establishment of the amount of payment for drugs shall not be subject to the requirements of the Administrative Procedure Act.

(b) Pharmacies dispensing prescriptions to residents of long-term care facilities using an automated drug distribution system meeting the requirements of section 151.58, or a packaging system meeting the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ retrospective billing for prescription drugs dispensed to long-term care facility residents. A retrospectively billing pharmacy must submit a claim only for the quantity of medication used by the enrolled recipient during the defined billing period. A retrospectively billing pharmacy must use a billing period not less than one calendar month or 30 days.

(c) A pharmacy provider using packaging that meets the standards set forth in Minnesota Rules, part 6800.2700, is required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse, unless the pharmacy is using retrospective billing. The commissioner may permit the drug clozapine to be dispensed in a quantity that is less than a 30-day supply.

(d) If a pharmacy dispenses a multisource drug, the ingredient cost shall be the NADAC of the generic product or the maximum allowable cost established by the commissioner unless prior authorization for the brand name product has been granted according to the criteria established by the Drug Formulary Committee as required by subdivision 13f, paragraph (a), and the prescriber has indicated "dispense as written" on the prescription in a manner consistent with section 151.21, subdivision 2.

(e) The basis for determining the amount of payment for drugs administered in an outpatient setting shall be the lower of the usual and customary cost submitted by the provider, 106 percent of the average sales price as determined by the United States Department of Health and Human Services pursuant to title XVIII, section 1847a of the federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner. If average sales price is unavailable, the amount of payment must be lower of the usual and customary cost submitted by the provider, the wholesale acquisition cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner.

14.1 The commissioner shall discount the payment rate for drugs obtained through the federal
14.2 340B Drug Pricing Program by 28.6 percent. The payment for drugs administered in an
14.3 outpatient setting shall be made to the administering facility or practitioner. A retail or
14.4 specialty pharmacy dispensing a drug for administration in an outpatient setting is not
14.5 eligible for direct reimbursement.

14.6 (f) The commissioner may establish maximum allowable cost rates for specialty pharmacy
14.7 products that are lower than the ingredient cost formulas specified in paragraph (a). The
14.8 commissioner may require individuals enrolled in the health care programs administered
14.9 by the department to obtain specialty pharmacy products from providers with whom the
14.10 commissioner has negotiated lower reimbursement rates. Specialty pharmacy products are
14.11 defined as those used by a small number of recipients or recipients with complex and chronic
14.12 diseases that require expensive and challenging drug regimens. Examples of these conditions
14.13 include, but are not limited to: multiple sclerosis, HIV/AIDS, transplantation, hepatitis C,
14.14 growth hormone deficiency, Crohn's Disease, rheumatoid arthritis, and certain forms of
14.15 cancer. Specialty pharmaceutical products include injectable and infusion therapies,
14.16 biotechnology drugs, antihemophilic factor products, high-cost therapies, and therapies that
14.17 require complex care. The commissioner shall consult with the Formulary Committee to
14.18 develop a list of specialty pharmacy products subject to maximum allowable cost
14.19 reimbursement. In consulting with the Formulary Committee in developing this list, the
14.20 commissioner shall take into consideration the population served by specialty pharmacy
14.21 products, the current delivery system and standard of care in the state, and access to care
14.22 issues. The commissioner shall have the discretion to adjust the maximum allowable cost
14.23 to prevent access to care issues.

14.24 (g) Home infusion therapy services provided by home infusion therapy pharmacies must
14.25 be paid at rates according to subdivision 8d.

14.26 (h) The commissioner shall contract with a vendor to conduct a cost of dispensing survey
14.27 for all pharmacies that are physically located in the state of Minnesota that dispense outpatient
14.28 drugs under medical assistance. The commissioner shall ensure that the vendor has prior
14.29 experience in conducting cost of dispensing surveys. Each pharmacy enrolled with the
14.30 department to dispense outpatient prescription drugs to fee-for-service members must
14.31 respond to the cost of dispensing survey. The commissioner may sanction a pharmacy under
14.32 section 256B.064 for failure to respond. The commissioner shall require the vendor to
14.33 measure a single statewide cost of dispensing for specialty prescription drugs and a single
14.34 statewide cost of dispensing for nonspecialty prescription drugs for all responding pharmacies
14.35 to measure the mean, mean weighted by total prescription volume, mean weighted by

medical assistance prescription volume, median, median weighted by total prescription volume, and median weighted by total medical assistance prescription volume. The commissioner shall post a copy of the final cost of dispensing survey report on the department's website. The initial survey must be completed no later than January 1, 2021, and repeated every three years. The commissioner shall provide a summary of the results of each cost of dispensing survey and provide recommendations for any changes to the dispensing fee to the chairs and ranking minority members of the legislative committees with jurisdiction over medical assistance pharmacy reimbursement. Notwithstanding section 256.01, subdivision 42, this paragraph does not expire.

(i) The commissioner shall increase the ingredient cost reimbursement calculated in paragraphs (a) and (f) by 1.8 percent for prescription and nonprescription drugs subject to the wholesale drug distributor tax under section 295.52.

EFFECTIVE DATE. This section is effective July 1, 2024.

Sec. 6. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13k, is amended to read:

Subd. 13k. **Value-based purchasing arrangements.** (a) The commissioner may enter into a value-based purchasing arrangement under medical assistance or MinnesotaCare, by written arrangement with a drug manufacturer based on agreed-upon metrics. The commissioner may contract with a vendor to implement and administer the value-based purchasing arrangement. A value-based purchasing arrangement may include but is not limited to rebates, discounts, price reductions, risk sharing, reimbursements, guarantees, shared savings payments, withholds, or bonuses. A value-based purchasing arrangement must provide at least the same value or discount in the aggregate as would claiming the mandatory federal drug rebate under the Federal Social Security Act, section 1927.

(b) Nothing in this section shall be interpreted as requiring a drug manufacturer or the commissioner to enter into an arrangement as described in paragraph (a).

(c) Nothing in this section shall be interpreted as altering or modifying medical assistance coverage requirements under the federal Social Security Act, section 1927.

(d) If the commissioner determines that a state plan amendment is necessary before implementing a value-based purchasing arrangement, the commissioner shall request the amendment and may delay implementing this provision until the amendment is approved.

(e) The commissioner may provide separate reimbursement to hospitals for drugs provided in the inpatient hospital setting as part of a value-based purchasing arrangement. This

payment must be separate from the diagnostic related group reimbursement for the inpatient admission or discharge associated with a stay during which the patient received a drug under this section. For payments made under this section, the hospital must not be reimbursed for the drug under the payment methodology in section 256.969. The commissioner shall establish the separate reimbursement rate for drugs provided under this section based on the methodology used for drugs administered in an outpatient setting under section 256B.0625, subdivision 13e, paragraph (e).

EFFECTIVE DATE. This section is effective upon federal approval. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 7. CONTINGENT PROPOSAL TO FUND MEDICAL EDUCATION.

(a) If the federal Centers for Medicare and Medicaid Services deny the request by the commissioner of human services to implement the teaching hospital surcharge under Minnesota Statutes, section 256.9657, subdivision 2a, the commissioner of human services, in cooperation with the commissioner of health, shall work with a third-party consultant identified by the Health Care Workforce and Education Committee established by the commissioner of health that has agreed to provide consulting services without charge to Minnesota to develop a proposal to finance the nonfederal share of the medical assistance supplemental payments described in Minnesota Statutes, section 256.969, subdivision 2g.

(b) The proposal must be designed to:

(1) enhance health care quality and the economic benefits that result from a well-trained workforce;

(2) ensure that Minnesota has trained a sufficient number of adult and pediatric primary and specialty care physicians by 2030;

(3) improve the cultural competence of and health care equity within the state's medical workforce;

(4) maintain and improve the quality of academic medical centers and teaching hospitals within the state;

(5) strengthen Minnesota's health care infrastructure; and

(6) satisfy any requirements for approval by the federal Centers for Medicare and Medicaid Services.

(c) The commissioner of human services shall present the proposal to the chairs and ranking minority members of the legislative committees with jurisdiction over medical

17.1 education within six months of federal denial of the request by the commissioner to
17.2 implement the teaching hospital surcharge.

17.3 Sec. 8. **COUNTY-ADMINISTERED RURAL MEDICAL ASSISTANCE MODEL.**

17.4 Subdivision 1. **Model development.** (a) The commissioner of human services, in
17.5 collaboration with the Association of Minnesota Counties and county-based purchasing
17.6 plans, shall develop a county-administered rural medical assistance (CARMA) model and
17.7 a detailed plan for implementing the CARMA model.

17.8 (b) The CARMA model must be designed to achieve the following objectives:

17.9 (1) provide a distinct county owned and administered alternative to the prepaid medical
17.10 assistance program;

17.11 (2) facilitate greater integration of health care and social services to address social
17.12 determinants of health in rural communities, with the degree of integration of social services
17.13 varying with each county's needs and resources;

17.14 (3) account for the smaller number of medical assistance enrollees and locally available
17.15 providers of behavioral health, oral health, specialty and tertiary care, nonemergency medical
17.16 transportation, and other health care services in rural communities; and

17.17 (4) promote greater accountability for health outcomes, health equity, customer service,
17.18 community outreach, and cost of care.

17.19 Subd. 2. **County participation.** The CARMA model must give each rural county the
17.20 option of applying to participate in the CARMA model as an alternative to participation in
17.21 the prepaid medical assistance program. The CARMA model must include a process for
17.22 the commissioner to determine whether and how a rural county can participate.

17.23 Subd. 3. **Report to the legislature.** (a) The commissioner shall report recommendations
17.24 and an implementation plan for the CARMA model to the chairs and ranking minority
17.25 members of the legislative committees with jurisdiction over health care policy and finance
17.26 by January 15, 2025. The CARMA model and implementation plan must address the issues
17.27 and consider the recommendations identified in the document titled "Recommendations
17.28 Not Contingent on Outcome(s) of Current Litigation," attached to the September 13, 2022,
17.29 e-filing to the Second Judicial District Court (Correspondence for Judicial Approval Index
17.30 #102), that relates to the final contract decisions of the commissioner of human services
17.31 regarding *South Country Health Alliance v. Minnesota Department of Human Services*, No.
17.32 62-CV-22-907 (Ramsey Cnty. Dist. Ct. 2022).

18.1 (b) The report must also identify the clarifications, approvals, and waivers that are needed
18.2 from the Centers for Medicare and Medicaid Services and include any draft legislation
18.3 necessary to implement the CARMA model.

18.4 Sec. 9. **REVISOR INSTRUCTION.**

18.5 When the proposed rule published at Federal Register, volume 88, page 25313, becomes
18.6 effective, the revisor of statutes must change: (1) the reference in Minnesota Statutes, section
18.7 256B.06, subdivision 4, paragraph (d), from Code of Federal Regulations, title 8, section
18.8 103.12, to Code of Federal Regulations, title 42, section 435.4; and (2) the reference in
18.9 Minnesota Statutes, section 256L.04, subdivision 10, paragraph (a), from Code of Federal
18.10 Regulations, title 8, section 103.12, to Code of Federal Regulations, title 45, section 155.20.
18.11 The commissioner of human services shall notify the revisor of statutes when the proposed
18.12 rule published at Federal Register, volume 88, page 25313, becomes effective.

18.13 **ARTICLE 2**

18.17 to determine eligibility for benefits under a health benefit plan. The appeal procedure
18.18 described in section 62M.06 applies to any complaint as defined under section 62Q.68,
18.19 subdivision 2, that requires a medical determination in its resolution.

18.20 (b) Effective January 1, 2026, this chapter ~~does not apply~~ applies to managed care plans
18.21 or county-based purchasing plans when the plan is providing coverage to state public health
18.22 care program enrollees under chapter 256B or 256L.

18.23 (c) Effective January 1, 2026, the following sections of this chapter apply to services
18.24 delivered through fee-for-service under chapters 256B and 256L: sections 62M.02,
18.25 subdivisions 1 to 5, 7 to 12, 13, 14 to 18, and 21; 62M.04; 62M.05, subdivisions 1 to 4;
18.26 62M.06, subdivisions 1 to 3; 62M.07; 62M.072; 62M.09; 62M.10; 62M.12; and 62M.17,
18.27 subdivision 2.

18.28 Sec. 2. Minnesota Statutes 2023 Supplement, section 256.0471, subdivision 1, as amended
18.29 by Laws 2024, chapter 80, article 1, section 76, is amended to read:

18.30 Subdivision 1. **Qualifying overpayment.** Any overpayment for state-funded medical
18.31 assistance under chapter 256B and state-funded MinnesotaCare under chapter 256L granted

pursuant to section 256.045, subdivision 10; ~~chapter 256B for state-funded medical assistance;~~ and chapters 256D, 256I, 256K, and 256L for state-funded MinnesotaCare except agency error claims, become a judgment by operation of law 90 days after the notice of overpayment is personally served upon the recipient in a manner that is sufficient under rule 4.03(a) of the Rules of Civil Procedure for district courts, or by certified mail, return receipt requested. This judgment shall be entitled to full faith and credit in this and any other state.

EFFECTIVE DATE. This section is effective July 1, 2024.

Sec. 3. Minnesota Statutes 2022, section 256.9657, subdivision 8, is amended to read:

Subd. 8. **Commissioner's duties.** ~~(a) Beginning October 1, 2023, the commissioner of human services shall annually report to the chairs and ranking minority members of the legislative committees with jurisdiction over health care policy and finance regarding the provider surcharge program. The report shall include information on total billings, total collections, and administrative expenditures for the previous fiscal year. This paragraph expires January 1, 2032.~~

~~(b)~~ (a) The surcharge shall be adjusted by inflationary and caseload changes in future bienniums to maintain reimbursement of health care providers in accordance with the requirements of the state and federal laws governing the medical assistance program, including the requirements of the Medicaid moratorium amendments of 1991 found in Public Law No. 102-234.

~~(c)~~ (b) The commissioner shall request the Minnesota congressional delegation to support a change in federal law that would prohibit federal disallowances for any state that makes a good faith effort to comply with Public Law 102-234 by enacting conforming legislation prior to the issuance of federal implementing regulations.

Sec. 4. Minnesota Statutes 2022, section 256.969, is amended by adding a subdivision to read:

Subd. 2h. **Alternate inpatient payment rate for a discharge.** (a) Effective retroactively from January 1, 2024, in any rate year in which a children's hospital discharge is included in the federally required disproportionate share hospital payment audit, where the patient discharged had resided in a children's hospital for over 20 years, the commissioner shall compute an alternate inpatient rate for the children's hospital. The alternate payment rate must be the rate computed under this section excluding the disproportionate share hospital payment under subdivision 9, paragraph (d), clause (1), increased by an amount equal to

20.1 99 percent of what the disproportionate share hospital payment would have been under
20.2 subdivision 9, paragraph (d), clause (1), had the discharge been excluded.

20.3 (b) In any rate year in which payment to a children's hospital is made using this alternate
20.4 payment rate, payments must not be made to the hospital under subdivisions 2e, 2f, and 9.

20.5 **EFFECTIVE DATE.** This section is effective upon federal approval. The commissioner
20.6 of human services shall notify the revisor of statutes when federal approval is obtained.

20.7 Sec. 5. Minnesota Statutes 2022, section 256B.056, subdivision 1a, is amended to read:

20.8 Subd. 1a. **Income and assets generally.** (a)(1) Unless specifically required by state law
20.9 or rule or federal law or regulation, the methodologies used in counting income and assets
20.10 to determine eligibility for medical assistance for persons whose eligibility category is based
20.11 on blindness, disability, or age of 65 or more years, the methodologies for the Supplemental
20.12 Security Income program shall be used, except as provided ~~under~~ in clause (2) and
20.13 subdivision 3, paragraph (a), clause (6).

20.14 (2) State tax credits, rebates, and refunds must not be counted as income. State tax credits,
20.15 rebates, and refunds must not be counted as assets for a period of 12 months after the month
20.16 of receipt.

20.17 ~~(2)~~ (3) Increases in benefits under title II of the Social Security Act shall not be counted
20.18 as income for purposes of this subdivision until July 1 of each year. Effective upon federal
20.19 approval, for children eligible under section 256B.055, subdivision 12, or for home and
20.20 community-based waiver services whose eligibility for medical assistance is determined
20.21 without regard to parental income, child support payments, including any payments made
20.22 by an obligor in satisfaction of or in addition to a temporary or permanent order for child
20.23 support, and Social Security payments are not counted as income.

20.24 (b)(1) The modified adjusted gross income methodology as defined in United States
20.25 Code, title 42, section 1396a(e)(14), shall be used for eligibility categories based on:

20.26 (i) children under age 19 and their parents and relative caretakers as defined in section
20.27 256B.055, subdivision 3a;

20.28 (ii) children ages 19 to 20 as defined in section 256B.055, subdivision 16;

20.29 (iii) pregnant women as defined in section 256B.055, subdivision 6;

20.30 (iv) infants as defined in sections 256B.055, subdivision 10, and 256B.057, subdivision
20.31 1; and

20.32 (v) adults without children as defined in section 256B.055, subdivision 15.

21.1 For these purposes, a "methodology" does not include an asset or income standard, or
21.2 accounting method, or method of determining effective dates.

21.3 (2) For individuals whose income eligibility is determined using the modified adjusted
21.4 gross income methodology in clause (1):

21.5 (i) the commissioner shall subtract from the individual's modified adjusted gross income
21.6 an amount equivalent to five percent of the federal poverty guidelines; and

21.7 (ii) the individual's current monthly income and household size is used to determine
21.8 eligibility for the 12-month eligibility period. If an individual's income is expected to vary
21.9 month to month, eligibility is determined based on the income predicted for the 12-month
21.10 eligibility period.

21.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.12 Sec. 6. Minnesota Statutes 2022, section 256B.056, subdivision 10, is amended to read:

21.13 Subd. 10. **Eligibility verification.** (a) The commissioner shall require women who are
21.14 applying for the continuation of medical assistance coverage following the end of the
21.15 12-month postpartum period to update their income and asset information and to submit
21.16 any required income or asset verification.

21.17 (b) The commissioner shall determine the eligibility of private-sector health care coverage
21.18 for infants less than one year of age eligible under section 256B.055, subdivision 10, or
21.19 256B.057, subdivision 1, paragraph (c), and shall pay for private-sector coverage if this is
21.20 determined to be cost-effective.

21.21 (c) The commissioner shall verify assets and income for all applicants, and for all
21.22 recipients upon renewal.

21.23 (d) The commissioner shall utilize information obtained through the electronic service
21.24 established by the secretary of the United States Department of Health and Human Services
21.25 and other available electronic data sources in Code of Federal Regulations, title 42, sections
21.26 435.940 to 435.956, to verify eligibility requirements. The commissioner shall establish
21.27 standards to define when information obtained electronically is reasonably compatible with
21.28 information provided by applicants and enrollees, including use of self-attestation, to
21.29 accomplish real-time eligibility determinations and maintain program integrity.

21.30 (e) Each person applying for or receiving medical assistance under section 256B.055,
21.31 subdivision 7, and any other person whose resources are required by law to be disclosed to
21.32 determine the applicant's or recipient's eligibility must authorize the commissioner to obtain

22.1 information from financial institutions to ~~identify unreported accounts~~ verify assets as
22.2 required in section 256.01, subdivision 18f. If a person refuses or revokes the authorization,
22.3 the commissioner may determine that the applicant or recipient is ineligible for medical
22.4 assistance. For purposes of this paragraph, an authorization to ~~identify unreported accounts~~
22.5 verify assets meets the requirements of the Right to Financial Privacy Act, United States
22.6 Code, title 12, chapter 35, and need not be furnished to the financial institution.

22.7 (f) County and tribal agencies shall comply with the standards established by the
22.8 commissioner for appropriate use of the asset verification system specified in section 256.01,
22.9 subdivision 18f.

22.10 Sec. 7. Minnesota Statutes 2023 Supplement, section 256B.0622, subdivision 8, is amended
22.11 to read:

22.12 Subd. 8. **Medical assistance payment for assertive community treatment and**
22.13 **intensive residential treatment services.** (a) Payment for intensive residential treatment
22.14 services and assertive community treatment in this section shall be based on one daily rate
22.15 per provider inclusive of the following services received by an eligible client in a given
22.16 calendar day: all rehabilitative services under this section, staff travel time to provide
22.17 rehabilitative services under this section, and nonresidential crisis stabilization services
22.18 under section 256B.0624.

22.19 (b) Except as indicated in paragraph (c), payment will not be made to more than one
22.20 entity for each client for services provided under this section on a given day. If services
22.21 under this section are provided by a team that includes staff from more than one entity, the
22.22 team must determine how to distribute the payment among the members.

22.23 (c) The commissioner shall determine one rate for each provider that will bill medical
22.24 assistance for residential services under this section and one rate for each assertive community
22.25 treatment provider. If a single entity provides both services, one rate is established for the
22.26 entity's residential services and another rate for the entity's nonresidential services under
22.27 this section. A provider is not eligible for payment under this section without authorization
22.28 from the commissioner. The commissioner shall develop rates using the following criteria:

22.29 (1) the provider's cost for services shall include direct services costs, other program
22.30 costs, and other costs determined as follows:

22.31 (i) the direct services costs must be determined using actual costs of salaries, benefits,
22.32 payroll taxes, and training of direct service staff and service-related transportation;

(ii) other program costs not included in item (i) must be determined as a specified percentage of the direct services costs as determined by item (i). The percentage used shall be determined by the commissioner based upon the average of percentages that represent the relationship of other program costs to direct services costs among the entities that provide similar services;

(iii) physical plant costs calculated based on the percentage of space within the program that is entirely devoted to treatment and programming. This does not include administrative or residential space;

(iv) assertive community treatment physical plant costs must be reimbursed as part of the costs described in item (ii); and

(v) subject to federal approval, up to an additional five percent of the total rate may be added to the program rate as a quality incentive based upon the entity meeting performance criteria specified by the commissioner;

(2) actual cost is defined as costs which are allowable, allocable, and reasonable, and consistent with federal reimbursement requirements under Code of Federal Regulations, title 48, chapter 1, part 31, relating to for-profit entities, and Office of Management and Budget Circular Number A-122, relating to nonprofit entities;

(3) the number of service units;

(4) the degree to which clients will receive services other than services under this section; and

(5) the costs of other services that will be separately reimbursed.

(d) The rate for intensive residential treatment services and assertive community treatment must exclude the medical assistance room and board rate, as defined in section 256B.056, subdivision 5d, and services not covered under this section, such as partial hospitalization, home care, and inpatient services.

(e) Physician services that are not separately billed may be included in the rate to the extent that a psychiatrist, or other health care professional providing physician services within their scope of practice, is a member of the intensive residential treatment services treatment team. Physician services, whether billed separately or included in the rate, may be delivered by telehealth. For purposes of this paragraph, "telehealth" has the meaning given to "mental health telehealth" in section 256B.0625, subdivision 46, when telehealth is used to provide intensive residential treatment services.

(f) When services under this section are provided by an assertive community treatment provider, case management functions must be an integral part of the team.

(g) The rate for a provider must not exceed the rate charged by that provider for the same service to other payors.

(h) The rates for existing programs must be established prospectively based upon the expenditures and utilization over a prior 12-month period using the criteria established in paragraph (c). The rates for new programs must be established based upon estimated expenditures and estimated utilization using the criteria established in paragraph (c).

(i) Effective for the rate years beginning on and after January 1, 2024, rates for assertive community treatment, adult residential crisis stabilization services, and intensive residential treatment services must be annually adjusted for inflation using the Centers for Medicare and Medicaid Services Medicare Economic Index, as forecasted in the ~~fourth~~ third quarter of the calendar year before the rate year. The inflation adjustment must be based on the 12-month period from the midpoint of the previous rate year to the midpoint of the rate year for which the rate is being determined.

(j) Entities who discontinue providing services must be subject to a settle-up process whereby actual costs and reimbursement for the previous 12 months are compared. In the event that the entity was paid more than the entity's actual costs plus any applicable performance-related funding due the provider, the excess payment must be reimbursed to the department. If a provider's revenue is less than actual allowed costs due to lower utilization than projected, the commissioner may reimburse the provider to recover its actual allowable costs. The resulting adjustments by the commissioner must be proportional to the percent of total units of service reimbursed by the commissioner and must reflect a difference of greater than five percent.

(k) A provider may request of the commissioner a review of any rate-setting decision made under this subdivision.

Sec. 8. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 9, is amended to read:

Subd. 9. Dental services. (a) Medical assistance covers medically necessary dental services.

(b) The following guidelines apply to dental services:

(1) posterior fillings are paid at the amalgam rate;

25.1 (2) application of sealants are covered once every five years per permanent molar; and

25.2 (3) application of fluoride varnish is covered once every six months.

25.3 (c) In addition to the services specified in paragraph ~~(b)~~ (a), medical assistance covers
25.4 the following services:

25.5 (1) house calls or extended care facility calls for on-site delivery of covered services;

25.6 (2) behavioral management when additional staff time is required to accommodate
25.7 behavioral challenges and sedation is not used;

25.8 (3) oral or IV sedation, if the covered dental service cannot be performed safely without
25.9 it or would otherwise require the service to be performed under general anesthesia in a
25.10 hospital or surgical center; and

25.11 (4) prophylaxis, in accordance with an appropriate individualized treatment plan, but
25.12 no more than four times per year.

25.13 (d) The commissioner shall not require prior authorization for the services included in
25.14 paragraph (c), clauses (1) to (3), and shall prohibit managed care and county-based purchasing
25.15 plans from requiring prior authorization for the services included in paragraph (c), clauses
25.16 (1) to (3), when provided under sections 256B.69, 256B.692, and 256L.12.

25.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

25.18 Sec. 9. Minnesota Statutes 2022, section 256B.0625, subdivision 12, is amended to read:

25.19 Subd. 12. **Eyeglasses, ~~dentures~~, and prosthetic and orthotic devices.** (a) Medical
25.20 assistance covers eyeglasses, ~~dentures~~, and prosthetic and orthotic devices if prescribed by
25.21 a licensed practitioner.

25.22 (b) For purposes of prescribing prosthetic and orthotic devices, "licensed practitioner"
25.23 includes a physician, an advanced practice registered nurse, a physician assistant, or a
25.24 podiatrist.

25.25 **EFFECTIVE DATE.** This section is effective the day following final enactment.

25.26 Sec. 10. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13e, as
25.27 amended by Laws 2024, chapter 85, section 66, is amended to read:

25.28 Subd. 13e. **Payment rates.** (a) The basis for determining the amount of payment shall
25.29 be the lower of the ingredient costs of the drugs plus the professional dispensing fee; or the
25.30 usual and customary price charged to the public. The usual and customary price means the

26.1 lowest price charged by the provider to a patient who pays for the prescription by cash,
26.2 check, or charge account and includes prices the pharmacy charges to a patient enrolled in
26.3 a prescription savings club or prescription discount club administered by the pharmacy or
26.4 pharmacy chain, unless the prescription savings club or prescription discount club is one
26.5 in which an individual pays a recurring monthly access fee for unlimited access to a defined
26.6 list of drugs for which the pharmacy does not bill the member or a payer on a
26.7 per-standard-transaction basis. The amount of payment basis must be reduced to reflect all
26.8 discount amounts applied to the charge by any third-party provider/insurer agreement or
26.9 contract for submitted charges to medical assistance programs. The net submitted charge
26.10 may not be greater than the patient liability for the service. The professional dispensing fee
26.11 shall be \$10.77 for prescriptions filled with legend drugs meeting the definition of "covered
26.12 outpatient drugs" according to United States Code, title 42, section 1396r-8(k)(2). The
26.13 dispensing fee for intravenous solutions that must be compounded by the pharmacist shall
26.14 be \$10.77 per claim. The professional dispensing fee for prescriptions filled with
26.15 over-the-counter drugs meeting the definition of covered outpatient drugs shall be \$10.77
26.16 for dispensed quantities equal to or greater than the number of units contained in the
26.17 manufacturer's original package. The professional dispensing fee shall be prorated based
26.18 on the percentage of the package dispensed when the pharmacy dispenses a quantity less
26.19 than the number of units contained in the manufacturer's original package. The pharmacy
26.20 dispensing fee for prescribed over-the-counter drugs not meeting the definition of covered
26.21 outpatient drugs shall be \$3.65 for quantities equal to or greater than the number of units
26.22 contained in the manufacturer's original package and shall be prorated based on the
26.23 percentage of the package dispensed when the pharmacy dispenses a quantity less than the
26.24 number of units contained in the manufacturer's original package. The National Average
26.25 Drug Acquisition Cost (NADAC) shall be used to determine the ingredient cost of a drug.
26.26 For drugs for which a NADAC is not reported, the commissioner shall estimate the ingredient
26.27 cost at the wholesale acquisition cost minus two percent. The ingredient cost of a drug for
26.28 a provider participating in the federal 340B Drug Pricing Program shall be either the 340B
26.29 Drug Pricing Program ceiling price established by the Health Resources and Services
26.30 Administration or NADAC, whichever is lower. Wholesale acquisition cost is defined as
26.31 the manufacturer's list price for a drug or biological to wholesalers or direct purchasers in
26.32 the United States, not including prompt pay or other discounts, rebates, or reductions in
26.33 price, for the most recent month for which information is available, as reported in wholesale
26.34 price guides or other publications of drug or biological pricing data. The maximum allowable
26.35 cost of a multisource drug may be set by the commissioner and it shall be comparable to
26.36 the actual acquisition cost of the drug product and no higher than the NADAC of the generic

product. Establishment of the amount of payment for drugs shall not be subject to the requirements of the Administrative Procedure Act.

(b) Pharmacies dispensing prescriptions to residents of long-term care facilities using an automated drug distribution system meeting the requirements of section 151.58, or a packaging system meeting the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ retrospective billing for prescription drugs dispensed to long-term care facility residents. A retrospectively billing pharmacy must submit a claim only for the quantity of medication used by the enrolled recipient during the defined billing period. A retrospectively billing pharmacy must use a billing period not less than one calendar month or 30 days.

(c) A pharmacy provider using packaging that meets the standards set forth in Minnesota Rules, part 6800.2700, is required to credit the department for the actual acquisition cost of all unused drugs that are eligible for reuse, unless the pharmacy is using retrospective billing. The commissioner may permit the drug clozapine to be dispensed in a quantity that is less than a 30-day supply.

(d) If a pharmacy dispenses a multisource drug, the ingredient cost shall be the NADAC of the generic product or the maximum allowable cost established by the commissioner unless prior authorization for the brand name product has been granted according to the criteria established by the Drug Formulary Committee as required by subdivision 13f, paragraph (a), and the prescriber has indicated "dispense as written" on the prescription in a manner consistent with section 151.21, subdivision 2.

(e) The basis for determining the amount of payment for drugs administered in an outpatient setting shall be the lower of the usual and customary cost submitted by the provider, 106 percent of the average sales price as determined by the United States Department of Health and Human Services pursuant to title XVIII, section 1847a of the federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner. If average sales price is unavailable, the amount of payment must be lower of the usual and customary cost submitted by the provider, the wholesale acquisition cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner. The commissioner shall discount the payment rate for drugs obtained through the federal 340B Drug Pricing Program by 28.6 percent. The payment for drugs administered in an outpatient setting shall be made to the administering facility or practitioner. A retail or specialty pharmacy dispensing a drug for administration in an outpatient setting is not eligible for direct reimbursement.

(f) The commissioner may establish maximum allowable cost rates for specialty pharmacy products that are lower than the ingredient cost formulas specified in paragraph (a). The commissioner may require individuals enrolled in the health care programs administered by the department to obtain specialty pharmacy products from providers with whom the commissioner has negotiated lower reimbursement rates. Specialty pharmacy products are defined as those used by a small number of recipients or recipients with complex and chronic diseases that require expensive and challenging drug regimens. Examples of these conditions include, but are not limited to: multiple sclerosis, HIV/AIDS, transplantation, hepatitis C, growth hormone deficiency, Crohn's Disease, rheumatoid arthritis, and certain forms of cancer. Specialty pharmaceutical products include injectable and infusion therapies, biotechnology drugs, antihemophilic factor products, high-cost therapies, and therapies that require complex care. The commissioner shall consult with the Formulary Committee to develop a list of specialty pharmacy products subject to maximum allowable cost reimbursement. In consulting with the Formulary Committee in developing this list, the commissioner shall take into consideration the population served by specialty pharmacy products, the current delivery system and standard of care in the state, and access to care issues. The commissioner shall have the discretion to adjust the maximum allowable cost to prevent access to care issues.

(g) Home infusion therapy services provided by home infusion therapy pharmacies must be paid at rates according to subdivision 8d.

(h) The commissioner shall contract with a vendor to conduct a cost of dispensing survey for all pharmacies that are physically located in the state of Minnesota that dispense outpatient drugs under medical assistance. The commissioner shall ensure that the vendor has prior experience in conducting cost of dispensing surveys. Each pharmacy enrolled with the department to dispense outpatient prescription drugs to fee-for-service members must respond to the cost of dispensing survey. The commissioner may sanction a pharmacy under section 256B.064 for failure to respond. The commissioner shall require the vendor to measure a single statewide cost of dispensing for specialty prescription drugs and a single statewide cost of dispensing for nonspecialty prescription drugs for all responding pharmacies to measure the mean, mean weighted by total prescription volume, mean weighted by medical assistance prescription volume, median, median weighted by total prescription volume, and median weighted by total medical assistance prescription volume. The commissioner shall post a copy of the final cost of dispensing survey report on the department's website. The initial survey must be completed no later than January 1, 2021, and repeated every three years. The commissioner shall provide a summary of the results

29.1 of each cost of dispensing survey and provide recommendations for any changes to the
29.2 dispensing fee to the chairs and ranking minority members of the legislative committees
29.3 with jurisdiction over medical assistance pharmacy reimbursement. Notwithstanding section
29.4 256.01, subdivision 42, this paragraph does not expire.

29.5 (i) The commissioner shall increase the ingredient cost reimbursement calculated in
29.6 paragraphs (a) and (f) by 1.8 percent for prescription and nonprescription drugs subject to
29.7 the wholesale drug distributor tax under section 295.52.

29.8 Sec. 11. Minnesota Statutes 2022, section 256B.0625, is amended by adding a subdivision
29.9 to read:

29.10 Subd. 25c. **Applicability of utilization review provisions.** Effective January 1, 2026,
29.11 the following provisions of chapter 62M apply to the commissioner when delivering services
29.12 through fee-for-service under chapters 256B and 256L: sections 62M.02, subdivisions 1 to
29.13 5, 7 to 12, 13, 14 to 18, and 21; 62M.04; 62M.05, subdivisions 1 to 4; 62M.06, subdivisions
29.14 1 to 3; 62M.07; 62M.072; 62M.09; 62M.10; 62M.12; and 62M.17, subdivision 2.

29.15 Sec. 12. Minnesota Statutes 2023 Supplement, section 256B.0701, subdivision 6, is
29.16 amended to read:

29.17 Subd. 6. **Recuperative care facility rate.** (a) The recuperative care facility rate is for
29.18 facility costs and must be paid from state money in an amount equal to the ~~medical assistance~~
29.19 ~~room and board~~ MSA equivalent rate as defined in section 256I.03, subdivision 11a, at the
29.20 time the recuperative care services were provided. The eligibility standards in chapter 256I
29.21 do not apply to the recuperative care facility rate. The recuperative care facility rate is only
29.22 paid when the recuperative care services rate is paid to a provider. Providers may opt to
29.23 only receive the recuperative care services rate.

29.24 (b) Before a recipient is discharged from a recuperative care setting, the provider must
29.25 ensure that the recipient's medical condition is stabilized or that the recipient is being
29.26 discharged to a setting that is able to meet that recipient's needs.

29.27 Sec. 13. Minnesota Statutes 2023 Supplement, section 256B.0947, subdivision 7, is
29.28 amended to read:

29.29 Subd. 7. **Medical assistance payment and rate setting.** (a) Payment for services in this
29.30 section must be based on one daily encounter rate per provider inclusive of the following
29.31 services received by an eligible client in a given calendar day: all rehabilitative services,

supports, and ancillary activities under this section, staff travel time to provide rehabilitative services under this section, and crisis response services under section 256B.0624.

(b) Payment must not be made to more than one entity for each client for services provided under this section on a given day. If services under this section are provided by a team that includes staff from more than one entity, the team shall determine how to distribute the payment among the members.

(c) The commissioner shall establish regional cost-based rates for entities that will bill medical assistance for nonresidential intensive rehabilitative mental health services. In developing these rates, the commissioner shall consider:

(1) the cost for similar services in the health care trade area;

(2) actual costs incurred by entities providing the services;

(3) the intensity and frequency of services to be provided to each client;

(4) the degree to which clients will receive services other than services under this section; and

(5) the costs of other services that will be separately reimbursed.

(d) The rate for a provider must not exceed the rate charged by that provider for the same service to other payers.

(e) Effective for the rate years beginning on and after January 1, 2024, rates must be annually adjusted for inflation using the Centers for Medicare and Medicaid Services Medicare Economic Index, as forecasted in the ~~fourth~~ third quarter of the calendar year before the rate year. The inflation adjustment must be based on the 12-month period from the midpoint of the previous rate year to the midpoint of the rate year for which the rate is being determined.

Sec. 14. Minnesota Statutes 2023 Supplement, section 256B.764, is amended to read:

256B.764 REIMBURSEMENT FOR FAMILY PLANNING SERVICES.

(a) Effective for services rendered on or after July 1, 2007, payment rates for family planning services shall be increased by 25 percent over the rates in effect June 30, 2007, when these services are provided by a community clinic as defined in section 145.9268, subdivision 1.

Sec. 16. Minnesota Statutes 2022, section 524.3-801, as amended by Laws 2024, chapter 79, article 9, section 20, is amended to read:

524.3-801 NOTICE TO CREDITORS.

(a) Unless notice has already been given under this section, upon appointment of a general personal representative in informal proceedings or upon the filing of a petition for formal appointment of a general personal representative, notice thereof, in the form prescribed by court rule, shall be given under the direction of the court administrator by publication once a week for two successive weeks in a legal newspaper in the county wherein the proceedings are pending giving the name and address of the general personal representative

and notifying creditors of the estate to present their claims within four months after the date of the court administrator's notice which is subsequently published or be forever barred, unless they are entitled to further service of notice under paragraph (b) or (c).

(b) The personal representative shall, within three months after the date of the first publication of the notice, serve a copy of the notice upon each then known and identified creditor in the manner provided in paragraph (c). If the decedent or a predeceased spouse of the decedent received assistance for which a claim could be filed under section 246.53, 256B.15, 256D.16, or 261.04, notice to the commissioner of human services or direct care and treatment executive board, as applicable, must be given under paragraph (d) instead of under this paragraph or paragraph (c). A creditor is "known" if: (i) the personal representative knows that the creditor has asserted a claim that arose during the decedent's life against either the decedent or the decedent's estate; (ii) the creditor has asserted a claim that arose during the decedent's life and the fact is clearly disclosed in accessible financial records known and available to the personal representative; or (iii) the claim of the creditor would be revealed by a reasonably diligent search for creditors of the decedent in accessible financial records known and available to the personal representative. Under this section, a creditor is "identified" if the personal representative's knowledge of the name and address of the creditor will permit service of notice to be made under paragraph (c).

(c) Unless the claim has already been presented to the personal representative or paid, the personal representative shall serve a copy of the notice required by paragraph (b) upon each creditor of the decedent who is then known to the personal representative and identified either by delivery of a copy of the required notice to the creditor, or by mailing a copy of the notice to the creditor by certified, registered, or ordinary first class mail addressed to the creditor at the creditor's office or place of residence.

(d)(1) Effective for decedents dying on or after July 1, 1997, if the decedent or a predeceased spouse of the decedent received assistance for which a claim could be filed under section 246.53, 256B.15, 256D.16, or 261.04, the personal representative or the attorney for the personal representative shall serve the commissioner or executive board, as applicable, with notice in the manner prescribed in paragraph (c), or electronically in a manner prescribed by the commissioner or executive board, as soon as practicable after the appointment of the personal representative. The notice must state the decedent's full name, date of birth, and Social Security number and, to the extent then known after making a reasonably diligent inquiry, the full name, date of birth, and Social Security number for each of the decedent's predeceased spouses. The notice may also contain a statement that, after making a reasonably diligent inquiry, the personal representative has determined that

the decedent did not have any predeceased spouses or that the personal representative has been unable to determine one or more of the previous items of information for a predeceased spouse of the decedent. A copy of the notice to creditors must be attached to and be a part of the notice to the commissioner or executive board.

(2) Notwithstanding a will or other instrument or law to the contrary, except as allowed in this paragraph, no property subject to administration by the estate may be distributed by the estate or the personal representative until 70 days after the date the notice is served on the commissioner or executive board as provided in paragraph (c), unless the local agency consents as provided for in clause (6). This restriction on distribution does not apply to the personal representative's sale of real or personal property, but does apply to the net proceeds the estate receives from these sales. The personal representative, or any person with personal knowledge of the facts, may provide an affidavit containing the description of any real or personal property affected by this paragraph and stating facts showing compliance with this paragraph. If the affidavit describes real property, it may be filed or recorded in the office of the county recorder or registrar of titles for the county where the real property is located. This paragraph does not apply to proceedings under sections 524.3-1203 and 525.31, or when a duly authorized agent of a county is acting as the personal representative of the estate.

(3) At any time before an order or decree is entered under section 524.3-1001 or 524.3-1002, or a closing statement is filed under section 524.3-1003, the personal representative or the attorney for the personal representative may serve an amended notice on the commissioner or executive board to add variations or other names of the decedent or a predeceased spouse named in the notice, the name of a predeceased spouse omitted from the notice, to add or correct the date of birth or Social Security number of a decedent or predeceased spouse named in the notice, or to correct any other deficiency in a prior notice. The amended notice must state the decedent's name, date of birth, and Social Security number, the case name, case number, and district court in which the estate is pending, and the date the notice being amended was served on the commissioner or executive board. If the amendment adds the name of a predeceased spouse omitted from the notice, it must also state that spouse's full name, date of birth, and Social Security number. The amended notice must be served on the commissioner or executive board in the same manner as the original notice. Upon service, the amended notice relates back to and is effective from the date the notice it amends was served, and the time for filing claims arising under section 246.53, 256B.15, 256D.16 or 261.04 is extended by 60 days from the date of service of the amended notice. Claims filed during the 60-day period are undischarged and unbarred claims, may

34.1 be prosecuted by the entities entitled to file those claims in accordance with section
34.2 524.3-1004, and the limitations in section 524.3-1006 do not apply. The personal
34.3 representative or any person with personal knowledge of the facts may provide and file or
34.4 record an affidavit in the same manner as provided for in clause (1).

34.5 (4) Within one year after the date an order or decree is entered under section 524.3-1001
34.6 or 524.3-1002 or a closing statement is filed under section 524.3-1003, any person who has
34.7 an interest in property that was subject to administration by the estate may serve an amended
34.8 notice on the commissioner or executive board to add variations or other names of the
34.9 decedent or a predeceased spouse named in the notice, the name of a predeceased spouse
34.10 omitted from the notice, to add or correct the date of birth or Social Security number of a
34.11 decedent or predeceased spouse named in the notice, or to correct any other deficiency in
34.12 a prior notice. The amended notice must be served on the commissioner or executive board
34.13 in the same manner as the original notice and must contain the information required for
34.14 amendments under clause (3). If the amendment adds the name of a predeceased spouse
34.15 omitted from the notice, it must also state that spouse's full name, date of birth, and Social
34.16 Security number. Upon service, the amended notice relates back to and is effective from
34.17 the date the notice it amends was served. If the amended notice adds the name of an omitted
34.18 predeceased spouse or adds or corrects the Social Security number or date of birth of the
34.19 decedent or a predeceased spouse already named in the notice, then, notwithstanding any
34.20 other laws to the contrary, claims against the decedent's estate on account of those persons
34.21 resulting from the amendment and arising under section 246.53, 256B.15, 256D.16, or
34.22 261.04 are undischarged and unbarred claims, may be prosecuted by the entities entitled to
34.23 file those claims in accordance with section 524.3-1004, and the limitations in section
34.24 524.3-1006 do not apply. The person filing the amendment or any other person with personal
34.25 knowledge of the facts may provide and file or record an affidavit describing affected real
34.26 or personal property in the same manner as clause (1).

34.27 (5) After one year from the date an order or decree is entered under section 524.3-1001
34.28 or 524.3-1002, or a closing statement is filed under section 524.3-1003, no error, omission,
34.29 or defect of any kind in the notice to the commissioner or executive board required under
34.30 this paragraph or in the process of service of the notice on the commissioner or executive
34.31 board, or the failure to serve the commissioner or executive board with notice as required
34.32 by this paragraph, makes any distribution of property by a personal representative void or
34.33 voidable. The distributee's title to the distributed property shall be free of any claims based
34.34 upon a failure to comply with this paragraph.

(6) The local agency may consent to a personal representative's request to distribute property subject to administration by the estate to distributees during the 70-day period after service of notice on the commissioner or executive board. The local agency may grant or deny the request in whole or in part and may attach conditions to its consent as it deems appropriate. When the local agency consents to a distribution, it shall give the estate a written certificate evidencing its consent to the early distribution of assets at no cost. The certificate must include the name, case number, and district court in which the estate is pending, the name of the local agency, describe the specific real or personal property to which the consent applies, state that the local agency consents to the distribution of the specific property described in the consent during the 70-day period following service of the notice on the commissioner or executive board, state that the consent is unconditional or list all of the terms and conditions of the consent, be dated, and may include other contents as may be appropriate. The certificate must be signed by the director of the local agency or the director's designees and is effective as of the date it is dated unless it provides otherwise. The signature of the director or the director's designee does not require any acknowledgment. The certificate shall be prima facie evidence of the facts it states, may be attached to or combined with a deed or any other instrument of conveyance and, when so attached or combined, shall constitute a single instrument. If the certificate describes real property, it shall be accepted for recording or filing by the county recorder or registrar of titles in the county in which the property is located. If the certificate describes real property and is not attached to or combined with a deed or other instrument of conveyance, it shall be accepted for recording or filing by the county recorder or registrar of titles in the county in which the property is located. The certificate constitutes a waiver of the 70-day period provided for in clause (2) with respect to the property it describes and is prima facie evidence of service of notice on the commissioner or executive board. The certificate is not a waiver or relinquishment of any claims arising under section 246.53, 256B.15, 256D.16, or 261.04, and does not otherwise constitute a waiver of any of the personal representative's duties under this paragraph. Distributees who receive property pursuant to a consent to an early distribution shall remain liable to creditors of the estate as provided for by law.

(7) All affidavits provided for under this paragraph:

(i) shall be provided by persons who have personal knowledge of the facts stated in the affidavit;

(ii) may be filed or recorded in the office of the county recorder or registrar of titles in the county in which the real property they describe is located for the purpose of establishing compliance with the requirements of this paragraph; and

(iii) are prima facie evidence of the facts stated in the affidavit.

(8) This paragraph applies to the estates of decedents dying on or after July 1, 1997.

Clause (5) also applies with respect to all notices served on the commissioner of human services before July 1, 1997, under Laws 1996, chapter 451, article 2, section 55. All notices served on the commissioner before July 1, 1997, pursuant to Laws 1996, chapter 451, article 2, section 55, shall be deemed to be legally sufficient for the purposes for which they were intended, notwithstanding any errors, omissions or other defects.

**Sec. 17. DIRECTION TO COMMISSIONER; REIMBURSEMENT FOR
EXTRACORPOREAL MEMBRANE OXYGENATION CANNULATION AS AN
OUTPATIENT SERVICE.**

The commissioner of human services, in consultation with providers and hospitals, shall determine the feasibility of an outpatient reimbursement mechanism for medical assistance coverage of extracorporeal membrane oxygenation (ECMO) cannulation performed outside an inpatient hospital setting or in a self-contained mobile ECMO unit. If an outpatient reimbursement mechanism is feasible, then the commissioner of human services shall develop a recommended payment mechanism. By January 15, 2025, the commissioner of human services shall submit a recommendation and the required legislative language to the chairs and ranking minority members of the legislative committees with jurisdiction over health care finance. If such a payment mechanism is infeasible, the commissioner of human services shall submit an explanation as to why it is infeasible.

43.22 party may be represented by legal counsel at these hearings, but this is not a requirement.

The court may consider the matter in or out of chambers, and shall take no new or additional evidence unless it determines that such evidence is necessary for a more equitable disposition of the appeal.

(h) Any party aggrieved by the order of the district court may appeal the order as in other civil cases. No costs or disbursements shall be taxed against any party nor shall any filing fee or bond be required of any party.

(i) If MNsure or district court orders eligibility for qualified health plan coverage through MNsure, the MinnesotaCare public option, or eligibility for federal advance payment of premium tax credits or cost-sharing reductions contingent upon full payment of respective premiums, the premiums must be paid or provided pending appeal to the district court, court of appeals, or supreme court. 65.10 (a) The attorney general may enforce this chapter under section 8.31.

65.23 December 2024 is the reference base index. If the Consumer Price Index is revised, the
65.24 percentage of change made under this section must be calculated on the basis of the revised
65.25 Consumer Price Index. If a Consumer Price Index revision changes the reference base index,
65.26 a revised reference base index must be determined by multiplying the reference base index
65.27 that is effective at the time by the rebasing factor furnished by the Bureau of Labor Statistics.

65.28 (e) If the Consumer Price Index is superseded, the Consumer Price Index referred to in
65.29 this section is the Consumer Price Index represented by the Bureau of Labor Statistics as
65.30 most accurately reflecting changes in the prices paid by consumers for consumer goods and
65.31 services.

(f) The attorney general must publish the base reference index under paragraph (c) in the State Register no later than September 1, 2024. The attorney general must calculate and then publish the revised Consumer Price Index under paragraph (c) in the State Register no later than September 1 each even-numbered year.

(g) An action brought under this section benefits the public.

(h) A collecting party may not be held liable in any action brought under this section if the collecting party shows by a preponderance of evidence that the violation:

(1) was not intentional and resulted from a bona fide error made notwithstanding the maintenance of procedures reasonably adopted to avoid any such error; or

(2) was the result of inaccurate or incorrect information provided to the collecting party by a health care provider, as defined in section 62J.805, subdivision 2; a health carrier, as that term is defined in section 62A.011, subdivision 2; or another collecting party currently or previously engaged in collection of the medical debt in question.

Sec. 40. Minnesota Statutes 2022, section 519.05, is amended to read:

(b) Either spouse may close a credit card account or other unsecured consumer line of credit on which both spouses are contractually liable, by giving written notice to the creditor.

(c) Nothing in this section prevents a claim against an estate.

Sec. 41. **REQUEST FOR FEDERAL WAIVER.**

(a) The commissioner of commerce, in cooperation with the commissioner of human services and the Board of Directors of MNsure, shall submit a section 1332 waiver pursuant to United States Code, title 42, section 18052, to the Secretary of Health and Human Services, to obtain federal approval to implement this act. The commissioner of commerce shall also seek through the waiver federal approval for the state to:

(1) continue receiving federal Medicaid payments for Medicaid-eligible individuals and federal basic health program payments for basic health program-eligible MinnesotaCare individuals; and

(2) receive federal pass-through money equal to the value of premium tax credits and cost-sharing reductions that MinnesotaCare public option enrollees with household incomes greater than 200 percent of the federal poverty guidelines would otherwise have received.

(b) The commissioner of commerce is authorized to contract for any analyses, certification, data, or other information required to complete the section 1332 waiver application in accordance with Code of Federal Regulations, title 33, part 108; Code of Federal Regulations, title 155, part 1308; and any other applicable federal law. The commissioner must cooperate with the federal government to obtain waiver approval under this section, and may provide any information the commissioner determines to be necessary and advisable for waiver approval to the Secretary of Health and Human Services and the Secretary of the Treasury.

EFFECTIVE DATE. This section is effective the day following final enactment.

Subd. 2. Minimum postdelivery outpatient care. (a) The health plan must also provide coverage for postdelivery outpatient care to a mother and her newborn if the duration of inpatient care is less than the minimums provided in this section.

(b) Postdelivery care consists of a minimum of one home visit by a registered nurse. Services provided by the registered nurse include, but are not limited to, parent education, assistance and training in breast and bottle feeding, and conducting any necessary and appropriate clinical tests. (f) A health plan must cover orthoses and prostheses for showering or bathing.

Subd. 3. **Prior authorization.** A health plan may require prior authorization for orthotic and prosthetic devices, supplies, and services in the same manner and to the same extent as prior authorization is required for any other covered benefit.

(b) A health plan company shall render utilization review determinations in a nondiscriminatory manner and shall not deny coverage for habilitative or rehabilitative benefits, including prosthetics or orthotics, solely on the basis of an enrollee's actual or perceived disability.

(c) A health plan company shall not deny a prosthetic or orthotic benefit for an individual with limb loss or absence that would otherwise be covered for a nondisabled person seeking medical or surgical intervention to restore or maintain the ability to perform the same physical activity.

(d) A health plan offered, issued, or renewed in Minnesota that offers coverage for prosthetics and custom orthotic devices shall include language describing an enrollee's rights pursuant to paragraphs (b) and (c) in its evidence of coverage and any benefit denial letters.

(e) A health plan that provides coverage for prosthetic or orthotic services shall ensure access to medically necessary clinical care and to prosthetic and custom orthotic devices and technology from not less than two distinct prosthetic and custom orthotic providers in the plan's provider network located in Minnesota. In the event that medically necessary covered orthotics and prosthetics are not available from an in-network provider, the health plan company shall provide processes to refer a member to an out-of-network provider and shall fully reimburse the out-of-network provider at a mutually agreed upon rate less member cost sharing determined on an in-network basis.

(f) If coverage for prosthetic or custom orthotic devices is provided, payment shall be made for the replacement of a prosthetic or custom orthotic device or for the replacement of any part of the devices, without regard to continuous use or useful lifetime restrictions, if an ordering health care provider determines that the provision of a replacement device, or a replacement part of a device, is necessary because:

(1) of a change in the physiological condition of the patient;

(2) of an irreparable change in the condition of the device or in a part of the device; or

(3) the condition of the device, or the part of the device, requires repairs and the cost of the repairs would be more than 60 percent of the cost of a replacement device or of the part being replaced.

(g) Confirmation from a prescribing health care provider may be required if the prosthetic or custom orthotic device or part being replaced is less than three years old.

EFFECTIVE DATE. This section is effective January 1, 2025, and applies to all health plans offered, issued, or renewed on or after that date.

115.11 the natural organic reduction facility is able to observe and read the license.

115.12 Subd. 6. **Period of licensure.** All licenses to operate a natural organic reduction facility
115.13 issued by the commissioner are valid for a period of one calendar year beginning on July 1
115.14 and ending on June 30, regardless of the date of issuance.

115.15 Subd. 7. **Reporting changes in license information.** Any change of license information
115.16 must be reported to the commissioner, on forms provided by the commissioner, no later
115.17 than 30 calendar days after the change occurs. Failure to report changes is grounds for
115.18 disciplinary action.

115.19 Subd. 8. **Licensing information.** Section 13.41 applies to data collected and maintained
115.20 by the commissioner pursuant to this section.

115.21 Sec. 40. **[149A.57] RENEWAL OF LICENSE TO OPERATE A NATURAL**
115.22 **ORGANIC REDUCTION FACILITY.**

115.23 Subdivision 1. **Renewal required.** This section is effective July 1, 2025. All licenses
115.24 to operate a natural organic reduction facility issued by the commissioner expire on June
115.25 30 following the date of issuance of the license and must be renewed to remain valid.

115.26 Subd. 2. **Renewal procedure and documentation.** (a) Licensees who wish to renew
115.27 their licenses must submit to the commissioner a completed renewal application no later
115.28 than June 30 following the date the license was issued. A completed renewal application
115.29 includes:

115.30 (1) a completed renewal application form, as provided by the commissioner; and

115.31 (2) proof of liability insurance coverage or other financial documentation, as determined
115.32 by the commissioner, that demonstrates the applicant's ability to respond in damages for

116.1 liability arising from the ownership, maintenance, management, or operation of a natural
116.2 organic reduction facility.

116.3 (b) Upon receipt of the completed renewal application, the commissioner shall review
116.4 and verify the information. Upon completion of the verification process and resolution of
116.5 any deficiencies in the renewal application information, the commissioner shall make a
116.6 determination, based on all the information available, to reissue or refuse to reissue the
116.7 license. If the commissioner's determination is to reissue the license, the applicant shall be
116.8 notified and the license shall issue and remain valid for a period prescribed on the license,
116.9 but not to exceed one calendar year from the date of issuance of the license. If the
116.10 commissioner's determination is to refuse to reissue the license, section 149A.09, subdivision
116.11 2, applies.

116.12 Subd. 3. **Penalty for late filing.** Renewal applications received after the expiration date
116.13 of a license will result in the assessment of a late filing penalty. The late filing penalty must
116.14 be paid before the reissuance of the license and received by the commissioner no later than
116.15 31 calendar days after the expiration date of the license.

116.16 Subd. 4. **Lapse of license.** A license to operate a natural organic reduction facility shall
116.17 automatically lapse when a completed renewal application is not received by the
116.18 commissioner within 31 calendar days after the expiration date of a license, or a late filing
116.19 penalty assessed under subdivision 3 is not received by the commissioner within 31 calendar
116.20 days after the expiration of a license.

116.21 Subd. 5. **Effect of lapse of license.** Upon the lapse of a license, the person to whom the
116.22 license was issued is no longer licensed to operate a natural organic reduction facility in
116.23 Minnesota. The commissioner shall issue a cease and desist order to prevent the lapsed
116.24 license holder from operating a natural organic reduction facility in Minnesota and may
116.25 pursue any additional lawful remedies as justified by the case.

116.26 Subd. 6. **Restoration of lapsed license.** The commissioner may restore a lapsed license
116.27 upon receipt and review of a completed renewal application, receipt of the late filing penalty,
116.28 and reinspection of the premises, provided that the receipt is made within one calendar year
116.29 from the expiration date of the lapsed license and the cease and desist order issued by the
116.30 commissioner has not been violated. If a lapsed license is not restored within one calendar
116.31 year from the expiration date of the lapsed license, the holder of the lapsed license cannot
116.32 be relicensed until the requirements in section 149A.56 are met.

116.33 Subd. 7. **Reporting changes in license information.** Any change of license information
116.34 must be reported to the commissioner, on forms provided by the commissioner, no later

117.1 than 30 calendar days after the change occurs. Failure to report changes is grounds for
117.2 disciplinary action.

117.3 Subd. 8. **Licensing information.** Section 13.41 applies to data collected and maintained
117.4 by the commissioner pursuant to this section.

117.5 Sec. 41. Minnesota Statutes 2022, section 149A.65, is amended by adding a subdivision
117.6 to read:

117.7 Subd. 6a. **Natural organic reduction facilities.** This subdivision is effective July 1,
117.8 2025. The initial and renewal fee for a natural organic reduction facility is \$425. The late
117.9 fee charge for a license renewal is \$100.

117.10 Sec. 42. Minnesota Statutes 2022, section 149A.70, subdivision 1, is amended to read:

117.11 Subdivision 1. **Use of titles.** Only a person holding a valid license to practice mortuary
117.12 science issued by the commissioner may use the title of mortician, funeral director, or any
117.13 other title implying that the licensee is engaged in the business or practice of mortuary
117.14 science. Only the holder of a valid license to operate an alkaline hydrolysis facility issued
117.15 by the commissioner may use the title of alkaline hydrolysis facility, water cremation,
117.16 water-reduction, biocremation, green-cremation, resomation, dissolution, or any other title,
117.17 word, or term implying that the licensee operates an alkaline hydrolysis facility. Only the
117.18 holder of a valid license to operate a funeral establishment issued by the commissioner may
117.19 use the title of funeral home, funeral chapel, funeral service, or any other title, word, or
117.20 term implying that the licensee is engaged in the business or practice of mortuary science.
117.21 Only the holder of a valid license to operate a crematory issued by the commissioner may
117.22 use the title of crematory, crematorium, green-cremation, or any other title, word, or term
117.23 implying that the licensee operates a crematory or crematorium. Effective July 1, 2025,
117.24 only the holder of a valid license to operate a natural organic reduction facility issued by
117.25 the commissioner may use the title of natural organic reduction facility, human composting,
117.26 or any other title, word, or term implying that the licensee operates a natural organic reduction
117.27 facility.

117.28 Sec. 43. Minnesota Statutes 2022, section 149A.70, subdivision 2, is amended to read:

117.29 Subd. 2. **Business location.** A funeral establishment, alkaline hydrolysis facility, ~~or~~
117.30 crematory, or, effective July 1, 2025, natural organic reduction facility shall not do business
117.31 in a location that is not licensed as a funeral establishment, alkaline hydrolysis facility, ~~or~~

118.1 crematory, or natural organic reduction facility and shall not advertise a service that is
118.2 available from an unlicensed location.

118.3 Sec. 44. Minnesota Statutes 2022, section 149A.70, subdivision 3, is amended to read:

118.4 Subd. 3. **Advertising.** No licensee, clinical student, practicum student, or intern shall
118.5 publish or disseminate false, misleading, or deceptive advertising. False, misleading, or
118.6 deceptive advertising includes, but is not limited to:

118.7 (1) identifying, by using the names or pictures of, persons who are not licensed to practice
118.8 mortuary science in a way that leads the public to believe that those persons will provide
118.9 mortuary science services;

118.10 (2) using any name other than the names under which the funeral establishment, alkaline
118.11 hydrolysis facility, ~~or crematory~~, or, effective July 1, 2025, natural organic reduction facility
118.12 is known to or licensed by the commissioner;

118.13 (3) using a surname not directly, actively, or presently associated with a licensed funeral
118.14 establishment, alkaline hydrolysis facility, ~~or crematory~~, or, effective July 1, 2025, natural
118.15 organic reduction facility, unless the surname had been previously and continuously used
118.16 by the licensed funeral establishment, alkaline hydrolysis facility, ~~or crematory~~, or natural
118.17 organic reduction facility; and

118.18 (4) using a founding or establishing date or total years of service not directly or
118.19 continuously related to a name under which the funeral establishment, alkaline hydrolysis
118.20 facility, ~~or crematory~~, or, effective July 1, 2025, natural organic reduction facility is currently
118.21 or was previously licensed.

118.22 Any advertising or other printed material that contains the names or pictures of persons
118.23 affiliated with a funeral establishment, alkaline hydrolysis facility, ~~or crematory~~, or, effective
118.24 July 1, 2025, natural organic reduction facility shall state the position held by the persons
118.25 and shall identify each person who is licensed or unlicensed under this chapter.

118.26 Sec. 45. Minnesota Statutes 2022, section 149A.70, subdivision 5, is amended to read:

118.27 Subd. 5. **Reimbursement prohibited.** No licensee, clinical student, practicum student,
118.28 or intern shall offer, solicit, or accept a commission, fee, bonus, rebate, or other
118.29 reimbursement in consideration for recommending or causing a dead human body to be
118.30 disposed of by a specific body donation program, funeral establishment, alkaline hydrolysis
118.31 facility, crematory, mausoleum, ~~or cemetery~~, or, effective July 1, 2025, natural organic
118.32 reduction facility.

119.1 Sec. 46. Minnesota Statutes 2022, section 149A.71, subdivision 2, is amended to read:

119.2 Subd. 2. **Preventive requirements.** (a) To prevent unfair or deceptive acts or practices,
119.3 the requirements of this subdivision must be met. This subdivision applies to natural organic
119.4 reduction and naturally reduced remains, goods, and services effective July 1, 2025.

119.5 (b) Funeral providers must tell persons who ask by telephone about the funeral provider's
119.6 offerings or prices any accurate information from the price lists described in paragraphs (c)
119.7 to (e) and any other readily available information that reasonably answers the questions
119.8 asked.

119.9 (c) Funeral providers must make available for viewing to people who inquire in person
119.10 about the offerings or prices of funeral goods or burial site goods, separate printed or
119.11 typewritten price lists using a ten-point font or larger. Each funeral provider must have a
119.12 separate price list for each of the following types of goods that are sold or offered for sale:

119.13 (1) caskets;

119.14 (2) alternative containers;

119.15 (3) outer burial containers;

119.16 (4) alkaline hydrolysis containers;

119.17 (5) cremation containers;

119.18 (6) hydrolyzed remains containers;

119.19 (7) cremated remains containers;

119.20 (8) markers; ~~and~~

119.21 (9) headstones; and

119.22 (10) naturally reduced remains containers.

119.23 (d) Each separate price list must contain the name of the funeral provider's place of
119.24 business, address, and telephone number and a caption describing the list as a price list for
119.25 one of the types of funeral goods or burial site goods described in paragraph (c), clauses
119.26 (1) to ~~(9)~~ (10). The funeral provider must offer the list upon beginning discussion of, but
119.27 in any event before showing, the specific funeral goods or burial site goods and must provide
119.28 a photocopy of the price list, for retention, if so asked by the consumer. The list must contain,
119.29 at least, the retail prices of all the specific funeral goods and burial site goods offered which
119.30 do not require special ordering, enough information to identify each, and the effective date
119.31 for the price list. However, funeral providers are not required to make a specific price list

120.1 available if the funeral providers place the information required by this paragraph on the
120.2 general price list described in paragraph (e).

120.3 (e) Funeral providers must give a printed price list, for retention, to persons who inquire
120.4 in person about the funeral goods, funeral services, burial site goods, or burial site services
120.5 or prices offered by the funeral provider. The funeral provider must give the list upon
120.6 beginning discussion of either the prices of or the overall type of funeral service or disposition
120.7 or specific funeral goods, funeral services, burial site goods, or burial site services offered
120.8 by the provider. This requirement applies whether the discussion takes place in the funeral
120.9 establishment or elsewhere. However, when the deceased is removed for transportation to
120.10 the funeral establishment, an in-person request for authorization to embalm does not, by
120.11 itself, trigger the requirement to offer the general price list. If the provider, in making an
120.12 in-person request for authorization to embalm, discloses that embalming is not required by
120.13 law except in certain special cases, the provider is not required to offer the general price
120.14 list. Any other discussion during that time about prices or the selection of funeral goods,
120.15 funeral services, burial site goods, or burial site services triggers the requirement to give
120.16 the consumer a general price list. The general price list must contain the following
120.17 information:

120.18 (1) the name, address, and telephone number of the funeral provider's place of business;

120.19 (2) a caption describing the list as a "general price list";

120.20 (3) the effective date for the price list;

120.21 (4) the retail prices, in any order, expressed either as a flat fee or as the prices per hour,
120.22 mile, or other unit of computation, and other information described as follows:

120.23 (i) forwarding of remains to another funeral establishment, together with a list of the
120.24 services provided for any quoted price;

120.25 (ii) receiving remains from another funeral establishment, together with a list of the
120.26 services provided for any quoted price;

120.27 (iii) separate prices for each alkaline hydrolysis, natural organic reduction, or cremation
120.28 offered by the funeral provider, with the price including an alternative container or shroud
120.29 or alkaline hydrolysis facility or cremation container; any alkaline hydrolysis, natural
120.30 organic reduction facility, or crematory charges; and a description of the services and
120.31 container included in the price, where applicable, and the price of alkaline hydrolysis or
120.32 cremation where the purchaser provides the container;

- 121.1 (iv) separate prices for each immediate burial offered by the funeral provider, including
121.2 a casket or alternative container, and a description of the services and container included
121.3 in that price, and the price of immediate burial where the purchaser provides the casket or
121.4 alternative container;
- 121.5 (v) transfer of remains to the funeral establishment or other location;
- 121.6 (vi) embalming;
- 121.7 (vii) other preparation of the body;
- 121.8 (viii) use of facilities, equipment, or staff for viewing;
- 121.9 (ix) use of facilities, equipment, or staff for funeral ceremony;
- 121.10 (x) use of facilities, equipment, or staff for memorial service;
- 121.11 (xi) use of equipment or staff for graveside service;
- 121.12 (xii) hearse or funeral coach;
- 121.13 (xiii) limousine; and
- 121.14 (xiv) separate prices for all cemetery-specific goods and services, including all goods
121.15 and services associated with interment and burial site goods and services and excluding
121.16 markers and headstones;
- 121.17 (5) the price range for the caskets offered by the funeral provider, together with the
121.18 statement "A complete price list will be provided at the funeral establishment or casket sale
121.19 location." or the prices of individual caskets, as disclosed in the manner described in
121.20 paragraphs (c) and (d);
- 121.21 (6) the price range for the alternative containers or shrouds offered by the funeral provider,
121.22 together with the statement "A complete price list will be provided at the funeral
121.23 establishment or alternative container sale location." or the prices of individual alternative
121.24 containers, as disclosed in the manner described in paragraphs (c) and (d);
- 121.25 (7) the price range for the outer burial containers offered by the funeral provider, together
121.26 with the statement "A complete price list will be provided at the funeral establishment or
121.27 outer burial container sale location." or the prices of individual outer burial containers, as
121.28 disclosed in the manner described in paragraphs (c) and (d);
- 121.29 (8) the price range for the alkaline hydrolysis container offered by the funeral provider,
121.30 together with the statement "A complete price list will be provided at the funeral
121.31 establishment or alkaline hydrolysis container sale location." or the prices of individual

122.1 alkaline hydrolysis containers, as disclosed in the manner described in paragraphs (c) and
122.2 (d);

122.3 (9) the price range for the hydrolyzed remains container offered by the funeral provider,
122.4 together with the statement "A complete price list will be provided at the funeral
122.5 establishment or hydrolyzed remains container sale location." or the prices of individual
122.6 hydrolyzed remains container, as disclosed in the manner described in paragraphs (c) and
122.7 (d);

122.8 (10) the price range for the cremation containers offered by the funeral provider, together
122.9 with the statement "A complete price list will be provided at the funeral establishment or
122.10 cremation container sale location." or the prices of individual cremation containers, as
122.11 disclosed in the manner described in paragraphs (c) and (d);

122.12 (11) the price range for the cremated remains containers offered by the funeral provider,
122.13 together with the statement, "A complete price list will be provided at the funeral
122.14 establishment or cremated remains container sale location," or the prices of individual
122.15 cremation containers as disclosed in the manner described in paragraphs (c) and (d);

122.16 (12) the price range for the naturally reduced remains containers offered by the funeral
122.17 provider, together with the statement, "A complete price list will be provided at the funeral
122.18 establishment or naturally reduced remains container sale location," or the prices of individual
122.19 naturally reduced remains containers as disclosed in the manner described in paragraphs
122.20 (c) and (d);

122.21 ~~(12)~~ (13) the price for the basic services of funeral provider and staff, together with a
122.22 list of the principal basic services provided for any quoted price and, if the charge cannot
122.23 be declined by the purchaser, the statement "This fee for our basic services will be added
122.24 to the total cost of the funeral arrangements you select. (This fee is already included in our
122.25 charges for alkaline hydrolysis, natural organic reduction, direct cremations, immediate
122.26 burials, and forwarding or receiving remains.)" If the charge cannot be declined by the
122.27 purchaser, the quoted price shall include all charges for the recovery of unallocated funeral
122.28 provider overhead, and funeral providers may include in the required disclosure the phrase
122.29 "and overhead" after the word "services." This services fee is the only funeral provider fee
122.30 for services, facilities, or unallocated overhead permitted by this subdivision to be
122.31 nondeclinable, unless otherwise required by law;

122.32 ~~(13)~~ (14) the price range for the markers and headstones offered by the funeral provider,
122.33 together with the statement "A complete price list will be provided at the funeral

123.1 establishment or marker or headstone sale location." or the prices of individual markers and
123.2 headstones, as disclosed in the manner described in paragraphs (c) and (d); and

123.3 ~~(14)~~ (15) any package priced funerals offered must be listed in addition to and following
123.4 the information required in paragraph (e) and must clearly state the funeral goods and
123.5 services being offered, the price being charged for those goods and services, and the
123.6 discounted savings.

123.7 (f) Funeral providers must give an itemized written statement, for retention, to each
123.8 consumer who arranges an at-need funeral or other disposition of human remains at the
123.9 conclusion of the discussion of the arrangements. The itemized written statement must be
123.10 signed by the consumer selecting the goods and services as required in section 149A.80. If
123.11 the statement is provided by a funeral establishment, the statement must be signed by the
123.12 licensed funeral director or mortician planning the arrangements. If the statement is provided
123.13 by any other funeral provider, the statement must be signed by an authorized agent of the
123.14 funeral provider. The statement must list the funeral goods, funeral services, burial site
123.15 goods, or burial site services selected by that consumer and the prices to be paid for each
123.16 item, specifically itemized cash advance items (these prices must be given to the extent then
123.17 known or reasonably ascertainable if the prices are not known or reasonably ascertainable,
123.18 a good faith estimate shall be given and a written statement of the actual charges shall be
123.19 provided before the final bill is paid), and the total cost of goods and services selected. At
123.20 the conclusion of an at-need arrangement, the funeral provider is required to give the
123.21 consumer a copy of the signed itemized written contract that must contain the information
123.22 required in this paragraph.

123.23 (g) Upon receiving actual notice of the death of an individual with whom a funeral
123.24 provider has entered a preneed funeral agreement, the funeral provider must provide a copy
123.25 of all preneed funeral agreement documents to the person who controls final disposition of
123.26 the human remains or to the designee of the person controlling disposition. The person
123.27 controlling final disposition shall be provided with these documents at the time of the
123.28 person's first in-person contact with the funeral provider, if the first contact occurs in person
123.29 at a funeral establishment, alkaline hydrolysis facility, crematory, natural organic reduction
123.30 facility, or other place of business of the funeral provider. If the contact occurs by other
123.31 means or at another location, the documents must be provided within 24 hours of the first
123.32 contact.

124.1 Sec. 47. Minnesota Statutes 2022, section 149A.71, subdivision 4, is amended to read:

124.2 Subd. 4. **Casket, alternate container, alkaline hydrolysis container, naturally reduced**
124.3 **remains container, and cremation container sales; records; required disclosures.** Any
124.4 funeral provider who sells or offers to sell a casket, alternate container, alkaline hydrolysis
124.5 container, hydrolyzed remains container, cremation container, ~~or~~ cremated remains container,
124.6 or, effective July 1, 2025, naturally reduced remains container to the public must maintain
124.7 a record of each sale that includes the name of the purchaser, the purchaser's mailing address,
124.8 the name of the decedent, the date of the decedent's death, and the place of death. These
124.9 records shall be open to inspection by the regulatory agency. Any funeral provider selling
124.10 a casket, alternate container, or cremation container to the public, and not having charge of
124.11 the final disposition of the dead human body, shall provide a copy of the statutes and rules
124.12 controlling the removal, preparation, transportation, arrangements for disposition, and final
124.13 disposition of a dead human body. This subdivision does not apply to morticians, funeral
124.14 directors, funeral establishments, crematories, or wholesale distributors of caskets, alternate
124.15 containers, alkaline hydrolysis containers, or cremation containers.

124.16 Sec. 48. Minnesota Statutes 2022, section 149A.72, subdivision 3, is amended to read:

124.17 Subd. 3. **Casket for alkaline hydrolysis, natural organic reduction, or cremation**
124.18 **provisions; deceptive acts or practices.** In selling or offering to sell funeral goods or
124.19 funeral services to the public, it is a deceptive act or practice for a funeral provider to
124.20 represent that a casket is required for alkaline hydrolysis ~~or~~ cremations, or, effective July
124.21 1, 2025, natural organic reduction by state or local law or otherwise.

124.22 Sec. 49. Minnesota Statutes 2022, section 149A.72, subdivision 9, is amended to read:

124.23 Subd. 9. **Deceptive acts or practices.** In selling or offering to sell funeral goods, funeral
124.24 services, burial site goods, or burial site services to the public, it is a deceptive act or practice
124.25 for a funeral provider to represent that federal, state, or local laws, or particular cemeteries,
124.26 alkaline hydrolysis facilities, ~~or~~ crematories, or, effective July 1, 2025, natural organic
124.27 reduction facilities require the purchase of any funeral goods, funeral services, burial site
124.28 goods, or burial site services when that is not the case.

124.29 Sec. 50. Minnesota Statutes 2022, section 149A.73, subdivision 1, is amended to read:

124.30 Subdivision 1. **Casket for alkaline hydrolysis, natural organic reduction, or cremation**
124.31 **provisions; deceptive acts or practices.** In selling or offering to sell funeral goods, funeral
124.32 services, burial site goods, or burial site services to the public, it is a deceptive act or practice

125.1 for a funeral provider to require that a casket be purchased for alkaline hydrolysis ~~or~~,
125.2 cremation, or, effective July 1, 2025, natural organic reduction.

125.3 Sec. 51. Minnesota Statutes 2022, section 149A.74, subdivision 1, is amended to read:

125.4 Subdivision 1. **Services provided without prior approval; deceptive acts or**
125.5 **practices.** In selling or offering to sell funeral goods or funeral services to the public, it is
125.6 a deceptive act or practice for any funeral provider to embalm a dead human body unless
125.7 state or local law or regulation requires embalming in the particular circumstances regardless
125.8 of any funeral choice which might be made, or prior approval for embalming has been
125.9 obtained from an individual legally authorized to make such a decision. In seeking approval
125.10 to embalm, the funeral provider must disclose that embalming is not required by law except
125.11 in certain circumstances; that a fee will be charged if a funeral is selected which requires
125.12 embalming, such as a funeral with viewing; and that no embalming fee will be charged if
125.13 the family selects a service which does not require embalming, such as direct alkaline
125.14 hydrolysis, direct cremation, ~~or immediate burial,~~ or, effective July 1, 2025, natural organic
125.15 reduction.

125.16 Sec. 52. Minnesota Statutes 2022, section 149A.93, subdivision 3, is amended to read:

125.17 Subd. 3. **Disposition permit.** A disposition permit is required before a body can be
125.18 buried, entombed, alkaline hydrolyzed, ~~or cremated,~~ or, effective July 1, 2025, naturally
125.19 reduced. No disposition permit shall be issued until a fact of death record has been completed
125.20 and filed with the state registrar of vital records.

125.21 Sec. 53. Minnesota Statutes 2022, section 149A.94, subdivision 1, is amended to read:

125.22 Subdivision 1. **Generally.** Every dead human body lying within the state, except
125.23 unclaimed bodies delivered for dissection by the medical examiner, those delivered for
125.24 anatomical study pursuant to section 149A.81, subdivision 2, or lawfully carried through
125.25 the state for the purpose of disposition elsewhere; and the remains of any dead human body
125.26 after dissection or anatomical study, shall be decently buried or entombed in a public or
125.27 private cemetery, alkaline hydrolyzed, ~~or cremated,~~ or, effective July 1, 2025, naturally
125.28 reduced within a reasonable time after death. Where final disposition of a body will not be
125.29 accomplished, or, effective July 1, 2025, when natural organic reduction will not be initiated,
125.30 within 72 hours following death or release of the body by a competent authority with
125.31 jurisdiction over the body, the body must be properly embalmed, refrigerated, or packed
125.32 with dry ice. A body may not be kept in refrigeration for a period exceeding six calendar

126.1 days, or packed in dry ice for a period that exceeds four calendar days, from the time of
126.2 death or release of the body from the coroner or medical examiner.

126.3 Sec. 54. Minnesota Statutes 2022, section 149A.94, subdivision 3, is amended to read:

126.4 Subd. 3. **Permit required.** No dead human body shall be buried, entombed, ~~or cremated,~~
126.5 alkaline hydrolyzed, or, effective July 1, 2025, naturally reduced without a disposition
126.6 permit. The disposition permit must be filed with the person in charge of the place of final
126.7 disposition. Where a dead human body will be transported out of this state for final
126.8 disposition, the body must be accompanied by a certificate of removal.

126.9 Sec. 55. Minnesota Statutes 2022, section 149A.94, subdivision 4, is amended to read:

126.10 Subd. 4. **Alkaline hydrolysis ~~or~~, cremation, or natural organic reduction.** Inurnment
126.11 of alkaline hydrolyzed ~~or~~ remains, cremated remains, or, effective July 1, 2025, naturally
126.12 reduced remains and release to an appropriate party is considered final disposition and no
126.13 further permits or authorizations are required for transportation, interment, entombment, or
126.14 placement of the ~~cremated~~ remains, except as provided in section 149A.95, subdivision 16.

126.15 Sec. 56. **[149A.955] NATURAL ORGANIC REDUCTION FACILITIES AND**
126.16 **NATURAL ORGANIC REDUCTION.**

126.17 Subdivision 1. **License required.** This section is effective July 1, 2025. A dead human
126.18 body may only undergo natural organic reduction in this state at a natural organic reduction
126.19 facility licensed by the commissioner of health.

126.20 Subd. 2. **General requirements.** Any building to be used as a natural organic reduction
126.21 facility must comply with all applicable local and state building codes, zoning laws and
126.22 ordinances, and environmental standards. A natural organic reduction facility must have on
126.23 site a natural organic reduction system approved by the commissioner and a motorized
126.24 mechanical device for processing naturally reduced remains and must have in the building
126.25 a refrigerated holding facility for the retention of dead human bodies awaiting natural organic
126.26 reduction. The holding facility must be secure from access by anyone except the authorized
126.27 personnel of the natural organic reduction facility, preserve the dignity of the remains, and
126.28 protect the health and safety of the natural organic reduction facility personnel.

126.29 Subd. 3. **Aerobic reduction vessel.** A natural organic reduction facility must use as a
126.30 natural organic reduction vessel a contained reduction vessel that is designed to promote
126.31 aerobic reduction and that minimizes odors.

127.1 Subd. 4. **Unlicensed personnel.** A licensed natural organic reduction facility may employ
127.2 unlicensed personnel, provided that all applicable provisions of this chapter are followed.
127.3 It is the duty of the licensed natural organic reduction facility to provide proper training for
127.4 all unlicensed personnel, and the licensed natural organic reduction facility shall be strictly
127.5 accountable for compliance with this chapter and other applicable state and federal regulations
127.6 regarding occupational and workplace health and safety.

127.7 Subd. 5. **Authorization to naturally reduce.** No natural organic reduction facility shall
127.8 naturally reduce or cause to be naturally reduced any dead human body or identifiable body
127.9 part without receiving written authorization to do so from the person or persons who have
127.10 the legal right to control disposition as described in section 149A.80 or the person's legal
127.11 designee. The written authorization must include:

127.12 (1) the name of the deceased and the date of death of the deceased;

127.13 (2) a statement authorizing the natural organic reduction facility to naturally reduce the
127.14 body;

127.15 (3) the name, address, phone number, relationship to the deceased, and signature of the
127.16 person or persons with the legal right to control final disposition or a legal designee;

127.17 (4) directions for the disposition of any non-naturally reduced materials or items recovered
127.18 from the natural organic reduction vessel;

127.19 (5) acknowledgment that some of the naturally reduced remains will be mechanically
127.20 reduced to a granulated appearance and included in the appropriate containers with the
127.21 naturally reduced remains; and

127.22 (6) directions for the ultimate disposition of the naturally reduced remains.

127.23 Subd. 6. **Limitation of liability.** The limitations in section 149A.95, subdivision 5, apply
127.24 to natural organic reduction facilities.

127.25 Subd. 7. **Acceptance of delivery of body.** (a) No dead human body shall be accepted
127.26 for final disposition by natural organic reduction unless the body is:

127.27 (1) wrapped in a container, such as a pouch or shroud, that is impermeable or
127.28 leak-resistant;

127.29 (2) accompanied by a disposition permit issued pursuant to section 149A.93, subdivision
127.30 3, including a photocopy of the complete death record or a signed release authorizing natural
127.31 organic reduction received from a coroner or medical examiner; and

128.1 (3) accompanied by a natural organic reduction authorization that complies with
128.2 subdivision 5.

128.3 (b) A natural organic reduction facility shall refuse to accept delivery of the dead human
128.4 body:

128.5 (1) where there is a known dispute concerning natural organic reduction of the body
128.6 delivered;

128.7 (2) where there is a reasonable basis for questioning any of the representations made on
128.8 the written authorization to naturally reduce; or

128.9 (3) for any other lawful reason.

128.10 (c) When a container, pouch, or shroud containing a dead human body shows evidence
128.11 of leaking bodily fluid, the container, pouch, or shroud and the body must be returned to
128.12 the contracting funeral establishment, or the body must be transferred to a new container,
128.13 pouch, or shroud by a properly licensed individual.

128.14 (d) If a dead human body is delivered to a natural organic reduction facility in a container,
128.15 pouch, or shroud that is not suitable for placement in a natural organic reduction vessel, the
128.16 transfer of the body to the vessel must be performed by a properly licensed individual.

128.17 Subd. 8. **Bodies awaiting natural organic reduction.** A dead human body must be
128.18 placed in the natural organic reduction vessel to initiate the natural reduction process within
128.19 a reasonable time after death, pursuant to section 149A.94, subdivision 1.

128.20 Subd. 9. **Handling of dead human bodies.** All natural organic reduction facility
128.21 employees handling the containers, pouches, or shrouds for dead human bodies shall use
128.22 universal precautions and otherwise exercise all reasonable precautions to minimize the
128.23 risk of transmitting any communicable disease from the body. No dead human body shall
128.24 be removed from the container, pouch, or shroud in which it is delivered to the natural
128.25 organic reduction facility without express written authorization of the person or persons
128.26 with legal right to control the disposition and only by a properly licensed individual. The
128.27 person or persons with the legal right to control the body or that person's noncompensated
128.28 designee may be involved with preparation of the body pursuant to section 149A.01,
128.29 subdivision 3, paragraph (c).

128.30 Subd. 10. **Identification of the body.** All licensed natural organic reduction facilities
128.31 shall develop, implement, and maintain an identification procedure whereby dead human
128.32 bodies can be identified from the time the natural organic reduction facility accepts delivery
128.33 of the body until the naturally reduced remains are released to an authorized party. After

129.1 natural organic reduction, an identifying disk, tab, or other permanent label shall be placed
129.2 within the naturally reduced remains container or containers before the remains are released
129.3 from the natural organic reduction facility. Each identification disk, tab, or label shall have
129.4 a number that shall be recorded on all paperwork regarding the decedent. This procedure
129.5 shall be designed to reasonably ensure that the proper body is naturally reduced and that
129.6 the remains are returned to the appropriate party. Loss of all or part of the remains or the
129.7 inability to individually identify the remains is a violation of this subdivision.

129.8 Subd. 11. **Natural organic reduction vessel for human remains.** A licensed natural
129.9 organic reduction facility shall knowingly naturally reduce only dead human bodies or
129.10 human remains in a natural organic reduction vessel.

129.11 Subd. 12. **Natural organic reduction procedures; privacy.** The final disposition of
129.12 dead human bodies by natural organic reduction shall be done in privacy. Unless there is
129.13 written authorization from the person with the legal right to control the final disposition,
129.14 only authorized natural organic reduction facility personnel shall be permitted in the natural
129.15 organic reduction area while any human body is awaiting placement in a natural organic
129.16 reduction vessel, being removed from the vessel, or being processed for placement in a
129.17 naturally reduced remains container. This does not prohibit an in-person laying-in ceremony
129.18 to honor the deceased and the transition prior to the placement.

129.19 Subd. 13. **Natural organic reduction procedures; commingling of bodies**
129.20 **prohibited.** Except with the express written permission of the person with the legal right
129.21 to control the final disposition, no natural organic reduction facility shall naturally reduce
129.22 more than one dead human body at the same time and in the same natural organic reduction
129.23 vessel or introduce a second dead human body into same natural organic reduction vessel
129.24 until reasonable efforts have been employed to remove all fragments of remains from the
129.25 preceding natural organic reduction. This subdivision does not apply where commingling
129.26 of human remains during natural organic reduction is otherwise provided by law. The fact
129.27 that there is incidental and unavoidable residue in the natural organic reduction vessel used
129.28 in a prior natural organic reduction is not a violation of this subdivision.

129.29 Subd. 14. **Natural organic reduction procedures; removal from natural organic**
129.30 **reduction vessel.** Upon completion of the natural organic reduction process, reasonable
129.31 efforts shall be made to remove from the natural organic reduction vessel all the recoverable
129.32 naturally reduced remains. The naturally reduced remains shall be transported to the
129.33 processing area, and any non-naturally reducible materials or items shall be separated from
129.34 the naturally reduced remains and disposed of, in any lawful manner, by the natural organic
129.35 reduction facility.

130.1 Subd. 15. **Natural organic reduction procedures; processing naturally reduced**
130.2 **remains.** The naturally reduced remains that remain intact shall be reduced by a motorized
130.3 mechanical processor to a granulated appearance. The granulated remains and the rest of
130.4 the naturally reduced remains shall be returned to a natural organic reduction vessel for
130.5 final reduction.

130.6 Subd. 16. **Natural organic reduction procedures; commingling of naturally reduced**
130.7 **remains prohibited.** Except with the express written permission of the person with the
130.8 legal right to control the final deposition or otherwise provided by law, no natural organic
130.9 reduction facility shall mechanically process the naturally reduced remains of more than
130.10 one body at a time in the same mechanical processor or introduce the naturally reduced
130.11 remains of a second body into a mechanical processor until reasonable efforts have been
130.12 employed to remove all fragments of naturally reduced remains already in the processor.
130.13 The fact that there is incidental and unavoidable residue in the mechanical processor is not
130.14 a violation of this subdivision.

130.15 Subd. 17. **Natural organic reduction procedures; testing naturally reduced**
130.16 **remains.** The natural organic reduction facility is responsible for:

130.17 (1) ensuring that the materials in the natural organic reduction vessel naturally reach
130.18 and maintain a minimum temperature of 131 degrees Fahrenheit for a minimum of 72
130.19 consecutive hours during the process of natural organic reduction;

130.20 (2) analyzing each instance of the naturally reduced remains for physical contaminants
130.21 that include but are not limited to intact bone, dental filings, and medical implants. Naturally
130.22 reduced remains must have less than 0.01 mg/kg dry weight of any physical contaminants;

130.23 (3) collecting material samples for analysis that are representative of each instance of
130.24 natural organic reduction using a sampling method, such as those described in the U.S.
130.25 Composting Council 2002 Test Methods for the Examination of Composting and Compost,
130.26 Method 02.01-A through E;

130.27 (4) developing and using a natural organic reduction process in which the naturally
130.28 reduced remains from the process does not exceed the following limits:

130.29 (i) for fecal coliform, less than 1,000 most probable number per gram of total solids (dry
130.30 weight);

130.31 (ii) for salmonella, less than three most probable number per four grams of total solids
130.32 (dry weight);

130.33 (iii) for arsenic, less than or equal to 11 ppm;

- 131.1 (iv) for cadmium, less than or equal to 7.1 ppm;
- 131.2 (v) for lead, less than or equal to 150 ppm;
- 131.3 (vi) for mercury, less than or equal to 8 ppm; and
- 131.4 (vii) for selenium, less than or equal to 18 ppm;
- 131.5 (5) analyzing, using a third-party laboratory, the natural organic reduction facility's
- 131.6 material samples of naturally reduced remains according to the following schedule:
- 131.7 (i) the natural organic reduction facility must analyze each of the first 20 instances of
- 131.8 naturally reduced remains for the parameters identified in clause (4);
- 131.9 (ii) if any of the first 20 instances of naturally reduced remains yield results exceeding
- 131.10 the limits identified in clause (4), the natural organic reduction facility must conduct
- 131.11 appropriate processes to correct the levels of the chemicals identified in clause (4) and have
- 131.12 the resultant remains tested to ensure they fall within the identified limits;
- 131.13 (iii) if any of the first 20 instances of naturally reduced remains yield results exceeding
- 131.14 the limits identified in clause (4), the natural organic reduction facility must analyze each
- 131.15 additional instance of naturally reduced remains for the parameters identified in clause (4)
- 131.16 until a total of 20 samples, not including those from remains that were reprocessed under
- 131.17 item (ii), have yielded results within the limits of clause (4) on initial testing;
- 131.18 (iv) after 20 material samples of naturally reduced remains have met the limits outlined
- 131.19 in clause (4), the natural organic reduction facility must analyze, at a minimum, 25 percent
- 131.20 of the natural organic reduction facility's monthly instances of naturally reduced remains
- 131.21 for the parameters identified in clause (4) until 80 total material samples of naturally reduced
- 131.22 remains have met the requirements of clause (4), not including any samples that required
- 131.23 reprocessing to meet those requirements; and
- 131.24 (v) after 80 material samples of naturally reduced remains have met the limits of clause
- 131.25 (4), the natural organic reduction facility must analyze, at a minimum, one instance of
- 131.26 naturally reduced remains each month;
- 131.27 (6) complying with any testing requirements established by the commissioner for content
- 131.28 parameters in addition to those specified in clause (4);
- 131.29 (7) not releasing any naturally reduced remains that exceed the limits identified in clause
- 131.30 (4); and
- 131.31 (8) preparing, maintaining, and providing upon request by the commissioner an annual
- 131.32 report each calendar year. The annual report must detail the natural organic reduction

132.1 facility's activities during the previous calendar year and must include the following
132.2 information:

132.3 (i) name and address of the natural organic reduction facility;

132.4 (ii) calendar year covered by the report;

132.5 (iii) annual quantity of naturally reduced remains;

132.6 (iv) results of any laboratory analyses of naturally reduced remains; and

132.7 (v) any additional information requested by the commissioner.

132.8 **Subd. 18. Natural organic reduction procedures; use of more than one naturally**
132.9 **reduced remains container.** If the naturally reduced remains are to be separated into two
132.10 or more naturally reduced remains containers according to the directives provided in the
132.11 written authorization for natural organic reduction, all of the containers shall contain duplicate
132.12 identification disks, tabs, or permanent labels and all paperwork regarding the given body
132.13 shall include a notation of the number of and disposition of each container, as provided in
132.14 the written authorization.

132.15 **Subd. 19. Natural organic reduction procedures; disposition of accumulated**
132.16 **residue.** Every natural organic reduction facility shall provide for the removal and disposition
132.17 of any accumulated residue from any natural organic reduction vessel, mechanical processor,
132.18 or other equipment used in natural organic reduction. Disposition of accumulated residue
132.19 shall be by any lawful manner deemed appropriate.

132.20 **Subd. 20. Natural organic reduction procedures; release of naturally reduced**
132.21 **remains.** Following completion of the natural organic reduction process, the inurned naturally
132.22 reduced remains shall be released according to the instructions given on the written
132.23 authorization for natural organic reduction. If the remains are to be shipped, they must be
132.24 securely packaged and transported by a method that has an internal tracing system available
132.25 and which provides a receipt signed by the person accepting delivery. Where there is a
132.26 dispute over release or disposition of the naturally reduced remains, a natural organic
132.27 reduction facility may deposit the naturally reduced remains in accordance with the directives
132.28 of a court of competent jurisdiction pending resolution of the dispute or retain the naturally
132.29 reduced remains until the person with the legal right to control disposition presents
132.30 satisfactory indication that the dispute is resolved. A natural organic reduction facility must
132.31 make every effort to ensure naturally reduced remains are not sold or used for commercial
132.32 purposes.

133.1 Subd. 21. **Unclaimed naturally reduced remains.** If, after 30 calendar days following
133.2 the inurnment, the naturally reduced remains are not claimed or disposed of according to
133.3 the written authorization for natural organic reduction, the natural organic reduction facility
133.4 shall give written notice, by certified mail, to the person with the legal right to control the
133.5 final disposition or a legal designee, that the naturally reduced remains are unclaimed and
133.6 requesting further release directions. Should the naturally reduced remains be unclaimed
133.7 120 calendar days following the mailing of the written notification, the natural organic
133.8 reduction facility may return the remains to the earth respectfully in any lawful manner
133.9 deemed appropriate.

133.10 Subd. 22. **Required records.** Every natural organic reduction facility shall create and
133.11 maintain on its premises or other business location in Minnesota an accurate record of every
133.12 natural organic reduction provided. The record shall include all of the following information
133.13 for each natural organic reduction:

133.14 (1) the name of the person or funeral establishment delivering the body for natural
133.15 organic reduction;

133.16 (2) the name of the deceased and the identification number assigned to the body;

133.17 (3) the date of acceptance of delivery;

133.18 (4) the names of the operator of the natural organic reduction process and mechanical
133.19 processor operator;

133.20 (5) the times and dates that the body was placed in and removed from the natural organic
133.21 reduction vessel;

133.22 (6) the time and date that processing and inurnment of the naturally reduced remains
133.23 was completed;

133.24 (7) the time, date, and manner of release of the naturally reduced remains;

133.25 (8) the name and address of the person who signed the authorization for natural organic
133.26 reduction;

133.27 (9) all supporting documentation, including any transit or disposition permits, a photocopy
133.28 of the death record, and the authorization for natural organic reduction; and

133.29 (10) the type of natural organic reduction vessel.

133.30 Subd. 23. **Retention of records.** Records required under subdivision 21 shall be
133.31 maintained for a period of three calendar years after the release of the naturally reduced
133.32 remains. Following this period and subject to any other laws requiring retention of records,

134.1 the natural organic reduction facility may then place the records in storage or reduce them
134.2 to microfilm, a digital format, or any other method that can produce an accurate reproduction
134.3 of the original record, for retention for a period of ten calendar years from the date of release
134.4 of the naturally reduced remains. At the end of this period and subject to any other laws
134.5 requiring retention of records, the natural organic reduction facility may destroy the records
134.6 by shredding, incineration, or any other manner that protects the privacy of the individuals
134.7 identified.

134.8 Sec. 57. **STILLBIRTH PREVENTION THROUGH TRACKING FETAL**
134.9 **MOVEMENT PILOT PROGRAM.**

134.10 Subdivision 1. **Grant.** The commissioner of health shall issue a grant to a grant recipient
134.11 to support a stillbirth prevention through tracking fetal movement pilot program and to
134.12 provide evidence of the efficacy of tracking fetal movements in preventing stillbirths in
134.13 Minnesota. The pilot program shall operate in fiscal years 2025, 2026, and 2027.

134.14 Subd. 2. **Use of grant funds.** The grant recipient must use grant funds:

134.15 (1) for activities to ensure that expectant parents in Minnesota receive information about
134.16 the importance of tracking fetal movement in the third trimester of pregnancy, by providing
134.17 evidence-based information to organizations that include but are not limited to community
134.18 organizations, hospitals, birth centers, maternal health providers, and higher education
134.19 institutions that educate maternal health providers;

134.20 (2) to provide maternal health providers and expectant parents in Minnesota with access
134.21 to free, evidence-based educational materials on fetal movement tracking, including
134.22 brochures, posters, reminder cards, continuing education materials, and digital resources;

134.23 (3) to assist in raising awareness with health care providers about:

134.24 (i) the availability of free fetal movement tracking education for providers through an
134.25 initial education campaign;

134.26 (ii) the importance of tracking fetal movement in the third trimester of pregnancy by
134.27 offering at least three to five webinars and conferences per year; and

134.28 (iii) the importance of tracking fetal movement in the third trimester of pregnancy through
134.29 provider participation in a public relations campaign; and

134.30 (4) to assist in raising public awareness about the availability of free fetal movement
134.31 tracking resources through social media marketing and traditional marketing throughout
134.32 Minnesota.

Subd. 3. **Data-sharing and monitoring.** (a) During the operation of the pilot program, the grant recipient shall provide the following information to the commissioner on at least a quarterly basis:

(1) the number of educational materials distributed under the pilot program, broken down by zip code and the type of facility or organization that ordered the materials, including hospitals, birth centers, maternal health clinics, WIC clinics, and community organizations;

(2) the number of fetal movement tracking application downloads that may be attributed to the pilot program, broken down by zip code;

(3) the reach of and engagement with marketing materials provided under the pilot program; and

(4) provider attendance and participation in awareness-raising events under the pilot program, such as webinars and conferences.

(b) Each year during the pilot program and at the conclusion of the pilot program, the grant recipient shall provide the commissioner with an annual report that includes information on how the pilot program has affected:

(1) fetal death rates in Minnesota;

(2) fetal death rates in Minnesota among American Indian, Black, Hispanic, and Asian Pacific Islander populations; and

(3) fetal death rates by region in Minnesota.

Subd. 4. **Reports.** The commissioner must submit to the legislative committees with jurisdiction over public health an interim report and a final report on the operation of the pilot program. The interim report must be submitted by December 1, 2025, and the final report must be submitted by December 1, 2027. Each report must at least describe the pilot program's operations and provide information, to the extent available, on the effectiveness of the pilot program in preventing stillbirths in Minnesota, including lessons learned in implementing the pilot program and recommendations for future action.

ARTICLE 6

DEPARTMENT OF HEALTH POLICY

Section 1. Minnesota Statutes 2022, section 62D.14, subdivision 1, is amended to read:

Subdivision 1. **Examination authority.** The commissioner of health may make an examination of the affairs of any health maintenance organization and its contracts,

agreements, or other arrangements with any participating entity as often as the commissioner of health deems necessary for the protection of the interests of the people of this state, but not less frequently than once every ~~three~~ five years. Examinations of participating entities pursuant to this subdivision shall be limited to their dealings with the health maintenance organization and its enrollees, except that examinations of major participating entities may include inspection of the entity's financial statements kept in the ordinary course of business. The commissioner may require major participating entities to submit the financial statements directly to the commissioner. Financial statements of major participating entities are subject to the provisions of section 13.37, subdivision 1, clause (b), upon request of the major participating entity or the health maintenance organization with which it contracts.

Sec. 2. **[62J.461] 340B COVERED ENTITY REPORT.**

Subdivision 1. Definitions. (a) For purposes of this section, the following definitions apply.

(b) "340B covered entity" or "covered entity" means a covered entity as defined in United States Code, title 42, section 256b(a)(4), with a service address in Minnesota as of January 1 of the reporting year. 340B covered entity includes all entity types and grantees. 203.24 would outweigh the costs associated with the additional requirements.

203.25 (b) Local units of government that desire to impose additional requirements shall, prior
203.26 to adoption of relevant ordinances, rules, or regulations, furnish the ~~board~~ director with a
203.27 copy of the proposed ordinances, rules, or regulations, along with information that

222.13 user's size and complexity, and the sensitivity of the personal information obtained. The
222.14 permissible user shall identify reasonably foreseeable internal and external risks to the
222.15 security, confidentiality, and integrity of personal information that could result in the
222.16 unauthorized disclosure, misuse, or other compromise of the information and assess the
222.17 sufficiency of any safeguards in place to control the risks.

222.18 (g) The board shall not release data submitted under subdivision 4 unless it is provided
222.19 with evidence, satisfactory to the board, that the person requesting the information is entitled

222.25 to subdivision 2. A vendor shall not use data collected under this section for any purpose

222.27 (j) The board may participate in an interstate prescription monitoring program data
222.28 exchange system provided that permissible users in other states have access to the data only
222.29 as allowed under this section, and that section 13.05, subdivision 6, applies to any contract
222.30 or memorandum of understanding that the board enters into under this paragraph.

222.31 (k) With available appropriations, the commissioner of human services shall establish
222.32 and implement a system through which the Department of Human Services shall routinely
222.33 access the data for the purpose of determining whether any client enrolled in an opioid

223.1 treatment program licensed according to chapter 245A has been prescribed or dispensed a
223.2 controlled substance in addition to that administered or dispensed by the opioid treatment
223.3 program. When the commissioner determines there have been multiple prescribers or multiple
223.4 prescriptions of controlled substances, the commissioner shall:

223.5 (1) inform the medical director of the opioid treatment program only that the
223.6 commissioner determined the existence of multiple prescribers or multiple prescriptions of
223.7 controlled substances; and

223.8 (2) direct the medical director of the opioid treatment program to access the data directly,
223.9 review the effect of the multiple prescribers or multiple prescriptions, and document the
223.10 review.

223.11 If determined necessary, the commissioner of human services shall seek a federal waiver
223.12 of, or exception to, any applicable provision of Code of Federal Regulations, title 42, section

223.14 (l) The board shall review the data submitted under subdivision 4 on at least a quarterly
223.15 basis and shall establish criteria, in consultation with the advisory task force, for referring
223.16 information about a patient to prescribers and dispensers who prescribed or dispensed the
223.17 prescriptions in question if the criteria are met.

223.18 (m) The board shall conduct random audits, on at least a quarterly basis, of electronic
223.19 access by permissible users, as identified in paragraph (b), clauses (1), (2), (3), (4), (7), (8),
223.20 (10), and (11), to the data in subdivision 4, to ensure compliance with permissible use as
223.21 defined in this section. A permissible user whose account has been selected for a random
223.22 audit shall respond to an inquiry by the board, no later than 30 days after receipt of notice
223.23 that an audit is being conducted. Failure to respond may result in deactivation of access to
223.24 the electronic system and referral to the appropriate health licensing board, or the
223.25 commissioner of human services, for further action. The board shall report the results of
223.26 random audits to the chairs and ranking minority members of the legislative committees
223.27 with jurisdiction over health and human services policy and finance and government data
223.28 practices.

223.29 (n) A permissible user who has delegated the task of accessing the data in subdivision
223.30 4 to an agent or employee shall audit the use of the electronic system by delegated agents
223.31 or employees on at least a quarterly basis to ensure compliance with permissible use as
223.32 defined in this section. When a delegated agent or employee has been identified as
223.33 inappropriately accessing data, the permissible user must immediately remove access for

224.1 that individual and notify the board within seven days. The board shall notify all permissible
224.2 users associated with the delegated agent or employee of the alleged violation.

224.3 (o) A permissible user who delegates access to the data submitted under subdivision 4
224.4 to an agent or employee shall terminate that individual's access to the data within three
224.5 business days of the agent or employee leaving employment with the permissible user. The
224.6 board may conduct random audits to determine compliance with this requirement.

251.11 Sec. 22. Minnesota Statutes 2023 Supplement, section 256B.0625, subdivision 13f, is
251.12 amended to read:

251.13 Subd. 13f. **Prior authorization.** (a) The Formulary Committee shall review and
251.14 recommend drugs which require prior authorization. The Formulary Committee shall
251.15 establish general criteria to be used for the prior authorization of brand-name drugs for
251.16 which generically equivalent drugs are available, but the committee is not required to review
251.17 each brand-name drug for which a generically equivalent drug is available.

251.18 (b) Prior authorization may be required by the commissioner before certain formulary
251.19 drugs are eligible for payment. The Formulary Committee may recommend drugs for prior
251.20 authorization directly to the commissioner. The commissioner may also request that the
251.21 Formulary Committee review a drug for prior authorization. Before the commissioner may
251.22 require prior authorization for a drug:

251.23 (1) the commissioner must provide information to the Formulary Committee on the
251.24 impact that placing the drug on prior authorization may have on the quality of patient care
251.25 and on program costs, information regarding whether the drug is subject to clinical abuse
251.26 or misuse, and relevant data from the state Medicaid program if such data is available;

251.27 (2) the Formulary Committee must review the drug, taking into account medical and
251.28 clinical data and the information provided by the commissioner; and

251.29 (3) the Formulary Committee must hold a public forum and receive public comment for
251.30 an additional 15 days.

251.31 The commissioner must provide a 15-day notice period before implementing the prior
251.32 authorization.

252.1 (c) Except as provided in subdivision 13j, prior authorization shall not be required or

252.3 if:

252.4 (1) there is no generically equivalent drug available; and

252.5 (2) the drug was initially prescribed for the recipient prior to July 1, 2003; or

252.6 (3) the drug is part of the recipient's current course of treatment.

252.7 This paragraph applies to any multistate preferred drug list or supplemental drug rebate
252.8 program established or administered by the commissioner. Prior authorization shall
252.9 automatically be granted for 60 days for brand name drugs prescribed for treatment of mental
252.10 illness within 60 days of when a generically equivalent drug becomes available, provided
252.11 that the brand name drug was part of the recipient's course of treatment at the time the
252.12 generically equivalent drug became available.

252.13 (d) Prior authorization must not be required for liquid methadone if only one version of
252.14 liquid methadone is available. If more than one version of liquid methadone is available,
252.15 the commissioner shall ensure that at least one version of liquid methadone is available
252.16 without prior authorization.

252.17 (e) Prior authorization may be required for an oral liquid form of a drug, except as

252.20 Administration-approved condition for a patient who utilizes an enteral tube for feedings
252.21 or medication administration, even if the patient has current or prior claims for pills for that
252.22 condition. If more than one version of the oral liquid form of a drug is available, the
252.23 commissioner may select the version that is able to be approved for a Food and Drug
252.24 Administration-approved condition for a patient who utilizes an enteral tube for feedings
252.25 or medication administration. This paragraph applies to any multistate preferred drug list
252.26 or supplemental drug rebate program established or administered by the commissioner. The
252.27 commissioner shall design and implement a streamlined prior authorization form for patients
252.28 who utilize an enteral tube for feedings or medication administration and are prescribed an
252.29 oral liquid form of a drug. The commissioner may require prior authorization for brand
252.30 name drugs whenever a generically equivalent product is available, even if the prescriber
252.31 specifically indicates "dispense as written-brand necessary" on the prescription as required
252.32 by section 151.21, subdivision 2.

252.33 (f) Notwithstanding this subdivision, the commissioner may automatically require prior
252.34 authorization, for a period not to exceed 180 days, for any drug that is approved by the

253.2 begins no later than the first day that a drug is available for shipment to pharmacies within
253.3 the state. The Formulary Committee shall recommend to the commissioner general criteria
253.4 to be used for the prior authorization of the drugs, but the committee is not required to
253.5 review each individual drug. In order to continue prior authorizations for a drug after the
253.6 180-day period has expired, the commissioner must follow the provisions of this subdivision.

253.7 (g) Prior authorization under this subdivision shall comply with section 62Q.184.

277.3 on the newly certified CCBHC's audited historical cost report data adjusted for the expected
277.4 cost of delivering CCBHC services. Estimates are subject to review by the commissioner
277.5 and must include the expected cost of providing the full scope of CCBHC services and the
277.6 expected number of visits for the rate period;

277.7 (4) the commissioner shall rebase CCBHC rates once every two years following the last

277.24 update shall occur each year in between rebasing periods determined by the commissioner
277.25 in accordance with clause (4). CCBHCs must provide data on costs and visits to the state
277.26 annually using the CCBHC cost report established by the commissioner; and

277.27 (9) a CCBHC may request a rate adjustment for changes in the CCBHC's scope of
277.28 services when such changes are expected to result in an adjustment to the CCBHC payment
277.29 rate by 2.5 percent or more. The CCBHC must provide the commissioner with information
277.30 regarding the changes in the scope of services, including the estimated cost of providing
277.31 the new or modified services and any projected increase or decrease in the number of visits

278.5 must adjust the capitation rates paid to managed care plans and county-based purchasing
278.6 plans for that contract year to reflect the removal of this provision. Contracts between

(c) Medical assistance and MinnesotaCare payment for mental health case management shall be made on a monthly basis. In order to receive payment for an eligible child, the provider must document at least a face-to-face contact either in person or by interactive video that meets the requirements of subdivision 20b with the child, the child's parents, or the child's legal representative. To receive payment for an eligible adult, the provider must document:

(1) at least a face-to-face contact with the adult or the adult's legal representative either in person or by interactive video that meets the requirements of subdivision 20b; or

280.1 (2) at least a telephone contact or contact via secure electronic message, if preferred by
280.2 the adult client, with the adult or the adult's legal representative and document a face-to-face
280.3 contact either in person or by interactive video that meets the requirements of subdivision
280.4 20b with the adult or the adult's legal representative within the preceding two months.

280.5 (d) Payment for mental health case management provided by county or state staff shall
280.6 be based on the monthly rate methodology under section 256B.094, subdivision 6, paragraph
280.7 (b), with separate rates calculated for child welfare and mental health, and within mental
280.8 health, separate rates for children and adults.

280.9 (e) Payment for mental health case management provided by Indian health services or
280.10 by agencies operated by Indian tribes may be made according to this section or other relevant
280.11 federally approved rate setting methodology.

280.12 (f) Payment for mental health case management provided by vendors who contract with
280.13 a county must be calculated in accordance with section 256B.076, subdivision 2. Payment
280.14 for mental health case management provided by vendors who contract with a Tribe must
280.15 be based on a monthly rate negotiated by the Tribe. The rate must not exceed the rate charged
280.16 by the vendor for the same service to other payers. If the service is provided by a team of
280.17 contracted vendors, the team shall determine how to distribute the rate among its members.
280.18 No reimbursement received by contracted vendors shall be returned to the county or tribe,
280.19 except to reimburse the county or tribe for advance funding provided by the county or tribe
280.20 to the vendor.

280.21 (g) If the service is provided by a team which includes contracted vendors, tribal staff,
280.22 and county or state staff, the costs for county or state staff participation in the team shall be
280.23 included in the rate for county-provided services. In this case, the contracted vendor, the
280.24 tribal agency, and the county may each receive separate payment for services provided by
280.25 each entity in the same month. In order to prevent duplication of services, each entity must
280.26 document, in the recipient's file, the need for team case management and a description of
280.27 the roles of the team members.

280.28 (h) Notwithstanding section 256B.19, subdivision 1, the nonfederal share of costs for
280.29 mental health case management shall be provided by the recipient's county of responsibility,
280.30 as defined in sections 256G.01 to 256G.12, from sources other than federal funds or funds
280.31 used to match other federal funds. If the service is provided by a tribal agency, the nonfederal
280.32 share, if any, shall be provided by the recipient's tribe. When this service is paid by the state
280.33 without a federal share through fee-for-service, 50 percent of the cost shall be provided by
280.34 the recipient's county of responsibility.

281.1 (i) Notwithstanding any administrative rule to the contrary, prepaid medical assistance
281.2 and MinnesotaCare include mental health case management. When the service is provided
281.3 through prepaid capitation, the nonfederal share is paid by the state and the county pays no
281.4 share.

281.5 (j) The commissioner may suspend, reduce, or terminate the reimbursement to a provider
281.6 that does not meet the reporting or other requirements of this section. The county of
281.7 responsibility, as defined in sections 256G.01 to 256G.12, or, if applicable, the tribal agency,
281.8 is responsible for any federal disallowances. The county or tribe may share this responsibility
281.9 with its contracted vendors.

281.10 (k) The commissioner shall set aside a portion of the federal funds earned for county
281.11 expenditures under this section to repay the special revenue maximization account under
281.12 section 256.01, subdivision 2, paragraph (o). The repayment is limited to:

281.13 (1) the costs of developing and implementing this section; and

281.14 (2) programming the information systems.

281.15 (l) Payments to counties and tribal agencies for case management expenditures under
281.16 this section shall only be made from federal earnings from services provided under this
281.17 section. When this service is paid by the state without a federal share through fee-for-service,
281.18 50 percent of the cost shall be provided by the state. Payments to county-contracted vendors
281.19 shall include the federal earnings, the state share, and the county share.

281.20 (m) Case management services under this subdivision do not include therapy, treatment,
281.21 legal, or outreach services.

281.22 (n) If the recipient is a resident of a nursing facility, intermediate care facility, or hospital,
281.23 and the recipient's institutional care is paid by medical assistance, payment for case
281.24 management services under this subdivision is limited to the lesser of:

281.25 (1) the last 180 days of the recipient's residency in that facility and may not exceed more
281.26 than six months in a calendar year; or

281.27 (2) the limits and conditions which apply to federal Medicaid funding for this service.

281.28 (o) Payment for case management services under this subdivision shall not duplicate
281.29 payments made under other program authorities for the same purpose.

281.30 (p) If the recipient is receiving care in a hospital, nursing facility, or residential setting
281.31 licensed under chapter 245A or 245D that is staffed 24 hours a day, seven days a week,

282.1 mental health targeted case management services must actively support identification of
282.2 community alternatives for the recipient and discharge planning.

286.20 (a) Effective for services rendered on or after July 1, 2001, payment for medication
286.21 management provided to psychiatric patients, outpatient mental health services, day treatment
286.22 services, home-based mental health services, and family community support services shall

286.26 services provided by an entity that operates: (1) a Medicare-certified comprehensive
286.27 outpatient rehabilitation facility; and (2) a facility that was certified prior to January 1, 1993,
286.28 with at least 33 percent of the clients receiving rehabilitation services in the most recent
286.29 calendar year who are medical assistance recipients, will be increased by 38 percent, when
286.30 those services are provided within the comprehensive outpatient rehabilitation facility and
286.31 provided to residents of nursing facilities owned by the entity.

(c) In addition to rate increases otherwise provided, the commissioner may restructure coverage policy and rates to improve access to adult rehabilitative mental health services under section 256B.0623 and related mental health support services under section 256B.021, subdivision 4, paragraph (f), clause (2). For state fiscal years 2015 and 2016, the projected state share of increased costs due to this paragraph is transferred from adult mental health grants under sections 245.4661 and 256E.12. The transfer for fiscal year 2016 is a permanent base adjustment for subsequent fiscal years. Payments made to managed care plans and county-based purchasing plans under sections 256B.69, 256B.692, and 256L.12 shall reflect the rate changes described in this paragraph.

(d) Any ratables effective before July 1, 2015, do not apply to early intensive developmental and behavioral intervention (EIDBI) benefits described in section 256B.0949.

(e) Effective for services rendered on or after January 1, 2024, payment rates for behavioral health services included in the rate analysis required by Laws 2021, First Special Session chapter 7, article 17, section 18, except for adult day treatment services under section 256B.0671, subdivision 3; early intensive developmental and behavioral intervention services under section 256B.0949; and substance use disorder services under chapter 254B, must be increased by three percent from the rates in effect on December 31, 2023. Effective for services rendered on or after January 1, 2025, payment rates for behavioral health services included in the rate analysis required by Laws 2021, First Special Session chapter 7, article 17, section 18, ~~except for adult day treatment services under section 256B.0671, subdivision 3;~~ early intensive developmental behavioral intervention services under section 256B.0949; and substance use disorder services under chapter 254B, must be annually adjusted according to the change from the midpoint of the previous rate year to the midpoint of the rate year for which the rate is being determined using the Centers for Medicare and Medicaid Services Medicare Economic Index as forecasted in the fourth quarter of the calendar year before the rate year. For payments made in accordance with this paragraph, if and to the extent that the commissioner identifies that the state has received federal financial participation for behavioral health services in excess of the amount allowed under United States Code, title 42, section 447.321, the state shall repay the excess amount to the Centers for Medicare and Medicaid Services with state money and maintain the full payment rate under this paragraph. This paragraph does not apply to federally qualified health centers, rural health centers, Indian health services, certified community behavioral health clinics, cost-based rates, and rates that are negotiated with the county. This paragraph expires upon legislative implementation of the new rate methodology resulting from the rate analysis required by Laws 2021, First Special Session chapter 7, article 17, section 18.

(f) Effective January 1, 2024, the commissioner shall increase capitation payments made to managed care plans and county-based purchasing plans to reflect the behavioral health service rate increase provided in paragraph (e). Managed care and county-based purchasing plans must use the capitation rate increase provided under this paragraph to increase payment rates to behavioral health services providers. The commissioner must monitor the effect of this rate increase on enrollee access to behavioral health services. If for any contract year federal approval is not received for this paragraph, the commissioner must adjust the capitation rates paid to managed care plans and county-based purchasing plans for that contract year to reflect the removal of this provision. Contracts between managed care plans and county-based purchasing plans and providers to whom this paragraph applies must allow recovery of payments from those providers if capitation rates are adjusted in accordance with this paragraph. Payment recoveries must not exceed the amount equal to any increase in rates that results from this provision.

EFFECTIVE DATE. This section is effective January 1, 2025, or upon federal approval, whichever is later. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

293.29 incident rather than determine the culpability of any actors involved in the incident. The
293.30 systemic critical incident review may assess the entire critical incident process from the
293.31 point of an entity reporting the critical incident through the ongoing case management

294.1 process. Department staff shall lead and conduct the reviews and may utilize county staff
294.2 as reviewers. The systemic critical incident review process may include but is not limited
294.3 to:

294.4 (1) data collection about the incident and actors involved. Data may include the relevant
294.5 critical services; the service provider's policies and procedures applicable to the incident;

294.16 providers, pharmacy staff, or others with knowledge of the incident or the actors in the
294.17 incident; and

294.18 (vi) staff from the Office of the Ombudsman for Mental Health and Developmental
294.19 Disabilities and the Office of Ombudsman for Long-Term Care;

294.24 (3) analysis of the case for systemic influences.

294.25 Data collected by the critical incident review team shall be aggregated and provided to
294.26 regional teams, participating regional quality councils, and the commissioner. The regional
294.27 teams and quality councils shall analyze the data and make recommendations to the
294.28 commissioner regarding systemic changes that would decrease the number and severity of
294.29 critical incidents in the future or improve the quality of the home and community-based
294.30 service system.

294.31 (b) Cases selected for the systemic critical incident review process shall be selected by

- 295.5 (5) service terminations reported to the department in accordance with section 245D.10,
- 295.6 subdivision 3a; and
- 295.7 (6) other incidents determined by the commissioner.

295.8 (c) The systemic critical incident review under this section shall not replace the process

295.9 for screening or investigating cases of alleged maltreatment of an adult under section 626.557

295.10 or of a child under chapter 260E. The department may select cases for systemic critical

295.11 incident review, under the jurisdiction of the commissioner, reported for suspected

295.12 maltreatment and closed following initial or final disposition.

295.13 (d) The proceedings and records of the review team are confidential data on individuals

295.14 or protected nonpublic data as defined in section 13.02, subdivisions 3 and 13. Data that

295.15 document a person's opinions formed as a result of the review are not subject to discovery

295.16 or introduction into evidence in a civil or criminal action against a professional, the state,

295.17 or a county agency arising out of the matters that the team is reviewing. Information,

295.18 documents, and records otherwise available from other sources are not immune from

295.19 discovery or use in a civil or criminal action solely because the information, documents,

295.20 and records were assessed or presented during proceedings of the review team. A person

295.21 who presented information before the systemic critical incident review team or who is a

295.22 member of the team shall not be prevented from testifying about matters within the person's

295.23 knowledge. In a civil or criminal proceeding, a person shall not be questioned about opinions

295.24 formed by the person as a result of the review.

295.25 (e) By October 1 of each year, the commissioner shall prepare an annual public report

295.26 containing the following information:

- 295.28 paragraph (b) and a geographical description of where cases under each category originated;

- 295.30 by the critical incident review team during the previous year;
- 295.31 (3) a synopsis of the conclusions, incident analyses, or exploratory activities taken in
- 295.32 regard to the critical incidents examined by the critical incident review team; and

(4) recommendations made to the commissioner regarding systemic changes that could decrease the number and severity of critical incidents in the future or improve the quality of the home and community-based service system.

324.29 (8) except as provided under chapter 245A, an individual or facility determined to have
324.30 maltreated a minor under chapter 260E, after the individual or facility has exercised the
324.31 right to administrative reconsideration under chapter 260E;

325.1 ~~(8)~~ (9) except as provided under chapter 245C and ~~except for a subject of a background~~
325.2 ~~study that the commissioner has conducted on behalf of another agency for a program or~~
325.3 ~~facility not otherwise overseen by the commissioner~~, an individual disqualified under sections
325.4 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,
325.5 on the basis of serious or recurring maltreatment; a preponderance of the evidence that the
325.6 individual has committed an act or acts that meet the definition of any of the crimes listed
325.7 in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section
325.8 260E.06, subdivision 1, or 626.557, subdivision 3. Hearings regarding a maltreatment
325.9 determination under clause (4) or (8) ~~or section 142A.20, subdivision 3, clause (4)~~, and a
325.10 disqualification under this clause in which the basis for a disqualification is serious or
325.11 recurring maltreatment, shall be consolidated into a single fair hearing. In such cases, the
325.12 scope of review by the human services judge shall include both the maltreatment
325.13 determination and the disqualification. The failure to exercise the right to an administrative
325.14 reconsideration shall not be a bar to a hearing under this section if federal law provides an
325.15 individual the right to a hearing to dispute a finding of maltreatment;

325.16 ~~(9)~~ (10) any person with an outstanding debt resulting from receipt of public assistance
325.17 administered by the commissioner or medical care who is contesting a setoff claim by the
325.18 Department of Human Services or a county agency. The scope of the appeal is the validity
325.19 of the claimant agency's intention to request a setoff of a refund under chapter 270A against
325.20 the debt;

325.21 ~~(10)~~ (11) a person issued a notice of service termination under section 245D.10,
325.22 subdivision 3a, by a licensed provider of any residential supports or services listed in section
325.23 245D.03, subdivision 1, paragraphs (b) and (c), that is not otherwise subject to appeal under
325.24 subdivision 4a;

325.25 ~~(11)~~ (12) an individual disability waiver recipient based on a denial of a request for a
325.26 rate exception under section 256B.4914;

325.27 ~~(12)~~ (13) a person issued a notice of service termination under section 245A.11,
325.28 subdivision 11, that is not otherwise subject to appeal under subdivision 4a; or

325.29 ~~(13)~~ (14) a recovery community organization seeking medical assistance vendor eligibility
325.30 under section 254B.01, subdivision 8, that is aggrieved by a membership or accreditation
325.31 determination and that believes the organization meets the requirements under section
325.32 254B.05, subdivision 1, paragraph (d), clauses (1) to (10). The scope of the review by the
325.33 human services judge shall be limited to whether the organization meets each of the
325.34 requirements under section 254B.05, subdivision 1, paragraph (d), clauses (1) to (10).

(b) The hearing for an individual or facility under paragraph (a), clause (4), (8), or (9), is the only administrative appeal to the final agency determination specifically, including a challenge to the accuracy and completeness of data under section 13.04. Hearings requested under paragraph (a), clause (4), apply only to incidents of maltreatment that occur on or after October 1, 1995. Hearings requested by nursing assistants in nursing homes alleged to have maltreated a resident prior to October 1, 1995, shall be held as a contested case proceeding under the provisions of chapter 14. Hearings requested under paragraph (a), clause (8), apply only to incidents of maltreatment that occur on or after July 1, 1997. A hearing for an individual or facility under paragraph (a), clause (4), (8), or (9), is only available when there is no district court action pending. If such action is filed in district court while an administrative review is pending that arises out of some or all of the events or circumstances on which the appeal is based, the administrative review must be suspended until the judicial actions are completed. If the district court proceedings are completed, dismissed, or overturned, the matter may be considered in an administrative hearing.

(c) For purposes of this section, bargaining unit grievance procedures are not an administrative appeal.

(d) The scope of hearings involving claims to foster care payments under section 142A.20, subdivision 2, clause (2), shall be limited to the issue of whether the county is legally responsible for a child's placement under court order or voluntary placement agreement and, if so, the correct amount of foster care payment to be made on the child's behalf and shall not include review of the propriety of the county's child protection determination or child placement decision.

~~(d)~~ (e) The scope of hearings under paragraph (a), clauses (11) and (13), shall be limited to whether the proposed termination of services is authorized under section 245D.10, subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the requirements of section 245D.10, subdivision 3a, paragraphs (c) to (e), or 245A.11, subdivision 2a, paragraphs (d) and (e), were met. If the appeal includes a request for a temporary stay of termination of services, the scope of the hearing shall also include whether the case management provider has finalized arrangements for a residential facility, a program, or services that will meet the assessed needs of the recipient by the effective date of the service termination.

~~(e)~~ (f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor under contract with a county agency to provide social services is not a party and may not request a hearing under this section, except if assisting a recipient as provided in subdivision 4.

327.1 ~~(f)~~ (g) An applicant or recipient is not entitled to receive social services beyond the
327.2 services prescribed under chapter 256M or other social services the person is eligible for
327.3 under state law.

327.4 ~~(g)~~ (h) The commissioner may summarily affirm the county or state agency's proposed
327.5 action without a hearing when the sole issue is an automatic change due to a change in state
327.6 or federal law, except in matters covered by paragraph ~~(h)~~ (i).

327.7 ~~(h)~~ (i) When the subject of an administrative review is a matter within the jurisdiction
327.8 of the direct care and treatment executive board as a part of the board's powers and duties
327.9 under chapter 246C, the executive board may summarily affirm the county or state agency's
327.10 proposed action without a hearing when the sole issue is an automatic change due to a
327.11 change in state or federal law.

327.12 ~~(i)~~ (j) Unless federal or Minnesota law specifies a different time frame in which to file
327.13 an appeal, an individual or organization specified in this section may contest the specified
327.14 action, decision, or final disposition before the state agency by submitting a written request
327.15 for a hearing to the state agency within 30 days after receiving written notice of the action,
327.16 decision, or final disposition, or within 90 days of such written notice if the applicant,
327.17 recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision
327.18 13, why the request was not submitted within the 30-day time limit. The individual filing
327.19 the appeal has the burden of proving good cause by a preponderance of the evidence.

327.20 Sec. 13. Minnesota Statutes 2022, section 256.045, subdivision 3b, as amended by Laws
327.21 2024, chapter 80, article 1, section 68, is amended to read:

327.22 Subd. 3b. **Standard of evidence for maltreatment and disqualification hearings.** (a)
327.23 The state human services judge shall determine that maltreatment has occurred if a
327.24 preponderance of evidence exists to support the final disposition under section 626.557 and
327.25 chapter 260E. For purposes of hearings regarding disqualification, the state human services
327.26 judge shall affirm the proposed disqualification in an appeal under subdivision 3, paragraph
327.27 (a), clause (9), if a preponderance of the evidence shows the individual has:

327.28 (1) committed maltreatment under section 626.557 or chapter 260E that is serious or
327.29 recurring;

327.30 (2) committed an act or acts meeting the definition of any of the crimes listed in section
327.31 245C.15, subdivisions 1 to 4; or

(3) failed to make required reports under section 626.557 or chapter 260E, for incidents in which the final disposition under section 626.557 or chapter 260E was substantiated maltreatment that was serious or recurring.

(b) If the disqualification is affirmed, the state human services judge shall determine whether the individual poses a risk of harm in accordance with the requirements of section 245C.22, and whether the disqualification should be set aside or not set aside. In determining whether the disqualification should be set aside, the human services judge shall consider all of the characteristics that cause the individual to be disqualified, including those characteristics that were not subject to review under paragraph (a), in order to determine whether the individual poses a risk of harm. A decision to set aside a disqualification that is the subject of the hearing constitutes a determination that the individual does not pose a risk of harm and that the individual may provide direct contact services in the individual program specified in the set aside.

(c) If a disqualification is based solely on a conviction or is conclusive for any reason under section 245C.29, the disqualified individual does not have a right to a hearing under this section.

(d) The state human services judge shall recommend an order to the commissioner of health; education; children, youth, and families; or human services, as applicable, who shall issue a final order. The commissioner shall affirm, reverse, or modify the final disposition. Any order of the commissioner issued in accordance with this subdivision is conclusive upon the parties unless appeal is taken in the manner provided in subdivision 7. In any licensing appeal under chapters 245A and 245C and sections 144.50 to 144.58 and 144A.02 to 144A.482, the commissioner's determination as to maltreatment is conclusive, as provided under section 245C.29.

Sec. 14. Minnesota Statutes 2022, section 256.045, subdivision 5, as amended by Laws 2024, chapter 79, article 3, section 4, is amended to read:

Subd. 5. Orders of the commissioner of human services. (a) Except as provided for under subdivision 5a for matters under the jurisdiction of the direct care and treatment executive board and for hearings held under section 142A.20, subdivision 2, a state human services judge shall conduct a hearing on the appeal and shall recommend an order to the commissioner of human services. The recommended order must be based on all relevant evidence and must not be limited to a review of the propriety of the state or county agency's action. A human services judge may take official notice of adjudicative facts. The commissioner of human services may accept the recommended order of a state human

329.1 services judge and issue the order to the county agency and the applicant, recipient, former
329.2 recipient, or prepaid health plan. The commissioner on refusing to accept the recommended
329.3 order of the state human services judge, shall notify the petitioner, the agency, or prepaid
329.4 health plan of that fact and shall state reasons therefor and shall allow each party ten days'
329.5 time to submit additional written argument on the matter. After the expiration of the ten-day
329.6 period, the commissioner shall issue an order on the matter to the petitioner, the agency, or
329.7 prepaid health plan.

329.8 (b) A party aggrieved by an order of the commissioner may appeal under subdivision
329.9 7, or request reconsideration by the commissioner within 30 days after the date the
329.10 commissioner issues the order. The commissioner may reconsider an order upon request of
329.11 any party or on the commissioner's own motion. A request for reconsideration does not stay
329.12 implementation of the commissioner's order. The person seeking reconsideration has the
329.13 burden to demonstrate why the matter should be reconsidered. The request for reconsideration
329.14 may include legal argument and proposed additional evidence supporting the request. If
329.15 proposed additional evidence is submitted, the person must explain why the proposed
329.16 additional evidence was not provided at the time of the hearing. If reconsideration is granted,
329.17 the other participants must be sent a copy of all material submitted in support of the request
329.18 for reconsideration and must be given ten days to respond. Upon reconsideration, the
329.19 commissioner may issue an amended order or an order affirming the original order.

329.20 (c) Any order of the commissioner issued under this subdivision shall be conclusive
329.21 upon the parties unless appeal is taken in the manner provided by subdivision 7. Any order
329.22 of the commissioner is binding on the parties and must be implemented by the state agency,
329.23 a county agency, or a prepaid health plan according to subdivision 3a, until the order is
329.24 reversed by the district court, or unless the commissioner or a district court orders monthly
329.25 assistance or aid or services paid or provided under subdivision 10.

329.26 (d) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor
329.27 under contract with a county agency to provide social services is not a party and may not
329.28 request a hearing or seek judicial review of an order issued under this section, unless assisting
329.29 a recipient as provided in subdivision 4. A prepaid health plan is a party to an appeal under
329.30 subdivision 3a, but cannot seek judicial review of an order issued under this section.

329.31 Sec. 15. Minnesota Statutes 2022, section 256.045, subdivision 7, as amended by Laws
329.32 2024, chapter 79, article 3, section 7, is amended to read:

329.33 Subd. 7. **Judicial review.** Except for a prepaid health plan, any party who is aggrieved
329.34 by an order of the commissioner of human services; the commissioner of health; or the

330.1 commissioner of children, youth, and families in appeals within the commissioner's
330.2 jurisdiction under subdivision 3b; or the direct care and treatment executive board in appeals
330.3 within the jurisdiction of the executive board under subdivision 5a may appeal the order to
330.4 the district court of the county responsible for furnishing assistance, or, in appeals under
330.5 subdivision 3b, the county where the maltreatment occurred, by serving a written copy of
330.6 a notice of appeal upon the applicable commissioner or executive board and any adverse
330.7 party of record within 30 days after the date the commissioner or executive board issued
330.8 the order, the amended order, or order affirming the original order, and by filing the original
330.9 notice and proof of service with the court administrator of the district court. Service may
330.10 be made personally or by mail; service by mail is complete upon mailing; no filing fee shall
330.11 be required by the court administrator in appeals taken pursuant to this subdivision, with
330.12 the exception of appeals taken under subdivision 3b. The applicable commissioner or
330.13 executive board may elect to become a party to the proceedings in the district court. Except
330.14 for appeals under subdivision 3b, any party may demand that the commissioner or executive
330.15 board furnish all parties to the proceedings with a copy of the decision, and a transcript of
330.16 any testimony, evidence, or other supporting papers from the hearing held before the human
330.17 services judge, by serving a written demand upon the applicable commissioner or executive
330.18 board within 30 days after service of the notice of appeal. Any party aggrieved by the failure
330.19 of an adverse party to obey an order issued by the commissioner or executive board under
330.20 subdivisions 5 or 5a may compel performance according to the order in the manner prescribed
330.21 in sections 586.01 to 586.12.

330.22 Sec. 16. Minnesota Statutes 2022, section 256.0451, subdivision 1, as amended by Laws
330.23 2024, chapter 80, article 1, section 72, is amended to read:

330.24 Subdivision 1. **Scope.** (a) The requirements in this section apply to all fair hearings and
330.25 appeals under ~~section~~ sections 142A.20, subdivision 2, and 256.045, subdivision 3, paragraph
330.26 (a), clauses (1), (2), (3), (5), (6), (7), ~~(8), (11)~~ (10), and ~~(13)~~ (12). Except as provided in
330.27 subdivisions 3 and 19, the requirements under this section apply to fair hearings and appeals
330.28 under section 256.045, subdivision 3, paragraph (a), clauses (4), (8), (9), ~~(10)~~, and ~~(12)~~ (11).

330.29 (b) For purposes of this section, "person" means an individual who, on behalf of
330.30 themselves or their household, is appealing or disputing or challenging an action, a decision,
330.31 or a failure to act, by an agency in the human services system. When a person involved in
330.32 a proceeding under this section is represented by an attorney or by an authorized
330.33 representative, the term "person" also means the person's attorney or authorized
330.34 representative. Any notice sent to the person involved in the hearing must also be sent to
330.35 the person's attorney or authorized representative.

331.1 (c) For purposes of this section, "agency" means the county human services agency, the
331.2 state human services agency, and, where applicable, any entity involved under a contract,
331.3 subcontract, grant, or subgrant with the state agency or with a county agency, that provides
331.4 or operates programs or services in which appeals are governed by section 256.045.

331.5 Sec. 17. Minnesota Statutes 2022, section 256.0451, subdivision 22, is amended to read:

331.6 Subd. 22. **Decisions.** A timely, written decision must be issued in every appeal. Each
331.7 decision must contain a clear ruling on the issues presented in the appeal hearing and should
331.8 contain a ruling only on questions directly presented by the appeal and the arguments raised
331.9 in the appeal.

331.10 (a) A written decision must be issued within 90 days of the date the person involved
331.11 requested the appeal unless a shorter time is required by law. An additional 30 days is
331.12 provided in those cases where the commissioner refuses to accept the recommended decision.
331.13 In appeals of maltreatment determinations or disqualifications filed pursuant to section
331.14 256.045, subdivision 3, paragraph (a), clause (4), (8), or (9), ~~or (10)~~, that also give rise to
331.15 possible licensing actions, the 90-day period for issuing final decisions does not begin until
331.16 the later of the date that the licensing authority provides notice to the appeals division that
331.17 the authority has made the final determination in the matter or the date the appellant files
331.18 the last appeal in the consolidated matters.

331.19 (b) The decision must contain both findings of fact and conclusions of law, clearly
331.20 separated and identified. The findings of fact must be based on the entire record. Each
331.21 finding of fact made by the human services judge shall be supported by a preponderance
331.22 of the evidence unless a different standard is required under the regulations of a particular
331.23 program. The "preponderance of the evidence" means, in light of the record as a whole, the
331.24 evidence leads the human services judge to believe that the finding of fact is more likely to
331.25 be true than not true. The legal claims or arguments of a participant do not constitute either
331.26 a finding of fact or a conclusion of law, except to the extent the human services judge adopts
331.27 an argument as a finding of fact or conclusion of law.

331.28 The decision shall contain at least the following:

331.29 (1) a listing of the date and place of the hearing and the participants at the hearing;

331.30 (2) a clear and precise statement of the issues, including the dispute under consideration
331.31 and the specific points which must be resolved in order to decide the case;

331.32 (3) a listing of the material, including exhibits, records, reports, placed into evidence at
331.33 the hearing, and upon which the hearing decision is based;

(4) the findings of fact based upon the entire hearing record. The findings of fact must be adequate to inform the participants and any interested person in the public of the basis of the decision. If the evidence is in conflict on an issue which must be resolved, the findings of fact must state the reasoning used in resolving the conflict;

(5) conclusions of law that address the legal authority for the hearing and the ruling, and which give appropriate attention to the claims of the participants to the hearing;

(6) a clear and precise statement of the decision made resolving the dispute under consideration in the hearing; and

(7) written notice of the right to appeal to district court or to request reconsideration, and of the actions required and the time limits for taking appropriate action to appeal to district court or to request a reconsideration.

(c) The human services judge shall not independently investigate facts or otherwise rely on information not presented at the hearing. The human services judge may not contact other agency personnel, except as provided in subdivision 18. The human services judge's recommended decision must be based exclusively on the testimony and evidence presented at the hearing, and legal arguments presented, and the human services judge's research and knowledge of the law.

(d) The commissioner will review the recommended decision and accept or refuse to accept the decision according to section 142A.20, subdivision 3, or 256.045, subdivision 5.

Sec. 18. Minnesota Statutes 2022, section 256.0451, subdivision 24, is amended to read:

Subd. 24. **Reconsideration.** (a) Reconsideration may be requested within 30 days of the date of the commissioner's final order. If reconsideration is requested under section 142A.20, subdivision 3, or 256.045, subdivision 5, the other participants in the appeal shall be informed of the request. The person seeking reconsideration has the burden to demonstrate why the matter should be reconsidered. The request for reconsideration may include legal argument and may include proposed additional evidence supporting the request. The other participants shall be sent a copy of all material submitted in support of the request for reconsideration and must be given ten days to respond.

(b) When the requesting party raises a question as to the appropriateness of the findings of fact, the commissioner shall review the entire record.

(c) When the requesting party questions the appropriateness of a conclusion of law, the commissioner shall consider the recommended decision, the decision under reconsideration,

333.1 and the material submitted in connection with the reconsideration. The commissioner shall
333.2 review the remaining record as necessary to issue a reconsidered decision.

333.3 (d) The commissioner shall issue a written decision on reconsideration in a timely fashion.
333.4 The decision must clearly inform the parties that this constitutes the final administrative
333.5 decision, advise the participants of the right to seek judicial review, and the deadline for
333.6 doing so.

333.7 Sec. 19. Minnesota Statutes 2022, section 256.046, subdivision 2, as amended by Laws
333.8 2024, chapter 80, article 1, section 75, is amended to read:

333.9 Subd. 2. **Combined hearing.** ~~(a)~~ The human services judge may combine a fair hearing
333.10 under section 142A.20 or 256.045 and administrative fraud disqualification hearing under
333.11 this section or section 142A.27 into a single hearing if the factual issues arise out of the
333.12 same, or related, circumstances; ~~the commissioner of human services has jurisdiction over~~
333.13 ~~at least one of the hearings;~~ and the individual receives prior notice that the hearings will
333.14 be combined. If the administrative fraud disqualification hearing and fair hearing are
333.15 combined, the time frames for administrative fraud disqualification hearings specified in
333.16 Code of Federal Regulations, title 7, section 273.16, apply. If the individual accused of
333.17 wrongfully obtaining assistance is charged under section 256.98 for the same act or acts
333.18 which are the subject of the hearing, the individual may request that the hearing be delayed
333.19 until the criminal charge is decided by the court or withdrawn.

333.20 ~~(b) The human services judge must conduct any hearings under section 142A.20 or~~
333.21 ~~142A.27 pursuant to the relevant laws and rules governing children, youth, and families~~
333.22 ~~judges.~~

333.23 Sec. 20. Minnesota Statutes 2023 Supplement, section 256M.42, is amended by adding a
333.24 subdivision to read:

333.25 Subd. 7. **Adult protection grant allocation under Reform 2020.** The requirements of
333.26 subdivisions 2 to 6 apply to the Reform 2020 adult protection state grants in Minnesota
333.27 Statutes 2013 Supplement, section 256M.40, subdivision 1, and Laws 2013, chapter 108,
333.28 article 15. The Reform 2020 state adult protection grant must be allocated annually consistent
333.29 with the calendar year 2023 allocation made under section 256M.40.

333.30 Sec. 21. Laws 2023, chapter 70, article 12, section 30, subdivision 2, is amended to read:

337.11 the Department of Human Services. ~~The commissioner of children, youth, and families~~
337.12 ~~may appoint one or more state children, youth, and families judges to conduct hearings and~~
337.13 ~~recommend orders in accordance with subdivisions 2, 3, and 5. Children, youth, and families~~
337.14 ~~judges designated pursuant to this section may administer oaths and shall be under the~~
337.15 ~~control and supervision of the commissioner of children, youth, and families and shall not~~
337.16 ~~be a part of the Office of Administrative Hearings established pursuant to sections 14.48 to~~
337.17 ~~14.56. The commissioner shall only appoint as a full-time children, youth, and families~~
337.18 ~~judge an individual who is licensed to practice law in Minnesota and who is:~~

337.19 ~~(1) in active status;~~

337.20 ~~(2) an inactive resident;~~

337.21 ~~(3) retired;~~

337.22 ~~(4) on disabled status; or~~

337.23 ~~(5) on retired senior status.~~

337.24 All state agency hearings under subdivision 2 must be heard by a human services judge
337.25 pursuant to sections 256.045 and 256.0451.

337.26 Sec. 24. Laws 2024, chapter 80, article 1, section 38, subdivision 2, is amended to read:

337.27 Subd. 2. **State agency hearings.** ~~(a)~~ State agency hearings are available for the following:

337.28 (1) any person:

(i) applying for, receiving, or having received public assistance or a program of social services administered by the commissioner or a county agency on behalf of the commissioner or the federal Food and Nutrition Act; and

(ii) whose application for assistance is denied, not acted upon with reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly paid;

(2) any person whose claim for foster care payment according to a placement of the child resulting from a child protection assessment under chapter 260E is denied or not acted upon with reasonable promptness, regardless of funding source;

(3) any person to whom a right of appeal according to this section is given by other provision of law; and

~~(4) except as provided under chapter 142B, an individual or facility determined to have maltreated a minor under chapter 260E, after the individual or facility has exercised the right to administrative reconsideration under chapter 260E;~~

~~(5) except as provided under chapter 245C, an individual disqualified under sections 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23, on the basis of serious or recurring maltreatment; of a preponderance of the evidence that the individual has committed an act or acts that meet the definition of any of the crimes listed in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section 260E.06, subdivision 1, or 626.557, subdivision 3. Hearings regarding a maltreatment determination under clause (4) and a disqualification under this clause in which the basis for a disqualification is serious or recurring maltreatment shall be consolidated into a single fair hearing. In such cases, the scope of review by the children, youth, and families judge shall include both the maltreatment determination and the disqualification. The failure to exercise the right to an administrative reconsideration shall not be a bar to a hearing under this section if federal law provides an individual the right to a hearing to dispute a finding of maltreatment; and~~

~~(6)~~ (4) any person with an outstanding debt resulting from receipt of public assistance or the federal Food and Nutrition Act who is contesting a setoff claim by the commissioner of children, youth, and families or a county agency. The scope of the appeal is the validity of the claimant agency's intention to request a setoff of a refund under chapter 270A against the debt.

~~(b) The hearing for an individual or facility under paragraph (a), clause (4) or (5), is the only administrative appeal to the final agency determination specifically, including a~~

~~challenge to the accuracy and completeness of data under section 13.04. A hearing for an individual or facility under paragraph (a), clause (4) or (5), is only available when there is no district court action pending. If such action is filed in district court while an administrative review is pending that arises out of some or all of the events or circumstances on which the appeal is based, the administrative review must be suspended until the judicial actions are completed. If the district court proceedings are completed, dismissed, or overturned, the matter may be considered in an administrative hearing.~~

~~(c) For purposes of this section, bargaining unit grievance procedures are not an administrative appeal.~~

~~(d) The scope of hearings involving claims to foster care payments under paragraph (a), clause (2), shall be limited to the issue of whether the county is legally responsible for a child's placement under court order or voluntary placement agreement and, if so, the correct amount of foster care payment to be made on the child's behalf and shall not include review of the propriety of the county's child protection determination or child placement decision.~~

~~(e) An applicant or recipient is not entitled to receive social services beyond the services prescribed under chapter 256M or other social services the person is eligible for under state law.~~

~~(f) The commissioner may summarily affirm the county or state agency's proposed action without a hearing when the sole issue is an automatic change due to a change in state or federal law.~~

~~(g) Unless federal or Minnesota law specifies a different time frame in which to file an appeal, an individual or organization specified in this section may contest the specified action, decision, or final disposition before the state agency by submitting a written request for a hearing to the state agency within 30 days after receiving written notice of the action, decision, or final disposition or within 90 days of such written notice if the applicant, recipient, patient, or relative shows good cause, as defined in section 142A.21, subdivision 13, why the request was not submitted within the 30-day time limit. The individual filing the appeal has the burden of proving good cause by a preponderance of the evidence.~~

Sec. 25. Laws 2024, chapter 80, article 1, section 38, subdivision 5, is amended to read:

Subd. 5. **Orders of the commissioner of children, youth, and families.** (a) A state ~~children, youth, and families~~ human services judge shall conduct a hearing on ~~the~~ an appeal of a matter listed in subdivision 2 and shall recommend an order to the commissioner of children, youth, and families. The recommended order must be based on all relevant evidence

340.1 and must not be limited to a review of the propriety of the state or county agency's action.
340.2 A ~~children, youth, and families~~ state human services judge may take official notice of
340.3 adjudicative facts. The commissioner of children, youth, and families may accept the
340.4 recommended order of a state ~~children, youth, and families~~ human services judge and issue
340.5 the order to the county agency and the applicant, recipient, or former recipient. If the
340.6 commissioner refuses to accept the recommended order of the state ~~children, youth, and~~
340.7 ~~families~~ human services judge, the commissioner shall notify the petitioner or the agency
340.8 of the commissioner's refusal and shall state reasons for the refusal. The commissioner shall
340.9 allow each party ten days' time to submit additional written argument on the matter. After
340.10 the expiration of the ten-day period, the commissioner shall issue an order on the matter to
340.11 the petitioner and the agency.

340.12 (b) A party aggrieved by an order of the commissioner may appeal under subdivision ~~7~~
340.13 5 or request reconsideration by the commissioner within 30 days after the date the
340.14 commissioner issues the order. The commissioner may reconsider an order upon request of
340.15 any party or on the commissioner's own motion. A request for reconsideration does not stay
340.16 implementation of the commissioner's order. The person seeking reconsideration has the
340.17 burden to demonstrate why the matter should be reconsidered. The request for reconsideration
340.18 may include legal argument and proposed additional evidence supporting the request. If
340.19 proposed additional evidence is submitted, the person must explain why the proposed
340.20 additional evidence was not provided at the time of the hearing. If reconsideration is granted,
340.21 the other participants must be sent a copy of all material submitted in support of the request
340.22 for reconsideration and must be given ten days to respond. Upon reconsideration, the
340.23 commissioner may issue an amended order or an order affirming the original order.

340.24 (c) Any order of the commissioner issued under this subdivision shall be conclusive
340.25 upon the parties unless appeal is taken in the manner provided by subdivision ~~7~~ 5. Any order
340.26 of the commissioner is binding on the parties and must be implemented by the state agency
340.27 or a county agency until the order is reversed by the district court or unless the commissioner
340.28 or a district court orders monthly assistance or aid or services paid or provided under
340.29 subdivision ~~10~~ 8.

340.30 (d) A vendor under contract with a county agency to provide social services is not a
340.31 party and may not request a hearing or seek judicial review of an order issued under this
340.32 section, unless assisting a recipient as provided in section 256.045, subdivision 4.

341.1 Sec. 26. Laws 2024, chapter 80, article 1, section 38, subdivision 6, is amended to read:

341.2 Subd. 6. **Additional powers of commissioner; subpoenas.** (a) The commissioner may
341.3 initiate a review of any action or decision of a county agency and direct that the matter be
341.4 presented to a state ~~children, youth, and families~~ human services judge for a hearing held
341.5 under subdivision 2 or ~~3~~ section 256.045, subdivision 3b. In all matters dealing with children,
341.6 youth, and families committed by law to the discretion of the county agency, the
341.7 commissioner's judgment may be substituted for that of the county agency. The commissioner
341.8 may order an independent examination when appropriate.

341.9 (b) Any party to a hearing held pursuant to subdivision 2 or ~~3~~ section 256.045, subdivision
341.10 3b, may request that the commissioner issue a subpoena to compel the attendance of witnesses
341.11 and the production of records at the hearing. A local agency may request that the
341.12 commissioner issue a subpoena to compel the release of information from third parties prior
341.13 to a request for a hearing under section 142A.21 upon a showing of relevance to such a
341.14 proceeding. The issuance, service, and enforcement of subpoenas under this subdivision is
341.15 governed by section 357.22 and the Minnesota Rules of Civil Procedure.

341.16 ~~(c) The commissioner may issue a temporary order staying a proposed demission by a~~
341.17 ~~residential facility licensed under chapter 142B:~~

341.18 ~~(1) while an appeal by a recipient under subdivision 3 is pending; or~~

341.19 ~~(2) for the period of time necessary for the case management provider to implement the~~
341.20 ~~commissioner's order.~~

341.21 Sec. 27. Laws 2024, chapter 80, article 1, section 38, subdivision 7, is amended to read:

341.22 Subd. 7. **Judicial review.** Any party who is aggrieved by an order of the commissioner
341.23 of children, youth, and families may appeal the order to the district court of the county
341.24 responsible for furnishing assistance, or, in appeals under section 256.045, subdivision 3,
341.25 3b, the county where the maltreatment occurred, by serving a written copy of a notice of
341.26 appeal upon the commissioner and any adverse party of record within 30 days after the date
341.27 the commissioner issued the order, the amended order, or order affirming the original order,
341.28 and by filing the original notice and proof of service with the court administrator of the
341.29 district court. Service may be made personally or by mail; service by mail is complete upon
341.30 mailing. The court administrator shall not require a filing fee in appeals taken pursuant to
341.31 this subdivision, except for appeals taken under section 256.045, subdivision 3 3b. The
341.32 commissioner may elect to become a party to the proceedings in the district court. Except
341.33 for appeals under section 256.045, subdivision 3 3b, any party may demand that the

342.1 commissioner furnish all parties to the proceedings with a copy of the decision, and a
342.2 transcript of any testimony, evidence, or other supporting papers from the hearing held
342.3 before the ~~children, youth, and families~~ state human services judge, by serving a written
342.4 demand upon the commissioner within 30 days after service of the notice of appeal. Any
342.5 party aggrieved by the failure of an adverse party to obey an order issued by the commissioner
342.6 under subdivision 5 may compel performance according to the order in the manner prescribed
342.7 in sections 586.01 to 586.12.

342.8 Sec. 28. Laws 2024, chapter 80, article 1, section 38, subdivision 9, is amended to read:

342.9 Subd. 9. **Appeal.** Any party aggrieved by the order of the district court may appeal the
342.10 order as in other civil cases. Except for appeals under section 256.045, subdivision 3 3b,
342.11 no costs or disbursements shall be taxed against any party nor shall any filing fee or bond
342.12 be required of any party.

344.4 Subd. 21. **Plan for transfer of clients and records upon closure.** (a) Except for license
344.5 holders who reside on the premises and child care providers, an applicant for initial or
344.6 continuing licensure or certification must submit a written plan indicating how the program

344.11 including information on how to access their records. A controlling individual of the program
344.12 or private agency must annually review and sign the plan.

~~Indian child's Tribe on family structure, how the family can seek help, what family and~~
~~Tribal resources are available, and what barriers the family faces at that time that could~~

~~(3) request participation of the Indian child's Tribe at the earliest possible time and~~

Subd. 2a. **Required findings that active efforts were provided.** (a) A court shall not
order a child placement, termination of parental rights, guardianship to the commissioner
of human services under section 260C.325, or temporary or permanent change in custody
of an Indian child unless the court finds that the child-placing agency or petitioner
demonstrated that active efforts were made to preserve the Indian child's family. Active
efforts to preserve the Indian child's family include efforts to prevent placement of the Indian

365.1 child to correct the conditions that led to the placement by ensuring remedial services and
365.2 rehabilitative programs designed to prevent the breakup of the family were provided in a
365.3 manner consistent with the prevailing social and cultural conditions of the Indian child's
365.4 Tribe and in partnership with the Indian child, the Indian child's parents, the Indian custodian,
365.5 extended family members, and Tribe, and that these efforts have proved unsuccessful.

365.6 (b) The court, in determining whether active efforts were made to preserve the Indian
365.7 child's family for purposes of child placement or permanency, shall ensure the provision of
365.8 active efforts designed to correct the conditions that led to the placement of the Indian child
365.9 and shall make findings regarding whether the following activities were appropriate and
365.10 necessary, and whether the child-placing agency or petitioner ensured appropriate and
365.11 meaningful services were available based upon the family's specific needs, whether listed
365.12 in this paragraph or not:

365.13 (1) whether active efforts were made at the earliest point possible to inquire into the
365.14 child's heritage, to identify any federally recognized Indian Tribe the child may be affiliated
365.15 with, to notify all potential Tribes at the earliest point possible, and to request participation
365.16 of the Indian child's Tribe;

365.17 (2) whether a Tribally designated representative with substantial knowledge of the
365.18 prevailing social and cultural standards and child-rearing practices within the Tribal
365.19 community was provided an opportunity to consult with and be involved in any investigations
365.20 or assessments of the family's circumstances, participate in identifying the family's needs,
365.21 and participate in development of any plan to keep the Indian child safely in the home,
365.22 identify services designed to prevent the breakup of the Indian child's family, and to reunify
365.23 the Indian child's family as soon as safety can be assured if out-of-home placement has
365.24 occurred;

365.25 (3) whether the Tribal representative was provided with all information available
365.26 regarding the proceeding, and whether it was requested that the Tribal representative assist
365.27 in identifying services designed to prevent the breakup of the Indian child's family and to
365.28 reunify the Indian child's family as soon as safety can be assured if out-of-home placement
365.29 has occurred;

365.30 (4) whether, before making a decision that may affect an Indian child's safety and
365.31 well-being or when contemplating placement of an Indian child, guidance from the Indian
365.32 child's Tribe was sought regarding family structure, how the family can seek help, what
365.33 family and Tribal resources are available, and what barriers the family faces that could
365.34 threaten the family's preservation;

(5) whether a Tribal representative was consulted to determine and arrange for visitation in the most natural setting that ensures the Indian child's safety, when the Indian child's safety requires supervised visitation;

(6) whether early and ongoing efforts occurred to identify, locate, and include extended family members as supports for the Indian child and the Indian child's family;

(7) whether continued active efforts were made to identify and place the Indian child in a home that is compliant with the placement preferences in sections 260.751 to 260.835, including whether extended family members were consulted to provide support to the Indian child and Indian child's parents; to inform the child-placing agency, petitioner, and court as to cultural connections and family structure; to assist in identifying appropriate cultural services and supports for the Indian child and Indian child's parents; and to identify and serve as placement and permanency resources for the Indian child. If there was difficulty contacting or engaging extended family members, whether assistance was sought from the Tribe, the Department of Human Services, or other agencies with expertise in working with Indian families;

(8) whether services and resources were provided to extended family members who are considered the primary placement option for an Indian child, as agreed upon by the child-placing agency or petitioner and the Tribe, to overcome licensing and other barriers to providing care to an Indian child. The need for services or resources shall not be a basis to exclude an extended family member from consideration as a primary placement. Services and resources include but are not limited to child care assistance, financial assistance, housing resources, emergency resources, and foster care licensing assistance and resources;

(9) whether concrete services and access to both Tribal and non-Tribal services were provided to the Indian child's parents and Indian custodian and, where necessary, members of the Indian child's extended family members who provide support to the Indian child and the Indian child's parents; and whether these services were provided in an ongoing manner throughout the child-placing agency or petitioner's involvement with the Indian family to directly assist the Indian family in accessing and utilizing services to maintain the Indian family, or to reunify the Indian family as soon as safety can be assured if out-of-home placement has occurred. Services include but are not limited to financial assistance, food, housing, health care, transportation, in-home services, community support services, and specialized services; and

(10) whether visitation occurred whenever possible in the home of the Indian child's parent, Indian custodian, or extended family member or in another noninstitutional setting

in order to keep the Indian child in close contact with the Indian child's parents, siblings, and other relatives regardless of the Indian child's age and to allow the Indian child and those with whom the Indian child visits to have natural, unsupervised interaction when consistent with protecting the child's safety.

Subd. 2b. **Adoptions.** For adoptions under chapter 259, the court may find that active efforts were made to prevent placement of an Indian child or to reunify the Indian child with the Indian child's parents upon a finding that: (1) subdivision 2a, paragraph (b), clauses (1) to (4), were met; (2) the Indian child's parent knowingly and voluntarily consented to placement of the Indian child for adoption on the record as described in section 260.765, subdivision 3a; (3) fraud was not present, and the Indian child's parent was not under duress; (4) the Indian child's parent was offered and declined services that would enable the Indian child's parent to maintain custody of the Indian child; and (5) the Indian child's parent was counseled on alternatives to adoption, and adoption contact agreements.

~~Subd. 3. **Required findings that active efforts were provided.** (a) Any party seeking to affect a termination of parental rights, other permanency action, or a placement where custody of an Indian child may be temporarily or permanently transferred to a person or entity who is not the Indian child's parent or Indian custodian, and where the Indian child's parent or Indian custodian cannot have the Indian child returned to their care upon demand, must satisfy the court that active efforts have been made to provide remedial services and rehabilitative programs designed to prevent the breakup of the Indian family and that these efforts have proved unsuccessful.~~

~~(b) A court shall not order an out-of-home or permanency placement for an Indian child unless the court finds that the child-placing agency made active efforts to, as required by section 260.012 and this section, provide remedial services and rehabilitative programs designed to prevent the breakup of the Indian child's family, and that these efforts have proved unsuccessful. To the extent possible, active efforts must be provided in a manner consistent with the prevailing social and cultural conditions of the Indian child's Tribe and in partnership with the Indian child, Indian parents, extended family, and Tribe.~~

~~(c) Regardless of whether the Indian child's Tribe has intervened in the proceedings, the court, in determining whether the child-placing agency made active efforts to preserve the Indian child's family for purposes of out-of-home placement and permanency, shall ensure the provision of active efforts designed to correct the conditions that led to the out-of-home placement of the Indian child and shall make findings regarding whether the following activities were appropriate and necessary, and whether the child-placing agency made~~

368.1 appropriate and meaningful services, whether listed in this paragraph or not, available to
368.2 the family based upon that family's specific needs;

368.3 ~~(1) whether the child-placing agency made efforts at the earliest point possible to (i)~~
368.4 ~~identify whether a child may be an Indian child as defined in section 260.755, subdivision~~
368.5 ~~8; and (ii) identify and request participation of the Indian child's Tribe at the earliest point~~
368.6 ~~possible and throughout the investigation or assessment, case planning, provision of services,~~
368.7 ~~and case completion;~~

368.8 ~~(2) whether the child-placing agency requested that a Tribally designated representative~~
368.9 ~~with substantial knowledge of prevailing social and cultural standards and child-rearing~~
368.10 ~~practices within the Tribal community evaluate the circumstances of the Indian child's~~
368.11 ~~family, provided the Tribally designated representative with all information available~~
368.12 ~~regarding the case, and requested that the Tribally designated representative assist in~~
368.13 ~~developing a case plan that uses Tribal and Indian community resources;~~

368.14 ~~(3) whether the child-placing agency provided concrete services and access to both~~
368.15 ~~Tribal and non-Tribal services to members of the Indian child's family, including but not~~
368.16 ~~limited to financial assistance, food, housing, health care, transportation, in-home services,~~
368.17 ~~community support services, and specialized services; and whether these services are being~~
368.18 ~~provided in an ongoing manner throughout the agency's involvement with the family, to~~
368.19 ~~directly assist the family in accessing and utilizing services to maintain the Indian family,~~
368.20 ~~or reunify the Indian family as soon as safety can be assured if out-of-home placement has~~
368.21 ~~occurred;~~

368.22 ~~(4) whether the child-placing agency made early and ongoing efforts to identify, locate,~~
368.23 ~~and include extended family members;~~

368.24 ~~(5) whether the child-placing agency notified and consulted with the Indian child's~~
368.25 ~~extended family members, as identified by the child, the child's parents, or the Tribe; whether~~
368.26 ~~extended family members were consulted to provide support to the child and parents, to~~
368.27 ~~inform the child-placing agency and court as to cultural connections and family structure,~~
368.28 ~~to assist in identifying appropriate cultural services and supports for the child and parents,~~
368.29 ~~and to identify and serve as a placement and permanency resource for the child; and if there~~
368.30 ~~was difficulty contacting or engaging with extended family members, whether assistance~~
368.31 ~~was sought from the Tribe, the Department of Human Services, or other agencies with~~
368.32 ~~expertise in working with Indian families;~~

368.33 ~~(6) whether the child-placing agency provided services and resources to relatives who~~
368.34 ~~are considered the primary placement option for an Indian child, as agreed by the~~

369.1 ~~child-placing agency and the Tribe, to overcome barriers to providing care to an Indian~~
369.2 ~~child. Services and resources shall include but are not limited to child care assistance,~~
369.3 ~~financial assistance, housing resources, emergency resources, and foster care licensing~~
369.4 ~~assistance and resources; and~~

369.5 ~~(7) whether the child-placing agency arranged for visitation to occur, whenever possible,~~
369.6 ~~in the home of the Indian child's parent, Indian custodian, or other family member or in~~
369.7 ~~another noninstitutional setting, in order to keep the child in close contact with parents,~~
369.8 ~~siblings, and other relatives regardless of the child's age and to allow the child and those~~
369.9 ~~with whom the child visits to have natural, unsupervised interaction when consistent with~~
369.10 ~~protecting the child's safety; and whether the child-placing agency consulted with a Tribal~~
369.11 ~~representative to determine and arrange for visitation in the most natural setting that ensures~~
369.12 ~~the child's safety, when the child's safety requires supervised visitation.~~

369.13 Sec. 20. Minnesota Statutes 2023 Supplement, section 260.763, subdivision 1, is amended
369.14 to read:

369.15 Subdivision 1. **Indian Tribe jurisdiction.** (a) An Indian Tribe has exclusive jurisdiction
369.16 over all child placement proceedings involving an Indian child who resides or is domiciled
369.17 within the reservation of the Tribe, except where jurisdiction is otherwise vested in the state
369.18 by existing federal law. The child-placing agencies and the courts shall defer to a Tribal
369.19 determination of the Tribe's exclusive jurisdiction when an Indian child resides or is
369.20 domiciled within the reservation of the Tribe.

369.21 (b) Where an Indian child is a ward of the Tribal court, the Indian Tribe retains exclusive
369.22 jurisdiction, notwithstanding the residence or domicile of the child unless the Tribe agrees
369.23 to allow concurrent jurisdiction with the state.

369.24 (c) An Indian Tribe and the state of Minnesota share concurrent jurisdiction over a child
369.25 placement proceeding involving an Indian child who resides or is domiciled outside of the
369.26 reservation of the Tribe, or if the Tribe agrees to concurrent jurisdiction.

369.27 Sec. 21. Minnesota Statutes 2023 Supplement, section 260.763, subdivision 4, is amended
369.28 to read:

369.29 Subd. 4. **Transfer of proceedings.** In any child placement proceeding, upon a motion
369.30 or request by the Indian child's parent, Indian custodian, or Tribe, the court, in the absence
369.31 of good cause to the contrary, shall transfer the proceeding to the jurisdiction of the Tribe
369.32 absent objection by either of the Indian child's parent or the Indian custodian. The petition
369.33 motion or request to transfer may be filed made by the Indian child's parent, the Indian

370.1 custodian, or the Indian child's Tribe at any stage in the proceedings by: (1) filing a written
370.2 motion with the court and serving the motion upon the other parties; or (2) making a request
370.3 on the record during the hearing, which shall be reflected in the court's findings. A request
370.4 or motion to transfer made by a Tribal representative of the Indian child's Tribe under this
370.5 subdivision shall not be considered the unauthorized practice of law. The transfer is subject
370.6 to declination by the Tribal court of the Tribe.

370.7 Sec. 22. Minnesota Statutes 2023 Supplement, section 260.763, subdivision 5, is amended
370.8 to read:

370.9 Subd. 5. **Good cause to deny transfer.** (a) Establishing good cause to deny transfer of
370.10 jurisdiction to a Tribal court is a fact-specific inquiry to be determined on a case-by-case
370.11 basis. Socioeconomic conditions and the perceived adequacy of Tribal or Bureau of Indian
370.12 Affairs social services or judicial systems must not be considered in a determination that
370.13 good cause exists. The party opposed to transfer of jurisdiction to a Tribal court has the
370.14 burden to prove by clear and convincing evidence that good cause to deny transfer exists.
370.15 Opposition to a motion to transfer jurisdiction to Tribal court must be in writing and must
370.16 be served upon all parties.

370.17 (b) Upon a motion or request by an Indian child's parent, Indian custodian, or Tribe, the
370.18 court may find good cause to deny transfer to Tribal court if shall transfer jurisdiction to a
370.19 Tribal court unless the court determines that there is good cause to deny transfer based on
370.20 the following:

370.21 (1) the Indian child's Tribe does not have a Tribal court or any other administrative body
370.22 of a Tribe vested with authority over child placement proceedings, as defined in section
370.23 260.755, subdivision 3, to which the case can be transferred, and no other Tribal court has
370.24 been designated by the Indian child's Tribe; or

370.25 (2) the evidence necessary to decide the case could not be adequately presented in the
370.26 Tribal court without undue hardship to the parties or the witnesses and the Tribal court is
370.27 unable to mitigate the hardship by any means permitted in the Tribal court's rules. Without
370.28 evidence of undue hardship, travel distance alone is not a basis for denying a transfer.

370.29 Sec. 23. Minnesota Statutes 2023 Supplement, section 260.765, subdivision 2, is amended
370.30 to read:

370.31 Subd. 2. **Notice.** When an Indian child is voluntarily placed ~~in foster care~~ out of the care
370.32 of the Indian child's parent or Indian custodian, the child-placing agency involved in the
370.33 decision to place the Indian child shall give notice as described in section 260.761 of the

371.1 placement to the Indian child's parent, parents, Indian custodian, and the Tribal social
371.2 services agency within seven days of placement, excluding weekends and holidays.

371.3 If a child-placing agency makes a temporary voluntary ~~foster care~~ placement pending
371.4 a decision on adoption by ~~a~~ an Indian child's parent or Indian custodian, notice of the
371.5 placement shall be given to the Indian child's parents, Tribal social services agency, and
371.6 the Indian custodian upon the filing of a petition for termination of parental rights or three
371.7 months following the temporary placement, whichever occurs first.

371.8 Sec. 24. Minnesota Statutes 2023 Supplement, section 260.765, subdivision 3a, is amended
371.9 to read:

371.10 Subd. 3a. **Court requirements for consent.** Where any parent or Indian custodian
371.11 voluntarily consents to a ~~foster care~~ child placement or to termination of parental rights or
371.12 adoption, the consent shall not be valid unless executed in writing and recorded before a
371.13 judge and accompanied by the presiding judge's finding that the terms and consequences
371.14 of the consent were fully explained in detail and were fully understood by the parent or
371.15 Indian custodian. The court shall also find that either the parent or Indian custodian fully
371.16 understood the explanation in English or that it was interpreted into a language the parent
371.17 or Indian custodian understood. Any consent given prior to, or within ten days after, the
371.18 birth of an Indian child shall not be valid.

371.19 Sec. 25. Minnesota Statutes 2023 Supplement, section 260.765, subdivision 4b, is amended
371.20 to read:

371.21 Subd. 4b. **Collateral attack; vacation of decree and return of custody;**
371.22 **limitations.** After the entry of a final decree of adoption of an Indian child in any state
371.23 court, the Indian child's parent may withdraw consent upon the grounds that consent was
371.24 obtained through fraud or duress and may petition the court to vacate the decree. Upon a
371.25 finding that consent was obtained through fraud or duress, the court shall vacate the decree
371.26 and return the Indian child to the Indian child's parent. No adoption that has been effective
371.27 for at least two years may be invalidated under the provisions of this subdivision unless
371.28 otherwise permitted under a provision of state law.

371.29 Sec. 26. Minnesota Statutes 2023 Supplement, section 260.771, subdivision 1a, is amended
371.30 to read:

371.31 Subd. 1a. **Active efforts.** In any child placement proceeding, the child-placing agency
371.32 or ~~individual~~ petitioner shall ensure that appropriate active efforts as described in section

372.1 260.762 are provided to the Indian child's parent or parents, Indian custodian, and family
372.2 to support reunification and preservation of the Indian child's placement with and relationship
372.3 to the Indian child's extended family.

372.4 Sec. 27. Minnesota Statutes 2023 Supplement, section 260.771, subdivision 1b, is amended
372.5 to read:

372.6 Subd. 1b. **Placement preference.** In any child placement proceeding, the child-placing
372.7 agency or ~~individual~~ petitioner shall follow the placement preferences described in section

372.9 efforts, shall follow section 260.773, subdivisions 12 to 15.

372.10 Sec. 28. Minnesota Statutes 2023 Supplement, section 260.771, subdivision 1c, is amended
372.11 to read:

372.12 Subd. 1c. **Identification of extended family members.** Any child-placing agency or
372.13 ~~individual~~ petitioner considering placement of an Indian child shall ~~make~~ ensure active
372.14 efforts are made to identify and locate siblings and extended family members and to explore
372.15 placement with ~~an~~ extended family member and ~~facilitate continued involvement in the~~
372.16 ~~Indian child's life~~ members and ensure the Indian child's relationship with the Indian child's
372.17 extended family and Tribe.

372.18 Sec. 29. Minnesota Statutes 2023 Supplement, section 260.771, subdivision 2b, is amended
372.19 to read:

372.20 Subd. 2b. **Appointment of counsel.** (a) In any state court child placement proceeding,
372.21 including but not limited to any proceeding where the petitioner or another party seeks to
372.22 temporarily or permanently remove an Indian child from the Indian child's parent or parents
372.23 or Indian custodian, the Indian child's parent or parents or Indian custodian shall have the
372.24 right to be represented by an attorney. If the parent or parents or Indian custodian cannot
372.25 afford an attorney and meet the requirements of section 611.17, an attorney will be appointed
372.26 to represent them.

372.27 (b) In any state court child placement proceeding, any Indian child ten years of age or
372.28 older shall have the right to court-appointed counsel. The court may appoint counsel for
372.29 any Indian child under ten years of age in any state court child placement proceeding if the
372.30 court determines that appointment is appropriate and in the best interest of the Indian child.

372.31 (c) If the court appoints counsel to represent a person pursuant to this subdivision, the
372.32 court shall appoint counsel to represent the person prior to the first hearing on the petition,

373.1 but may appoint counsel at any stage of the proceeding if the court deems it necessary. The
373.2 court shall not appoint a public defender to represent the person unless such appointment
373.3 is authorized by section 611.14.

373.4 Sec. 30. Minnesota Statutes 2023 Supplement, section 260.771, subdivision 2d, is amended
373.5 to read:

373.6 Subd. 2d. **Tribal access to files and other documents.** At any subsequent stage of the
373.7 child-placing agency or petitioner's involvement with an Indian child, the child-placing
373.8 agency or ~~individual~~ petitioner shall, upon request, give the Tribal social services agency
373.9 full cooperation including access to all files concerning the Indian child. If the files contain
373.10 confidential or private data, the child-placing agency or ~~individual~~ petitioner may require
373.11 execution of an agreement with the Tribal social services agency specifying that the Tribal
373.12 social services agency shall maintain the data according to statutory provisions applicable
373.13 to the data.

373.14 Sec. 31. Minnesota Statutes 2023 Supplement, section 260.771, is amended by adding a
373.15 subdivision to read:

373.19 the need to file a motion.

373.20 (b) An Indian child's Tribe, Tribal representative, or attorney representing the Tribe:

373.28 (5) is exempt from the pro hac vice requirements of Rule 5 of the Minnesota General
373.29 Rules of Practice.

374.1 Sec. 32. Minnesota Statutes 2023 Supplement, section 260.771, subdivision 6, is amended
374.2 to read:

374.3 Subd. 6. **Qualified expert witness and evidentiary requirements.** (a) In ~~an~~ any
374.4 involuntary ~~foster-care~~ placement proceeding, the court must determine by clear and
374.5 convincing evidence, including testimony of a qualified expert witness, that continued

374.7 emotional damage or serious physical damage to the Indian child.

374.8 In a termination of parental rights proceeding, the court must determine by evidence
374.9 beyond a reasonable doubt, including testimony of a qualified expert witness, that continued
374.10 custody of the Indian child by the parent or Indian custodian is likely to result in serious
374.11 emotional damage or serious physical damage to the Indian child.

374.12 In an involuntary permanent transfer of legal and physical custody ~~proceeding~~, permanent
374.13 custody to the agency ~~proceeding~~, temporary custody to the agency, or other permanency
374.14 proceeding, the court must determine by clear and convincing evidence, including testimony
374.15 of a qualified expert witness, that the continued custody of the Indian child by the Indian
374.16 child's parent or parents or Indian custodian is likely to result in serious emotional damage
374.17 or serious physical damage to the Indian child. Qualified expert witness testimony is not
374.18 required where custody is transferred to the Indian child's parent.

374.19 Testimony of a qualified expert witness shall be provided for involuntary ~~foster-care~~

374.24 Tribe are not subject to a challenge in Indian child placement proceedings.

374.25 (c) If a party cannot obtain testimony from a Tribally designated qualified expert witness,
374.26 the party shall submit to the court the diligent efforts made to obtain a Tribally designated
374.27 qualified expert witness.

374.28 (d) If clear and convincing evidence establishes that a party's diligent efforts cannot

374.30 demonstrate to the court that a proposed qualified expert witness is, in descending order of
374.31 preference:

(1) a member of the Indian child's Tribe who is recognized by the Indian child's Tribal community as knowledgeable in Tribal customs as they pertain to family organization and child-rearing practices; or

The court or any party may request the assistance of the Indian child's Tribe or the Bureau of Indian Affairs agency serving the Indian child's Tribe in locating persons qualified to serve as expert witnesses.

383.22 extended family member as defined in section 260.755, subdivision 5b, of the Minnesota
383.23 Indian Family Preservation Act.

383.24 Sec. 51. Minnesota Statutes 2022, section 260C.178, subdivision 1, as amended by Laws
383.25 2024, chapter 80, article 8, section 24, is amended to read:

383.26 Subdivision 1. **Hearing and release requirements.** (a) If a child was taken into custody
383.27 under section 260C.175, subdivision 1, clause (1) or (2), item (ii), the court shall hold a
383.28 hearing within 72 hours of the time that the child was taken into custody, excluding
383.29 Saturdays, Sundays, and holidays, to determine whether the child should continue to be in
383.30 custody.

383.31 (b) Unless there is reason to believe that the child would endanger self or others or not
383.32 return for a court hearing, or that the child's health or welfare would be immediately

384.1 endangered, the child shall be released to the custody of a parent, guardian, custodian, or
384.2 other suitable person, subject to reasonable conditions of release including, but not limited
384.3 to, a requirement that the child undergo a chemical use assessment as provided in section
384.4 260C.157, subdivision 1.

384.5 (c) If the court determines that there is reason to believe that the child would endanger
384.6 self or others or not return for a court hearing, or that the child's health or welfare would be
384.7 immediately endangered if returned to the care of the parent or guardian who has custody
384.8 and from whom the child was removed, the court shall order the child:

384.9 (1) into the care of the child's noncustodial parent and order the noncustodial parent to
384.10 comply with any conditions that the court determines appropriate to ensure the safety and
384.11 care of the child, including requiring the noncustodial parent to cooperate with paternity
384.12 establishment proceedings if the noncustodial parent has not been adjudicated the child's
384.13 father; or

384.14 (2) into foster care as defined in section 260C.007, subdivision 18, under the legal
384.15 responsibility of the responsible social services agency or responsible probation or corrections
384.16 agency for the purposes of protective care as that term is used in the juvenile court rules.
384.17 The court shall not give the responsible social services legal custody and order a trial home
384.18 visit at any time prior to adjudication and disposition under section 260C.201, subdivision
384.19 1, paragraph (a), clause (3), but may order the child returned to the care of the parent or
384.20 guardian who has custody and from whom the child was removed and order the parent or
384.21 guardian to comply with any conditions the court determines to be appropriate to meet the
384.22 safety, health, and welfare of the child.

384.23 (d) In determining whether the child's health or welfare would be immediately
384.24 endangered, the court shall consider whether the child would reside with a perpetrator of
384.25 domestic child abuse.

384.26 (e) The court, before determining whether a child should be placed in or continue in
384.27 foster care under the protective care of the responsible agency, shall also make a
384.28 determination, consistent with section 260.012 as to whether reasonable efforts were made
384.29 to prevent placement or whether reasonable efforts to prevent placement are not required.
384.30 In the case of an Indian child, the court shall determine whether active efforts, according
384.31 to section 260.762 and the Indian Child Welfare Act of 1978, United States Code, title 25,
384.32 section 1912(d), were made to prevent placement. The court shall enter a finding that the
384.33 responsible social services agency has made reasonable efforts to prevent placement when
384.34 the agency establishes either:

(1) that the agency has actually provided services or made efforts in an attempt to prevent the child's removal but that such services or efforts have not proven sufficient to permit the child to safely remain in the home; or

(2) that there are no services or other efforts that could be made at the time of the hearing that could safely permit the child to remain home or to return home. The court shall not make a reasonable efforts determination under this clause unless the court is satisfied that the agency has sufficiently demonstrated to the court that there were no services or other efforts that the agency was able to provide at the time of the hearing enabling the child to safely remain home or to safely return home. When reasonable efforts to prevent placement are required and there are services or other efforts that could be ordered that would permit the child to safely return home, the court shall order the child returned to the care of the parent or guardian and the services or efforts put in place to ensure the child's safety. When the court makes a prima facie determination that one of the circumstances under paragraph (g) exists, the court shall determine that reasonable efforts to prevent placement and to return the child to the care of the parent or guardian are not required.

(f) If the court finds the social services agency's preventive or reunification efforts have not been reasonable but further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

(g) The court may not order or continue the foster care placement of the child unless the court makes explicit, individualized findings that continued custody of the child by the parent or guardian would be contrary to the welfare of the child and that placement is in the best interest of the child.

(h) At the emergency removal hearing, or at any time during the course of the proceeding, and upon notice and request of the county attorney, the court shall determine whether a petition has been filed stating a prima facie case that:

(1) the parent has subjected a child to egregious harm as defined in section 260C.007, subdivision 14;

(2) the parental rights of the parent to another child have been involuntarily terminated;

(3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph (a), clause (2);

(4) the parents' custodial rights to another child have been involuntarily transferred to a relative under a juvenile protection proceeding or a similar process of another jurisdiction;

386.1 (5) the parent has committed sexual abuse as defined in section 260E.03, against the
386.2 child or another child of the parent;

386.3 (6) the parent has committed an offense that requires registration as a predatory offender
386.4 under section 243.166, subdivision 1b, paragraph (a) or (b); or

386.5 (7) the provision of services or further services for the purpose of reunification is futile
386.6 and therefore unreasonable.

386.7 (i) When a petition to terminate parental rights is required under section 260C.301,
386.8 subdivision 4, or 260C.503, subdivision 2, but the county attorney has determined not to
386.9 proceed with a termination of parental rights petition, and has instead filed a petition to
386.10 transfer permanent legal and physical custody to a relative under section 260C.507, the
386.11 court shall schedule a permanency hearing within 30 days of the filing of the petition.

386.12 (j) If the county attorney has filed a petition under section 260C.307, the court shall
386.13 schedule a trial under section 260C.163 within 90 days of the filing of the petition except
386.14 when the county attorney determines that the criminal case shall proceed to trial first under
386.15 section 260C.503, subdivision 2, paragraph (c).

386.16 (k) If the court determines the child should be ordered into foster care and the child's
386.17 parent refuses to give information to the responsible social services agency regarding the
386.18 child's father or relatives of the child, the court may order the parent to disclose the names,
386.19 addresses, telephone numbers, and other identifying information to the responsible social
386.20 services agency for the purpose of complying with sections 260C.150, 260C.151, 260C.212,
386.21 260C.215, 260C.219, and 260C.221.

386.22 (l) If a child ordered into foster care has siblings, whether full, half, or step, who are
386.23 also ordered into foster care, the court shall inquire of the responsible social services agency
386.24 of the efforts to place the children together as required by section 260C.212, subdivision 2,
386.25 paragraph (d), if placement together is in each child's best interests, unless a child is in
386.26 placement for treatment or a child is placed with a previously noncustodial parent who is
386.27 not a parent to all siblings. If the children are not placed together at the time of the hearing,
386.28 the court shall inquire at each subsequent hearing of the agency's reasonable efforts to place
386.29 the siblings together, as required under section 260.012. If any sibling is not placed with
386.30 another sibling or siblings, the agency must develop a plan to facilitate visitation or ongoing
386.31 contact among the siblings as required under section 260C.212, subdivision 1, unless it is
386.32 contrary to the safety or well-being of any of the siblings to do so.

386.33 (m) When the court has ordered the child into the care of a noncustodial parent or in
386.34 foster care, the court may order a chemical dependency evaluation, mental health evaluation,

387.1 medical examination, and parenting assessment for the parent as necessary to support the
387.2 development of a plan for reunification required under subdivision 7 and section 260C.212,
387.3 subdivision 1, or the child protective services plan under section 260E.26, and Minnesota
387.4 Rules, part 9560.0228.

387.5 (n) When the court has ordered an Indian child into an emergency child placement, the
387.6 Indian child shall be placed according to the placement preferences in the Minnesota Indian
387.7 Family Preservation Act, section 260.773.

387.8 Sec. 52. Minnesota Statutes 2022, section 260D.01, is amended to read:

387.9 **260D.01 CHILD IN VOLUNTARY FOSTER CARE FOR TREATMENT.**

387.10 (a) Sections 260D.01 to 260D.10, may be cited as the "child in voluntary foster care for
387.11 treatment" provisions of the Juvenile Court Act.

387.12 (b) The juvenile court has original and exclusive jurisdiction over a child in voluntary
387.13 foster care for treatment upon the filing of a report or petition required under this chapter.
387.14 All obligations of the responsible social services agency to a child and family in foster care
387.15 contained in chapter 260C not inconsistent with this chapter are also obligations of the
387.16 agency with regard to a child in foster care for treatment under this chapter.

387.17 (c) This chapter shall be construed consistently with the mission of the children's mental
387.18 health service system as set out in section 245.487, subdivision 3, and the duties of an agency
387.19 under sections 256B.092 and 260C.157 and Minnesota Rules, parts 9525.0004 to 9525.0016,
387.20 to meet the needs of a child with a developmental disability or related condition. This
387.21 chapter:

387.22 (1) establishes voluntary foster care through a voluntary foster care agreement as the
387.23 means for an agency and a parent to provide needed treatment when the child must be in
387.24 foster care to receive necessary treatment for an emotional disturbance or developmental
387.25 disability or related condition;

387.26 (2) establishes court review requirements for a child in voluntary foster care for treatment
387.27 due to emotional disturbance or developmental disability or a related condition;

387.28 (3) establishes the ongoing responsibility of the parent as legal custodian to visit the
387.29 child, to plan together with the agency for the child's treatment needs, to be available and
387.30 accessible to the agency to make treatment decisions, and to obtain necessary medical,
387.31 dental, and other care for the child;

(4) applies to voluntary foster care when the child's parent and the agency agree that the child's treatment needs require foster care either:

(i) due to a level of care determination by the agency's screening team informed by the child's diagnostic and functional assessment under section 245.4885; or

(ii) due to a determination regarding the level of services needed by the child by the responsible social services agency's screening team under section 256B.092, and Minnesota Rules, parts 9525.0004 to 9525.0016; and

(5) includes the requirements for a child's placement in sections 260C.70 to 260C.714, when the juvenile treatment screening team recommends placing a child in a qualified residential treatment program, except as modified by this chapter.

(d) This chapter does not apply when there is a current determination under chapter 260E that the child requires child protective services or when the child is in foster care for any reason other than treatment for the child's emotional disturbance or developmental disability or related condition. When there is a determination under chapter 260E that the child requires child protective services based on an assessment that there are safety and risk issues for the child that have not been mitigated through the parent's engagement in services or otherwise, or when the child is in foster care for any reason other than the child's emotional disturbance or developmental disability or related condition, the provisions of chapter 260C apply.

(e) The paramount consideration in all proceedings concerning a child in voluntary foster care for treatment is the safety, health, and the best interests of the child. The purpose of this chapter is:

(1) to ensure that a child with a disability is provided the services necessary to treat or ameliorate the symptoms of the child's disability;

(2) to preserve and strengthen the child's family ties whenever possible and in the child's best interests, approving the child's placement away from the child's parents only when the child's need for care or treatment requires out-of-home placement and the child cannot be maintained in the home of the parent; and

(3) to ensure that the child's parent retains legal custody of the child and associated decision-making authority unless the child's parent willfully fails or is unable to make decisions that meet the child's safety, health, and best interests. The court may not find that the parent willfully fails or is unable to make decisions that meet the child's needs solely because the parent disagrees with the agency's choice of foster care facility, unless the

389.1 agency files a petition under chapter 260C, and establishes by clear and convincing evidence
389.2 that the child is in need of protection or services.

389.3 (f) The legal parent-child relationship shall be supported under this chapter by maintaining
389.4 the parent's legal authority and responsibility for ongoing planning for the child and by the
389.5 agency's assisting the parent, when necessary, to exercise the parent's ongoing right and
389.6 obligation to visit or to have reasonable contact with the child. Ongoing planning means:

389.7 (1) actively participating in the planning and provision of educational services, medical,
389.8 and dental care for the child;

389.9 (2) actively planning and participating with the agency and the foster care facility for
389.10 the child's treatment needs;

389.11 (3) planning to meet the child's need for safety, stability, and permanency, and the child's
389.12 need to stay connected to the child's family and community;

389.13 (4) engaging with the responsible social services agency to ensure that the family and
389.14 permanency team under section 260C.706 consists of appropriate family members. For
389.15 purposes of voluntary placement of a child in foster care for treatment under chapter 260D,
389.16 prior to forming the child's family and permanency team, the responsible social services
389.17 agency must consult with the child's parent or legal guardian, the child if the child is 14
389.18 years of age or older, and, if applicable, the child's Tribe to obtain recommendations regarding
389.19 which individuals to include on the team and to ensure that the team is family-centered and
389.20 will act in the child's best interests. If the child, child's parents, or legal guardians raise
389.21 concerns about specific relatives or professionals, the team should not include those
389.22 individuals unless the individual is a treating professional or an important connection to the
389.23 youth as outlined in the case or crisis plan; and

389.24 (5) for a voluntary placement under this chapter in a qualified residential treatment
389.25 program, as defined in section 260C.007, subdivision 26d, for purposes of engaging in a
389.26 relative search as provided in section 260C.221, the county agency must consult with the
389.27 child's parent or legal guardian, the child if the child is 14 years of age or older, and, if
389.28 applicable, the child's Tribe to obtain recommendations regarding which adult relatives the
389.29 county agency should notify. If the child, child's parents, or legal guardians raise concerns
389.30 about specific relatives, the county agency should not notify those relatives.

389.31 (g) The provisions of section 260.012 to ensure placement prevention, family
389.32 reunification, and all active and reasonable effort requirements of that section apply. ~~This~~
389.33 ~~chapter shall be construed consistently with the requirements of the Indian Child Welfare~~

390.1 ~~Act of 1978, United States Code, title 25, section 1901, et al., and the provisions of the~~

390.3 Sec. 53. **[260D.011] COMPLIANCE WITH FEDERAL INDIAN CHILD WELFARE**
390.4 **ACT AND MINNESOTA INDIAN FAMILY PRESERVATION ACT.**

390.5 Proceedings under this chapter concerning an Indian child are child custody proceedings
390.6 governed by the Indian Child Welfare Act, United States Code, title 25, sections 1901 to
390.7 1963; by the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835; and
390.8 by this chapter when not inconsistent with the federal Indian Child Welfare Act or the
390.9 Minnesota Indian Family Preservation Act.

390.10 Sec. 54. **[260E.015] COMPLIANCE WITH FEDERAL INDIAN CHILD WELFARE**
390.11 **ACT AND MINNESOTA INDIAN FAMILY PRESERVATION ACT.**

390.12 Proceedings under this chapter concerning an Indian child are child custody proceedings
390.13 governed by the Indian Child Welfare Act, United States Code, title 25, sections 1901 to
390.14 1963; by the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835; and
390.15 by this chapter when not inconsistent with the federal Indian Child Welfare Act or the
390.16 Minnesota Indian Family Preservation Act.

390.17 Sec. 55. **[524.5-2011] COMPLIANCE WITH FEDERAL INDIAN CHILD WELFARE**
390.18 **ACT AND MINNESOTA INDIAN FAMILY PRESERVATION ACT.**

390.19 Proceedings under this chapter concerning an Indian child are child custody proceedings
390.20 governed by the Indian Child Welfare Act, United States Code, title 25, sections 1901 to
390.21 1963; by the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835; and
390.22 by this chapter when not inconsistent with the federal Indian Child Welfare Act or the
390.23 Minnesota Indian Family Preservation Act.

390.24 Sec. 56. **DIRECTION TO COMMISSIONER OF HUMAN SERVICES; STUDY OF**
390.25 **CHILD PLACEMENT AND PERMANENCY; PRACTICE RECOMMENDATIONS.**

390.26 Subdivision 1. Study parameters. By September 1, 2024, the commissioner of human
390.27 services shall contract with an independent consultant to evaluate the effects of child
390.28 placement in foster care and out-of-home settings on the safety, permanency, and well-being
390.29 of the child. The study must be designed to evaluate the system overall for a child's placement
390.30 and permanency. The study shall identify and evaluate factors designed to ensure emotional
390.31 and physical safety of the child in the context of child placement and permanency dispositions

and shall include an analysis of structuring out-of-home placement decisions, reunification timelines, and service provisions to best allow the parents to engage in positive parenting of the child. The goal is to determine guidelines for when to place a child out-of-home, who to place the child with, when and how to keep the child connected to family and community, and what timelines support building a stable base for the child's parents to engage in necessary treatment, including but not limited to substance use or mental health treatment, before undertaking parenting responsibilities.

(b) The study shall take into account the educational and behavioral development, mental health functioning, and placement stability of the child. The study shall also take into consideration the social, financial, and whole health of the family unit.

Subd. 2. **Collaboration with interested parties.** The consultant shall design the study with an advisory group consisting of:

(1) the commissioner of human services, or a designee;

(2) the commissioner of children, youth, and families, or a designee;

(3) the ombudsperson for foster youth, or a designee;

(4) a representative from the Association of Minnesota Counties appointed by the association;

(5) two members representing county social services agencies, one from the seven-county metropolitan area and one from Greater Minnesota;

(6) one member appointed by the Minnesota Council on Disability;

(7) one member appointed by the Indian Child Welfare Advisory Council;

(10) up to four members appointed by the ombudsperson for families;

(11) up to four members from the Children's Justice Task Force; and

(12) members of the public appointed by the governor representing:

(i) one member 18 years of age who has lived experience with the child welfare system;

(iii) one member who is working with or advocating for children with disabilities;

- 392.1 (iv) one member with experience working with or advocating for LGBTQ youth;
- 392.2 (v) one member working with or advocating for Indigenous children;
- 392.3 (vi) one member working with or advocating for black children or youth;
- 392.4 (vii) one member working with or advocating for other children of color;
- 392.5 (viii) one member who is an attorney representing children in child placement
- 392.6 proceedings;
- 392.7 (ix) one member who is a Tribal attorney in child placement proceedings;
- 392.8 (x) one member who is an attorney representing parents in child placement proceedings;
- 392.9 (xi) one member with experience in children's mental health;
- 392.10 (xii) one member with experience in adult mental health; and
- 392.11 (xiii) one member who is a substance abuse professional.
- 392.12 Subd. 3. **Report.** By September 1, 2027, the consultant shall submit a final report to the
- 392.13 commissioner of human services and to the chairs and ranking minority members of the
- 392.14 legislative committees with jurisdiction over health and human services. The final report
- 392.15 must include a recommendation on the optimal time frame for child placement in foster
- 392.16 care or out-of-home placement. The commissioner of human services shall include a report
- 392.17 on needed statutory changes as a result of the consultant's report.

392.18 **Sec. 57. REPEALER.**

392.19 Minnesota Statutes 2022, section 260.755, subdivision 13, is repealed.

392.20 **ARTICLE 16**

392.21 **MINNESOTA AFRICAN AMERICAN FAMILY PRESERVATION AND CHILD**

392.22 **WELFARE DISPROPORTIONALITY ACT**

392.23 **Section 1. [260.61] CITATION.**

392.24 Sections 260.61 to 260.695 may be cited as the "Minnesota African American Family

392.25 Preservation and Child Welfare Disproportionality Act."

392.26 **EFFECTIVE DATE.** This section is effective July 1, 2026, except as provided under

392.27 section 19 of this article.

393.1 **Sec. 2. [260.62] PURPOSES.**

393.2 (a) The purposes of the Minnesota African American Family Preservation and Child
393.3 Welfare Disproportionality Act are to:

393.4 (1) protect the best interests of African American and disproportionately represented
393.5 children;

393.6 (2) promote the stability and security of African American and disproportionately
393.7 represented children and their families by establishing minimum standards to prevent the
393.8 arbitrary and unnecessary removal of African American and disproportionately represented
393.9 children from their families; and

393.10 (3) improve permanency outcomes, including family reunification, for African American
393.11 and disproportionately represented children.

393.12 (b) Nothing in this legislation is intended to interfere with the protections of the Indian
393.13 Child Welfare Act of 1978, United States Code, title 25, sections 1901 to 1963.

393.14 **EFFECTIVE DATE.** This section is effective July 1, 2026, except as provided under
393.15 section 19 of this article.

393.16 **Sec. 3. [260.63] DEFINITIONS.**

393.17 Subdivision 1. **Scope.** The definitions in this section apply to sections 260.61 to 260.695.

393.18 Subd. 2. **Active efforts.** "Active efforts" means a rigorous and concerted level of effort
393.19 that the responsible social services agency must continuously make throughout the time
393.20 that the responsible social services agency is involved with an African American or a
393.21 disproportionately represented child and the child's family. To provide active efforts to
393.22 preserve an African American or a disproportionately represented child's family, the
393.23 responsible social services agency must continuously involve an African American or a
393.24 disproportionately represented child's family in all services for the family, including case
393.25 planning and choosing services and providers, and inform the family of the ability to request
393.26 a case review by the commissioner under section 260.694. When providing active efforts,
393.27 a responsible social services agency must consider an African American or a
393.28 disproportionately represented family's social and cultural values at all times while providing
393.29 services to the African American or disproportionately represented child and family. Active
393.30 efforts includes continuous efforts to preserve an African American or a disproportionately
393.31 represented child's family and to prevent the out-of-home placement of an African American
393.32 or a disproportionately represented child. If an African American or a disproportionately
393.33 represented child enters out-of-home placement, the responsible social services agency must

394.1 make active efforts to reunify the African American or disproportionately represented child
394.2 with the child's family as soon as possible. Active efforts sets a higher standard for the
394.3 responsible social services agency than reasonable efforts to preserve the child's family,
394.4 prevent the child's out-of-home placement, and reunify the child with the child's family.
394.5 Active efforts includes the provision of reasonable efforts as required by Title IV-E of the
394.6 Social Security Act, United States Code, title 42, sections 670 to 679c.

394.7 Subd. 3. **Adoptive placement.** "Adoptive placement" means the permanent placement
394.8 of an African American or a disproportionately represented child made by the responsible
394.9 social services agency upon a fully executed adoption placement agreement, including the
394.10 signatures of the adopting parent, the responsible social services agency, and the
394.11 commissioner of human services according to section 260C.613, subdivision 1.

394.12 Subd. 4. **African American child.** "African American child" means a child having
394.13 origins in Africa, including a child of two or more races who has at least one parent with
394.14 origins in Africa.

394.15 Subd. 5. **Best interests of the African American or disproportionately represented**
394.16 **child.** The "best interests of the African American or disproportionately represented child"
394.17 means providing a culturally informed practice lens that acknowledges, utilizes, and embraces
394.18 the African American or disproportionately represented child's community and cultural
394.19 norms and allows the child to remain safely at home with the child's family. The best interests
394.20 of the African American or disproportionately represented child support the child's sense
394.21 of belonging to the child's family, extended family, kin, and cultural community.

394.22 Subd. 6. **Child placement proceeding.** (a) "Child placement proceeding" means any
394.23 judicial proceeding that could result in:

394.24 (1) an adoptive placement;

394.25 (2) a foster care placement;

394.26 (3) a preadoptive placement; or

394.27 (4) a termination of parental rights.

394.28 (b) Judicial proceedings under this subdivision include a child's placement based upon
394.29 a child's juvenile status offense but do not include a child's placement based upon:

394.30 (1) an act which if committed by an adult would be deemed a crime; or

394.31 (2) an award of child custody in a divorce proceeding to one of the child's parents.

395.1 Subd. 7. **Commissioner.** "Commissioner" means the commissioner of human services
395.2 or the commissioner's designee.

395.3 Subd. 8. **Custodian.** "Custodian" means any person who is under a legal obligation to
395.4 provide care and support for an African American or a disproportionately represented child,
395.5 or who is in fact providing daily care and support for an African American or a
395.6 disproportionately represented child. This subdivision does not impose a legal obligation
395.7 upon a person who is not otherwise legally obligated to provide a child with necessary food,
395.8 clothing, shelter, education, or medical care.

395.9 Subd. 9. **Disproportionality.** "Disproportionality" means the overrepresentation of
395.10 African American children and other disproportionately represented children in Minnesota's
395.11 child welfare system population as compared to the representation of those children in
395.12 Minnesota's total child population.

395.13 Subd. 10. **Disproportionately represented child.** "Disproportionately represented child"
395.14 means a child whose race, culture, ethnicity, or low-income socioeconomic status is
395.15 disproportionately encountered, engaged, or identified in the child welfare system as
395.16 compared to the representation in Minnesota's total child population.

395.17 Subd. 11. **Egregious harm.** "Egregious harm" has the meaning given in section 260E.03,
395.18 subdivision 5.

395.19 Subd. 12. **Foster care placement.** "Foster care placement" means the court-ordered
395.20 removal of an African American or a disproportionately represented child from the child's
395.21 home with the child's parent or legal custodian and the temporary placement of the child in
395.22 a foster home, in shelter care or a facility, or in the home of a guardian, when the parent or
395.23 legal custodian cannot have the child returned upon demand, but the parent's parental rights
395.24 have not been terminated. A foster care placement includes an order placing the child under
395.25 the guardianship of the commissioner, pursuant to section 260C.325, prior to an adoption
395.26 being finalized.

395.27 Subd. 13. **Imminent physical damage or harm.** "Imminent physical damage or harm"
395.28 means that a child is threatened with immediate and present conditions that are
395.29 life-threatening or likely to result in abandonment, sexual abuse, or serious physical injury.

395.30 Subd. 14. **Responsible social services agency.** "Responsible social services agency"
395.31 has the meaning given in section 260C.007, subdivision 27a.

395.32 Subd. 15. **Parent.** "Parent" means the biological parent of an African American or a
395.33 disproportionately represented child or any person who has legally adopted an African

396.1 American or a disproportionately represented child who, prior to the adoption, was considered
396.2 a relative to the child, as defined in subdivision 16. Parent includes an unmarried father
396.3 whose paternity has been acknowledged or established and a putative father. Paternity has
396.4 been acknowledged when an unmarried father takes any action to hold himself out as the
396.5 biological father of a child.

396.6 Subd. 16. **Preadoptive placement.** "Preadoptive placement" means a responsible social
396.7 services agency's placement of an African American or a disproportionately represented
396.8 child with the child's family or kin when the child is under the guardianship of the
396.9 commissioner for the purpose of adoption but an adoptive placement agreement for the
396.10 child has not been fully executed.

396.11 Subd. 17. **Relative.** "Relative" means:

396.12 (1) an individual related to the child by blood, marriage, or adoption;

396.13 (2) a legal parent, guardian, or custodian of the child's sibling;

396.14 (3) an individual who is an important friend of the child or child's family with whom
396.15 the child has resided or has had significant contact; or

396.16 (4) an individual who the child or the child's family identify as related to the child's
396.17 family.

396.18 Subd. 18. **Safety network.** "Safety network" means a group of individuals identified by
396.19 the parent and child, when appropriate, that is accountable for developing, implementing,
396.20 sustaining, supporting, or improving a safety plan to protect the safety and well-being of a
396.21 child.

396.22 Subd. 19. **Sexual abuse.** "Sexual abuse" has the meaning given in section 260E.03,
396.23 subdivision 20.

396.24 Subd. 20. **Termination of parental rights.** "Termination of parental rights" means an
396.25 action resulting in the termination of the parent-child relationship under section 260C.301.

396.26 **EFFECTIVE DATE.** This section is effective July 1, 2026, except as provided under
396.27 section 19 of this article.

396.28 Sec. 4. **[260.64] DUTY TO PREVENT OUT-OF-HOME PLACEMENT AND**
396.29 **PROMOTE FAMILY REUNIFICATION.**

396.30 Subdivision 1. **Active efforts.** A responsible social services agency shall make active
396.31 efforts to prevent the out-of-home placement of an African American or a disproportionately
396.32 represented child, eliminate the need for a child's removal from the child's home, and reunify

397.1 an African American or a disproportionately represented child with the child's family as
397.2 soon as practicable.

397.3 Subd. 2. **Safety plan.** (a) Prior to petitioning the court to remove an African American
397.4 or a disproportionately represented child from the child's home, a responsible social services
397.5 agency must work with the child's family to allow the child to remain in the child's home
397.6 while implementing a safety plan based on the family's needs. The responsible social services
397.7 agency must:

397.8 (1) make active efforts to engage the child's parent or custodian and the child, when
397.9 appropriate;

397.10 (2) assess the family's cultural and economic needs;

397.11 (3) hold a family group consultation meeting and connect the family with supports to
397.12 establish a safety network for the family; and

397.13 (4) provide support, guidance, and input to assist the family and the family's safety
397.14 network with developing the safety plan.

397.15 (b) The safety plan must:

397.16 (1) address the specific allegations impacting the child's safety in the home. If neglect
397.17 is alleged, the safety plan must incorporate economic services and supports to address the
397.18 family's specific needs and prevent neglect;

397.19 (2) incorporate family and community support to ensure the child's safety while keeping
397.20 the family intact; and

397.21 (3) be adjusted as needed to address the child's and family's ongoing needs and support.

397.22 (c) The responsible social services agency is not required to establish a safety plan in a
397.23 case with allegations of sexual abuse or egregious harm.

397.24 Subd. 3. **Out-of-home placement prohibited.** Unless the court finds by clear and
397.25 convincing evidence that the child would be at risk of serious emotional damage or serious
397.26 physical damage if the child were to remain in the child's home, a court shall not order a
397.27 foster care or permanent out-of-home placement of an African American or a
397.28 disproportionately represented child alleged to be in need of protection or services. At each
397.29 hearing regarding an African American or a disproportionately represented child who is
397.30 alleged or adjudicated to be in need of child protective services, the court shall review
397.31 whether the responsible social services agency has provided active efforts to the child and
397.32 the child's family and shall require the responsible social services agency to provide evidence

and documentation that demonstrates that the agency is providing culturally informed, strength-based, community-involved, and community-based services to the child and the child's family.

Subd. 4. Required findings that active efforts were provided. When determining whether the responsible social services agency has made active efforts to preserve the child's family, the court shall make findings regarding whether the responsible social services agency made appropriate and meaningful services available to the child's family based upon the family's specific needs. If a court determines that the responsible social services agency did not make active efforts to preserve the family as required by this section, the court shall order the responsible social services agency to immediately provide active efforts to the child and child's family to preserve the family.

EFFECTIVE DATE. This section is effective July 1, 2026, except as provided under section 19 of this article.

Sec. 5. [260.641] ENSURING FREQUENT VISITATION FOR AFRICAN AMERICAN AND DISPROPORTIONATELY REPRESENTED CHILDREN IN OUT-OF-HOME PLACEMENT.

A responsible social services agency must engage in best practices related to visitation when an African American or a disproportionately represented child is in out-of-home placement. When the child is in out-of-home placement, the responsible social services agency shall make active efforts to facilitate regular and frequent visitation between the child and the child's parents or custodians, the child's siblings, and the child's relatives. If visitation is infrequent between the child and the child's parents, custodians, siblings, or relatives, the responsible social services agency shall make active efforts to increase the frequency of visitation and address any barriers to visitation.

EFFECTIVE DATE. This section is effective July 1, 2026, except as provided under section 19 of this article.

Sec. 6. [260.65] NONCUSTODIAL PARENTS; TEMPORARY OUT-OF-HOME PLACEMENT.

Subdivision 1. Active efforts required; responsible social services agency. Prior to or within 48 hours of the removal of an African American or a disproportionately represented child from the child's home, the responsible social services agency must make active efforts to identify and locate the child's noncustodial or nonadjudicated parent and the child's relatives to notify the child's parent and relatives that the child is or will be placed in foster

399.1 care and provide the child's parent and relatives with a list of legal resources. The notice to
399.2 the child's noncustodial or nonadjudicated parent and relatives must also include the
399.3 information required under section 260C.221, subdivision 2. The responsible social services
399.4 agency must maintain detailed records of the agency's efforts to notify parents and relatives
399.5 under this section.

399.6 Subd. 2. **Placement with noncustodial or nonadjudicated parent.** (a) Notwithstanding
399.7 the provisions of section 260C.219, the responsible social services agency must assess an
399.8 African American or a disproportionately represented child's noncustodial or nonadjudicated
399.9 parent's ability to care for the child before placing the child in foster care. If a child's
399.10 noncustodial or nonadjudicated parent is willing and able to provide daily care for the
399.11 African American or disproportionately represented child temporarily or permanently, the
399.12 court shall order that the child be placed in the home of the noncustodial or nonadjudicated
399.13 parent pursuant to section 260C.178 or 260C.201, subdivision 1. The responsible social
399.14 services agency must make active efforts to assist a noncustodial or nonadjudicated parent
399.15 with remedying any issues that may prevent the child from being placed with the noncustodial
399.16 or nonadjudicated parent.

399.17 (b) If an African American or a disproportionately represented child's noncustodial or
399.18 nonadjudicated parent is unwilling or unable to provide daily care for the child and the court
399.19 has determined that the child's continued placement in the home of the child's noncustodial
399.20 or nonadjudicated parent would endanger the child's health, safety, or welfare, the child's
399.21 parent, custodian, or the child, when appropriate, has the right to select one or more relatives
399.22 who may be willing and able to provide temporary care for the child. The responsible social
399.23 services agency must place the child with a selected relative after assessing the relative's
399.24 willingness and ability to provide daily care for the child. If selected relatives are not available
399.25 or there is a documented safety concern with the relative placement, the responsible social
399.26 services agency shall consider additional relatives for the child's placement.

399.27 Subd. 3. **Informal kinship care agreement.** The responsible social services agency
399.28 must inform selected relatives and the child's parent or custodian of the difference between
399.29 informal kinship care arrangements and court-ordered foster care. If a selected relative and
399.30 the child's parent or custodian request an informal kinship care arrangement for a child's
399.31 placement instead of court-ordered foster care and such an arrangement will maintain the
399.32 child's safety and well-being, the responsible social services agency shall comply with the
399.33 request and inform the court of the plan for the child. The court shall honor the request to
399.34 forego a court-ordered foster care placement of the child in favor of an informal kinship

care arrangement, unless the court determines that the request is not in the best interests of the African American or disproportionately represented child.

Subd. 4. **Active efforts; child foster care licensure process.** The responsible social services agency must make active efforts to support relatives with whom a child is placed in completing the child foster care licensure process and addressing barriers, disqualifications, or other issues affecting the relatives' licensure, including but not limited to assisting relatives with requesting reconsideration of a disqualification under section 245C.21.

Subd. 5. **Future placement not prohibited.** The decision by a relative not to be considered as an African American or a disproportionately represented child's foster care or temporary placement option shall not be a basis for the responsible social services agency or the court to rule out the relative for placement in the future or for denying the relative's request to be considered or selected as a foster care or permanent placement for the child.

EFFECTIVE DATE. This section is effective July 1, 2026, except as provided under section 19 of this article.

Sec. 7. [260.66] EMERGENCY REMOVAL.

Subdivision 1. **Emergency removal or placement permitted.** Nothing in this section shall be construed to prevent the emergency removal of an African American or a disproportionately represented child's parent or custodian or the emergency placement of the child in a foster setting in order to prevent imminent physical damage or harm to the child.

Subd. 2. **Petition for emergency removal; placement requirements.** A petition for a court order authorizing the emergency removal or continued emergency placement of an African American or a disproportionately represented child or the petition's accompanying documents must contain a statement of the risk of imminent physical damage or harm to the African American or disproportionately represented child and any evidence that the emergency removal or placement continues to be necessary to prevent imminent physical damage or harm to the child. The petition or its accompanying documents must also contain the following information:

(1) the name, age, and last known address of the child;

(2) the name and address of the child's parents and custodians, or, if unknown, a detailed explanation of efforts made to locate and contact them;

(3) the steps taken to provide notice to the child's parents and custodians about the emergency proceeding;

401.1 (4) a specific and detailed account of the circumstances that led the agency responsible
401.2 for the emergency removal of the child to take that action; and

401.3 (5) a statement of the efforts that have been taken to assist the child's parents or custodians
401.4 so that the child may safely be returned to their custody.

401.5 Subd. 3. **Emergency proceeding requirements.** (a) The court shall hold a hearing no
401.6 later than 72 hours, excluding weekends and holidays, after the emergency removal of an
401.7 African American or a disproportionately represented child. The court shall determine
401.8 whether the emergency removal continues to be necessary to prevent imminent physical
401.9 damage or harm to the child.

401.10 (b) The court shall hold additional hearings whenever new information indicates that
401.11 the emergency situation has ended. At any court hearing after the emergency proceeding,
401.12 the court must determine whether the emergency removal or placement is no longer necessary
401.13 to prevent imminent physical damage or harm to the child.

401.14 (c) Notwithstanding section 260C.163, subdivision 3, and the provisions of Minnesota
401.15 Rules of Juvenile Protection Procedure, rule 25, a parent or custodian of an African American
401.16 or a disproportionately represented child who is subject to an emergency hearing under this
401.17 section and Minnesota Rules of Juvenile Protection Procedure, rule 30, must be represented
401.18 by counsel. The court must appoint qualified counsel to represent a parent if the parent
401.19 meets the eligibility requirements in section 611.17.

401.20 Subd. 4. **Termination of emergency removal or placement.** (a) An emergency removal
401.21 or placement of an African American or a disproportionately represented child must
401.22 immediately terminate once the responsible social services agency or court possesses
401.23 sufficient evidence to determine that the emergency removal or placement is no longer
401.24 necessary to prevent imminent physical damage or harm to the child and the child shall be
401.25 immediately returned to the custody of the child's parent or custodian. The responsible social
401.26 services agency or court shall ensure that the emergency removal or placement terminates
401.27 immediately when the removal or placement is no longer necessary to prevent imminent
401.28 physical damage or harm to the African American or disproportionately represented child.

401.29 (b) An emergency removal or placement ends when the court orders, after service upon
401.30 the African American or disproportionately represented child's parents or custodian, that
401.31 the child shall be placed in foster care upon a determination supported by clear and
401.32 convincing evidence that custody of the child by the child's parent or custodian is likely to
401.33 result in serious emotional or physical damage to the child.

(c) In no instance shall emergency removal or emergency placement of an African American or a disproportionately represented child extend beyond 30 days unless the court finds by a showing of clear and convincing evidence that:

(1) continued emergency removal or placement is necessary to prevent imminent physical damage or harm to the child; and

(2) it has not been possible to initiate a child placement proceeding with all of the protections under sections 260.61 to 260.68.

EFFECTIVE DATE. This section is effective July 1, 2026, except as provided under section 19 of this article.

Sec. 8. [260.67] TRANSFER OF PERMANENT LEGAL AND PHYSICAL CUSTODY; TERMINATION OF PARENTAL RIGHTS; CHILD PLACEMENT PROCEEDINGS.

Subdivision 1. Preference for transfer of permanent legal and physical custody. If an African American or a disproportionately represented child cannot be returned to the child's parent, the court shall, if possible, transfer permanent legal and physical custody of the child to:

(1) a noncustodial parent under section 260C.515, subdivision 4, if the child cannot return to the care of the parent or custodian from whom the child was removed or who had legal custody at the time that the child was placed in foster care; or

(2) a willing and able relative, according to the requirements of section 260C.515, subdivision 4, if the court determines that reunification with the child's family is not an appropriate permanency option for the child. Prior to the court ordering a transfer of permanent legal and physical custody to a relative who is not a parent, the responsible social services agency must inform the relative of Northstar kinship assistance benefits and eligibility requirements and of the relative's ability to apply for benefits on behalf of the child under chapter 256N.

Subd. 2. Termination of parental rights restrictions. (a) A court shall not terminate the parental rights of a parent of an African American or a disproportionately represented child based solely on the parent's failure to complete case plan requirements.

(b) A court shall not terminate the parental rights of a parent of an African American or a disproportionately represented child in a child placement proceeding unless the allegations against the parent involve sexual abuse; egregious harm as defined in section 260C.007, subdivision 14; murder in the first, second, or third degree under section 609.185, 609.19,

or 609.195; murder of an unborn child in the first, second, or third degree under section 609.2661, 609.2662, or 609.2663; manslaughter of an unborn child in the first or second degree under section 609.2664 or 609.2665; domestic assault by strangulation under section 609.2247; felony domestic assault under section 609.2242 or 609.2243; kidnapping under section 609.25; solicitation, inducement, and promotion of prostitution under section 609.322, subdivision 1, and subdivision 1a if one or more aggravating factors are present; criminal sexual conduct under sections 609.342 to 609.3451; engaging in, hiring, or agreeing to hire a minor to engage in prostitution under section 609.324, subdivision 1; solicitation of children to engage in sexual conduct under section 609.352; possession of pornographic work involving minors under section 617.247; malicious punishment or neglect or endangerment of a child under section 609.377 or 609.378; use of a minor in sexual performance under section 617.246; or failing to protect a child from an overt act or condition that constitutes egregious harm.

(c) Nothing in this subdivision precludes the court from terminating the parental rights of a parent of an African American or a disproportionately represented child if the parent desires to voluntarily terminate the parent's own parental rights for good cause under section 260C.301, subdivision 1, paragraph (a).

Subd. 3. **Appeals.** Notwithstanding the Minnesota Rules of Juvenile Protection Procedure, rule 47.02, subdivision 2, a parent of an African American or a disproportionately represented child whose parental rights have been terminated may appeal the decision within 90 days of the service of notice by the court administrator of the filing of the court's order.

EFFECTIVE DATE. This section is effective July 1, 2026, except as provided under section 19 of this article.

Sec. 9. [260.68] RESPONSIBLE SOCIAL SERVICES AGENCY CONDUCT AND CASE REVIEW.

Subdivision 1. **Responsible social services agency conduct.** (a) A responsible social services agency employee who has duties related to child protection shall not knowingly:

(1) make untrue statements about any case involving a child alleged to be in need of protection or services;

(2) intentionally withhold any information that may be material to a case involving a child alleged to be in need of protection or services; or

(3) fabricate or falsify any documentation or evidence relating to a case involving a child alleged to be in need of protection or services.

404.1 (b) Any of the actions listed in paragraph (a) shall constitute grounds for adverse
404.2 employment action.

404.3 Subd. 2. **Commissioner notification.** (a) When a responsible social services agency
404.4 makes a maltreatment determination involving an African American or a disproportionately
404.5 represented child or places an African American or a disproportionately represented child
404.6 in a foster care placement, the agency shall, within seven days of making a maltreatment
404.7 determination or initiating the child's foster care placement, notify the commissioner of the
404.8 maltreatment determination or foster care placement and of the steps that the agency has
404.9 taken to investigate and remedy the conditions that led to the maltreatment determination
404.10 or foster care placement. Upon receiving this notice, the commissioner shall review the
404.11 responsible social services agency's handling of the child's case to ensure that the case plan
404.12 and services address the unique needs of the child and the child's family and that the agency
404.13 is making active efforts to reunify and preserve the child's family. At all stages of a case
404.14 involving an African American or a disproportionately represented child, the responsible
404.15 social services agency shall, upon request, fully cooperate with the commissioner and, as
404.16 appropriate and as permitted under statute, provide access to all relevant case files.

404.17 (b) In any adoptive or preadoptive placement proceeding involving an African American
404.18 or a disproportionately represented child under the guardianship of the commissioner, the
404.19 responsible social services agency shall notify the commissioner of the pending proceeding
404.20 and of the right of intervention. The notice must include the identity of the child and the
404.21 child's parents whose parental rights were terminated or who consented to the child's
404.22 adoption. Upon receipt of the notice, the commissioner shall review the case to ensure that
404.23 the requirements of this act have been met. When the responsible social services agency
404.24 has identified a nonrelative as an African American or a disproportionately represented
404.25 child's adoptive placement, no preadoptive or adoptive placement proceeding may be held
404.26 until at least 30 days after the commissioner receives the required notice or until an adoption
404.27 home study can be completed for a relative adoption, whichever occurs first. If the
404.28 commissioner requests additional time to prepare for the proceeding, the district court must
404.29 grant the commissioner up to 30 additional days to prepare for the proceeding. In cases in
404.30 which a responsible social services agency or party to a preadoptive or adoptive placement
404.31 knows or has reason to believe that a child is or may be African American or a
404.32 disproportionately represented child, proof of service upon the commissioner must be filed
404.33 with the adoption petition.

404.34 Subd. 3. **Case review.** (a) Each responsible social services agency shall conduct a review
404.35 of all child protection cases handled by the agency every 24 months, after establishing a

405.1 2024 baseline. The responsible social services agency shall report the agency's findings to
405.2 the county board, related child welfare committees, the Children's Justice Initiative team,
405.3 the commissioner, and community stakeholders within six months of gathering the relevant
405.4 case data. The case review must include:

405.5 (1) the number of African American and disproportionately represented children
405.6 represented in the county child welfare system;

405.7 (2) the number and sources of maltreatment reports received and reports screened in for
405.8 investigation or referred for family assessment and the race of the children and parents or
405.9 custodians involved in each report;

405.10 (3) the number and race of children and parents or custodians who receive in-home
405.11 preventive case management services;

405.12 (4) the number and race of children whose parents or custodians are referred to
405.13 community-based, culturally appropriate, strength-based, or trauma-informed services;

405.14 (5) the number and race of children removed from their homes;

405.15 (6) the number and race of children reunified with their parents or custodians;

405.16 (7) the number and race of children whose parents or custodians are offered family group
405.17 decision-making services;

405.18 (8) the number and race of children whose parents or custodians are offered the parent
405.19 support outreach program;

405.20 (9) the number and race of children in foster care or out-of-home placement at the time
405.21 that the data is gathered;

405.22 (10) the number and race of children who achieve permanency through a transfer of
405.23 permanent legal and physical custody to a relative, a legal guardianship, or an adoption;
405.24 and

405.25 (11) the number and race of children who are under the guardianship of the commissioner
405.26 or awaiting a permanency disposition.

405.27 (b) The required case review must also:

405.28 (1) identify barriers to reunifying children with their families;

405.29 (2) identify the family conditions that led to the out-of-home placement;

405.30 (3) identify any barriers to accessing culturally informed mental health or substance use
405.31 disorder treatment services for the parents or children;

(4) document efforts to identify fathers and maternal and paternal relatives and to provide services to custodial and noncustodial fathers, if appropriate; and

(5) document and summarize court reviews of active efforts.

(c) Any responsible social services agency that has a case review showing disproportionality and disparities in child welfare outcomes for African American and other disproportionately represented children and families, compared to the agency's overall outcomes, must develop a remediation plan to be approved by the commissioner. The responsible social services agency must develop the plan within 30 days of finding the disproportionality or disparities and must make measurable improvements within 12 months of the date that the commissioner approves the remediation plan. A responsible social services agency may request assistance from the commissioner to develop a remediation plan. The remediation plan must include measurable outcomes to identify, address, and reduce the factors that led to the disproportionality and disparities in the agency's child welfare outcomes and include information about how the responsible social services agency will achieve and document trauma-informed, positive child well-being outcomes through remediation efforts.

EFFECTIVE DATE. This section is effective July 1, 2026, except as provided under section 19 of this article.

Sec. 10. [260.69] CULTURAL COMPETENCY TRAINING FOR INDIVIDUALS WORKING WITH AFRICAN AMERICAN AND DISPROPORTIONATELY REPRESENTED CHILDREN.

Subdivision 1. **Applicability.** The commissioner of human services must collaborate with the Children's Justice Initiative to ensure that cultural competency training is given to individuals working in the child welfare system, including child welfare workers, supervisors, attorneys, juvenile court judges, and family law judges.

Subd. 2. **Training.** (a) The commissioner must develop training content and establish the frequency of trainings.

(b) The cultural competency training under this section is required prior to or within six months of beginning work with any African American or disproportionately represented child and their family. A responsible social services agency staff person who is unable to complete the cultural competency training prior to working with African American or disproportionately represented children and their families must work with a qualified staff person within the agency who has completed cultural competency training until the person

is able to complete the required training. The training must be available by January 1, 2027, and must:

(1) be provided by an African American individual or individual from a community that is disproportionately represented in the child welfare system who is knowledgeable about African American and other disproportionately represented social and cultural norms and historical trauma;

(2) raise awareness and increase a person's competency to value diversity, conduct a self-assessment, manage the dynamics of difference, acquire cultural knowledge, and adapt to diversity and the cultural contexts of communities served;

(3) include instruction on effectively developing a safety plan and instruction on engaging a safety network; and

(4) be accessible and comprehensive and include the ability to ask questions.

(c) The training may be provided in a series of segments, either in person or online.

Subd. 3. **Update.** The commissioner must provide an update to the chairs and ranking minority members of the legislative committees with jurisdiction over child protection by July 1, 2027, on the rollout of the training under subdivision 1 and the content and accessibility of the training under subdivision 2.

EFFECTIVE DATE. This section is effective July 1, 2026, except as provided under section 19 of this article.

Sec. 11. **[260.691] AFRICAN AMERICAN CHILD WELL-BEING ADVISORY COUNCIL.**

Subdivision 1. **Duties.** The African American Child Well-Being Advisory Council must:

(1) review annual reports related to African American children involved in the child welfare system. These reports may include, but are not limited to the maltreatment, out-of-home placement, and permanency of African American children;

(2) assist in and make recommendations to the commissioner for developing strategies to reduce maltreatment determinations, prevent unnecessary out-of-home placement, promote culturally appropriate foster care and shelter or facility placement decisions and settings for African American children in need of out-of-home placement, ensure timely achievement of permanency, and improve child welfare outcomes for African American children and their families;

(3) review summary reports on targeted case reviews prepared by the commissioner to ensure that responsible social services agencies meet the needs of African American children and their families. Based on data collected from those reviews, the council will assist the commissioner with developing strategies needed to improve any identified child welfare outcomes, including but not limited to maltreatment, out-of-home placement, and permanency for African American children;

(4) assist the Cultural and Ethnic Communities Leadership Council with making recommendations to the commissioner and the legislature for public policy and statutory changes that specifically consider the needs of African American children and their families involved in the child welfare system;

(5) advise the commissioner on stakeholder engagement strategies and actions that the commissioner and responsible social services agencies may take to improve child welfare outcomes for African American children and their families;

(6) assist the commissioner with developing strategies for public messaging and communication related to racial disproportionality and disparities in child welfare outcomes for African American children and their families;

(7) assist the commissioner with identifying and developing internal and external partnerships to support adequate access to services and resources for African American children and their families, including but not limited to housing assistance, employment assistance, food and nutrition support, health care, child care assistance, and educational support and training; and

(8) assist the commissioner with developing strategies to promote the development of a culturally diverse and representative child welfare workforce in Minnesota that includes professionals who are reflective of the community served and who have been directly impacted by lived experiences within the child welfare system. The council must also assist the commissioner in exploring strategies and partnerships to address education and training needs, hiring, recruitment, retention, and professional advancement practices.

Subd. 2. **Annual report.** By January 1, 2026, and annually thereafter, the council shall report to the chairs and ranking minority members of the legislative committees with jurisdiction over child protection on the council's activities under subdivision 1 and other issues on which the council chooses to report. The report may include recommendations for statutory changes to improve the child protection system and child welfare outcomes for African American children and families.

EFFECTIVE DATE. This section is effective July 1, 2024.

Sec. 12. **[260.692] AFRICAN AMERICAN CHILD WELL-BEING UNIT.**

Subdivision 1. **Duties.** The African American Child Well-Being Unit, currently established by the commissioner, must:

(1) assist with the development of African American cultural competency training and review child welfare curriculum in the Minnesota Child Welfare Training Academy to ensure that responsible social services agency staff and other child welfare professionals are appropriately prepared to engage with African American children and their families and to support family preservation and reunification;

(2) provide technical assistance, including on-site technical assistance, and case consultation to responsible social services agencies to assist agencies with implementing and complying with the Minnesota African American Family Preservation and Child Welfare Disproportionality Act;

(3) monitor individual county and statewide disaggregated and nondisaggregated data to identify trends and patterns in child welfare outcomes, including but not limited to reporting, maltreatment, out-of-home placement, and permanency of African American children and develop strategies to address disproportionality and disparities in the child welfare system;

(4) develop and implement a system for conducting case reviews when the commissioner receives reports of noncompliance with the Minnesota African American Family Preservation and Child Welfare Disproportionality Act or when requested by the parent or custodian of an African American child. Case reviews may include but are not limited to a review of placement prevention efforts, safety planning, case planning and service provision by the responsible social services agency, relative placement consideration, and permanency planning;

(5) establish and administer a request for proposals process for African American and disproportionately represented family preservation grants under section 260.693, monitor grant activities, and provide technical assistance to grantees;

(6) in coordination with the African American Child Well-Being Advisory Council, coordinate services and create internal and external partnerships to support adequate access to services and resources for African American children and their families, including but not limited to housing assistance, employment assistance, food and nutrition support, health care, child care assistance, and educational support and training; and

(7) develop public messaging and communication to inform the public about racial disparities in child welfare outcomes, current efforts and strategies to reduce racial disparities, and resources available to African American children and their families involved in the child welfare system.

Subd. 2. **Case reviews.** (a) The African American Child Well-Being Unit must conduct systemic case reviews to monitor targeted child welfare outcomes, including but not limited to maltreatment, out-of-home placement, and permanency of African American children.

(b) The reviews under this subdivision must be conducted using a random sampling of representative child welfare cases stratified for certain case related factors, including but not limited to case type, maltreatment type, if the case involves out-of-home placement, and other demographic variables. In conducting the reviews, unit staff may use court records and documents, information from the social services information system, and other available case file information to complete the case reviews.

(c) The frequency of the reviews and the number of cases, child welfare outcomes, and selected counties reviewed will be determined by the unit in consultation with the African American Child Well-Being Advisory Council, with consideration given to the availability of unit resources needed to conduct the reviews.

(d) The unit must monitor all case reviews and use the collective case review information and data to generate summary case review reports, ensure compliance with the Minnesota African American Family Preservation and Child Welfare Disproportionality Act, and identify trends or patterns in child welfare outcomes for African American children.

Subd. 3. **Reports.** The African American Child Well-Being Unit must provide regular updates on unit activities, including summary reports of case reviews, to the African American Child Well-Being Advisory Council, and must publish an annual census of African American children in out-of-home placements statewide. The annual census must include data on the types of placements, age and sex of the children, how long the children have been in out-of-home placements, and other relevant demographic information.

EFFECTIVE DATE. This section is effective July 1, 2024.

Sec. 13. **[260.693] AFRICAN AMERICAN AND DISPROPORTIONATELY REPRESENTED FAMILY PRESERVATION GRANTS.**

422.16 (1) "I would like to be contacted."

422.17 (2) "I would prefer to be contacted only through an intermediary."

422.18 (3) "I prefer not to be contacted at this time. If I decide later that I would like to be
422.19 contacted, I will submit an updated contact preference form to the Minnesota Department
422.20 of Health."

422.21 (c) A contact preference form must include space where the birth parent may include
422.22 information that the birth parent feels is important for the adopted person to know.

422.23 (d) If a birth parent of an adopted person submits a completed contact preference form
422.24 to the commissioner, the commissioner must:

422.25 (1) match the contact preference form to the adopted person's original birth record. The
422.26 commissioner may request assistance from the commissioner of human services if needed
422.27 to discharge duties under this clause, as authorized under section 259.79; and

422.28 (2) attach the contact preference form to the original birth record as required under
422.29 section 144.2252.

(e) A contact preference form submitted to the commissioner under this section is private data on an individual as defined in section 13.02, subdivision 12, except that the contact preference form may be released as provided under section 144.2252, subdivision 2.

EFFECTIVE DATE. This section is effective August 1, 20...

Sec. 10. Minnesota Statutes 2022, section 243.166, subdivision 7, as amended by Laws 2024, chapter 79, article 9, section 5, is amended to read:

Subd. 7. Use of data. (a) Except as otherwise provided in subdivision 4b or 7a or sections 244.052 and 299C.093, the data provided under this section is private data on individuals under section 13.02, subdivision 12.

(b) The data may be used only by law enforcement and corrections agencies for law enforcement and corrections purposes. Law enforcement or a corrections agent may disclose the status of an individual as a predatory offender to a child protection worker with a local welfare agency for purposes of doing a family investigation or assessment under chapter 260E. A corrections agent may also disclose the status of an individual as a predatory offender to comply with section 244.057.

(c) The commissioner of human services is authorized to have access to the data for purposes of completing background studies under chapter 245C.

(d) The direct care and treatment executive board is authorized to have access to data for any service, program, or facility owned or operated by the state of Minnesota and under the programmatic direction and fiscal control of the executive board for purposes described in section 246.13, subdivision 2, paragraph (b).

Sec. 11. Minnesota Statutes 2023 Supplement, section 245A.03, subdivision 7, as amended by Laws 2024, chapter 85, section 53, and Laws 2024, chapter 80, article 2, section 37, is amended to read:

Subd. 7. Licensing moratorium. (a) The commissioner shall not issue an initial license for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, which does not include child foster residence settings with residential program certifications for compliance with the Family First Prevention Services Act under section 245A.25, subdivision 1, paragraph (a), or adult foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter for a physical location that will not be the primary residence of the license holder for the entire period of licensure. If a child foster residence setting that was previously exempt from the licensing moratorium under this paragraph has its Family

424.1 First Prevention Services Act certification rescinded under section 245A.25, subdivision 9,
424.2 or if a family adult foster care home license is issued during this moratorium, and the license
424.3 holder changes the license holder's primary residence away from the physical location of
424.4 the foster care license, the commissioner shall revoke the license according to section
424.5 245A.07. The commissioner shall not issue an initial license for a community residential
424.6 setting licensed under chapter 245D. When approving an exception under this paragraph,
424.7 the commissioner shall consider the resource need determination process in paragraph (h),
424.8 the availability of foster care licensed beds in the geographic area in which the licensee
424.9 seeks to operate, the results of a person's choices during their annual assessment and service
424.10 plan review, and the recommendation of the local county board. The determination by the
424.11 commissioner is final and not subject to appeal. Exceptions to the moratorium include:

424.12 (1) a license for a person in a foster care setting that is not the primary residence of the
424.13 license holder and where at least 80 percent of the residents are 55 years of age or older;

424.14 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
424.15 community residential setting licenses replacing adult foster care licenses in existence on
424.16 December 31, 2013, and determined to be needed by the commissioner under paragraph
424.17 (b);

424.18 (3) new foster care licenses or community residential setting licenses determined to be
424.19 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
424.20 or regional treatment center; restructuring of state-operated services that limits the capacity
424.21 of state-operated facilities; or allowing movement to the community for people who no
424.22 longer require the level of care provided in state-operated facilities as provided under section
424.23 256B.092, subdivision 13, or 256B.49, subdivision 24;

424.24 (4) new foster care licenses or community residential setting licenses determined to be
424.25 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;
424.26 or

424.27 (5) new foster care licenses or community residential setting licenses for people receiving
424.28 customized living or 24-hour customized living services under the brain injury or community
424.29 access for disability inclusion waiver plans under section 256B.49 or elderly waiver plan
424.30 under chapter 256S and residing in the customized living setting for which a license is
424.31 required. A customized living service provider subject to this exception may rebut the
424.32 presumption that a license is required by seeking a reconsideration of the commissioner's
424.33 determination. The commissioner's disposition of a request for reconsideration is final and

425.1 not subject to appeal under chapter 14. The exception is available until December 31, 2023.

425.2 This exception is available when:

425.3 (i) the person's customized living services are provided in a customized living service
425.4 setting serving four or fewer people in a single-family home operational on or before June
425.5 30, 2021. Operational is defined in section 256B.49, subdivision 28;

425.6 (ii) the person's case manager provided the person with information about the choice of
425.7 service, service provider, and location of service, including in the person's home, to help
425.8 the person make an informed choice; and

425.9 (iii) the person's services provided in the licensed foster care or community residential
425.10 setting are less than or equal to the cost of the person's services delivered in the customized
425.11 living setting as determined by the lead agency.

425.12 (b) The commissioner shall determine the need for newly licensed foster care homes or
425.13 community residential settings as defined under this subdivision. As part of the determination,
425.14 the commissioner shall consider the availability of foster care capacity in the area in which
425.15 the licensee seeks to operate, and the recommendation of the local county board. The
425.16 determination by the commissioner must be final. A determination of need is not required
425.17 for a change in ownership at the same address.

425.18 (c) When an adult resident served by the program moves out of a foster home that is not
425.19 the primary residence of the license holder according to section 256B.49, subdivision 15,
425.20 paragraph (f), or the adult community residential setting, the county shall immediately
425.21 inform the Department of Human Services Licensing Division. The department may decrease
425.22 the statewide licensed capacity for adult foster care settings.

425.23 (d) Residential settings that would otherwise be subject to the decreased license capacity
425.24 established in paragraph (c) ~~shall~~ must be exempt if the license holder's beds are occupied
425.25 by residents whose primary diagnosis is mental illness and the license holder is certified
425.26 under the requirements in subdivision 6a or section 245D.33.

425.27 (e) A resource need determination process, managed at the state level, using the available
425.28 data required by section 144A.351, and other data and information shall be used to determine
425.29 where the reduced capacity determined under section 256B.493 will be implemented. The
425.30 commissioner shall consult with the stakeholders described in section 144A.351, and employ
425.31 a variety of methods to improve the state's capacity to meet the informed decisions of those
425.32 people who want to move out of corporate foster care or community residential settings,
425.33 long-term service needs within budgetary limits, including seeking proposals from service
425.34 providers or lead agencies to change service type, capacity, or location to improve services,

426.1 increase the independence of residents, and better meet needs identified by the long-term
426.2 services and supports reports and statewide data and information.

426.3 (f) At the time of application and reapplication for licensure, the applicant and the license
426.4 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
426.5 required to inform the commissioner whether the physical location where the foster care
426.6 will be provided is or will be the primary residence of the license holder for the entire period
426.7 of licensure. If the primary residence of the applicant or license holder changes, the applicant
426.8 or license holder must notify the commissioner immediately. The commissioner shall print
426.9 on the foster care license certificate whether or not the physical location is the primary
426.10 residence of the license holder.

426.11 (g) License holders of foster care homes identified under paragraph (f) that are not the
426.12 primary residence of the license holder and that also provide services in the foster care home
426.13 that are covered by a federally approved home and community-based services waiver, as
426.14 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
426.15 services licensing division that the license holder provides or intends to provide these
426.16 waiver-funded services.

426.17 (h) The commissioner may adjust capacity to address needs identified in section
426.18 144A.351. Under this authority, the commissioner may approve new licensed settings or
426.19 delicense existing settings. Delicensing of settings will be accomplished through a process
426.20 identified in section 256B.493.

426.21 (i) The commissioner must notify a license holder when its corporate foster care or
426.22 community residential setting licensed beds are reduced under this section. The notice of
426.23 reduction of licensed beds must be in writing and delivered to the license holder by certified
426.24 mail or personal service. The notice must state why the licensed beds are reduced and must
426.25 inform the license holder of its right to request reconsideration by the commissioner. The
426.26 license holder's request for reconsideration must be in writing. If mailed, the request for
426.27 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
426.28 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
426.29 reconsideration is made by personal service, it must be received by the commissioner within
426.30 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

426.31 (j) The commissioner shall not issue an initial license for children's residential treatment
426.32 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
426.33 for a program that Centers for Medicare and Medicaid Services would consider an institution
426.34 for mental diseases. Facilities that serve only private pay clients are exempt from the

427.1 moratorium described in this paragraph. The commissioner has the authority to manage
427.2 existing statewide capacity for children's residential treatment services subject to the
427.3 moratorium under this paragraph and may issue an initial license for such facilities if the
427.4 initial license would not increase the statewide capacity for children's residential treatment
427.5 services subject to the moratorium under this paragraph.

427.6 Sec. 12. Minnesota Statutes 2023 Supplement, section 256.046, subdivision 3, is amended
427.7 to read:

427.8 Subd. 3. **Administrative disqualification of child care providers caring for children**
427.9 **receiving child care assistance.** (a) The department shall pursue an administrative
427.10 disqualification, if the child care provider is accused of committing an intentional program
427.11 violation, in lieu of a criminal action when it has not been pursued. Intentional program
427.12 violations include intentionally making false or misleading statements; intentionally
427.13 misrepresenting, concealing, or withholding facts; and repeatedly and intentionally violating
427.14 program regulations under chapters 119B and 245E. Intent may be proven by demonstrating
427.15 a pattern of conduct that violates program rules under chapters 119B and 245E.

427.16 (b) To initiate an administrative disqualification, the commissioner must ~~mail~~ send
427.17 written notice ~~by certified mail~~ using a signature-verified confirmed delivery method to the
427.18 provider against whom the action is being taken. Unless otherwise specified under chapter
427.19 119B or 245E or Minnesota Rules, chapter 3400, the commissioner must ~~mail~~ send the
427.20 written notice at least 15 calendar days before the adverse action's effective date. The notice
427.21 shall state (1) the factual basis for the agency's determination, (2) the action the agency
427.22 intends to take, (3) the dollar amount of the monetary recovery or recoupment, if known,
427.23 and (4) the provider's right to appeal the agency's proposed action.

427.24 (c) The provider may appeal an administrative disqualification by submitting a written
427.25 request to the ~~Department of Human Services, Appeals Division~~ state agency. A provider's
427.26 request must be received by the ~~Appeals Division~~ state agency no later than 30 days after
427.27 the date the commissioner mails the notice.

427.28 (d) The provider's appeal request must contain the following:

427.29 (1) each disputed item, the reason for the dispute, and, if applicable, an estimate of the
427.30 dollar amount involved for each disputed item;

427.31 (2) the computation the provider believes to be correct, if applicable;

427.32 (3) the statute or rule relied on for each disputed item; and

428.1 (4) the name, address, and telephone number of the person at the provider's place of
428.2 business with whom contact may be made regarding the appeal.

428.3 (e) On appeal, the issuing agency bears the burden of proof to demonstrate by a
428.4 preponderance of the evidence that the provider committed an intentional program violation.

428.5 (f) The hearing is subject to the requirements of sections 256.045 and 256.0451. The
428.6 human services judge may combine a fair hearing and administrative disqualification hearing
428.7 into a single hearing if the factual issues arise out of the same or related circumstances and
428.8 the provider receives prior notice that the hearings will be combined.

428.9 (g) A provider found to have committed an intentional program violation and is
428.10 administratively disqualified ~~shall~~ must be disqualified, for a period of three years for the
428.11 first offense and permanently for any subsequent offense, from receiving any payments
428.12 from any child care program under chapter 119B.

428.13 (h) Unless a timely and proper appeal made under this section is received by the
428.14 department, the administrative determination of the department is final and binding.

428.15 **EFFECTIVE DATE.** This section is effective August 1, 2024.

428.16 Sec. 13. Minnesota Statutes 2022, section 256J.08, subdivision 34a, is amended to read:

428.23 609.3451; or interference with an emergency call within the meaning of section 609.78,
428.24 subdivision 2.

428.27 (2) parents and children;

428.28 (3) persons related by blood;

428.29 (4) persons who are residing together or who have resided together in the past;

~~(3) eligible households whose combined monthly gross income and liquid resources are less than the household's monthly rent or mortgage and utilities.~~

For any month an individual receives expedited SNAP benefits, the individual is not eligible for the MFIP food portion of assistance.

Sec. 15. Minnesota Statutes 2022, section 256N.22, subdivision 10, is amended to read:

Subd. 10. **Assigning a successor relative custodian for a child's Northstar kinship assistance.** (a) In the event of the death or incapacity of the relative custodian, eligibility for Northstar kinship assistance and title IV-E assistance, if applicable, is not affected if the relative custodian is replaced by a successor named in the Northstar kinship assistance benefit agreement. Northstar kinship assistance ~~shall~~ must be paid to a named successor who is not the child's legal parent, biological parent or stepparent, or other adult living in the home of the legal parent, biological parent, or stepparent.

(b) In order to receive Northstar kinship assistance, a named successor must:

(2) renegotiate the agreement consistent with section 256N.25, subdivision 2, including cooperating with an assessment under section 256N.24;

(3) be ordered by the court to be the child's legal relative custodian in a modification proceeding under section 260C.521, subdivision 2; and

(4) satisfy the requirements in this paragraph within one year of the relative custodian's death or incapacity unless the commissioner certifies that the named successor made reasonable attempts to satisfy the requirements within one year and failure to satisfy the requirements was not the responsibility of the named successor.

(c) Payment of Northstar kinship assistance to the successor guardian may be temporarily approved through the policies, procedures, requirements, and deadlines under section 256N.28, subdivision 2. Ongoing payment shall begin in the month when all the requirements in paragraph (b) are satisfied.

(d) Continued payment of Northstar kinship assistance may occur in the event of the death or incapacity of the relative custodian when:

(1) no successor has been named in the benefit agreement ~~when~~ or a named successor is not able or willing to accept custody or guardianship of the child; and

(2) the commissioner gives written consent to an individual who is a guardian or custodian appointed by a court for the child upon the death of both relative custodians in the case of assignment of custody to two individuals, or the sole relative custodian in the case of assignment of custody to one individual, unless the child is under the custody of a county, tribal, or child-placing agency.

If a court has not appointed a permanent legal guardian or custodian within six months, the Northstar kinship assistance must terminate and must not be resumed.

(f) Upon assignment of assistance payments under paragraphs (d) and (e), assistance must be provided from funds other than title IV-E.

Sec. 16. Minnesota Statutes 2022, section 256N.24, subdivision 10, is amended to read:

Subd. 10. Caregiver requests for reassessments. (a) A caregiver may initiate a reassessment request for an eligible child in writing to the financially responsible agency or, if there is no financially responsible agency, the agency designated by the commissioner. The written request must include the reason for the request and the name, address, and contact information of the caregivers. The caregiver may request a reassessment if at least

431.1 six months have elapsed since any previous assessment or reassessment. For an eligible
431.2 foster child, a foster parent may request reassessment in less than six months with written
431.3 documentation that there have been significant changes in the child's needs that necessitate
431.4 an earlier reassessment.

431.5 (b) A caregiver may request a reassessment of an at-risk child for whom an adoption
431.6 assistance agreement has been executed if the caregiver has satisfied the commissioner with
431.7 written documentation from a qualified expert that the potential disability upon which
431.8 eligibility for the agreement was based has manifested itself, consistent with section 256N.25,
431.9 subdivision 3, paragraph (b).

431.10 (c) If the reassessment cannot be completed within 30 days of the caregiver's request,
431.11 the agency responsible for reassessment must notify the caregiver of the reason for the delay
431.12 and a reasonable estimate of when the reassessment can be completed.

431.13 (d) Notwithstanding any provision to the contrary in paragraph (a) or subdivision 9,
431.14 when a Northstar kinship assistance agreement or adoption assistance agreement under
431.15 section 256N.25 has been signed by all parties, no reassessment may be requested or
431.16 conducted until the court finalizes the transfer of permanent legal and physical custody or
431.17 finalizes the adoption, ~~or the assistance agreement expires according to section 256N.25,~~
431.18 ~~subdivision 1.~~

431.19 Sec. 17. Minnesota Statutes 2022, section 256N.26, subdivision 15, is amended to read:

431.20 Subd. 15. **Payments.** (a) Payments to caregivers or youth under Northstar Care for

431.22 financially responsible agency must send the caregiver or youth the required written notice
431.23 within 15 days of a completed assessment or reassessment.

431.24 (b) Unless paragraph (c) ~~or~~, (d), or (e) applies, the financially responsible agency shall
431.25 pay foster parents directly for eligible children in foster care.

431.26 (c) When the legally responsible agency is different than the financially responsible
431.27 agency, the legally responsible agency may make the payments to the caregiver or youth,
431.28 provided payments are made on a timely basis. The financially responsible agency must
431.29 pay the legally responsible agency on a timely basis. Caregivers must have access to the
431.30 financially and legally responsible agencies' records of the transaction, consistent with the
431.31 retention schedule for the payments.

431.32 (d) For eligible children in foster care, the financially responsible agency may pay the
431.33 foster parent's payment for a licensed child-placing agency instead of paying the foster

parents directly. The licensed child-placing agency must timely pay the foster parents and maintain records of the transaction. Caregivers must have access to the financially responsible agency's records of the transaction and the child-placing agency's records of the transaction, consistent with the retention schedule for the payments.

(e) If a foster youth aged 18 to 21 years old is placed in an unlicensed supervised independent living setting, payments must be made directly to the youth or to a vendor if the legally responsible agency determines it to be in the youth's best interests. If the legally responsible agency has reason to believe that the youth is being financially exploited or at risk of being financially exploited in the approved unlicensed supervised independent living setting, the legally responsible agency shall advise the financially responsible agency to make the payments to a vendor.

Sec. 18. Minnesota Statutes 2022, section 256N.26, subdivision 16, is amended to read:

Subd. 16. Effect of benefit on other aid. Payments received under this section must not be considered as income for child care assistance under chapter 119B or any other financial benefit. Consistent with section 256J.24, a child or youth receiving a maintenance payment under Northstar Care for Children is excluded from any Minnesota family investment program assistance unit.

Sec. 19. Minnesota Statutes 2022, section 256N.26, subdivision 18, is amended to read:

The commissioner has the authority to collect any amount of foster care payment, adoption assistance, or Northstar kinship assistance paid to a caregiver or youth in excess of the payment due. Payments covered by this subdivision include basic maintenance needs payments, supplemental difficulty of care payments, and reimbursement of home and vehicle modifications under subdivision 10. Prior to any collection, the commissioner or the commissioner's designee shall notify the caregiver or youth in writing, including:

- (1) the amount of the overpayment and an explanation of the cause of overpayment;
- (2) clarification of the corrected amount;
- (3) a statement of the legal authority for the decision;

433.2 department; and

433.3 (7) the procedure for seeking a fair hearing review by the department.

433.4 Sec. 20. Minnesota Statutes 2022, section 256N.26, subdivision 21, is amended to read:

433.5 Subd. 21. **Correct and true information.** The caregiver or youth must be investigated
433.6 for fraud if the caregiver or youth reports information the caregiver or youth knows is untrue,
433.7 the caregiver or youth fails to notify the commissioner of changes that may affect eligibility,
433.8 or the agency administering the program receives relevant information that the caregiver
433.9 or youth did not report.

433.10 Sec. 21. Minnesota Statutes 2022, section 256N.26, subdivision 22, is amended to read:

433.11 Subd. 22. **Termination notice for caregiver or youth.** The agency that issues the

433.13 termination of payment. Termination notices must be sent at least 15 days before the final
433.14 payment or, in the case of an unplanned termination, the notice is sent within three days of
433.15 the end of the payment. The written notice must minimally include the following:

433.16 (1) the date payment will end;

433.17 (2) the reason payments will end and the event that is the basis to terminate payment;

433.18 (3) a statement that the ~~provider~~ caregiver or youth has a right to a fair hearing review
433.19 by the department consistent with section 256.045, subdivision 3;

433.20 (4) the procedure to request a fair hearing; and

433.21 (5) the name, telephone number, and email address of a contact person at the agency.

435.5 birth parents are not required. The disclosure statement must contain the following
435.6 information:

435.7 (1) fees charged to the adoptive parent, including any policy on sliding scale fees or fee
435.8 waivers and an itemization of the amount that will be charged for the adoption study,
435.9 counseling, postplacement services, family of origin searches, birth parent expenses
435.10 authorized under section 259.55, or any other services;

435.11 (2) timeline for the adoptive parent to make fee payments;

435.12 (3) likelihood, given the circumstances of the prospective adoptive parent and any specific
435.13 program to which the prospective adoptive parent is applying, that an adoptive placement
435.14 may be made and the estimated length of time for making an adoptive placement. These
435.15 estimates must be based on adoptive placements made with prospective parents in similar
435.16 circumstances applying to a similar program with the agency during the immediately
435.17 preceding three to five years. If an agency has not been in operation for at least three years,
435.18 it must provide summary data based on whatever adoptive placements it has made and may
435.19 include a statement about the kind of efforts it will make to achieve an adoptive placement,
435.20 including a timetable it will follow in seeking a child. The estimates must include a statement
435.21 that the agency cannot guarantee placement of a child or a time by which a child will be

435.23 (4) a statement of the services the agency will provide the birth and adoptive parents;

435.24 (5) a statement prepared by the commissioner under section 259.39 that explains the

435.27 that the prospective adoptive parent is responsible for filing an adoption petition not later
435.28 than 12 months after the child is placed in the prospective adoptive home;

435.29 (6) a statement regarding any information the agency may have about attorney referral
435.30 services, or about obtaining assistance with completing legal requirements for an adoption;
435.31 ~~and~~

435.32 (7) a statement regarding the right of an adopted person to request and obtain a copy of
435.33 the adopted person's original birth record at the age and circumstances specified in section

436.1 144.2253 and the right of the birth parent named on the adopted person's original birth
436.2 record to file a contact preference form with the state registrar pursuant to section 144.2253;
436.3 and

436.4 (7) (8) an acknowledgment to be signed by the birth parent and prospective adoptive
436.5 parent that they have received, read, and had the opportunity to ask questions of the agency
436.6 about the contents of the disclosure statement.

436.7 **EFFECTIVE DATE.** This section is effective July 1, 2024.

436.8 Sec. 25. Minnesota Statutes 2022, section 259.53, is amended by adding a subdivision to
436.9 read:

436.10 Subd. 7. **Supportive parenting services for parents with disabilities.** (a) A court or
436.11 agency shall not deny a prospective parent the ability to proceed with an adoption due to
436.12 the prospective parent's disability. A person who raises a prospective parent's disability as
436.13 a basis for denying an adoption has the burden to prove by clear and convincing evidence
436.14 that specific behaviors of the prospective parent would endanger the health or safety of the
436.15 child. If the person meets the burden, the prospective parent with a disability shall have the
436.16 opportunity to demonstrate how implementing supportive services would alleviate any
436.17 concerns.

436.18 (b) The court may require the agency that conducted the postplacement assessment and
436.19 filed the report with the court under subdivision 2 to provide the opportunity to use supportive
436.20 parenting services to a prospective parent, conduct a new postplacement assessment that is
436.21 inclusive of the prospective parent's use of supportive parenting services, and file a revised
436.22 report with the court under subdivision 2. This paragraph does not confer additional
436.23 responsibility to the agency to provide supportive parenting services directly to the
436.24 prospective parent. Within a reasonable period of time, the prospective parent has the right
436.25 to a court hearing to review the need for continuing services.

436.26 (c) If a court denies or limits the ability of a prospective parent with a disability to adopt
436.27 a child, the court shall make specific written findings stating the basis for the determination
436.28 and why providing supportive parenting services is not a reasonable accommodation that
436.29 could prevent the denial or limitation.

436.30 (d) For purposes of this subdivision, "disability" and "supportive parenting services"
436.31 have the meanings given in section 260C.201, subdivision 13.

436.32 **EFFECTIVE DATE.** This section is effective August 1, 2024, and applies to pleadings
436.33 and motions pending on or after that date.

Sec. 26. Minnesota Statutes 2022, section 259.79, subdivision 1, is amended to read:

(b) The commissioner of human services shall maintain a permanent record of all adoptions granted in district court in Minnesota regarding children who are:

(3) adopted after a direct adoptive placement approved by the district court under section 259.47.

Each record shall contain identifying information about the child, the birth or legal parents, and adoptive parents, including race where such data is available. The record must also contain: (1) the date the child was legally freed for adoption; (2) the date of the adoptive placement; (3) the name of the placing agency; (4) the county where the adoptive placement occurred; (5) the date that the petition to adopt was filed; (6) the county where the petition to adopt was filed; and (7) the date and county where the adoption decree was granted.

(c) Identifying information contained in the adoption record ~~shall~~ must be confidential and ~~shall~~ must be disclosed only pursuant to section 259.61 or, for adoption records maintained by the commissioner of human services, upon request from the commissioner of health or state registrar pursuant to sections 144.2252 and 144.2253.

Sec. 27. Minnesota Statutes 2023 Supplement, section 259.83, subdivision 1, is amended to read:

Subdivision 1. **Services provided.** (a) Agencies shall provide assistance and counseling services upon receiving a request for current information from adoptive parents, birth parents, ~~or~~ adopted persons aged 18 years of age and older, or adult siblings of adopted persons. The agency shall contact the other adult persons or the adoptive parents of a minor child in a personal and confidential manner to determine whether there is a desire to receive or share

438.1 information or to have contact. If there is such a desire, the agency shall provide the services
438.2 requested. The agency shall ~~provide services to adult genetic siblings if there is no known~~
438.3 ~~violation of the confidentiality of a birth parent or if the birth parent gives written consent~~
438.4 complete the search request within six months of the request being made. If the agency is
438.5 unable to complete the search request within the specified time frame, the agency shall
438.6 inform the requester of the status of the request and include a reasonable estimate of when
438.7 the request can be completed.

438.8 (b) Upon a request for assistance or services from an adoptive parent of a minor child,
438.9 birth parent, or an adopted person 18 years of age or older, the agency must inform the
438.10 person:

438.11 (1) about the right of an adopted person to request and obtain a copy of the adopted
438.12 person's original birth record at the age and circumstances specified in section 144.2253;
438.13 and

438.14 (2) about the right of the birth parent named on the adopted person's original birth record
438.15 to file a contact preference form with the state registrar pursuant to section 144.2253.

438.16 ~~In~~ When making or supervising an adoptive placements placement, the agency must provide
438.17 in writing to the birth parents listed on the original birth record the information required
438.18 under this ~~section~~ paragraph and section 259.37, subdivision 2, clause (7).

438.19 Sec. 28. Minnesota Statutes 2023 Supplement, section 259.83, subdivision 1b, is amended
438.20 to read:

438.21 Subd. 1b. **Genetic Siblings.** (a) A person who is at least 18 years of age who was adopted
438.22 ~~or, because of a termination of parental rights, who~~ was committed to the guardianship of
438.23 the commissioner of human services, ~~whether adopted or~~ and not, adopted must upon request
438.24 be advised of other siblings who were adopted or who were committed to the guardianship
438.25 of the commissioner of human services and not adopted.

438.26 (b) The agency must provide assistance ~~must be provided by the county or placing agency~~
438.27 ~~of~~ to the person requesting information to the extent that information is available in the
438.28 ~~existing records at the Department of Human Services~~ required to be kept under section
438.29 259.79. If the sibling received services from another agency, the agencies must share
438.30 necessary information in order to locate the other siblings and to offer services, as requested.
438.31 ~~Upon the determination that parental rights with respect to another sibling were terminated,~~
438.32 ~~identifying information and contact must be provided only upon mutual consent.~~ A reasonable
438.33 fee may be imposed by the ~~county or placing~~ agency.

439.1 Sec. 29. Minnesota Statutes 2023 Supplement, section 259.83, subdivision 3a, is amended
439.2 to read:

439.3 Subd. 3a. **Birth parent identifying information.** (a) This subdivision applies to adoptive
439.4 placements where an adopted person does not have a record of live birth registered in this
439.5 state. Upon written request by an adopted person 18 years of age or older, the agency
439.6 responsible for or supervising the placement must provide to the requester the following
439.7 identifying information related to the birth parents listed on that adopted person's original
439.8 birth record, to the extent the information is available:

439.9 (1) each of the birth parent's names; and

439.10 (2) each of the birth parent's birthdate and birthplace.

439.11 (b) The agency may charge a reasonable fee to the requester for providing the required
439.12 information under paragraph (a).

439.13 (c) The agency, acting in good faith and in a lawful manner in disclosing the identifying
439.14 information under this subdivision, is not civilly liable for such disclosure.

439.15 Sec. 30. Minnesota Statutes 2022, section 259.83, subdivision 4, is amended to read:

439.16 Subd. 4. **Confidentiality.** Agencies shall provide adoptive parents, birth parents and
439.17 adult siblings, and adopted persons aged ~~19~~ 18 years and over reasonable assistance in a
439.18 manner consistent with state and federal laws, rules, and regulations regarding the
439.19 confidentiality and privacy of child welfare and adoption records.

439.20 Sec. 31. Minnesota Statutes 2022, section 260C.007, subdivision 6, is amended to read:

439.21 Subd. 6. **Child in need of protection or services.** "Child in need of protection or
439.22 services" means a child who is in need of protection or services because the child:

439.23 (1) is abandoned or without parent, guardian, or custodian;

439.24 (2)(i) has been a victim of physical or sexual abuse as defined in section 260E.03,
439.25 subdivision 18 or 20, (ii) resides with or has resided with a victim of child abuse as defined
439.26 in subdivision 5 or domestic child abuse as defined in subdivision 13, (iii) resides with or
439.27 would reside with a perpetrator of domestic child abuse as defined in subdivision 13 or child
439.28 abuse as defined in subdivision 5 or 13, or (iv) is a victim of emotional maltreatment as
439.29 defined in subdivision 15;

(3) is without necessary food, clothing, shelter, education, or other required care for the child's physical or mental health or morals because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(5) is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from an infant with a disability with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's, advanced practice registered nurse's, or physician assistant's reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's, advanced practice registered nurse's, or physician assistant's reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody, including a child who entered foster care under a voluntary placement agreement between the parent and the responsible social services agency under section 260C.227;

(7) has been placed for adoption or care in violation of law;

(8) is without proper parental care because of the emotional, mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian. A child is not considered to be without proper parental care based solely on the disability of the child's parent, guardian, or custodian;

(9) is one whose behavior, condition, or environment is such as to be injurious or dangerous to the child or others. An injurious or dangerous environment may include, but is not limited to, the exposure of a child to criminal activity in the child's home;

(10) is experiencing growth delays, which may be referred to as failure to thrive, that have been diagnosed by a physician and are due to parental neglect;

(11) is a sexually exploited youth;

(12) has committed a delinquent act or a juvenile petty offense before becoming ten years old;

(13) is a runaway;

(14) is a habitual truant;

(15) has been found incompetent to proceed or has been found not guilty by reason of mental illness or mental deficiency in connection with a delinquency proceeding, a certification under section 260B.125, an extended jurisdiction juvenile prosecution, or a proceeding involving a juvenile petty offense; or

(16) has a parent whose parental rights to one or more other children were involuntarily terminated or whose custodial rights to another child have been involuntarily transferred to a relative and there is a case plan prepared by the responsible social services agency documenting a compelling reason why filing the termination of parental rights petition under section 260C.503, subdivision 2, is not in the best interests of the child.

Sec. 32. Minnesota Statutes 2022, section 260C.178, subdivision 7, is amended to read:

Subd. 7. ~~Out-of-home placement~~ **Case plan.** (a) When the court has ordered the child into the care of a parent under subdivision 1, paragraph (c), clause (1), the child protective services plan under section 260E.26 must be filed within 30 days of the filing of the juvenile protection petition under section 260C.141, subdivision 1.

~~(a)~~ (b) When the court orders the child into foster care under subdivision 1, paragraph (c), clause (2), and not into the care of a parent, an out-of-home placement plan required under section 260C.212 shall must be filed with the court within 30 days of the filing of a juvenile protection petition under section 260C.141, subdivision 1, when the court orders emergency removal of the child under this section, or filed with the petition if the petition is a review of a voluntary placement under section 260C.141, subdivision 2.

~~(b)~~ (c) Upon the filing of the child protective services plan under section 260E.26 or out-of-home placement plan which that has been developed jointly with the parent and in

442.1 consultation with others as required under section 260C.212, subdivision 1, the court may
442.2 approve implementation of the plan by the responsible social services agency based on the
442.3 allegations contained in the petition and any evaluations, examinations, or assessments
442.4 conducted under subdivision 1, paragraph ~~(h)~~ (m). The court shall send written notice of the
442.5 approval of the child protective services plan or out-of-home placement plan to all parties
442.6 and the county attorney or may state such approval on the record at a hearing. A parent may
442.7 agree to comply with the terms of the plan filed with the court.

442.8 ~~(e)~~ (d) The responsible social services agency shall make reasonable efforts to engage
442.9 both parents of the child in case planning. The responsible social service agency shall report
442.10 the results of its efforts to engage the child's parents in the child protective services plan or
442.11 out-of-home placement plan filed with the court. The agency shall notify the court of the
442.12 services it will provide or efforts it will attempt under the plan notwithstanding the parent's
442.13 refusal to cooperate or disagreement with the services. The parent may ask the court to
442.14 modify the plan to require different or additional services requested by the parent, but which
442.15 the agency refused to provide. The court may approve the plan as presented by the agency
442.16 or may modify the plan to require services requested by the parent. The court's approval
442.17 ~~shall~~ must be based on the content of the petition.

442.18 ~~(d)~~ (e) Unless the parent agrees to comply with the terms of the child protective services
442.19 plan or out-of-home placement plan, the court may not order a parent to comply with the
442.20 provisions of the plan until the court finds the child is in need of protection or services and
442.21 orders disposition under section 260C.201, subdivision 1. However, the court may find that
442.22 the responsible social services agency has made reasonable efforts for reunification if the
442.23 agency makes efforts to implement the terms of ~~an~~ the child protective services plan or
442.24 out-of-home placement plan approved under this section.

442.25 Sec. 33. Minnesota Statutes 2022, section 260C.201, is amended by adding a subdivision
442.26 to read:

442.27 Subd. 13. Supportive parenting services. (a) A person or agency shall not file a petition
442.28 alleging that a child is in need of protection or services on the basis of a parent's disability.
442.29 To make a prima facie showing that a child protection matter exists, the petitioner must
442.30 demonstrate in the petition that the child is in need of protection or services due to specific
442.31 behaviors of a parent or household member. The local agency or court must offer a parent
442.32 with a disability the opportunity to use supportive parenting services to assist the parent if
442.33 the petitioner makes a prima facie showing that through specific behaviors, a parent with a
442.34 disability cannot provide for the child's safety, health, or welfare. If a court removes a child

443.1 from a parent's home, the court shall make specific written findings stating the basis for
443.2 removing the child and why providing supportive parenting services is not a reasonable
443.3 accommodation that could prevent the child's out-of-home placement.

443.4 (b) For purposes of this subdivision, "supportive parenting services" means services that
443.5 may assist a parent with a disability in the effective use of techniques and methods to enable
443.6 the parent to discharge the parent's responsibilities to a child as successfully as a parent who
443.7 does not have a disability, including nonvisual techniques for a parent who is blind.

443.8 (c) For purposes of this subdivision, "disability" means:

443.9 (1) physical or mental impairment that substantially limits one or more of a parent's
443.10 major life activities;

443.11 (2) a record of having a physical or mental impairment that substantially limits one or
443.12 more of a parent's major life activities; or

443.13 (3) being regarded as having a physical or mental impairment that substantially limits
443.14 one or more of a parent's major life activities.

443.15 (d) The term "disability" must be construed in accordance with the ADA Amendments
443.16 Act of 2008, Public Law 110-325.

443.17 **EFFECTIVE DATE.** This section is effective August 1, 2024, and applies to pleadings
443.18 and motions pending on or after that date.

443.19 Sec. 34. Minnesota Statutes 2022, section 260C.202, is amended to read:

443.20 **260C.202 COURT REVIEW OF ~~FOSTER CARE~~ DISPOSITION.**

443.21 Subdivision 1. **Court review for a child in the home of a parent under protective**
443.22 **supervision.** If the court orders a child into the home of a parent under the protective
443.23 supervision of the responsible social services agency or child-placing agency under section
443.24 260C.201, subdivision 1, paragraph (a), clause (1), the court shall review the child protective
443.25 services plan under section 260E.26 at least every 90 days. The court shall notify the parents
443.26 of the provisions of sections 260C.503 to 260C.521, as required under juvenile court rules.

443.27 Subd. 2. **Court review for a child placed in foster care.** (a) If the court orders a child
443.28 placed in foster care, the court shall review the out-of-home placement plan and the child's
443.29 placement at least every 90 days as required in juvenile court rules to determine whether
443.30 continued out-of-home placement is necessary and appropriate or whether the child should
443.31 be returned home.

444.1 (b) This review is not required if the court has returned the child home, ordered the child
444.2 permanently placed away from the parent under sections 260C.503 to 260C.521, or
444.3 terminated rights under section 260C.301. Court review for a child permanently placed
444.4 away from a parent, including where the child is under guardianship of the commissioner,
444.5 ~~shall be~~ is governed by section 260C.607.

444.6 (c) When a child is placed in a qualified residential treatment program setting as defined
444.7 in section 260C.007, subdivision 26d, the responsible social services agency must submit
444.8 evidence to the court as specified in section 260C.712.

444.9 ~~(b)~~ (d) No later than three months after the child's placement in foster care, the court
444.10 shall review agency efforts to search for and notify relatives pursuant to section 260C.221,
444.11 and order that the agency's efforts begin immediately, or continue, if the agency has failed
444.12 to perform, or has not adequately performed, the duties under that section. The court must
444.13 order the agency to continue to appropriately engage relatives who responded to the notice
444.14 under section 260C.221 in placement and case planning decisions and to consider relatives
444.15 for foster care placement consistent with section 260C.221. Notwithstanding a court's finding
444.16 that the agency has made reasonable efforts to search for and notify relatives under section
444.17 260C.221, the court may order the agency to continue making reasonable efforts to search
444.18 for, notify, engage, and consider relatives who came to the agency's attention after sending
444.19 the initial notice under section 260C.221.

444.20 ~~(e)~~ (e) The court shall review the out-of-home placement plan and may modify the plan

The child may select one member of the case planning team to be designated as the child's advisor and to advocate with respect to the application of the reasonable and prudent parenting standards. The responsible social services agency may reject an individual selected by the child if the agency has good cause to believe that the individual would not act in the best interest of the child. For a child in voluntary foster care for treatment under chapter 260D, preparation of the out-of-home placement plan shall additionally include the child's mental health treatment provider. For a child 18 years of age or older, the responsible social services agency shall involve the child and the child's parents as appropriate. As appropriate, the plan shall be:

(2) the specific reasons for the placement of the child in foster care, and when reunification is the plan, a description of the problems or conditions in the home of the parent or parents that necessitated removal of the child from home and the changes the parent or parents must make for the child to safely return home;

(3) a description of the services offered and provided to prevent removal of the child from the home and to reunify the family including:

(4) a description of any services or resources that were requested by the child or the child's parent, guardian, foster parent, or custodian since the date of the child's placement in the residential facility, and whether those services or resources were provided and if not, the basis for the denial of the services or resources;

451.12 Sec. 37. Minnesota Statutes 2022, section 260C.212, subdivision 2, is amended to read:

451.13 Subd. 2. **Placement decisions based on best interests of the child.** (a) The policy of
451.14 the state of Minnesota is to ensure that the child's best interests are met by requiring an
451.15 individualized determination of the needs of the child in consideration of paragraphs (a) to
451.16 (f), and of how the selected placement will serve the current and future needs of the child
451.17 being placed. The authorized child-placing agency shall place a child, released by court
451.18 order or by voluntary release by the parent or parents, in a family foster home selected by
451.19 considering placement with relatives in the following order:

451.20 (1) with an individual who is related to the child by blood, marriage, or adoption,
451.21 including the legal parent, guardian, or custodian of the child's sibling; or

451.22 (2) with an individual who is an important friend of the child or of the child's parent or
451.23 custodian, including an individual with whom the child has resided or had significant contact
451.24 or who has a significant relationship to the child or the child's parent or custodian.

451.25 For an Indian child, the agency shall follow the order of placement preferences in the Indian
451.26 Child Welfare Act of 1978, United States Code, title 25, section 1915.

451.27 (b) Among the factors the agency shall consider in determining the current and future
451.28 needs of the child are the following:

451.29 (1) the child's current functioning and behaviors;

451.30 (2) the medical needs of the child;

451.31 (3) the educational needs of the child;

451.32 (4) the developmental needs of the child;

- 452.1 (5) the child's history and past experience;
- 452.2 (6) the child's religious and cultural needs;
- 452.3 (7) the child's connection with a community, school, and faith community;
- 452.4 (8) the child's interests and talents;
- 452.5 (9) the child's current and long-term needs regarding relationships with parents, siblings,
- 452.6 relatives, and other caretakers;
- 452.7 (10) the reasonable preference of the child, if the court, or the child-placing agency in
- 452.8 the case of a voluntary placement, deems the child to be of sufficient age to express
- 452.9 preferences; and
- 452.10 (11) for an Indian child, the best interests of an Indian child as defined in section 260.755,
- 452.11 subdivision 2a.
- 452.12 When placing a child in foster care or in a permanent placement based on an individualized
- 452.13 determination of the child's needs, the agency must not use one factor in this paragraph to
- 452.14 the exclusion of all others, and the agency shall consider that the factors in paragraph (b)
- 452.15 may be interrelated.
- 452.16 (c) Placement of a child cannot be delayed or denied based on race, color, or national
- 452.17 origin of the foster parent or the child.
- 452.18 (d) Siblings should be placed together for foster care and adoption at the earliest possible
- 452.19 time unless it is documented that a joint placement would be contrary to the safety or
- 452.20 well-being of any of the siblings or unless it is not possible after reasonable efforts by the
- 452.21 responsible social services agency. In cases where siblings cannot be placed together, the
- 452.22 agency is required to provide frequent visitation or other ongoing interaction between
- 452.23 siblings unless the agency documents that the interaction would be contrary to the safety
- 452.24 or well-being of any of the siblings.
- 452.25 (e) ~~Except for emergency placement as provided for in section 245A.035,~~ The following
- 452.26 requirements must be satisfied before the approval of a foster ~~or adoptive~~ placement in a
- 452.27 related or unrelated home: (1) a completed background study under section 245C.08; and
- 452.28 (2) a completed review of the written home study required under section 260C.215,
- 452.29 subdivision 4, clause (5), ~~or 260C.611,~~ to assess the capacity of the prospective foster ~~or~~
- 452.30 ~~adoptive~~ parent to ensure the placement will meet the needs of the individual child. For
- 452.31 adoptive placements in a related or unrelated home, the home must meet the requirements
- 452.32 of section 260C.611.

(f) The agency must determine whether colocation with a parent who is receiving services in a licensed residential family-based substance use disorder treatment program is in the child's best interests according to paragraph (b) and include that determination in the child's case plan under subdivision 1. The agency may consider additional factors not identified in paragraph (b). The agency's determination must be documented in the child's case plan before the child is colocated with a parent.

(g) The agency must establish a juvenile treatment screening team under section 260C.157 to determine whether it is necessary and appropriate to recommend placing a child in a qualified residential treatment program, as defined in section 260C.007, subdivision 26d.

(h) A child in foster care must not be placed in an unlicensed emergency relative placement under section 245A.035 or licensed family foster home when the responsible social services agency is aware that a prospective foster parent, license applicant, license holder, or adult household member has a permanent disqualification under section 245C.15, subdivision 4a, paragraphs (a) and (b).

Sec. 38. Minnesota Statutes 2022, section 260C.301, subdivision 1, as amended by Laws 2024, chapter 80, article 8, section 27, is amended to read:

Subdivision 1. **Voluntary and involuntary.** The juvenile court may upon petition, terminate all rights of a parent to a child:

(a) with the written consent of a parent who for good cause desires to terminate parental rights; or

(b) if it finds that one or more of the following conditions exist:

(1) that the parent has abandoned the child;

(2) that the parent has substantially, continuously, or repeatedly refused or neglected to comply with the duties imposed upon that parent by the parent and child relationship, including but not limited to providing the child with necessary food, clothing, shelter, education, and other care and control necessary for the child's physical, mental, or emotional health and development, if the parent is physically and financially able, and either reasonable efforts by the social services agency have failed to correct the conditions that formed the basis of the petition or reasonable efforts would be futile and therefore unreasonable;

~~(3) that a parent has been ordered to contribute to the support of the child or financially aid in the child's birth and has continuously failed to do so without good cause. This clause shall not be construed to state a grounds for termination of parental rights of a noncustodial~~

454.1 ~~parent if that parent has not been ordered to or cannot financially contribute to the support~~
454.2 ~~of the child or aid in the child's birth;~~

454.3 ~~(4)~~ (3) that a parent is palpably unfit to be a party to the parent and child relationship
454.4 because of a consistent pattern of specific conduct before the child or of specific conditions
454.5 directly relating to the parent and child relationship either of which are determined by the
454.6 court to be of a duration or nature that renders the parent unable, for the reasonably
454.7 foreseeable future, to care appropriately for the ongoing physical, mental, or emotional
454.8 needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent
454.9 and child relationship upon a showing that the parent's parental rights to one or more other
454.10 children were involuntarily terminated or that the parent's custodial rights to another child
454.11 have been involuntarily transferred to a relative under a juvenile protection proceeding or
454.12 a similar process of another jurisdiction;

454.13 ~~(5)~~ (4) that following the child's placement out of the home, reasonable efforts, under
454.14 the direction of the court, have failed to correct the conditions leading to the child's
454.15 placement. It is presumed that reasonable efforts under this clause have failed upon a showing
454.16 that:

454.17 (i) a child has resided out of the parental home under court order for a cumulative period
454.18 of 12 months within the preceding 22 months. In the case of a child under age eight at the
454.19 time the petition was filed alleging the child to be in need of protection or services, the
454.20 presumption arises when the child has resided out of the parental home under court order
454.21 for six months unless the parent has maintained regular contact with the child and the parent
454.22 is complying with the out-of-home placement plan;

454.23 (ii) the court has approved the out-of-home placement plan required under section
454.24 260C.212 and filed with the court under section 260C.178;

454.25 (iii) conditions leading to the out-of-home placement have not been corrected. It is
454.26 presumed that conditions leading to a child's out-of-home placement have not been corrected
454.27 upon a showing that the parent or parents have not substantially complied with the court's
454.28 orders and a reasonable case plan; and

454.29 (iv) reasonable efforts have been made by the social services agency to rehabilitate the
454.30 parent and reunite the family.

454.31 This clause does not prohibit the termination of parental rights prior to one year, or in
454.32 the case of a child under age eight, prior to six months after a child has been placed out of
454.33 the home.

455.1 It is also presumed that reasonable efforts have failed under this clause upon a showing
455.2 that:

455.3 (A) the parent has been diagnosed as chemically dependent by a professional certified
455.4 to make the diagnosis;

455.5 (B) the parent has been required by a case plan to participate in a chemical dependency
455.6 treatment program;

455.7 (C) the treatment programs offered to the parent were culturally, linguistically, and
455.8 clinically appropriate;

455.9 (D) the parent has either failed two or more times to successfully complete a treatment
455.10 program or has refused at two or more separate meetings with a caseworker to participate
455.11 in a treatment program; and

455.12 (E) the parent continues to abuse chemicals.

455.13 ~~(6)~~ (5) that a child has experienced egregious harm in the parent's care ~~which~~ that is of
455.14 a nature, duration, or chronicity that indicates a lack of regard for the child's well-being,
455.15 such that a reasonable person would believe it contrary to the best interest of the child or
455.16 of any child to be in the parent's care;

455.17 ~~(7)~~ (6) that in the case of a child born to a mother who was not married to the child's
455.18 father when the child was conceived nor when the child was born the person is not entitled
455.19 to notice of an adoption hearing under section 259.49 and the person has not registered with
455.20 the fathers' adoption registry under section 259.52;

455.21 ~~(8)~~ (7) that the child is neglected and in foster care; or

455.22 ~~(9)~~ (8) that the parent has been convicted of a crime listed in section 260.012, paragraph
455.23 (g), clauses (1) to (5).

455.24 In an action involving an American Indian child, sections 260.751 to 260.835 and the
455.25 Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control to

Sec. 40. Minnesota Statutes 2022, section 260C.607, subdivision 1, is amended to read:

Subdivision 1. **Review hearings.** (a) The court shall conduct a review of the responsible social services agency's reasonable efforts to finalize adoption for any child under the guardianship of the commissioner and of the progress of the case toward adoption at least every 90 days after the court issues an order that the commissioner is the guardian of the child.

(b) The review of progress toward adoption shall continue notwithstanding that an appeal is made of the order for guardianship or termination of parental rights.

(c) The agency's reasonable efforts to finalize the adoption must continue during the pendency of the appeal under paragraph (b) or subdivision 6, paragraph (h), and all progress toward adoption shall continue except that the court may not finalize an adoption while the appeal is pending.

Sec. 41. Minnesota Statutes 2022, section 260C.607, subdivision 6, is amended to read:

Subd. 6. **Motion and hearing to order adoptive placement.** (a) At any time after the district court orders the child under the guardianship of the commissioner of human services, but not later than 30 days after receiving notice required under section 260C.613, subdivision 1, paragraph (c), that the agency has made an adoptive placement, a relative or the child's foster parent may file a motion for an order for adoptive placement of a child who is under the guardianship of the commissioner if the relative or the child's foster parent:

(1) has an adoption home study under section 259.41 or 260C.611 approving the relative or foster parent for adoption. If the relative or foster parent does not have an adoption home study, an affidavit attesting to efforts to complete an adoption home study may be filed with the motion instead. The affidavit must be signed by the relative or foster parent and the responsible social services agency or licensed child-placing agency completing the adoption

459.1 home study. The relative or foster parent must also have been a resident of Minnesota for
459.2 at least six months before filing the motion; the court may waive the residency requirement
459.3 for the moving party if there is a reasonable basis to do so; or

459.4 (2) is not a resident of Minnesota, but has an approved adoption home study by an agency
459.5 licensed or approved to complete an adoption home study in the state of the individual's
459.6 residence and the study is filed with the motion for adoptive placement. If the relative or
459.7 foster parent does not have an adoption home study in the relative or foster parent's state
459.8 of residence, an affidavit attesting to efforts to complete an adoption home study may be
459.9 filed with the motion instead. The affidavit must be signed by the relative or foster parent
459.10 and the agency completing the adoption home study.

459.11 (b) The motion ~~shall~~ must be filed with the court conducting reviews of the child's
459.12 progress toward adoption under this section. The motion and supporting documents must
459.13 make a prima facie showing that the agency has been unreasonable in failing to make the
459.14 requested adoptive placement. The motion must be served according to the requirements
459.15 for motions under the Minnesota Rules of Juvenile Protection Procedure and ~~shall~~ must be
459.16 made on all individuals and entities listed in subdivision 2.

459.17 (c) If the motion and supporting documents do not make a prima facie showing for the
459.18 court to determine whether the agency has been unreasonable in failing to make the requested
459.19 adoptive placement, the court shall dismiss the motion. If the court determines a prima facie
459.20 basis is made, the court shall set the matter for evidentiary hearing.

459.21 (d) At the evidentiary hearing, the responsible social services agency shall proceed first
459.22 with evidence about the reason for not making the adoptive placement proposed by the
459.23 moving party. When the agency presents evidence regarding the child's current relationship
459.24 with the identified adoptive placement resource, the court must consider the agency's efforts
459.25 to support the child's relationship with the moving party consistent with section 260C.221.
459.26 The moving party then has the burden of proving by a preponderance of the evidence that
459.27 the agency has been unreasonable in failing to make the adoptive placement.

459.28 (e) The court shall review and enter findings regarding whether the agency, in making
459.29 an adoptive placement decision for the child:

459.30 (1) considered relatives for adoptive placement in the order specified under section
459.31 260C.212, subdivision 2, paragraph (a); and

459.32 (2) assessed how the identified adoptive placement resource and the moving party are
459.33 each able to meet the child's current and future needs, based on an individualized

determination of the child's needs, as required under sections 260C.212, subdivision 2, and 260C.613, subdivision 1, paragraph (b).

(f) At the conclusion of the evidentiary hearing, if the court finds that the agency has been unreasonable in failing to make the adoptive placement and that the moving party is the most suitable adoptive home to meet the child's needs using the factors in section 260C.212, subdivision 2, paragraph (b), the court may:

(1) order the responsible social services agency to make an adoptive placement in the home of the moving party if the moving party has an approved adoption home study; or

(2) order the responsible social services agency to place the child in the home of the moving party upon approval of an adoption home study. The agency must promote and support the child's ongoing visitation and contact with the moving party until the child is placed in the moving party's home. The agency must provide an update to the court after 90 days, including progress and any barriers encountered. If the moving party does not have an approved adoption home study within 180 days, the moving party and the agency must inform the court of any barriers to obtaining the approved adoption home study during a review hearing under this section. If the court finds that the moving party is unable to obtain an approved adoption home study, the court must dismiss the order for adoptive placement under this subdivision and order the agency to continue making reasonable efforts to finalize the adoption of the child as required under section 260C.605.

(g) If, in order to ensure that a timely adoption may occur, the court orders the responsible social services agency to make an adoptive placement under this subdivision, the agency shall:

(1) make reasonable efforts to obtain a fully executed adoption placement agreement, including assisting the moving party with the adoption home study process;

(2) work with the moving party regarding eligibility for adoption assistance as required under chapter 256N; and

(3) if the moving party is not a resident of Minnesota, timely refer the matter for approval of the adoptive placement through the Interstate Compact on the Placement of Children.

(h) Denial or granting of a motion for an order for adoptive placement after an evidentiary hearing is an order ~~which~~ that may be appealed by the responsible social services agency, the moving party, the child, when age ten or over, the child's guardian ad litem, and any individual who had a fully executed adoption placement agreement regarding the child at the time the motion was filed if the court's order has the effect of terminating the adoption

461.1 placement agreement. An appeal ~~shall~~ must be conducted according to the requirements of
461.2 the Rules of Juvenile Protection Procedure. Pursuant to subdivision 1, paragraph (c), the
461.3 court shall not finalize an adoption while an appeal is pending.

461.4 Sec. 42. Minnesota Statutes 2022, section 260C.611, is amended to read:

461.5 **260C.611 ADOPTION STUDY REQUIRED.**

461.6 (a) An adoption study under section 259.41 approving placement of the child in the
461.7 home of the prospective adoptive parent ~~shall~~ must be completed before placing any child
461.8 under the guardianship of the commissioner in a home for adoption. If a prospective adoptive
461.9 parent has a current child foster care license under chapter 245A and is seeking to adopt a
461.10 foster child who is placed in the prospective adoptive parent's home and is under the
461.11 guardianship of the commissioner according to section 260C.325, subdivision 1, the child
461.12 foster care home study meets the requirements of this section for an approved adoption
461.13 home study if:

461.14 (1) the written home study on which the foster care license was based is completed in
461.15 the commissioner's designated format, consistent with the requirements in sections 259.41,
461.16 subdivision 2; and 260C.215, subdivision 4, clause (5); and Minnesota Rules, part 2960.3060,
461.17 subpart 4;

461.18 (2) the background studies on each prospective adoptive parent and all required household
461.19 members were completed according to section 245C.33;

461.20 (3) the commissioner has not issued, ~~within the last three years,~~ a sanction on the license
461.21 under section 245A.07 or an order of a conditional license under section 245A.06 within
461.22 the last three years, or the commissioner has determined it to be in the child's best interests
461.23 to allow the child foster care home study to meet requirements of an approved adoption
461.24 home study upon review of the legally responsible agency's adoptive placement decision;
461.25 and

461.26 (4) the legally responsible agency determines that the individual needs of the child are
461.27 being met by the prospective adoptive parent through an assessment under section 256N.24,
461.28 subdivision 2, or a documented placement decision consistent with section 260C.212,
461.29 subdivision 2.

461.30 (b) If a prospective adoptive parent has previously held a foster care license or adoptive
461.31 home study, any update necessary to the foster care license, or updated or new adoptive
461.32 home study, if not completed by the licensing authority responsible for the previous license

462.1 or home study, shall include collateral information from the previous licensing or approving
462.2 agency, if available.

462.10 the child's current and future needs, pursuant to section 260C.212, subdivision 2, paragraph
462.11 (b), to determine the most suitable adopting parent for the child in the child's best interests.
462.12 The responsible social services agency must consider adoptive placement of the child with
462.13 relatives in the order specified in section 260C.212, subdivision 2, paragraph (a).

462.14 (c) The responsible social services agency shall notify the court and parties entitled to

~~(e)~~ (d) If the individual requested reconsideration on the basis that the information relied upon to disqualify the individual was incorrect or inaccurate and the commissioner determines that the information relied upon to disqualify the individual is correct, the commissioner

504.1 must also determine if the individual poses a risk of harm to persons receiving services in
504.2 accordance with paragraph (b).

504.29 with adults. A request for reconsideration evaluated under this paragraph must include a
504.30 letter of recommendation from the license holder that was subject to the prior set-aside

(e) For an individual 18 years of age or older affiliated with a licensed family foster setting, the commissioner must not set aside or grant a variance for the disqualification of any individual disqualified pursuant to this chapter, regardless of how much time has passed, if the individual was disqualified for a crime or conduct listed in section 245C.15, subdivision 4a, paragraphs (a) and (b).

(f) In connection with a family foster setting license, the commissioner may grant a variance to the disqualification for an individual who is under 18 years of age at the time the background study is submitted.

(g) In connection with foster residence settings and children's residential facilities, the commissioner must not set aside or grant a variance for the disqualification of any individual disqualified pursuant to this chapter, regardless of how much time has passed, if the individual was disqualified for a crime or conduct listed in section 245C.15, subdivision 4a, paragraph (a) or (b).

506.6 license who is a relative of the child, the commissioner shall consider the importance of
506.7 maintaining the child's relationship with relatives as an additional significant factor in
506.8 determining whether the individual should be granted a variance.

506.9 Sec. 42. Minnesota Statutes 2022, section 245E.08, is amended to read:

506.10 **245E.08 REPORTING OF SUSPECTED FRAUDULENT ACTIVITY.**

506.11 (a) A person who, in good faith, makes a report of or testifies in any action or proceeding
506.12 in which financial misconduct is alleged, and who is not involved in, has not participated
506.13 in, or has not aided and abetted, conspired, or colluded in the financial misconduct, shall
506.14 have immunity from any liability, civil or criminal, that results by reason of the person's
506.15 report or testimony. For the purpose of any proceeding, the good faith of any person reporting

506.20 mitigating factor in the department's pursuit of civil, criminal, or administrative remedies.

506.21 (c) After an investigation is complete, the reporter's name must be kept confidential.
506.22 The subject of the report may compel disclosure of the reporter's name only with the consent
506.23 of the reporter or upon a written finding by a district court that the report was false and there
506.24 is evidence that the report was made in bad faith. This paragraph does not alter disclosure
506.25 responsibilities or obligations under the Rules of Criminal Procedure, except that when the
506.26 identity of the reporter is relevant to a criminal prosecution the district court shall conduct
506.27 an in-camera review before determining whether to order disclosure of the reporter's identity.

506.31 a patient is in imminent danger of harming self or others. The policy must be appropriate

507.1 to the type of facility and the level of staff training. The protective procedures policy must
507.2 include:

507.3 (1) an approval signed and dated by the program director and medical director prior to

507.6 (2) which protective procedures the license holder will use to prevent patients from
507.7 imminent danger of harming self or others;

507.8 (3) the emergency conditions under which the protective procedures are permitted to be
507.9 used, if any;

507.10 (4) the patient's health conditions that limit the specific procedures that may be used and
507.11 alternative means of ensuring safety;

507.12 (5) emergency resources the program staff must contact when a patient's behavior cannot
507.13 be controlled by the procedures established in the policy;

507.14 (6) the training that staff must have before using any protective procedure;

507.15 (7) documentation of approved therapeutic holds;

507.16 (8) the use of law enforcement personnel as described in subdivision 4;

507.17 (9) standards governing emergency use of seclusion. Seclusion must be used only when
507.18 less restrictive measures are ineffective or not feasible. The standards in items (i) to (vii)
507.19 must be met when seclusion is used with a patient:

507.20 (i) seclusion must be employed solely for the purpose of preventing a patient from
507.21 imminent danger of harming self or others;

507.22 (ii) seclusion rooms must be equipped in a manner that prevents patients from self-harm
507.23 using projections, windows, electrical fixtures, or hard objects, and must allow the patient
507.24 to be readily observed without being interrupted;

507.25 (iii) seclusion must be authorized by the program director, a licensed physician, a
507.26 registered nurse, or a licensed physician assistant. If one of these individuals is not present
507.27 in the facility, the program director or a licensed physician, registered nurse, or physician
507.28 assistant must be contacted and authorization must be obtained within 30 minutes of initiating
507.29 seclusion, according to written policies;

507.30 (iv) patients must not be placed in seclusion for more than 12 hours at any one time;

(v) once the condition of a patient in seclusion has been determined to be safe enough to end continuous observation, a patient in seclusion must be observed at a minimum of every 15 minutes for the duration of seclusion and must always be within hearing range of program staff;

(vi) a process for program staff to use to remove a patient to other resources available to the facility if seclusion does not sufficiently assure patient safety; and

(vii) a seclusion area may be used for other purposes, such as intensive observation, if the room meets normal standards of care for the purpose and if the room is not locked; and

(10) physical holds may only be used when less restrictive measures are not feasible.

514.28 Subd. 6. **Criteria for unsupervised use.** (a) To limit the potential for diversion of

515.20 ~~(8) whether the rehabilitative benefit the client derived from decreasing the frequency~~
515.21 ~~of program attendance outweighs the potential risks of diversion or unsupervised use.~~

515.22 (c) The determination, including the basis of the determination must be documented by
515.23 a practitioner in the client's medical record.

515.30 ~~the medication to be dispensed is methadone hydrochloride. The results of the assessment~~
515.31 ~~must be contained in the client file. The number of unsupervised use medication doses per~~

516.1 ~~week in paragraphs (b) to (d) is in addition to the number of unsupervised use medication~~
516.2 ~~doses a client may receive for days the clinic is closed for business as allowed by subdivision~~
516.3 ~~6, paragraph (a) and that a patient is safely able to manage unsupervised doses of methadone,~~
516.4 ~~the number of take-home doses the client receives must be limited by the number allowed~~
516.5 ~~by the Code of Federal Regulations, title 42, part 8.12 (i)(3).~~

516.6 ~~(b) During the first 90 days of treatment, the unsupervised use medication supply must~~

516.14 ~~unsupervised use medication supply.~~

516.15 ~~(f) After one year of continuous treatment, a client may be given a maximum two-week~~
516.16 ~~unsupervised use medication supply.~~

516.20 Sec. 53. Minnesota Statutes 2023 Supplement, section 245G.22, subdivision 17, is amended
516.21 to read:

516.22 Subd. 17. **Policies and procedures.** (a) A license holder must develop and maintain the
516.23 policies and procedures required in this subdivision.

516.24 (b) For a program that is not open every day of the year, the license holder must maintain
516.25 a policy and procedure that covers requirements under section 245G.22, subdivisions 6 and
516.26 7. Unsupervised use of medication used for the treatment of opioid use disorder for days
516.27 that the program is closed for business, including but not limited to Sundays on one weekend
516.28 day and state and federal holidays, must meet the requirements under section 245G.22,
516.29 subdivisions 6 and 7.

516.30 (c) The license holder must maintain a policy and procedure that includes specific
516.31 measures to reduce the possibility of diversion. The policy and procedure must:

517.1 (1) specifically identify and define the responsibilities of the medical and administrative
517.2 staff for performing diversion control measures; and

517.3 (2) include a process for contacting no less than five percent of clients who have
517.4 unsupervised use of medication, excluding clients approved solely under subdivision 6,
517.5 paragraph (a), to require clients to physically return to the program each month. The system
517.6 must require clients to return to the program within a stipulated time frame and turn in all
517.7 unused medication containers related to opioid use disorder treatment. The license holder
517.8 must document all related contacts on a central log and the outcome of the contact for each
517.9 client in the client's record. The medical director must be informed of each outcome that
517.10 results in a situation in which a possible diversion issue was identified.

517.11 (d) Medication used for the treatment of opioid use disorder must be ordered,
517.12 administered, and dispensed according to applicable state and federal regulations and the
517.13 standards set by applicable accreditation entities. If a medication order requires assessment
517.14 by the person administering or dispensing the medication to determine the amount to be
517.15 administered or dispensed, the assessment must be completed by an individual whose
517.16 professional scope of practice permits an assessment. For the purposes of enforcement of
517.17 this paragraph, the commissioner has the authority to monitor the person administering or
517.18 dispensing the medication for compliance with state and federal regulations and the relevant
517.19 standards of the license holder's accreditation agency and may issue licensing actions
517.20 according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's
517.21 determination of noncompliance.

517.22 (e) A counselor in an opioid treatment program must not supervise more than 50 clients.

517.23 (f) Notwithstanding paragraph (e), from July 1, 2023, to June 30, 2024, a counselor in
517.24 an opioid treatment program may supervise up to 60 clients. The license holder may continue
517.25 to serve a client who was receiving services at the program on June 30, 2024, at a counselor
517.26 to client ratio of up to one to 60 and is not required to discharge any clients in order to return
517.27 to the counselor to client ratio of one to 50. The license holder may not, however, serve a
517.28 new client after June 30, 2024, unless the counselor who would supervise the new client is
517.29 supervising fewer than 50 existing clients.

(b) If the individual has resided in the county for less than five years, the study shall include the records specified under paragraph (a) for the previous county or counties of residence for the past five years.

(c) Notwithstanding expungement by a court, the county agency may consider information obtained under paragraph (a), clause (3), unless:

(1) the commissioner received notice of the petition for expungement and the court order for expungement is directed specifically to the commissioner; or

(2) the commissioner received notice of the expungement order issued pursuant to section 609A.017, 609A.025, or 609A.035, and the order for expungement is directed specifically to the commissioner.

245C.125 BACKGROUND STUDY; HEAD START PROGRAMS.

(a) Head Start programs that receive funds under section 119A.52 may contract with the commissioner to:

(1) conduct background studies on individuals affiliated with a Head Start program; and

(2) obtain background study data on individuals affiliated with a Head Start program.

(b) The commissioner must include a national criminal history record check in a background study conducted under paragraph (a).

(c) A Head Start program site that does not contract with the commissioner, is not licensed, and is not registered to receive payments under chapter 119B is exempt from the relevant requirements in this chapter. Nothing in this section supersedes requirements for background studies in this chapter or chapter 119B or 245H that relate to licensed child care programs or programs registered to receive payments under chapter 119B. For a background study conducted under this section to be transferable to other child care entities, the study must include all components of studies for a certified license-exempt child care center under this chapter.

256.01 COMMISSIONER OF HUMAN SERVICES; POWERS, DUTIES.

Subd. 12. **Child mortality review panel.** (a) The commissioner shall establish a child mortality review panel to review deaths of children in Minnesota, including deaths attributed to maltreatment or in which maltreatment may be a contributing cause and to review near fatalities as defined in section 260E.35. The commissioners of health, education, and public safety and the attorney general shall each designate a representative to the child mortality review panel. Other panel members shall be appointed by the commissioner, including a board-certified pathologist and a physician who is a coroner or a medical examiner. The purpose of the panel shall be to make recommendations to the state and to county agencies for improving the child protection system, including modifications in statute, rule, policy, and procedure.

(b) The commissioner may require a county agency to establish a local child mortality review panel. The commissioner may establish procedures for conducting local reviews and may require that all professionals with knowledge of a child mortality case participate in the local review. In this section, "professional" means a person licensed to perform or a person performing a specific service in the child protective service system. "Professional" includes law enforcement personnel, social service agency attorneys, educators, and social service, health care, and mental health care providers.

(c) If the commissioner of human services has reason to believe that a child's death was caused by maltreatment or that maltreatment was a contributing cause, the commissioner has access to not public data under chapter 13 maintained by state agencies, statewide systems, or political subdivisions that are related to the child's death or circumstances surrounding the care of the child. The commissioner shall also have access to records of private hospitals as necessary to carry out the duties prescribed by this section. Access to data under this paragraph is limited to police investigative data; autopsy records and coroner or medical examiner investigative data; hospital, public health, or other medical records of the child; hospital and other medical records of the child's parent that relate to prenatal care; and records created by social service agencies that provided services to the child or family within three years preceding the child's death. A state agency, statewide system, or political subdivision shall provide the data upon request of the commissioner. Not public data may be shared with members of the state or local child mortality review panel in connection with an individual case.

(d) Notwithstanding the data's classification in the possession of any other agency, data acquired by a local or state child mortality review panel in the exercise of its duties is protected nonpublic or confidential data as defined in section 13.02, but may be disclosed as necessary to carry out the purposes of the review panel. The data is not subject to subpoena or discovery. The commissioner may disclose conclusions of the review panel, but shall not disclose data that was classified as confidential or private data on decedents, under section 13.10, or private, confidential, or protected nonpublic data in the disseminating agency, except that the commissioner may disclose local social service agency data as provided in section 260E.35, on individual cases involving a fatality or near fatality of a person served by the local social service agency prior to the date of death.

(e) A person attending a child mortality review panel meeting shall not disclose what transpired at the meeting, except to carry out the purposes of the mortality review panel. The proceedings and records of the mortality review panel are protected nonpublic data as defined in section 13.02, subdivision 13, and are not subject to discovery or introduction into evidence in a civil or criminal action against a professional, the state or a county agency, arising out of the matters the panel is reviewing. Information, documents, and records otherwise available from other sources are not immune from discovery or use in a civil or criminal action solely because they were presented during proceedings of the review panel. A person who presented information before the review panel or who is a member of the panel shall not be prevented from testifying about matters within the person's knowledge. However, in a civil or criminal proceeding a person shall not be questioned about the person's presentation of information to the review panel or opinions formed by the person as a result of the review meetings.

Subd. 12a. **Department of Human Services child fatality and near fatality review team.** (a) The commissioner shall establish a Department of Human Services child fatality and near fatality review team to review child fatalities and near fatalities due to child maltreatment and child fatalities and near fatalities that occur in licensed facilities and are not due to natural causes. The review team shall assess the entire child protection services process from the point of a mandated reporter reporting the alleged maltreatment through the ongoing case management process. Department staff shall lead and conduct on-site local reviews and utilize supervisors from local county and tribal child welfare agencies as peer reviewers. The review process must focus on critical elements of the case and on the involvement of the child and family with the county or tribal child welfare agency. The review team shall identify necessary program improvement planning to address any practice issues identified and training and technical assistance needs of the local agency. Summary reports of each review shall be provided to the state child mortality review panel when completed.

(b) A member of the child fatality and near fatality review team shall not disclose what transpired during the review, except to carry out the duties of the child fatality and near fatality review team. The proceedings and records of the child fatality and near fatality review team are protected nonpublic data as defined in section 13.02, subdivision 13, and are not subject to discovery or introduction into evidence in a civil or criminal action against a professional, the state, or a county agency arising out of the matters the team is reviewing. Information, documents, and records otherwise available from other sources are not immune from discovery or use in a civil or criminal action solely because they were assessed or presented during proceedings of the review team. A person who presented information before the review team or who is a member of the team shall not be prevented from testifying about matters within the person's knowledge. In a civil or criminal proceeding a person shall not be questioned about the person's presentation of information to the review team or opinions formed by the person as a result of the review.

256D.19 ABOLITION OF TOWNSHIP SYSTEM OF POOR RELIEF.

Subdivision 1. **Town system abolished.** The town system for caring for the poor in each of the counties in which it is in effect is hereby abolished. The local social services agency of each county shall administer general assistance under the provisions of Laws 1973, chapter 650, article 21.

Subd. 2. **Local social services agencies duty.** All local social services agencies affected by Laws 1973, chapter 650, article 21 are hereby authorized to take over for the county as of January 1, 1974, the ownership of all case records relating to the administration of poor relief.

256D.20 TRANSFER OF TOWN EMPLOYEES.

Subdivision 1. **Rules for merit system.** The term "merit system" as used herein shall mean the rules for a merit system of personnel administration for employees of local social services agencies adopted by the commissioner of human services in accordance with the provisions of section 393.07, including the merit system established for Hennepin County pursuant to Laws 1965, chapter 855,

as amended, the federal Social Security article as amended, and merit system standards and regulations issued by the federal Social Security Board and the United States Children's Bureau.

Subd. 2. **Designation of employees.** All employees of any municipality or town who are engaged full time in poor relief work therein on January 1, 1974 shall be retained as employees of the county and placed under the jurisdiction of its local social services agency.

All transferred employees shall be blanketed into the merit system with comparable status, classification, longevity, and seniority, and subject to the administrative requirements of the local social services agency. Employees with permanent status under any civil service provision on January 1, 1974, shall be granted permanent status under the merit system at comparable classifications and in accordance with work assignments made under the authority of the local social services agency as provided by the merit system rules.

The determination of proper job allocation shall be the responsibility of the personnel officer or director as provided under merit system rules applicable to the county involved with the right of appeal of allocation to the Merit System Council or personnel board by any employee affected by this transfer.

All transferred employees shall receive salaries for the classification to which they are allocated in accordance with the schedule in effect for local social services agency employees and at a salary step which they normally would have received had they been employed by the local social services agency for the same period of service they had previously served under the civil service provisions of any municipality or town; provided, however, that no salary shall be reduced as a result of the transfer.

All accumulated sick leave of transferred employees in the amount of 60 days or less shall be transferred to the records of the local social services agency and such accumulated sick leave shall be the legal liability of the local social services agency. All accumulated sick leave in excess of 60 days shall be paid in cash to transferred employees by the municipality or town by which they were employed prior to their transfer, at the time of transfer. In lieu of the cash payment, the municipality or town shall, at the option of the employee concerned, allow a leave of absence with pay, prior to transfer, for all or part of the accumulated sick leave.

Subd. 3. **Merit system transfer.** Employees of municipalities and towns engaged in the work of administering poor relief who are not covered by civil service provisions shall be blanketed into the merit system subject to a qualifying examination. Employees with one year or more service shall be subject to a qualifying examination and those with less than one year's service shall be subject to an open competitive examination.

Subd. 4. **Disbursement of vacation time.** All vacation leave of employees referred to in subdivision 2, accumulated prior to their transfer to county employment shall be paid in cash to them by the municipality or town by which they were employed prior to their transfer, and at the time of their transfer. In lieu of the cash payment, the municipality or town shall, at the option of the employee concerned, allow a leave of absence with pay, prior to such transfer, for all or part of the accumulated vacation time.

Subdivision 1. **Program established.** Minnesota residents who meet the income and resource standards of section 256D.01, subdivision 1a, but do not qualify for cash benefits under sections 256D.01 to 256D.21, may qualify for a county payment under this section.

Subd. 2. **Payment amount, duration, and method.** (a) A county may make a payment of up to \$203 for a single individual and up to \$260 for a married couple under the terms of this subdivision.

(b) Payments to an individual or married couple may only be made once in a calendar year. If the applicant qualifies for a payment as a result of an emergency, as defined by the county, the payment shall be made within ten working days of the date of application. If the applicant does not qualify under the county definition of emergency, the payment shall be made at the beginning of the second month following the month of application, and the applicant must receive the payment in person at the local agency office.

(c) Payments may be made in the form of cash or as vendor payments for rent and utilities. If vendor payments are made, they shall be equal to \$203 for a single individual or \$260 for a married couple, or the actual amount of rent and utilities, whichever is less.

Subd. 3. **State allocation to counties.** The commissioner shall allocate to each county on an annual basis the amount specifically appropriated for payments under this section. The allocation shall be based on each county's proportionate share of state fiscal year 1994 work readiness expenditures.

Sec. 38. **[142A.20] ADMINISTRATIVE AND JUDICIAL REVIEW OF CHILDREN, YOUTH, AND FAMILIES MATTERS.**

Subd. 3. **Standard of evidence for maltreatment and disqualification hearings.** (a) The state children, youth, and families judge shall determine that maltreatment has occurred if a preponderance of evidence exists to support the final disposition under chapter 260E or section 626.557. For purposes of hearings regarding disqualification, the state children, youth, and families judge shall affirm the proposed disqualification in an appeal under subdivision 2, paragraph (a), clause (5), if a preponderance of the evidence shows the individual has:

(1) committed maltreatment under section 626.557 or chapter 260E that is serious or recurring;

(2) committed an act or acts meeting the definition of any of the crimes listed in section 245C.15, subdivisions 1 to 4; or

(3) failed to make required reports under section 626.557 or chapter 260E, for incidents in which the final disposition under section 626.557 or chapter 260E was substantiated maltreatment that was serious or recurring.

(b) If the disqualification is affirmed, the state children, youth, and families judge shall determine whether the individual poses a risk of harm in accordance with the requirements of section 245C.22, and whether the disqualification should be set aside or not set aside. In determining whether the disqualification should be set aside, the children, youth, and families judge shall consider all of the characteristics that cause the individual to be disqualified, including those characteristics that were not subject to review under paragraph (a), in order to determine whether the individual poses a risk of harm. A decision to set aside a disqualification that is the subject of the hearing constitutes a determination that the individual does not pose a risk of harm and that the individual may provide direct contact services in the individual program specified in the set aside.

(c) If a disqualification is based solely on a conviction or is conclusive for any reason under section 245C.29, the disqualified individual does not have a right to a hearing under this section.

(d) The state children, youth, and families judge shall recommend an order to the commissioner of health; education; children, youth, and families; or human services, as applicable, who shall issue a final order. The commissioner shall affirm, reverse, or modify the final disposition. Any order of the commissioner issued in accordance with this subdivision is conclusive upon the parties unless appeal is taken in the manner provided in subdivision 7. In any licensing appeal under chapters 142B and 245C and sections 144.50 to 144.58 and 144A.02 to 144A.482, the commissioner's determination as to maltreatment is conclusive, as provided under section 245C.29.

Subd. 4. **Conduct of hearings.** (a) All hearings held pursuant to subdivision 2 or 3 shall be conducted according to the provisions of the federal Social Security Act and the regulations implemented in accordance with that act to enable this state to qualify for federal grants-in-aid and according to the rules and written policies of the commissioner. County agencies shall install equipment necessary to conduct telephone hearings. A state children, youth, and families judge may schedule a telephone conference hearing when the distance or time required to travel to the county agency offices will cause a delay in the issuance of an order, or to promote efficiency, or at the mutual request of the parties. Hearings may be conducted by telephone conferences unless the applicant, recipient, former recipient, person, or facility contesting maltreatment objects. A children, youth, and families judge may grant a request for a hearing in person by holding the hearing by interactive video technology or in person. The children, youth, and families judge must hear the case in person if the person asserts that either the person or a witness has a physical or mental disability that would impair the person's or witness's ability to fully participate in a hearing held by interactive video technology. The hearing shall not be held earlier than five days after filing of the required notice with the county or state agency. The state children, youth, and families judge shall notify all interested persons of the time, date, and location of the hearing at least five days before the date of the hearing. Interested persons may be represented by legal counsel or other representative of their choice, including a provider of therapy services, at the hearing and may appear personally,

testify and offer evidence, and examine and cross-examine witnesses. The applicant, recipient, former recipient, person, or facility contesting maltreatment shall have the opportunity to examine the contents of the case file and all documents and records to be used by the county or state agency at the hearing at a reasonable time before the date of the hearing and during the hearing. In hearings under subdivision 2, paragraph (a), clauses (4) and (5), either party may subpoena the private data relating to the investigation prepared by the agency under section 626.557 or chapter 260E that are not otherwise accessible under section 13.04, provided the identity of the reporter may not be disclosed.

(b) The private data obtained by subpoena in a hearing under subdivision 2, paragraph (a), clause (2), must be subject to a protective order that prohibits its disclosure for any other purpose outside the hearing provided for in this section without prior order of the district court. Disclosure without court order is punishable by a sentence of not more than 90 days imprisonment or a fine of not more than \$1,000, or both. These restrictions on the use of private data do not prohibit access to the data under section 13.03, subdivision 6. Except for appeals under subdivision 2, paragraph (a), clause (2), upon request, the county agency shall provide reimbursement for transportation, child care, photocopying, medical assessment, witness fee, and other necessary and reasonable costs incurred by the applicant, recipient, or former recipient in connection with the appeal. All evidence, except that privileged by law, commonly accepted by reasonable people in the conduct of their affairs as having probative value with respect to the issues, shall be submitted at the hearing and the hearing shall not be "a contested case" within the meaning of section 14.02, subdivision 3. The agency must present its evidence prior to or at the hearing and may not submit evidence after the hearing except by agreement of the parties at the hearing, provided the petitioner has the opportunity to respond.

(c) In hearings under subdivision 2, paragraph (a), clauses (2) and (5), involving determinations of maltreatment or disqualification made by more than one county agency, by a county agency and a state agency, or by more than one state agency, the hearings may be consolidated into a single fair hearing upon the consent of all parties and the state children, youth, and families judge.

Subd. 11. **Interagency agreement with DHS.** The commissioner of children, youth, and families may enter into an agreement with the commissioner of human services so that the commissioner of human services may conduct hearings and recommend and issue orders on behalf of the commissioner of children, youth, and families in accordance with this section.

Laws 2024, chapter 80, article 1, section 39

Sec. 39. [142A.21] HEARING PROCEDURES.

Subdivision 1. **Scope.** (a) The requirements in this section apply to all fair hearings and appeals under section 142A.20, subdivision 2, paragraph (a), clauses (1), (2), (3), and (6). Except as provided in subdivisions 3 and 19, the requirements under this section apply to fair hearings and appeals under section 142A.20, subdivision 2, paragraph (a), clause (2).

(b) For purposes of this section, "person" means an individual who, on behalf of themselves or their household, is appealing, disputing, or challenging an action, a decision, or a failure to act by an agency in the children, youth, and families system. When a person involved in a proceeding under this section is represented by an attorney or by an authorized representative, the term "person" also means the person's attorney or authorized representative. Any notice sent to the person involved in the hearing must also be sent to the person's attorney or authorized representative.

(c) For purposes of this section, "agency" means the county human services agency, the Department of Children, Youth, and Families, and, where applicable, any entity involved under a contract, subcontract, grant, or subgrant with the state agency or with a county agency, that provides or operates programs or services in which appeals are governed by section 142A.20.

Subd. 2. **Access to files.** A person involved in a fair hearing appeal has the right of access to the person's complete case files and to examine all private welfare data on the person that has been generated, collected, stored, or disseminated by the agency. A person involved in a fair hearing appeal has the right to a free copy of all documents in the case file involved in a fair hearing appeal. For purposes of this section, "case file" means the information, documents, and data, in whatever form, that have been generated, collected, stored, or disseminated by the agency in connection with the person and the program or service involved.

Subd. 3. **Agency appeal summary.** (a) Except in fair hearings and appeals under section 142A.20, subdivision 2, paragraph (a), clauses (4) and (5), the agency involved in an appeal must prepare a state agency appeal summary for each fair hearing appeal. The state agency appeal

APPENDIX
Repealed Minnesota Session Laws: S4699-1

summary shall be mailed or otherwise delivered to the person who is involved in the appeal at least three working days before the date of the hearing. The state agency appeal summary must also be mailed or otherwise delivered to the department's Appeals Office at least three working days before the date of the fair hearing appeal.

(b) In addition, the children, youth, and families judge shall confirm that the state agency appeal summary is mailed or otherwise delivered to the person involved in the appeal as required under paragraph (a). The person involved in the fair hearing should be provided, through the state agency appeal summary or other reasonable methods, appropriate information about the procedures for the fair hearing and an adequate opportunity to prepare. These requirements apply equally to the state agency or an entity under contract when involved in the appeal.

(c) The contents of the state agency appeal summary must be adequate to inform the person involved in the appeal of the evidence on which the agency relies and the legal basis for the agency's action or determination.

Subd. 4. **Enforcing access to files.** A person involved in a fair hearing appeal may enforce the right of access to data and copies of the case file by making a request to the children, youth, and families judge. The children, youth, and families judge will make an appropriate order enforcing the person's rights under the Minnesota Government Data Practices Act, including but not limited to, ordering access to files, data, and documents; continuing a hearing to allow adequate time for access to data; or prohibiting use by the agency of files, data, or documents that have been generated, collected, stored, or disseminated without compliance with the Minnesota Government Data Practices Act and that have not been provided to the person involved in the appeal.

Subd. 5. **Prehearing conferences.** (a) The children, youth, and families judge prior to a fair hearing appeal may hold a prehearing conference to further the interests of justice or efficiency and must include the person involved in the appeal. A person involved in a fair hearing appeal or the agency may request a prehearing conference. The prehearing conference may be conducted by telephone, in person, or in writing. The prehearing conference may address the following:

- (1) disputes regarding access to files, evidence, subpoenas, or testimony;
- (2) the time required for the hearing or any need for expedited procedures or decision;
- (3) identification or clarification of legal or other issues that may arise at the hearing;
- (4) identification of and possible agreement to factual issues; and
- (5) scheduling and any other matter that will aid in the proper and fair functioning of the hearing.

(b) The children, youth, and families judge shall make a record or otherwise contemporaneously summarize the prehearing conference in writing, which shall be sent to both the person involved in the hearing, the person's attorney or authorized representative, and the agency. A children, youth, and families judge may make and issue rulings and orders while the appeal is pending. During the pendency of the appeal, these rulings and orders are not subject to a request for reconsideration or appeal. These rulings and orders are subject to review under subdivision 24 and section 142A.20, subdivision 7.

Subd. 6. **Appeal request for emergency assistance or urgent matter.** (a) When an appeal involves an application for emergency assistance, the agency involved shall mail or otherwise deliver the state agency appeal summary to the department's Appeals Office within two working days of receiving the request for an appeal. A person may also request that a fair hearing be held on an emergency basis when the issue requires an immediate resolution. The children, youth, and families judge shall schedule the fair hearing on the earliest available date according to the urgency of the issue involved. Issuance of the recommended decision after an emergency hearing shall be expedited.

(b) The commissioner shall issue a written decision within five working days of receiving the recommended decision, shall immediately inform the parties of the outcome by telephone, and shall mail the decision no later than two working days following the date of the decision.

Subd. 7. **Continuance, rescheduling, or adjourning a hearing.** (a) A person involved in a fair hearing, or the agency, may request a continuance, a rescheduling, or an adjournment of a hearing for a reasonable period of time. The grounds for granting a request for a continuance, a rescheduling, or adjournment of a hearing include, but are not limited to, the following:

- (1) to reasonably accommodate the appearance of a witness;

APPENDIX
Repealed Minnesota Session Laws: S4699-1

(2) to ensure that the person has adequate opportunity for preparation and for presentation of evidence and argument;

(3) to ensure that the person or the agency has adequate opportunity to review, evaluate, and respond to new evidence, or where appropriate, to require that the person or agency review, evaluate, and respond to new evidence;

(4) to permit the person involved and the agency to negotiate toward resolution of some or all of the issues where both agree that additional time is needed;

(5) to permit the agency to reconsider a previous action or determination;

(6) to permit or to require the performance of actions not previously taken; and

(7) to provide additional time or to permit or require additional activity by the person or agency as the interests of fairness may require.

(b) Requests for continuances or for rescheduling may be made orally or in writing. The person or agency requesting the continuance or rescheduling must first make reasonable efforts to contact the other participants in the hearing or their representatives and seek to obtain an agreement on the request. Requests for continuance or rescheduling should be made no later than three working days before the scheduled date of the hearing, unless there is a good cause as specified in subdivision 13. Granting a continuance or rescheduling may be conditioned upon a waiver by the requester of applicable time limits but should not cause unreasonable delay.

Subd. 8. **Subpoenas.** (a) A person involved in a fair hearing or the agency may request a subpoena for a witness, for evidence, or for both. A reasonable number of subpoenas shall be issued to require the attendance and the testimony of witnesses, and the production of evidence relating to any issue of fact in the appeal hearing. The request for a subpoena must show a need for the subpoena and the general relevance to the issues involved. The subpoena shall be issued in the name of the department and shall be served and enforced as provided in section 357.22 and the Minnesota Rules of Civil Procedure.

(b) An individual or entity served with a subpoena may petition the children, youth, and families judge in writing to vacate or modify a subpoena. The children, youth, and families judge shall resolve such a petition in a prehearing conference involving all parties and shall make a written decision. A subpoena may be vacated or modified if the children, youth, and families judge determines that the testimony or evidence sought does not relate with reasonable directness to the issues of the fair hearing appeal; that the subpoena is unreasonable, over broad, or oppressive; that the evidence sought is repetitious or cumulative; or that the subpoena has not been served reasonably in advance of the time when the appeal hearing will be held.

Subd. 9. **No ex parte contact.** The children, youth, and families judge shall not have ex parte contact on substantive issues with the agency or with any person or witness in a fair hearing appeal. No employee of the department or agency shall review, interfere with, change, or attempt to influence the recommended decision of the children, youth, and families judge in any fair hearing appeal, except through the procedure allowed in subdivision 18. The limitations in this subdivision do not affect the commissioner's authority to review or reconsider decisions or make final decisions.

Subd. 10. **Telephone or face-to-face hearing.** A fair hearing appeal may be conducted by telephone, by other electronic media, or by an in-person, face-to-face hearing. At the request of the person involved in a fair hearing appeal or their representative, a face-to-face hearing shall be conducted with all participants personally present before the children, youth, and families judge.

Subd. 11. **Hearing facilities and equipment.** The children, youth, and families judge shall conduct the hearing in the county where the person involved resides, unless an alternate location is mutually agreed upon before the hearing, or unless the person has agreed to a hearing by telephone. Hearings under section 142A.20, subdivision 2, paragraph (a), clauses (4) and (5), must be conducted in the county where the determination was made, unless an alternate location is mutually agreed upon before the hearing. The hearing room shall be of sufficient size and layout to adequately accommodate both the number of individuals participating in the hearing and any identified special needs of any individual participating in the hearing. The children, youth, and families judge shall ensure that all communication and recording equipment that is necessary to conduct the hearing and to create an adequate record is present and functioning properly. If any necessary communication or recording equipment fails or ceases to operate effectively, the children, youth, and families judge shall take any steps necessary, including stopping or adjourning the hearing, until the necessary equipment is present and functioning properly. All reasonable efforts shall be undertaken to prevent

and avoid any delay in the hearing process caused by defective communication or recording equipment.

Subd. 12. **Interpreter and translation services.** The children, youth, and families judge has a duty to inquire and to determine whether any participant in the hearing needs the services of an interpreter or translator in order to participate in or to understand the hearing process. Necessary interpreter or translation services must be provided at no charge to the person involved in the hearing. If it appears that interpreter or translation services are needed but are not available for the scheduled hearing, the children, youth, and families judge shall continue or postpone the hearing until appropriate services can be provided.

Subd. 13. **Failure to appear; good cause.** If a person involved in a fair hearing appeal fails to appear at the hearing, the children, youth, and families judge may dismiss the appeal. The children, youth, and families judge may reopen the appeal if within ten working days after the date of the dismissal the person files information in writing with the children, youth, and families judge to show good cause for not appearing. Good cause can be shown when there is:

- (1) a death or serious illness in the person's family;
- (2) a personal injury or illness that reasonably prevents the person from attending the hearing;
- (3) an emergency, crisis, or unforeseen event that reasonably prevents the person from attending the hearing;
- (4) an obligation or responsibility of the person that a reasonable person, in the conduct of one's affairs, could reasonably determine takes precedence over attending the hearing;
- (5) lack of or failure to receive timely notice of the hearing in the preferred language of the person involved in the hearing; and
- (6) excusable neglect, excusable inadvertence, excusable mistake, or other good cause as determined by the children, youth, and families judge.

Subd. 14. **Commencement of hearing.** The children, youth, and families judge shall begin each hearing by describing the process to be followed in the hearing, including the swearing in of witnesses, how testimony and evidence are presented, the order of examining and cross-examining witnesses, and the opportunity for an opening statement and a closing statement. The children, youth, and families judge shall identify for the participants the issues to be addressed at the hearing and shall explain to the participants the burden of proof that applies to the person involved and the agency. The children, youth, and families judge shall confirm, prior to proceeding with the hearing, that the state agency appeal summary, if required under subdivision 3, has been properly completed and provided to the person involved in the hearing, and that the person has been provided documents and an opportunity to review the case file, as provided in this section.

Subd. 15. **Conduct of the hearing.** The children, youth, and families judge shall act in a fair and impartial manner at all times. At the beginning of the hearing the agency must designate one person as their representative who shall be responsible for presenting the agency's evidence and questioning any witnesses. The children, youth, and families judge shall make sure that the person and the agency are provided sufficient time to present testimony and evidence, to confront and cross-examine all adverse witnesses, and to make any relevant statement at the hearing. The children, youth, and families judge shall make reasonable efforts to explain the hearing process to persons who are not represented and shall ensure that the hearing is conducted fairly and efficiently. Upon the reasonable request of the person or the agency involved, the children, youth, and families judge may direct witnesses to remain outside the hearing room, except during their individual testimony. The children, youth, and families judge shall not terminate the hearing before affording the person and the agency a complete opportunity to submit all admissible evidence and reasonable opportunity for oral or written statement. If a hearing lasts longer than anticipated, the hearing shall be rescheduled or continued from day-to-day until completion. Hearings that have been continued shall be timely scheduled to minimize delay in the disposition of the appeal.

Subd. 16. **Scope of issues addressed at the hearing.** The hearing shall address the correctness and legality of the agency's action and shall not be limited simply to a review of the propriety of the agency's action. The person involved may raise and present evidence on all legal claims or defenses arising under state or federal law as a basis for appealing or disputing an agency action but not constitutional claims beyond the jurisdiction of the fair hearing. The children, youth, and families judge may take official notice of adjudicative facts.

APPENDIX
Repealed Minnesota Session Laws: S4699-1

Subd. 17. **Burden of persuasion.** The burden of persuasion is governed by specific state or federal law and regulations that apply to the subject of the hearing. If there is no specific law, then the participant in the hearing who asserts the truth of a claim is under the burden to persuade the children, youth, and families judge that the claim is true.

Subd. 18. **Inviting comment by department.** The children, youth, and families judge or the commissioner may determine that a written comment by the department about the policy implications of a specific legal issue could help resolve a pending appeal. Such a written policy comment from the department shall be obtained only by a written request that is also sent to the person involved and to the agency or its representative. When such a written comment is received, both the person involved in the hearing and the agency shall have adequate opportunity to review, evaluate, and respond to the written comment, including submission of additional testimony or evidence, and cross-examination concerning the written comment.

Subd. 19. **Developing the record.** The children, youth, and families judge shall accept all evidence, except evidence privileged by law, that is commonly accepted by reasonable people in the conduct of their affairs as having probative value on the issues to be addressed at the hearing. Except in fair hearings and appeals under section 142A.20, subdivision 2, paragraph (a), clauses (4) and (5), in cases involving medical issues such as a diagnosis, a physician's report, or a review team's decision, the children, youth, and families judge shall consider whether it is necessary to have a medical assessment other than that of the individual making the original decision. When necessary, the children, youth, and families judge shall require an additional assessment be obtained at agency expense and made part of the hearing record. The children, youth, and families judge shall ensure for all cases that the record is sufficiently complete to make a fair and accurate decision.

Subd. 20. **Unrepresented persons.** In cases involving unrepresented persons, the children, youth, and families judge shall take appropriate steps to identify and develop in the hearing relevant facts necessary for making an informed and fair decision. These steps may include, but are not limited to, asking questions of witnesses and referring the person to a legal services office. An unrepresented person shall be provided an adequate opportunity to respond to testimony or other evidence presented by the agency at the hearing. The children, youth, and families judge shall ensure that an unrepresented person has a full and reasonable opportunity at the hearing to establish a record for appeal.

Subd. 21. **Closing of the record.** The agency must present its evidence prior to or at the hearing. The agency shall not be permitted to submit evidence after the hearing except by agreement at the hearing between the person involved, the agency, and the children, youth, and families judge. If evidence is submitted after the hearing, based on such an agreement, the person involved and the agency must be allowed sufficient opportunity to respond to the evidence. When necessary, the record shall remain open to permit a person to submit additional evidence on the issues presented at the hearing.

Subd. 22. **Decisions.** (a) A timely, written decision must be issued in every appeal. Each decision must contain a clear ruling on the issues presented in the appeal hearing and should contain a ruling only on questions directly presented by the appeal and the arguments raised in the appeal.

(b) A written decision must be issued within 90 days of the date the person involved requested the appeal unless a shorter time is required by law. An additional 30 days is provided in those cases where the commissioner refuses to accept the recommended decision. In appeals of maltreatment determinations or disqualifications filed pursuant to section 142A.20, subdivision 2, paragraph (a), clause (4) or (5), that also give rise to possible licensing actions, the 90-day period for issuing final decisions does not begin until the later of the date that the licensing authority provides notice to the appeals division that the authority has made the final determination in the matter or the date the appellant files the last appeal in the consolidated matters.

(c) The decision must contain both findings of fact and conclusions of law, clearly separated and identified. The findings of fact must be based on the entire record. Each finding of fact made by the children, youth, and families judge shall be supported by a preponderance of the evidence unless a different standard is required under the regulations of a particular program. The "preponderance of the evidence" means, in light of the record as a whole, the evidence leads the children, youth, and families judge to believe that the finding of fact is more likely to be true than not true. The legal claims or arguments of a participant do not constitute either a finding of fact or a conclusion of law, except to the extent the children, youth, and families judge adopts an argument as a finding of fact or conclusion of law.

(d) The decision shall contain at least the following:

APPENDIX
Repealed Minnesota Session Laws: S4699-1

- (1) a listing of the date and place of the hearing and the participants at the hearing;
 - (2) a clear and precise statement of the issues, including the dispute under consideration and the specific points that must be resolved in order to decide the case;
 - (3) a listing of the material, including exhibits, records, reports, placed into evidence at the hearing, and upon which the hearing decision is based;
 - (4) the findings of fact based upon the entire hearing record. The findings of fact must be adequate to inform the participants and any interested person in the public of the basis of the decision. If the evidence is in conflict on an issue that must be resolved, the findings of fact must state the reasoning used in resolving the conflict;
 - (5) conclusions of law that address the legal authority for the hearing and the ruling and give appropriate attention to the claims of the participants to the hearing;
 - (6) a clear and precise statement of the decision made resolving the dispute under consideration in the hearing; and
 - (7) written notice of the right to appeal to district court or to request reconsideration, and of the actions required and the time limits for taking appropriate action to appeal to district court or to request a reconsideration.
- (e) The children, youth, and families judge shall not independently investigate facts or otherwise rely on information not presented at the hearing. The children, youth, and families judge may not contact other agency personnel, except as provided in subdivision 18. The children, youth, and families judge's recommended decision must be based exclusively on the testimony and evidence presented at the hearing, and legal arguments presented, and the children, youth, and families judge's research and knowledge of the law.
- (f) The commissioner will review the recommended decision and accept or refuse to accept the decision according to section 142A.20, subdivision 5.

Subd. 23. **Refusal to accept recommended orders.** (a) If the commissioner refuses to accept the recommended order from the children, youth, and families judge, the person involved, the person's attorney or authorized representative, and the agency shall be sent a copy of the recommended order, a detailed explanation of the basis for refusing to accept the recommended order, and the proposed modified order.

(b) The person involved and the agency shall have at least ten business days to respond to the proposed modification of the recommended order. The person involved and the agency may submit a legal argument concerning the proposed modification, and may propose to submit additional evidence that relates to the proposed modified order.

Subd. 24. **Reconsideration.** (a) Reconsideration may be requested within 30 days of the date of the commissioner's final order. If reconsideration is requested under section 142A.20, subdivision 5, the other participants in the appeal shall be informed of the request. The person seeking reconsideration has the burden to demonstrate why the matter should be reconsidered. The request for reconsideration may include legal argument and may include proposed additional evidence supporting the request. The other participants shall be sent a copy of all material submitted in support of the request for reconsideration and must be given ten days to respond.

(b) When the requesting party raises a question as to the appropriateness of the findings of fact, the commissioner shall review the entire record.

(c) When the requesting party questions the appropriateness of a conclusion of law, the commissioner shall consider the recommended decision, the decision under reconsideration, and the material submitted in connection with the reconsideration. The commissioner shall review the remaining record as necessary to issue a reconsidered decision.

(d) The commissioner shall issue a written decision on reconsideration in a timely fashion. The decision must clearly inform the parties that this constitutes the final administrative decision, advise the participants of the right to seek judicial review, and the deadline for doing so.

Subd. 25. **Access to appeal decisions.** Appeal decisions must be maintained in a manner so that the public has ready access to previous decisions on particular topics, subject to appropriate procedures for safeguarding names, personal identifying information, and other private data on the individual persons involved in the appeal.

Sec. 43. [142A.27] ADMINISTRATIVE FRAUD DISQUALIFICATION HEARINGS.

Subd. 2. **Combined hearing.** The children, youth, and families judge may combine a fair hearing under section 142A.20 and administrative fraud disqualification hearing under this section into a single hearing if the factual issues arise out of the same, or related, circumstances and the individual receives prior notice that the hearings will be combined. If the administrative fraud disqualification hearing and fair hearing are combined, the time frames for administrative fraud disqualification hearings specified in Code of Federal Regulations, title 7, section 273.16, apply. If the individual accused of wrongfully obtaining assistance is charged under section 142A.25 or 256.98 for the same act or acts that are the subject of the hearing, the individual may request that the hearing be delayed until the criminal charge is decided by the court or withdrawn.

(b) A human services judge may combine a fair hearing and administrative fraud disqualification hearing pursuant to section 142A.27, subdivision 2, or 256.046, subdivision 2, if either is under the jurisdiction of the commissioner of human services or the commissioner of children, youth, and families.

The license holder must cooperate with the commissioner to ensure service recipients receive continued care during the period of the delay and to facilitate the transition of service recipients to new providers. Laws 2024, chapter 80, article 2, section 4, subdivision 4

Sec. 4. [142B.05] WHO MUST BE LICENSED.

Subd. 4. **Licensing moratorium.** (a) The commissioner shall not issue an initial license for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, under this chapter for a physical location that will not be the primary residence of the license holder for the entire period of licensure. If a family child foster care home license is issued during this moratorium and the license holder changes the license holder's primary residence away from the physical location of the foster care license, the commissioner shall revoke the license according to section 142B.18. When approving an exception under this paragraph, the commissioner shall consider the resource

need determination process in paragraph (e), the availability of foster care licensed beds in the geographic area in which the licensee seeks to operate, the results of a person's choices during their annual assessment and service plan review, and the recommendation of the local county board. The determination by the commissioner is final and not subject to appeal. Exceptions to the moratorium include:

(1) foster care licenses replacing foster care licenses in existence on May 15, 2009, and determined to be needed by the commissioner under paragraph (b); and

(2) new foster care licenses determined to be needed by the commissioner under paragraph (b) for persons requiring hospital-level care.

(b) The commissioner shall determine the need for newly licensed foster care homes. As part of the determination, the commissioner shall consider the availability of foster care capacity in the area in which the licensee seeks to operate, and the recommendation of the local county board. The determination by the commissioner must be final. A determination of need is not required for a change in ownership at the same address.

(c) At the time of application and reapplication for licensure, the applicant and the license holder that are subject to the moratorium or an exclusion established in paragraph (a) are required to inform the commissioner whether the physical location where the foster care will be provided is or will be the primary residence of the license holder for the entire period of licensure. If the primary residence of the applicant or license holder changes, the applicant or license holder must notify the commissioner immediately. The commissioner shall print on the foster care license certificate whether or not the physical location is the primary residence of the license holder.

(d) License holders of foster care homes identified under paragraph (c) that are not the primary residence of the license holder and that also provide services in the foster care home that are covered by a federally approved home and community-based services waiver, as authorized under chapter 256S or section 256B.092 or 256B.49, must inform the children, youth, and families licensing division that the license holder provides or intends to provide these waiver-funded services.

(e) The commissioner may adjust capacity to address needs identified in section 144A.351. Under this authority, the commissioner may approve new licensed settings or delicense existing settings. Delicensing of settings will be accomplished through a process identified in section 256B.493.

Laws 2024, chapter 80, article 2, section 6, subdivision 4

Sec. 6. **[142B.11] LICENSE APPLICATION AFTER CHANGE OF OWNERSHIP.**

Subd. 4. **Temporary change in ownership license.** (a) After receiving the party's application pursuant to subdivision 3, upon the written request of the existing license holder and the party, the commissioner may issue a temporary change in ownership license to the party while the commissioner evaluates the party's application. Until a decision is made to grant or deny a license under this chapter, the existing license holder and the party shall both be responsible for operating the program or service according to applicable laws and rules, and the sale or transfer of the existing license holder's ownership interest in the licensed program or service does not terminate the existing license.

(b) The commissioner may issue a temporary change in ownership license when a license holder's death, divorce, or other event affects the ownership of the program and an applicant seeks to assume operation of the program or service to ensure continuity of the program or service while a license application is evaluated.

(c) This subdivision applies to any program or service licensed under this chapter.
